COVER: Billy Williamson, North Star player/coach who is looking to put his team's surprise loss in the XXXX Pre-season competition behind him.

EDITORIAL:

EVERYBODY with soccer in their blood agrees Queensland must have a team in the National Soccer League next season.

There can be no prisoners taken in the attempt to make this reality.

It has been the dream of all Queensland soccer fans, since the demise of Brisbane Lions and Brisbane City, to again be a part of Australia's top soccer competition.

Too many years have elapsed! It's time we made the dream true.

The success of many sports in Queensland has hinged on a local team, backed by the supporters, being involved in a national competition.

Make no bones about, it will be an expensive task!

We will pay either way - enormous amounts of money are needed to fund such a team.

But what's at stake is the credibility of Queensland Soccer if we fail.

Not only is it paramount we have a team in the NSL, but also more competition games for Queensland's representative side during the winter season.

Our young soccer players need incentive to maintain interest in the sport, much the same as spectators need to see quality football.

In last week's editorial, it was mentioned about soccer's greatest asset, the juniors.

The numbers playing junior soccer far outweigh any other football code in Queensland.

To maintain this interest in the game through to senior levels, we must have a State team competing regularly.

And what should a Queensland NSL team be called?

Certainly not just a club name.

Any new team competing in a national competition on behalf of the Queensland people needs an identity, a name which all soccer fans can be proud of.

Q United could be that name, a name which will mean as much to Brisbane fans as it does to people in Wepia or Cooktown.

This is the step and the attitude we must take if we are to be successful and have our own national soccer league team.

FRANKLY SPEAKING

WITH FRANK LIDDELL

COALSTARS produced an upset in the XXXX Pre-season Competition by beating North Star on penalties in last week's final at Perry Park.

It was a hard fought contest and Coalstars had to come from behind twice before eventually running out winners on penalty kicks.

But more importantly the game was a good advert for Queensland soccer, especially with the wheels of the main season just beginning to turn.

This gives the first trophy for the 1990 season to the soccer mad people at Ipswich.

* * * * *

IT'S an old cliché to say juniors hold the key to the future of soccer.

But reality is they do and the success of the game we all love largely depends on how many juniors we can attract.

So it's pleasing to see that over the past four weeks, more than 500 young players have been involved with coaching clinics at various clubs around Brisbane.

The clinics have been hosted by Regional Coaching Director Mal Bland with help from XXXX league players.

This just goes to show that there is still a lot of interest in the game at junior level.

Gordon Arrowsmith will also be conducting a clinic on the Gold Coast over the Easter break and I understand the response has been tremendous.

I only hope we can harness this junior interest in the game and provide an endless stream of senior players for many years to come.

After all, the sport of soccer has, in recent times, had to compete with the other major football codes and a new list of popular sports.

The Brisbane Bears, Bullets and Broncos have all had a positive effect on recruiting juniors for their respective sports.

* * * * *

WITH Frank Arok's resignation as coach of the Australian Senior Team, the race is now on to see who his replacement will be.

It will be interesting to see whether the Australian Soccer Federation (ASF) goes for an experienced overseas coach or a local person who knows Australian soccer.

One of the front runners on the local scene would have to be former Sydney Olympic coach and ASF Coaching Director Eddie Thompson.

Eddie has a proven track record and, should he apply for the job, would make a suitable replacement for Arok.

Incidentally Arok is believed to have applied for the Australian Soccer Team manager's job.

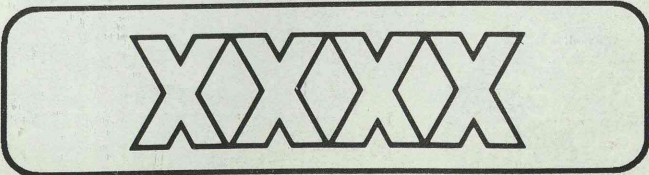

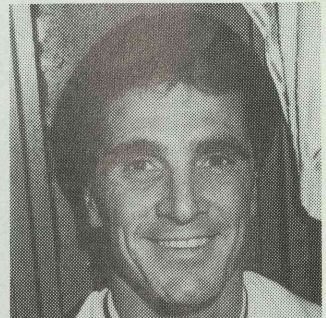

* * * * *

THIS week I will be brave and make some game predictions for round two fixtures.

First up on Friday night is the Eastern Suburbs versus Grange Thistle match. This will be a tough encounter, but I'm predicting a draw.

I'm also predicting a draw for the Mt Gravatt, Pine Rivers match.

And the winning teams should be Taringa Rovers against Olympic United, Coalstars to beat Brisbane City, North Star to finish in front of Rochedale Rovers and Brisbane Lions to knock off Acacia Ridge.

CLUB PROFILE CLUB PROFILE CLUB PROFILE

IT'S hard to believe two 14-year-old junior players were responsible for the formation of the Taringa Rovers Soccer Club.

Yet it was chiefly through the efforts of John Speare Jnr and his mate Trevor Dixon, two teenagers at the time, that the club was formed in 1949.

The idea of forming a soccer club was first mooted two years before and was the brainchild of Jack Speare and Ernie Dixon.

And when the club was eventually formed, it encompassed just one junior team.

But from those primitive beginnings, the club has evolved and grown to provide a major sporting outlet for the youth of Indooroopilly.

In the course of 40 years the club now has some six senior and 15 junior teams.

But it wasn't always plain sailing for the club which took its name, Rovers, from the amount of travel it used to endure to attend games in those early days.

Setbacks

The club's name has remained unchanged, unlike the ground and proud facilities now available to players and supporters.

Even after the club had been formed for nine years, facilities at their home ground, then Moore Park, were primitive to say the least.

The change rooms consisted of a tiny tin shed with a dirt floor and no washing or toilet facilities.

And the ladies had no canteen and used to sell their drinks and lollies from a tent on the hill where the modern licensed clubhouse, built in 1974, now stands.

Despite these setbacks, Taringa Rovers won their first premiership in 1951 when their juvenile team defeated Coorparoo 2-0.

The club's first senior title was in 1958 when they caused a major upset by winning 5th Division of the Brisbane and Ipswich Soccer Football Association in their first year.

BE THERE IN ROME FOR THE FINAL!!

TARINGA ROVERS

While reluctant to do so, Taringa Rovers eventually affiliated with the Queensland Soccer Federation in 1961, at which time the club had two senior teams and five junior sides.

The club purchased its first player, Bernie Brennan, in 1966 for the sum of \$100 from Latrobe.

1967 proved to be the most successful year for the club since its formation.

Three senior teams were entered in 3rd, 4th and 5th Divisions. The 3rd Division reached the preliminary final and the 4th and 5th Division reached the Semi Finals.

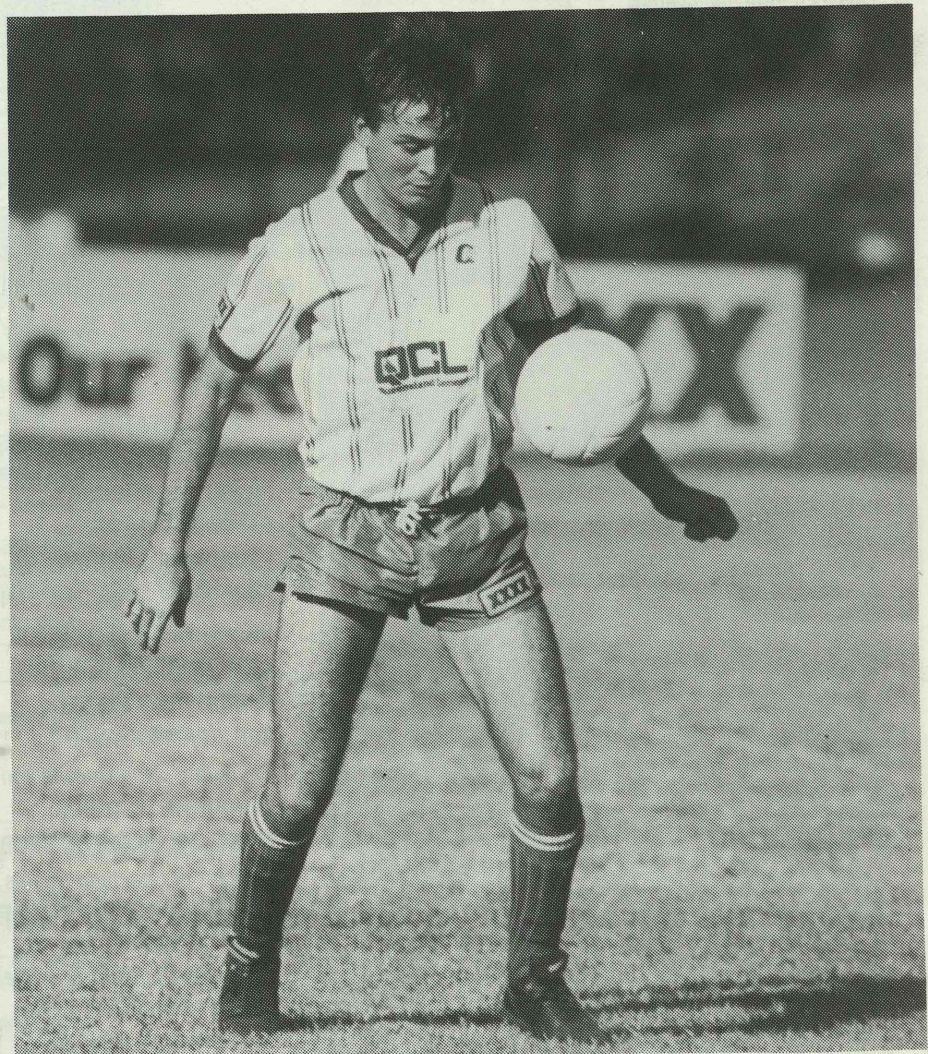

Perhaps one of the club's proudest moments was on June 4, 1980, the day Moore Park was changed to Jack Speare Park, one of the founding members.

Taringa was inducted into the QSF's premier league in 1983 and has held the position since.

With the team building done during the off-season, Taringa could be one of the surprise forces in this year's competition.

For a club which has struggled from meagre beginnings, one of the only things which has eluded it is a XXXX League premiership.

Perhaps that's not too far away!

QLD SOCCER GOES TO THE U.S.

IT was no surprise the Queensland Soccer Team were outclassed by superior opposition on their recent invitational tour to America earlier this year.

The Queensland team, nicknamed the Sunshine Shooters, played a series of games against five top American indoor soccer teams on the two week tour.

But they were unable to win a game against the more experienced American clubs.

The American teams, who play the indoor game for a living, trounced the Sunshine Shooters and scored 50 goals against them in the five matches.

The Sunshine Shooters played the Tacoma Stars, Wichita Wings, Dallas Sidekicks, Kansas City Comets and the St Louis Storm.

But the trip was hailed a success by organisers who are now hoping an American team can tour Australia later this year.

The Queensland side was never expected to win, especially with the team being outdoor specialists and not great exponents of the indoor game which the Americans play.

But they were surprised by the reception given to them by the American supporters of the game.

Upon their arrival in Seattle, the Sunshine Shooters, were met by supporters of their Booster clubs complete with banners and Australian flags.

There were also some other interesting occurrences on the trip, including changing planes some 16 times.

There was also a midnight training session and a midnight flight following one of the games.

While the Sunshine Shooters had a fairly tight schedule, they were still able to see some of the sights.

At the conclusion of one game, the team adjourned to the "Outback Pub", which was run by a group of Australians.

The players also had time for a friendly golf game with some of the locals and the chance to see a National Basketball League game.

Just for the record here are the results of the five games.

Tacoma Stars 12-2, Wichita Wings 10-1, Dallas Sidekicks 7-3, Kansas City Comets 5-1 and St Louis Storm 16-2.

To put the results in the right perspective, out of all National and club sides that have toured the U.S., only one has ever beaten an M.I.S.L. side.

That doesn't make our scorelines look quite so bad.

JUNIOR SOCCER REPORT

QLD JUNIOR COUNCIL

Queensland Junior Soccer Council general secretary John Trew has announced the championship venues and managers for the 1990 season.

Trew said the Under-12s would have two separate competitions as the age group did not have their own State titles.

In the northern part of Queensland it will be called the Under-12 Gino Paris Competition, to be played in Proserpine from June 17 to 21. The championship manager will be Mr Garry Chautler.

In the southern part of the State, the competition is called the Under-12 Harry Linning Competition, which will be played in Maryborough from June 17 to 21. The championship manager will be Mrs Kerry King.

The Under-13 State Championships are to be held at Buderim Wanderers Club, in the Sunshine Coast hinterland, from June 17 to 23. The championship manager is Mr Chris Dunk.

The Under-14 State Championship will be played in Cairns from June 17 to 23. Championship manager is Mrs Margaret Cochrane of Cairns. The Under-15 State Championships will be played at North Star, Brisbane, from April 15 to 21. Championship manager is Mrs Cynthia Haslett, former secretary of Brisbane North and Districts Junior Soccer Association.

JUNIOR NORTH

The under-15 Brisbane North representative team to contest the State Championships during the Easter school holidays was officially named during the week.

The team is 1) Vaughan Hindley, 2) Matthew Brockhurst, 3) Gary Dilosa, 4) Simon Eslick, 5) Matteo Follar, 6) Frank Goreta, 7) Robert Grant, 8) Craig Moore, 9) Dion Snell, 10) Wayne Strange, 11) James Tretheway, 12) Jamie Wilks, 13) Damien Waugh, 14) Shaun Blackman, 15) Brendan Rogers, 16) Nathan Higgins.

Brisbane North will be coached by Steve Dolan and managed by Glen Snell.

Here's some interesting facts and figures about the players.

- * 50 per cent play at the same club.
- * 10 of the 16 are dual registered to play senior football.
- * 100 per cent have played representative football previously.

There are still vacancies for the soccer clinic to be run at Camp Bornhoffen, in the Gold Coast hinterland, from April 15 to 20.

Coaches for the week will include Juan Cutilas, (Brisbane City) Gordon Arrowsmith (ex Brisbane Lions) Kim Wishart (ex Qld keeper) Stewie Holmes (Mt Gravatt player) Wayne Warren (ex Taringa coach) and Mal Bland (Regional Coaching Director).

All players involved in this camp will receive a soccer ball, T-Shirt and evaluation.

For further details Phone 355 0780.

JUNIOR SOUTH

BRISBANE Southern Districts Soccer Association is predicting a bumper 1990 season with the first round of fixtures due to begin on the March 31.

A spokesman for the Association said 351 teams from 35 clubs were

presently registered from under 7's to Colts.

He said juniors were rearing and ready to go after the change from summer to winter seasons.

THE Brisbane South Under-15 team to compete at the State Championships has been announced.

The team is Dean Svenssen, Michael Vassier, Michael Grazier, Simon Kalaba, Scott Burton, Chris Griffith, (Mount Gravatt) Trent Abel, James McMurtrie, Chris Roche (Brisbane Lions) James Murphy, Robert LeCocq, (Eastern Suburbs) Fotis Skordou, Peter Apolakiatis, (Olympic United) Ben Carter, Scott Moran (Rosedale Rovers) Michael Whitney (Wynnum).

Unfortunately, Michael Vassier will miss the championships after breaking his leg in a recent trial match.

Vassier would have been one of the three new rep players in the team.

The others are Dean Svenssen and Michael Whitney. All other players have represented Brisbane South in the under-13 and under-14 age groups in past years.

The State Championships will be held at the North Star Soccer Club from Sunday, April 15.

Brisbane South coach George Merrin, who previously coached under-13 and under-14 winning teams, should have the team in top form for the titles.

WOMEN'S SOCCER

WITH the Watson Shield Pre-season carnival over, teams have commenced the Atlanta Cup Competition.

The competition format allows teams to vie for two trophies over a four week period, one for 1st and 2nd Division and another for lower Divisions.

This pre-season competition is also used as a guide to gradings for the season's fixtures.

This year we are looking at four divisions, each with eight teams and one with six teams.

New clubs which have entered a women's team for the first time are Albany Creek and Mount Gravatt.

We are also joined by Beenleigh and Nerang, formerly from the Gold Coast, and a return after in some cases, a long absence, by teams such as Oxley, Rosedale, Souths and Annerley. Sadly we've seen the demise of Salisbury, Logan City and Ipswich Soccerettes.

The number of youngsters registering for 1990 is especially encouraging and the talent of some of these young players bodes well the future of Queensland Women's Representative Teams.

TALLEBUDGERA CAMP

ON the weekend of the March 2-4, The South Queensland Women's Soccer Association held their first soccer clinic at Camp Tallebudgera.

This was such a success, it's now hoped the camp will become an annual event.

The three State Coaches, Fred Robins, Guenter Pfuhl and Andrew Di Ambrosio were in attendance and ran two very informative coaching sessions on the Saturday and Sunday.

An indoor soccer competition was run at nights in the gymnasium and all players enjoyed and benefited from it immensely.

To the coaches, managers, the S.Q.W.S.A. executive who organised the camp and to the players who took part, congratulations on making it such a success.

REPRESENTATIVE TRAINING

From the Watson Shield last weekend, training squads for Bayside and West Moreton Under-19 and Under-16 teams were selected.

These girls will commence training this week and teams will be selected to represent these areas in the State Titles in Kingaroy over the long weekend, from June 9 to 11.

Our thanks to Capalaba and Annerley for the use of their grounds for these weekly training sessions.

PLAYING THE GAME RIGHT

WITH BRUCE STOWELL

THIS week we continue our series on passing and receiving by looking at the "Keep Ball Game".

PREPARATION

Using four cones mark out a sufficiently large pitch allowing players ample room for passing. The bigger the area the better.

Depending on the space, and the players available, make two teams one roughly twice as big as the other.

PROCEDURE

The team with the larger number of players starts with the ball and attempts to retain possession.

When the opposition wins the ball they attempt to retain it and so on.

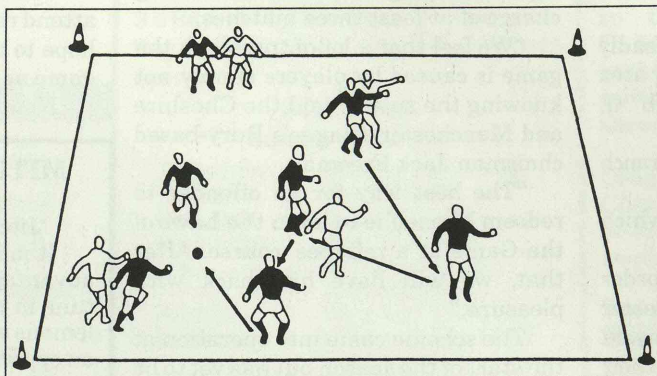

NOTES

1) This practice is improved by keeping the pressure on the larger group of players fairly low.

Balance your teams accordingly. The poorer your players, the less opposition they should have.

Change players around from time to time so that everyone gets some benefit from the practice.

2) Discipline yourself to make no comments for at least five minutes, during which time play will almost certainly have ground to a halt with all the players crowded round the ball in

one corner of the pitch. Stop the players and point out the situation to them.

The team with the extra players must increase the distance between them.

Encourage them to make passes of not less than ten yards.

3) Get them to pass early. The traditional instruction "draw an opponent before you pass", is a fallacy.

Watch a televised game and see how early top class players release the ball. They don't allow opponents to get close enough to make an interception.

Tell players to look up, too many players play with their heads down and restrict their effectiveness.

Teach them the skill of looking around to assess all options available to them.

VARIATIONS

1) After you begin to see some improvement, move towards equal teams and set a target of five consecutive passes.

The team which concedes has to run around the playing area in a fixed time. If they fail they do it again.

2) If crowding round the ball recurs, place a disc in each corner of the pitch and award a "goal" if a player manages to get to one with a foot on the ball.

SCORE

a goal with 4KQ and Soccer.

COACH'S COMMENT:
Glenn Davis - Olympic United showed pre-season form can be discounted after beating Grange Thistle last week. However Taringa Rovers are hungry to record their first win of the season and the big space of Perry Park should suit our side. We are confident of winning.

COACH'S COMMENT:
Con Tharenou - I am pleased with the team's effort last week. We can always expect a close tussle with Taringa Rovers, the draw specialists. If we can play consistent football for 90 minutes we should win.

Referee A. Kibbler

COACH'S COMMENT:
Mark Brusasco - Coalstars have home ground advantage and we need the three points desperately after losing last week's game. We respect Brisbane City's depth, but we can beat them, providing we can concentrate for the whole match.

COACH'S COMMENT:
Juan Cutillas - I was happy with my team's performance last week and this week our team is close to full strength. It will be a very difficult game against Coalstars. They are coming off a defeat and are looking for a win. But we are also looking for a win to pick up points after last week's draw against Taringa.

POSTPONED

COACH'S COMMENT:
Alan Niven - This is our first game. I'm back from suspension and will be looking to lead the side to a win. Our success rate against Pine Rivers is very good and Mt Gravatt can certainly do better, but there has to be more commitment.

COACH'S COMMENT:
Bob Hamilton - Every team is different. Mt Gravatt have a lot of young players, but Pine River's front line is very positive and hopefully we will play the full game with that attitude. We have more players in this week's squad, but Mt Gravatt is really an unknown quantity.

COACH'S COMMENT:
Billy Williamson - This will be a tough game. We will be trying to keep the ball on the ground and watch John Stewart, Rochedale's newest recruit. We will be out to play our natural game and put the ball in the back of the net three or four times.

COACH'S COMMENT:
Alan Jones - Northstar is the best team in the league. They play quality soccer and this will be a top game played by two very good teams. Northstar have the players to create opportunities, but I think we can match their style this year.

8. N Meredith	20. K Tatton	8. T Richardson	17. A Spiers
9. J Lowey		9. D Spence	20. K McLeish

Referee S Kingshott

COACH'S COMMENT:
Frank Liddell - All teams lift their standard when they play us and Acacia Ridge are improving with every game. I have watched closely Acacia Ridge's performances in the pre-season competition and what we are looking at is a new local derby between the teams. Our side is fit from the previous week and we will win.

COACH'S COMMENT:
Eric Thompson - After last week we found out what the XXXX Soccer League was all about. All we can really hope for is a steady improvement as the year goes on. We don't feel that we can contain them and will go into this match as rank outsiders. To say we could win is unrealistic and anyone who didn't think Lions are the favourites doesn't have a brain.

9. D Melville	19. S Work	9. Col Phelan	19. L Wilson
10. J Moli	20. J Millican	10. Len Manikus	20. B Ingledeu

Referee P Murray

COACH'S COMMENT:
Matt Carson - They had better do well this week after last week's disappointing defeat. We have worked twice as hard on the training paddock which should be to our advantage. Our approach to the game is to keep things simple and score goals. Our attitude must improve for this game and early points in the match will be of utmost importance.

COACH'S COMMENT:
Phil Thompson - Last week's game saw us play full-throttle for 40 minutes of the match. This week if we are consistent for the 90 minutes we will win. I have watched Grange Thistle in the pre-season competition and they hold no threat to us.

REFEREEING INTO THE 90's WITH DES MILES

The A.S.R.F. and the A.A.S.R.F. urgently require referees.

If you're interested and over the age of 18 phone G. Nicholson on 343 2169 or come along to Perry Park any Tuesday or Thursday night at 6.30pm.

If you are under the age of 18 and wish to play and referee to get the most out of your sport, phone L. Broadbent on 288 1249.

Country referees are also badly needed. If you can help out in your area please make enquiries through G. Nicholson.

We urgently need an A.S.R.F. branch on the Sunshine Coast.

Here's an interesting article which appeared in the papers recently.

"Take up the whistle" is the order from the Cheshire and Manchester Sunday League to any of their players who have been sent off twice in their competitions.

Proud of their excellent disciplinary record the League have devised a novel plan to encourage offenders to mend their ways.

And as an added bonus, the brainwave should also help cure an acute shortage of match officials.

Quite simply, the league is prepared to tear up the contract of any player found guilty of two sending-off offenses.

And the only way the sinner can escape the ban is by attending a six week refereeing course and then taking charge of at least three matches.

"We feel that a lot of trouble in the game is caused by players simply not knowing the rules," said the Cheshire and Manchester League's Bury-based chairman Jack Freeman.

"The best way for an offender to redeem himself is to learn the Laws of the Game at a referees' course. After that, we will have him back with pleasure."

The scheme came into operation at the start of the season but has yet to be put to the test.

When it does there is no doubt that every other league in the area will be monitoring its progress.

Not that the Cheshire and

Manchester League is particularly beset with disciplinary headaches.

In fact, so well behaved are the league's 33 teams that not one player has been forced to take the refereeing "medicine".

But as chairman Jack points out, he and his fellow officials intend to make their outstanding good conduct record even better.

"We have relatively few problems with discipline in our league, but we always want to improve wherever we can," added Jack.

"We encourage players generally to attend refereeing courses and that way hope to benefit both ourselves and the game as a whole."

Now that's food for thought!

MITCHY MATCH REPORT

Second Division

Mitchelton 2 dr Willowburn 2.

It may have been the home ground advantage but while Willows called the tune in the first half, the difference at lemons was the lone goal for them from an opportune header in the 26th minute.

Brett McDonald went close 8 minutes after the break but Dean Tuckers persistence paid off in the 63rd minute with the goal of the match. They retaliated 6 minutes later with a set play free kick.

While Mitchy were obviously in control of the second half the equaliser came from the goal mouth scramble in the final few seconds. A well deserved point each.

Reserves

Willowburn 4 d Mitchelton 2.

Despite chances to both teams, the first half ended scoreless.

Mitchy attacked from the restart, but no one more surprised than Philip Millard when his cross found the net. Willows equalised 3 minutes later with a free kick. They chipped the keeper in the 65th and 72nd minutes to lead 3-1.

A well positioned Ian Walsh headed past their keeper 3 minutes later and Mitchy seemed back in the game but a good goal with 2 minutes to go gave Willows a 4-2 result.

Third Grade

Willowburn 5 d Mitchelton 3.

Regrettably two of our players had not found the field until about 15 minutes after kick-off and it showed. The Willows were 2 nil up in 5 minutes. While Craig Roberts pulled one back in the 12th minute they were 3-1 up 5 minutes before half time.

The re-start saw us one player short and the Willows missing 2 chances in as many minutes. A good goal from their right wing in the 51st minute put them further ahead, but Allan Carroll scored our second in the 53rd minute.

But they went further ahead 15 minutes later when Roberts made it 3-5 with only 3 minutes remaining.

P.S. A special thank-you to Willowburn for the hospitality after the main game.

UP TO THE MINUTES

(Extracts from QSF Management and Council Minutes)

A member of the Committee advised of the further discussion which had taken place concerning the back-to-back fixtures for the XXXX League later in the season, with a report tabled on the action that had since taken place.

Resolved that the XXXX League fixtures be changed so as to not advantage or disadvantage any club in Rounds 14 and 15, this meaning that every club will automatically play Saturday and Sunday on the week-end 23-24 June 1990.

Regional Director of Coaching - Rockhampton

A report was given concerning interviews that had taken place for the vacant position of R.D.O.C. in Rockhampton.

A recommendation had been made for such appointment with the matter

of the further interview to be conducted at the earliest opportunity.

Redlands United Soccer Club - Division 6 Withdrawal

The secretary advised that confirmation had been received from Redlands United concerning the withdrawal of their Division 6 team.

Resolved the club be fined in accordance with the Constitution.

Miss Queensland Soccer Quest

A member of the Committee advised on bookings that had been made for the function hall and band for the Miss Soccer Final night to be held Saturday August 25th 1990.

He advised of discussions that had taken place with the Sub-Committee concerning an increase in prizes and a possible increase in the nomination fee/levy applicable to clubs for entrance in the 1990 competition.

INTO THE NET

Wearing **SHINGUARDS** is just common sense - it will protect against injury and possible infection. The thing now we have to stop **FOR HEALTH'S SAKE** is the disgusting habit of players picking the sponge out of the water bucket and sucking on it. **YUK!!!**

GOSH! some people are keen - the coaching Milko, George Merrin, hot to take out his third State Championship for Brisbane South at this year's under 15 titles, is also putting Brisbane City's Senior Colts through their paces.

Congratulations to Perry Park grounds Curator Des Miles for presenting a pitch in the best condition seen at headquarters for a long time.

The semi-finals and Final of the XXXX pre-season competition proved good nights of "WELCOME" to Stephen Barry, new Club Manager at Perry Park. Stephen, with a wealth of experience at the Cricketers' Club at the 'Gabba' is keen to book functions of all sizes and for all occasions. His number is 252 5327.

If enthusiasm makes winners, watch out for the boys from Jimboomba, the newest Club to join the senior ranks. Supported by a growing junior playing strength, Jimboomba caters for a wide area, and already enjoys a lot of community support.

Double trouble for the opposition with three sets of brothers - Ken and Ross Swan and Phil and Mike Mulvey taking the park for North Star, John and Andy Ogden for Coalstars..... AND not forgetting the terrific trio from OLYMPIC - Harry, Philip and Micheal Makridakis.

Rob Black, our man at The Sun has close ties with local Soccer having played with Mitchelton up to 1980. Rob's dad was President of the same Club. Any newsy bits from Clubs can be phoned through to Rob at The Sun on 253 3151. Garry Legg at the Courier-Mail is also hot for a good story or pic and can be contacted on 252 6011.

Where did they go? Melbourne has claimed two XXXX League players with Brian MacNicol (Rochedale) joining Juventus and Ibro Cahut (Brisbane City) now running with St. Albans.

Peter Kelly, formerly Regional Director of Coaching for Southern North Queensland (based in Mackay) is now up on the Downs having been appointed R.D.O.C. for South West Queensland.

COALSTARS SURPRISE WINNERS IN PRE-SEASON PENALTY THRILLER

The XXXX Pre-Season Competition final at Perry Park last week was decided on a penalty shoot-out after a desperation goal in the dying minutes by Coalstars' substitute Brad Van Der Ryken.

The match was eventually won by Coalstars who were able to successfully convert their four penalty opportunities, while last year's premiers, North Star, squandered two of their chances.

The Coalstars win was a fairytale end to their pre-season campaign and a dream start to the season after finishing 9th in last year's premiership.

North Star, hot favourites in the final, had their chances to take the match after an uneventful first half in which neither team was able to score.

North Star went into the lead in the 72nd minute when Jim McDonagh found the back of the net. But Coalstars were quick to answer with a Michael Babic goal two minutes later.

North Star hit back when Nick Sealy scored in the 85th minute.

It was not until the final minute of play when Brad Van Der Ryken equalised making the score 2-2.

The score then remained unchanged during 20 minutes of extra time.

In the penalty shoot-out North Star was always on the back foot after McDonagh's shot cruelly hit the post and bounced back onto the field of play.

Babic was able to convert along with Coalstars' team mates John Ogden, Jason Turner and Dave O'Leary.

For North Star only Mike Mulvey and Ken Swan could penetrate the net giving Coalstars the match 4-2.
