## **ONTONG:** Were Lions Brisbane Lions could have lost an

instant replacement for their experienced sweeper Jim Hermiston when they sold fullback Paul Ontong to Canberra Arrows earlier this year.

Arrows coach George Murray instantly converted Ontong to a sweeper and after some early apprehension, the former Lions and Mooroolbark winger, midfielder and fullback, settled well in the position.

And in an interview this week Ontong admitted he was just beginning to really enjoy playing sweeper when a foot injury sidelined him.

Ontong injured ligaments when he twisted his left foot in the fourth round match against Marconi. He tried to make a comeback too early several weeks ago and since then has been receiving physiotherapy almost daily.

At the time Go Soccer went to press, Ontong was uncertain whether he would be fit to play in Canberra's match this Sunday against Brisbane City at Spencer

"It has been the most frustrating six weeks of my soccer career," Ontong said. "Canberra paid \$15,000 for me and I

just want to get on the field and prove their money was well spent.

Ontong said the switch from Lions to Canberra was not a difficult one although he added it would always be difficult to match playing in a defence like Lions had last year.

"Jim (Hermiston), Col (Bennett), Alan (Niven) and I built up a great understanding and we always knew what the other was going to do.

Obviously it will take a while for me to develop a similar understanding with my Canberra team-mates but I just can't do that while I'm not playing", Ontong said.

"But once I get back in the team I don't think it will take very long as the players here are as good as anywhere in Australia.'

Ontong said he had found it very easy to fit in under the coaching of Murray.

"In many ways George and Joe Gilroy are on a par. I think the only difference is that Joe concentrated a little more on the physical side of the game while George puts more emphasis on skills," Ontong said.

## too hasty?

Ontong watched his old team when they played recently at Bruce stadium. Canberra were all over Lions early in the match and went to a 2-0 lead but Lions fought back following the substitution of Bobby Ferris for Calvin Daunt and snatched two goals inside the final 10 minutes.

"There were obviously problems in the backline, but the rest of the team looks as good as ever".

Ontong confidently predicts Canberra will finish fourth this season.

"We had a bad start to the year but now that George Christopoulos is in the mideld with Gary Byrne things are starting to come together. Look for a strong second half of the season from us," he said.

As for the teams which will finish 1,2,3, ahead of Canberra, Ontong wouldn't be drawn into saying whether he thought one of them would be Lions but an indication could be drawn from his final comment -"I certainly don't regret the move."

# Pezzano

Brisbane City compensated for the loaning of goalkeeper Martin Coe to State League club Valley Trident when they signed Sydney City youngster Tony Pezzano last week.

Pezzano, 21, has come to City on a loan to the end of the season but the Gladiators have an option to sign him after that.

Pezzano is one of the most talented young keepers in Australia but has been largely kept in the background by the Slickers' experienced No. 1 Todd Clarke.

"I wanted to get away from Sydney City to prove I could hold down a regular Philips League team place and I intend doing that at Brisbane City," Pezzano

The young keeper first came into the limelight when he was selected in the Australian under 19 team for the qualifying matches for the 1979 world youth championships, although he had toured the United States with the Australian schoolboys team in 1978.

In the Australian team Pezzano again played second fiddle, this time to Greg Woodhouse, now at Leichhardt and he didn't come into his own until an extended run in the Slickers team last season.

"But I always felt they were just waiting for me to make one mistake so Todd could be re-selected," Pezzano said.

This season things looked different when Pezzano played for the Sydney City first team in all its pre-season trial matches and Ampol Cup games. But when the PSL season began, Pezzano to his surprise found himself back in the reserves.

"It was then I decided I had to get away and I am more than confident I can do well at City," the youngster said.
But with Kim Wishart good enough to

keep the talented Coe out, whether Pezzano can force his way in remains to be seen.

ROUND TWO

### WHAT A DRAW!

It's a match that would be fit for a final . . . that's the only way to describe the Ampol Cup second round clash between former State League giants Mount Gravatt and Grange Thistle.

Everyone who witnessed the draw couldn't believe their eyes when the two names came out of the hat together, and ironically, one of those witnesses was Thistle secretary, Jim Gilbert.

28th April, 1982

This will be the first clash between the two teams since they withdrew from the State League and both will be fired by convincing results in the early rounds of the First Division.

Thistle, the first Cup holders ever to have had to qualify, would have hoped for an easier path to their second final but if they win this one they will have the knowledge that things couldn't get much tougher.

Mount Gravatt will be keen to get their arch rivals out of the way as they attempt

to win one of the few trophies to have eluded them in recent years.

But the Thistle-Mount Gravatt clash is not the only interesting aspect of this year's draw.

No doubt one of the Second Division minnows would have been eyeing the first round bye that was drawn by the 1981 State League grand finalists Eastern Suburbs.

Other interesting clashes include the matches between Sunnyside and Darra, Goodna and Mitchelton, Bardon Juniors and Wynnum and one of last year's qualifyers Annerley against former State League and First Division club Southside Eagles.

Action from last year's Ampol Cup when First Division side Annerley fought through to play State League club Eastern Suburbs in the finals. The Easts players challenging for the ball are Russell Griffiths and Gary Thomas while at right Annerley's Brian Lampitt and Brian Barnes look on.

## THE VALLEYS' ECHO ...

Valley Trident State League team is determined not to let its fans down when it next plays at Perry Park, against Nambour Reds on Sunday, May 9.

After so much pre-season promise the first day of fixtures at Perry Park on April 18 turned out to be a day of disaster for the new State Leaguers and we lost 2-0 to Bundaberg's Across the Waves. And it seems that performance was reflected in nearly every Valley senior team that weekend.

The seventh division side were heavily beaten by Albany Creek where unfortunately the match was reduced to the level of near farce by a referee and his yellow and red cards. The fourth division side, struggling to get a team together were easily beaten by South Star while the Senior Colts alone salvaged some pride for the club by drawing with Easts.

Valley SEQL side had the sort of week which is every coach's nightmare. They completely outplayed Rochedale Rovers who couldn't believe their fortune when virtually their only shot of the second half found the net to give them a 2-1 victory. Richard Shortman and Gerry Lindsay were outstanding in a side that

Former Lions midfielder Gerry Lindsay who is now set to star in the State League with Valley Trident.

will surely play worse and yet gain a more favorable result.

There can be no excuses however for the Valley's State League team. The Bundaberg boys, coolly marshalled by Brian Kibbey, showed themselves to be far too fast and too determined for a struggling Valleys combination.

Across the Waves dictated the pace and pattern of the game and Valleys were never allowed to play the controlled style of soccer which is their trademark.

At half-time honors were even but in the second half Bundaberg, much faster on the break than their opponents, surged through to score twice. The second goal was a real gem from striker Lyle Bryce, who after leaving a floundering Mickey Hayes in his wake, calmly chipped the ball over advancing keeper Martin Coe.

The Valleys players will no doubt fight back in this much tougher than anticipated competition with the same resilience they demonstrated last year and hopefully following the example set by the best player on the day, David "Doog" Melia.

Valley Trident has taken an ambitious step in the re-introduction of regular State League fixtures at Perry Park and the crowd and atmosphere on the opening day was very pleasing to all concerned. We look forward to seeing everyone back there for the Nambour clash.

"The Valley Viewer"

NOTE: Supporters who are driving to Perry Park for our matches are advised only team officials and QSC members can gain admittance through the main gate. All other patrons are asked to enter the ground through the gate at the far northern side of the ground where there is ample parking space. Observance of this will allow everyone to get into the ground much quicker and will make club officials' job easier. Thank you.

## FROM THE EASTERN "Rebel's Rectangle" saw its first action

of the season in the fixtures against Coalstars on Saturday April 17. After a clean sweep in senior fixtures on the opening weekend of the season there was an air of confidence in the camp with the approach of this fixture.

#### FIRST DIVISION

EASTS 4 d COALSTARS 1.

Although there had been some concern regarding the fitness of Phil Thompson earlier in the week he was able to take his place in the side much to the chagrin of Coalstars. They started his day well by standing appealing for offside while he strolled through to slot away a simple goal after 20 minutes of the first half.

Easts continued to apply pressure and within 10 minutes a cross from Jeff Hanson on the left found its way to Thommo's feet. He seemed to have acres of room and as much time as he wanted to slip a sidefooted shot well clear of the exposed keeper.

A short time later a breakaway by the Coalstars forwards seemed destined to reduce East's lead, but, the ball finally finished in the back of the net from an offside player. Disallowed.

Half time — Easts 2, Coalstars 0.

The second half opened with relentless pressure from Easts which, although causing havoc in Coalstar's defence didn't bring any joy. This went on for about 10 minutes before Coalstars regained their composure and started to get their share of the play. Easts from this point on seemed to be coasting and it was in this mood that Thommo found a gap in the defence, sidestepped the keeper and cheekily backheeled into the back of the net.

Coalstars had many more anxious moments with shots from a number of Easts players either missing narrowly or bringing the best from the keeper before

Micky Sinn made it 4-0 to Easts.

In the remaining 10 minutes Coalstars gained a consolation goal through Kitching to finish with a rather flattering 4-1 defeat.

## **SUBURBS**

Easts could have had at least three more with better finishing.

Top Tiger would have to be Phil Thompson after his three goals, but he was well supported. Jeff Hanson had a good one and Bruce Rehbock played better than I've seen from him in a long time.

#### RESERVE GRADE

EASTS 2 d COALSTARS 1

The first half of this game proved a disappointment for the lads. They applied pressure for most of the half without joy and finished the half one down after a breakaway goal only minutes before the interval. Better finishing from Easts could have seen them go in with a cricket score lead but that was not to be and they were back to square one for the start of the second half.

The second half saw the re-appearance of Russell Griffiths after an off season knee operation. The lads again applied pressure for most of this half but it was the 20th min. before a cross from the right was met perfectly by the head of Peter Merefield to leave the keeper grasping mid air. 1 - 1.

Within a few minutes from a free kick iust outside the box Russell Griffiths hammered a scorcher which the keeper failed to hold allowing Ricky Ross to get the easiest goal he'll get. The lead was never challenged and we finished with our second win from as many games. The result again didn't truly indicate the game, but, it was still worth two good points.

A top Reserve Tiger is hard to find. A good team performance.

The most pleasing feature of both games was the lack of one malicious tackle. A credit to both sides, particularly to Coalstars as they were under severe pressure for long periods in both games. Well done lads, it's nice to see.

LONDON - Bayern Munich of West Germany and English soccer champions Aston Villa will play for the 27th European Cup final in Rotterdam on May 26.

Villa, defending a slender 1-0 advantage, put the accent on defence in their semifinals in Brussels, but a goalless draw was enough to guarantee them a place in the final in their first European Cup campaign.

Sadly for Villa, their fans were involved in a nasty incident midway through the first half when fighting broke out behind the English goal. Several spectators were carried off on stretchers before a cordon of baton-wielding police put an end to the pitched battle and separated rival supporters.

## ANNERLEY ANALYSIS

by Bill Williams

#### FIRST DIVISION

MT. GRAVATT 2 d ANNERLEY 1

Following an even 15 minutes, our first real chance came when Brian Lampitt headed solidly from a corner, but was just wide. The opposition missed a golden chance when our off-side trap failed, but the attacker handled just before chipping over the keeper into the goal. After 30 minutes, a cross from the right was only parried by our keeper and Mt. Gravatt were on hand to slot away a nice goal. The 10 minutes before half time was our best period when we had most possession, but we could not get the equaliser and went to the break one down.

The second half came to life when good lead up by Wayne Cook saw Brian Lampitt hit the post with his first effort, and was there to put the rebound away. One-all with about 25 minutes to go. Our joy was short lived when 10 minutes later, the home side headed in a good cross from the right which gave our keeper no chance. The final score was 2-1 against us, a disappointing result when we could easily have shared the points. Apart from the players already mentioned, we had solid efforts from Paul Welsh, Bill Perry, Glen Harkness and Tom Grice.

#### RESERVES

MT. GRAVATT 4 d ANNERLEY 2

Mt. Gravatt went to the lead after 12 minutes when our keeper could only manage to block a ground shot and Mick Rooney, following up, slammed in from close range. Inspired by this, the visitors took control, especially in midfield and scored again to put us two goals behind at the break.

Ten minutes into the second half, Mt. Gravatt scored again and continued to dominate the game, scoring again just before the end. With only a couple to go, we got one back from a penalty, nicely put away by Archie Wilson.

Congratulations to the winners, and we hope to do better next time. The game was marred for us by the injury to Peter Carter who needed to be taken off on a stretcher. After being taken to hospital for an X-ray, we are pleased to report no serious injury.

While talking of hospitals and the like, we extend our best wishes for a speedy recovery to manager Phil Hurst, who entered hospital last Wednesday for an operation. He says that after the operation he will be better than ever, and that would have to be an improvement!

#### FOURTH DIVISION

SLACKS CREEK 2 d ANNERLEY 1

Once again, our performance did not justify a loss, but it was a reasonable Fourth Division game. We had some experienced players in our side and so did they. Craig Roberts is continuing with his goal per match when he scored our only goal, but we had numerous other opportunities which were not capitalised upon. I suppose that it was poetic justice when our opponents failed to score from the spot when one of their goals came from one of our players. Despite an own goal, Jim Wiltshire played a strong game. David Crane, Dale Stretten and Mark Sime also put in good performances. All in all a draw should have been a better result.

#### SEVENTH DIVISION

ANNERLEY 3 d ACACIA RIDGE 0

Well this team, full of many years of experiences and little puff, seems to come out on top and this was no exception. Playing in very hot conditions Peter Browne scored two goals and Ted Sibley put the other one in. Scot Hartley had a solid game in goals.

#### COLTS B

ANNERLEY 3 d CABOOLTURE 0

This young side came good this time with a well-earned victory over the new team in the competition, who, I understand were Junior Colts last season. As usual, it seems that most teams have a striker problem and we should have put more of our chances away. Craig Roberts put in a goal from a corner and Tony Gibbs scored two goals. Congratulations fellows with good games from Mark Troughton, Neil Bienke with Graham Gross and Mark McIntyre going well.

Three losses and two wins is not the best results for the club, but we are, of course, very hopeful for better future results.

## **OVERSEAS ROUND-UP**

SPAIN

28th April, 1982

The Spanish Footballers Association recently called off a player's strike which went only one day due to lack of support.

In a statement the Association said it called off the strike after evaluating the participation in the stoppage.

The strike, over a pay dispute, caused only minor disruption in league matches, primarily in the second division.

The players striked to settle outstanding debts, discuss demands for a share in club advertising and television revenue, plus the formation of a fund to guarantee salaries.

#### **ENGLAND**

Some soccer clubs in Britain are forced to go to great lengths to convince the Football Association and the police that they are doing their best to curb violence at their grounds.

Norwich City, for instance, have been cleared of blame for a recent missile-throwing incident at their ground. The FA was satisfied that second division Norwich had done "everything in their power" to prevent hooliganism and took no further action.

And to what extremes have Norwich

gone?

For a start, as at most grounds, the fans are segregated, there is a "no-go zone" and after the latest incident where the referee was struck in the face by a cigarette lighter, video cameras have now been installed to detect potential trouble-makers.

The Spanish Cup final between Real Madrid and Sporting Teams which was the biggest game the strike hoped to affect went ahead as scheduled.

This is Fury, who will be the fighting bull mascot for the Spanish team in the World Cup finals. The World Cup begins on June 13 with the opening match between the holders Argentina and dark horses Belgium in Barcelona.

HUNGARY

Hungary's soccer team shows signs of emerging from a long period of oblivion in time to recapture some of its old glories at the World Cup.

Gone are the days of Ferenc Puska, the 'Galloping Major', who with Sandor Kocsis formed the most dreaded twin attacking spearhead in European soccer in the early 1950's.

But after a disappointing performance in the last World Cup in Argentina in 1978, the Hungarians have regained confidence.

Hungary was a clear winner of the fiveteam Group 4 in the European qualifying zone. They had a long winning run and were sure of top place before losing 1-0 to England at Wembley Stadium ast November.

That win gave England an unexpected place in the finals. Critics said Hungary didn't need to win and were happy to qualify anyway but everyone agreed the Hungarians were not in their best form.

Later the Hungarians went on a tour of Australia and New Zealand and came home with six wins, one draw and one defeat.

Kalman Meszoely, national team manager, said he was satisfied with the tour but added: "None of the players has yet earned a place in our squad for the World Cup. They will all have to prove they are worthy of a place."

Meszoely, a former soccer star himself, said he is taking a strong line with Hungarian clubs and seeking their help in stepping up efficiency and performance from players in the running for Spain.

"Every player must be purposeful and to the point, combative on the ground and efficient in the air. Some of our worst results came when our men were outheaded by opponents," he said.

## COBWEB CORNER

Go Soccer has been dusting off some more old photos from Queensland's colourful soccer past. The one we have featured in Cobweb Corner this week was taken in Brisbane in July, 1967. It features two well-known former players in what at the time was a very important match. Do you know who they are and in what competition they were playing? If not, look below.

The players are of course brilliant Brisbane forward Syd Tucker (left) and Ipswich's Phil Sunderland.

According to our information the two were playing in a Kruger Cup match at the Brisbane Exhibition Grounds.

The match must have been an exciting affair as the scoreline ended amazingly in a 6-6 draw.

But unfortunately that's about all we know about the game. Go Soccer, and we're sure our readers too, are interested to know who scored those 12 goals?; who

won the Kruger Cup that year?; why is Syd Tucker wearing what appears to be a Queensland shirt if he is playing for Brisbane?; and who else played in what must have been one of the great games of Queensland soccer?

Perhaps our pictured players or someone else who was there could provide the answers for next week's Cobweb Corner.

Our Cobweb Corner picture this week raises the interesting question of what happened to some of our great competitions of the past, like the Kruger Cup?

There must be a number of tophies sitting in clubhouses around Queensland that have not been moved for years. Go Soccer suggests we revive some of the old competitions. Obviously the season already works to a tight schedule but surely the formats of the competitions could be changed or adapted to present day conditions.

What do you think? Go Soccer would like to hear some comments. Address all correspondence to 61 Amega Street, Mount Gravatt, 4122.

## SCHEINFLUG INTERESTED IN QUEENSLAND TWO

National coach Les Scheinflug is believed to be "very interested" in at least two members of the Queensland squad for his Australian team to contest the qualifying rounds of the 1983 world youth championship.

But he added on his recent visit to Brisbane that every place in the team was open and the selection of the squad largely depended on performances at the national championships in Canberra in May and the weeks afterwards leading up to the qualifying matches.

"The best players will be picked. No-one will be selected on reputation," Scheinflug said.

Obviously the names of the players who impressed Scheinflug cannot be revealed but overall the national coach said he was very pleased with the way the Queensland side had progressed.

"It is among the best state sides I have seen and should be one of the teams to beat at the championships," he said.

Scheinflug will pick a squad of 24 or 25 players after the nationals and will go into camp with them on the following four days. After that they will train together once a month.

The squad will then be trimmed to 18 players and tours to Asia to compete possibly in the Medeka championship in September and to Mexico for the Joao Havelange tournament in November are being planned.

"The biggest problem we will have to overcome during the qualifying matches in Papua New Guinea in December will be the heat," Scheinflug said.

"Hopefully by touring in Indonesia and possibly Tahiti we will be a little more acclimatised for the games.

"We have the players capable of getting us to the finals again so if everything goes right there is no reason why we shouldn't be there again next year."

Hopefully Scheinflug's optimism proves right and hopefully there will be some Queenslanders with him.

#### IN BRAZIL

PORTO ALEGRE — Flamengo and Gremio tied 0-0 in their second game for the Brazilian national soccer championship last week.

The tie forced a third game, which was to be played on Sunday. The two teams also tied the first game of the championship in Rio de Janeiro the previous Sunday by a score of 1-1. The third game of the championship was to be played in the same Olympico Stadium in Porto Alegre. If it also ended in a tie, there was to be 30 minutes overtime, followed by a decision on penalties if necessary.

### WHAT A LOSS!

Brisbane City suffered a more crucial loss than any away defeat this season when sweeper Jimmy Dunne was carried from the field with a broken leg in the match against Footscray last weekend.

The match was held up for eight minutes after Dunne broke his leg in a 50-50 clash with Footscray midfielder Jim Milne.

Referee Jim Fearn sent the players back to the dressing room rather than move Dunne during the wait for an ambulance. Officials finally got him on a stretcher and the match was re-started.

Dunne had been the general in the Brisbane City back line and no sooner had play resumed without him that the unsettled defence conceded the second and decisive goal.

That goal and the first were scored by Paul Simic, a player who almost sank to the oblivion of third division Metropolitan League soccer early this season. Simic almost joined Thomastown in the third division in February, but decided to stay with Footscray after being given a second chance under new coach Peter Jaksa.

The result added to the poor away record of Brisbane City, who have now conceded 21 goals and lost on all six outings away from home.

Footscray was the better team in a scoreless first half in which Dragan Vasic missed two scoring chances. New signing Hendo Ristovski replaced Vasic at the break and was involved in the first goal, which was engineered by Zoki Ilioski.

Ilioski broke through after exchanging passes with Ristovski. The midfielder's shot was parried by Wishart but Simic was on hand to knock the loose ball home.

Ilioski, the man of the match, again set it up with a run down the right wing and

Brisbane City sweeper Jimmy Dunne in action recently. It seems unlikely he will play again this season.

cross which found Simic unmarked in the area to finish off.

Brisbane played its best soccer in the closing stages with Joe Palinkas starring against his former club. But the side found keeper Milutin Ciric in good form. Substitute Steve Glockner did manage to get the ball in the net, heading in a corner, but the referee ruled there had been an infringement on the keeper.

### NOW, BACK TO WINNING?

Brisbane City once again put their undefeated home record on the line when they play host to Canberra City this weekend.

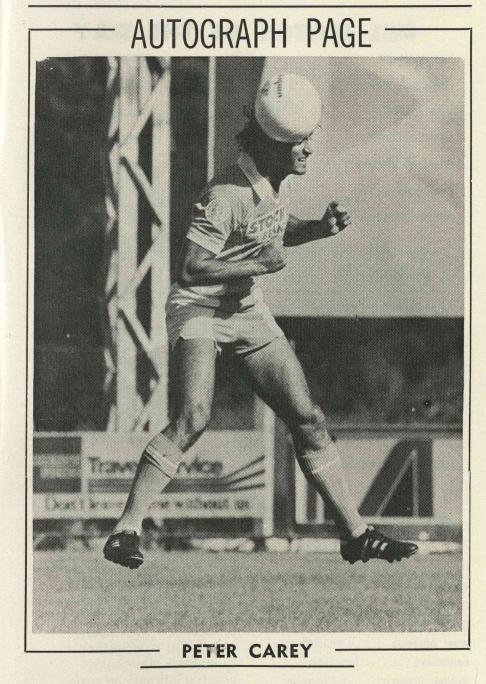

It has only been City's two home wins and three draws which have prevented them from being in an even worse position in this season's Philips League.

The Gladiator's away form has been horrendous — six games, six losses and only one goal for an an alarming 21 against.

Yet they seem to perform well on Spencer Park, as was proved at their last appearance in Brisbane when City played brilliantly to draw with Leichhardt — and could have won the match.

It will be another tough game against Canberra and even tougher without recognised sweeper Jimmy Dunne. Whoever plays in the backline will have to watch the speed of Tony Brennan and Walter Valeri and the scoring ability of Terry Byrne.

In their current position on the ladder City can't afford to also let their home form slump and must beat Canberra to recharge morale for the next away encounter against bottom-placed Newcastle.
