EDITORIAL:

Last week we mentioned the effect weather had had on the staging of the Inter-City series and soccer fixtures in general.

We might complain, but spare a thought for the people in Charleville and those in far western towns of the State who have endured the unrelenting floods.

Compared to that we have nothing to complain about at all.

Credit must be given to Taringa Rovers who hosted a home match against Colstars on Anzac Day.

The club thoughtfully staged a blanket collection to aid the flood victims.

Two hundred dollars was raised, a great effort by all people present at Speare Park last Wednesday.

It is also food for thought for more clubs to follow suit before our memories dim on the Charleville disaster.

A lot of people within the soccer community often wonder why representative football has to be played.

Why their club players have to be conscripted to play for a Brisbane team against a lesser known Ipswich or Toowoomba side.

First Queensland soccer needs to improve its standard, that means "Queen Street" soccer players have to become missionaries of the sport throughout the State.

Pulling on Brisbane's white and red strip and playing lesser known opposition to assist in lifting the sport's total performance for the future is of paramount importance.

Incidentally the score in the Toowoomba versus Brisbane match was 6-1 to Brisbane.

However, several Toowoomba players came to the notice of Queensland coach and sole selector Bruce Stowell.

In other words these Toowoomba players were finally discovered.

Publicity wise Toowoomba as you may know is a strong rugby league town.

In fact it has been the corner-stone of that code in Queensland for a great number of years.

Therefore everything that is printed in the local paper, The Toowoomba Chronicle's sport section is of course rugby league.

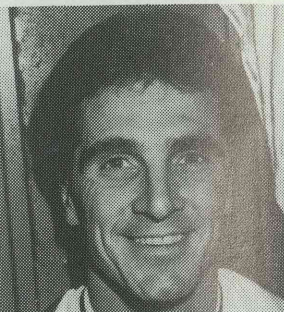

But the day after the Brisbane/Toowoomba match, soccer took the back page thanks mostly to the Chronicle sports editor Mark Bousan.

So you can see what can happen when a big soccer match is played in Toowoomba.

As well it was pleasing to see Brisbane journalists Rob Black (The Sun/Sunday Sun), Garry Legg (Courier Mail/Sunday Mail) and 4BC radio sportsman Trevor Himsteadt at the match.

If a higher level of soccer is to be reached, competitions such as the Inter-City Series must continue at all costs.

FRANKLY SPEAKING
with Frank Liddell

After struggling to find form in the early part of the season, Acacia Ridge have rocketed into contention for a top five spot.

The Ridge, promoted from Second Division last year, looked like being one of the "tail enders" of the competition after the first few rounds.

Coach Eric Thompson has obviously worked hard to get it through to his players that they are now playing at a higher level.

Whatever was said it must have worked, because in the last four weeks they have picked up nine points out of a possible 12.

After being down 2-1 to Pine Rivers at halftime last weekend, they stormed home to score four goals in the second half to run out easy 5-3 winners.

This week's top games in the XXXX League should be at Acacia Ridge and Rochedale.

Acacia Ridge take on Brisbane City, while Rochedale will play host to Pine Rivers.

Between them last week, these four teams scored 13 goals.

If this trend continues there should be some exciting soccer in store for spectators.

Talking about goals, there has been 116 scored to date in the league.

This only goes to show there is a lot of attacking football being played.

Maybe the revamped points system which sees three points for a winning team has provided the extra incentive.

The Queensland Under-15 State Championships were a pleasure to watch over at North Star last week.

There was a lot of promising talent on show at these championships and Queensland Under-15 coach Brian MacNicol looks to have a very strong squad for the forth-coming Australian Championships.

I would like to wish Brian and his boys good luck for this series.

My son has recently started playing with Souths United Under-9s Second Division team.

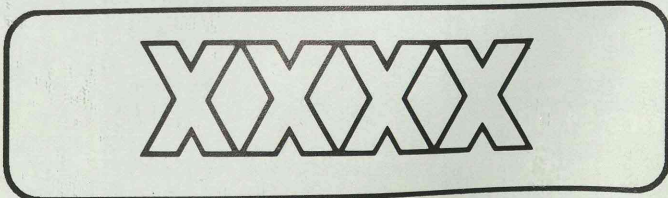

Someone once said to me "watch the Under-9s and see Brisbane", and now I know exactly what they mean.

Over the last few days I have been to Acacia Ridge, Manly and Slacks Creek.

The standard I have seen has been quite pleasing, but the most heartening thing is the dedication of parents and club officials.

These are the people who spend their weekends ferrying the kids around to far-flung locations and organising fields and strips to make the whole thing possible.

It must all be worth it to them when they see how much enjoyment these youngsters have playing these games.

CLUB PROFILE

CLUB PROFILE

CLUB PROFILE

The history of the Coalstars Soccer club goes back to before the turn of the century when soccer was first played in Queensland.

Bundamba Rangers and Blackstone Rovers were two famous Ipswich clubs formed by new settlers from the home country working in the coalmines around Ipswich.

They carved playing fields out of the bushland on the banks of Bundamba Creek and between them, produced many fine players and teams for well over half a century.

Ipswich is known for its internationals from that era and most would have played for one of these clubs.

Some of the better known family names include Gibb, Sander, Nunn, Kitching and Rule.

With the restructuring of the Queensland Soccer Federation in the 1960's, many wealthy ethnic clubs like Hellenic, Hollandia and Azzuri became strong and were able to lure the best players from Ipswich to Brisbane.

It soon became apparent that both clubs could not survive and after much soul searching by both committees, Coalstars was formed through an amalgamation of the Bundamba Rangers and Blackstone Rovers in 1964.

In the 26 years that have passed since its formation, the club has met with success winning the Ampol Cup on three occasions, a grand final and a President's Cup, and the latest being this year's pre-season competition.

Success

Except for one Ampol Cup in the mid 60s, these successes have all been in the last five years.

The club has produced many fine players since its formation and two of these, Ross Kelly and Ian Johnston, have gone on to full international honours.

After maintaining a First Division team for 13 years, the club dropped to Second Division in 1977 and played there for two seasons before joining with St Helens to form Ipswich United in 1979/80.

During this period, the Coalstars name remained in the South-east Queensland league, and was the reserve grade team to Ipswich United in the State League.

Coalstars withdrew from the Ipswich United concept, and played again in Second Division until 1983, when it finished fourth.

At the beginning on the 1984 season, the Queensland Soccer Federation accepted Coalstars nomination into the Premier League under a restructuring of the competition, a decision which caused considerable controversy in many circles.

Coalstars had spent their time wisely in the lower divisions and the club had developed their facilities to qualify ahead of the others, some of whom were stunned at the Federation's decision.

COALSTARS

The results achieved by the club since have vindicated the decision.

The facilities of the club were further upgraded with the opening of a new \$175,000 clubhouse at their grounds at Bundamba in March 1988.

As a tribute to the just retired secretary of the club for more than 20 years, the grounds were officially named the "Eric Evans Soccer Reserve" last year.

Two of the club's players Kevin "Butch" Caldwell and Andrew "Andy" Ogden were

inaugural winners of the Rothman's Medal and Q.S.F. Gold Medal respectively.

Mark Brusasco, who has been with the club for a number of years and who is in his second year as player/coach of the First Division team, is also a previous Rothman's winner.

The strength of the club does not only lie with the senior teams.

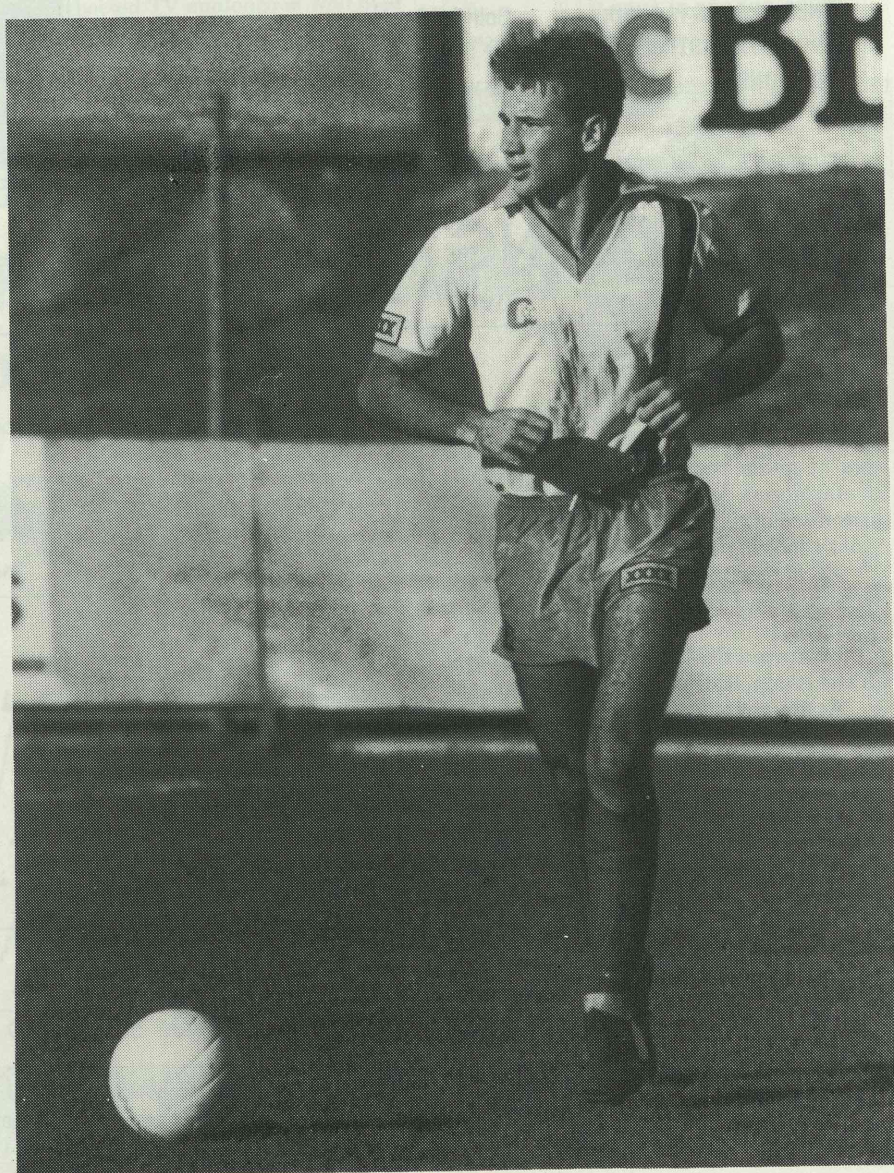

Coalstars is very much a family club, and this year has 276 juniors in 20 teams from under-7 to 15.

These junior teams have also brought considerable success to the club and some of the famous names of Ipswich soccer are still represented.

Additionally, the club has three teams in the Women's Competition, with Australian representative Michelle Sawyers being player/coach and supported by several Queensland representatives.

A numbers of young players have moved from the juniors ranks in the past few years to give the senior teams a balance of youth and experience.

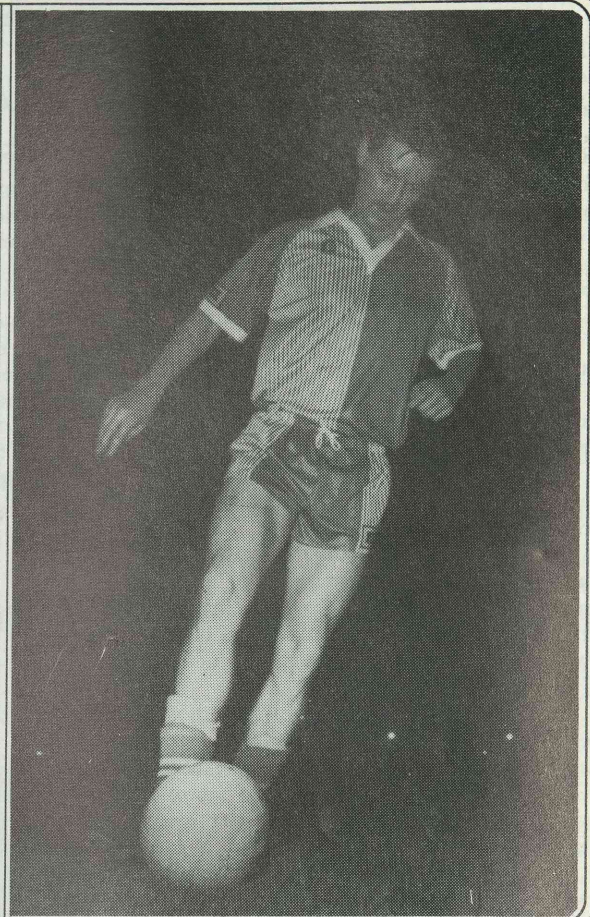

This, together with the up and coming talent in the junior ranks at all ages should ensure the future of the club.

PLAYING THE GAME RIGHT

with **BRUCE STOWELL**

CROSSING

Strictly speaking, a cross is a pass, but due to the remarkably high percentage of goals resulting from crosses at professional level, and the appalling standard of crossing at other levels, it is worth looking at.

At a recent game between two top local teams, I ran a check on crosses for a period.

I counted that, of the last 10 crosses in the game, 9 were put behind the goal!

At any level this would be a disgrace. Make your own check. Watch a televised game. See how rare it is for a cross to be put astray at top level.

See for yourself how many strikes come from crosses. See how much variety there is in the crosses.

It is no longer a case of "get to the line and hang it up on the far post".

Crossing Drill:

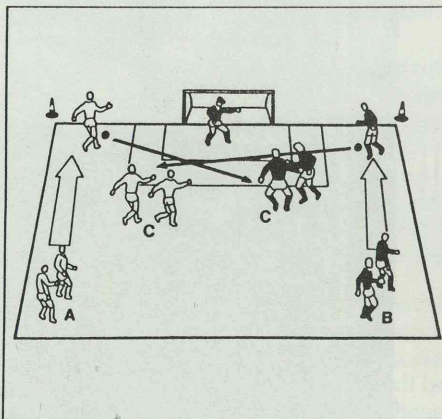

These are usually fun. When players go out with a few balls for a 'kick-round', crossing for someone to head to goal ranks almost on a par with the simple joy of blasting the ball into the net.

Players: 8 or more.

Preparation:

Form the players into three groups as shown:

- A group of left-footed crosses.
- A group of right-footed crosses.
- A central group of strikers to convert the crosses.

Procedure:

- Crosses work from alternated sides.
- Strikers attack the crosses in pairs, one near post, one far post. If the near post player misses, the far post player covers.

- Allow the Crossers to strike balls in from any angle. Some will hit them early, others will get right to the goal-line.
- Change the groups over frequently to allow plenty of variety.

Notes:

1. Encourage the crossers to keep their heads up during the run-in to making the cross, so that they can see the situation open to them.

The eyes must go down and remain on the ball throughout the action of striking the ball. Too many players jerk their heads up as they strike the ball, to see where it is going, with the result that crosses are so frequently off-target.

2. Ensure that crosses "get ahead of" the ball in order to strike it successfully. A common reason for unsuccessful crosses is that players allow the ball to get too far away from them and finish up having to stretch for it, or "sit" as they are striking it.

As a result, the ball is struck with the front part of the foot flexed and control is virtually impossible.

WORLD CUP: A LIVING HISTORY

It's regarded as one of the biggest single sporting events in the world.

It's held every four years and manages to capture the undivided attention of the sporting public.

It's not the Olympics, nor the Commonwealth Games, Wimbledon or Australia's own AFL grand final.

We are after all talking about the World Cup.

Preparations for the 1990 World Cup are building to a crescendo with only two months before the action begins.

So perhaps it's timely to look at the history of the big event in the biggest game this world has ever known.

The first World Cup was held in Uruguay in 1930.

This was possible after ten years of discussion and planning by Jules Rimet the President of the French Football Association and of FIFA.

Out of respect for all the work Jules Rimet had done, FIFA decided to name the trophy the JULES RIMET CUP.

It was solid gold, 30cm high and it weighed just over 4 kilos.

In 1934 and 1938 the whole competition was run on a knock-out basis and in 1934 the USA, Argentina and Brazil travelled all the way to Italy for just one match.

Since 1950 different ways have been tried to give teams more games.

The 1982 finals involved twenty-four teams for the first time.

Again in 1986 twenty-four teams were involved, but the later stages had been amended to include a quarter final competition.

The Jules Rimet Cup was played for until 1970 when Brazil, having won it three times, was allowed to keep it forever. The new FIFA trophy is solid gold, 36cm high and is simply called the WORLD CUP.

It was designed by an Italian and was selected from fifty-three entries.

The World Cup was used for the first time in 1974.

FINALS SINCE 1930

Date	Venue	Finalists
1930	Uruguay	Uruguay 4 Argentina 2
1934	Italy	Italy 2 Czechoslovakia 1
1938	France	Italy 4 Hungary 2
1950	Brazil	Uruguay 5pts Brazil 4pts.
1954	Switzerland	W. Germany 3 Hungary 2
1958	Sweden	Brazil 5 Sweden 2
1962	Chile	Brazil 3 Czechoslovakia 1
1966	England	England 4 W. Germany 2
1970	Mexico	Brazil 4 Italy 1
1974	W.Germany	W. Germany 2 Holland 1
1978	Argentina	Argentina 3 Holland 1
1982	Spain	Italy 3 W. Germany 1
1986	Mexico	Argentina 3 W. Germany 2

This year's finals will be held in Italy, with an expected TV audience of well over 800 million people.

The competition will start on June the 8th and finish with the final being played in Rome on July the 8th.

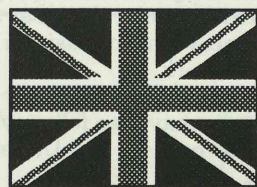

The twenty-four countries have been placed into six groups of four teams, which is to be played on a round-robin basis. The winners, runners-up and the four third placed teams with the best record, in each first round group will progress through to the second round.

From the second round each game will be played on the knock-out basis.

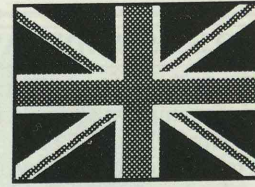

Twelve venues have been chosen for the games, and major modifications have been made to the grounds.

The first round groups and venues are as follows:

GROUP A	GROUP B	GROUP C
Italy	Argentina	Brazil
Austria	Cameroon	Sweden
U.S.A.	Soviet Union	Costa Rica
Czech.	Romania	Scotland

JUNIORS IN THE LIMELIGHT

BRISBANE NORTH

Some thanks are in order - firstly to Newmarket for organising the official season kickoff.

With all other matches cancelled due to the wet, Newmarket officials were able to put on a wonderful day with local politicians in attendance as well as club sponsors, Metway Bank.

Just for the record the first Brisbane North match for the season was the Under-8 Jumbucks Newmarket versus North Pine.

Thanks are also in order to North Star who conducted the recent and very successful Under-15 State Titles on behalf of the Brisbane North Association.

North Star officials had to negotiate the most difficult conditions, but were equal to the task.

Thanks also goes to those involved in billeting families, officials and helpers for making the whole week worthwhile.

Camp Bornhoffen was also conducted during the Easter break with 70 junior players participating in the coaching program.

All players enjoyed the week, even though conditions were a little damp.

Coaches for the week were Stuart Holmes, Col Manson, Gordon Arrowsmith, Justin Littlefield, Kim Wishart and Tebior Hagymas.

Q.S.S.S. FEDERATION

The Boys' and Girls' National Schools Championships will be held in Melbourne from September 8 to 14.

For those girls involved in the Under-19's who are still at school, and who are keen to be considered for selection in the State Schoolgirls' side to go to Melbourne, there may be a possibility that you can still be involved in both.

It has been brought to my attention that in the same week we are running our State Championship for girls, the 19's are going to Melbourne.

In 1989 we put forward our girls' Championship to allow for this clash but this year, having heard nothing, we went ahead and booked the venue.

The Queensland State Secondary Schools Sports Association, our parent body, has a clause in its constitution which covers this situation and allows us to select such players as are representing Queensland at a higher level at the time of the State Championship.

Be aware, though, that this means a second trip to Melbourne and a financial demand on parents.

Like the Australian Women's Association, we are concerned about the financial strain on parental purse strings and will not pressure any of these players.

The decision must be made at home and stuck by. A case in point in 1989 was Claire Nichols, who elected not to be available for Schoolgirl selection, and despite the fact that she was undoubtedly the best Keeper at our State Championship, we respected that decision and gave another girl the chance to represent her State.

I recently spent time praising five young men who were selected in the Australian Schoolboys Side.

Afterwards, I was told that one of these lads was asked to sign a Blue Form by his club and I thought that meant that his services were considered valuable.

Later I was told that he was dropped to the Reserves and replaced by players of the same vintage who did not make it into the State side (though one was a little unlucky not to). I do hope I did not jinx the lad by praising him, or that the Blue form is not just a means of ensnaring young players and preventing them from offering their services to other clubs. That "he's one of our players and we want to keep him", attitude is the one obstacle to the formation of the Queensland-based NSL team which can only be overcome if this team is a new and independent body.

As a person who has played and coached at club level I can understand the "we trained him as a junior so you can't take him now he's a Senior" feeling.

The Junior players are our future in Queensland Soccer and we can not afford to stifle their development or keep them hanging around in the Reserves or Colts until someone who has been in the first team for the past 5 seasons is too old to run any more, because that will be five seasons from now and they will be holding someone else back.

How many young hopefuls have been kept out of Sheffield Shield and Australian cricket sides for the same reasons?

Roger Holcroft.

SOUTH EAST QLD

The SEQ Under-13 Representative Team has announced its final squad of 15 players who will travel to Buderim in June for the State Championships.

The team is Tommy Lawson (Merrimac), Neil Ferguson, Colin Methell, Callum Spence, Marcus Rosner, Doug Milton, Justin Howard (Southport), Eddy Coote, Trevor Livermore, Darren Marsh (Musgrave), Guy Luadaka (Nerang), Jye Brazemas (Burleigh Heads), Brook Monaghan (Coomera), Danny Riley and Travis Love (Palm Beach).

This squad comprises only 7 of last year's Under-12 team and accordingly, the coach (Dave Spence) is hoping to build the squad up using this year as a development one, with emphasis on ball skills and team work.

Following the development year it is hoped that results may then follow which will reward the boys in the Under-15 and 16 years.

The inter-city Zone games currently being played between SEQ and Brisbane North and South have helped coach, Alan Edwards, to select his Under-14 team to play at the State Championships in Cairns during the June school holidays.

From a squad of initially 28 boys the following 15 players have been selected.

The team is: Brad Adair, Paul Jones (Mudgeeraba), Alistar Martin, Heath Fitzpatrick, Romolo Bos (Merrimac), Scott Beattie, Matthew Hill (captain), Barton Staines, Christos Booth (Southport), Matthew Curtis, Joshua McLoughlan (Tweed Heads), Adam Gibbons, Michael Maguire (Nerang), Stephen Lees (Coolangatta) and Ben Mannion (Palm Beach).

On Monday, 7th May, 1990, the team will meet Wide Bay who will be visiting the Gold Coast for the weekend, together with Brisbane North and South at Coomera Soccer Club.

Also playing on the same day will be the Under-13 and Under-12 Rep Teams.

The Under-14's have also been able to play local Under-15 Club sides and have proved themselves most competitive.

Charlton Competition

English First Division club Charlton Athletic take on the mighty Maroons in the soccer match of the year at Perry Park on May 20 and Soccer 90 is giving you the chance to be there.

We have 10 family passes (2 adults, 2 children) to give away to lucky Soccer 90 readers.

All you have to do is answer the simple question below and send your entry to the SOCCER 90 CHARLTON COMPETITION, Perry Park, Abbotsford Rd Mayne, 4006.

Only original entries will be accepted and the competition is not open to employees of the Queensland Soccer Federation nor Management Committee members and their families.

The competition closes last mail Monday May 14 and winners will be notified by phone and published in edition 10 of Soccer 90.

Question: Who will the Queensland team play at Perry Park on May 20?

My Answer is:

WOMEN'S SOCCER

With the return of the fine weather, the Atlanta Cup semi-finals have been rescheduled for the Labour Day holiday on May 7.

These games will be played at the Atlanta Field, Geebung as well as four of our 10 washed out games on the same day.

It is proposed to hold the final of the Atlanta Cup as an extra game on the opening day of the Under-16 or Junior National Titles in June.

Let's hope there is no more inclement weather so we can all catch up with washed out games along with the men and boys.

Speaking about getting along with the men and boys in our clubs, the women's fixture controller this year has gone to extraordinary lengths to schedule as many home games for the girls' teams to coincide with the men's home games.

This was in answer to a request from some of the clubs who wished to make a carnival type day for clubs with both men and women playing at home.

Some of the First Division women's teams like Eastern Suburbs and Coalstars will have quite a carnival atmosphere when their women play at home with their men's XXXX league teams.

Newmarket, Nerang and Redlands

will also play at home before or after their men's teams and some clubs intend to have barbecues or functions following the games.

This is a big step in the right direction towards club unity.

While some of the women's teams in the lower divisions may lack some skill to make them outstanding games, they are all part of your club and deserving of your support.

However for those gentlemen who have not seen a top women's First Division game, you may be surprised.

We have current Australian and Queensland squad members in this division and most of the games are very evenly matched and entertaining.

Second Division clubs such as Redcliffe, Kingsridge, Brisbane City and Pine Hills, will all have games during the season with their men's teams.

Again these promise to be a great club supporters day.

Lower division clubs including Olympic, Rochedale, Capalaba, Beenleigh, Deception Bay, Southside Eagle, Lutwyche, Pine Hills and Taringa will also have at least one home game with their respective men's teams.

Let's make this year one of total support for all teams in clubs including

your women's squad.

We all like to follow the boys and we all support our top men's teams, but sometimes, in some clubs, the women's teams tend to be forgotten.

All teams need supporters otherwise we will all be playing to empty grandstands and there will be no interest in soccer.

So lets get behind our women's teams to make your club truly united.

<p>Coach's Comment:</p> <p>Phil Thompson - We are down to the wire with this match. There is no sense in us just playing 45 minutes of football each week, we have to play the full 90 minutes. I expect my team to battle and to win this week.</p>		<p>Coach's Comment:</p> <p>Glenn Davis - This is sure to be an interesting and close game with both teams looking for badly needed points. I'm confident that if our players give 100 per cent commitment, we can come away with a win over the Tigers.</p>

<p>Coach's Comment:</p> <p>Eric Thompson - With the Dollar Day promotion we should have plenty of spectators supporting us. The last time we played City in the pre-season match we were defeated 7-0. After that match we vowed and declared it wouldn't be the same next time. Our aim has been to improve.</p>		<p>Coach's Comment:</p> <p>Juan Cutillas - This will be one of our most difficult matches. Acacia Ridge are playing well and scoring goals because Eric Thompson is a good motivator. Brisbane City will lift their game and will be playing a great football, that's for sure.</p>

<p>Coach's Comment:</p> <p>John Stewart - As far as we are concerned Pine Rivers is just another opposition team. We must convert more of our chances and show our dominance on the scoreboard. We have used the same starting 11 for the last three matches and have no injury worries.</p>		<p>Coach's Comment:</p> <p>Bob Hamilton - There is no panic stations after one loss. We worked this week on our defense to tighten up our back four. We will continue to attack and will provide attractive football for the spectators. By this approach we will win more games than we lose.</p>

THROUGHOUT THE STATE

FAR NORTH QUEENSLAND

The clouds parted and the sun came shining through and to our surprise the word spread around that there was a field to play soccer on.

This was the beginning of an exciting Sunday at Silkwood where the first series of Representative games for the year were able to be played.

The three areas - Cairns & District, Tablelands and Johnstone River - were all there showing off their bright district colours from the Under-11 to Under-15 age groups.

Cairns being the stronger district provided two sides, Blue team and Gold team, both of which had equal ability.

There were 27 Games played on Sunday.

The winners of the individual age groups will not be known until series two and three are played later this year.

The town of Silkwood, situated half way between Tully and Innisfail, is possibly the last place you would expect to be a soccer mecca.

That could not be further from the truth!

For a quite little town, boasting only one hotel and a few quiet business houses, Silkwood is a soccer mad community.

The town boasts six fields, the perfect layout for carnivals and the like. John Spilstead.

NORTH QUEENSLAND

With the North Queensland Championships and Ampol Cup Zone Competition being held in Mackay over the May Day holiday weekend, the Townsville Veterans Soccer Association is conducting a weekend carnival in Townsville.

Eight teams, representing Cairns (2), Dysart, Mackay, Rockhampton, Ayr and Townsville (2), will compete over the three days on neighbouring grounds at Wellington Park and P.Y.C. ground, Aitkenvale.

Many names from past years will be remembered, with the Townsville teams including Micky Frost, Mick Thetford, Ian Crichton and Alan Mossam.

A full weekend of soccer plus other entertainment has been arranged, together with a chaperoned visit to the local McDonalds for the children and a Bistro with 50's/60's Disco at the Colonial Gardens Resort for the adults.

Eleven Under-16 players have been included in the Youth Team representing North Queensland in the Championships in Mackay, played in conjunction with the Ampol Cup Zone Competition.

With State Director of Coaching Bruce Stowell in attendance, it will enable him to view the youngsters in action with prospects of State representation.

The Under-16 players are - Scott Dewar, Craig Hodges, Scott Crichton and Jason Egan, (Heatley Warriors), Mark Anderson (Aitkenvale, P.Y.C.), Steven Brewington, Peter Heilbronn, Lee Sawyer and David Stallan (W.S.C.), Byron Darker and Tim Hames (Burdekin Parkside).

Other members of the Youth Team are - Jayson Bosel and Mark Nosworthy (Burdekin Parkside), Michael Castles (W.S.C.), Darren Reinaldo (Herbert Valley) and Geoffrey Turner (Brothers).

Reserves - Aaron Smith (Burdekin Parkside), Gavin Gilboy (Estates), Fred Wilson (Aitkenvale).

The weather has been playing havoc with N.Q.S.F. fixtures, with only two clubs able to play their fixtures last weekend. Fortunately things improved by Anzac Day and games were played at three Venues in a bid to catch up.

The visit of English First Division Club, Charlton Athletic, has now been confirmed.

The team will play a North Queensland Representative combination in Townsville on Saturday, 26th May.

Final arrangements regarding sponsors and the venue will be confirmed later this week.

Consideration was given to inviting guest players to play with the N.Q. Team but it has been decided to use the same players as will compete in the Ampol Cup and North Queensland Championships in Mackay over the May Weekend.

ROCKHAMPTON

Soccer is the largest football code in Australia and Queensland has the second highest number of juniors in the country.

This year we are lucky enough to be visited by an English First Division side, Charlton Athletic.

Prior to the big Charlton game on May 24, National Soccer League club Sydney Olympic will also be making a visit.

All members of the sports fraternity in Rockhampton are invited to come along and see a truly international team.

On the local scene our First Division competition has been strengthened by the now defunct C.Q. League.

All teams in First Division are playing for a finals berth to win the prestigious Wesley Hall Cup Trophy.

Senior soccer overall is looking stronger with the increase in teams and the inclusion of a first reserve competition which has boosted the quality of our top division soccer.

The women's competition has also been strengthened this year with increased numbers and quality of coaching to give an overall high standard of competition.

Our Women's representative team travels away each year and they have proven themselves to be one of the strongest provincial city teams in the State.

Our senior representative teams and our juniors also have big years ahead of them.

The Rockhampton and District Soccer Federation hope to stage a Central Queensland Club Championship competition on the Queen's Birthday weekend, with centres ranging from Gladstone, Mackay, Biloela, Emerald and various other centres being asked to participate.

SOUTH BURNETT

The South Burnett Boars hit the road this weekend to play the opening rounds of the 1990 Ampol Cup South West Elimination finals.

In the revamped competition, the Boars will travel to Roma on Saturday to meet Darling Downs and then to Toowoomba on Monday to play Stanthorpe.

In previous years the cup elimination rounds were played at one venue over the three days of the May Day weekend.

The Queensland Soccer Federation State Affiliates' decision to change the format will produce a fairer competition with less costs to participating districts together with a wider exposure of the code.

Coach Willy Burns has the Boars settling into a tidy combination with speed to burn and experience.

Burns will expect nothing short of wins against Downs and Stanthorpe, so he can throw down the gauntlet to Toowoomba on home territory at Kingaroy grounds on the following weekend.

West's shade clubmates East's at the top of the points table on goal difference after five rounds of the South Burnett Soccer League following a hard fought 3-1 win over Nanango last weekend.

A very tentative West's conceded a Goal to striker Sasha Ivanovic in the 24th minute when their defense failed to clear a corner.

Despite a tight Nanango defensive effort, West's equalised at the 58th minute when Rex Parsons coolly chipped the fast approaching keeper.

The longer the game went the better West's became, but they had to wait until the final five minutes to crack the Blues when Paul Stronge drilled a long low shot.

Three minutes from time Stronge drove a direct free kick from all of 40 metres into the back of the net for a final 3-1 scoreline.

Nanango shaded Kingaroy in the women's match at Nanango on Saturday with a 1-0 win.

The goal came from a 17th minute goal from a very mobile Sue Brown, now fully recovered from a nagging ankle injury. Nanango had made most of the running and produced regular raids for Kingaroy keeper Maxine Tessman.

Murgon showed the strongly performing Wondai that the combination Murgon has assembled this season can take control and put away goals with a 3-2 win over Wondai last weekend.

Murgon had to come back from a goal down from a lively Wondai start when Adrain McKay in the second minute calmly sidestepped Murgon keeper Stuart Butler and goaled.

Murgon gained control of the midfield halfway through the first half and never really looked like letting Wondai back in.

Ross Cutmore took a leaf out of McKay's book to take an equaliser at the 20th minute as he sidestepped Wondai keeper Peter Doessel.

Despite efforts from Kevin Wier and McKay Wondai could not stop Murgon taking a half-time lead of 2-1.

Murgon powered on at the resumption to overshadow Wondai

halves, control the game and enable Chris Barford to extend their lead to 3-1 before letting in a late goal.

The 1989 Women's Premiers and League leaders Wondai, made heavy weather of securing a 1-0 win over a lively young Murgon team last weekend.

Despite the efforts of Wondai midfield dynamo Karen Cavanough finding the post at the 15th minute, Wondai needed the purposeful finishing of Lynn Smith to slot a top goal going into lemons.

Wondai really only played possession football, which has put them at the top of the league, in the last ten minutes of this game but was kept at bay by busy Murgon keeper Ros Barford.

Because of the Ampol Cup there will be no soccer fixtures in the South Burnett this weekend.

The Boars are away to Darling Downs in Roma on Saturday and away to Stanthorpe at Willowburn Grounds in Toowoomba on Monday.

Next Saturday they are a home to Toowoomba in Kingaroy at 3pm with the possibility of the South Burnett "Stars" playing a curtain raiser against a Toowoomba women's team.

Murgon and Nanango firsts will play their KO Cup 4th v 5th elimination game on Sunday 13th.

GOLD COAST AND ALBERT SOCCER FEDERATION

Jim Selby, the regional director of coaching for the Gold Coast and Albert Soccer Federation recently put out a "memo" to all clubs on the Coast on the establishment of an Academy of Soccer Excellence.

The Academy is a development program open to children aged between 10 and 15 years who seek additional training to improve their individual techniques and skills.

Selby's comments were: "I feel that there is a need for a youth development program available for players on the Gold Coast, who wish to increase their individual soccer skills.

"The Gold Coast and Albert Soccer Federation Academy of Soccer Excellence is a program aimed at helping junior players reach their

individual potential."

The details of the Academy's aims are listed below and if anyone is interested in pursuing Jim's Academy of Soccer Excellence give him a call on (075) 56 0808 or after hours (075) 51 0985.

AIMS: To assist junior players in developing soccer skills to a level that the player determines.

APPLICANTS: Players should only apply if they have a desire to improve their overall soccer skills and are prepared to listen and participate in home activities and show an interested attitude.

ACADEMY STRUCTURE: Number of players per group, 14; Number of sessions - one session per week (pre-season), 1 session every two weeks (in season); Venue - Gold Coast north and south; Session time - one and a half to two hours; Cost per session - \$2.50.

Each "team" will run for six weeks.

Parents of players attending the Academy of Soccer Excellence will have access to the player's coach and records will be kept of players' attendance and progress.

Parents will be asked to show an interest and encourage their son/daughter during their home activities.

But the overall practice time and effort will be determined by the player.

Coaches that will be employed to work with the players at the Academy of Soccer Excellence will be Australian Soccer Federation qualified coaches or elite senior players under the direction of the Federation Regional Director of Coaching.

Players will be required to register for a six week term and pay in advance.

The Gold Coast and Albert Soccer Federation Coaches Association is looking for players, trainers, referees and parents, in fact anyone who is involved in the coaching or training of soccer players, to join their association.

The aims of the association is to provide and organise regular activities which will supply information that may assist to update and/or refresh soccer knowledge.

In this way, soccer coaches, players, referees, trainers or anyone interested in the technical aspects of the game would come together.

They might learn from each other or be stimulated by the presentation of ideas from well qualified staff.

Teaching the Laws of the Game with Photographs "Dangerous Play"

The player behind is clearly trying to play the ball. His foot is also trying to get the ball. This picture shows a borderline case. If the foot playing the ball is drawn up even further, then danger to the opponent cannot be excluded and the referee must intervene. The referee must also keep an eye on the arm of the player in front.

This photo shows a border-line case between dangerous play and forbidden play. The player on the right is kicking at the ball at the height of his opponent's head. Through this, the opponent is not only obstructed in play but could also be hit by the foot. If only the ball is hit, then the sanction should be: indirect free-kick. However, if the opponent is touched by the foot, then the decision should be a direct free-kick.

UP TO THE MINUTES (Extracts from QSF Management and Council Minutes)

Ampol Cup Qualifying Matches:

The Secretary advised that in relation to MC 56/90 that a number of matches were postponed on the weekend in question thereby making the points table for Divisions One and Two not as complete as would be desired.

Resolved the Secretary to proceed with the Qualifying match draw, as previously directed.

Gold Medal Function:

Discussion took place concerning this prestigious event with the numbers commenting on the first class production of the presentation in 1989.

Resolved the function date be set for Thursday September 27, 1990.

Resolved the Secretary to make contact with the appropriate equipment suppliers and book them for that date. Members of the committee then spoke on the need to have a guest speaker booked for the function, this to be the matter of further discussion.

Queensland Team:

Further discussion took place concerning the composition of the State team for the forthcoming matches against Charlton Athletic F.C. and New South Wales.

Resolved the Queensland team for Charlton Athletic be a Queensland Residents team, with the State Of Origin concept to be continued with the Queensland v New South Wales match scheduled for June.

The Secretary tabled a memo from the State coach expressing concern over the conflict with scheduled Queensland training nights and the rescheduled XXXX League matches in the week immediately prior to the Queensland v Charlton match.

After discussion resolved that all XXXX League matches scheduled for that weekend 18/19/20 May be postponed thereby enabling the State coach to have a free hand with access to his players.

Such XXXX League games postponed to be rescheduled at the first available opportunity immediately after the Charlton match.

INTO THE NET

What a great promotion idea by Acacia Ridge. Perhaps other clubs should also run Dollar Days?

An avid Soccer 90 reader claims he counted the word "QUEST" fifteen times in a Miss Soccer Quest article in last week's Soccer 90 edition. He was heard to say that was one way of getting the message across.

Still on the Miss Soccer Quest - (1) YES, married females are eligible to enter, (2) Clubs keep ALL funds raised by their entrants, (3) Only payment to QSF is nomination fee, (4) the major prizes are BIG.

When asked if he was coming to watch the CHARLTON game, smartie jokingly replied "No, I can't stand snooker".

Last Tuesday night saw a sight for sore eyes at Brisbane Lions Clubhouse. The QSF Management Committee were there in force holding their weekly meeting prior to the Ipswich versus Toowoomba intercity match.

First it's MARADONNA, now it's VAN BASTEN playing in Queensland. Well not exactly! The Dutch international Marco Van Basten, European footballer of the year, is not here, but one of his relatives, Malcolm, is on the books down WYNNUM way.

Pity some of the GREAT IDEAS one hears in the Clubhouse and along the sideline aren't put down on paper. Letters to SOCCER 90 are more than welcome. But make sure they have a clear signature. An address is also required but will not be published.

"GNIMOC SI NOTLRAHC"

Local-boy-made-good FRANK FARINA, the leading goal-getter in the Belgian soccer first division, is in sight of a championship medal after helping to put Bruges clear on top. Frank's message to Soccer 90 during the week was he'll be home for a holiday in June.

Every parent of every Junior should make sure their Club gives out the combined admission-competition form for the QUEENSLAND V CHARLTON match. It means free entry to Perry Park, plus the chance to win terrific prizes.

MATCH REPORTS

GOODNA MATCH REPORT:

Goodna 1 d Redlands 0 (2nd Division).

After last weeks 0-0 draw with Brisbane Croatia, Goodna were looking to consolidate with a win against Redlands.

Goodna had several chances in the first half, but the Redlands keeper was solid in goals, stopping shots from Alan Toner, Lee Kool and Rod Heuser.

Seconds before half time, Goodna goalkeeper Alan Uthmann was called upon to make a fine diving save from the Redlands striker after a mix-up.

The second half was similar to the first with Goodna having several chances, but being unable to capitalise.

Steve Madden was creative in the midfield and Goodna were beginning to wear Redlands down.

With Terry New, Steve Hart and Darren Beauchamp marking the three Redlands strikers out of the game a Goodna goal was inevitable.

In the 80th minute, a long kick from Alan Uthmann was run onto by Rod Heuser and he slotted the ball in the back of the net.

Goodna 1 d Redlands 0 (Reserves).

Goodna scored their second victory of the year with a 1-0 victory over Redlands in a dour game last weekend.

Goodna had several chances to increase the scoreline, but failed to do so.

Mark Wilson's rifle shot from an acute

angle hit the post, and the Redlands goalkeeper was forced to make several saves from Jason Brown and Brian Dowse.

After a 0-0 scoreline at half-time, Goodna opened strong when Ray Barkmeyer found himself twice within minutes behind the Redlands defence, but he failed to capitalise.

It wasn't until the 80th minute when Goodna scored from a Mick Aust goal that Goodna was able to show their dominance on the scoreboard.

Redlands 2 d Goodna 1 (3rd team).

Goodna coach Derin Mann made a scathing attack on his team following the loss about their failure to capitalise on their chances.

John O'Hallbran was Goodna's goalscorer, but he could have easily scored a hat trick.

Scott Burling was again outstanding in the Goodna goal, staving off many of Redlands' chances.

Goodna 6 v Bayside 2 (6th Division).

Goodna's smorgasbord of talented veterans was again too strong for their opposition in a top of the table clash last Sunday.

John Toner and Tommy Burke added two goals each to their tallies for the year, and Bob Wilson's 40 metre goal brought back memories of his glory days.

Jim McCare's creativity in the midfield, and the experience at the back of Sammy Gordon, Ray Lenod, Dave Nelson and Taffy was mostly untroubled all day.

Roy McKinty, Goodna's other striker, slotted only one goal away.

PINE HILLS MATCH REPORT:

Albany Creek 2 d Pine Hills 1.

After managing a draw midweek against highly fancied Southside Eagles in heavy conditions, a win on the weekend against Albany Creek became more important.

The game started slowly with neither team wanting to make mistakes.

As the half progressed, both sides fought hard in an attempt to dominate the all important midfield area.

An Albany Creek goal midway through the first half seemed to stun Pine Hills for a short period, but just before the break Hills striker Peter Tong equalised with a fine goal.

The second half was nearly all Pine Hills with only some desperate defense from Albany Creek keeping them in the game.

But with five minutes to go Creek's midfield put through a perfect ball which was put past the keeper to give them the winning score.

Pine Hill 0 dr Albany Creek 0 (Reserves).

A well prepared and disciplined Hills side took on a confident Albany Creek and matched them in every department.

Both teams had their chances, but failed to convert.

Hills' forwards Chris Curtis and Brad Rowlinson had good games as did midfielder Phillip Engstrom.

Hills' keeper Jeff Noonan pulled off a match winning save late in the second half to ensure the game was a draw, a fair result for this competitive match.

More on the Charlton versus Queensland game! Tickets are on sale now. Have you got your's yet?

Referee Peter Hulme has one loyal fan. When an unhappy spectator at the Pine Rivers versus Acacia Ridge game shouted "Rubbish ref!" a tiny voice in the crowd called out "not rubbish, ref. that's my dad!". Broke the crowd up into laughter as young Nicholas Hulme leapt to the defence of his father.

I can feel a transfer coming on!

Stu Greer, Rochedale's unhappy fullback, was seen at the Brisbane City-Eastern Suburbs match having a look-see and a chat. Meanwhile over at Goodwin Park Rochedale recorded their third win in a row.

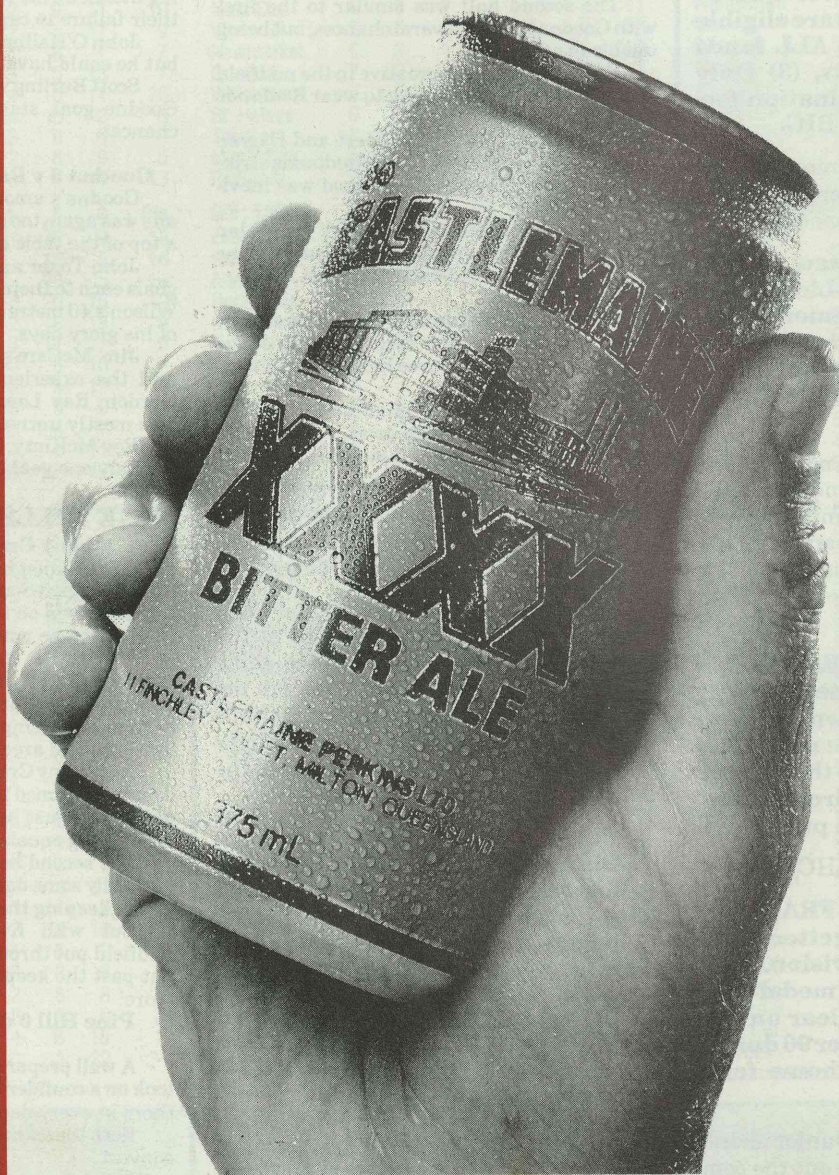

Three of Soccers most likeable guys, (all surprisingly from losing teams) put in some of last weekend's highest work rates - John Schiavo (Pine Rivers), Steve Perry and Colin Phelan (Easts).

Peter Parker, well known trainer for North Star, has had the gall to take time off during football season to have a short stay in hospital. We wish Peter a speedy recovery.
