EDITORIAL:

The World Cup is having an effect not only on the 24 teams taking part, but also on dedicated soccer watchers.

Sleepless nights appear to be the order of the day (I mean night).

Then straight after work (or is that sleepwalking?) it's home to watch replay after replay on SBS.

It's certainly great viewing and even the non-soccer follower can rattle off the winners and losers in the all important lead-up rounds.

The sheer brilliance of the matches played by highly competitive teams, is enough to convert any person to the great game.

The World Cup and the huge amount of hype surrounding it certainly has rammed home the need for international teams to visit our country to play the Socceros.

It's up to the Australian Soccer Federation to ensure this happens, and happens as quickly as possible.

After all the Australian Soccer Federation must remember what its charter is - to organise, develop and foster soccer in our country.

XXXX Soccer League fixture results have created even more problems for the tipsters following last weekend's matches.

Coalstars' unexpected 4-0 win over Brisbane City has many teams at the top of the table feeling the pinch.

It just goes to show no team is safe. It will certainly be down to the wire on who will make the final five.

The only team looking comfortable is Brisbane Lions, who are presiding undefeated on top of the table.

The rest of the teams will have to keep winning to be assured of a vital finals' spot.

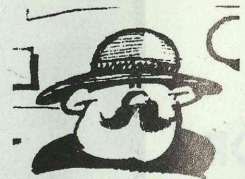

And it is the spectators who will be the ones that benefit from the chase for goals as the finals approach.

Brisbane City, North Star, Pine Rivers, Rochedale Rovers, Taringa Rovers, Acacia Ridge, Easts and Coalstars have no alternative but to produce attacking football to cement their top five hopes.

And there is a battle royal developing at the other end of the scale as well.

With the new relegation system in place - two teams down and two up for 1991 - all teams languishing on the bottom of the ladder are desperate for wins at all costs.

So let the entertainment roll on!

REDLANDS UNITED SOCCER CLUB

The Redlands United Soccer Club was originally formed under the name of the "Cleveland Rovers" in 1918 in the Redlands District.

The "Rovers" name eventuated due to the long distances travelled by the early English and German settlers.

Players travelled from Redland Bay in the south to Capalaba in the north and Wellington Point in the east.

The original ground was located directly opposite the old Grand View Hotel which these days is the prestigious Raby Bay development.

It is not known when Redlands moved to Cleveland Point, where it remained for many years, before relocating to the Showground Complex in 1970.

The Redlands United clubhouse was officially opened on January 28, 1973.

The earliest history of the club dates back to 1922 when the club was runner up in the B Division.

They went on to win the second grade

premiership in 1923 as well as the Herald and Nissen Cup competitions.

That team comprised of T O'Sea, E Trotter, J Voelker, D Spears, J Routledge, A Bengston, R Webster, J Ross, R Routledge, A Marshall, J Back, W Pervis, C Walker, C Sayers, L Routledge, W Blackburn.

Redlands remained in the lower divisions of the Queensland Soccer Federation but was eventually promoted to the First Division in 1976.

The club experienced their most successful year a year later in 1977 when they finished fourth in the premiership and went on to win the grand final against Southside Eagles.

Many names synonymous with Queensland Soccer at the time represented this team including Ron Millman, Barry Kelso, Trevor and Gary Catchpole, Eric Pattison, Graeme Meagher and Alan Morris.

Over the years there has also been a

number of people responsible for maintaining a relatively successful club including George Roberts, Ray Despot, Bill Helmhold, Ken Rohrig, John Downie Snr, Arthur and Alan Morris, Dick Karreman and the late Barbara Golding.

These people form the heart of the Redlands United Soccer Club and several of their sons and daughters are still playing for the "Red Devils".

Redlands were relegated to the Second Division in 1980 and some of their achievements in this Division include Second Division Reserves premiers and grand finalists (1982 and 1983) and Second Division grand finalists (1983).

United was inducted into the revised XXXX Soccer League in 1987, but struggled and were relegated back to Second Division this year.

The club's only near success in recent times was in 1987 when they were runners up to Brisbane Lions in the XXXX Pre-Season Cup.

Redlands United has three senior men's teams comprising of Second Division, Second Division Reserves and Second Division Thirds.

The club also has one senior ladies team in the South Queensland Women's Soccer Association.

It has been the ladies which have been out leading light in recent times having won the premiership in 1988 and runners up and grand finalists in 1989.

Several members of this team including Sharon Wass, Sue Clayton, Raeanne Dower, Tanya Corbett, Kim Ketter, Danielle Burns and Vicki Turnbull have also represented their State and country.

Throughout the years many juniors from the club have also attained representative honours and continued on into the senior ranks.

Although United are experiencing difficult times at the moment, the junior contingent of the club will provide a formidable base for which to build on.

In fact the club is currently going through a rebuilding process with a great deal of activity taking place at the club.

All this augers well for the Redlands United Soccer Club to once again be a force in the not too distant future.

REFEREEING INTO THE 90's _____ with DES MILES

SO YOU WANT TO BE A REFEREE

PART 3?

You are quickly discovering the big match temperament is totally different to what you have been accustomed to and the game is definitely faster.

The players, and maybe some fans see you for the first time in the centre and surmise that you must be either a junior referee going for your senior ticket or else the Federation is going to the dogs, and therefore they try all the tricks in the book to unbalance you.

The players especially try feinting a trip in the penalty area to make it look genuine, but you continue on without making a single mistake because you realise that none is allowed.

Your decisions are quick, positional play excellent and you have the players in the palm of your hand.

Never mind the spectators, the day they stop booing is the day to start worrying.

You glance at your watch - a minute to go, you feel you have done a good game.

At last the final minute ends, you tout your whistle for the ending of the game and thank your linesmen for their assistance.

Walking towards the dressing room

you do not know whether you have succeeded.

The suspense now is really worse than prior to the game. Well, anyhow, you can always go back to being a soccer player!

The atmosphere in the dressing room is very quiet and, as you slowly prepare for the shower, three solemn and officious looking gentlemen enter, without smiling, as if they were about to follow a funeral.

Good gracious! They stare at you - damn them, you wish....and then they smile. Hurray! You've made it.

Congratulations are in order because you have gained your first class referee's ticket.

Now the Examination board, the Federation, and various Inspectors will see that you maintain that standard in order to stay at the top.

It's their recommendations which will depend on whether you will be placed in finals, cup matches or even internationals. From here on in it's up to you and you begin to realise that it isn't as easy as it looks.

Time marches on, you are getting on and have officiated for a number of years and you have reached the top.

Everyone knows the type of person you are and one day the fans, players, coaches, committee men - all vie for the

privilege of cracking your stony exterior.

A deputation of supporters solemnly present you with a gaily wrapped gift.

"In appreciation of your fine work" splutters their leader. You, beaming with inner joy, mumble your heartfelt thanks and proudly rush off to the dressing room to open the package.

It contains one large cork, with the loving inscription, "FOR THE HOLE IN YOUR HEAD."

And you still want to be a referee????

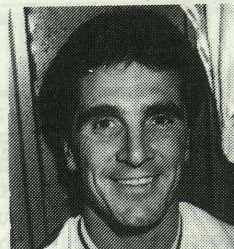

THE QUEENSLAND SOCCER COACHES ASSOCIATION HAS CALLED A MEETING FOR ALL COACHES AND REFEREES

The Queensland Soccer Coaches Association has called a meeting with members of the ASRF for Monday July 2, at 7.00pm to discuss any problems that arise between coaches and referees. All coaches and referees are invited to attend and express their view. The Coaches Association is hoping that coaches from all levels of soccer will attend.

FRANKLY SPEAKING

with Frank Liddell

This weekend all XXXX First Division League teams will be forced to play on Saturday and Sunday.

From a coach's and player's point of view it is going to be the most demanding weekend of the season and a situation we should not be faced with!

The scheduling of two fixture rounds on one weekend is an absolute disgrace!

Coaches will have to look very closely at their squads for this week and no doubt they will be having nightmares about injuries to their players.

And injuries have certainly be promoted with no recovery time between the two games.

Because of this some teams may look at resting reserves to cover expected player losses.

Not only will this effect and mean a lower standard of play, but the entertainment aspect for spectators is likely to disappear.

them - and to date they have kept that promise.

But unfortunately for soccer fans most of the games are programmed late at night due to the time difference between Australia and Italy.

No doubt there are plenty of video recorders working overtime to catch all the action, some of which has been spectacular.

But if you don't have a video and you don't want to sit up half the night, you can watch the games in the afternoon.

SBS is repeating the games at this time or if you just want a wrap on the latest, catch the highlights program at 7.30pm each week night.

SBS' coverage is definitely the best of any sporting event I have ever watched.

One cannot help but marvel at the excellent coverage by the SBS television network of the World Cup in Italy.

It is a change to watch games without having advertisements ruining the free-flowing action.

SBS said they would screen all the finals' matches - 52 of

WOMEN'S SOCCER

S.Q.W.S.A. STATE TITLES

The most successful State Titles for South Queensland Women Soccer was held in Kingaroy over the June long-weekend.

A total of 14 teams, 10 senior and four junior, took part.

The hospitality of the people of South Burnett was wonderful. Nothing was too much trouble and they made everybody feel right at home.

The organisation was wonderful and Mick North, Tom Alford, Sue Hart and their committee are to be congratulated.

The weather smiled on us after the terrible downpours of recent times and we were all able to realise what pure country air missing in Brisbane.

In the Senior section, the four teams who made the semi-finals were Brisbane Bayside, West Moreton, Mackay and Peninsula - the team who stepped in at the last moment to help avoid a Bye situation.

The final game was between Mackay and Brisbane Bayside and it was a great match which went to extra time after a 1-1 draw at full time.

Brisbane Bayside were the victors finishing 2-1.

The Junior final was fought between Brisbane Juniors and Gold Coast Juniors.

What a heap of talent was shown from these two teams. The future of women's soccer in Queensland is assured with all the talent which was displayed by all the four junior teams. Brisbane Juniors eventually ran out 1-0 winners.

Maree Grant

The player of the Titles was Maree Grant from the Brisbane Bayside team.

Maree plays for Eastern Suburbs Club in Brisbane having originally been a Scottish International.

JUNIORS IN THE LIMELIGHT

BRISBANE SOUTH

With the school holidays upon us we find that our first round of fixtures has been completed with the exception of round two and round nine by some clubs.

No games shall be played on the holidays and the next fixture (11) shall kick off on July 7.

Unplayed round two fixtures may be played on July 15 with unplayed Round nine fixtures to be completed on June 29.

Wet weather again giving fixture controller, Gary Bidgood a series of headaches, but all fingers are crossed for a better second round.

Hats off to clubs, KINGSRIDGE, BRISBANE LIONS and MOOROONDU.

Folks, these three clubs were our sole representatives in the junior march past on June 10 at the Queensland verses New South Wales State of Origin game.

Our thanks goes to the clubs, parents and players who participated on the day.

Hopefully next time we may be able to get a good turn out to represent Brisbane South.

MOOROONDU SOCCER CLUB will be feeling extra proud after winning the prize for the best banner or flag on the day. Well done all.

* * * *

Tudor Rovers will be running an Under-9 carnival on July 8. Interested teams can phone Arthur Murray on 209 6731 or Brian Amos 209 6136.

Loganholme soccer club are conducting an Under-9 carnival on July 22.

To give the lower division teams a go, only Division 5, 6 and 7 are invited.

Invitations have been sent to all clubs in those divisions. Please contact Cheryl Farrell 209 6093 (after the 7/7/90) or Struan Robertson 209 7040 for more information.

North side teams are also welcome.

By the time this magazine is issued our representative teams shall be nearing the end of games at the various titles, and be ready to start semi-finals.

We wish them all every success in their quest for the winners' medals.

FAR NORTH QUEENSLAND

We are now into school holidays and there are a number of Carnivals being held throughout the State and we should think about all the organisation that goes into the preparation of these events.

The Carnival Manager is the key to a successful or a great Carnival and the weeks of planning and preparation all goes on show during the week of activities.

The little things like where the gear comes from that the kids are wearing or who provides the bannerets and First Aid Kits is of minor consequence to most people but to the equipment officer this is a major planning item that usually starts a year in advance, sizes, ordering and hoping that what is handed out and in particular arrives from the suppliers is exactly what Mummy wanted, is their particular problem.

Have we got enough referees, why can't people get time off from work when you need them, the men in black & white are not always the most popular but are a necessity.

Are the Clubs going to pull their weight and provide enough people for canteen duties etc.

The supply of food stuffs and drinks will depend upon not only weather conditions but also visiting teams requirements.

Now what was that lady's name who said she could take extra billets and how many more mothers can I ring.

We have done all the paper work but I am sure I have forgotten something.

Thank goodness we still have sponsors and unnamed people we can rely on.

The Coaches have put in a lot of hours and the team is hopefully going to put in a good showing.

I know the team manager has been running around doing a lot of organising.

The groundsman has done a top job but he is not watching those couple of kids playing around with the nets at the moment.

Anyway I know that we will have a good carnival.

Talking of Carnivals, Cairns Gold Under-10 took out the Casey Carnival at Silkwood last weekend, 3 goals to 1 over Cairns Blue, and Under-11 Cairns also won the Holman Carnival over 2nd placed Townsville team.

The Under-14 Stratford side beat Dimbulah 4-0 to bring home the Toffenello Cup held at Dimbulah.

Letters to The Editor

SOCCKER 90 received this article from Mrs Judy Yates of Coalstars. Judy works hard in the Coalstars Canteen.

This is a true little story that happened recently at Coalstars match. The referee involved has given his OK for it to be published.

"Are you blind Ref.?"

"Ref, where are your glasses?"

"Can't ya see Ref?"

To spectators, all referees have sight difficulties. At half-time, during a recent XXXX 3rd Division match at Coalstars, the referee came in hot and thirsty and asked canteen staff for cold water. When told it was in the fridge he reached in and grabbed the tomato sauce. We looked but said nothing, the sauce was quickly put back.

Coalstars won the match 3-1. Was it a bribe? nothing was said until now!

QANTAS CUP

A near record 74 entries have been received for this year's Qantas Cup which kicks off this week.

The extremely popular mid-week competition strictly for lower division clubs is again shaping up as a big event on soccer's calendar.

This year six teams from the Gold Coast and six from the Sunshine Coast will compete in the knockout competition with the remainder of the entries being made up of Brisbane teams.

The Qantas Cup has been a favourite of coaches in the past and this year should be no different.

Because the competition is played mid-week it enable coaches to use it as a versatile and valuable training experience for players.

It also allows lower division clubs to compete against higher division competition, which can only be in the betterment of the game.

The finals will be played at Perry Park later in the year.

THROUGHOUT THE STATE

FAR NORTH QUEENSLAND

In a match expected to be crucial to the FNQSF premiership, Edge Hill and Leichhardt, last year's two top teams, played out a typical goal-less draw last week.

The midweek match was brought forward from week-end fixtures so as not to leave scars on the ground where the Under-14 State Championship would be played.

This result gave Dimbulah, still defying the pundits by heading the table, the opportunity to climb clear of Edge Hill and Leichhardt who are now both locked on 14 points.

It also underlined just how open and competitive the league season in the Far North is this year.

Former Edge Hill player, Frank Farina, perhaps Australia's most expensive soccer player, watched his old club retain their long unbeaten record, looking for their first ever premiership.

Farina is just back from a very successful year with his Belgian club Brugges where he was instrumental in their championship win.

He looks set to play in the European Cup Championship again next year.

But Farina is quite open about the fact that Bologna, Bari, Genoa and Pisa have all made approaches to him.

Any transfer to the land of the lire would almost definitely make Farina the most expensive Australian born and breed player.

Red McLellan.

ROCKHAMPTON

Troy Corley's first minute goal was not enough for Nerimbera to win last week's Power's Bitter Premier League match of the day against Frenchville.

Nerimbera went down by two goals to one.

Frenchville fought back well in what was one of the season's best fixtures. Both teams used the ball well and play flowed from end to end.

A number of personal duels developed with a lot of interest on the struggle between Nerimbera's in form striker Chris Norton and Frenchville central defender Barry Cunningham. Both players are very tall and used their height well in what turned out to be a very even tussle.

Steve Cunningham equalised for Frenchville after floating in a free kick from the right hand touchline that eluded everyone before finding the back of the net.

Jason Wyer has become more known as a goal maker than a goal taker in recent weeks after success in representative matches.

However when given the chance to put Frenchville in front he took the chance well by tucking the ball under the advancing Buckle.

Having nine players absent on representative duties made no difference to Berserker in their match against Southside with an 8-1 victory.

Goals came with hat tricks to Brad Smith and Warren Jarvis with singles to Michael Cunningham and Glen Sheppard. Southside's reply was a 40 metre screamer from player coach Blair Burke.

Rockhampton's youth team maintained its five year unbeaten record with a 3-1 win over Bundaberg in Bundaberg last week.

The game was played as the curtain raiser to the Ampol Cup fixture between Bundaberg and Pine Rivers.

Rockhampton's Regional D.O.C. John Reid said after the match that Bundaberg had no answer to Rockhampton's better football.

Refusing to single out any particular player for mention Reid simply said "we dictated the whole game".

Rockhampton's goals came from Bernard Schick, Ross Smart and Paul Steyger from the penalty spot.

The Rockhampton Soccer Player of the Year Award will again be awarded free air travel courtesy of the Federation's long term sponsorship with Australian Airlines.

In previous seasons the award has been conducted on a 3/2/1 vote given after each Premier League match by the referee but this season it will change.

The Federation has decided to emulate the National League and conduct its award along the same lines.

Every Premier League player who plays a minimum of 10 fixtures throughout the season will be asked to vote for players of other clubs.

To be eligible to receive votes a player must have also have played at least 10 matches in the Premier League that season. Jason Wyer, Frenchville's 17 year old representative striker, is the 4th Coca Cola Sports Star of the Week and becomes eligible for the major award at the end of the season.

Although still young enough for the Rockhampton Youth team Wyer has had an exceptional season in the seniors culminating in a superb game against Charlton Athletic.

Wyer's performance that night impressed former Socceroo captain John Kosmina as well as A.B.C. commentator Mike Hill who both see a bright future for him at N.S.L. level.

Wyer is just another example of the talent in country centres and a reason why the controlling bodies must look past the end of their nose to develop constant top level competition for these players.

Guy Rigby is another local product who was a shadow player for the Australian Under-16 team that went to the World Cup in 1987 and he has at last been recognised with an invitation to join a major Brisbane XXXX Premier League club.

Again it was the Charlton Athletic game that made Rigby realise his talent was at the same level.

Unless Brisbane get a team back in the N.S.L. quickly and some sort of State League is resurrected these players will never get the chance to reach their potential.

SOUTH BURNETT

After a six week break and all the representative soccer hype lately, league fixtures finally resumed last weekend with some surprising results.

Nanango Firsts recorded their first point of the season, Easts seconds their first loss and Wondai women continued their undefeated run.

One can now throw a blanket over the top four teams in the tight senior competition.

Easts took top spot on the First Division ladder with 3-0 win over previous leaders Wondai in a very fast match.

Easts hit Wondai like a whirlwind right from the start with a finish typical of their decisive starts for goal from defence throughout this match.

Wayne Broderick's first-time left foot volley opened the scoring for Easts.

A clinical finish by Mark Fisher made the scoreline 2-0 at the break with Butwell grabbing the third late in the second half.

A Wondai Women's soccer team, sporting seven "Caltex Stars" fresh from their State Titles, were too good for Kingaroy running out 4-0 winners.

The scoreline could have been worse for Kingaroy had it

not been for Queensland Under-19 squad keeper Bronwen Hart.

Kingaroy gave away far too much possession for them to be a chance in this match.

Helen Nutley put Wondai's first goal away in the first 11 minutes with Crissy Geary scoring just before halftime for a 2-0 lead.

The second half was much the same as the first with Naomi Hockey putting away Wondai's third goal and Geary scoring a second five minutes from time.

Nanango Firsts obtained their first point of the season in their drawn match against a depleted Murgon last weekend.

Nanango could have won the match had it not been for a home goal from a sloppy back pass in the first half.

Murgon connections were more than happy to escape with a point from the match.

Their side was without "Boars" John Moore, Andy Smith and knockout Cup Final goal scorer David Knight.

Nanango continued to push forward in the second half and were rewarded when Sasa Ivanovic found the back of the net.

Despite a good number of "Caltex

Starlets" Murgon were no match for a committed Nanango going down 4-0 in their biggest defeat since round one.

Nanango striker Amanda Steinhardt put away the first goal with Sue Brown making it 2-0 at the break.

A goal to Wendy Trace and a second to Brown, who is starting to find form in front of the net, gave Nanango a favourable result.

SUNSHINE COAST

Buderim Wanderers downed arch rivals Beegees to win the inaugural Ansett NSW Lightning Premiership at Maroochyore recently.

Jason Dunn scored the only goal of the final in the eighth minute, but play see-sawed from end to end in an extremely closely fought match.

Buderim qualified for the final after a penalty shootout with Kawana.

Ansett NSW area manager Ian Sara made the presentation and announced the tournament would become an annual event.

In earlier games Buderim beat Caloundra 1-0; Beegees defeated Maroochyore 2-1; Kawana and Buderim drew 1-1; Beegees accounted for Woombye 2-0; Kawana beat Caloundra 1-0 and Woombye beat Maroochyore 3-1.

Nambour State Hight School has reached the semi-final of the Queensland division of the Commonwealth Bank Bill Turner Cup Under-15 soccer competition in only its second try.

The Cup was inaugurated in the Newcastle-Hunter Valley region of New South Wales in 1979 and this year has attracted 414 schools including 48 from Queensland which first joined the competition in 1987.

Nambour is the first Sunshine Coast school to reach the State semi-finals after accounting for Maleny High (5-0), De La Salle College (1-0) and Clontarf High (1-0) in recent weeks.

The Nambour backline of Shane Garvan, Matt Cleaver, Tom Parkinson and Dean Ashton has yet to concede a goal while midfield players Dave Hutchinson, Craig Paulette and Alan Murray have been causing plenty of problems for their rivals with their ball-winning skills.

The forwards - Brian Walters, Randel Hosack, Rohan Briggs and Chris Sun - also have been in fine touch.

The team has its sights set on being the first Queensland team to reach the Cup finals.

Nambour coach Peter Sinclair said his team had shown a great deal of commitment to the competition and was playing entertaining and skilful soccer.

PLAYING THE GAME RIGHT

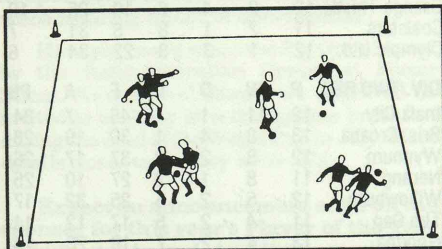

with

BRUCE STOWELL

This week we continue our series on defending with a look at the "Tackling Practice" and "Player for Player Marking Game".

TACKLING PRACTICE:

PREPARATION:

Mark out a pitch. Five of the eight players have a ball (adjust these proportions to suit the abilities of your players).

PROCEDURE:

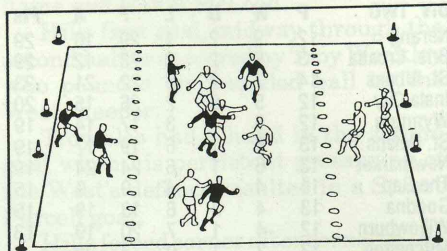

The object is to be in possession of a ball when the whistle blows. Anyone without a ball when the whistle blows pays the penalty.

NOTES:

- 1) This is a very demanding exercise so one minute will probably be enough to start with.
- 2) More stigma is attached to failure in this practice than any other so be prepared for bitching.

3) Vary the length of each burst of competition. You will find some of the players hold back towards the end of the period before getting possession. Catch them out by blowing the whistle early.

PLAYER FOR PLAYER MARKING GAME:

PREPARATION:

Mark out a pitch with three zones in proportions shown. Put a goalkeeper (or a small goal) and one defender in each of the end zones and the remainder of the players in competing pairs in the centre zone.

PROCEDURE:

The goalkeeper of the side winning the toss distributes the ball. Once players have beaten a marker they can move unopposed into the end zone and take on the covering defender and goalkeeper. No other players may challenge them.

Meanwhile the beaten player has to do a penalty run and get back quickly or the opposition will be free to take a pass and move into the end zone unopposed.

No other player except the one in possession may go into the end zone without the ball.

NOTES:

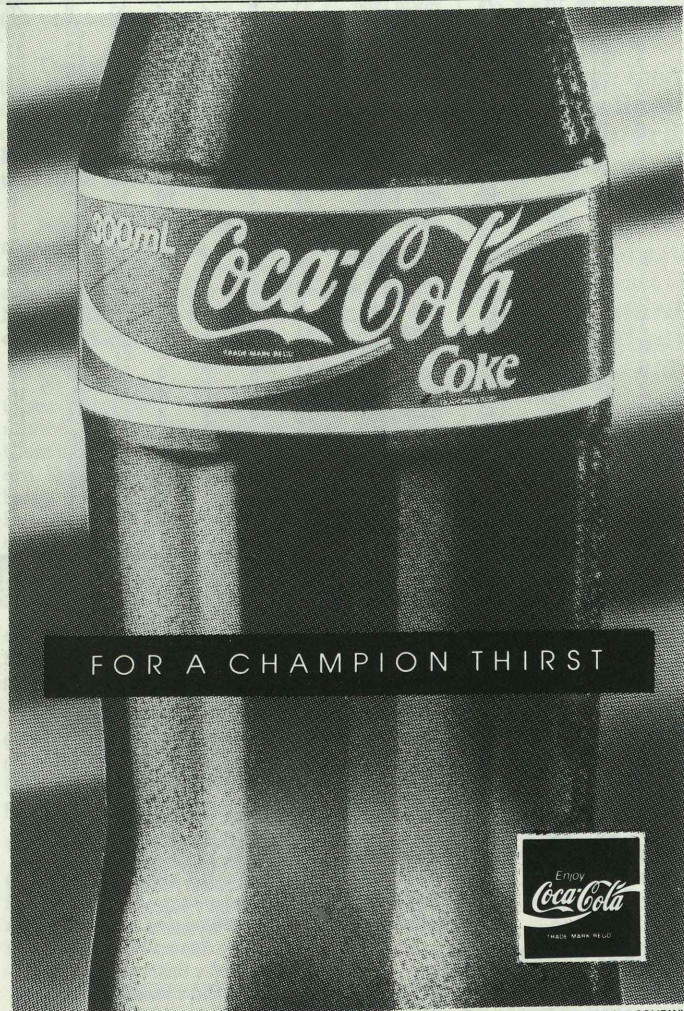

1) The emphasis in this game is on defensive play, so don't pay much attention to the quality of the attacking.

Having said that, however, this practice does provide the opportunity for dribbling and running with the ball.

2) Watch the positioning of the covering defenders. Encourage them to mirror the movement of the ball.

CHECKLIST:

- * Aim to be first to the ball.
 - * If not prevent your opponent from turning.
 - * Stay on your feet. Go to ground only as a last resort to stop a cross or a shot.
 - * Stay close enough to keep your opponent's eyes on the ball.
 - * Try to make your opponent pass sideways or backwards.
 - * Give information to other defenders as the opposition attacks.
- Next week we begin a series on "Set Pieces".

Craig Low, out of retirement, had a couple of dashing runs when brought on as a second half replacement for Rochedale last weekend. But man-of-the-match in the clash with North Star was Rovers' keeper Brett Beves. Several of his saves were nothing short of spectacular.

Have you heard about the Big One planned by the Italo-Australian Centre at Foster Street, Newmarket? Seems we might all be invited to nosh up at a champagne breakfast during the final of the World Cup in July. More details closer to the day we're told.

Expect an announcement soon on the sponsor for this year's Player of the Year Gold Medal Award. And it starts with the letter R.

Plans for grand final day at Perry Park are nearly finalised. Wouldn't it be great to have clubs conduct food stalls on the big day with an "International Food Fair" theme? Guess it would go well with super entry ticket prizes - the car, an around the world trip, a weekend on Hamilton Island with Elle McPherson, one of Liz Taylor's discarded diamond rings and an appearance on Sale of the Century. A bit of wishful thinking don't ya think? How about telling us your suggestions for grand final day - but make it quick.

High time John Williams, President of the Eastern Suburbs Soccer Club was invited to put on his other hat as Blazer King of Brisbane and take himself and his tape measure to Perry Park. It's a safe bet John would have a nice line of jackets for the you-know-whos.

The New Zealand connection along with the South Pacific Islands communities in Queensland are being given a rev for the upcoming South Pacific Tournament here in Brisbane from August 5-10. What a promotion that could turn out to be!

Nomination forms for this year's Miss Queensland Soccer Quest are coming in slowly. All clubs deserve to be represented so post your entries now please. Nominations are available at Perry Park on 252 5327.

No doubt you were as pleased as we were to see Perry Park Trust Member, Clem Jones named Queenslander of the Year recently. Clem's current job is as Chairman of the Western Queensland Flood Appeal where he is being assisted by Patsy Brusasco. Incidentally Patsy will once again be fulfilling her role as coordinator of the entrants in the Miss Queensland Soccer Quest this year.

PETER VOGLER'S hat-trick in Coalstars 4-0 win against Brisbane City certainly proves the saying "when the going gets tough, the tough gets going".

Former Rochedale Rovers player Stuart Greer could prove a bargain for Brisbane City. Greer and City's midfield stalwart and current Queensland captain Frank Pimblett already have a good understanding on the park.

And speaking of Brisbane City! A bit of "shush" from the bench and certain field players could see City keep their minds on the job instead of criticising the referee's decisions.

MATCH REPORTS

Division Four - Pine Hills 2 dr Wests 2.

A mediocre Wests lead 2-0 at the break in this match, but Hills maintained its composure to escape with a 2-2 draw.

Wests made the most of their opportunities which fell to them in the first half. But Hills kept their minds on the job with strong games from Glenn Williams and Gavin McLeod.

Hills first goal, midway through the second half, was scored by Troy Weakley who pounced on a spilled ball by the Wests keeper.

Troy also had a hand in the second goal when his persistent pressuring of the West's defence resulted in a Stuart Purcell goal.

Hills forced corner after corner in the final 10 minutes of the game but were unable to find the winner.

Reserves - Pine Hills 2 d Wests 1.

This 2-1 scoreline in favour of Hills flattered a West's outfit which rarely pushed forward but were content to defend.

They did however rely on an off-side trap, and to their credit, caught the Hills' attack out many times.

Hills created many chances in front of goal, but they lacked the composure to finish them off.

Brad Rawlinson scored Hills' first goal with John Easley scoring the second from the penalty spot late in the second half.

Wests to their credit kept going and scored a consolation goal minutes from full time.

If Hills are to make the top four they will have to improve on this performance.
