**ANNERLEY ANALYSIS**

by Bill Williams

**1st DIVISION**

Annerley, playing away at Pine Rivers, started this game in more confident fashion than has been the case recently and were knocking the ball around and creating chances or half chances right from the start. A left foot shot from defender, Paul Welsh, was almost rewarded in the 10th minute. The game settled down evenly after a while and our defence suffered some anxious moments, but Brian Barnes and Phil Hall were equal to the task. Our best chance came after 35 minutes when Brian Lampitt broke clear but shot wide with only the keeper to beat. Right on half time Glen Harkness hit the post and the game was scoreless at the interval. With Wayne Cook showing good skills on the left and Nigel Fisher making space for himself on the right we hoped for better rewards in the second half. Five minutes into the second session we were almost caught when the offside trap failed and Pine Rivers shot over the top from close range. Within a minute the trap failed again and the home side scored into an open goal to put us behind. This setback unsettled us and from a free kick outside the box, Ian Steele headed a good goal to make the home side 2-0. We had a good chance to get one back soon after but the keeper blocked the shot. Keeping up the pressure we created some chances and corners but with 10 minutes to go we were still down by those 2 goals. A good chance from well out by John Bridge was our last opportunity and we had to disappointingly accept the loss after promising so much in the first half.

**1st DIVISION RESERVE**

After starting confidently, Annerley was dismayed in the 5th minute when an attempted clearance by defender Glen Burden went into the net for an own goal. With the game 15 minutes old, Annerley forced a series of corners and went close to scoring, but to no avail. The game continued frustratingly for us until our best move involved Laurie Christensen, Davey Crane and Neil Meurant resulted in a great save from

the Pine Rivers keeper. Although we did not score from this, our players, suddenly realised they could do it and kept the home side under continual pressure. However halftime came with us still behind by that early goal. With the 2nd half only a minute old, Ian Ball had the ball in the net only to have the goal disallowed. Shortly afterwards our keeper, Bret Sue See, put a really long ball down the park to put the home side under pressure but the best we could do was hit the post. Soon after Pine Rivers scored again to put us behind 0-2. Five minutes later we got one back when Ben Boga crossed from the left for Laurie Christensen to head home. With about 20 minutes to go Annerley tried hard for the equaliser with shots by Wes Spark and Davey Crane going wide of the target. With 15 minutes to go we managed to draw level with a headed goal by Laurie Christensen again from a corner. From then on we had most of the play and peppered the home goal from all angles without result. One of the best chances was when Greg Cook headed what looked like the winner but somehow the keeper got his fingertips to it. Final result was a 2-2 draw, but an honourable one for us.

**5th DIVISION**

Annerley played away at Rochedale Rovers and at first the home team played very well pushing the ball around giving no hint why they have only 4 points from 5 games. Early in the first half the home side did make a mistake to give us a penalty, but unfortunately, our skipper, John Burgess missed but had the ball into the net from a rebound cross from Brad Halloran only to be disallowed by being offside. Peter Carter showed once again how deadly he is in front of goal by scoring soon after. Tony Gibbs, in his new midfield roll played well in the conditions he likes. The first half showed why we are on top of the table with most players putting their heart into the game. Tom Grice could have scored the goal of the season when a powerful header just missed. During the second half the home team nearly got one back but for

a fantastic save from our keeper Mick Peck. Again Peter Carter scored the 2nd goal from a through ball and with only the keeper to beat there was no doubt. Brad Halloran missed an easy chance by putting it over the net from metres out. Again late in the game, shots were blocked from Peter Carter, Brad Halloran and Tony Gibbs. All in all the game was entertaining and of course we are very pleased with our first away win. "Curley" Roberts again played hard. Michael Hurst is still improving in defence with some excellent head clearances. Alun Evans' form is improving with each game and Errol Anderson was much more solid in defence. Greg Smith must learn to use

his height to better advantage. It is indeed a team game and this was a team win. Their coach, Rex Evans, must be very pleased.

**Club Personality — ARNOLD COOK**

Arnie is currently manager of our Reserve Grade side, and as usual, making a good job of it. He has his forthright opinions on a lot of subjects and is known and respected throughout soccer. His generosity and support of Club Functions have been evident for many years, and in my opinion he is overdue for Life Membership Nomination.

**MITCHELTON STABLE TALK**

PERHAPS we should have looked at the map before we let the Mustangs out on Saturday because their reaction on the pasture on the banks of STABLE SWAMP CREEK was mixed to say the least. The First Division Reserves after 45 minutes of possession and pressure could only find the net once and that was a penalty which Grahame Morey put away. The halftime score was one all and Sunnyside's goal came from about the only shot they had, compared to the opportunities we missed. The only goal in the second half was scored by Sunnyside when a shot across goal was deflected by our keeper who was really stretching to get his hands to it, only to see an unmarked wing man send it back to be put away by his team mate in a bit of a scramble. We did play some good football at times — but not for anything like 90 minutes — and when the fulltime whistle blows the only thing that is recorded is the number of times the ball was put in the net. The First Division match was different if only because of the amount of extra work done by the Referee, he was the busiest person on the park. Garth Jones was unlucky in the first 10 minutes of each half to see his shots put away for corners when a fraction more time would have beaten the keeper. A good move and call by Phil Somerville in the 20th minute of the first half resulted in Neil Orford opening our account and 90 minutes later Lee Grice put away a corner from Barry Anderson. With little more than a minute to half time Sunnyside pulled one back to make the score 2-1 to the Mustangs and that was also the fulltime score. On Sunday our Fifth Division were at home to Oxley and it was good to see the number of supporters they brought with them. It looked like we were in for a

feast of goals when Kieran O'Reilly put away the first one in the first 5 minutes and good pressure only 2 minutes later forced an error in their defence which beat their keeper. However with all the work we seemd to be doing it was to be Oxley who scored the next two goals which left the final score at 2-2. It seemed to be the same old story of plenty of possession and pressure without putting the ball into the net only to see the opposition score when they made a break.

The Senior Colts A were at home to The Gap who apparently have not heard that where there's a clash of colours the visiting team is required to wear their alternate strip, which caused some delay in the start of the game. As the Referee for this game had not turned up, the delay afforded some respite for the official from the previous game who, instead of running the line, had to take charge of this one also. Incidentally, I thought he controlled both games very well.

The game itself did not show much prospect so far as goals were concerned, probably because of good defence on both sides, and it was not until the 32nd minute before Ross Gallagher, following up, saw a rebound go past the keeper to score our only goal. The Gap equalised 5 minutes later and went 2-1 up 20 minutes into the 2nd half from a corner. In the 33rd minute of the 2nd half they went 3-1 up when our defender lost his footing in the soft ground and we had no one there quick enough to back him up. On the day I thought The Gap deserved their 2 points, the play was closer than the scoreline indicates (the game flowed from end to end consistently), but we can and have played better and should take a long look at what we are doing wrong.

## STATE LEAGUE ROUNDUP

TOWNSVILLE UNITED 2 (McGuiness 28th; Kitching 51st) d. CAPRICORNIA 1 (Swan 16th). Halftime 1-1. Referee Garth Goodwin, rating 9.

Capricornia impressed again with their tremendous enthusiasm and took the lead in the 16th minute, through a Warren Jarvis breakaway, which was well finished off by Kenny Swan. Persistence paid off for Townsville and after Mark Spiegelhauer split the defence with a perfect 40 metre pass, Bobby McGuiness snapped up his first goal in front of his own supporters. He should have added a second just near halftime but blasted over the bar. Jarvis produced a great shot after the break, which Phil Figgins saved, but the winner came early for the home side, Cliff Whiteside and Tom Walton, leaving Brett Kitching with only the keeper to beat. The match was pretty even from then on until the finish and Townsville supporters were left wishing they had as many promising youngsters as Capricornia to come up through the ranks.

—oOo—

EASTERN SUBURBS 4 (Brusasco 37th, 65th; Rehbock 31st; Thompson 41st) d. MAREEBA UNITED 1 (Trovalusci 20th). Halftime 3-1. Referee Des Miles, rating 9.

Mareeba started well enough to score through Paul Trovalusci in the 20th minute and could have had more but for poor finishing. Easts regained their composure and relied on Bruce Rehbock for the equaliser in the 31st minute. Mark Brusasco added No. 2 only six minutes later and near halftime Easts won a penalty after a hectic goalmouth battle and Phil Thompson made no mistake. The second half was all Easts, yet they added only one more, Brusasco's second goal, and Mareeba can thank John Hardaker in goal that it did not finish up as an even more costly defeat. State youth representative Ray Junna was a willing worker for the losers.

—oOo—

GRANGE THISTLE 2 (Swan 25th, 65th) d. GOLD COAST CITY 0. Halftime 1-0. Referee Jack Wood, rating 8.

Thistle could have won this match by a greater margin but in the end were happy with their first win away from home this season. There were a few successful positional changes with Kenny Gordon playing at the back, Mark Aponas in the left of the midfield and Alan Marley came through his first full match for some time with flying colours. The sour note for Thistle was the sending

off of Aponas with 10 minutes to go after he had been booked for an earlier foul on Eddie Spearritt. Referee Wood the second time ruled he had fouled the Gold Coast keeper. Young Ross Swan has been really getting into full stride in the last few matches and was rewarded with a goal in each half. Marley also had a goal disallowed and Jim Cameron hit the crossbar. Best for the Coast were Barry Parsons at the back and Tony Kinnear.

—oOo—

IPSWICH UNITED 2 (Kathage 6th, 57th) d. WYNNUM 1 (Martens 82nd). Halftime 1-0. Referee Bill Monteverde rating 8.

Wynnum had every reason to feel that the best team lost after this one, yet Ipswich, who have had some wretched luck in previous games, will naturally have little sympathy. Ipswich started well with a Bryan Kathage goal in the 6th minute. Ian Lawrie took a free kick, it was chested back by Calvin Daunt, and Kathage finished the job with a first timer. John Bennett came to the fore in the last 10 minutes before halftime, when Wynnum rained at least 10 menacing shots in the Ipswich goal. Ipswich grabbed the vital goal in the 57th minute, beginning with a long ball from Wayne Warren. Kathage joined in the move, Jon Kitching headed in behind the defence and Kathage backed up again to complete the move. Wynnum's consolation was not enough to save them, young Alan Martens scoring in his first match. Peter Lelliott started the move from right back and Dave Large cut the ball back to Martens to accept.

—oOo—

MT. GRAVATT 4 (G. Bohan 18th, 83rd; Dickson 49th, Reid 76th) d. ACROSS THE WAVES 1 (Kenny 7th). Halftime 1-1. Referee Bill Turkington, rating 6.

Waves carried the hopes of many other teams in this match and looked like doing the job early with Tom Kenny finishing, after Gary Bromfield had skirted Chris Corcoran. Mt. Gravatt overcame the early setback and levelled before halftime when Gary Bohan ran from near the halfway line to place his shot just inside the upright. The second half started disastrously for Waves as a Craig Dickson header gave John Gorza no chance. Mt. Gravatt led 3-1 to settle the outcome when John Reid scored from a goalmouth scramble and Bohan added his second when Gorza failed to hold a shot from Archie Fraser.

## POINTS TO PONDER

HEARING Bob Latchford was arriving this week, Coalstars coach Barry Payne said he was very keen to meet up with the Everton star. "The last time I saw Latchford he was playing for Birmingham City against Queensland and I spent the match looking at his back, trying to catch him."

—oOo—

THE one we heard that we like the most this season, was the comment of a State League goalkeeper to the referee during a match against Grange Thistle, when his team was pinched for three free kicks in a row: "Hey ref, are you Scotch or something?"

—oOo—

THIS bloke could probably get away with it. Hughie Davidson, former Grange Thistle player now an Acacia Ridge supporter, upon seeing his old Thistle mate Matt Jackson playing for Inala City, yelled from the Perry Park clubhouse: "Hey Jackson, where's your crutches?"

—oOo—

HEAR about the well known pressman who was leading his team in a lower division match last weekend. Before he had time to have his first touch of the

ball, the opposition went one up, and after he had got a touch for the first time, they added their second. He was not to blame for either goal incidentally.

—oOo—

IMAGINE this. One team rings in and says we won 1-0. A few minutes later the other team rings in and says the same, we won 1-0. It happened last weekend when two teams phoned their score through to the QSF in a lower division match. How this would ever happen is beyond us. Funny if the referee reported it was a 1-1 draw.

—oOo—

IRATE person rang during the week to protest at a newspaper reference that Russell Stewart was captain of the Queensland Youth team in Canberra. Pointed out that the skipper in fact was John Kowtan. Sorry John.

—oOo—

OVERHEARD during a lower division match recently. Captain coach of one team said to a teammate: "Are you ever going to stick this ball in the back of the net. If not, get out of the penalty area." He did.

## FROM THE EAGLES NEST

Southside Eagles first division and first division reserves were hosts to Trident Valley last Saturday, with the first team losing 2-nil and the reserves winning their first game of the season by 3 goals to 1. There is not much that can be said of the first division game. As a spectacle it was non-existent, as players could not put more than 2 passes together without finding the opposition coming away with the ball. Until the Eagles more experienced players learn to encourage the younger ones and not go off at them, I can't see them producing many wins.

The reserve game, on the other hand, was a vast improvement to that of previous weeks, due to a few positional changes and with the addition of Paul Graveson playing a good solid game at centre-half, David Bruton in midfield and Mark Grice

as centre forward. The game started off with Eagles struggling a bit until the players settled into their new positions and from then on Eagles had the better of Trident. In fact, Eagles should have been two certain goals up in the first half, when Mark Grice was brought down in the area resulting in a penalty which Eagles failed to convert and shortly afterwards when Mark Grice on the left wing saw Robert Oertel running towards goal unmarked and crossed the ball which Robert sent rocketing towards goal only to see Trident's keeper make an unbelievable save in tipping the ball over the top. Then, in the 47th minute, Trident had a free kick awarded just outside the 18 yard box from which they scored. So at half-time it was Trident Valley 1, Eagles nil.

## CLUB NEWS

CONGRATULATIONS go to State League player Jim Cameron and his wife Carole as last Wednesday week Carole gave birth to a baby boy, Allan. Jim and Carole came to Australia early this year from Scotland and have now settled down to life in Brisbane. Jim's soccer career spanned some 12 years or so with four different Clubs ranging from Premier to 2nd Division. He won promotion from 2nd to 1st with Falkirk, spent time with Montrose and Forfar, with the bulk of his soccer spent with this year's Scottish Cup finalists, Dundee United. All in all, a great acquisition to Thistle, and the Club sends its heartiest congratulations to the two of them.

—oOo—

THIS weekend our 4th Division go to jail, directly to jail and don't even pass go, but they don't have a monopoly on this situation as all teams in this Division visit Wacol a couple of times a year for their fixtures. There are those in the Club who have been known to say this team have now found their rightful place. We don't all agree, after all, despite some hairy matches of late, they still lead the table in conjunction with RAAF who they play on the long weekend in June.

BY the time we read this copy of GO SOCCER we will know if our SEQ team has continued to another round of the Ampol Cup or have fallen by the wayside. Regardless of the result coach Jim Balish has considered it all good experience for his youngsters as they have steadily improved since the commencement of the season.

—oOo—

NEXT Saturday we are gearing ourselves up for an Italian night with decor and dress requirements to be of Italian mode. There could be some riotous types there, with Italian dress and Scottish accents emanating from within. The kitchen has obtained all the necessary data on the food situation from one-time Club Secretary Bruno Ribone. Bruno maintains there is only one way to have a successful night Italian style, lotsa food, lotsa drink, lotsa fun. He all but guarantees it.

Jim Cameron (No. 2) closely shadowed by Wynnum's Alan Collins, gets his pass away to Ross Swan in the background. Jim figures that seeing he's a full-back this is all he should show — his back. Big towering six-footer that he is, he says that if his opponents see his face as well, none of them would come on the park.

# GO SOCCER-VALLEY WORLD TRAVEL STATE LEAGUE

## PLAYER OF THE YEAR AWARD

THANKS to the generosity of Guido Canale, the manager of Valley World Travel, Go Soccer is again able to conduct the Player of the Year competition for players in the State League. This is the third year the award has been conducted on State League, with the previous winners Steve Dolan in 1979 and Brian Kibbey last year. As usual, the winner receives a return air ticket for one to New Zealand, compliments of Valley World Travel. Remember, support the companies which regularly support Soccer and anytime you need travel requirements, make a point of getting in touch with Guido Canale. This year the points allocation will be slightly different and will be awarded covering the whole match, on a basis of 6-5-4-3-2-1 for the top six players of each particular game. Full points will be revealed up until the end of the first round, but then some will be concealed in the second round, to keep the winner's identity in doubt.

*Eagles Nest — from Page 5*

At half time, Eagles made another change by moving David Bruton up to centre-forward and Mark Grice dropping into midfield, and in this half, Trident never got a look in. The few times they broke through, the backline of Ian Stone, Paul Graveson, Tony Porter and Steven Beebe were equal to the task with keeper Wayne Niven making some excellent saves.

It did not take long for David Bruton to add his name to the list of goalscorers when he received a good ball from Mark Grice, drew out the keeper and then chipped past him to level the score at one all.

Shortly afterwards, Mark Grice was again fouled in the area and this time Steven Hendy made no mistake from the spot to put Eagles in front. From then on, there was no stopping the Eagles and David Bruton scored his second goal for the day when he came down the right flank and blasted a shot past the keeper who, even though he got his fingers to the ball, failed to keep it from finding the back of the net.

Congratulations go to all the team who put in a fine team effort which produced the final score.

A. Flyer.

## TRIDENT VALLEY TOPICS

TRIDENT Valley were away to Southside Eagles and at Lanham Park to Grange Thistle, which produced a mixed bag. A win by the First Division, loss by the reserves, to Eagles. Colts B drew with Thistle, with the 4th division still on their losing streak.

### FIRST DIVISION

A lack lustre performance by Trident Valley, which coasted to an easy 2-nil win over Southside Eagles. Players did not seem to want to score any more. Terry Kirkwood was the only player that showed up by scoring the only two goals, and was injured himself. Performance by some players was poor and few showed any interest in the game. We have got to learn that when we play less skilful teams, we must maintain a winning attitude and not play with the tide.

### RESERVES

What a shocker; It's hard to put your finger on any particular thing we did wrong — there was plenty to choose from — bad passing, poor possession, team play; what team play! What became of the side that played against Taringa and recently Pine Rivers? So much for openers. We saw Trident Valley suffer their heaviest and most humiliating defeat when they lost 1-3 to bottom placed Southside Eagles. They have the skill but their performance was in no way the same strong and intensive teamwork of the past. Southside Eagles fully deserved their win as they played as a team. Although Trident-Valley started well and attacked confidently which produced some creative

football and scoring chances were there — in particular from Dean Dvronicich. Robbie Rogers the keeper played well but his efforts were in vain as the side did not perform as a team.

There seems to be a lot of work for the coach and selection team. They should re-arrange the side as some of the players are in the wrong position to be able to be used to their best advantage. The best effort came from Robbie.

### FOURTH DIVISION

This week we all thought that Grange was a top side and we could go home with a point. But we were not honest with ourselves and we let Grange dominate the game for the full ninety minutes. Throughout the game they were more aggressive to the ball while we were ball watching. With the little players that we have, we can't produce miracles. The final score was Trident Valley 0, Grange Thistle 8.

### COLTS B

Once again no report was handed in, but the writer believes the boys showed a good team spirit by securing a point after being down at half time 1 goal to 3.

### U12

It shows that the Grange Thistle were the victors in most of the games that Trident Valley played against them on the weekend; a win, a draw and the U12 lost their first game to them by 2 goals to three. Never mind boys it won't happen next week.

## RIDGE REPORTING

### RIDGE v OLYMPIC

THE Ridge bounced back well after last week's defeat, although they still lacked that final touch in front of goal and should have had a handsome lead by half time. I think a few heads will be rolling shortly if certain players do not pull their socks up. The closest the Ridge came in the first 20 minutes to scoring was a shot just wide from Randall Jackson and a scorcher of a shot from John Gillespie, which struck a defender. I bet he still remembered it next morning. In the 22nd minute, the Ridge were awarded a penalty after a rather silly hand ball. The spot kick was calmly tucked away by big Al Hunter. Soon after Steve Gallagher was a little unfortunate when he chased after a high through ball, out jumped the advancing keeper to nod the ball over his head, but just failed to make contact to finish off a neat piece of football. In the remaining 10 minutes of this half the Olympic keeper Micky K. pulled off two good saves from good efforts by Jackson, to keep his team in touch with the Ridge. Halftime 1-0. In the second half Olympic went close to scoring, but a bold save by keeper Rob Farrow kept the Ridge ahead. In the 12th and 14th minutes, Gillespie and Hunter went close for the Ridge. Three minutes later Jackson made it 2-0 when he took on 2 or 3 defenders in the area. Running across the face of the goal, he turned and hit a low shot into the far corner leaving the keeper stranded, who I don't think was too impressed with his defence. In the 68th minute Olympic were unlucky not to score when a player hit a tremendous low drive at goal from 30 metres out, which went right through keeper Farrow's hands and into the net, but the linesman had his flag up for offside! Shortly after, Olympic were awarded a penalty for hands. Fortune smiled on the Ridge when Billy Fagan shot wide. In the dying minutes Budgie Kay making his return to the first team for the first time since breaking his leg in the corresponding match last season, failed to score from a couple of good opportunities. Fulltime Acacia Ridge 2, Olympic 0.

In the early game, the second team had a comfortable victory 2-0 against a poor Olympic team, who did very little to impress anyone. In fact they had one shot on goal in the first half and that was off target. Although the Ridge failed to

score in this half, it was not through the lack of trying but with so much possession and nothing to show for it must be a constant worry for coach Jimmy Bentley. The nearest the Ridge came was a shot cleared off the line from Alan Teague and a good overlapping run by Peter Lecompte.

In the 52nd minute, Steve Butters was unlucky not to score with a header that struck the uprights, after a good cross from Teague. Soon after, this lad was dismissed by the referee in what can only be described as a pathetic piece of refereeing, which I feel he should have to answer to, and not the player. In the 64th minute Ian Foster made it 1-0 to the Ridge with a well taken volley just inside the box. With 15 minutes to full time, Dave Armstrong scored his first goal for the Ridge, much to the pleasure of the supporters, when he raced through onto a neat through ball from Big Butts to slot home a good effort. With only a few minutes remaining, the Ridge received a penalty which was well saved by the Olympic keeper. I promised Bones I would not mention who missed it. Fulltime Acacia Ridge 2, Olympic 0.

We had a very sad moment at the Club on Saturday after the game when we said goodbye to one of our dearest supporters and workers for the Club, Cyril Nevell who is moving to the coast to live. Cyril is 78 years old and has been selling raffle tickets since the Club was founded in 1963. In fact I don't think we will feel the impact of his departure for a couple of weeks, because it was always accepted that if we were running raffles on the field, in hotels and at shopping centres, Cyril will do it. Well Cyril you have earned your retirement and from everyone in our Club we wish you the very best, you old "B". Gee, I will have no one to swear at now. Watched Bob Buchanan on SportsScene a few minutes ago and congratulate him on his honesty regarding remarks he made about the Australian coach, Ruddy Goodridance. This man has disgusted me over the past few years. How he always passes the buck to his players on poor performances and has never taken a good look at himself or at his own performances.
