EDITORIAL:

It's often said that game of soccer is **THE ENTERTAINER**.

That statement reflects what's happening on the Brisbane First Division soccer scene at the moment.

The theme of the season must surely be "SCORE, SCORE, SCORE", because each week goals, goals and more goals are being scored.

And this is the recipe for the turnstiles to really tick over at the club grounds and soccer headquarters at Perry Park.

Even the Inter-City matches have been high scoring.

People may say Brisbane have been playing less-talented teams and the results should have been what is on the score book.

But the fact remains, in all the Inter City matches which have been played so far, there has been one over-riding element - **ALL THE GAMES HAVE PROVIDED EXCELLENT ENTERTAINMENT!**

That's what people pay their money for - first and foremost to be entertained.

Even if your side has been defeated, you can walk away from the ground and say that was really a great match.

That's what soccer, the sport is all about.

The XXXX Soccer League teams up to the 8th round of fixtures have scored 147 goals.

That represents attacking football, football that will cause the resurgence of soccer in this State.

Even last week's Gold Coast Inter City game against Brisbane held the crowd spell-bound.

The Gamblers fought back in the second half after being put under pressure with some early Brisbane goals.

It's terrific to leave a match and say you have seen eight or nine goals land in the back of the net.

It almost develops the same excitement of one day cricket and we all know what a success that little initiative has been.

Congratulations must go to all teams for playing this attractive brand of football.

As one XXXX Soccer League coach said "by playing attacking football, we will win more matches than we will lose".

That's what the public come to see and that's what will bring them back next time, with a friend, to see the **GREATEST GAME OF ALL**.

CLUB PROFILE

CLUB PROFILE

CLUB PROFILE

Brisbane Lions may be one of Queensland Soccer's younger clubs, but it is certainly a club with a proud history.

Its origins date back to 1957 when a band of Dutch immigrants, keen to play soccer amongst friends, formed the then Hollandia Soccer Club.

The talents and ambitions of these people grew quickly and in 1958 the club joined the Brisbane and Ipswich League competition, playing from the hallowed turf on the corner of Archerfield and Ipswich Roads, Inala (now the home of Darra United).

One can still remember the ball scooting across the Ipswich road traffic from any wayward shots on the southern end of the ground.

Hollandia fought hard to become a very competitive outfit, thus eventually taking the Grand Final in 1963.

Hollandia joined the newly formed Queensland Soccer Federation in 1964 in Division Two, however winning promotion to Division One in 1965 and subsequently being relegated back to Division Two at the end of the year.

The club was promoted again for the 1967 season and have never looked back since, figuring in many Premierships and Championships during the years which have followed.

The face of Queensland soccer was to change in the early 70's as did the club name from Hollandia to Brisbane Lions to conform with QSF ruling.

The club had also relocated in 1971 to its current complex at Pine Rd, Richlands.

Lions maintained its high profile in Queensland's premier competition until 1977 when it and Brisbane City joined top ranking southern clubs in forming a national competition known as the Phillips Soccer League.

For ten consecutive years Brisbane Lions held it's own against the might of New South Wales, Victoria, A.C.T., and South Australia with the club's proudest moment being in 1981 when it took out the Phillips Cup.

1987 had Lions back in the Queensland XXXX League after being cut from the short

BRISBANE LIONS

list of clubs in the National Soccer League.

After winning the Premiership and Championship that year, Lions outplayed West Adelaide for Promotion back into the NSL.

1988 proved too tough for Lions as we were relegated back into the local competition.

During it's time in the NSL, Brisbane Lions did it's best to promote the sport, featuring \$1 days and bringing out guest players in the calibre of Bob Latchford 1981, Alan Sunderland 1982 and George Best in 1983, to the Queensland soccer public

Junior clinics were organised with these sporting stars and for a while, soccer was brought to the fore of Queensland sporting news. These were strenuous years for Lions, both financially and in player resources because we were also fielding teams in the QSF higher divisions.

Back in the XXXX League, Lions still remains one of the leading contenders for season honours and will always strive to be Queensland's number one as the following list of major honours will indicate:

Brisbane and Ipswich Association Tristram Shield: 1962.

Premierships: Brisbane and Ipswich Association Div. 1. '63; QSF Div. 2 '64, '66;

QSF Div. 1 '68, '73, '74, '75; South East Queensland League '80, '81; Intermediate League '84, XXXX League '87.

Grand Finals: Brisbane and Ipswich Association Div. 1 '63; QSF Div. 2 '66; QSF Div. 1 '67, '69; South East Queensland League '79, '80, '81; Intermediate League '84; XXXX League '87.

Golden Circle Trophy: '67, '68, '73, '83.

Queensland Cup: '68, '70, '73.

President's Cup: '69, '73, '74, '75, '85.

Ampol Cup: '68, '70, '73.

Peter Mitaros Shield: '68, '74, '75, '76.

XXXX Pre-Season Cup: '84, '85, '87, '89.

Phillips Cup: '81.

All the above mentioned performances were accomplished by our Top grade teams, but the Lions can also boast some fine performances from it's reserves, colts, amateur divisions and of course, the juniors.

The foundation for any soccer club is juniors, and Brisbane Lions is no exception.

It is heartening to see players come through the junior ranks and go on to play as high as National League for the club, players such as Danny Wright, Steve Jackson, Steve Fulton, Paul Burns, Jason Kearton to name but a few.

Lions have also had it's share of National Representatives with the likes of Ray Richards, Gary Wilkins, Col Bennett, Stephen Hogg, Alan Niven, Ian Lawrie - Under-23 and Clark Anderson - Youth.

You cannot measure a club's success on the field alone, for there are many tireless workers behind the scenes who have put in so much time and effort. From our first President J. van Engelen, John Morcus who occupied the chair for 23 consecutive years ('66-'88), to our current President, Gary Wilkins.

These men and their committees and members have worked hard to build Brisbane Lions to what it is today - a modern complex containing three playing fields (the main pitch being regarded as one of the best playing surfaces in Australia for many years), comfortable clubhouse and grandstand.

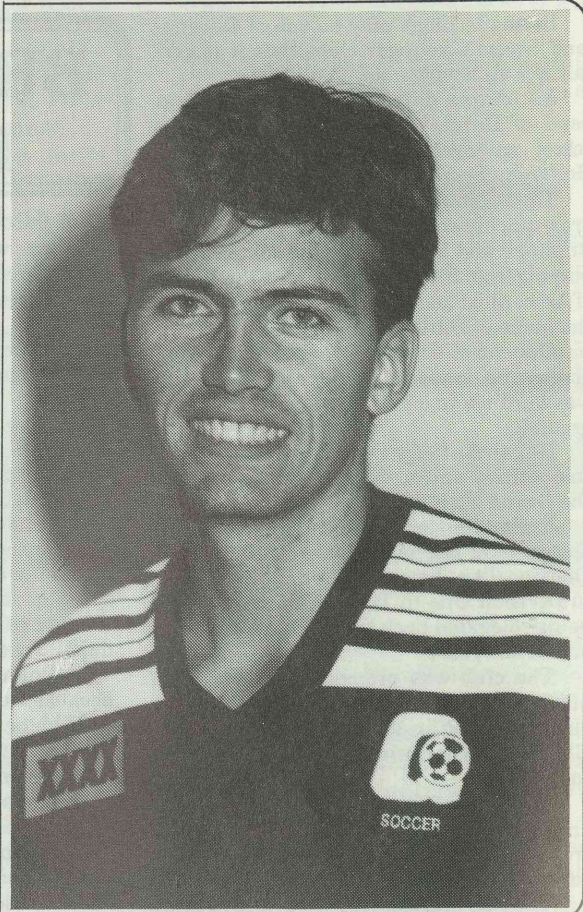

For now we will be happy to win the major trophies for the 1990 season.

FRANKLY SPEAKING

with Frank Liddell

The Q.S.F. insists on having a fixture game every week at Perry Park.

But surely if this is the case, then they must contribute in some way to the proceedings.

At last Saturday's Brisbane Lions versus Mt Gravatt game there was two points of concern.

The first was when the referee had to make running repairs to the goal nets which held up the game.

The second was the P.A. system or lack of it.

For the benefit of club supporters and any neutral people in attendance, it would have been a good idea to let them know who was playing, being substituted and scoring the goals.

There was not a big crowd in attendance anyway, but we must encourage people to come back by having a bit of organisation and information on what is going on.

The match of the round this coming week will be at O'Callaghan Park where Brisbane Lions clash with North Star.

This promises to be an exciting affair between two teams who concentrate on attack and scoring goals.

The feature of this game will be the confrontation of the league's two form players in Jim McDonagh and Arno Bortogna, and what a duel this promises to be.

This game should also attract the biggest crowd of the season and anyone who goes along will not be disappointed.

So far this season the standard of refereeing has been outstanding.

The only problem I can see is there have been 220 players booked and about 18 sent off.

In the games that I have seen, some of the cautions could have been avoided with a word in the right place and of course some more professionalism from the players in question.

In future games we should see a bit more understanding between referees and players to avoid some of the unnecessary cautions.

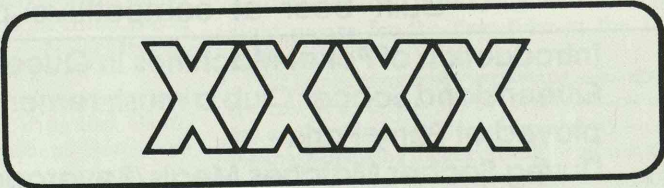

With the forth-coming visit of Charlton Athletic, everyone is having a shot at selecting their own Queensland team.

I am not going to select a team, but from what I have seen in recent weeks, we should have the nucleus of a very strong side by selecting our best players through the heart of the team.

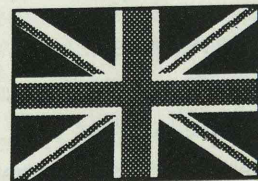

The players I have in mind are Rob Farrow (goal keeper), Arno Bortogna (stopper), Andy Stowell (centre mid field) and Jim McDonagh (striker).

Farrow, Stowell and McDonagh have a good chance of making the side, but Bortogna could be omitted because he cannot play for the State Of Origin team.

Big Arno has been impressive up to now and is by far the best stopper around and deserves his chance to represent his adopted State in this one off game.

JUNIORS IN THE LIMELIGHT

QLD JUNIOR SOCCER COUNCIL

Queensland Junior Council Secretary John Trew would like to congratulate QJSC life member Pam Gilbert for creating a status record of all registered players in each zone in the State and also of players who have represented Queensland and Australia.

Secretary of the Australian Junior Soccer Council Rod Woods congratulated Queensland on its status record. These records were supplied to Dr Bradley.

Queensland is divided into 10 zones with approximate players this year listed below.

ZONE 1 - Far North Queensland (1600 players).

ZONE 2 - North Queensland (2000 players).

ZONE 3 - Central Queensland (1800 players).

ZONE 4 - Wide Bay (3000 players).

ZONE 5 - South West Queensland (2000 players).

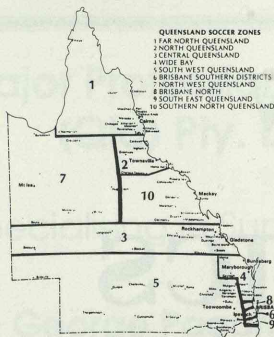

ZONE 6 - Brisbane South (5000 players).

ZONE 7 - North West Queensland (400 players).

ZONE 8 - Brisbane North (5000 players).

ZONE 9 - South East Queensland (2000 players).

ZONE 10 - Southern North Queensland (1200 players).

BRISBANE NORTH

The representative players to compete for Brisbane North at the State Titles later this year were named during the week.

These players have been participating in training since the early part of the season as well as meeting their own club's commitments.

UNDER-12 WHITE:

Alexander Leckie, Aaron Clay, Matthew Copleman, Oliver Damevski, Matthew Wiseman (The Gap), Aaron Aldridge (Newmarket), Richard Hoffman, James Longheed (Northpine), Robert Kidd (Mitchelton), Matthew McKenna (Albany Creek), Wayne Knipe, Damien Rogers (North Star), Daniel Pike (Pine Rivers), Nathan Swanner (Grange Thistle), Thomas York (Westside).

UNDER-12 RED:

Michael Von Hof, Andrew Behrens (Caboolture), Luke Uhlmann (Newmarket), Kurt Matzat, Brett Hayward (North Star), Ricky Wohlsen (Westside), Michael Manson, Andrew Humphreys, Barry Browett (North Pine), Greg DiLosa, Ben Parkin (Grange Thistle), Zijad Alwan (Redcliffe City), Brenden Lam (Mitchelton), Glen Kolpak (Gap Pastime), Ben Swanborough (Albany Creek).

UNDER-13:

Brendon Fergus (Pine Rivers), Eamonn Coffey (North Star), Michael Lane, Anthony de Lange, Peter Tucker, Reece Tollenare (Pine Hills), Ben Winlaw, Trent Hicks, William Walsh, David Thomas, Nathan Carlross, Simon Duncan (Newmarket), David Pryor (The Gap), Adam Boccuzzi, Joel Douglas (Albany Creek), Matthew Hetherington (North Star).

UNDER-14:

Shane Russell, Tony Forster, Tom Pascoe (Grange Thistle), Niely Calleja, Troy Kratzmann, David Debomis, Roger Nave (North Star), Daniel Duke, Scott Guyett, Laugelin Sherrington (Albany Creek), Samuel Lindberg, Dominic Kibby (Pine Hills), David Holden, Neil (Pine Rivers), Mark Draper, Cris Wilcomes (Caboolture).

The inter zone competition contested between Brisbane South, Wide Bay, South East Queensland and Brisbane North was hotly contested.

The program played over four weekends is destined to give zone teams much needed pre-titles experience.

Current feed back will ensure that this program will be played in 1991.

BRISBANE SOUTH

The 4BC Soccer Clinic is on again during the June school holidays.

This is an excellent opportunity to improve players' skills with instruction from top coaches and is fully recommended.

Limited positions are available so make sure that you enrol early.

Dinmore Soccer Club celebrate their centenary this year and are looking for any information about the club over the past years.

Please contact the club by phoning Gerry Noble on 288 2373 is you can give any assistance.

Carnivals around Brisbane South are a little slower this season.

Annerley Soccer Club will be holding their annual carnival for Under-7, Under-9, Under-10 and Under-12 on Sunday July 22.

Interested teams and clubs are requested to contact the club.

On the subject of carnivals, we are still searching for the Jack Williams Memorial Trophy.

Anyone knowing its where-a-bouts please contact Lorraine Boardman on 289 1228.

Some send-offs were recorded in the first two weeks of competition.

Remember players receiving these penalties must face a disciplinary meeting at the Mt Gravatt High School before taking

part in any further games.

The meetings commence at 6.30pm each Wednesday.

We urge all coaches to stress to their players the importance of their self discipline during matches as it can be costly to a team as well as to themselves.

We also ask parents to assist in this regard as the few bad instances always seem to give the code bad publicity while overshadowing the good and enjoyable side.

XXXX

Support of our shin pad policy has been terrific and players are encouraged to keep it up.

However, spectators have been a little shaky with the spectator line or rope rule.

Please give everyone a fair go and stay behind the line.

Q.S.S.S. FEDERATION

The State Championship for the Open Schoolboys (July 12-15) may be featuring night games for the first time in the 13 years.

This was mentioned in passing in Kingaroy last year and is yet to be mentioned to me as a reality, but it would certainly be a means of drawing bigger crowds to games as well as making playing conditions more comfortable in Cairns.

Another spin-off would be that the players might get to see more than just the road to and from the grounds and soccer fields.

A little sight-seeing might make it a little more worth the expense.

We are looking at over \$400.00 for Brisbane-based players this year, with the bulk of that being Airfares.

The Brisbane South Schools Region will be selecting their team on May 18 at Mt Gravatt Soccer Club, so any players who have not been informed by their schools should keep that date in mind if interested in a trip to Cairns and a chance to earn a birth to Melbourne in September to defend the National Title.

It was pleasing to read of the appointment of Peter Kelly to Toowoomba and of John Reid to Rockhampton as Regional Coaching Directors.

This means school players in these regions will get some benefit. Schools have become a priority area for Regional directors over recent years as has been witnessed by Mal Bland's visits to schools in Brisbane and last year's invasion of the Wide Bay area by Bruce Stowell, Bland and Tony Buesnel at the time of our State Championships.

We were very pleased to see them take time to drop in to watch some of our games in Kingaroy and join us at our Championship dinner at which Bruce said a few words and told us a story which he must have stolen from Tony Lowndes.

Recently I mentioned some of the teachers involved with our organisation as well as with clubs.

One of these gentlemen who has done a lot of work in the West Moreton Region,

Juniors Cont. Page 8

Queensland Department of Health

Juniors Cont.

Wayne Warren, is working at Taringa with the Reserves.

And looking at the Taringa line-up in the "Soccer 90" I read a lot of names of former Queensland Schoolboy players.

My informant on the Sunshine Coast tells me that this area might be the place for Fourx scouts to look for players of the future as the Brisbane and Gold Coast areas are pretty well locked up. Some of the Sunshine Coast Schoolboy players are already playing in clubs like Pine Rivers.

One such player is Noel Carroll.

Another is Carl Harrison from Noosa, a young man who travelled to Adelaide with us in 1989 and may be worth investigating.

It is worth bearing in mind that this area is still an undeveloped one in terms of player spotting.

On the Private School side, the TAS schools run a divided competition which they call the Red and the Blue.

As it has been described to me the Red competition has 10 schools playing in Open A, Open B, Under-15, Under-14 and Under-13 divisions and the Blue competition has 6 schools playing in Open A, Under-15, Under-14 and Under-13 divisions.

The Open sides compete in the ISSA Cup which involves both GPS and TAS schools.

In 1989 Iona defeated Brisbane Grammar at Perry Park in the Cup Final.

St Pauls, at Bald Hills are considered to be a strong contender in this competition.

Last time I mentioned Tibor Hagymas who coordinates the sport at Iona.

In his spare time he is playing for Coomera, coaching the ladies at that club and acting as Junior Director of coaching.

I mention these things when I hear of them because it is not always realised that teachers involved with school soccer are often putting in a lot of time with clubs as well and do understand the problems we cause with our competition.

First, let me make a correction to the dates I quoted last week as those of the National Schools Championships.

In 1989 at the National Championships in Adelaide, we were told the dates were September 8-14, but the official invitation to compete has arrived with September 1-7 as the dates for this competition.

Unfortunately this will still run us into Fourx fixtures.

There will be an attempt to run a competition for Senior teams along similar lines to the Commonwealth Bank/Bill Turner Cup for Under-15's, but for this year we will concentrate on S.E. Qld.

It is proposed that a competition centred on Toowoomba will provide a winning team to compete in a draw with the Brisbane Metropolitan Champion team, and champion teams from the Sunshine Coast, Gold Coast, Ipswich and Logan areas.

As the Metropolitan are in August, we envisage the Semis and Finals to run some time after this.

Results in so far from the Commonwealth Bank/Bill Turner Cup are as follows: Shailer Park 3 d Camp Hill 0, Iona College 1 d Wynnum High 0, Redeemer Lutheran College 3 d Springwood High 0.

Some games are still to be played as this report goes to press - Dakabin play St James at North Pine, Nambour plays Maleny and Keebra Park plays Miami.

Round Two is to be completed by May 18.

As match reports come to hand they will be included in this report. Last year's Qld Winner, Alexander Hills, has yet to send in a report on its fixture against Woodridge.

A win to Woodridge would certainly give them a confidence boost for Round Two.

Two schools on the Gold Coast were waiting to be told where and when to play their game, and may never have found out if their local Commonwealth Bank manager hadn't had the initiative to ring me to find out.

This competition runs on an organisation by mutual agreement on venue, time and date within the time structure of the draw with referees being the responsibility of schools.

This information is included in the fixture book posted to each school prior to the commencement of round 1.

Roger Holcroft.

PLAYING THE GAME RIGHT

with **BRUCE STOWELL**

This week we continue our series on "Crossing" with a look at the "Conditioned Crossing Game".

PREPARATION:

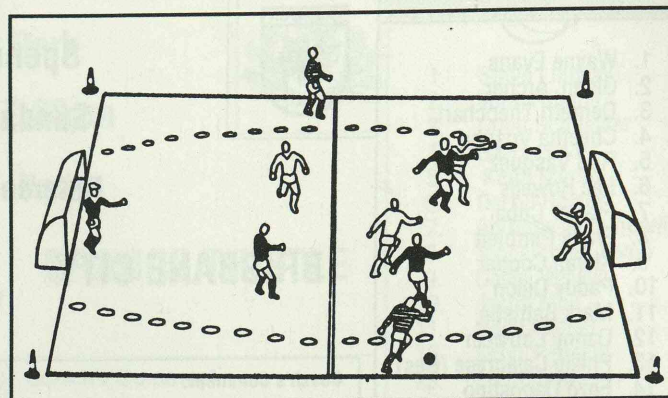

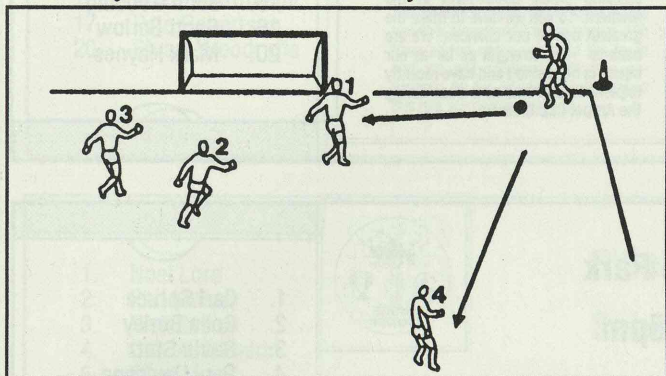

Mark out a pitch with goals and make touchline zones as shown with the marker discs.

Don't make the pitch too long. The object of the game is to work the ball quickly into a crossing position and set up strikes.

PROCEDURE:

The wingers play with whichever side has possession. This means that although they stay in the same zone they will be playing to different ends depending on which side has the ball.

This gives players practice in both left and right foot crosses. No other player is allowed in the touchline zones which may be as wide or narrow as you wish.

Immediately the wingers receive the ball they can cross it whenever they like.

When an attack is completed down one flank the ball must be worked to the other flank for the next attack.

VARIATION:

Remove the discs and allow the game to continue freely with the condition that teams can only score from crosses.

NOTES:

1) The system of changing flanks at the beginning of each attack helps teams to develop the skill of switch-play.

2) Make sure that the winger without the ball doesn't fall asleep but adjusts position according to where the ball is.

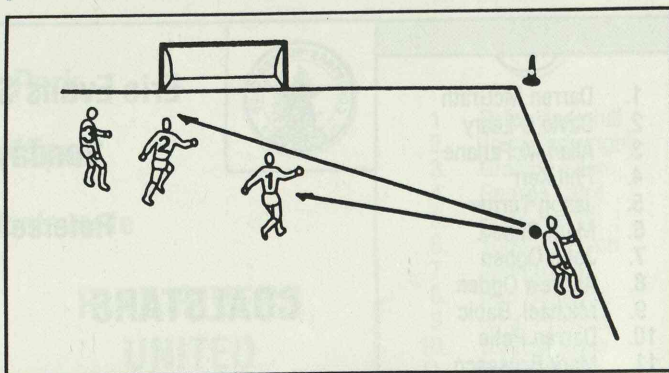

3) The zoning of the pitch means that the wingers will play wide, but at the same time, do emphasise the need for width in attack. By and large players have little idea of the value of width, but if you watch a televised game, you will see how much space players make for themselves by moving right out to the touchlines to receive passes.

4) Much has been said about the quality of crosses but the variety is also important.

The early cross - The ball should be driven towards goal, this creates three possibilities: a) A flick-on by player 1, b) A far-post header by players 2 or 3 or c) A knock-back by player 3 for either of the other two.

The goal line cross creates four possibilities: a) A low drive to the near post for player 1 to turn into goal, b) A drive to the near post for player 1 to feint and the ball to run on for player 2, c) A chip to the far post for player 3 or d) A cut back to player 4.

5) To have any chance of being effective, a cross must: a) Stay in play and b) Pass at least the defender putting pressure on the crosser.

CHECKLIST:

- * Practise the run-in and technique of crossing frequently, making sure the ball stays in play.
- * Vary the height, speed, and angle of the cross to keep the defence guessing.
- * Work hard on getting other players into the right places in the danger area in relation to the cross.

This match against Pine Rivers will be an absolute gem.</p>	<p>Coach's Comment:</p> <p>Bob Hamilton - Each week we evaluate the opposition and we give respect to every team we play. We must retain our high standard and every team member must support the player with the ball and score the goals. We have the best three frontmen in the competition and the backmen and goalkeeper have been contributing well.</p>

TOOWOOMBA

The Toowoomba Inter-City challenge team has found it tough going, having lost their opening matches to Brisbane and Ipswich.

In their encounter with Brisbane, Toowoomba stated off strong playing most of the first half in Brisbane's territory.

But the "Sky Blues" failed to capitalize on scoring opportunities, missing three in the first twenty minutes, while Brisbane's finishing off in front of the goals was brilliant.

Down 3-0 at the break, Brisbane continued to apply pressure to the Sky Blues defense with Chris Slater posting two goals early in the second half.

Toowoomba's only goal came in the 62nd minute through John Robinson who was playing his last game after twenty years of playing in the Garden City.

Brisbane stamped their domination on the game by adding the sixth goal through a penalty shot by Clayton Koch, two minutes from the end.

Last Tuesday Toowoomba lost its' second consecutive Inter-City clash to Ipswich.

The Sky Blues again failed to finish off in front of the goals in loosing to Ipswich 3-0.

Ipswich's first goal came in the 20 minute when Mark Gilbert capitalized on Toowoomba's mistake to not clear the ball.

The second came in the 20 minute in the second half through a Peter Vogler goal and the third was a penalty finished off by John Ogden. Toowoomba will have to start to make the most off their goal scoring opportunities if they are to remain competitive for the rest of the series.

Their next game is against the Gold Coast Gamblers.

In QSF Division Two games, St. Albans have put together a string of consecutive wins to be placed third.

In the local derby with Willowburn two weekends ago, the Saints managed to come out on top.

The Saints scored two goals while keeping Willowburn scoreless.

St Albans win was marred by Ken Atkinson sustaining a suspected broken wrist and looks like being sidelined for the next month.

In his debut Nigel Gally scored the first goal in the 25th minute into the second half through a superb 25 metre chip.

The Saints sealed the game up five minutes later when Gary Carter ran through to pass by Warren Allen to beat the keeper posting the second goal.

Having played his final game for Toowoomba last weekend against Brisbane, John Robinson, ran on to the field with St Albans for the last time and was aptly chaired off by his team mates after the Saints win.

Last weeks QSF Division Two clashes saw St Albans creep into third place beating Mitchelton 4-0.

The Saints showed brilliant team work, represented by four players managing to score.

Warren Allen scored first in the 20th minute, followed by Allan Black 10 minutes later, to have opened up a two-nil lead at half time.

The Saints capped off its first half display by posting goals at the 20th minute (Gary Carter) and the 30th minute (Craig Harris) of the second half.

Willowburn came close to upsetting second-placed favourites Nerang in losing 2-1.

The scoreline could have been worse for Willowburn if not for their grim defense, and Nerang missed opportunities.

Nerang scored first, but a Davey Jones goal kept the homeside in touch to be 1-1 at the break.

Nerang however held on to win the match after scoring early in the second half.

In the local XXXX League competition Wanderers have taken a commanding lead after a big win against UCSQ.

Wanderers have yet to concede the Challenge Trophy which is worth \$100 every time it is defended.

Wanderers scored three late goals to win convincingly 5-0.

UCSQ played well above themselves to trail 1-0 at half time, but Wanderers completely dominated the second stanza romping in five goals.

Duncan Mitchell scored the first goal and Jeff Abel posted the

second early in the second half.

It was in the final ten minutes that UCSQ fell away and Wanderers displayed how hard they will be to beat when Abel and Mitchell scored their second goals and Steve Russell scored the fifth.

Rockville Rovers recorded their first win for the season by defeating St Albans 1-0.

Simon Martin scored in the first 15 minutes and Rockville held on to win the tough encounter.

For Rockville, Mark Nielson showed a lot of control in the win, while Peter Newcombe was very tidy in his role as goalkeeper.

Despite the win, Rockville will have to improve if they are to be a force.

In the other match a determined Dalby outfit nudged out Ballandean to win 1-0.

After a string of wins Ballandean came unstuck to Dalby who played a much more committed game than the Mountain Men.

GYMPIE

Due to the rainy weather, the Wide Bay Soccer Championships were held at the Tewantin Sports Complex on April 28 and 29.

After years of travelling to the Championships, Gympie has come up trumps, with both the Under-13 and Under-15 representative sides emerging as Champions.

Overall Championship winner for the Tobacco Growers Cup was the Sunshine Coast with 28 points, with Gympie the runner's up on 24 points.

Then came Bundaberg 14 points and Maryborough 5 points.

Congratulations to coach D Parton and his Under 13 team: R Reedman, C Radaker, I Grey, D O'Rourke, G Loch, S Wittmour, D Greenhalagh, M Brady, L Butt, D Gross, J Parton, S Cuots, J Chapman, G Kennedy for Team Work and taking out the Under-13 Championship. Results: Gympie 3 Sunshine Coast 0, Gympie 3 Maryborough 2, Gympie 1 Bundaberg 0.

Congratulations also to coach Jim Fagan and his Under-15 team: M Rhodes, A Brown, R Gilmour, B Teal, D Jewell, D Buckley, A Leppien, D Reedman, D Solien, B Parton, P Friske for taking out the Under-15 Championships.

Other results: Under-12 - Sunshine Coast 6 d Gympie 2, Maryborough 2 d Gympie 1, Gympie 2 d Bundaberg 1.

Under-14 - Gympie defeated Maryborough but lost to Sunshine Coast and Bundaberg.

With preparations done and the 1990 season under way, all four clubs and team are enjoying their sixth round.

Each club has a record number of registrations for the season, with Seventy-nine teams registered from Under-six through to seniors.

Results of the Seniors game played last Tuesday Night were Columbia 1 dr Diggers 1, Lions 3 d Golden City 0.

Junior results: Under 11, Lions White 5 d Rangers 0, Columbia 7 d Golden City 1. Under-10, Diggers 13 d Rangers 0, Golden City 4 d Columbia 0.

SUNSHINE COAST

Kawana soccer coach Peter Kemp says his side's unexpected rise at the weekend to the top of the First Division is a result of heartache felt after the 1989 semi-finals.

Kemp's undefeated side has won three of its four games and went to the top of the table for the first time on Sunday after mauling Nambour 5-2.

It was a far cry from the 1989 final round when a shock result put Kawana one point out of the final four.

Kawana beat Nambour, but high-flying Noosa surprisingly went down 1-0 to Caloundra who crept into the play-offs at Kawana's expense.

"The guys really wanted to do well this season after last season's ending", Kemp said.

"To miss the semis by one point was very disappointing - hopefully this time we can do that bit better.

"Last season's finish has certainly made the men more determined to do well."

Kawana's latest success put them one point ahead of champions Begees, former leader Buderim, and Sunday's opponent Caloundra.

Kawana's strikers Volker Pinczel, Simon Stansway and Paul Dutton all found the net on Sunday and Kemp believes he has unearthed the ideal forward combination.

Kawana now faces a testing three weeks, against potentially the competition's strongest sides Caloundra, Begees and Buderim following convincing early round wins over Woombye and Maroochydore, and a 2-2 draw with Noosa.

"The next three rounds will show if we really are championship material", Kemp said.

SOUTH BURNETT

The South Burnett Boars blew their best chance in years to top the Ampol Cup elimination round when they were defeated by a more committed Darling Downs last week.

A golden chance went begging as the Downs, at its weakest because their Brisbane Second Division players were not eligible to play, took the match 4-3.

The loss was followed by a 4-0 drubbing at the hands of Stanthorpe two days later.

The Boars defense was sadly lacking in both games with an attack which couldn't convert chances to goals with any consistency.

The team suffered from a lack of cohesion between players of undoubted talent who had not been able to play sufficient trials together.

Diabolical defensive mistakes gave a very committed Downs two goals start in the first 24 minutes of the match.

However the Boars showed fighting spirit to claw back to 2-2 at half time through a goal to Guy Hand and a penalty to Paul Stronge.

The Downs seem to fade in the second half and the Boars took the lead through a Willy Burns goal 15 minutes into the half.

But the Downs suddenly found new heart and promptly hit the Boars with everything resulting in the equaliser by Geoff Green.

Downs winger Tony Maioic was able to cross to Green late in the match to give them the match.

Having lost a game they knew they should have won was not good for morale when the Boars travelled to Toowoomba to play Stanthorpe.

Although they were considered beatable, the Boars blew away any chance of doing it when their pussy cat defense let them down in the 4th minute.

The Boars' defense was skinned frequently by Brian Bracken and Brad Williamson while their attack was blunted by David Cave as Stanthorpe ran away with the game 4-0.

The Boars will now meet a very well drilled Toowoomba side in Kingaroy this weekend.

So coach Willy Burns has the job ahead to lift the Boars to a pride saving performance at home in front of their supporters.

NORTH QUEENSLAND

Townsville Veterans Soccer Club, "Hasbeens United", conducted a very successful carnival over the May Weekend.

Using the neighbouring grounds of Wellington Park and Aitkenvale PYC, eight teams from around the North provided an entertaining display of skilful competitive soccer.

Teams from Cairns, Rockhampton, Mackay, Dysart, Ayr and Townsville attended, in what has now become an annual event.

The Cairns' team Stratford defeated Burdekin 2-0 in Monday's final.

Rockhampton and Mackay shared third and fourth placings after playing a 2-2 draw.

A feature of the final was the reappearance of three former Townsville Kern United players, Ian Boyce, Hughie Montgomery and Ray Stark.

Final results were - Saturday: Burdekin 3 d Townsville 2, Thuringowa 8 d Dysart 3, Mackay 1 d Old Endeavours 0, Stratford 3 d Rockhampton 2, Old Endeavours 5 d Townsville 1, Rockhampton 3 d Thuringowa 0.

Sunday: Burdekin 7 d Mackay 6, Stratford 6 d Dysart 2, Mackay 4 d Townsville 0, Stratford 3 d Thuringowa 1, Burdekin 5 d Old Endeavours 4, Rockhampton 4 d Dysart 2.

The NQSF have announced that the Ron Huntington Memorial Trophy will now be conducted over the Queen's Birthday Weekend.

The original draw will apply for this re-scheduled carnival.

Date for matches will be; Wednesday June 6, Qualifying round - Souths Wallaroos v Polonia (6.30pm), WSC v Herbert Valley (8.30pm).

Saturday June 9, Winner Second Qualifier v Winner First Qualifier (2pm), Heatley Warriors v Estates (4pm), Brothers v Burdekin Parkside (6pm), Aitkenvale PYC v Mundingburra Olympic (8pm).

The semi finals will be played on Sunday June 10 commencing at 1pm and 3pm respectively.

The play-off for third and fourth will be played on Monday June 11 at 1pm with the grand final kicking off at 3pm.

Last weekend the NQSF representative team regained the Championship of the North Queensland Zone, a title they lost to Mt Isa last year.

This is the 16th successive year the Championships between Mt Isa, Mackay, Far North Queensland, comprising the Northern Zone, have been held.

The Championships serve as an elimination round in the Ampol State Cup, and North Queensland will now be drawn to compete against a Brisbane club or another country Zone winner.

FAR NORTH QUEENSLAND

Most of our representative sides are on the move.

Our Under-15 team returned from Zillmere a little disappointed playing only four games due to the wet weather and also not entirely agreeing with the split format.

The Under-15 team will contest the TKU Carnival at Townsville and finish up the year with the Bill Firth Cup at Mackay.

The Under-13 and 14 teams played well in the NQ Games held in Mackay over Easter with the Under-14s running second and the Under-13s taking first place.

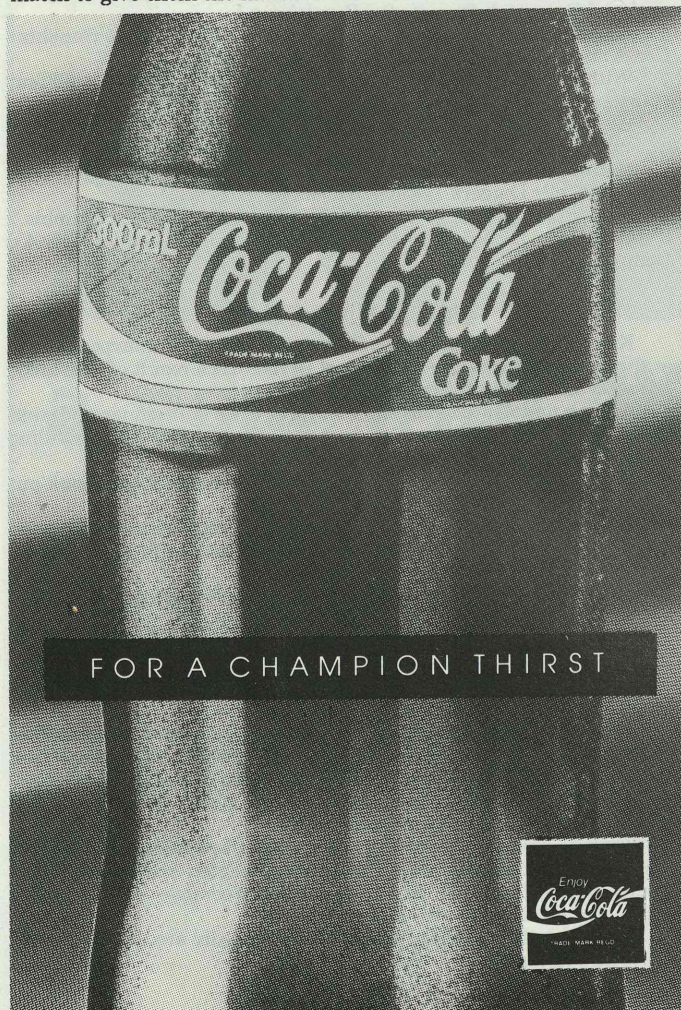

The Under-13s are now in Ayr contesting the annual Bessell Carnival and at the same time the Under-11s are trying to emulate the performance of the 1989 team competing in the Filippo Mele Carnival in Townsville.

The Under-12s will start their heavy program on May 12/13 with the Quaglioto Cup in Ingham.

They will then go to Proserpine in June for the State Championships followed a week later with the Nubrick Trophy in Mackay.

The Under-13 State Championships will be held at Buderim in June and the Under-13 Carnival of Flowers Tournament held in September at Toowoomba.

The Under-14 State Championships are due to be held this year in sunny Cairns and we are making preparations already for this event and hoping that all interested parties can make it up to Cairns from June 17 to 24. John Spilstead.

REFEREEING INTO THE 90's ——— with DES MILES

GOALKEEPERS - ARE WE BEING FAIR?

Having been an editor of a Society Magazine which has now gone under due to lack of copy I felt more than a little guilt when I read Neary's Piece in the March '89 issue and decided to submit a few lines on one of my favourite moans.

I do this on the strict understanding that this piece of literary genius will be restricted to the pages of Soccer 90 and will not be submitted for nomination for The Nobel Prize for Literature, or any other similar award.

The deal having been struck fellow whistlers read on, what you are about to read may result in some of you calling for my execution, whereas others will, hopefully, agree with my sentiment.

The theme of my prose is that we treat Goalkeepers unfairly during a game of football.

UNFAIRLY? Is this man demented I hear you ask, but allow me to elucidate.

When I say unfairly I mean from the point of view of giving ALL the players a fair and just deal.

Do we not allow keepers to get away with things we would not tolerate from others?

Do we really treat all players alike regardless of the position they play?

If we examine some of the things that happen in a game you may get my drift.

Consider our approach to the player's equipment prior to the start of play.

How often do we hear Referees insist that players remove, or at least make safe, items of Jewellery?

Does that same diligent official ever bother to check the keeper's gloves?

As an ex-custodian I can go back to playing with a "bladder and case" which had the uncanny knack of always being lace first whenever it hit you in the face, many of my younger colleagues will need to refer to their elders here as they have probably never seen a laced up ball.

No doubt my peers will remember how heavy and slimy the ball got on a bad day, yet keepers were rarely seen to don a pair of gloves, and when they did they were nothing more than knitted wool.

Those same young colleagues will find it difficult to remember seeing a gloveless keeper today, and what are these modern "Stiction" aids like?

I can go along with the argument that says gloves enhance a keepers handling, but should we allow them to be worn with knuckle patches reminiscent of a cricket batsman's gloves?

Surely such attributes are just as dangerous to the soft surface of an on-coming Centre Forward's face as a jewelled signet ring? Is that fair?

Moving onto the game itself. Yes the Laws of the Game offer the keeper some protection and privilege but haven't we gone too far? Going without the hint of a free-kick, or complaint for the matter. Today we might as well wrap the keepers in cotton wool because very few of us allow an opponent to make the same manner of physical contact we readily allow with other players. Is that fair?

We go even farther than protecting Goalies, we have got to the stage where we allow them far more licence than out-field players. Consider aerial contact outside the goal-area, we see what is coming and keep our eye on what the attacker is up to, doing our best to judge his intent, but I will suggest to you that we never consider that the keeper is coming for the cross with the intent of knocking the opponent out of the way.

Many keepers illegally use their elbows and knees in contact situations and are coached on how to do so, but we tend to see such acts as attempts to collect the ball with

some degree of self-protection.

If the attacker launched himself in the same way we would soon spot it. Is that fair?

What about time wasting/consumption? Goalkeepers are "extracting the Michael" in every game we officiate.

We have had the introduction of what the pundits refer to as "the four step Rule", forced onto the game because WE were not controlling keepers when putting the ball back into play.

Still keepers are keeping possession of the ball for far longer than the Law change intended.

Surely, the idea is to get the ball into the game as quickly as possible, but what we see now is the keeper dribbling the ball around his domain, and will continue to do so, until an opponent comes within a few yards of him when he then picks the ball up and only plays it to a colleague when he is entirely satisfied that every one of his team-mates is stood in precisely the right position about the pitch.

Yes, yes I understand the view that says the keeper is only doing what other players may do, and anyway the ball is in play so he cannot be time wasting, but is the ball really in play, is it playable by another player?

I think not, the fact it is incumbent upon the keeper to release the ball quickly is being ignored by us on many occasions.

Many of us will have cautioned players for time wasting at throw-ins but we don't set the same criteria on goalkeepers. Is that fair?

Whether you think you are being fair or not you must agree that we need to rethink our strategy at least, because I am saying when it comes to dealing with goalkeepers we are doing a poor job. Is that fair?

UP TO THE MINUTES (Extracts from QSF Management and Council Minutes)

I.E.A. INTER CITY SERIES:

The Chairman gave a report on his attendance at the Toowoomba v Brisbane match in Toowoomba on Anzac Day.

He commented on the enthusiasm engendered by the crowd and Toowoomba officials in hosting the match and the obvious pleasure in having a representative match played in that city.

Members of the Committee expressed similar delight in also being able to attend the Ipswich v Toowoomba match being held at Lions Stadium later that evening.

SUPER SIX SOCCER INTERNATIONAL:

SOCCER MUM'S HAPPY DAY

To all the soccer mums around,
Who take their soccer sons around,
And round and round the soccer grounds,
May we wish you in every way,
A very HAPPY Mother's Day,
And most sincerely hope and pray,
You never ever give the game away!

WOMEN'S SOCCER

REPRESENTATIVE FIXTURES BEGIN

Last Wednesday saw the start of the Junior and Youth Representative Fixtures.

Each year these two squads compete in the first round of Fixtures. The Junior side competes in Second Division and the Youth in First Division.

These games give them the valuable match practice needed to aid their preparation for State and National Titles.

Last Wednesday saw the Junior squad defeat Coalstars 1-0 and the Youth side had a draw with Grange Thistle.

Both coaches were pleased with the teams performances, especially Guenter Pfuhl, the State Youth Coach.

The bad weather has hampered training and preparation and 70 per cent of the girls in this squad hadn't even been able to train together, let alone play together.

The girls showed determination and by their performance also showed they have the talent to improve with each game.

These two squads will compete in the State Titles in Kingaroy in June and on that weekend, the final Queensland Teams in both Junior and Youth will be chosen.

ROCKHAMPTON

Rockhampton's quest for the Ampol Cup came to an abrupt halt at Norbridge Park last night when Fijian import Radike Nawalu blasted Bundaberg to a 4-2 win and into the next round of the Statewide series.

The Fijian captain ran amok, scoring twice and setting up a third goal in the first 20 minutes to signal the end for Rockhampton.

However, Rockhampton, who needed only to draw to progress to the next round after drawing 2-2 with Maryborough on Saturday, did fight back, but failure to convert some simple shots cost the team dearly.

Rockhampton coach Bevan Dingley said his side had allowed Nawalu too much latitude in the opening minutes, "and when we did start to mark him more closely the damage was already done".

"But to our credit we never gave up fought our way back into the game," Dingley said.

"we made it hard for ourselves by failing to win on Saturday, but lack of concentration for 20 minutes today has cost a spot in the next round.

"We missed some easy chances in the first half, and the score could easily have been 3-3 at half-time."

Nawalu scored after 15 minutes when he got up to a free kick and headed the ball past Rockhampton keeper David Fox.

He struck again almost immediately, after cutting his way through the defence.

Five minutes later Nawalu got through to set up an easy goal for Rod Cooper, who steered the ball into an empty net.

Rockhampton replied 15 minutes before the break when Grant Beevers was on hand to ram the ball in after intense pressure inside the six yard area.

Bundaberg went further ahead when Peter Chapman drove the ball through a group of players from the edge of the penalty area.

Graham Wilson scored Rockhampton's second goal when he flicked the ball through his own legs after Gavin Jenkins had made a dashing run down the side.

Rockhampton's cause was not made any easier when Tony Close was sent off 10 minutes into the second half.

XXXX

In the early game yesterday, Gladstone scored a shock 2-1 win over Maryborough.

On Saturday Bundaberg had to fight hard to overcome Gladstone 2-1.

Rockhampton were unlucky in the match against Maryborough on Saturday when several chances went begging.

Smith scored Rockhampton's first goal, but with two minutes to play the locals trailed 2-1.

But Gavin Jenkins ran on to a good pass to score the equaliser.

THE CHARLTON UPDATE

The unplayed Under-15 State Championship grand final will be the main curtain raiser to the Charlton Athletic versus Queensland match next weekend, it was announced this week.

The two Under-15 teams, Brisbane South and South East Queensland, were declared joint State Champions after the State Championship grand final was washed out last month.

Both teams had won their semi-finals, but the final at North Star could not proceed due to the spate of inclement weather inflicted upon the State.

Although both teams will be hungry for a win in this special Challenge match, neither will be stripped of their State Champion honours.

The match, involving some of Queensland's most promising young players, is expected to warm the crowd prior to the Charlton v Queensland main game.

The Under-15 curtain raiser will start at 12.30pm and will be followed by the main game at 3pm.

Four Under-8 games will also precede the Under-15 curtain raiser with the action kicking off at 11.30am.

A spokesman for the Queensland Soccer Federation, who have planned the day, said a huge crowd was expected for the Charlton Athletic versus Queensland match on Sunday May 20.

He said Perry Park's gates would be open to the public from 10am on match day.

"We would love Perry Park to be packed to the rafters for this match," he said.

The spokesman said preparations

for the entertainment and amenities were well advanced for the BIG MATCH.

He said the soccer public of Queensland could be assured of being treated to a great day out and a fabulous display by English club Charlton Athletic.

"This game is the start of soccer making a resurgence as a football code in Queensland," the spokesman said.

"It's the first step in taking soccer, the only true international football code, into the 90s.

"For too long Soccer in this State has lived in the shadow of rugby league, Australian rules and rugby union. This will be no longer."

The 15-strong Charlton Athletic squad are expected to arrive in Australia this week where they will play an exhibition match in the ACT.

They will then travel to Queensland for their tour opener at Perry Park on Sunday May 20 before continuing on to play Bundaberg (22/5/90), Central Queensland (Rockhampton 24/5/90) and North Queensland (Townsville 26/5/90).

QSF President Wallace Dann said the Charlton Athletic tour was a Queensland venture designed to promote the game of soccer in the major centres throughout the State.

Tickets for the Charlton Athletic versus Queensland game on May 20 are currently on sale at clubs throughout Brisbane or by contacting the QSF on 252 5327.

QUEENSLAND SIDE TO PLAY CHARLTON ATHLETIC NAMED!

Queensland Coaching Director Bruce Stowell named the Queensland team to play Charlton Athletic at Thursday's media launch.

Stowell announced the 15-member team that will play the touring English side at Perry Park this Sunday on May 20.

Surprising Mt Gravatt's Alan Niven, the State's stalwart captain, was missing from the squad which includes two Gold Coast players.

Stowell is yet to announce who will captain the side.

The team is: Rob Farrow, Frank Mengotti, Andrew Stowell, Nick Meredith, David Hunter, Chris Slater (Brisbane Lions), Shane Haddow, Jim McDonagh (North Star), Frank Pimblett (Brisbane City), Stuart Woodruffe (Mt Gravatt), Stein Grodum (Eastern Suburbs), Paul Halford (Southport) and Lee Hosier (Merrimac), Noel Carrol, Clayton Koch (Pine Rivers)

DECISIONS, decisions! Lots of talk at one XXXX League Club as they agonize over whether to bolster their flagging fortunes and stave off possible relegation with NSL players looking for a winter in the Sunshine State, or to spend funds improving fields and lighting.

Nice to see LIONS CLUB giving Brisbane South's Under-14 representative squad a run in the curtain-raiser to the IEA inter-city match between Ipswich and Toowoomba.

Battle of the giants. Joint winners of this year's Under-15 State Championship, Brisbane South and South East Queensland, will be the main curtain-raiser to the Queensland v Charlton Athletic match on May 20th.

The lights are on again at Logan City's grounds as the three Kingsridge senior teams pull up stakes at Gould Adams Park and will continue to play under the name of Kingsridge United this season. However they hope to take the field in 1991 as Logan City Kings if permission granted by QSF.

Eight goals scored, an enthusiastic crowd, good refereeing and great weather combined to make last Wednesday night's IEA inter-city match between Brisbane and the Gold Coast a winner. Gold Coast Gambler's Coach Jim Selby, has plenty of time between now and July, when the round will be completed, to get his team up to the same standard as last year, something they only displayed in flashes last week.

There was a good contingent of Brisbane folk on the Coast for the inter-city match, including Brisbane City's Angelo Pennisi and Juan Cutillas, and referee Peter Murray.

It's the Brisbane Connection! Mark Walton, goalkeeper for English First Division side Norwich, whose recent match against Aston Villa was seen on local TV, is the son of Ron Walton former Latrobe player and coach who also played for Queensland.

Here's an itchy problem! Fleas are said to be infesting the home change rooms of one outer-suburbs club. How-

MATCH REPORTS

PINE HILLS MATCH REPORT

Fourth Division:

Pine Hills 3 d Deception Bay 0.

The score of this match compliments Hills, though the major difference between the teams was finishing and fitness.

Deception Bay were fully committed to their task and any team that takes them lightly will be in trouble.

A goal in each half by Hill's forward Peter Tong didn't dent the persistence of Deception Bay who refused to lay down.

Hill's defender Troy Weakly was put under pressure several times but handled it in his no-nonsense way.

The third goal came from John Henderson 10 minutes from full time sealing the

Hills victory and gaining them a welcome three points.

Fourth Division Reserves:

Pine Hills 2 dr Deception Bay 2.

Another strong team effort from Hills deserved a better result, but full marks must also be given to Deception Bay for their resilience and composure under pressure.

With a 1-1 score at the break Hills attacked for most of the second half and created many chances while failing to find the target.

Deception Bay hit the lead through a penalty and Hills found themselves trying to save the game rather than win it.

Hills however were able to score the equaliser 10 minutes from the end to give them a frustrating draw.

F.A. CUP FINAL

It's here again - F.A. Cup Final time.

This Saturday night 12th May by direct telecast from Wembley Stadium, London.

Channel 2 will have John Bell and former Socceroo skipper John Kosmina doing the commentary which starts at 11.40pm.

A sell-out crowd of 80,000 will be at Wembley, while an estimated T.V. viewing audience of 100 million in 80 countries will take in the action.

ever, the club president denied it was a deliberate attempt to bring the players up to scratch.

World Cup News. Nearly 1.3 billion television viewers in 170 countries are expected to watch the World Cup soccer final from Rome on July 8, with TV audiences of nearly half a billion for each of the 51 lead-up games. See the SBS program guide for times.

The Stu Greer Saga Part 2! Seems there's a thousand bucks difference between what Rochedale want as a transfer fee, and what a couple of clubs have offered! One thing is certain - the game needs players like Stuart on the park, NOT sitting in the grandstand.

Your Soccer 90 magazine is now being distributed as far afield as

Roma and Rockhampton with other regional centres keen to become part of the action. An enquiry has also been received from a Sunshine Coast newsagent.

Don't you just love all those goals being scored in the XXXX Soccer League lately?

We were going to mention Rob Farrow's keep-em-out-at-all-costs efforts for Lions, but we don't want to jinx him, so we won't say a word!

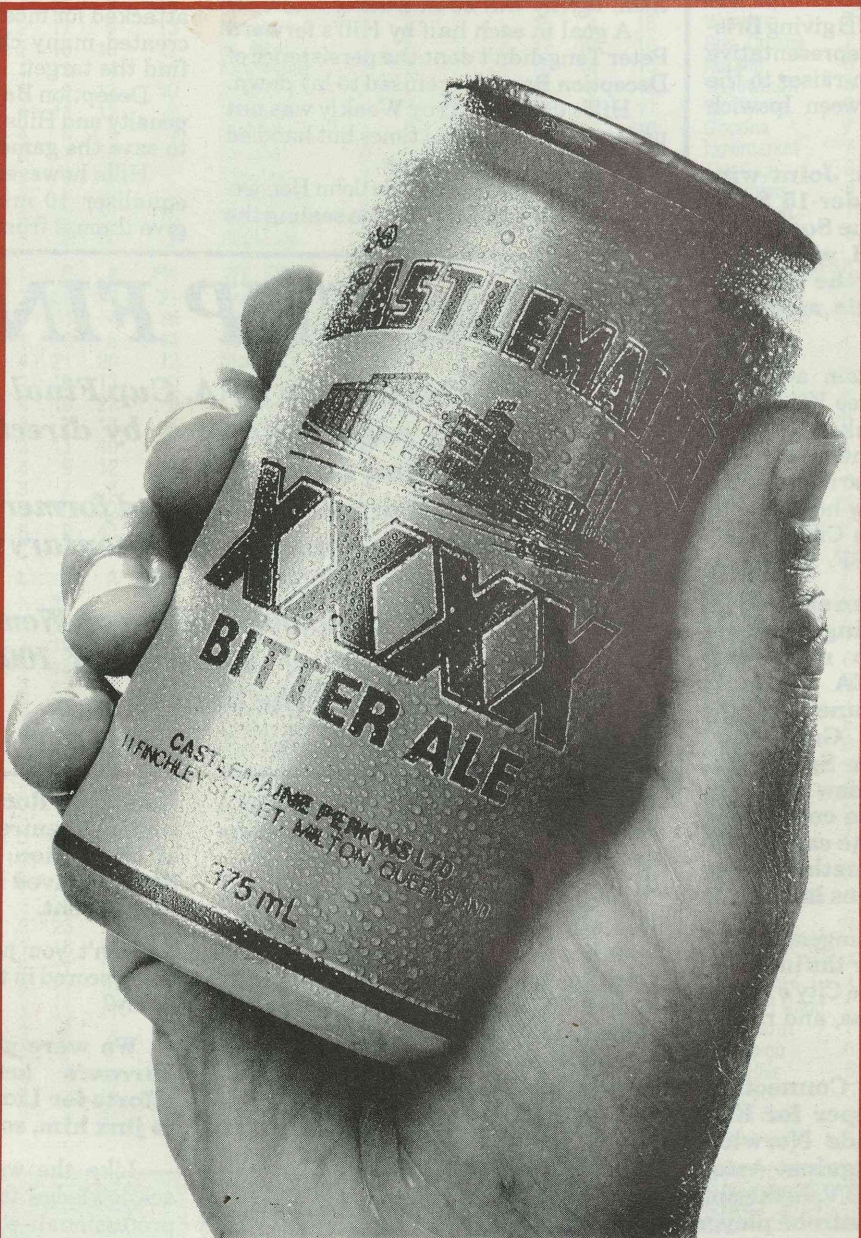

Like the way GRANGE THISTLE acknowledge their sponsors in such a professional way during their home matches.

Good to see Kylie, Grange Thistle Miss Queensland Soccer quest entrant, getting into the fund raising at her club.
