COVER: New Queensland Soccer Captain, Frank Pimblett, with State Coach, Bruce Stowell, signing autographs for delighted youngsters.

SOCCKER 90 is produced by the staff of the Qld. Soccer Federation.

Articles and letters to the Editor are to be forwarded to SOCCKER 90 c/- Q.S.F. Perry Park, Abbotsford Road, Mayne 4006.

EDITORIAL:

The last exclusive Rugby Union stronghold, the GPS school system, has succumbed to the international game played with skill.

Last Friday afternoon at Perry Park Brisbane Grammar School clashed with their old foes St Josephs College Gregory Terrace in a game of soccer.

What a delight it was to watch these two GPS schools, playing the game so many of us love.

But you have to dig below the surface to realise the true significance of such a match between these two elite private schools.

Apart from offering arguably the best education for young Queenslanders, RUGBY UNION, RUGBY UNION and RUGBY UNION is what schools such as Brisbane Grammar, Gregory Terrace and Nudgee, Ipswich Grammar, Churchie, Brisbane Boys College, Toowoomba Grammar, The Southport School and Brisbane State High are known for.

These private schools which make up the GPS (greater public schools) system have a reputation for producing rugby union players.

It's not surprising then that the bulk of rugby union players who have represented Queensland and worn the Green and Gold with pride have come from this system of schooling.

So what a triumph it is for soccer to rear its head in these most sacred of rugby union places.

Not content with that, soccer is now beginning to firmly entrench itself in this last bastion of schools' rugby.

Now all that needs to happen is that soccer follows the same path rugby union has in these hallowed educational halls of Queensland's private schools.

And wouldn't it be fantastic if ultimately there was as many soccer internationals on these schools' honour boards as there are rugby union greats.

The young schoolboy players who took to Perry Park displayed excellent skills.

And what's even more important is they were well supported by family and friends.

The XXXX Soccer League competition certainly turned a full circle last weekend.

All clubs who appeared to be finding their own level within the 12 team competition all of a sudden had a complete form reversal.

This will once again create enthusiasm in the hearts of teams' dedicated supporters and it's all good for the competition.

Speaking about something good for soccer, the F.A. Cup final on Saturday night was a great exhibition match for the code.

All of Australia is still talking about that match even if some of the vast audience who watched the game through the medium of television did not know anything about soccer.

Even they would have to be impressed about the basic skills of the players and the temperament of the competitors.

A lot of sports people could learn from that sporting fixture on how to conduct themselves as a sporting professional.

CLUB PROFILE CLUB PROFILE CLUB PROFILE

INALA CITY

At the end of the 1971 season a group of disgruntled parents decided their boys deserved to gain more out of soccer, and thus the Inala City Soccer Club was formed.

The 1972 season was played on Darra's field and a bond of friendship was formed with that club.

The following year the club was offered the top oval in Freeman Road and this was greatly accepted.

Inala City decided to play in the colours of English club Crystal Palace and as these strips were not available in Australia, had to send to England for them.

They duly arrived in time for the 1973 season.

Memories

Inala City has many fond memories as the club continued to come along in leaps and bounds in its formative years.

They include the club's first canteen, an old caravan which had to be towed to and from the ground each weekend. How it got there without mishap remains a mystery to this day.

There was also the story about the club's lighting.

The club had to have lights for training, so one of the parents offered to make a pole at his Moorooka workshop.

But the problem was how to get a 15m pole from Moorooka to Inala?

On the back of a five tonne ute with an escort of a parent's car in the dead of the night to avoid the boys in blue.

Those days were hard work but lots of fun and thus many life-long friendships were formed.

To keep things going in the off-season, the club entered cricket with some success.

Inala City was also one of the first sporting clubs to enter a float in the Warana Parade, again hard work but great fun for the boys and parents alike.

Our junior teams grew in numbers over the years with varying degrees of success.

Some of the boys began to make

Prime Minister Bob Hawke opened Inala City's latest extensions to their club house in 1987.

representative sides including Brisbane South.

One of those boys, Damien Butler, went on to represent Australia in the Under-16 squad.

As our boys grew older it became time to go into senior soccer and our first taste of success came in 1979 when young Matt Jackson took us to runners-up in the League, Grand Final winners and Qantas Cup Winners.

The team of that time will no doubt bring back memories for some people still with the club and also for some who have gone their different ways.

They include P Bailey (goalkeeper), J Blair, I Seeley, C Manning, D Mawson, T Murtagh, M Jackson, R McCormack, R Furminger, J Hansbury, D Haggart and J Bridge.

After this heady time Inala City slackened off for a few years, but the club continued to grow and in 1983 new coach, Bob May, started a resurgence.

Some of the club's results are listed in this article.

1983, Third Division Grand finalists, 1984 Third Division Runners-Up, Grand Finalists and promotion, 1986 Runners-Up, Grand Finalists and Runners-Up in the Qantas Cup.

Following these results May decided he needed a change and left the club, but he has now returned and hopefully the club will go forward again.

While all this was going on, our clubhouse was slowly taking shape - from a canteen and changing rooms into a place to have functions and enjoy the company of friends.

Highlights

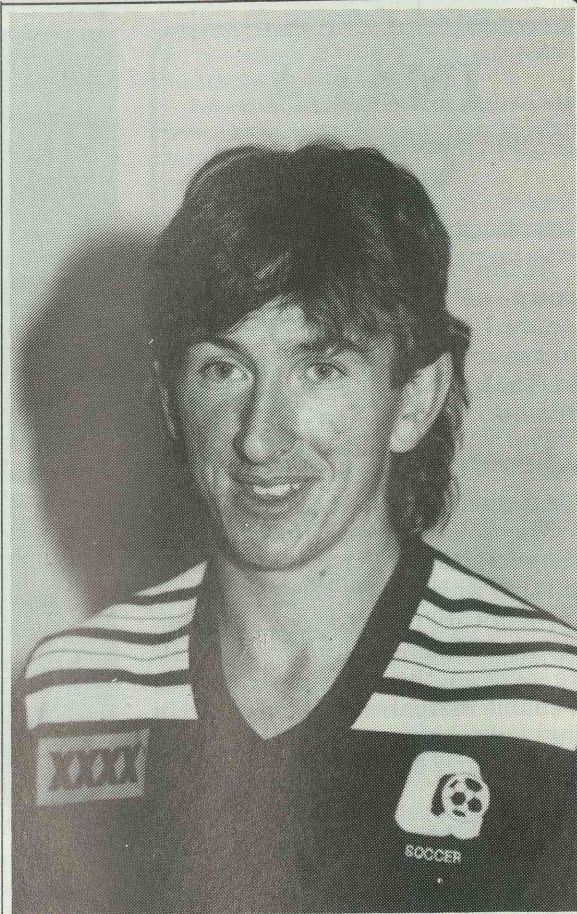

During the 1986/87 season some of the highlights included the visit of the Prime Minister Bob Hawke to open our latest extensions, a visit from Brian Robson, English Captain, and our Miss Queensland Soccer entrant Nadia Tofetti, winning the coveted title.

Looking to the future, the club's hard working committee have plans for further extensions to the club and the junior ranks are starting to grow again as a new generation emerges.

Finally Inala City would not be what it is today without the efforts of parents and players (past and present) and the club's patriotic band of supporters.

FAVOURITE PASTIMES: _____ watching videos.
AMBITIONS: _____ To be leading goal scorer for which ever club I'm playing for.

REFEREEING INTO THE 90's _____ with DES MILES

QUESTION: Why when acting as linesman are we asked to watch the goalkeeper to check that he doesn't handle the ball outside the area when taking drop kicks?

ANSWER: Because the inspector will slaughter us if we don't!

The above is a question which I have asked a few referees, and I have been given the same answer each time.

Whilst I would agree that in an ideal world we would want to stop all violations of the Laws, I feel that by so pedantically checking the keeper there is a danger of missing our primary objective - that of judging offside.

During each match this season, I have stood level with the edge of the penalty area, not moving until the keeper has released that ball from his hands.

Unfortunately, on two occasions, the goalkeeper has fluffed his kick directly to an opponent.

Out of the blocks I go in a vain attempt to make the second last defender before the ball is headed back towards goal. Had I been Ben Johnson with drugs in my system, I might have made it, but in effect I had little hope.

Once I was lucky, as the forward had only strolled back from the previous attack and was obviously offside.

However, on the second occasion, the intercepted ball was played straight to a forward, who may or may not have been offside - I hadn't a clue!

Remembering the old adage of better a

dodgy offside than a dodgy goal, I put my flag up.

I know some of you will be thinking that I should have left the decision to the referee, but he had enough to do without having to judge offsides, when he was in no position to do so.

By now an inspector reading this article will be heading for the gin bottle.

However, I'd like to ask you a question.

Does a goalkeeper handling the ball outside the area necessarily infringe Law 12, i.e. does he handle the ball intentionally?

When you think about it, he will only be adding a couple of feet to a kick which may be going 50 metres.

If we want to make things complicated for ourselves, we could always impose random checks, with the referee then positioning himself for any possible offsides and the other linesman checking on the 9/5 situation - I don't think so!

Some referees will say that by being there, the linesman acts as a deterrent to stop the goalkeeper taking the mickey.

After all, how many times have you seen this offence indicated by linesmen?

I say that we as linesmen are no deterrent these days, especially when we often have to remind the goalkeeper to place the ball within the goal area before taking a goal kick.

If we must watch the keeper's handling of the ball, why can't we come out running with him to enable us to have a better chance of making that elusive second last

defender?

ALWAYS be polite to players and team officials, even when they are rude.

If there are any cautions of sendings off, note them and write them or when you get home in case of a personal hearing.

Always run behind the line, not on it and never on the pitch. Concentrate on your job and don't allow anything to distract you - remember you are not a ballboy!

Be in position whether with the 2nd last defender, the halfway line or as per the referees instructions at a set piece and chase all back passes, no matter how futile the chase might appear.

If substitutes wish to warm up, keep them behind you so that they do not distract your colleague on the other touchline.

During the game, are you calm and confident in your ability to control the players?

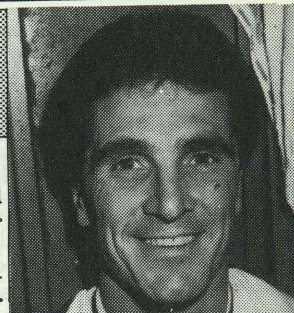

At top level football, it is the referee's personality which separates them from those who do not quite make it.

You need to impress the positive aspects of your personality on every game plus such facets as tact, humour, firmness, politeness, courage and speed of decision and these need to be used at the correct time and in the correct circumstances.

FRANKLY SPEAKING

with Frank Liddell

With all fixture rounds re-scheduled this weekend, the only game on is Queensland versus Charlton Athletic.

This should be a great encounter and we should see a huge crowd at Perry Park for the match.

Although Charlton have been relegated from the English First Division, the Queensland team will have to be at their very best to get a result.

The game will also give some of the Queensland players who have aspirations of making the grade overseas an indication of what is required.

This promises to be a totally entertaining match. It is also a step in the right direction for soccer in this State.

The squad which State coach Bruce Stowell has selected will produce a very well balanced side.

He has a good selection of youth and experience to cover most positions.

However, it will be interesting to see if Lee Hosier is the surprise selection.

I have not seen Lee playing this year, but have heard some good reports just the same.

Last week's Ampol Cup games had a few close results with only one upset.

That came from Acacia Ridge who downed the competitive Gold Coast Gamblers.

The Gamblers, coached by Jim Selby, have always done very well in the Ampol Cup and it's been a few years since they exited in the First Round.

The Gold Coast side, who are sponsored by Jupiters Casino, may not have won the match, but they certainly took

all the honours for presentation.

They turned up as a team and looked very impressive in their uniforms and tracksuits.

They definately looked a professional outfit and it was good for the game and the spectators who turned out to see the match.

The British soccer season nearly came to an end last Saturday with the finals of the Scottish and English clups being played.

In Scotland Aberdeen won through a penalty shoot-out against Celtic after both teams finished scoreless in two hours of play.

The F.A. Cup was a different kettle of fish.

Six goals were scored in a dramatic final and two hours of absorbing and exciting football.

I am sure all of those watching the game, whether or not they were fan of soccer, would have thoroughly enjoyed this enthralling encounter.

But unlike the Scottish final this one went to a replay which is probably the best way to settle such a game after so much effort from the players.

WOMEN'S SOCCER

The Labour Day holiday provided the perfect opportunity for the semi-finals of the pre-season Atlanta Cup to take place at Geebung.

Third Division Rochedale took on Fourth Division Pine Rivers in the first of the lower division semi finals. Unfortunately, Rochedale were only able to field nine players and after a good start were finally worn down by Pine Rivers who won 7-0.

Pine Rivers were in a lower division last year and have steadily improved and now boast two women's teams.

The other lower division semi final was between Coalstars and Olympic.

At first it looked as if Coalstars would walk away with the game after leading 2-0 at half time.

However Olympic were not about to give in and fought back to equal the score at full time.

Extra time followed and the game was won on penalties with Coalstars the victors 3 penalties to 2.

In the first of the higher division semi finals, Annerley were unlucky to be without their goalkeeper and unfortunately were not able to keep Eastern Suburbs at bay for long.

East finally won the game 10-0 against a depleted team of 8 players.

The last of the semis for the day was between up and coming Second Division

Redcliffe and First Division Redlands. Redlands, heavy with injuries, were only able to field nine players, and managed to score in the last five minutes to win the game 1-0.

Redcliffe, however, are the team to watch in Second Division. They played extremely well and it won't be long before we see them in the First Division ranks.

Last Sunday, during National Heart Foundation Week, the Women's Soccer Association were invited to demonstrate their skills in the Queen Street Mall.

A dozen of Brisbane's top players spent an hour playing mini-games, demonstrating ball skills and generally entertaining a small crowd.

Maybe next year, the mens' and boys' associations, along with the women should all get together and have a demonstration which shows soccer can include the whole family.

JUNIORS IN THE LIMELIGHT

Q.S.S.S. FEDERATION

I have previously mentioned the Commonwealth Bank Bill Turner Cup which is an Under-15 Soccer competition sponsored by the Commonwealth Bank.

Perhaps a little background will help people understand what an enormous competition this has become.

The competition came into being as the Bill Turner Cup in Northern NSW in 1979 when a small organisation of Secondary School teachers chaired by Bill Turner put together the first draw consisting 34 Schools.

It has since grown to well over 400 entries in 1990 with the inclusion of NSW (1981), ACT (1982), QLD (1987) and Victoria (1988).

In 1980 the Commonwealth Bank became the Cup's sponsor and the name was changed to its present one.

Prior to 1988 Fay Budd, a Newcastle business woman donated the trophy and the competition was variously sponsored by Radio station 2SM, Margin's Cordials-Gosford, The Newcastle Permanent Building Society and the OAK Dairy Company - Hexham.

Generous support with both finance and facilities has been given since the beginning by the Northern NSW Soccer Federation.

Prizes Offered - Winner: \$350 prize money, Gold Medallions, Long-sleeve sloppy joes and a certificate of merit for the school.

Finalist: \$200 prize money, Silver Medallions, short-sleeve sloppy joes and certificate of merit for school.

Losing Semi Finalist: \$150 prize money, Individual certificates of Semi-finalists and individual certificates of merit.

Area Winners: Individual Banners & Certificates of Merit.

Area Finalists: Individual Certificates of merit & Certificate for school.

Star Player: \$200 Commonwealth Bank Club Australia Account.

Results for round one are very slow coming in, but to date we have the following:

Nambour 5 d Maleny 0, Dakabin 3 d St James 0, Sunnybank 4 d Mt Gravatt 3 (penalties after extra time), Redeemer 3 d Springwood 0, Iona 1 d Wynnum 0, Shailer Park 3 d Camp Hill 0, Redbank Plains 5 d Anglican Grammar 1 and Wavell 8 d Sandgate 1.

In the Dakabin - St James game the

3-0 scoreline doesn't do the St James boys justice.

They worked very hard to keep Dakabin scoreless for 70 minutes and only conceded when they were getting a little weary and the light was fading.

I would particularly like to praise the efforts of the sweeper David McNally and the keeper Brendan Clegg who repelled countless attacks on goal throughout the game. Brendan pulled off two very good one-handed saves in the second half to keep the game scoreless and his team-mates kept on working until the final whistle to equalise. Dakabin's goals were scored by Paul McEwan, Nick Brewster and Tony Forster.

Both teams played very well and the spectators, including the Redcliffe Branch Manager of the Commonwealth Bank were well entertained.

Clinton Lanham was Dakabin's Man of the match, and both of the St James boys mentioned get my vote.

Sunnybank and Mt Gravatt played a 2-2 draw, were 3-3 in extra time and had to decide on penalties.

Sunnybank won 4-3 on penalties, but there was obviously little between the two teams in terms of overall ability.

Iona's goal was scored in the first half by Jason Haslett who got onto the end of a long cross from Andrew Harvison from the right wing and hammered it in from 10 metres.

This goal came in the last minute of the first half, but in the fifth minute Iona had a let-off when goal-keeper Andrew Ruhland saved a penalty.

I am informed that it was a relatively even game throughout with both teams creating lots of scoring opportunities.

For Iona, Andrew Ruhland played a very steady game in goal and Matthew Drobowiecki and Andrew Harvison played well on the wings.

For Wynnum, Dennis Taylor in goal, Zac Wilson at sweeper and Dennis Eilman up front were the outstanding players.

Player of the match points were awarded to A. Ruhland 3, M. Drobowiecki 2, and A. Harvison 1.

These points go towards the player award if this team wins the final.

Nambour, boasting a large number of the Sunshine Coast Under-14 and Under-15 Representative players were able to make short work of Maleny in a game played at Buderim.

Nambour will now meet De La Salle College, Scarborough, Dakabin meet Redeemer College, Iona meet Shailer Park, Wavell meet Pine Rivers and Redbank meet Bundamba in Round Two.

BRISBANE SOUTH

The Cadbury Schweppes Competition came to a close at the beginning of May with an exciting final between Souths United and The Gap.

Souths were the eventual winners of the game with the final score, Souths United 1, The Gap 0, after extra time had to be played to determine the outcome.

Congratulations go to both teams on their fine performance and thanks to all other teams who competed and made the competition possible.

Special thanks to The Gap who ventured from Brisbane North for their games.

Congratulations must also go to Clairvaux Soccer Club and their hard working members for their efforts in conducting the competition.

Along with good news always there seems to have to be the little bad news too.

This unfortunately comes with the reporting of our first offence to the shin pad rule.

There always has to be someone who must go against the rules that are only there for their own protection.

Please parents ensure your children do the right thing and always wear their shin pads at all times they play the sport.

Our Under-12, Under-13 and Under-14 representative teams are almost to final selection stage now and they will be announced shortly.

To those players who don't make the final team we hope the training you have had at representative level will help you in your club games.

With a bit of dedication, maybe next year you will be selected.

BRISBANE NORTH

The Brisbane North Under-14 representative team has been announced.

The team will be coached by Bob Tollenaere and managed by Graham Kinsela.

The team is as follows: Daniel Duke, Laughlan Sherrington, Scott Guyett (Brisbane City), David Debonis, Roger Nave, Kiely Calleja, Troy Kratzmann (North Star), Dominic Kirby, Samuel Lindberg (Pine Hills), Neil Kinsela, David Holden (Pine Rivers), Mark Draper, Tony Forster, Thomas Pascoe, Shane Russell (Grange Thistle), Chris Wilcomes (Caboolture).

PLAYING THE GAME RIGHT

with

BRUCE STOWELL

This week we begin a three part series on "CREATING SCORING CHANCES".

Shooting practice is always popular, not only with strikers, but also with defenders.

Almost every defender would swap roles for that of a goal scorer.

It is also popular with goalkeepers because it gives them practice.

From the coach's point of view it is probably the easiest skill for which to think up practices.

Scoring is the all important factor in shooting, so make sure that a player's number one priority is to hit the target, to bring the goalkeeper into action.

Power and technique are secondary. In a recent televised FA CUP tie, three blistering shots from central positions finished in the crowd.

Minutes later a missed shot trickled into the corner of the net with defenders vainly scrambling after it.

The moral is clear!

"Shooting Drill"

On the face of it this is a very simple activity, but it will produce many coaching points.

PREPARATION

You will need several balls, as many as possible.

Assemble the players around the centre circle of the pitch or mark out-

side the circle, goal, and penalty area with discs and cones.

Position yourself just outside the penalty area with the goal keeper ready in goal.

PROCEDURE

One player at a time from the group around the circle passes the ball forward to the coach's feet and runs forward to take a return pass.

As soon as the player enters the penalty area they can shoot at goal.

Allow each player two or three attempts without making any comments.

NOTES

1) The first pass from the player to the coach is usually sloppy and inaccurate to the extent that the player arrives before the ball.

Insist that players strike the initial pass firmly to the coach's feet.

2) A player will rarely indicate to which side the coach should play the ball from the direction of the run.

Get players to move immediately in the direction in which they want the ball to be laid off.

3) Players often run wide of the goal making difficult shooting angles for themselves and finish up dragging their shot wide of the far post.

Make sure players move directly towards the centre of the goal as soon as they receive the pass.

This way they give themselves the largest possible target.

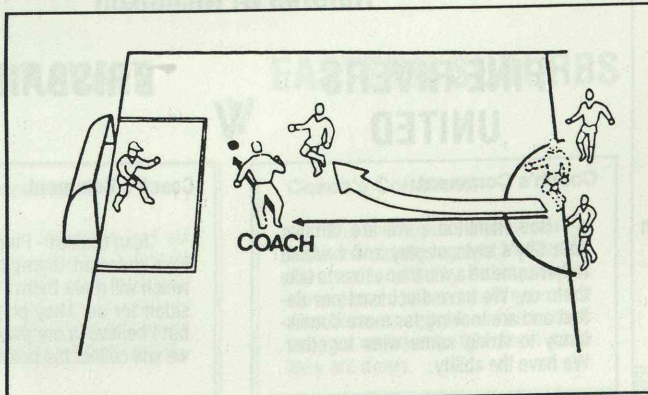

Point out also that the ball should be rolling towards the goal at the moment of striking not across it.

4) The natural reaction of the players

is to lift their heads as they are shooting to see where the ball is going.

As a result the ball is hooked or sliced wide of the goal. Players must look up as they move into position, down as they strike the ball.

5) Penalise bad shots. Players who miss the goal have to fetch the ball.

THROUGHOUT THE STATE

FAR NORTH QUEENSLAND

The FNQ squad from the Ampol Cup Northern Elimination series limped back into Cairns last week after a disastrous series against other regional representative teams.

FNQ lost every game, scored just once and suffered a major psychological blow in the process.

But it's not all bad news in the Far North this week.

FNQ can claim to be North Queensland Champions in Under-19 and Over-35 Divisions.

Most people who saw the games FNQ was involved in, believe that although certainly not threatening to win the regional championship, they were largely unlucky in most things they did.

In their first match against Mt Isa, FNQ striker Mark Waddingham missed a penalty in the first three minutes of the match and FNQ conceded a converted penalty within thirty seconds.

Being down 1-0 when they should have been celebrating simply set the tone for the next couple of games.

After losing 3-0 to Mt Isa, Townsville (NQ) defeated them 3-1 and Mackay scored a single goal against them when NQ had already made sure of winning the Elimination Series.

A far brighter note was heard from youth coach, Aldo Avolio who crowned the week by jetting off to Italy for the World Cup.

His youth team came away conceding just one goal in their tournament in the 1-0 loss to a talented young Townsville team and picked up the ANZ Bank Shield with fine victories over Mt Isa (4-0) and Mackay (2-0).

Finally the Over-35 team from Stratford, a club that dominated FNQ soccer for 20 years up till 1985, won every games in the Veterans Carnival in Townsville.

Eight teams from North Queensland centres attended the tournament which was nicely balanced by being competitive on the field and social off.

Stratford were able to call on many of the names that took them to eight premierships between 1975 and 1985 and anyone who knew those Stratford teams will recall the names of Mick Mehonoshen, Allan Hughes, Glen Campbell, Dave Cooper and Robbie Carrett.

Another player, Werner Klein would likely have been on the teamsheet but he was tragically killed in an auto accident in December.

Before the final there was a minute's silence in his and a Dysart player's memory.

Red McLellan.

It was a sad week end for all the organisers in sport in our area and all our sympathy goes out to the families and friends of those killed in the plane crash at Mareeba on Friday night.

Our Cairns Mayor Keith Goodwin and Councillor Rose Blank along with other Councillors from our Northern Regions will be a tragic loss to our community.

Keith Goodwin has assisted many sporting activities and has attended our last two March Past days held in Cairns and it was fitting that before any games were played last Saturday, all the kids held a minute's silence on his and all the other's behalf.

But let's take stock of our organisation and community leaders and dedicate this issue in appreciation of them.

Councillors Tom Pyne, Jeff Pezzuti and our hard working Andrea Nash have put countless hours into the area of sport and whether it be by way of grants, materials or assistance, the sporting clubs have all benefitted by their help in the past.

John Bomben who is well known in soccer in the North and is also Junior Vice President of the Qld Junior Soccer Council, heads our Junior Zone Association and his efforts over the past decade have been incentive for all those that work for the progress of soccer.

His hard working Secretary, Eva Strike who is also associated with many other worthy organisations is always in the background.

Treasurer Beryl Broadbent, Senior Vice President Alan Hurney, Junior Vice President John Randolph, Registrar John Randolph, Registrar John Spilstead, Equipment Officer Marie Meares, and Travel Co-Ordinator all cannot go without mention.

In the District scene, Margaret Cochrane leads the way with her leadership of the Cairns & District whereas Louis Serefini controls the Tablelands area and Alan Hurney stands firm in the Johnstone River area.

There are many, many more names that should be mentioned and in most cases are happy not to be mentioned.

John Spilstead.

ROCKHAMPTON

Bluebirds and Frenchville shared the points after last weekend's Power's Bitter Premier Soccer League match of the day at Norbridge Park finished in a scoreless draw.

It was a typical no-holds-barred, tough, tense battle that these two teams have become well known for.

Guy Rigby was prominent in the first 30 minutes for Frenchville, making several probing runs through the middle of the field. However the Frenchville twin strikers, Lindsay Dean and Jason Wyer, were not able to get on top of the strong Bluebirds backline.

The most interesting tussle was that between representative colleagues Mark Doe and Wyer.

The 0-all score was a fair indication of the game.

Nerimbera took the lead midway through the first half of the game against Berserker and then shut up shop.

However, they could not keep the league leaders out and, late in the game, conceded a penalty for a final 1-1 scoreline.

Chris Norton and Adrian Smith missed chances for Nerimbera and Matthew Close put one over the bar for Berserker before Adrian Smith broke the deadlock two minutes before half-time.

The movement was well worked down their left-hand flank with Grant Beevers and Norton involved before the ball was crossed to Smith who made no mistake.

Berserker were completely on top of Nerimbera in the latter part of the second half and after a couple of chances went narrowly wide they got the chance for the equaliser they deserved from the penalty spot. Brad Smith had little trouble beating Ramsay with the kick.

The Rockhampton Soccer Federation has brought next Sunday's Premier League fixtures forward to Saturday night.

The games will still be played at Norbridge Park, with Nerimbera and Southside meeting at 6pm and Bluebirds/Berserker at 8pm.

SOUTH BURNETT

The South Burnett Boars created history in their final Ampol Cup Match at Kingaroy last weekend when they comprehensively defeated Toowoomba 4-2.

Their previous best was a 1-1 draw at Dalby in 1987.

However the win came too late for the Boars after they lost 4-3 to the Darling Downs at Roma and 4-0 to Stanthorpe in their opening Ampol Cup games.

The win did show that the hopes for success so apparent before the series began, were not pie in the sky.

Coach Willy Burns at last had access to the players not available for the early matches and their inclusion made the difference.

The Boars maintained a very determined defence with more speed which produced the springboard for a very disciplined and committed team.

Keeper Mick North brought off some goal saving magic and Toowoomba would not be pleased to have bombed open goal chances.

The turning point in the match occurred in the second minute when the Boars shocked their opponents with a goal from Chris Baartz.

Toowoomba missed chances to equalise three minutes later and at the 15 minute mark.

The Boars scored again in the 21st minute when Kevin Wier curled a kick into the net from a Baartz corner.

Toowoomba's Geoff Abel scored just before half time, but the goal was quickly answered by Weir two minutes later.

The Boars went on with the job in the second half when Brendan Andrea found the back of the net after a decisive piece of lead-up work.

Toowoomba scored late in the game again through Abel to add respectability to the scoreline.

The Toowoomba women's team were too well drilled for the Caltex Stars in their first outing at Kingaroy last weekend.

The Toowoomba midfield took a stranglehold and never looked like losing as their accurate passes made for a 4-0 final scoreline.

The absence of experienced central defender Cathy Geary, midfielder Michelle Woods and Chrissy Geary were a problem for coach David Trace who was forced to shuffle his team around.

Karen Cavanaugh and Sue Brown tried hard, but the Stars' organisation were just no match on the day.

Nanango Firsts snatched a last gasp goal against Murgon at Kingaroy last Sunday to avoid extra time and secure fourth place on the knock out ladder.

Murgon opened the scoring early in the game through a corner by Boars forward Ross Cutmore and lead 1-0 at half time.

Continued Page 12

THROUGHOUT THE STATE

From previous page

Nanango slowly took charge throughout the second half as they wore down the weary Murgon defence.

Substitute Sasha Ivanovic equalised with deft left foot goal late in the second half and Roy Trace grabbed the winning goal just minutes from the end.

TOOWOOMBA

The Ampol Cup rounds produced some predictable results following the May long weekend.

As expected Toowoomba accounted for Stanthorpe, in what turned out to be a placid affair.

Playing at Stanthorpe, Toowoomba ran in 3 goals to 0.

Then on Monday, Toowoomba made it a double, defeating Darling Downs, in a match that never reached any great heights, by 4-2.

Despite controlling the ball for most of the game, Toowoomba failed finish off their initial moves thus limiting their goal scoring opportunities.

To face Brisbane XXXX teams in the first round of the Ampol Cup, Toowoomba will have to improve dramatically to remain competitive.

Darling Downs opened the scoring in the first half when Ray Boland headed past the keeper.

The Sky Blues quickly replied when captain Steve Russell landed one in the back of the net.

Darling Downs hit back through Peter Heineman, but Toowoomba replied immediately when Brad Ditton scored the equaliser.

The Sky Blues came out a more committed side in the second half adding two further goals by Jeff Abel and a second from Ditton.

In the first Ampol Cup game of the afternoon Stanthorpe bounced back from Saturday's defeat to record a 4-0 victory against South Burnett.

Stanthorpe, in a much improved effort, was impressive as they ran out comfortable winners.

South Burnett played the price for squandering to many opportunities.

Toowoomba are warm favourites to continue on their winning way to advance to the State Wide knock-out competition.

There were no local XXXX league fixtures played on the weekend

due to the Ampol Cup rounds.

In the local scene Wanderers and Willowburn have emerged as the front runners after four rounds of fixtures.

Wanderers have yet to concede the Challenge Trophy and are unlikely to do so having recorded convincing wins in their first few games.

GOLD COAST & ALBERT

Coomera Soccer Club hosted the Inter-City Zone Junior Representative Games held on Monday, 7th May, 1990.

The Under-13 and Under-14 teams from Wide Bay arrived on Sunday afternoon and were billeted with families who had players in the South East Queensland teams.

Each team from Wide Bay, Brisbane North, Brisbane South and South East Queensland played two matches each.

The following were the results:

Under-14: Wide Bay 2 d South East Queensland 0, Brisbane South 1 d Brisbane North 0, Wide Bay 0 dr Brisbane South 0, Brisbane North 1 dr South East Queensland 1.

Under-13: Wide Bay 2 d South East Queensland 0, Brisbane North 2 d Brisbane South 0, Brisbane North 5 d Wide Bay 0, Brisbane South 1 d South East Queensland 0.

During the lunch break the Under-12 South East Queensland team played the Under-12 Brisbane North White team which was a delight to watch.

Both coaches would have been extremely proud of the competition and standard of play shown by these younger teams.

The final result was a fitting one with the score at full time being 1-1.

The Inter-City Zone competition has proven very successful and it is giving coaches the opportunity to experiment with players before heading off to the Harry Lining Carnival or State Championships in June.

Full compliments go to Coomera Soccer Club who showed what hospitality means.

All coaches, managers and players together with supporters thoroughly enjoyed the day.

SUNSHINE COAST

Caloundra went top of the First Division soccer ladder last week for the first time in several years, after "Super Sub" Ron Dent's double-strike set up a 4-1 win over Kawana.

Caloundra led 1-0 through a Peter English goal, but Kawana equalised from the penalty spot near to the break.

However, coach Vic Renkovetsky's introduction of Dent proved the turning-point, with Caloundra hitting three goals in the second half to overturn the previous First Division leaders.

Caloundra was equal second with Beegees and Buderim before Sunday's fixtures, but took over clear first position after Beegees threw away a 2-0 lead to draw 2-2 against a 10 man Buderim side at Ballinger Park.

Buderim had midfielder Shane Martin sent off midway through the second half with his side trailing 2-1, after a second yellow card offence for a foul.

Buderim striker Jason Dunn produced the goal of the match on 80 minutes with a sensational side scissors-kick from 12 metres which flew into the net.

Beegees striker Scott Fullerton opened the scoring on 25 minutes and Chris Hall struck a 25 metre shot at the start of the second half to give the Greens a commanding lead.

Sean Decourcy reduced the lead 15 minutes later after a tremendous dribble before driving past the bewildered Adrian Frizzo.

At Noosa, recently-appointed coach Neil McCarthy was a happy man after watching his side demolish Nambour 5-0.

Dave Landell (six minutes), Paul Cameron-Smith (30 minutes), Bobby Chalmers (32 minutes), and Carl Harrison (40 minutes) handed Noosa a commanding 4-0 interval lead, before captain Wolfgang Schneider hit the fifth from the penalty spot near the end.

This was Noosa's third consecutive win and has now gone over three games without conceding a goal - an ominous sign from a club that won the premiership with McCarthy in charge two years ago.

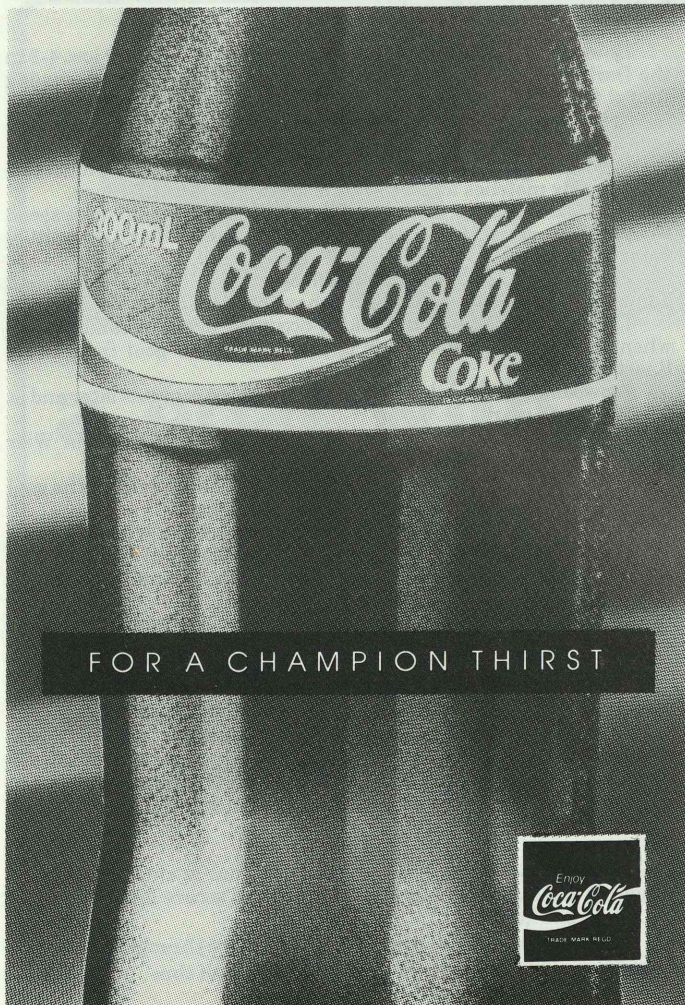

In the other game, Maroochydhore captain Greg Hambrecht hit an amazing four goals in the first half against Woombye, Maroochydhore relaxed in the second half to allow Woombye's Jason Merchie to score a consolation goal.

SUNSHINE Coast was bundled out of the Ampol Cup soccer competition by Brisbane Olympic at Glasshouse last week.

The Coast led early through a goal by Toby Dobinson off a Garry Blewer corner.

However Olympic struck back in the 24th minute to take the score to 1-1 at half-time.

Coast defended stoutly in the second half before Olympic scored in the 69th minute and again five minutes from time.

"COCA-COLA" AND "COKE" ARE REGISTERED TRADE MARKS WHICH IDENTIFY THE SAME PRODUCT OF THE COCA-COLA COMPANY. THE DYNAMIC RIBBON DEVICE IS ALSO A REGISTERED TRADE MARK OF THE COCA-COLA COMPANY.

GHOSTS WALK THE FIELDS AT IPSWICH

by Guest Columnist TOM CHUTNEE

DO Ghosts walk the soccer fields of Ipswich?

"Yes," according to Alf "Midget" Davis, as he celebrated his one-hundredth birthday at the Sir Stanley Matthews Soccer Supporters Sunset Home.

Taking a long swig on his drinking beaker, loving filled with medicinal brandy, Alf's eyes grew misty as he slowly recalled the past.

"I was a young 'un of 10 at the time. My dear old dad was Secretary of the Welsh Soccer Football and Choral Society, and between organising soccer practice, rehearsing the choir and being mine foreman, he was kept pretty busy.

"Dad managed the soccer team - a great bunch of lads; he would let me carry the water bucket. It was an old tin one, and had taken many a kick of frustration when the team lost by the odd goal or three.

"We were playing a team up from Brisbane. As you can imagine there was great rivalry. Compared to that game the State of Origin matches are like tea parties.

"Although our team was known as the Leek Wanderers, for this match we proudly called ourselves IPSWICH!

"Dad was full of hope, especially as the match was to be played on a field atop a new underground coal mine of which he was foreman.

"Even though it had ben raining cats and dogs all the previous day, the pitch looked great.

"On the day of the match they came from near and far. It was a tremendous crowd. A couple of bookies had even set up shop and did some brisk business on the result.

"Although it was a game of great football, neither team had scored with only a couple of minutes to go.

"The water bucket was a crumpled heap having felt the toe of Dad's boot after Ipswich had missed with several shots.

"Suddenly one of the Brisbane lads pounced on a bad Ipswich pass and took off towards our goalie.

"Dad could not control himself. He rushed onto the field yelling "God, don't let him score, don't let him score!"

"Then it happened.

"With a dull roar that I can still hear, the earth opened up and the entire field from one sideline to the other slid into the mine workings below.

"It was only that I was answering a nature call against a gumtree, that I too would have gone the way of all those gallant lads on the field.

"Nothing could be done to rescue anyone.

"The local Council levelled it off as a sort of memorial.

"After the grass grew back we started using it again as a soccer field."

"Right from the start strange things began to happen. Shots that beat our goalie would suddenly curve up over the bar. The opposition's ball would go missing after the match. If they brought the referee, the pea would get stuck in his whistle whenever he was going to give a free kick against us. "And if you went passed that field at night you could make out shadowy forms at the far end, and over the rush of wind in the trees hear my dear old dad howling "Don't let him score, don't let him score!"

"Even now I bet they are waiting for a game to start."

"The field", he hoarsely replied, his eyes taking on a far-away look, "the field is, is -" and he slumped forward, the field's name dying with him.

If Historians of Ipswich Soccer can enlighten SOCCER 90 as to the location of the "Field of Ghosts" we will publish the information.

UP TO THE MINUTES

(Extracts from QSF Management and Council Minutes)

CASTLEMAINE PERKINS BREWERY

The Chairman gave a further report on discussions that had transpired between himself and senior Executives from Castlemaine Perkins Brewery with respect to the Country Affiliates and the various Brewery sponsorships that were apparent in certain areas of the country.

SOCCER 90

A report was given concerning a suggested increase in allocation of magazines to clubs that had a large number of junior teams within their structure.

After discussion concerning the costing and subsequent charging to the clubs for the extra copies, it was resolved to recommend this to the Council Meeting immediately following the Management Committee Meeting.

IPSWICH CITY BOUNDARY

The delegate for Goodna & District referred to a story that appeared in the recent Queensland Times newspaper referring to Goodna as being an Ipswich club, therefore he commented on the reasons as to why Goodna had not been included in the Ipswich teams for selection in the recent I.E.A. Inter-City Series.

The Chairman advised he would refer the matter to the Ipswich coach for his discretion when re-selecting the Ipswich team, when the other I.E.A. Inter-City matches were scheduled in July.

LINE MARKINGS:

The delegate for the A.S.R.F. brought up the matter of line markings where some clubs had been using oil or creosote or other more permanent substances for their line markings.

He advised that such materials conformed with the Laws of the Game and were quite adequate, however he re-iterated that clubs needed to keep close watch on such markings as they tended to deteriorate rather rapidly, with some clubs not refurbishing at the appropriate time.

LIGHTING

The delegate for Mitchelton advised that the new lighting had now finally been erected and approved by the Q.S.F. Grounds Committee and night matches would now take place at their grounds as previously scheduled.

MATCH RESULTS

The Secretary re-iterated the need for all clubs, specifically Division 3 and 4 who provided the bulk of results for the Soccer Pools, to confirm results with the office immediately after the conclusion of their matches.

The Secretary then further re-iterated the requirements for recording results at the office of the Federation at the conclusion of night matches both mid-week and fixtures on the week-end.

This had been detailed in full in a recent memo issued to clubs and he impressed on delegates the need for them to ensure the results are recorded at the office of the Queensland Soccer Federation and not to Committee members' homes.

INTO THE NET

Here's a story with a difference! During a match at North Star recently an Under-7 player was asked by his coach to "PICK UP" any opposition player. The young fellow followed his coach's instructions literally and had him right off the ground.

When will Wayne Corbett finally decide on a club? An exciting player, Wayne could be a great buy for a struggling XXXX League or Second Division club.

We know football is a hard game, but spare a kind thought for the boys on the bay - Redlands. Relegated from the XXXX League last year, this season is looking very grim with a possible slide into Third Division. Hard working coach Trevor Broadbent and his players deserve better luck.

Smiles at cheeky opportunist who slapped a Brisbane North Juniors' sticker on tailgate of QSF Official's vehicle - especially from those who remember his former position before joining the QSF.

Good to see the Gold Coast Federation President Tony Cecco and his D.O.C. Jim Selby at the Queensland-Charlton Athletic media launch. Both are pleased that two Gold Coast players, Paul Halford (Southport) and Lee Hosier (Merrimac) were selected in the Queensland team.

To all intending Miss Queensland Soccer Quest entrants! Howsabout a photo please for publication in SOCCER 90? Get your club to send in the entry form with a photo, and away we go.

Hear Ye! Hear Ye! Tickets for the Charlton Athletic versus Queensland match can be pre-purchased at Perry Park now - Adults \$10, Pensioners \$5, plus free children's passes. And don't forget gates open at 10am on May 20. SEE YOU THERE!!

A point of clarification! Kingsridge Seniors ONLY are moving to Logan City's old grounds. Kingsridge Juniors will stay and play under the name of Kingsridge where they are now - Gould Adams Park.

QUEENSLAND V ??? ????? ?????, Perry Park June 10. Don't miss it!

MATCH REPORTS

PINE HILLS MATCH REPORT

Fourth Division - Pine Hills 1 d Leichhardt 0.

A Stuart Purcell penalty in the dying minutes of the match rescued the points for Pine Hills.

This was a very competitive match, but play from both sides seemed to break down at the final pass.

The only other clear goal scoring chance of the game fell to John Henderson, when he was judged to have hand balled.

Both teams seemed content to persistently play long balls forward, but these were largely ineffective due to each team's defence.

Hills best players were Anthony Beeley and Rod Parker.

Reserves - Pine Hills 3 d Leichhardt 1.

Leichhardt took the lead early in the first half through some lazy Hills' defence work against the run of play.

Brad Robinson was on the spot again this week to score the equaliser right on half time.

In the second term, Hills took control and moved the ball around with relative ease.

It wasn't too long before they took the lead through a Steve McLean goal.

Soon after a searching cross from Chris Curtis was met by newcomer David Iriondo who beat the Leichhardt keeper for the third time.

GOODNA MATCH REPORT

Second Division - Goodna 1 d St Albans 0.

This game, a replay of last year's grand final, was a story of two halves.

Goodna dominated the first half in which

Brent Read shot twice over the bar.

The domination culminated with a Goodna goal five minutes before half time, created by Steve Madden and finished by Rod Heuser.

The second half was a much more even affair and Goodna's best chance fell to Steve Madden whose shot rebounded off the post with St Alban's goalkeeper stranded.

Goodna is now back into contention for a top five spot.

Reserves - Goodna 3 d St Albans 0.

Goodna clearly dominated St Albans, a point which is referred to in the scoreline of this game.

It took Goodna until the 15th minute to get their first goal when a free kick was put away by Perry Odomou.

Goodna's second goal was added 10 minutes later when new signing Andy Currier chipped a shot into the St Albans goal after a Ray Barkmeyer cross from a corner.

The second half followed a similar pattern and in the 20th minute Brian Dowse finished off a Goodna move.

Along with the 3-0 victory, this game also featured the return from England of Andy Padgham.

Thirds - St Albans 3 d Goodna 1.

After a promising start to the season which included a place in the top five, Goodna's youthful side has faltered over the past few weeks.

Goodna's only goal was scored by Nannod early in the first half, but they could not go on against the top of the table St Albans.

Greg McPherson was Goodna's best, but he lacked the support of his team mates.

against North Star.

Inala City showed enterprise by having TV personality Eric Summons do the field announcing during their match against Nerang at Perry Park last week.

Rarely at home character gave his ever loving mother a beautifully wrapped package for Mother's Day containing a copy of SOCCER 90 and two tickets to the Charlton Match. Later in the day she reciprocated with an equally beautiful parcel of one tea towel, a bottle of washing up detergent and a pair of mower blades. We think he got the message.

Pine Hills intending to put some sting into their club promotional material with a little character who will have their supporters buzzing.

United we stand, divided we fall is a little saying some players in one XXXX League team might like to say to themselves the next time they sound off at a team mate during a match. We thought it was the coach and captain who called the shots. Encourage but don't abuse.

Doesn't he make it look so easy - **FRANK PIMBLETT** (Brisbane City) that is? Frank is another player juniors should focus on to learn what this wonderful game is all about. A truly professional approach.

SERIOUSLY, who knows what opportunities may arise from a good showing by Queensland players against Charlton Athletic. A couple of our players are said to be keen to try their chances in the UK. Sunday's match could provide a starting point for their ambitions.

Q: How many soccer coaches does it take to change a light bulb?

A: None, they like to keep the opposition in the dark!

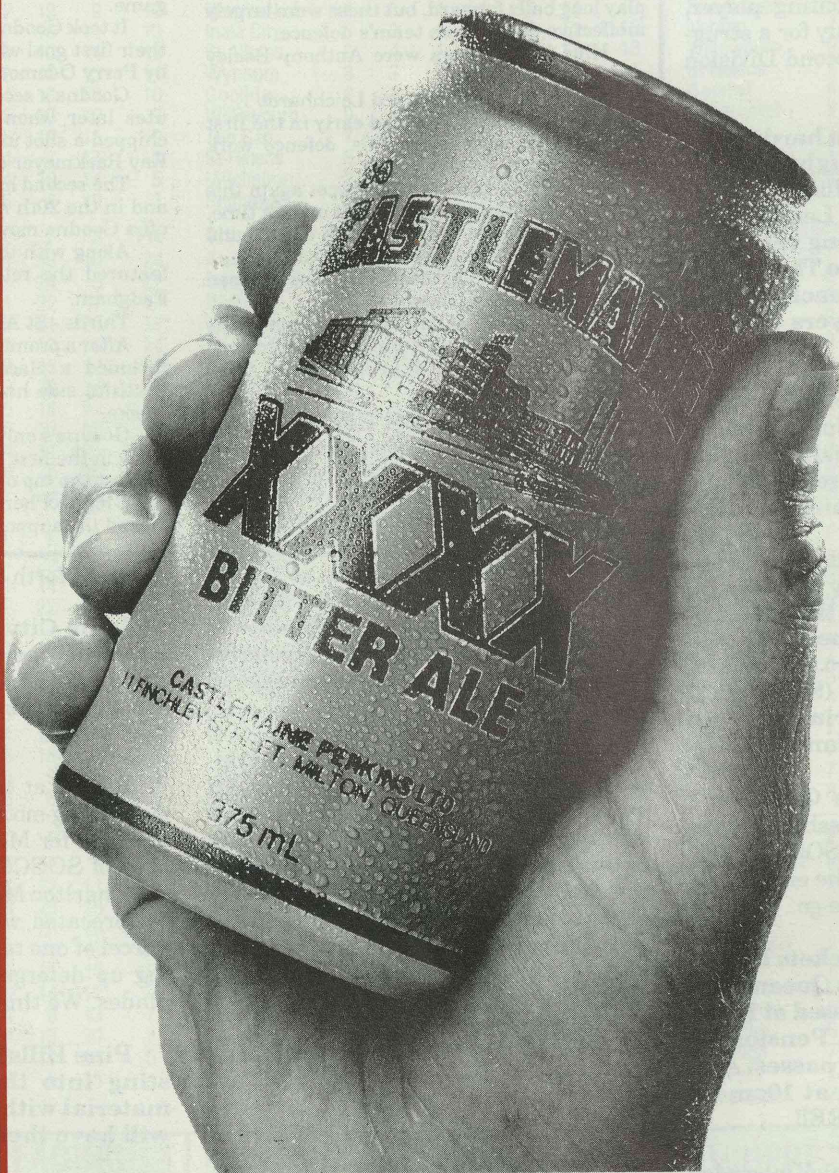

IDIOTS is the only printable word to describe those responsible for doing wheelies on the Brothers field at Kangaroo Point. Let's hope they don't hit those antique wooden goal posts, which must have come over on the boat with Noah's Allstars.

Russell Stewart back on the park in Lions XXXX reserve team last weekend
