**TRIDENT VALLEY TOPICS**

LAST weekend the club again had mixed success. **FIRST DIVISION** — The boys convincingly won their match against Aca-cia Ridge, even though it was difficult to play good football in the blustery conditions. The Ridge, playing with the wind, opened their account in the 7th minute. Ridge applied the pressure but Trident Valley soaked it up and gave some back. Phil Cruse latched onto a Ridge clearance, beat a defender, then drew the keeper out and slotted in our equaliser. Good keeping and midfield grafting on both sides kept the score at 1-1 until halftime. In the first five minutes of the second half Ian Gentles had a good chance to put us ahead but Ridge keeper Rob Farrow made a good save. From a free kick, the ball was nodded out to John Kennedy who took the ball to the by line and crossed, where the reliable Cruse was waiting to head our second goal.

Shortly after, Phil was replaced by Terry Kirkwood and in this period the Ridge keeper was kept busy saving shots from Peter Carey, Kennedy and Frank Mengotti. That second goal spurred Trident on and with 10 minutes to go Tommy Pike set up Kennedy for a sharp chance and he executed it perfectly. The referee was spot on by being inconspicuous and made the game flow. Well done Mr. Klose I think the spectators appreciated that as much as I did.

**RESERVE DIVISION:** This team I am told fell apart in the last 20 minutes of this match after it was nil-all at halftime.

In the second half Ridge scored first but Trident Valley equalised through Leo Beninca. Trident Valley went ahead when "Dalglish" John Mapplebeck scored but Ridge hit back with three quick goals, when our defence failed to challenge for the ball, allowing them two free headers which were converted into goals.

**FOURTH DIVISION:** They played two games this weekend and were unsuccessful in both. Saturday they played Slacks Creek and lost 5-1. The team still lacks a good midfield and goalkeeping leaves a lot to be desired. Monday was another unsuccessful day, losing 3-1 to Samford. This game had little excitement but Trident tried hard.

**COLTS B:** This team also played two games, the first against Pine Rivers when they won easily 8-0. Backing up on Monday on their home ground they again came out victorious against Rochedale by 3-1. When the score was 1-1 Carlo Musemeci got his marching orders for an early shower.

Playing with only 10 men they fought back and backed each other up well and were rewarded with two more goals. Our First Division are progressing well in the Ampol Cup and by the time this issue is out we should be in the final 16 against Mt. Gravatt on Sunday. See you all there. The Trident Valley club takes this opportunity to thank all of our sponsors for their continuous support.

**ANNERLEY ANALYSIS**

by Club Members

**AMPOL CUP** — On Wednesday, 3rd June we played our Ampol Cup Match against Eagles and emerged victorious during extra time by two goals to one. This puts us into the final 16 and our

next opponents will be Eastern Suburbs. It will be a tough assignment, but we are looking forward to it, and there is no reason why we cannot lift our game as we did against Mt. Gravatt State

League side in similar circumstances last year. The lads really turned it on then and we wish them well again.

**1st DIVISION**

We played away at Salisbury. Referee Gordon Nicholson got us away and for 10 minutes it was fast and furious, end to end stuff. After we settled down some good close passing between Brian Lampitt, Bill Perry and Nigel Cairns gave us a chance, but the final shot was blocked. From a free kick, in a set move, we forced a corner and Nigel Cairns header was saved on Salisbury's line. We were almost in when a good shot from Nigel Fisher, unfortunately, hit the bar and rebounded into play. Shortly before half time, we lost Neil Catchpole through injury, but had an able replacement in Brian Barnes. There was no score at the break but the honours were definitely ours with top efforts from Bill Perry and Brian Lampitt and our defence rock solid. In the second half, it took us a while to regain our momentum and Salisbury had a chance early but shot wide. 20 minutes into the half, the home side again saved off the line, this time by a field player with the keeper beaten. With 20 minutes to go and all our efforts coming to nothing, frustration was becoming evident and we desperately needed a goal. At almost the end, Ron Tong headed over the top from a corner and this was our last chance. The game finished at nil all, but it really was only our inability to put the ball away that cost us the win. In all honesty the home side only had a few opportunities while we had plenty, but, of course it's only goals that win matches.

**1st DIVISION RESERVE**

Having missed the first half, I can only report the teams were level at one all at the break. We scored through Laurie Christensen about half way through the period and Salisbury equalised just before the break. The cold windy day was not conducive to good football, especially on Salisbury's small bumpy field. Ten minutes into the second half a brilliant save by goalie Brett Sue See, saved us from being a goal down. Davey Crane almost got us back in front soon after, but from the resulting corner, Keith Packer scored to put us ahead 2-1. Salisbury fought back and again forced a series of great saves from our keeper. Ten minutes later, Glen Harkness put us in front 3-1 after Keith Packer refused to be shaken off the ball and laid it on perfectly. With 12 minutes to go a mystery penalty was awarded to Salisbury and they made no

mistake to make it 3-2. This was the final score in a hard fought game which we should have won more easily.

I read, with interest, the unsigned "Salisbury Snippets" article in last weeks GO SOCCER which was obviously meant to motivate their players. It did not work sufficiently for them to even look like winning either game, so I'm afraid they must feel humiliated as their article says. They were well beaten in the reserves and VERY lucky to escape with a draw in the 1st Division. Apart from helping to stir Annerley I hardly think this "humiliating" talk would help the Salisbury players and I urge them to think positively for the games to come.

**5th DIVISION**

We played away at Taringa and I must say that Taringa, only two points behind, started in great fashion. Our first big chance came after 20 minutes. 5 minutes after Craig Roberts was brought down and a penalty given. Peter Carter made no mistake to put us up 1-0. However it was short lived as Taringa made it 1-1 two minutes later. With 7 minutes to go in the first half, Skipper, John Burgess attacked and with a good pass to Peter Carter who put away another excellent goal to put us up 2-1. The second half produced some very good 5th Division football with either side having opportunities to add to the score.

It's certainly amazing how this team can play so differently from one week to the next. We won this game by 2 goals to one and we also played much better than last week, with the will to win. Errol Anderson, Alan Evans, Michael Hurst and Tony Gibbs fought for the ball throughout the game. Brad Halloran much improved and with Peter Carter's good finishing has kept us at the top of the table. Good to see John Burgess back from injury and Keith Sharrock had a run after many weeks off with injury. This was truly a team effort and a good win. Congratulations.

**CLUB PERSONALITY — Greg Cook**

Along with his brother, Wayne, Greg has played only for Annerley, right from Junior days. In reserve grade, his forays from defender to attacker are prominent, usually resulting in his scoring about one goal per season. However, he has recently attained his highest goal in life so far by becoming engaged to the lovely Lucy DiBartolomeo. We wish them both every possible happiness.

# STATE LEAGUE ROUNDUP

TOWNSVILLE UNITED 4 (Clarke 76th, 85th; Whiteside 9th; McGuinness 15th) d Wynnum 0. Halftime 2-0. Referee — Des Miles, rating 8.

Pure Magic, was how Allan Clarke was described as he almost totally dominated this match, which in retrospect, virtually gave Wynnum no chance at all. Another description was Clarke 4 d Wynnum 0. The game was only nine minutes old when the former England striker laid on a pass which enabled Cliff Whiteside to skirt the defence and score. Some six minutes later, he again pulled the defence and slipped a pass across the goalmouth, where Bobby McGuinness finally scored with his second attempt. Wynnum were never really in the hunt as Clarke caused them too many problems yet in the first 15 minutes of the second half they came back a little, particularly through Nigel Rehbock, who struck one good shot and then had another disallowed for offside. Some Townsville supporters said later they could see nothing wrong with the goal. Wynnum defended stoutly to hold out until near the end, until Clarke asserted his complete authority by adding two more individual goals. When the points are handed out for this match, the name A. Clarke will be missing. Our man in the north says he was simply too many classes ahead of the other players on both sides to be considered.

IPSWICH UNITED 3 (McKeand 41st; Miller 56th; Tokesi own goal 15th) d ACROSS THE WAVES 2 (Wood 31st; Kenny 44th). Halftime 2-2. Referee, Jack Wood, rating 8.

Ipswich again proved to be the real bogey team for Waves, as they notched up their sixth State League win from as many starts. Ipswich were given a dream start when Peter Tokesi, attempting to clear, flicked the ball into his own net. But Waves recovered on the half hour and from a long clearance by Ross Barbera, John Wood had John Bennett under pressure and was able to finish the job. Randall McKeand fired Ipswich back in front from a Bryan Kathage pass in the 41st minute, but a good move by Waves just before halftime brought them back on level terms. Gary Bromfield combined with Wood and the ball came across the face of the goal, where Morris Zaina missed his chance, but the ball finally fell for Tom Kenny, who made no

mistake. Ipswich had a severe setback in the first half, just after their first goal, when central defender Wayne Warren was taken to hospital for X-rays on a leg injury.

Ipswich eventually grabbed the goal which counted in the 56th minute when Jon Kitching drew Barbera off his line and John Miller completed the execution. Late in the match, Waves just missed a spectacular equaliser when a thundering shot from Bromfield just grazed the cross bar.

MT. GRAVATT 5 (B. Bohan 13th; Reid 37th; Dickson 47th; G. Bohan 64th; H. Stewart 76th) d CAPRICORNIA 1 (W. Druery 80th). Halftime 2-0. Referee — Garth Goodwin, rating 7.

This match was described by our observer as a not over interesting match, despite the welter of goals. Perhaps Mt. Gravatt supporters are becoming accustomed to easy victories. In the event, Harry Stewart set up Bevan Bohan, who volleyed away the first and John Reid broke away to make it safe for the Hawks at the break. Craig Dickson, Gary Bohan and Harry Stewart followed suit, before Wayne Druery pulled one back in the 80th minute from the penalty spot. Eric Thompson again held sway in an easy afternoon for the Mt. Gravatt defence and Bevan Bohan motivated the midfield. Ken Swan, Col Balderson and Brad Smith were best for the losers.

GOLD COAST CITY 1 (Buffey) v EASTERN SUBURBS 1 (Thompson). Halftime 1-1. Referee —

Not too much to report on this one as we had extreme communication problems on Monday because of the Telecom dispute.

GRANGE THISTLE 2 (Mangan 70th, Marsh 83rd) d Mareeba 0. Halftime 0-0. Referee — Col Amos, rating 9.

Thistle retained their second spot in the League, but not without a fight from a stubborn and determined Mareeba. Mareeba's latest signing Frank Farina was a big danger until he went off injured after only 20 minutes play. Thistle's two Solomons Islanders came up against some of their National team compatriots with Mareeba's defender Sam Ata, coming off

best most of the time. Maleaua and Sokeni combined well but Sokeni's shooting was badly astray. In fact, the shooting in the first half was well off target for both sides.

The first goal came 25 minutes into the second half, when Sokeni took a corner and the reliable Mangan headed home. Both sides had opportunities to score shortly after, as firstly Ruiz narrowly missed, then Aponas missed a sitter at the other end.

Thistle's second goal came seven minutes from the end when Sokeni again took a corner, fullback Cameron knocked it across the goal and co-fullback Keith Marsh swept in his first State League goal.

Not a classic match by any means and a far cry from Thistle's match of the week before. Whilst Mareeba worked hard, set up the chances, but had no one to apply the finishing touches. Mareeba were best served by Junna, Soncin and Papalexion, whilst Thistle's better players were their two "youngies" Swan and Marsh, with Jim Cameron lending able support down the left.

OUR State League right full back, 18 year old Keith Marsh, looks like he has cemented that position very firmly in his name, going by his last few outings. Here, he's shadowing Wynnum's Keith Walker. Last Saturday night he scored his first goal in the top grade after combining well with fellow full back, Jim Cameron. Keith has played all his soccer with Thistle, from a very tender age and it looks as if he will be playing there for some considerable time yet.

**CLUB NEWS**

Our ladies team ran true to form in their last fixture of the first round by having another draw, once again they took the field with only 10 players, but this time they played like they had 13. Second round fixtures start this weekend and on current guesswork we estimate our team is equal 4th. We say guesswork because so many of the clubs in the ladies competition seem reluctant to phone their results to the newspapers.

In case you are wondering why you are always reading about the Ladies in this column, it is because they are always ready and willing to supply information to the harassed writer.

—oOo—

With the Junior State titles coming up during school holidays in July, competition has been fierce for places in these Brisbane North representative teams. At Thistle we have two players in the U14 team playing at Yandina, Anthony Somerville and Mervyn Bearer. In the U15 team going to Rockhampton we have five reps. Mark Sarri, Grant Beavers, Jeffrey Jasch, Andrew Rainbird and John Perotte. Congratulations lads, we're sure you'll do the Club proud.

—oOo—

With the double fixture weekend now safely out of the way the majority of our

seniors can have a weekend off this weekend. Colts A and 4th division got 4 out of 4 points with the Colts B obtaining 3 out of 4 points. The 4th division clash on Monday was a good no-holds-barred match between them and the R.A.A.F. The Air Force were in good voice off the park with a solid band of supporters backing them.

All in all a good weekend for our seniors having dropped only one point out of a total 16 points in the 8 games played. Well done.

—oOo—

Visitors to our main field of late would have noticed our "patriotic" corner flag poles complete with crested flags. The posts are painted in club colours, courtesy 4th Division player Peter Draney, whilst the flags with the Thistle badge are from the hands of Mrs. Joyce Rankin.

We are taking good care of these flags, as they are quite attractive.

However, late last Saturday night, one did in fact, disappear. We can only assume it is now residing in the town north of Cairns.

## GO SOCCER-VALLEY WORLD TRAVEL STATE LEAGUE

### PLAYER OF THE YEAR AWARD

THANKS to the generosity of Guido Canale, the manager of Valley World Travel, Go Soccer is again able to conduct the Player of the Year competition for players in the State League. This is the third year the award has been conducted on State League, with the previous winners Steve Dolan in 1979 and Brian Kibbey last year. As usual, the winner receives a return air ticket for one to New Zealand, compliments of Valley World Travel. Remember, support the companies which regularly support Soccer and anytime you need travel requirements, make a point of getting in touch with Guido Canale. This year the points allocation will be slightly different and will be awarded covering the whole match, on a basis of 6-5-4-3-2-1 for the top six players of each particular game. Full points will be revealed up until the end of the first round, but then some will be concealed in the second round, to keep the winner's identity in doubt.

## ON THE WYNNUM WAVELENGTH

The secret it out!! The "deadly weapon" Townsville have been talking about was revealed to the Wolves on Saturday evening last — when they played away in "Kern Country" — in the form of none other than the English international star Allan Clarke. Much to the dismay of Wynnum (and particularly Pete Edwards whose job it was to make Clarke) this star has lost very little, if any, of the brilliance and finesse which took him to the top of top grade soccer in England, as an England international and a member of the all conquering Leeds side of the 60's.

The Wolves unfortunately were defeated and by some accounts, the score was Allan Clarke 4, Wynnum 0.

As stated, Pete Edwards had the unenviable job of marking Clarke and when asked after the game why he hadn't hit him harder he said, quote, "I couldn't b . . . . well find him, never mind hit him".

—oOo—

Poor old coach Bill Bryant is no stranger to copping lots of stick from all sections of the club at various times, but that's a 1 in the name of soccer. However, Bill draws the line at cricket. Bill found himself to be the only "pom" amongst the "Aussies" when some members of the State League side watched the England v Australia one day cricket on Saturday night on T.V. in Bill's hotel room in Townsville. The "Aussies" did a war dance and gave the lone "pom" heaps when England was defeated by two runs. Never mind Bill, they obviously hadn't seen the first match!!

—oOo—

Ex-Wynnum player Nigel Fisher, now at Annerley is to become a dad for the second time. Many friends from Wynnum pass on their best wishes to Nigel and Vicki for the forthcoming big event.

—oOo—

Veteran player Alan Hill made a comeback last week-end when he played in the S.E.Q. League game against Lions on Sunday last. Alan coaches the team but had to fill in on the playing field because of a shortage of players.

Keith Walker played a full game in the same match and seems to have regained full fitness after his ankle injury.

Steve Brown played an outstanding game. Well done Steve!!

"Biggles" Collins!! At first I thought Wynnum had signed on a new player but then found out Allan Collins has been rechristened. Poor Allan has an absolute dread of flying and anticipates every plane trip away and coming back with terror. Every time the plane hits an air pocket or takes a drop Allan is heard to exclaim "Eh-Up". Now whenever there is a slight bump or quiver or air pocket, fourteen voices cry out in unison "Ey-Up" much to the amazement of other passengers.

—oOo—

Referee Desi Miles came in for the usual amount of stick that all referees get from a losing team when he refereed the game Wynnum v Townsville on Saturday. His ability to see what was going on met with the usual comments. On Sunday morning at breakfast when Des was choosing his glass of fruit juice, Wynnum's manager called to him and suggested he try the carrot juice — It might make him see better.

—oOo—

#### WENDELL HENDERSON

Wendell is a 24 year old midfield player who is playing his second year at Wynnum having transferred from Annerley at the beginning of last year. Although Wendell prefers a midfield role he is also at ease as a winger and has the added advantage of being able to use both feet to good effect.

Wendell had a disastrous start to the season when he tore ligaments in his knee in a pre-season trial and did not regain full fitness until midway through the first round. His first chance in the state league side came against Grange Thistle at Maramba when he scored Wynnum's first goal in the 2-2 draw before being replaced late in the game.

Further goal scoring success came for Wendell in the match against Eastern Suburbs when he grabbed both goals in Wynnum's shock 2-1 win and was judged the best player on the park.

Wendell has now carved for himself a permanent spot in Wynnum's first team and hopes to improve on his total of three goals, as Wynnum strive to climb the State League table.

## NEWMARKET NEWS

Newmarket continued their hold on top of the second division with a remarkable day's soccer against the Gap. Newmarket reserves thrashed Gap by six goals to nil in a game which tied the score. At half-time the Newmarket team led by only 1 goal to nil — but what a goal it was! It would have competed with the best goals from Match of the Day in England. The ball was cleverly played from Van Ommeran to Mike Lewis who found Terry Madigan running into a right wing space. Madigan then drove a cross of utter brilliance from 45 yards out over the keeper and three defenders to the incoming winger Ross Murtagh who bulleted the ball home. In their dressing room at half-time the Newmarket players prepared themselves for a Gap come-back which never appeared. Instead Newmarket charged forward with some great team play and probing crosses from Madigan which led to five more goals from the home side. After a tough game the home side found themselves trotting off victoriously by 6 goals to nil.

Having watched their reserves win by such a margin the Newmarket top side applauded them off and then went out to perform even more remarkably. The senior side wanted to do well for new coach A'an Carey and attacked Gap from the start, only to find themselves a goal down after a bad defensive mistake by their right fullback. Worse followed when a few minutes later the Newmarket right half Rex Winter earned himself the referee's red card. With ten men on the field &

one goal down the Newmarket side defied all logic and attacked Gap with great ferocity. Every player was prepared to shoot and after twenty minutes a good cross was headed into the Gap's net by Paul Campbell.

Four minutes later Peter Richardson coolly controlled a good pass from David Ingram and from 25 yards out placed the ball past the excellent Gap keeper. Newmarket were now 2-1 up but kept attacking into the second half. But the drama heightened at this stage when a second Newmarket player was shown a red card. The home team was down to nine players and looked set to lose top spot in the division. However Terry Madigan was substituted on and Newmarket just kept going forward. They were awarded a penalty which was converted by Richards to make the score 3-1. Then at the other end Gap were awarded a penalty which Ross Mason saved! Newmarket charged yet again at Gap — Madigan's pin-point cross found Blount's head and at Gap fullback had the handle the ball to prevent another goal. Penalty! Richards stepped forward for his hat-trick and hit the post!

Only minutes later the whistle sounded to give Newmarket a great victory with only nine players on the park. A truly remarkable days soccer left the crowd exhausted with the home teams scoring nine goals.

FINAL — Newmarket Reserves 6, Gap 0.  
Newmarket (2nd Division) 3, Gap 1.

NED MAGRIARTY.

## Vest leaves Newcastle

THE Directors of the Newcastle United Soccer Club have decided that in all the circumstances which prevail, it is in the interests of the Newcastle United Soccer Club that a change of player management occur at this point in time and accordingly the club announces that the services of Alan Vest Soccer Enterprises Pty. Ltd. as the club manager have been concluded on mutually satisfactory terms.

Mr. Harley Dixon the president of the Newcastle United Soccer club stated: "It must be clearly understood that the decision is not a result in any manner whatsoever of Malcolm McClelland's request last week for a clearance from this club. The club has expressed to Alan Vest its sincere thanks for his services to the club, for his valuable contribution

to the establishment of the club and for his dedication and loyalty to the club since its inception."

The directors also wish to announce that as an interim measure until the end of the 1981 season Newcastle's own Soccer Mr. Ray Baartz has been appointed the team manager. Mr. Frank Campbell will continue as the trainer.

Mr. Dixon called upon the people of the Newcastle region, particularly its soccer community, to encourage the team by their support through this difficult period. Mr. Dixon further said "The club will be conducting a pains-taking search to ensure that the club engages within its financial resources the services of the best available coach for the 1982 season."

## U.S. Youth Team for Brisbane

NEW YORK (April 3) — Looking at the draw for this October's FIFA World Youth Championships, the US National Youth Team has a stiff challenge.

The US has been paired with Uruguay, Poland and Qatar. While little is known of Qatar, US National Team coach Walt Chyzowych and US National Youth Team coach Bob Gasnler are well aware of Uruguay's and Poland's abilities.

"What I think they did was put two biggies in each group" Chyzowych said. "But we feel very optimistic. Bob has been talking about the Uruguay match in Brazil (a 2-0 loss in January's Paulo Machado de Carvalho Cup in Brazil)."

In his technical report on the Brazilian tourney, Gasnler reported: "This encounter was a predictable effort on our part. Too much respect for the opponent allowed them to dominate the first quarter hour. Their early goal was part of a trend. We played respectively in the back and defensively in general, but were unable to sustain much offensive on a treacherous field with much of the contest played in a rainstorm."

Where the US team had only six days of preparation in Tampa before departing for Brazil, the Americans still have six months to get ready for Australia and the quest for the Coca-Cola Cup.

Participating in the 41st annual Bellinzona, Switzerland International Youth Tournament, April 17-20 is another step in getting the US squad ready.

Some new faces have been chosen for the US team in Bellinzona, with only seven members of last summer's CONCACAF team on the roster. Part of the reason being the difference in eligibility. For the CONCACAF tourney and the World Championships, players must be born after August 1, 1961. For Bellinzona, players must be born after January 1, 1962.

"Plus, in some instances we don't have a choice because kids have to get out of school," Chyzowych said. "We're more concerned with exposure now, than results. We hope to have them together for almost the whole summer."

"In June we'll be in Mexico for a tournament where of eight teams that'll be there, seven have qualified for the World tournament. In July we'll have the Olympic Festival in Syracuse, where we'll have a National Youth Team playing against the regional teams, although the National Team won't be competing for medals,"

noted Chyzowych.

"Then we'll be hosting a tournament probably in August in Colorado Springs, with Mexico, Canada and Bermuda. In September we'll train in Holland, then go to Australia," Chyzowych added.

The extensive schedule indicates the United States Soccer Federation (USSF), and everyone involved with American soccer, is taking the World Youth Championships very seriously, especially in light of the poor showing in the '82 World Cup qualifiers.

The Bellinzona tourney will be a good indicator, particularly since the US won the event in 1978 and placed second in '79. The US has been matched with AC Bellinzona, SSC Nuremberg (West Germany) and SSC Napoli (Italy) in the round-robin play. FC Nuremberg is the defending champ. Also competing in the other bracket are Leeds United (England), AS Monaco, AC Fiorentina (Italy) and the Swiss National youth selection.

"We'll be looking to Tom Kain, David Lischner, Amr Aly and Peter Jannette as the prime people on the attack," Chyzowych said. "Plus Chris Hundelt is strong coming out of the back."

Kain, Lischner and Darryl Gee are veterans of the US team, all having a lot of international experience, including last summer's CONCACAF team. Aly is debuting with the US contingent during the Bellinzona tourney, while Jannette played with the US during the Cannes International Youth Tournament in France last spring.

Aly's from New York and completed his first season at Columbia University. Jannette's a Long Islander and attended Hicksville H.S. He signed with the MISL New York Arrows and will debut for them in the Fall.

"I've watched Amr for three years and he's a technically high player and shows strength," Chyzowych said. "Dieter's (Columbia coach Dieter Ficken) done a nice job with him. He's a sophisticated player, whose strength may be his leadership and ability to dictate rhythm."

The US group will leave New York April 9 for Milan, Italy where they'll train at the Coviciano Training Centre outside Florence. They'll also face Rondinella and AC Fiorentina in friendlies while in Italy.

April 16 they'll venture to Switzerland for the Bellinzona tourney, returning to the States on April 21.
