## EDITORIAL:

There is a lot of speculation concerning the information that will be contained in the long-awaited "Bradley Report".

Dr Bradley was commissioned by the Australian Soccer Federation to review soccer in Australia and the results are to be released soon.

This same gentleman reviewed Rugby League within Queensland and NSW before handing a report onto the Australian Rugby League.

The ARL has adopted this report as the "master blueprint" for the code's development.

Whether soccer in Australia endorses and fully adopts the "Bradley Report" remains to be seen.

However, whatever the outcome of the report, Australian soccer must establish some concrete plans to ensure the code flourishes well into the next century.

It is imperative these plans include short term measures to turn the flagging sport around, but more importantly long term objectives to cement a future for the code.

Soccer around the world is arguably the greatest sport played, it is certainly one of the few "World Games".

Soccer in Australia must make its mind up NOW whether it wants to be the sport with the greatest number of participants, which incidentally it is, or to be recognised as the truly great sport it should be.

A lot has been spoken about the NSL competition recently. Yes we must have a combined side in that competition from October to April.

But what about the winter season? The Australian Soccer Federation must take control to establish a full interstate competition for the winter months.

This competition would improve the standard of Australian Soccer, both on the field and more importantly in the public's eyes, out of sight.

After all NSL football is the pinnacle of the code in Australia at club level.

However, club players need to be exposed to a higher standard to really prove their ability and an interstate series involving all States from Tasmania to the Northern Territory, could prove to be the answer and the catalyst to take Australian soccer into the 90s.

This type of series could be used to pick the Australian team with every soccer player and supporter comforted by the fact only the best would be wearing the green and gold.

The Australian Sheffield Shield cricket season is the toughest competition outside test cricket in the world.

Why cannot there be an interstate soccer series in Australia. Why can't the Australian Soccer Federation arrange more visits by major overseas teams to Australia.

Each State could host a match to give the soccer public what they want to see.

We must not sit back and talk about it while other football codes enjoy the spoils, by using the same principles. It is time we took the game up to the opposition.

And don't forget the big match - Queensland versus top English club Charlton Athletic on May 20 at Perry Park. Tickets will be on sale soon.

## FRANKLY SPEAKING

*with Frank Liddell*

Pine Rivers youngster Noel Carroll is fast becoming one of the hottest properties in Brisbane Soccer after snaring his second hat trick in three games.

This brings his goal tally to eight for the season, which by most standards is still in its infancy.

Last year Noel had a few unfortunate setbacks with some niggling injuries, but he has obviously put these behind him to come back stronger than ever.

At the tender age of 19 he looks to have a long representative career ahead of him and must be considered a strong candidate for the proposed Brisbane United side in next season's National Soccer League.

River's coach Bobby Hamilton must be pleased as punch with his "real strong" forward line of Carroll, Clayton Koch and John Preston, who are combining to give the side an enviable firing line.

The hype is already with us for the forthcoming World Cup in Italy.

The countries who have qualified will no doubt be inundated with offers of sponsorship to go with world wide media and television exposure.

All youngsters in these countries will be snapping up books, T-shirts and memorabilia with their team's colours.

This is where football in Australia is going to sadly miss out by failing to qualify.

Had we qualified it would have put soccer in the Land Down Under on the map. Instead we lost to the lowly rated New Zealand last year sending our plans up in a lot of flames and smoke.

There could have been so many good things out of

being in the World Cup finals, which begin in June.

I would like to wish John Stewart every success in his new position as player/coach at Rochedale Rovers.

The sudden change from player to coach is not an easy one, especially with the knockers ready and willing to have a go.

The big thing John has going for him is his professional attitude and I am sure this will rub off and get him the respect he deserves from his players.

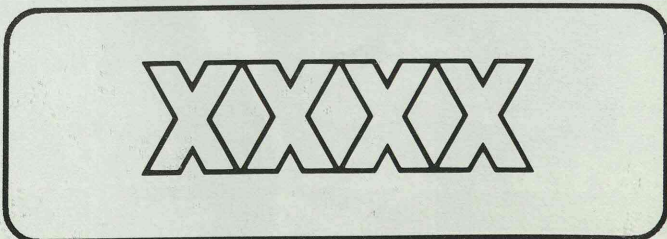

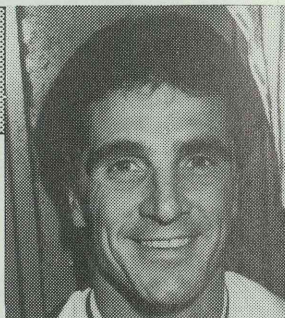

I do honestly believe he can pass the ball more than 20 metres, despite what some people have been saying lately.

Taringa Rovers has once again emerged as North Star's bogey team.

Taringa, who were the only side to beat North Star last year, produced the goods again in a hard fought 1-1 draw at Jack Speare Oval last weekend.

This result indicates Taringa will be a very hard side to beat on their new home ground surface.

*Dittmer Park the proud home of Mt. Gravatt Soccer Club*

THE history of the Mt Gravatt Soccer Club's dates back to 1960, when the then Mt Gravatt Youth and Recreation Club decided to promote the sport of soccer in the district.

Mr Charlie Grant, one of the Youth Club's founders, was given the responsibility of trying to organise a soccer section within the club.

So in February, 1960, advertisements were placed in local newspapers calling for interested boys to turn up at the local show grounds.

Three boys, Bristo Salo, Bob McKenzie and Jim Johnson, arrived at the show grounds.

Three adults arrived at the show grounds along with the boys. They were Roy Johnson, Jack Cranney and Noel Brown.

It was agreed to pursue the matter further and contact was made with the various schools in the area in a bid to attract more players interested in participating in the code.

On the next recruitment day, 14 boys turned up and the first team was formed.

Although some heavy defeats were inflicted on the pioneers, they lived to fight another day.

At this stage, the club was known as the "Mountain Rangers" and was not changed to the Mt Gravatt Junior Soccer Club until 1962.

This was the season the club recorded its first trophy win when the Mt Gravatt Under-15 team won the Redlands Ambulance Day Trophy.

The club continued to grow and was managed by a handful of willing workers including Grant who was chairman until

## MT GRAVATT

he retired from the position because of ill health.

Mr Grant was then appointed president for a life term and Alan Petersen became chairman in 1964.

In 1965 it was decided to try and enter a senior team and the Queensland Soccer Federation allowed Mt Gravatt to enter a team in the 6th Division.

Around this time the Excelsior Club at Stones Corner was struggling to survive, so it merged with the Mt Gravatt Club.

In 1966 the club changed its name to the Mt Gravatt Soccer Club and in the same year the club entered a team in the ladies' competition.

The following year Clairvaux College, a local school in the area, entered a team in the local soccer competition with the help of the Mt Gravatt Soccer Club.

During 1967, the club lost its founder,

Grant, who collapsed and died after watching the club's 3rd Division side play.

Grant died just before the 3rd Division team was promoted to the 2nd Division.

Because of the club's increasing growth, a publicity committee was formed in 1969, the same year junior and senior clubs amalgamated to form the Mt Gravatt Soccer Club.

After making the 2nd Division, Mt Gravatt was relegated to the 3rd Division in 1970.

In 1972 Mt Gravatt fielded three senior sides and 33 junior teams with their headquarters at Dittmer Park, Mt Gravatt.

Also in that year Mt Gravatt won promotion into 1st Division for the first time.

They took until 1978 to reach their first Grand Final, but were beaten by the Southside Eagles.

In 1980 they won the State League title, but failed to beat their arch rivals Grange Thistle in the final.

Throughout the years many junior have come through the ranks to make senior teams as well as representative teams.

In 1990 there are four senior teams and 17 junior sides with coaching staff consisting mainly of past and present Mt Gravatt players.

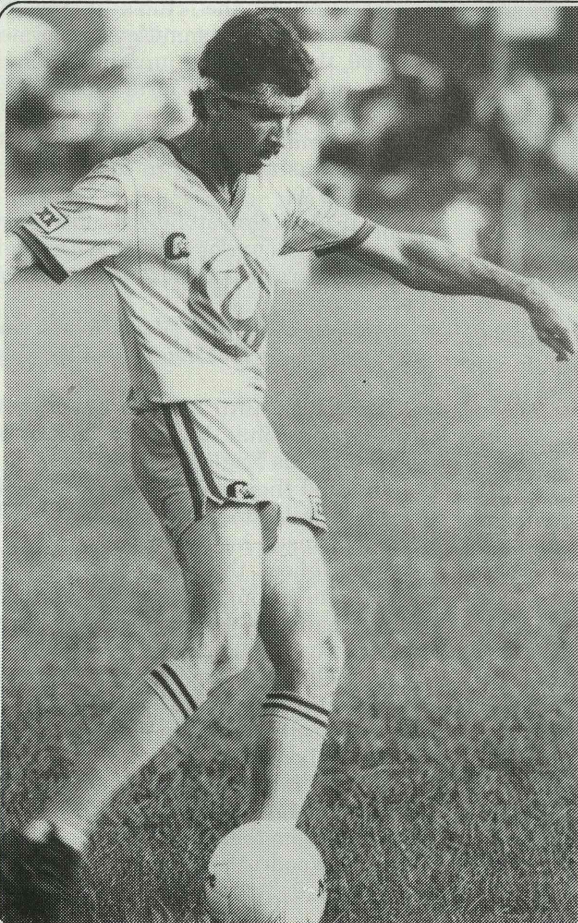

These include past players Jim Johnson, Martin Kirsop and Gordon Peterson from the early days through to Stewart Woodruffe, Roy Smyth and new signing Andy Armitage.

**WOMEN'S  
WORLD CUP**

The International Football Federation has announced plans for a World Cup competition for women.

The inaugural event will be played in China from November 17 to 30, 1991.

This is great news for nations that have been waiting since 1978 for F.I.F.A. to commit itself to staging a women's world tournament.

The finals will consist of 12 nations, three from Asia including host China, five from Europe and one each from Oceania, North and Central America, South America and Africa.

Decisions on the format for the Oceania qualification competition have yet to be finalised.

Clearly, however, Australia will have to beat its old rival, New Zealand before any tickets for China are delivered.

It is felt that Taiwan and Japan will line up with China to represent Asia given the outcome of last year's Asia Cup.

And the battle between USA and Canada should prove to be as tight as Australia's with New Zealand.

Australia's preparation for the qualification competition will involve training camps at the Australian Institute of Sport as well as games against male teams.

Participation in the 5th World Invitational Tournament in Taiwan later this year will also be important.

**MARADONNA IN A QUEENSLAND JERSEY???**

*by Guest Columnist Tom Chutnee*

Queensland Soccer supporters are delighted with the news that if asked, Maradonna would play in the State team.

Speaking from his hideaway at the Shady Nook Caravan Park in North Queensland in an exclusive interview with SOCCER 90, Miguel Maradonna, affectionately known as Big Mig to local nature lovers, revealed he was willing to pull on a maroon shirt for absolutely no playing fee.

"It would be a great honour to play for my friends here in Queensland" he said, manfully head-butting a fresh coconut and drinking the juice along with Bundy rum. Asked about his playing experience and how his talent compared with his namesake, Maradonna took out a comb and paper and went into a spirited rendition of "Beautiful, Beautiful Queensland."

When told it was his Soccer playing experience we were interested in, he stuck the comb in his hair, blew his nose on the paper and revealed he had never played the game.

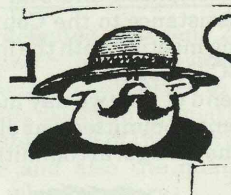

Queried as to how he expected to play for Queensland if he had no playing experience, Maradonna dropped a granddaddy of a coconut on to the sand and proceeded to demonstrate a range of ball skills rarely seen in this country.

Using two swaying palms as goalposts, he cracked shots barefooted from all angles.

Maradonna is currently seeking sponsorship from a leading Road Freight company to help with travel to and from Brisbane for practice matches and training with the State team. They have indicated the best they can do is give him transport on top of one of their semis strapped on top of the tarp. Maradonna is seriously considering taking up this offer.

Thumping a banana-shot through the back window of a caravan parked 100 metres away, (the owner fortunately out of town giving TLC to a hectare of medicinal plants), Maradonna with the modesty of a true champion said "When the State Coach sees me he won't believe his eyes, especially when he sees shots like that one which I call my coco-banana".

Maradonna was concerned about a plentiful supply of coconut milk to go with the Bundy Rum, and was disappointed to learn coconuts were light on the ground in Brisbane. However, he brightened considerably when reminded of the old saying "Bundy goes better with Coke".

# JUNIORS IN THE LIMELIGHT

## QLD JUNIOR SOCCER COUNCIL

The Queensland Junior Soccer Council was formed in November 1975, after several years of "limbo" in which Queensland youth players were unable to compete in National Championships.

A steering committee was formed by the Queensland Soccer Federation in 1975 to look into the possibility of bringing together all areas of the State.

In November of that year all interested parties gathered at Perry Park for two days to discuss and resolve all aspects of the proposal.

Cliff McClurg, from the QSF, acted as Chairman for the meeting, and Pam Gilbert, from the Brisbane Junior Soccer Association, was minute secretary for the two days, as well as numerous tape recorders placed around the tables. North West Qld were represented by barrister Jim Webb of Townsville to ensure their area was recognised and Jim gave invaluable assistance to the Council during that long meeting with the formation of the QJSC Constitution.

At the end of the two day meeting, a Management Committee was elected for 1976 and the inaugural committee of the QJSC was:

President - Cliff McClurg - Brisbane  
 Senior Vice President - Keith Handley  
 Townsville  
 Junior Vice President - Jim Webb  
 Townsville  
 Secretary - John Williams - Brisbane  
 Treasurer - Pam Gilbert - Brisbane  
 Committee - Stan Dye - Brisbane  
 Wally Ahearn - Gold Coast  
 Euan Sutherland - Dimbulah  
 Gordon McLatchey - Rockhampton  
 Sir Bruce Small, MLA, was Patron.

Zone boundaries were agreed during that meeting and seven Zones were formed, with the majority still remaining the same as they were in 1975.

The seven zones were:

Zone 1 Far North Qld: Cairns, Cape York, Tinaroo, Johnston River, Herbert River, Ingham

Zone 2 North Qld: Townsville, Mackay, Ayr, Hughenden, Collinsville

Zone 3 Central Qld: Rockhampton, Mt Morgan, Biloela, Gladstone, Moranbah, Emerald, Blackwater

Zone 4 Wide Bay: Sunshine Coast, Bundaberg, Maryborough, Gympie, Kingaroy, Murgon

Zone 5 South Qld: Toowoomba, Gold Coast, Roma/Charleville, Warwick, Stanthorpe, Dalby, Lockyer

Zone 6 Brisbane: Brisbane North and South.

Zone 7 North West Qld: Mount Isa

All participants of that long weekend went home with a new enthusiasm for junior soccer in the State and contact was made with every corner of the State to encourage them to become members.

1976 was a hard year for the Council members - not the least of which was raising money to enable us to compete at National level.

A conservative budget of \$20,000 was required and the Council had a nil bank balance.

A raffle was organised, but we were restricted to a \$5,000 gross by the Justice Department, so other ideas were required.

It was finally decided to have a Junior Soccer Day combined with a Dribble-a-thon, with incentive prizes for amounts raised.

Each player who raised a minimum of \$20.00 received a training ball and other prizes, such as tracksuit tops, were given for larger amounts.

It is thanks to those junior players of 1976 for getting junior soccer off the ground financially, as \$68,000 was grossed that first year with the net amount shared between the QJSC and the Zones.

The dribble-a-thon was again conducted by the QJSC in 1977 and after that it was handed back to Zones for their own fund raising purposes.

The QJSC also took on the hosting of a National Championship in 1976 which was held on the Gold Coast which was a bit ambitious for the new committee.

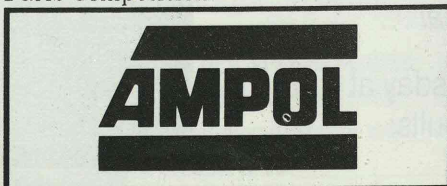

However, we quickly learnt from our mistakes and promptly applied again for 1978 and Queensland now have the reputation for hosting the best run National Championships.

The Brisbane Junior Soccer Association was already in the process of splitting into two Associations at the time of the formation of the QJSC as North and South were being run by sub-committees under the auspices of the Brisbane Juniors.

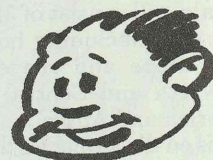

In 1976 Brisbane entered a combined team in each State Championship and became Associations/Zones in their own right at the end of that year.

From 1977 the Brisbane Southern Districts Association and the Brisbane North & Districts Association became autonomous.

During 1976, the QJSC were approached by the State Primary Schools Soccer Association to take over the running of their Under-12 competitions, the Harry Linning Competition and the Gino Paris Competition.

The Council had already made the decision not to hold State Championships in this age group or to participate in National Championships for Under-12's because the Council did not wish to compete with the schoolboys in that age group.

In the initial discussions with the schoolboys, it had been their intention that the Council take over the running of the Competitions on their behalf and that from these Competitions they would select a team to compete in the Australian Schoolboys Championships, however this failed to eventuate and the Schoolboys now run their own Under-12 Championship in competition with our two Carnivals.

The Council is greatly honoured to run these Carnivals which honour Mr Linning and Mr Paris and they are a very prestigious part of the QJSC Championship calendar each year.

In 1976 an Under-11 State Championship was held for the first and only time and North West Qld were the hosts for this unique event.

Coaching clinics were also conducted by the QJSC in conjunction with the Coaches Federation in those first few years, with the Council paying for 18 coaches to attend the camp at Tallebudgera from all Affiliated Zones in the first year.

South Queensland Zone divided into two Zones at the end of 1981, with the Toowoomba Junior Association and all South Western Associations forming the South West Queensland Zone, and the Gold Coast Association becoming the South East Qld.

At the end of 1984, North Queensland also applied to become two Zones. A new Zone, Southern North Queensland, was centred on Mackay and took in the mining areas of Dysart and Moranbah, which were formally part of Central Queensland.

A result of this streamlining of Zones was the extra players throughout the State were given the opportunity to represent their area at State Championships.

It is a source of great satisfaction to all members of the Queensland Junior Soccer Council that every player in the State has an opportunity to represent his Zone and, from there, his State, regardless of where he lives.

Pam Gilbert - first life member, QJSC 1981.

# PLAYING THE GAME RIGHT

with

BRUCE STOWELL

## USE OF THE FIELD

One of the major problems for players is the inability to get out of tight situations as easily as the professionals appear to. So often we see the ball stuck on one touchline with more and more players involved until the game becomes a traffic jam. Watch a televised game and see how smoothly the ball is switched away from the tight areas and into the open spaces. Acquiring this ability can change a team's fortunes overnight.

Today Soccer 90 begins a 2 part series on how best to use the whole field.

## Length and Width Drill

### Preparation

Mark out a large area with eight discs as shown.

Players need to distribute themselves evenly, just outside the area. Start with 2 balls.

### Procedure

The players with a ball pass to other players across or at the ends of the area.

As they pass, they call the name of the intended receiver and run to take their places. Receivers wait till the ball has crossed the line in front of them then control it and continue the sequence of passing/calling and changing places.

### Notes

1. This practice makes players aware of the size of the area in which they are playing by forcing them to keep to its limits. It also develops their ability to look around, make quick decisions and select the best from a number of alternatives.

2. Passes must be played hard. Otherwise they will not reach their target or they will fade so that the passer arrives before the ball.

3. The length of passes will obviously vary because of the shape of the area.

4. After allowing the

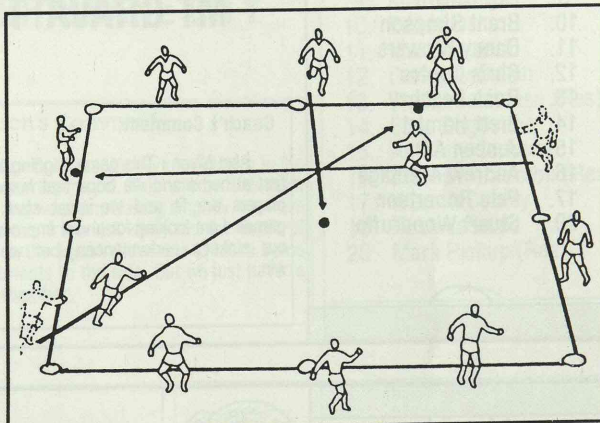

players time to settle, punish slack and inaccurate play. This is a practice which demands a lot from the coach to keep up the momentum.

### Variations

1. Introduce more balls.

2. Limit the number of touches.

Next week Part 2 -- Opposed Practice.

## WOMEN'S SOCCER

The Atlanta Cup Semi-finals and Finals have been re-scheduled following last week's washout.

The games will now be played on April 18 at Eastern Suburbs and Redlands United Soccer Clubs.

The Third and Fourth Division Semi-final between Pine Rivers and Rochdale will be played at 7.00pm at Eastern Suburbs field, followed by the First and Second Division Semi-finals between Easts and Annerley at 8.30pm.

Redland United will host the other Third and Fourth Division semi-final with the meeting of Coalstars and Olympic at 7.00pm.

This game will be followed at 8.30pm by the battle of Redlands and Redcliffe - the two baysiders in First and Second Division.

The finals resulting from these games will also be re-scheduled to a later date of the calendar.

\*\*\*\*

Brisbane will host this year's Australian Women's Soccer Association's Under-16 Talent Identification Championships.

These National Titles will take place at Atlanta Field, Geebung, from June 14 to 30 inclusive.

Four States will be competing for the Title - present holders New South Wales, Northern New South Wales, Australian Capital Territory, South Australia and South Queensland.

There will be more information on these Titles as they draw closer.

### SUCCESSFUL EUROPEAN CUP

Twenty-two thousand supporters in a stadium which was so packed some fans had to be turned away!

Never in its brief history had women's football aroused such a keen interest as it did in the Federal Republic of Germany at the final tournament of the 3rd U.E.F.A. Competition for women's national teams in July 1989.

Television and the other media gave full coverage to the final phase of this event.

Of the 18 national teams which originally entered the competition, Germany, Italy, Sweden and Norway finally came through to qualify for the final stage. In one semi-final, Germany defeated Italy on penalties (4-3) while Norway overcame Sweden who had been the first ever winners of the U.E.F.A. Women's Competition. (Norway also defeated Sweden, 2-1 in the Pilot World Cup in 1988.)

Italy defeated Sweden, 2-1 in the play-off match for third place.

This tournament served to underline the growing boom in women's football, the high standard of the best players in the game and also the quality of the spectacle which it offers.

Moreover, all those who were fortunate enough to have taken part in the event enjoyed a friendly atmosphere untarnished by elements of rivalry.

Qualifying rounds for the 4th European Competition began in September 1989 and will be played through to October 1990.

The winners of each group will qualify for the quarter finals, together with the teams finishing second in those groups comprising four teams.

The final phase of the tournament will take place at the beginning of 1991. The most successful teams will then represent Europe at the 1st F.I.F.A. Women's World Cup in November 1991.

Groups for the qualification rounds are:

Group 1: Republic of Ireland, Northern Ireland, Netherlands

Group 2: Sweden, Poland, France

Group 3: Norway, Finland, England, Belgium

Group 4: FR Germany, Bulgaria, Czechoslovakia, Hungary

Group 5: Italy, Spain, Denmark, Switzerland

Results of games played in 1989: Finland-Norway (0-1), Norway-Belgium (4-0), Sweden-Poland (4-1), Spain-Switzerland (0-0), Czech-Bulgaria (2-0), England-Finland (0-0), Poland-France (1-3), Switzerland-Denmark (0-4), FR Germany-Hungary (0-0).

## FAR NORTH QUEENSLAND

Trinity Anglican School is one of the small but special parts of Zone 1 make-up. This club boasts approximately seventy players and six teams. TAS School have a scattering of age groups from Under-8 to Under-16 Colts Division. With the limited number of players coming only from their school ranks, they find it hard to be competitive against the larger clubs. But never the less their older age group is invariably in the Finals and are already this season with only grading matches been played, they are looking like the team to beat.

## NORTH QUEENSLAND

Fixtures finally got under way last weekend after rain had caused disruptions to the commencement of the season.

Results were fairly predictable, and once again, even at this early stage, it can be anticipated that the Metway Bank First Division Premiership will be fought out between five of the ten First Division Clubs.

Olympic, Estates, Aitkenvale P.Y.C., Brothers, and Ayr Parkside look to be the only serious contenders for honours for the second year in succession, although not necessarily in that order.

A recent surprise to the local soccer community was the shock resignation of top North Queensland coach, Alex Anderson, from the helm of Aitkenvale P.Y.C. Alex is unquestionably one of the North Queensland's premier coaches and is going to be sorely missed by his club. He commenced his playing career in Ireland and later came to Brisbane where he became a contract player with Grange Thistle in 1970.

During his sojourn in Brisbane, Alex represented Brisbane and Queensland, also playing in a selected team against the Australian team during their preparation for their World Cup series. On arriving in Townsville in 1977 he commenced playing for and coaching the Stuart United (Prison) team, where he was employed as a Prison Officer.

Unknown at the time of arrival to the local soccer clubs, his ability as a player and coach were soon recognised.

The Aitkenvale club, who at the time had a number of promising young players, were anxious to sign an experienced coach and persuaded Alex to take over.

Other than two years with Warriors and a similar period with W.S.C. in the N.Q. First Division as coach, Alex has spent the remaining six years as player/coach with the Aitkenvale club.

during that time the club, under his guidance, won three First Division Grand Finals, two First Division Premierships, one Club Championship, the Crad Evans Shield (played between N.Q. Premiers and Far North First Div. Premiers) plus numerous carnivals and just about every trophy on offer in N.Q. soccer.

But the strain of coaching year after year has affected his health and is the reason Alex has been forced into retirement as coach. It is however known that a recent disappointment and other reasons have also been contributing factors.

His relationship with his club and the players is excellent and he has offered to advise his proteges, Chris James and Ken Mitchell, who are taking over the coaching duties.

Alex also intends to continue playing with the club and not hanging up his boots for a few years yet.

An extract from the "Brisbane Soccer News" dated July 1, 1966 brought to light a piece of N.Q. soccer history.

"When a player scores four goals in eleven minutes, you would expect him to ease up as having done his share towards victory. But not Harry Stevenson, the Olympic Captain who continued to score goals and finished up with a total of eleven in a thirteen to two win for his club against Crosskeys".

English born Harry Stevenson played for and coached a number of local clubs, as well as representing North Queensland, before finally giving it away just a few years ago.

Harry could probably claim another record as being the oldest player still playing First Division soccer in N.Q. prior to his retirement.

## SOUTH BURNETT SOCCER LEAGUE

West's First and Second Division soccer teams went on a goal scoring rampage in their round three South Burnett Soccer League matches at Kingaroy on Saturday blasting 13 goals to Murgon's 3.

West Seconds laid the groundwork when they outclassed Murgon 4-0 after leading 2-0 at halftime. Striker Danny Bowers was devastating, scoring all of West's goals in a slick display of putting away everything he was fed from the talented youngsters who combined so well around him.

With patchy early season form, West's, the 1989 premiers, finally displayed the talent which makes premierships in the First Division match.

They blasted 9 goals to 3 at home to Murgon after a 4-0 halftime scoreline in a display which must make all opponents sit up and take notice. This follows Murgon's thumping of Nanango 5-1 in Round 1 and their defeat at the hands of East's in Round 2.

West's have bounced back from their opening game 3-2 defeat at the hands of league leaders Wondai.

Since "Boars" midfielder Guy Hand is to return after Easter and Steve Winter has been testing his injured leg in Second Division, the indications are the Premiers look like they have not yet reached a peak despite Saturday's big score.

Credit must be given to Murgon as they did not stop trying and despite the big deficit they came back from 8-0 down after 68 minutes to grab three late goals and give the score some respectability.

Scores: West's 9 (Baartz 4, Strong 3, W. Burns, Own Goal) d Murgon 3 (Cutmore)

\* \* \* \* \*

Kingaroy East's took two points in each of their First and Second Division away matches at Nanango on Saturday.

East's showed the combination they enjoyed against Murgon the previous weekend was not a flash in the pan despite finding Nanango a tougher nut to crack.

Mercurial Wayne Broderick showed slick ball skills to beat

tough defender David Trace and chip former Adelaide keeper Tony Arindal to open the scoring.

A 25th min penalty for handball by East's defender Craig Russell allowed Newton to equalise the scores at halftime.

East's spread the ball about confidently from the restart, but needed a penalty to break the deadlock.

The Mark Halliday, Scott Dempster combination, so effective against Murgon in their previous outing, resulted in a class goal by Halliday 15 minutes from the end.

But Nanango fought to force a series of corners, the last of which allowed Newton to pile drive a net buster from the goal mouth.

Nanango and the South Burnett "Boars" need the services of forward Sasha Ivanovic but have not been able to secure the necessary clearance from his Yugoslavian club, despite action from the association since early February.

Scores: East's 3 (W. Broderick, Russell, Halliday) d Nanango 2 (Newton).

East's well balanced youthful Seconds maintained their undefeated crown against Nanango a 2-0 win via first half goals by Cameron Chadwick and Sean Padget.

Scores: East's 2 (W. Broderick, S. Padget) d Nanango 0.

\* \* \* \* \*

Nanango and Kingaroy fought out a 1-1 draw at Nanango in the Women's Soccer League.

It was a game which Kingaroy looked to have in the bag until a penalty was awarded to Nanango 5 minutes from the end. Kingaroy midfielder Sue Maynard who is really returning to form this season, first timed a ball only 10 mins into the game to force Nanango to play catch-up football.

Kingaroy tenaciously held the Blues at bay with a tremendous example from Ainsley Robinson.

Nanango striker Amanda Steinhardt in the absence of injured Sue Brown put away the late handball penalty to salvage a draw.

## TOOWOOMBA

Despite the persistent rainfall on the Downs, the Toowoomba and District Soccer Federation (TDSF) XXXX League went ahead last weekend.

In a surprise defeat, Willowburn thrashed last year's premiers Rockville in a six goal spree to inflict Rockville's second consecutive drubbing.

Five players scored for Willowburn, with Norm Pennals scoring two. The other scorers were Murray Dorge, Andrew Buny, Greg Smith and Robbie Weaver.

The closest Rockville came to scoring was through a failed penalty shot from Darren Trunley.

The win has put Willowburn on top of the XXXX League with the Wanderers having a bye.

Rockville is suffering from the massive drain of players to other clubs, notably Willowburn and St. Albans QSF Division Two sides.

As a result 1990 looks like being a long one for the Rovers, who will be playing catch-up football for most of the season.

Stanthorpe side Ballandean recorded its first win in the XXXX League, keeping USQ at bay to win 1-0.

Scoring in the sixth minute, the "mountain men" held on to register their inaugural championship points after entering the Toowoomba competition this season.

USQ tried to equalise but were denied due to torrid defense and brilliant goalkeeping. Although University were without key-player Pat Ravai, they were outplayed on the day by a more determined Ballandean outfit.

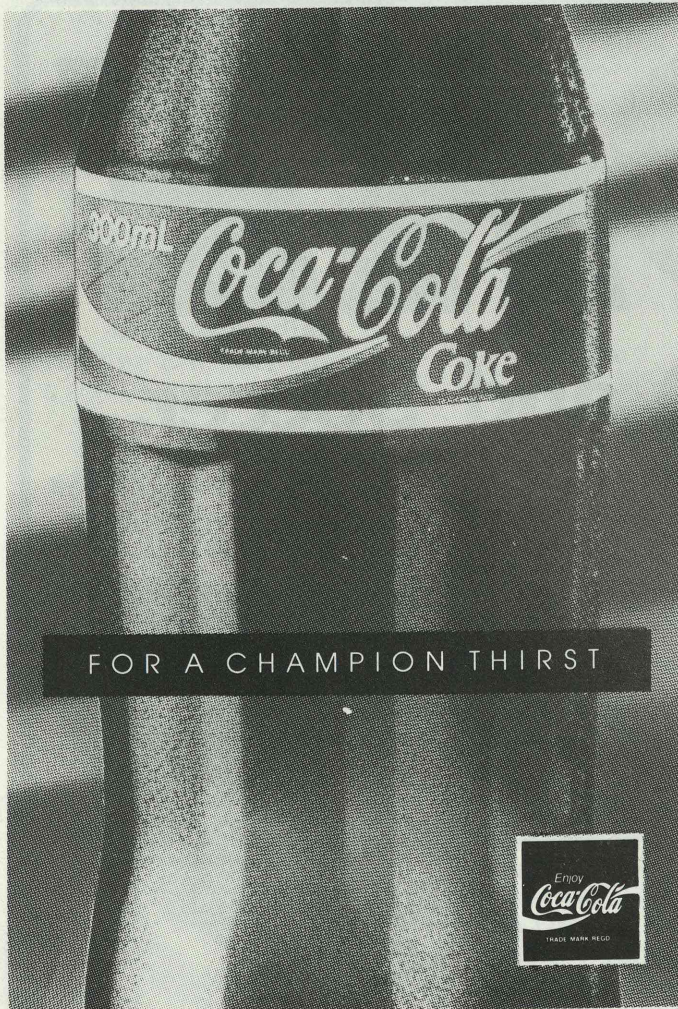

Saturday's night game between St Albans and Dalby was postponed and re-scheduled for Wednesday night.

During April 92.6mm of rain has fallen on the Garden City and more rain is expected to fall during the week with the possibility of it clearing on Friday. If there is not a break in the weather, the weekend's fixtures are in danger of being washed-out. The rain has not been heavy but continual, with few dry spells, which is putting a lot of strain on the fields.

Willowburn's QSF's Second Division sides travelled to Redlands United and returned home with a 5-1 victory.

The convincing win is Willowburn's first away win for the season. Willowburn opened their account in the first minute, when Joshua Bird scored his first goal for the season.

Redlands quickly replied through a John Adamson goal five minutes later. From then on it was all Willowburn with Davey Jones scoring to put Willows back in front.

# REFEREEING INTO THE 90's

## with DES MILES

### WHAT'S IN A NAME?

Every Saturday in every match, a player will shout something along the lines, "OK, it's mine!, Red's ball!, Leave it Fred!, or Jim's ball!"

In the first two instances, an opponent will often turn around to the referee and shout, "What about a name, Ref?" - (have you noticed how many players try to get opponents cautioned?).

But is it an offence? Is a name required?

In the last two examples the players often assume because a name has been used, everything is **OK**, that **NO OFFENCE** has been committed and that the referee will not (and should not) take any action.

But in some cases an offence may well have been committed and the referee must take action. Or **MUST** he?

In my refereeing career I have found that this one area, more than any other, is the one that players universally misunderstand.

Moreover, many referees themselves are not clear.

Some assume that a name must always be used, and if it is not, they penalise - often with the award of a **DIRECT** free kick!! This is yet another example of potential inconsistency between referees.

Well, what is the true situation? What do the "Laws" require?

The first point is that the use of a name is **NOT** mandatory; the Laws do not require names to be used.

Nor should they, since names may be known to opponents and both sides could contain a couple of Johns or Toms, and other names or nicknames can sound very similar when shouted - Geoff, Jeff, Trev, Seth or Raf...or even Ref!

What the Law does require is that **NO UNFAIR ADVANTAGE** is gained by the use of the words.

If the referee is satisfied that a player has not gained an unfair advantage from the use of the words (whatever they may have been), then **NO OFFENCE** has been committed. There are many occasions dur-

ing a match when players will innocently shout, especially as an aid to their colleagues, without thinking of the precise words they use, or whether they use names or not.

After all, they are all coached to "talk to each other". If they have not gained an unfair advantage, no offence has been committed and the referee should take no action.

Such is the case when a goalkeeper rushes off his line shouting "keeper's ball".

For such words he should not be penalised since nobody is in any doubt about the situation.

However, there are also some occasions when players deliberately try to distract or put-off opponent by shouting or calling (e.g., "leave it") - again it is **IRRELEVANT** whether he uses a name or not.

After all, he may know the opponent, but the referee as well. **HE IS A CHEAT** and should be treated as such by being cautioned for Ungentlemanly Conduct.

But beware - you **MUST BE CERTAIN OF THE INTENT** - it's your opinion which matters and you must make the correct decision, not the convenient one.

The quotation from Law 12 is "...its correct application depends on the referee's ability to make up his mind whether or not a player's action is **INTENTIONAL**."

To summarise, if the referee considers that the opponent was "put-off" by the shout (whatever the wording may have been) - i.e., an unfair advantage has been gained - he must issue a caution for Ungentlemanly Conduct.

The game must then be restarted by an **INDIRECT** free-kick from the place where the offence occurred.

The fact a player may prefix his shout by calling a colleague by name (e.g. "OK, Bob, it's mine") does not alter the interpretation.

There may be an opponent close by with the same name. If the referee decides that the shout gained an unfair advantage then an offence has been committed.

## Letters to The Editor

Dear Sir,

A friend of mine at Coalstars Soccer Club told me that, a few days after their XXXX Cup Final win at Perry Park, they received a letter from Brisbane Lions Soccer Club congratulating them on their win.

Well done Lions, a fine sporting gesture.

Yours sincerely,  
Y. Findlater.

### Editors Note- Sportsmanship to the fore

Letter to the Editor,

It is time the Qld. Soccer Federation started to accept some of the principles closely followed by the New South Wales Rugby League. The 'Cockroaches from the South', come down very heavily on any body who brings the game into disrepute in the Rugby League world by having the authority to fine clubs, coaches and players for amounts of up to \$10,000, per incident.

There is a necessity for the Qld Soccer Federation to invoke a system of heavy fines on those players, coaches and club officials who continue to generate negative press releases and make adverse comments to the media about the playing and conduct of games.

The N.S.W. Rugby League has, since Dr. Graham Bradley finalized his re-organization of the League, been very conscious on the need for positive media exposure from coaches, referees, players and club officials.

Come on Qld. get stuck into the knockers and knock hard on their pockets.

Jack Allen

# MATCH REPORTS

## PINE HILLS MATCH REPORT

### DIVISION 4:

#### PINE HILLS 5 GRIFFITH UNI 1

A four goal flurry from Peter Tong and one from Glenn Williams was enough to trounce a spirited Uni team, leading 2-0 at the break. Hills outclassed their opposition, dominating in all areas.

At 3-0 Hills lost their concentration momentarily allowing Uni in for their solitary goal. It was then Hills regrouped and put their game into overdrive looking dangerous on many occasions and punishing Uni another two times.

Strong games from Tim Falkingham and Gavin McLoud were welcomed by coach Stuart Purcell.

### DIVISION 4 RESERVES:

#### PINE HILLS 1 GRIFFITH UNI 1

A second half goal from Hills player Terry Johnson resolved the points for them in a game either team could have won.

Neither team played well with the ball out of play for a large portion of this game, chances were created at both ends but were squandered.

The dull and unimaginative play by both teams must be of concern to the respective coaches.

On the positive side Hills stopper Michael O'Donovan played well with several goal saving tackles and a header off the line.

## GOODNA MATCH REPORT

### DIVISION 2

#### INALA 3 d GOODNA 1

Goodna perhaps played their best game of the year; but came away empty handed against an Inala side that took their chances. The game was a typical derby, highlighted by strong tackling and several chances for both sides.

Goodna dominated the 1st half for sustained periods, with Alan Toner breaking well down the left and Terry New dominating at the back.

With the last kick of the half; however, Inala opened their account when a good flick from their striker was put away by the trailing winger.

The 2nd half was a more even affair, with Denzil Coalter creating chances down the right flank. Inala scored their second when a corner was not cleared and the Inala striker hit an unstoppable drive from 25-yards.

Goodna replied soon after when a corner was flicked on by Rod Heuser at the near post and Jaimie Finlayson's shot from the edge of the 18-yard box went into the roof of the net.

Within minutes a free kick from the edge of the 18-yard box was flicked over the bar by Rod Heuser and Lee Kool had a good shot well saved by the Inala keeper.

Inala finished the scoring when a Goodna corner played short was intercepted and Inala scored on the break.

### RESERVES:

#### INALA 3 d GOODNA 0

The daunting task of facing Inala's more fancied reserves side was met head on by a determined side. Inala opened the scoring midway through the 1st half and continued to take the majority of the chances.

Goodna's best chance came in the last five minutes of the 1st half when a series of crosses could not be met by any Goodna players.

The 2nd half followed a similar pattern to that of the first and included two goals from Inala. Best players for Goodna were Chris McCabe, keeper, Scott Bualey and Steve McGough.

### THIRD GRADE

#### GOODNA 0 dr INALA 0

In a game which could have gone either way, Goodna could consider themselves unlucky not to finish with the three points.

Goonda's attack was again highlighted by the penetration of Greg McPherson down the left flank and he created many chances.

Nathan Everleigh had several shots saved and Brett Cosgrove was creative in the Mid-field. It must be said; however, that Goodna's goalkeeper, Bob Wilson, made several good saves and Inala may feel unlucky themselves.

## 4BC SOCCER CLINIC

The Annual 4BC Soccer Clinic is on again this year at Perry Park from Monday, June 18 to Friday, June 22.

The course is divided into two sessions with the 9-11 year olds in the mornings and 12-15's in the afternoon.

(N.B.) Players MUST be 9 years old at the time of the course. Queensland's top coaches and players will supervise the 5-day clinic which is very popular and will fill up quickly, so if you are part of a team and they all want to take part MAKE SURE THAT ALL THE NAMES ARE SUBMITTED TOGETHER. (however, no guarantee can be given that all will be accepted). DON'T DELAY.

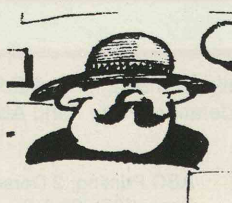

YOU NEED TO BRING YOUR

### TRAINING GEAR - AND YOUR OWN SOCCER BALL.

At the end of the course there will be a short Presentation Ceremony when you will receive a certificate, a tee-shirt, and a few other surprises.

Cost: \$35.00

Application forms available from 4BC Phone: 831 1311 or Q.S.F. at Perry Park during business hours. Phone: 252 5327.

**QSF President Wallace Dann was recently seen motel-hopping on the Gold Coast. No, he wasn't doing a spot audit, but just checking out accommodation for the coming Charlton Athletic visit.**

HERE'S a big but true boast! The \$5,000 travel prize for Miss Queensland Soccer 1990 is in the same league as the travel component of the Miss Australia Quest prize. Top Fund-raiser does pretty good too - \$2,500 in travel prizes.

SEEMS a few players are getting into a few knots looking for shoe laces before their games. It's obvious by the rush-around some players and team Managers are not checking their gear.

"MOVE forward quickly from the kick-off Johnny, pass to Stephen on the right wing, draw the defence, back-pass to George our centre forward, who will take on the keeper, chip it over his head and score." Sounds like a great match plan, except when the instructions came from an over-enthusiastic under-7 coach. Here's what the team heard - "Blah, blah blah Johnny, blah, blah, Stephen, blah, blah, blah, blah, George, blah, blah, blah blah." (Come on keep it simple and fun for the little ones.)

WHO'S the local sports type that considers himself a good cook and intends to open a take-away food place under the of "SAM N' ELLA'S CHICKEN BAR"?

NOTICE anything different on your way to Olympic United's field (apart from the U-beaut new ground that is)? No more "riding the waves" on Cansdale Street after the City Council smoothed out the surface.

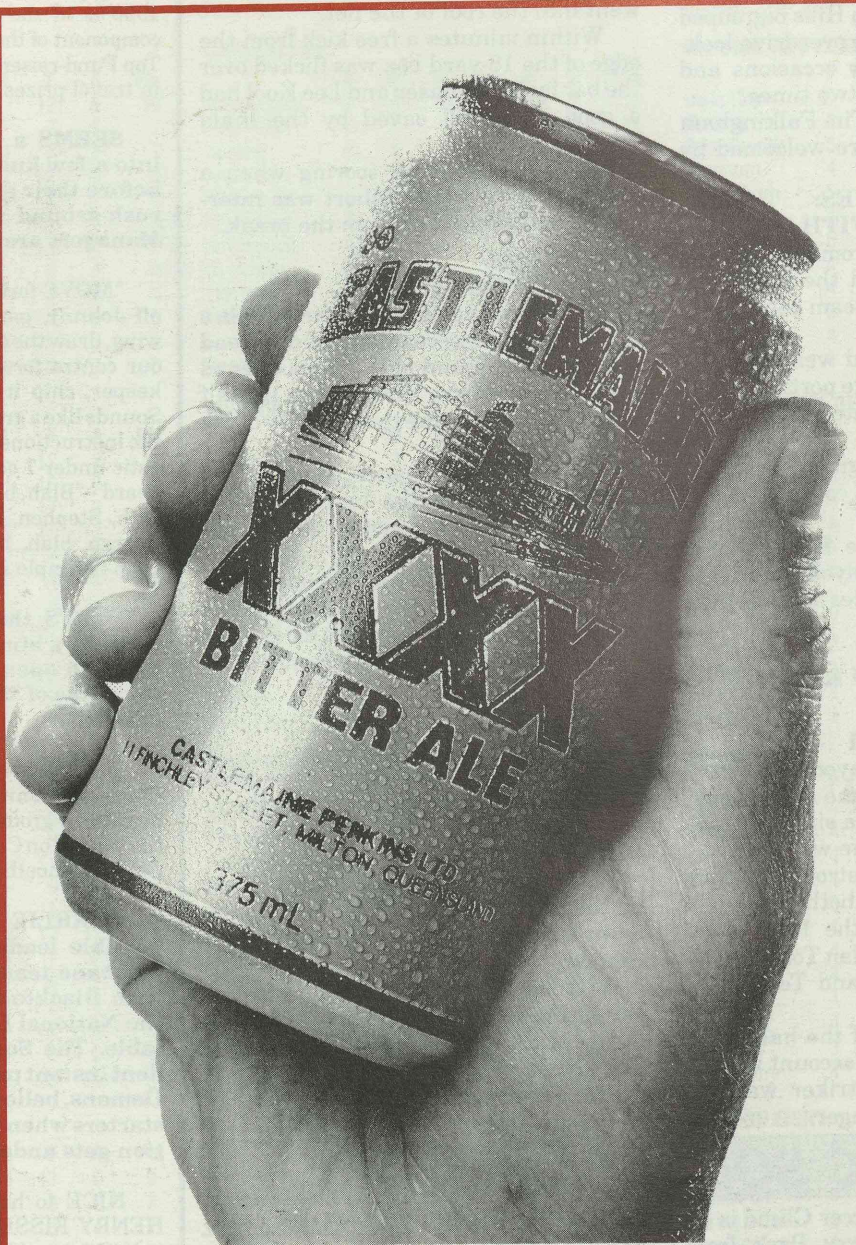

CHARLIE YANKOS, touted as a possible leading light for the United Brisbane team, is expected to remain with Blacktown as their demise from the National League now seems inevitable. The Socceroo skipper is confident instant promotion will come to the Demons, believing they will be definite starters when the QUIT N.S.L. competition gets underway in October.

NICE to have friends in high places! HENRY KISSENGER'S support has been enlisted by the United States for special legislation designed to rush through ROY WEGERLE'S citizenship papers so the Queens's Park Ranger's South African-born striker can play for the U.S. in the World Cup finals.

CHARLTON ATHLETIC'S forthcoming visit to Queensland is going to be a great boost for the code. The three country centre's - Bundaberg, Rockhampton and Townsville - who will each host a match are "RAPT". But the major problem at Perry Park will be, can all the juniors from the South East corner of Queensland, with their parents, be accommodated at Soccer headquarters?
