**B**risbane City captain Frank Pimblett is looming as a popular choice to captain Queensland in the inaugural State of Origin clash against New South Wales at Perry Park on August 19.

State coach Bruce Stowell is keeping his thought close to his chest, but revealed this week that Pimblett was under consideration for inclusion in the 15 or 16-man squad to be named next Tuesday. If the talented midfielder gains a berth, he seems a logical choice to lead the Maroons.

Pimblett, 32, who is in a comeback season after quitting the game four years ago, is a former State captain. He led the Maroons against NSW in the 3-0 triumph in 1983.

In his former NSL days with Brisbane City, Pimblett gained a reputation for always being quick to tell a referee what he thought of a decision. But that seems to be the Pimblett of old.

He has returned a much more mature player, who already this season has gained the admiration of many referees for helping to calm tense on-field situations. One leading referee last weekend even suggested Pimblett could be a runaway winner when, or if, the best and fairest point are tallied.

Pimblett's former City team-mate, Bob Hamilton — who was his marker in the XXXX League clash at Spencer Park last Sunday — has no doubts the ex-Aston Villa player should be back in the Queensland team.

"Frank has lost nothing for being out of the game," Hamilton said. "I always have had a great respect for Frank and nothing has changed."

"He is not going to be included in the Queensland team for his workrate but Bruce Stowell would find it hard to pick a better organiser and midfield director."

## FREE TICKETS

Free tickets for kids to attend the State of Origin match are now available through clubs. They have been printed to provide an autograph section on the back. Tickets will be returned at the gate and can be signed by players for a match souvenir.

Brisbane City captain Frank Pimblett, who has emerged as a strong tip to win his fifth Queensland cap, and possible even lead the Origin Maroons against NSW.

For Pimblett, the speculation about a State team recall all seems a little much in his return season. "I came back to enjoy myself and never really thought about making Queensland teams," he said. "I'm certainly enjoying myself again and to be included in the State of Origin squad would be a huge bonus. I wouldn't even dare thinking about being Queensland captain at this stage."

Pimblett revealed his long-term intentions are to get into coaching, but with kids before seniors.

"I've done some work with kids before and really loved it," he said. "I think I need a bit of grounding and experience before I start considering a senior coaching spot. It's something to work towards, but at the moment I'm just enjoying my game."

"I gave it away because the enjoyment had gone, but it's good to be back and feeling right about the game. My only disappointment is I see a lot of other players in the league with so much to offer who at times appear only going through the motions."

## YOUR CHANCE TO MAKE THE WORLD CUP!

This article was submitted by Australian Soccer Referees' director of coaching, and former top referee, Des Miles:

The A.S.R.F. Queensland division has great difficulty in recruiting and training referees in sufficient quantities to meet the required standards.

Many arguments have been put forward over the last 25 years propounding the reason for this failure. Whatever the merits of the various sides of the argument certain facts are indisputable. They are:

1. Very few players who reach a high standard of playing skills take up refereeing.
2. A large number of those people — men and women who take up refereeing — resign after just one season. And sometimes before. The percentage varies from country to country, but is very high — 70% or more.

Many theories are advanced as to why senior players do not take up refereeing.

1. They are unable to take criticism at a personal level — as players they are inclined to hide behind a team.
2. They are unable to cope with the change from participating in top games to one of refereeing junior or less skilled games. The lower grades are not competitive enough for them.
3. They believe refereeing is unpopular with spectators.

If one thinks about the qualities required to be a top referee it usually transpired that knowledge of the laws is not the number one quality. In fact the following list was agreed upon as being the top traits of a good referee: fitness, firmness, fairness, good communicator, approachable, man management, courage, and believe it or not, knowledgeable.

We are serious about raising the standard of refereeing so don't go and hide in a cupboard when your playing days are over. Make enquiries now. Ring Gordon Nicholson on 343 2169.

Remember if you did not make the World Cup as a player you have the chance as a referee!

## POINTS TO PONDER

If rumors are to be believed, there could be upto seven coaching changes at XXXX League clubs next season with one story suggesting two friends could be united in a dual capacity at a leading club.

The best football of the day at Spencer Park last Sunday came from a bull terrier, who ran onto the park with a ball during the Reserves game, made a wide arching run down the left then attacked the near-post before dribbling the ball with his nose into the net.

They must have a slow kettle at Rochedale. Coach Allan Jones was strolling across Underwood Park last Saturday night carefully trying not to spill his coffee when he realised the two teams were lined up and everyone was waiting for him to start the second half. His run to the far touchline ensured very little coffee remained to be sipped.

The QSF records still have to be checked to confirm it, but Division Five side Deception Bay are understood to have passed Lutwyche's QSF record of 45 fixtures without defeat and are within striking distance of Hellenic's all-time 49-match run which spanned the Brisbane Soccer Association-QSF transition.

Which former top player and coach is gaining a reputation for leaving Vegemite around the mouthpieces of on-site telephones?

Whoever scores the first goal for Albany Creek Division Four Reserves this weekend will net the side's 100th.

Nerang's 4-1 win at Kingsridge last weekend was the club's first success at Adamms Park since 1982.

The Easts' Combination League team became the first QSF side to win its premiership after a 1-0 win over second-placed Coalstars last weekend.

Word has it that George Best made a stopover in Brisbane and on the Gold Coast last week.

Which State of Origin player has bought a house in Brisbane and does it indicate a return to Queensland?

## EDITORIAL

By Go Soccer Editor  
GEOFF STEAD

### Complaints of over-reaction in relation to two recent disciplinary incidents were as foolish as they were predictable.

Two editorials in the past month highlighted the worrying growth of disciplinary cases and the warnings were loud and clear that something had to be done.

The QSF disciplinary committee could not be blamed for taking a hardline for the alleged abuse of a referee by Billy Williamson, nor should referee Bill Monteverde be criticised for handing out a rash of cards when players in the southside derby at Underwood Park last Saturday night clearly were not interested in playing football under the rules.

Not surprisingly in both cases, club officials went on the attack and looked to blame everyone else other than those responsible — the players.

To his credit, Williamson admitted his guilt and took his suspension without complaint. On his past record, his outing was probably harsh, but in the current disciplinary climate in Queensland soccer, the time had passed for letting offenders off lightly.

Williamson is a player and coach of enormous stature in the code and examples must come from the top.

But it seems some never learn. Just two days after Williamson's outing, which should

have been a warning for all, players were into it again at Rochedale. Apart from an early card, Monteverde did not start booking players until the 60th minute. Surely that is more than enough warning?

Yet afterwards, the main topic of conversation in the clubhouse was Monteverde's ineptitude. Those of that opinion are clearly overlooking the entire problem. A more positive attitude would have been for the clubs involved to fine the booked players, whose actions may have cost their team a win.

Referees don't break rules, players do. And while players continue to go beyond the laws of the game, they cannot expect — nor should get — any sympathy when they are caught and convicted.

The other worrying aspect to emerge in relation to recent matches is a growing practice of trying to get players sent off. There can be no excuse if a player accepts the bait, but the time has come for action from referees and club officials against those troublemakers who niggle, incite and insult players until finally their targets react and are sent-off. It is bad sportsmanship at its worst and the code should stamp out these sneaks as much as the blatant troublemakers.

## ACROSS MY DESK

Those clubs with a chance of making the Semi-Finals this year, and particularly those who may have more than one team in the play-offs, should now begin considering the eligibility of players.

Under long-standing QSF rules a player is eligible to participate for a team in the Semi-Finals only if he "has not played more than three out of the five last premiership fixtures in a higher division".

Last weekend was the beginning of the final five fixtures, although any catch-up games played over the coming weeks will be included in the qualifying period.

By now, most are well aware of which divisions are ranked higher than others. Confusion does arise in the definition

of "having played", but quite simply that is when a player takes the park.

Reserve goalkeepers and other substitutes can sit on the bench for a higher division team and maintain their eligibility for their regular team as long as they don't take the park in more than three of the higher teams' final five games.

Clubs would be well advised to keep a record of all players and which matches they played over the coming weeks to avoid disappointment in the finals.

### XXXX LEAGUE:

#### Pine Rivers 1 v Brisbane City 1:

This was a game which never reached any great heights but it did show that Brisbane City have become a very ordinary side. City controlled the first half with Frank Pimblett in full command of the midfield with Cooper and Withey doing well in the attack. Good lead-up work from Pimblett and Paul Fagan led to Cooper scoring.

Rivers almost equalised just before half-time when Clayton Koch set-up Lindsay Dines and his header beat the keeper but missed by the narrowest margins. In the second half when Rivers took over the midfield and created many chances.

Rivers equalised when Dines scored from a goalmouth scramble. Rivers were denied a blatant penalty when Koch was chopped down from behind by Vasquez, after some great team lead-up work. Brisbane City showed they were ready to settle for a draw when they took Cooper off instead of a midfielder.

Rivers had five good chances in the second half and only have themselves to blame for not getting full points. Brian Hewitt had a full-blooded game in defence and must have relished the wet conditions. Rivers have lost only once in their past 10

## PINE RIVERS

games, but must start winning again to star in the top five.

### RESERVES:

#### Pine Rivers 1 v Brisbane City 2:

Some of the Reserves' midfielders and forwards are leaving the responsibility to score to a few players. I am sure a few players in the Eighth Division team are capable of doing a better job if given the chance.

Robbie Marschner scored a good goal after a pass from Lennie Manikus. City scored two goals playing with 10 men in the second half and deserved their win.

Rivers equalised when their 12th man "Pig-Dog" snuck up on Wayne Evans and scored a spectacular goal. To the amazement of the Rivers supporters it was disallowed.

### COLTS:

#### Pine Rivers 2 v Brisbane City 1:

The Colts cemented their spot in the top five with a good win. They were leading 1-0 at halftime but City equalised. Rivers sealed the match with a goal from Paul Atkinclouse.

## PINE HILLS

### DIVISION FOUR:

#### Pine Hills 4 v Moggill 1:

Another victory for Pine Hills keeps them in the four and in promotion contention. Two late goals by Peter Tong madethe scoreline respectable against long-placed Moggill, who fought all the way.

An early goal by Stuart Harding had Pine Hills thinking their three points were secure. It was a shellshocked Hills that went into halftime 1-1.

Play in the second half was scrappy. Thirty minutes in, Kevin Boan took the ball to the goalline and cut back to Harding who headed his second goal.

Once again Hills sat back and allowed Moggill back into the game. Only desperate defence and valiant midfield work from Glenn Williams and Tim Falkingham kept them at bay.

### RESERVES:

#### Pine Hills 1 v Moggill 2:

Pine Hills took an early lead through Gavin Steele after some fine build-up from Steven McLean and Tim Boag. This goal seemed to spark Moggill into action. Slowly they began to dominate in all areas. Their first goal was scored midway through the first term and they were unlucky not to be ahead at the break.

Strong words at halftime failed to motivate Pine Hills who found themselves 1-2 down early in the second half. It was at this point that Hills began to fight for possession and play with a little imagination. Best by far for Pine Hills was Lindsay Collins.

## TOOWONG

### DIVISION THREE:

#### Toowong 0 v St. Albans 4:

St. Albans taught us a lesson in soccer and how to play possession football.

Toowong were in the game in patches, with some good work from Greg Mesh and Jimmy Quinn, from the back.

We were 0-1 down within five minutes with too many Toowong players standing around and not doing their job. By halftime it was 3-0 to St. Albans. In the second half we seemed to be more in control of the game, but were setback when Ian Carson had to come off with a leg injury. We pushed Tony "The Horse" up front and brought on Tony Green into the midfield.

Kossie Varfis had a good game in goal, saving a second half penalty, a decision which was debateable.

### RESERVES:

#### Toowong 0 v St. Albans 1:

The Reserves didn't deserve to lose. Every player wen well.

Special mention must be made of our two fullbacks Mick Bailey and Ian Austin, who had great games.

Goalkeeper Sandy Jenner made a superb save to stop a penalty which really boosted the lads' confidence.

MAJOR SPONSORS OF CROATIA SOCCER CLUB

Last Sunday, Croatia met Inala, and needed to meet the challenge head-on against a team who were desperate for a win.

The first few minutes saw a penalty to Croatia with Radomir Vidosic scoring. Inala were able to reply with a goal prior to halftime.

The second goal for Inala came in the second half. Rob Harrison did his best to save the shots, but they were too good. The boys played well in the second half and many shots were unlucky not to find the net.

We would like to congratulate the coach and the team on winning the Intermediate Cup.

Luck was against the second team, the result being 0-3 to Inala. Croatia played with only nine men for most of the second half.

The Third team fought out a 1-1 draw.

I think the QSF will have to look into the shortage of referees. I do not think any person can be impartial when involved with one team. There were quite a few serious incidents that occurred and one minor one with a Croatian players being given the yellow card.

I do not think it is fair to the teams to play without a qualified referee after the effort put in to that level of play.

*We urge all Croatian supporters to get behind the team with only four matches left.*

**We remind all people that they are welcome to attend meetings held every Monday night at 7.30 pm for the Croatian soccer tournament to be held in October.**

# THOMMO

with **ERIC THOMPSON** **TALKING**

The voice which has long been missing in Queensland soccer finally began to make noises at Perry Park on Monday night.

At the moment, it is little more than a whisper. But once it formulates exactly what it wants to say, I am sure things will be said loudly, thoughtfully and hopefully heard throughout the code.

The voice is that of the combined coaches. State Director of Coaching Bruce Stowell convened a meeting among the XXXX League and Division Two coaches at which I felt considerable progress was made.

Forme, the three and a half hour meeting was the most positive thing to come out of Queensland soccer this season.

In the past, coaches have spoken out as individuals and even Bruce Stowell has had to make approaches to the various authorities as a lone entity.

Now a three-man delegation, consisting of Stowell, John Sime representing the XXXX League and myself as the Division Two representative, has been formed to take our thoughts to the QSF Management Committee.

It is an arrangement which excites me because I believe it is one which can achieve things.

No-one in soccer can do things on their own. I believe the coaches are now adapted as a body within the code and a group of people whose opinions must be at least considered.

The actions of the QSF Management Committee in relation to any proposals or suggestions put to them cannot be pre-empted. But I am sure the coaches delegation will give them plenty to think about and hopefully some positive steps can be taken.

The ideas are definitely there and they have the 100 percent backing of the coaches who attended Stowell's meeting.

Time will tell whether those ideas are heeded, or just heard.

**The presence of Juan Cutillas at the coaches meeting particularly delighted me.**

Juan provided a dimension no-one else from the top two clubs could offer. He is neither British nor Australian.

Our code is multicultural and so too must be the thinking and policies

formulated by any coaches body within the sport. Juan is a man of enormous experience in a number of countries, but like many in the past has been a lone voice.

His input was invaluable because his were thoughts which were not necessarily parallel with those of the majority.

He enabled discussion to be held on a much broader base which ensured the final resolutions similarly were more solid.

**Monday night's meeting undoubtedly highlighted that there is a bond among the coaches in the top division.**

Those at the meeting displayed a true love of the game and interest in the direction it was heading in Queensland.

Amazingly, despite the varying backgrounds and approaches to the game by those present, the overriding feeling at the meeting was one of consensus.

A lot of issues were raised about which everyone had their views. Many put their thoughts forward and outlined their reasons. But on every issue, after all the discussion, there existed a consensus with regards to the steps which should be taken.

This column is not the place to outline the areas discussed as simple protocol and good manners deems the Management Committee should be consulted first.

But it would suffice to say that all the niggling, worrying, concerning and aggravating issues which have raised their head in Queensland soccer over the past two years were discussed at some stage of the meeting. The coaches also talked about the code's strengths and how to make it stronger.

It was a much more relaxed meeting that the first among the coaches three months ago, and the communication among those present reflected that.

My only hope now is that similar lines of communication can be opened with the Management Committee.

**DIVISION TWO:****Mitchelton 0 v Acacia Ridge 2:**

With Ridge striving for XXXX League and us nibbling top four contention, it was always going to be a good game.

Even though it was played hard, it was fair and a most enjoyable game. The first half remained scoreless more by good luck than good play.

It took 55 minutes before a cross from their right found a waiting head on the far post and they were 1-0 up. Good cover defence saved us on a number of occasions but an error in the 67th minute gave them a penalty to make it 2-0. We were still trying at the final whistle and were unlucky not to pull one back.

**RESERVES:****Mitchelton 2 v Acacia Ridge 0:**

A referee and linesman for this game and my thanks to Mike Collins for running the other line in the second half, after our manager Jack Di Trapani had done the first 45 minutes.

Although we maintained a slight edge throughout and came close in the 35th and 40th minutes, we were unable to find the net until nine minutes after the break. Good combination with three players on our left was finally put away by Graham Ellis for our opening goal. A corner converted by Louis Szanhto in the dying minutes put the issue beyond doubt.

**BRIGHTON****DIVISION FIVE:****Brighton 1 v Annerley 1:**

Although Annerley were outclassed in football, they were able to hold on to a draw due to Brighton's bad finishing. Clive Barner scored Brighton's only goal but there were at least five clear-cut chances that went begging. Peter Tatchell was awarded Man of the Match for a sterling effort in defence. Good games by Dale Johnstone and Laurence Ditchfield.

**DIVISION SEVEN:****Brighton 3 v Annerley 1:**

This team continues its fight to gain a spot in the four. Until Friday night we only had eight definite starters. We managed to get a full team on the park after begging Chris Ratray to make a comeback. The patched up team always looked like winning. Brett Stevens played a blinder and collected a great solo goal and the Man of the Match Award. Sweeper Rick Camelleri topped off a good performance in defence by scoring a goal from Stevens' free kick. The best goal was scored by Paul Beer after good lead-up work by four players and a 30 yard shot. Eric McRae who was dragged out of his sick bed had a great game.

**LADIES DIVISION TWO:****Brighton 0 v Wynnum 0:**

This was a game that the Brighton Ladies would rather forget. The ladies, were expected to win but had a set back after 10 minutes when Donna, the goalkeeper, was injured. Kim Mancini took over as goalkeeper which left Brighton with only ten players. Chris, the under 19 rep played well.

**MITCHELTON****THIRD GRADE:****Mitchelton 1 v Acacia Ridge 1:**

At least we were warned that there would be no official to run this game and were able to find a substitute who did an at least comparable job.

Only 13 minutes into the game, we were awarded the first of the two penalties which told the story as far as goals were concerned.

I am sure the Ridge coach and supporters were disappointed with their finishing. We were more accurate with our shots and deserved a point.

**KINGSRIDGE****DIVISION TWO:****Kingsridge 1 v Nerang 4:**

Two goals in a minute destroyed any chance Kingsridge had of a desperately needed win at home to Nerang.

After only 67 seconds Scott Bell scored from a Mick Preston cross. For the next 15 minutes Kingsridge played well, then started careless kick and rush football to let Nerang back into the game. The visitors scored in the 26th minute from a freekick. Nerang were more determined after halftime and in the first minute scored from a good cross.

Preston and Darren Gray were unlucky and Scott Howlett had their keeper stretching.

With only five minutes to go, and Kings capable of an equaliser, Nerang scored twice through misunderstandings between Alan Marszalek and keeper Dale Manley. Bell was Man of the Match.

**RESERVES:****Kingsridge 2 v Nerang 1:**

Ten minutes into the game, Jim Swanson crossed to Reg Athman who dummied through his legs to send the keeper the wrong way and open the scoring. Fifteen minutes before the break, Nerang were awarded a freekick outside the area. The ball was driven hard at the wall and a kings player inadvertently handled trying to protect his face. The visitors equalised through the penalty.

Jared Williams took the lead for Kings when he chipped the keeper, then rounded him to head into the net. Lee Preston was awarded Man of the Match.

**THIRD GRADE:****Kingsridge 4 v Nerang 2:**

Kings had to rely on two reserve players to fill their compliment. Barry Rhodes opened the scoring in the 12th minute from a shot outside the 18 yard line.

Nerang equalised seven minutes later and went to the break 2-1 leaders after they scored in the 44th minute from what seemed an offside position.

Five minutes into the second half Athman chipped Nerang's advancing keeper. Six minutes later Kings were awarded a penalty and Bob Wilkinson converted. Rhodes made sure with 15 minutes to go and was awarded Man of the Match.

**LATROBE VALLEY**

From then on, the harder we tried, the more difficult it became. In the end, we were beaten by two superbly planned set moves.

**RESERVES:****Latrobe Valley 1 v Willowburn 1:**

In the 15th minute Willowburn were awarded a penalty which was converted.

The second half saw Latrobe Valley put the Willowburn goal under pressure but for no result, until the 60th minute when a through ball allowed Paul Borg to race past a square defence and slot past the oncoming keeper.

In the 76th minute Willowburn broke through but Stuart Cook palmed the initial shot. He covered the angle well and forced the rebound into the side netting.

In the 84th minute Danny Power stopped Willowburn from breaking away in what I thought was a fair tackle, but the referee awarded a freekick. It was very well-taken but Cook once again made a superb reflex save to keep us in the game.

**THIRD GRADE:****Latrobe Valley 3 v Willowburn 5:**

This game was won by Willowburn before Latrobe Valley realised they were in the game. Willowburn were 3-0 up before Latrobe Valley started hitting back.

**SAMFORD RANGERS****DIVISION FIVE:****Samford Rangers 0 v Albany Creek 0:**

In a tough, grinding affair Samford battled hard for a well earned away draw. The only real first half chance fell to Creek when a powerful drive from 18 yards was tipped over by Jason Wyeth.

The first 15 minutes after the break was Samford's best period. We forced several corners and Justin Reed was unlucky when a goalbound drive was brilliantly palmed wide. Soon after Lindsay Wills got behind the defence but a high bounce on the rocks hard pitch enabled then to clear.

Creek regrouped and dominated the last 15 minutes. Best for Samford: Peter Brownsden, Greg Morrison and Jason Wyeth.

**RESERVES:****Samford Rangers 0 v Albany Creek 4:**

After a quiet opening period Creek scored three quick goals to put the game beyond reach by halftime.

Well marshalled at the back by Paul (Cliff) Keylar our young side refused to cave in to our experienced opponents and held on doggedly to avoid a cricket score.

Best for Samford: Keylar, Craig Hughes and Bob Hamby.

**REDCLIFFE****DIVISION THREE:****Redcliffe 1 v Darra 1:**

Both teams needed the three points to be in with a promotion chance, moreso Redcliffe who now have to rely on other teams beating Goodna and St. Albans.

Darra started with the wind, sun and running downhill. Poor marking allowed a Darra player a clear header at the back post to make it 1-0, the halftime score.

Redcliffe took up the challenge in the second half and peppered the Darra goal. But the Darra keeper rose to the occasion. Dean Brodie scored from an overhead kick after 60 minutes which led to more pressure again from Redcliffe. But Darra managed to hold out.

When Darra did come forward, Mike McEvoy won every ball in the air which swept us back on the attack. Best for Redcliffe were McEvoy, Lou Reesby, Paul Haskard and Rod Gregg.

**RESERVES:****Redcliffe 1 v Darra 2:**

City Reserves gave their higher placed opponents a run for their money and were unlucky to lose. They led 1-0 at halftime from a Peter Bolton 18-yard volley.

Midway through the second half Darra scored from a dubious penalty.

Best for City were Bill Smith, Michael Sheridan and Steve Jones.

# INTENSIVE CLINICS ARE A BIG HIT

Brisbane Southern Districts Junior Soccer Association president Robert Stokes announced last week that the Under 11 intensive coaching clinics will commence this month.

The purpose of these Clinics will be to extend coaching to young players who will be assessed on their potential as U12 Representative Players.

Since the Under 11 coaching course was founded by Don Look and Rob MacSloy in 1979 the Under 12 Representative Teams have dominated the Harry Linning Cup, winning 7 times in 11 years.

Training will commence at 9.00 am and finish at 11.00 am. The dates are August 6, 13, 20, 27; September, 3; October 1, 8. Applications close on July 28, and can be obtained from Club Secretaries.

For further enquiries contact Robert Stokes on 209 1154 or Lorraine Boardman on 209 1228.

Coach: David Large

Coach: Steve Dolan

Scores: H.T. .... F.T. ....

Scorers: .....

Both these teams registered surprise results against leading sides last weekend.

Redlands showed they are still prepared to fight by holding North Star scoreless for 62 minutes before going down 1-0 while Thistle also stunned Lions, who scraped home by the same margin.

If Redlands are to hold any hopes of escaping the drop, they must win this match. For Thistle, it's the chance to finally put to rest fears of relegation.

Next Games: Taringa v Redlands  
Grange T. v North Star

#### WHO'S HOT . . .

Former Rothmans Medallist Keith Marsh has been in fine form since his comeback and should be looking to get on the scoresheet in this match.

#### WHO'S NOT . . .

Darren Corbett is a player who promises so much, but so far is yet to reap the goals he is capable of netting.

Three points from this match is a must for both sides to keep their semi-final hopes bubbling.

Last weekend saw both these teams register draws in games they could have won. Rivers should relish the return to their home ground and their tight pitch could throw Rochedale who are used to the width of Underwood Park.

Some of the State's most promising young talent will be on display over the three grades which makes this tie an entertaining Saturday night out.

Next Games: Pine Rivers v Mount Gravatt  
Taringa v Rochedale (August 12)

#### WHO'S HOT . . .

Rivers' striker Lindsay Dines has his critics but his goal tally record this season should be enough to silence them. Dines does a lot more work off the ball than most realise.

#### WHO'S NOT . . .

Those Rochedale players who earned cards last weekend should have known better than to be sucked into the situations which produced the send-off and cautions.

This looms as North Star's first real test without player-coach Billy Williamson.

With only four games remaining, Stars now are a big show of finishing the season undefeated. But this match, and their final round fixture against Easts, appear the games where they may falter.

Mount Gravatt's season can be summed up simply — too many draws. The Hawks did well to get back from a penalty last weekend to share the points, but had the chances to snatch a much-needed win.

**Next Games:** Pine Rivers v Mount Gravatt  
Grange Thistle v North Star

**WHO'S HOT . . .**

Shane Haddow covered for his suspended coach with a Man of the Match performance last Saturday night. His form this season has been near-faultless.

**WHO'S NOT . . .**

Gary Ireland missed a sitter which could have given Mount Gravatt a win last weekend. His workrate is not high so if he is going to be a poacher, he has to put away the chances.

Lions struggled to win the corresponding first round clash against these two sides, in a similar manner to their game against Thistle last weekend.

Lions' big failing this season is a failure to put away the chances, a bad habit Taringa themselves know only too well.

Taringa are rank outsiders for the five with only the club faithful prepared to tip them getting there. A win here might earn their cause a bit more support.

**Next Games:** Easts v Lions  
Taringa v Rochedale R.  
(August 12)

**WHO'S HOT . . .**

Iron Mike Tonner. That should be the Bulldog's nickname after coming back from a knockout blow a weekend ago to net a critical winner against Thistle.

**WHO'S NOT . . .**

The Lions' strikers have got to start taking the blame for not putting away the chances. Their percentage success rate in attack is poor and their penetration has been the weak part of Lions game.

Easts were a popular tip to slip out of the top five — until last weekend.

The Tigers roared in the second half and found the net four times to add to their first half effort. And that was without regular sharpshooter, Wayne Corbett.

Olympic are comfortable above relegation and can now start experimenting. Without the pressure, they should be able to play football and avenge their first round thrashing by Easts.

**Next Games:** Brisbane City v Olympic Utd.  
Easts v Brisbane City  
(August 12)

**WHO'S HOT . . .**

Bill McDermott has had an indifferent season, but was in-form last weekend and could be the key to an Easts revival in the run into the Finals.

**WHO'S NOT . . .**

Darren Freiberg has had an unhappy time at Olympic with injuries since switching a month ago. But his is sure to want to play against his old club and prove a point.

Coalstars season effectively ended last weekend with the hefty loss to Easts.

While they can do nothing but finish solidly mid-table, the final rounds should not be wasted. Current first teamers should begin playing for new contracts and fringe players should push for a chance.

City's form has been indifferent of late and they will be looking for a few results to regain confidence before the finals.

**Next Games:** Rochedale R. v Coalstars  
Easts v Brisbane City  
(August 12)

**WHO'S HOT . . .**

Frank Pimblett is possibly a better player for his break from the game. He has returned with a more mature attitude and deserves any representative recognition which may come his way again.

**WHO'S NOT . . .**

There is a lot that's not been hot at City this year and the fans showed their feelings with their reaction to the substitution of Kieran Cooper last Sunday.
