EDITORIAL:

This weekend Ampol Cup semi-finals should not be missed. North Star who have a consistent record in this tournament are up against a very competitive outfit while the Tigers from East Brisbane will be out to maintain their apparent winning form in their semi-final against Brisbane City on Saturday night.

The XXXX League competition is still wide open which is great for soccer spectators. Brisbane Lions are hanging on grimly at the top of the table. City came away from last weekends fixture against Grange Thistle with a draw, but are still holding second spot.

North Star who are playing consistent football are holding down third position, Easts who have had a magic run in recent weeks have forged their way into fourth place while Taringa Rovers, nothing flash but a very committed team make up the five at the moment.

Pine Rivers and Rochedale Rovers will not give up their chase for the top five. Acacia Ridge will be out for a win to maintain their standard in the XXXX League.

Coalstars, Mt Gravatt, Grange Thistle and Olympic have a cup final on

their hands every weekend from here on in to the end of the season.

The XXXX League season has had all the ingredience to keep players, coaches and spectators well and truly on their toes. Whatever team wins the Grand Final will certainly know they have had to do it the hard way. There have been no easy matches this season and there is a saying in sport, "you only play as well as your opposition will let you play". This is certainly true in Soccer's 1990 season.

All clubs throughout Queensland still have time to nominate an entrant in this year Q.S.F. Miss Soccer Quest. Two lucky young ladies will share prizes to the value of \$7,500 from Qantas.

The quest has been running for a number of years now and for the first time all clubs in Queensland have had the opportunity to nominate an entrant.

Miss Soccer Quest gives clubs an opportunity to stage fund raising nights for their own needs.

Has your club nominated an entrant yet? It certainly isn't too late. Surely your club has a beautiful and charming young lady who can represent your club at the Gala Judging Function on August 25 at the Italo-Australian Centre.

CLUB PROFILE CLUB PROFILE CLUB PROFILE

The Nerang Soccer club was founded in 1972 by players of the then Coolloongatta club who were dissatisfied with a shared ground arrangement and long travel from their residence at Nerang.

Club stalwart and Life member Fred Stone approached the Albert Shire Council for ground space and sought approval from the Queensland Soccer Federation for a change of name and permission to relocate.

Approval was given and the Velodrome became Nerangs' home ground for fifteen years.

The tenacity of the club started from the word go when the clubs original players turned a quagmire into a playing surface for the first home game against Fairfield United.

Junior intake commenced in 1973, followed by girls and ladies teams, the ladies team performance has been exceptional and has produced many Gold Coast and State Representatives and also an Australian Representative. They have proved too strong for the Gold Coast competition and now participate in the Brisbane ladies First Division.

Junior numbers grew rapidly in the '70's, the club fielded teams from Under-6 through to Under-17's, with fifteen Junior teams, a ladies team and two senior teams, the velodrome was hopelessly over capacity.

In 1980 the Albert Shire Council offered Nerang a very rough piece of ground with enormous potential called Glennon Park.

NERANG SOCCER CLUB
"The Eagles"

New Facility

Relocation to the new facility commenced in 1982, first the Juniors and in 1987, after a massive rebuilding programme by the council, Nerang celebrated the clubs' promotion to 2nd Division by relocating all teams to Glennon Park.

The ensuing period has seen the building of the club house, completed in 1987, installation of lighting and ground improvements which rate Glennon Park as the best playing surface on the Coast, a long way from the Quagmire of 1972.

Despite its short history Nerang is proud of the clubs playing achievements. In the 19 years of Federation competition, Nerang has never been relegated, has been denied two promotions and survived proposed exclusion from the Brisbane competition by various restructures.

For the Record

- 1973 Div 6 Premiers
- 1975 Div 4 Grand Final Winners
- 1976 Div 4 Premiers
- 1982 Div 3 Grand Final Winners
- 1983 Div 2 Premiers

1986 Div 3 Premiers-Grand Final Winners

1988 Div 2 grand Final Runners-up.

Nerang has been blessed by strong and consistent management, determined to carry on the club's policies of youth development and promotion, constant improvement of club facilities and on field achievements.

Adherence to the Youth policy can be seen in the number of past juniors playing in our three senior sides. Our Div. 2 side boasts no fewer than seven past Nerang juniors, several with over fifteen years unbroken service to the club and many more with ten years plus to their credit.

The Nerang Soccer club is very proud of its Senior womens and Junior players, and the entire club's achievements over the past nineteen years, and also has its signs firmly set on its goal to gain promotion to the XXXX League this season and believes it has the right package to achieve further success in the 1990's.

Kingaroy not good enough

Eleven Kingaroy women against eight Wondai players at home were not strong enough to capitalise on the weakened Wondai, who were the most vulnerable they will ever be this season.

Despite also missing hard-running stopper Bente Petersen, Kingaroy made heavy weather of holding the seven determined Wondai field players through the efforts of Vicki Bleakley, Lynn Smith and player of the match Helen Nutley.

Kingaroy had few forward forays, though they did do some good build-ups which came unstuck at the last pass.

Wondai had heaps of chances which were bombed, finished wide, hit the post or found Kingaroy keeper Maxine Tessman right behind.

She brought off at least two goal saving efforts and defender Sherrin Bell was in perfect position, covering the near post to deny Wondai.

Then Bleakley put a headed corner over the top of Tessmand for a match winner almost on fulltime.

This allowed allowed Wondai to retain their perfect winning run of 10 games from 10 starts. Scores: Wondai 1 (Bleakley) def Kingaroy Nil.

Murgon Women Cause Upset

Murgon women caused an upset at home on Saturday when they defeated second placed Nanango 1-0.

Nanango's finishing power felt the loss of Kerry Trace and Amanda Steinhardt at the State Schoolgirls titles but Murgon's defense was also set back with Helen Eagleson and Katy Bolger at the same titles.

Madonna Hay for Nanango kept Murgon keeper Therese Bolger busy, but Evans finally broke the deadlock ten mins from full-time to find the net and gave Murgon their first win of the season. Scores: Murgon 1 (Evans) def Nanango Nil.

FRANKLY SPEAKING

with Frank Liddell

On Saturday night the Ampol Cup Semi finals will be played at Perry Par and two very closely fought games they should be.

The first game which features Pine Rivers and North Star should be a very exciting game as they have scored no fewer than 13 goals between them in their last two meetings. In the league Rivers who have lost a bit of form since they knocked Lions out of the Cup will have to pick up their game if they hope to beat an in-form North Star.

In the other game the fast improving Easts take on Brisbane City. Easts have won their last five games and will give an inconsistent City a real run for a place in the final.

* * * *

The goalscoring charts are starting to take on a familiar look again this season, with Jim McDonagh out in front. Last years winner McDonagh is now on 18 goals 4 ahead of his nearest rival Noel Carroll of Pine Rivers.

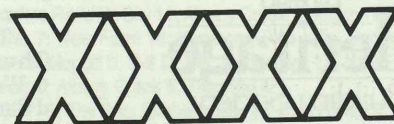

Earlier on in the season it looked as though some of the young pretenders in Carroll and Cuba would be pushing Jim for his title, but their goals have dried up in the past few weeks.

Kieran Cooper usually starts a strong run from this stage of the season and will probably end up pushing McDonagh before the season ends.

* * * *

Last week the Queensland Under 16's finished a creditable third in their National Titles in Sydney. Most of their games were very close and there was not a lot of difference between the teams.

According to all reports there is a lot of very good lads to watch out for in the future in this squad.

REFEREEING INTO THE 90's ————— with DES MILES

OBSTRUCTION Part 2

by Stanley Lover

A continued analysis of the obstruction clause of law 12 which has remained unchanged since 1951.

3) The ball is running out of play either over the touchline or the goal-line. Defender A follows it for some yards, keeping the ball within his playing distance. Opponent X, chasing the ball, finds A between himself and the ball with A's back towards him. X may charge A from behind (Law 12 (e) but A is not offending against the new clause because, theoretically, the ball is under his control, even though he allows it to run out of play.

But if A, seeing the ball running out of play, deliberately obstructs X when the ball is out of playing distance then he has committed an offence penalized by an indirect free kick. Similarly, if A turns his back on the ball to face an obstruct X, even though the ball is within playing distance, he cannot be making an attempt to play it, therefore he is committing an infringement of the law.

4) A traps the ball and turns on it with it still under control. His body is now interposed between the ball and an opponent. His body is now interposed between the ball and an opponent. Here A does not commit any offence because he is in possession and is within his rights in denying it to an opponent.

5) A is receiving a pass and runs into a position so that, when the ball reaches him, he is between an opponent and the ball. This is a fair movement and there is no offence.

Decision 8 specifies that movements of the obstructing player with outstretched arms which force the challenger to change course and are intentional become an act of ungentlemanly conduct. A caution shall be awarded to the offender. The qualification, 'but does not make bodily contact', implies that if contact is made the offence then becomes one of holding

or pushing, for which a direct free kick is the award. If the offence occurs in the offender's penalty area a penalty kick must be awarded. 'Interposing the body so as to form an obstacle to an opponent' does not always relate to the body being between opponent and ball.

Decision 9 spells out the offence of obstructing the goalkeeper, 'in an attempt to prevent him from putting the ball into play...'. The ball is now between the two players. It is clearly intended that the goalkeeper shall be given the opportunity of releasing the ball without obstruction but within the restriction placed on him by Law 12.5 (a), the 'four-step rule'.

There is considerable divergence of opinion and action in situations where an attacker confronts a goalkeeper who is holding the ball. Let us assume that the goalkeeper has just caught the ball (figure 1)

Figure 1

he is (the goalkeeper may drop the ball).
(b) If the goalkeeper stands still, he may fairly charge the goalkeeper (hoping that the

charge will take the goalkeeper and ball into the goal).

(c) If the goalkeeper moves, he may fairly charge the goalkeeper (again hoping for a goal or, alternatively, to force the goalkeeper to release the ball).

Question 3 What action by the attacker constitutes obstruction?

Answer Any action which blocks the path of the goalkeeper in an attempt to prevent him from releasing the ball within the allotted four steps.

Question 4 Does this mean that the attacker must remain stationary if the goalkeeper moves?

Answer No. He may move parallel to the goalkeeper but may not step in front of him.

Question 5 If the goalkeeper stands still and the attacker moves from side to side, is this allowed?

Answer No. The attacker is clearly intentionally blocking the path of the goalkeeper.

Question 6 If the goalkeeper moves from side to side and the attacker follows him, is this allowed?

Answer Yes, provided that the attacker does not intentionally step in front of the goalkeeper.

Question 7 If the goalkeeper gains possession and the attacker then runs to stand in front of the goalkeeper, is this allowed?

Answer Yes, because the attacker is permitted to charge the goalkeeper when the latter is holding the ball. We then revert to the original situation.

Comment - Goalkeepers have no right to expect attackers to withdraw to allow them to release the ball. A goalkeeper always has the option, and the advantage, of throwing the ball. Attackers have as much right to the ball as goalkeepers and should be allowed fair opportunities to obtain possession.

BRISBANE SOUTH

Great news this week which should show all our young soccer players that great achievements can be gained if their efforts are there. Mt. Gravatt XXXX Soccer League player, Danny Stowers has received a scholarship at the Australian Institute of Sport. Danny represented Brisbane South in Under-13's, 14's and 15's.

Other former Brisbane South players who were part of this year's Under-16 team were Wayne Murray (Rochedale), Brentley Jefferd (Coalstars), Brett Wass (Mt. Gravatt), Sean Cranney (Taringa Rovers) and Keiren Galloway (Grange Thistle).

Nice to see our players doing so well. Congratulations lads.

Heritage Building Society

On Sunday, July 15, the South Side Eagles conducted their Heritage Building Society Carnival.

Under 7, 9 and 11 age groups were catered for and teams from Gympie, Dalby, Stanthorpe, Caboolture, Loganholme, Easts, Bayside and Souths United joined S.S. Eagles for the day.

The Under-7 section saw a final between Gympie and S.S. Eagles with the visitors eventually winning 2-nil.

Loganholme overcame a determined S.S. Eagles side 4-0 in the under-9 group.

In the under-11s, Gympie 1 & 2 fought out a great final with the No. 1 team just getting them, 1-0.

A great day was had by all and it was pleasing to see teams from different areas visit Brisbane South.

S.S. Eagles advise that on July 22 they shall conduct under-8, 10 and 13 carnivals at their grounds. Gympie and Stanthorpe players will again travel to the carnival and

will be joined by teams from Lockyer Valley and Burleigh Heads and local clubs.

We welcome all visiting clubs to our zone and trust your visit with us is enjoyable and successful.

Stanthorpe Soccer Club is interested in staging a carnival. Contact the secretary Trevor Brackin on (076) 832 213 or the President, Ray Zanatta, on (076) 811 072.

Q.S.S.S. FEDERATION

While I was away in Cairns at the State Championship for boys, Coomera defeated Coombabah by 3 goals to 2 in the Commonwealth Bank Bill Turner Cup.

The State Championship, at Endeavour Park, home of the Cairns Junior Soccer Association, was well organised and I commend the organisers for a job well done.

We ran a 10-team competition organised into two separate pools with cross-over semis to decide who plays in the final.

The results in pool A were as follows:
Thursday: Peninsula 2 d Darling Downs 0; West Moreton 1 d Central 0; Northern 2 d Central 1; Darling Downs 0 v West Moreton 0.

Friday: Peninsula 2 d West Moreton 0; D'ling Downs 1 v Northern 1; Central 4 d D'ling Downs 0; Northern 0 v Peninsula 0.
Saturday: Northern 1 d West Moreton 0; Peninsula 1 d Central 0.

The results in pool B were as follows:
Thursday: President's XI 0 v Brisbane South 0; Brisbane North 3 d Sunshine Coast 2; Wide Bay 2 d Sunshine Coast 1; Brisbane North 2 d President's XI 0.

Friday: Brisbane South 1 d Brisbane North 0; President's XI 3 d Wide Bay 0; President's XI 2 v Sunshine Coast 2; Brisbane South 4 d Wide Bay 0.
Saturday: Brisbane North 5 d Wide Bay 0; Brisbane South 3 d Sunshine Coast 0.

In the play-offs for positions 5 to 10 on the ladder, President's XI 2 d West Moreton 0, Central 5 d Wide Bay 0; Sunshine Coast 6 d Darling Downs 4.

In the Semis, Brisbane North 2 d Peninsula 1 and Northern 1 d Brisbane South 0, So the teams finishing second in the

opposite pools.

Brisbane South 2 d Peninsula 0 in the consolation final and in the grand final a very determined Northern 2 d Brisbane North 0.

We selected a very strong State squad this year, despite the fact that several players were on active service with the 15s and 16s. The 1990 team to go to Melbourne is:

Keepers: Noel Brecknell (Northern), Peter Lion, (Peninsula).

Field Players: Ian Sownei, Colin Gwynn, Garry Cook (Peninsula), Greg Law (West Moreton), Damian Harris, Nick Contoudious, Justin Playle (Bris. Sth), Craig Priddy, Paul Wilkins (President's XI), Jeff Scott, Gerard King, Darren Bender, Chris Higgins (Bris. Nth) and Tim James (Northern).

A squad of sixteen shadow players were also named.

Noel Brecknell was selected in 1989 but withdrew through injury, Justin Playle was selected in 1989, and Darren Bender was a shadow player in that squad. Colin Gwynn has followed his brother Glenn through his selection.

Justin Playle was voted Player of the championship and was also the top scorer with 5 goals. Darren Bender was just behind him on 4 which included a hat-trick in the Wide Bay win.

The ASRF provided us with official referees and linesmen for all games as they usually do, using our championship as a seminar for Referees.

The top teams in the competition are Lions, City and North Star, all teams are evenly matched but in this game there will be plenty of pressure on both sides to win. THROUGHOUT THE STATE

FAR NORTH QUEENSLAND

This season Far Northern soccer has stood out with a vast improvement of all home teams. While it is assumed all teams play better on their own home turf, in FNQ over recent seasons, matches have monotonously gone with the status quo. The Cairns or Tablelands teams that have been flying high have inevitably scored a goal deluge.

This year, with an equalising swing, the little clubs like Mossman and Innisfail are no longer being taken for granted.

Innisfail, especially after a slow start, have come to grips with the first division. Their coach, Ivan Andrijec, always said he needed a couple of months to get the newly-promoted team acclimatized. Now he can reminisce on a series of results that augur well for the Canecutters.

After being anchored to the tail end of the competition for nearly an entire round, Innisfail first trumpeted their improvement with defensive home draw against reigning premiers, Leichhardt.

Innisfail took that winning form on the road with them again against a goal shy Leichhardt and, with a packed defence, forced a 1-1 draw.

Now the Lions, premiers of the last four years, have won only two of their last eight games but, amazingly, have not lost touch with the front runners Edge Hill and Dimbulah.

Dimbulah regained a share of the lead of the XXXX FNQSF premiership when they narrowly defeated Mossman away 3-2 through a typical last 20 minute surge of three goals.

Their main rivals Edge Hill were lucky to escape with a draw at Mareeba. Red McLellan.

FAR NORTH QUEENSLAND

Northern Region, which consisted of players from Townsville and Mackay, defeated Brisbane North 2-0 to win the State Secondary Schools Schoolboys Championship at Cairns.

Running third were Brisbane South with a win over the local Peninsula team 2-0.

Peninsula players picked for the State squad were Peter Lion, Gary Cooke, Ian Soweni, Colin Gwynn. The shadow players with the squad were Glen Waddingham, Mathew Cassey and Tony Andrejic.

Results from last weekend's Cairns Association Cup:

Under-9 Division 1 - Leichhardt 1, Runner up - Stratford 1; Under-9 Division 2, Edge Hill United 1, Runner up - Trinity Anglican School; Under-10 Division 1 - Stratford 2, Runner Up - Saints 1; Under-10 Division 2, Saints 2, Runner Up - Edge Hill United; Under-12 Division 1 - Saints 2, Runner up - Saints 1; Under-12 Division 2 - Yorkers Knob, Runner up - Trinity Anglican School; Under-14 Division 1 - Stratford, Runner Johnstone River; Under-14 Division 2 Marlin Coast White, Runner up Saints 2; Colts Division - Stratford, Runner up - Johnstone River.

A team from the United States will play two games on the 23rd and 27th July and two teams (under-11 and under-14) from New Guinea will play in October. John Spilstead

ROCKHAMPTON

Frenchville kept the pressure on second-placed Nerimbera with a good 4-1 win over Berserker in last Sunday's main Power's Bitter Premier League match played at Norbridge Park.

In Sunday's early game Bluebirds demolished Southside United 8-0 and now look to have a mortgage on the minor premiership. They are on 16 points two in front of Nerimbera and also have another catch up game in hand.

Frenchville were able to take their chances in the first half and had a comfortable 3-0 lead at the break.

At 3-1 Berserker were back in the game but again weren't able to take chances in front of goal.

Twenty minutes into the second half Lindsay Dean completed the scoring for Frenchville when he rammed home a free kick from just outside the box.

Bluebirds, Kurt Peel, netted a first half hat trick in that 8-0 win over Southside in a win that would have been very satisfying for coach Craig Fleming. Last time the two teams met Bluebirds struggled to come away with a 1-0 win but this time did it easily without several established first team players.

Newcomer Darren Mitchell showed some good touches for Bluebirds getting one goal and indicated that when he gets a couple of hard games under his belt he will be a valuable player.

Rockhampton's junior representative teams retained the Bill Claridge shield in games against their Gladstone counterparts at Norbridge Park on Sunday although the results were all even.

Gladstone had to win outright to take the shield and the result depended on the final match.

Rockhampton won the Under-15's 3-2 tying up the result on both points and goal difference. The goal scorers for Rockhampton were Willie Jensen, Sean Vandenban and Dean Druery with Gladstone's coming from Adrian O'Grady and Fabian Marsh.

Rockhampton started the day well, drawing the under-11s 0-0 and winning the under-12s 2-1 with goals by Brad Dillon and Michael Carney. R. Forster scored Gladstone's goal.

Gladstone hit back with a 1-0 win in the under-13s with a goal by Ray Carter and a 2-1 win in the under-11s.

Rockhampton were a little shell shocked in the under-14s as Gladstone scored both goals in the first few minutes. It was silly defensive errors that gave goals to G. Dillon and Darren Whitmore but Rockhampton had no answer. It was only good goalkeeping by Neil Tidbury that stopped Gladstone going further ahead.

Jeremy Harris and Craig Costin, who are both Queensland players, weren't combining well up front and, although Harris got a goal back, it was a more determined Gladstone that held on.

SOUTH BURNETT

Wondai Blow Chance

Disappointed Wondai connections know they blew a golden opportunity at Kingaroy last Saturday to take two points from and join South Burnett Soccer League leaders Wests, at the top when they fought back from an own goal disaster in the first half to equalise at 2-2 in the second, then let Wests in for a late winning blatant penalty goal.

Wondai knew Wests were at less than full strength with Paul Stronge and Scott Tucker away with the Wide Bay Schoolboys team at the Cairns State Titles. Wests were also without danger striker Chris Baartz and midfield dynamo Guy Hand and had second division reserves on the bench.

Wondai had the luxury of keeping usual sweeper Clinton Davidson, with one of the fastest wingers in the South Burnett Wade Ogden, on the bench as secret weapons.

Early in the match Peter Doessel saved a certain Wests goal with a finger tip reflex take at his toes, on the line, off a corner header by Brendan Moore.

Two mins later Lance Ryan, Wondai's new fullback, pushed a back pass wide of Doessel into an open net for Wests first goal.

Wondai fought back immediately when John Schmocker steamed through defenders and Wests keeper Bruce Hodges, to "Crack" a Kev Wier corner home.

1-1 and a real game of fast controlled football to delight the fans ensued, as both sides matched each other until the 38th min when Wondai's left side defense went walkabout, Moore read it, put the perfect pass to Rex Parsons with only Doessel to beat with a Rapier far post finish for a 2-1 lead to Wests at half time.

Wests resumed with two shots in the first minute. Wondai coach Gary Potter took the field to marshal his charges. He latched onto a poor Wests clearance of a Wondai free kick, crossed it to Adrain McKay for another emphatic Wondai finish for the equaliser.

Ogden was promptly injected to put more pressure on Wests but he was generally so tightly watched he had few opportunities to use his speed in open play to best effect. Wondai suffered a blow with the loss of Kev Wier at the three quarter mark with a twisted knee, resulting in Davidson taking the field to bolster the backs in an effort to stem the Wests machine which now blitzed Wondai, with coach Willy Burns leading in fine style.

Burns took a corner 5 mins from fulltime which had Doessel in all sorts of trouble and was deliberately handball "saved" by Davidson for a penalty struck so well by High Burns, that despite Doessel getting a finger to the ball it found the back of the net for a Wests win and Wondai disappointment.

East's Just Pip Murgon

South Burnett second division league leader East's were forced by a determined Murgon, to wait till almost fulltime before finding the net for a 1-0 result to maintain their 4 point gap to Nanango in their race to be first to take out the inaugural second division minor premiersip.

Murgon and East's have always played close finish games despite East's being at the top of the ladder with an 8-1-1 to Murgon 0-1-9 table standing from 10 games.

This game was very tight with few scoring chances. East's keeper Ross French soaked up Murgon's attempts but late second half substitute Simon Miezer, on for injured defender Garry Tessman put away the winner 5 min from fulltime. Scores: East's 1 def Murgon Nil.

SUNCOAST

NOOSA coach Neil McCarthy believes younger players need more support if soccer is to improve on the Sunshine Coast.

He said the Noosa first division soccer squad was in a state of transition, still breaking in the talents of a number of young players.

"I've got six players 18 years or younger. It's very much a transition year for us," McCarthy said.

"I'm very happy with the way the younger players have performed, and they are going to be even better next year."

However, McCarthy believes one of the biggest problems facing soccer on the Coast is the treatment of younger players.

"One thing I am concerned about is the state of young players

who don't seem to be getting the treatment or respect they should be getting.

"They're getting a battering from older, maybe less talented players, and aren't being given the respect of some referees."

THE topic of junior coaching was raised at the recent sportman's night with Eddie Thomson and it was interesting to hear Thomson's comment that, in the not too distant future, anyone interested in coaching will only be allowed to do so if they have at least a level one or two coaching certificate.

CONGRATULATIONS to Buderim Under 14 player Craig Paulette who has made the Queensland Under 14 State squad as a shadow player.

PLAYING THE GAME RIGHT

with **BRUCE STOWELL**

This week we look at the "Ball Tag Game".

Ball tag, soccer style, is a popular and entertaining game with a higher skill content than at first meets the eye.

PREPARATION:

Use the centre circle as the playing area or mark out an area of similar size with cones.

Divide the players into two teams, one of the outside of the circle, the other on the inside.

Only one ball is needed at first.

PROCEDURE:

The players on the outside shoot the

ball at their opponents, attempting to hit them below the knees.

Players on the inside must of course try to avoid being hit by dodging the ball.

Outside players may attempt direct hits or pass between themselves for a better position.

NOTES:

1) set a time for as many hits to be made as possible. After that time the team changes over. The team with the most hits in the time is the winner. Make the losers do a penalty run or exercise.

2) There will be no need to make the outside team hurry to get in its shots or passes - the time factor will force this. However in their haste, the outside team may get a little wild with their efforts. So knock off a point every time the ball strikes an inside player above the knee.

3) There is not much chance of players on the outside slacking or losing concentration, but add a further incen-

tive by also knocking off a point every time the ball is allowed behind them. Punish them further by insisting that they bring the ball back to re-start the game.

4) Keep a close eye on encroachment. Make sure that outside players stay behind the cones or circle. Be really popular if this persists by knocking off more points.

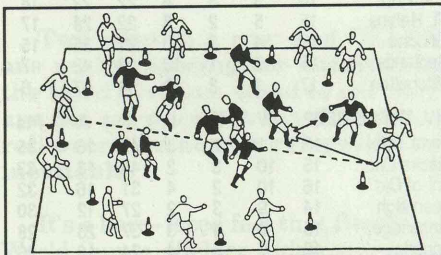

VARIATIONS:

1) Instead of a time limit for each phase, set a target of ten hits (allowing for deductions) for each team. Check the time taken by each team to reach this and punish the losers in the usual way.

2) Introduce another ball. This will sharpen up both teams.

3) Change the shape of the practice. Alter the playing area into a square and let the players of both teams move freely in the area. Otherwise the rules are the same.

Next week we look at the "Throw-Head Game".

Under-16 (Cover) Talent Identification Championship

by Bruce Stowell - State Director of Coaching

The success of the Queensland Under-16 State Team should not be gauged by the results alone but on the experience gained by playing against other States whose team's performances result from constant playing and training at institutes or academies.

The aim of Mal Bland and myself was to give each player an opportunity to be seen by Ron Smith, head coach at the Australian Institute of Sport and all S.D.O.C.'s who had input towards nominating players at the end of the tournament.

Each game we played was approached differently in that tactics and formations

were changed as well as player positions so that the players were learning at all times about different areas of the field and how to cope.

The results emanating from our approach were very satisfactory and, overall, we were pleased with general team performances.

On qualifying for the semi-finals our results were as follows:

Qld v N/NSW	1-1
Qld v WA	2-0
Qld v Vic	0-4

Qld v NSW Semi-final	0-1
Play off for third place:	
Qld v SA	3-1

Following the completion of the tournament, Danny Stowers, from Mt. Gravatt Soccer Club, and Bradley Ditton, from Toowoomba were invited to immediately attend the A.I.S. on an initial twelve-month scholarship. The players have accepted and we are naturally delighted to see that our Queensland home-grown talent continues to be recognised.

QLD POLICE TO COMPETE AT THE INTERNATIONAL LAW ENFORCEMENT OLYMPICS

Members of the Queensland Police Force will do battle with a Canadian soccer team as part of this year's International Law Enforcement Olympics to be held at Edmonton, Canada from July 29 to August 4.

Two years ago the Queensland Police Soccer Club entered a team in the International Law Enforcement Olympics, which they won, and this year hope to retain the title.

The team consists of officers from the Gold Coast to Townsville and all but 2 are involved with playing club football.

Most players have been moulded in Q.S.F. fixtures from Pine Rivers, Bardon Latrobe/Valley Trident, Nerang, Palm Beach, Griffith University and Merrimac.

The Queensland Police Soccer Club would like to thank Pine Rivers, Nerang and Slacks Creek for lead-up games. Taringa Rovers have also given us great

assistance in commencing our programme.

The International Law Enforcement Olympics in 1988 was conducted at Sydney N.S.W. This was the first time the competition was held outside the United States of America.

During the competition Queensland played teams from all states of Australia including a team from British Columbia.

In the lead up games the Queensland Police defeated New South Wales, Victoria and British Columbia.

Queensland then beat Western Australia one-nil to win the Gold Medal. As a result this team decided to participate in this year's International Law Enforcement Olympics.

At the event, 52 sports will be contested and, in the soccer competition, FIFA rules will apply.

We hope to carry the hopes of our Police Force to Canada and return tri-

umphant and, perhaps in the future, commence playing on a weekly basis in a Q.S.F. competition.

INTO THE NET

The sleeping Tigers are well and truly awake judging by their effort against Pine Rivers last Saturday night. Kept in the game by tight-lipped 'keeper Dave Mewburn in the first half with a couple of unbelievable saves, Eastern Suburbs really got organised when "The Little General" Steve Perry took the park in the second half and produced some fine play to take the three points back to Heath Park with a 1-nil win. Outstanding players for the Tigers were Stein Grodum, Craig Collins and Colin Phelan. Truly, exciting football.

Two wins in a row and OXLEY are really fighting for survival in the third division. Good to see they are not prepared to lay down and roll over and accept relegation as inevitable.

It's a bare-faced fact that Brazilian World Cup midfielder Aldair will have to shave off his beard so as to comply with a clause in the contract he has signed with Italian Club Roma.

Team with the best goal difference to date this season is undoubtedly Grange Thistle's eighth division with a hefty 83 for and 11 against. Question: Will they hit the ton? Who is popping them away? Maybe GT's top team Coach Iain Fagan should have a look-see.

Thought of the week: To avoid taking risks because you might lose is to restrict yourself from ever winning.

With a spell of dry weather upon us, quite a few grounds could do with watering if only to minimise the dust-bowl appearance of some of them, especially around the goal-mouths.

"An oldie but a goodie" is how Gwen Evans of Latrobe Valley S.C. describes her Lamington Drive fund-raising venture. Would love to be a fly on the dressing room wall to hear what's said to any player who doesn't reach their sales target.

Did you know that Rod Stewart (Yes, THE Rod Stewart) a real Soccer fanatic, going so far as to cancel concerts so he could witness Scotland's progress in the World Cup, still plays the game. He plays for Exiles in a Californian League and hates to miss training.

The Federations newest club Jimboomba scored its first win last weekend with a 3-2 win over Pine Hills. Now all they have to do is get in a carpenter - 'cause when they scored the winning goal the roar sure lifted the roof off the canteen.

MATCH REPORTS

Pine Hills 2 Toowong 0

Hills enjoyed most of the play during the first half but failed to finish on target.

Toowong's defence worked overtime and showed great urgency and sometimes desperation in their tackles.

The second half started much the same with Hills pushing forward and it wasn't long before they were rewarded with a goal through Peter Tong. It was then that Toowong started to rush forward and were looking dangerous in front of goal and forced several corners. Their failure to break through eventually lead to frustration which reflected in their play. With 15 mins to go, Glenn Williams found space on the far post and met a long searching cross to beat the Toowong keeper for Hills second goal. Toowong, to their

credit, continued to contest for possession until the final whistle, but will now have to wait for revenge in this Saturday's rescheduled game against Hills on their own pitch.

Pine Hills 3 Toowong 1

Although leading 1-nil at the break it would be fair to say that Toowong never looked in control with most of the games played in their half. Soon into the second half Chris Curtis equalised for Hills with a fine shot from the goal of the penalty area and later scored his second goal when the Toowong keeper failed to hold a close range shot from Terry Johnson. Just before the final whistle John Henderson scored Hills' third goal to seal the points and gave Hills the reward they deserved for their effort.
