**EDITORIAL:**

It is certainly exciting news to hear Brisbane Lions, clear cut Premiers of the 1990 XXXX Soccer League, will take part in the NSL playoffs later this year.

Lions will be playing for entry into the NSL's 1990 summer competition.

The last time a Brisbane side competed in the playoffs was in 1988 when Brisbane City played and were beaten by Melbourne Heidelberg.

The playoffs this time look like being contested between three teams - Brisbane Lions, West Adelaide and Melbourne Heidelberg.

Surely lady luck will smile on Queensland this time with Lions' bid to join the NSL becoming a reality.

If they are successful it will be like receiving a Christmas present 12 months in advance for the soccer public of this State.

\*\*\*\*

Best of luck to North Star and Eastern Suburbs in the Ampol Cup final this Sunday.

North Star will be out to win its fourth Cup Final. The club are the current holders of the Cup and will be out to repeat their back to back successes in 1984/85.

East's, grand final winners last season, have been on a consistent winning roll in past weeks with only Pine Rivers able to inflict a defeat on the Tigers from East Brisbane.

North Star will be out to retain the sil-

verware while East's will be anxious to add something new to its trophy cabinet.

But no matter who ever wins this match is bound to be a great Cup Final that you can ill afford to miss.

Once again the Queensland Soccer Federation wishes to thank Ampol for their generous sponsorship of this great competition.

We look forward to having this fine Australian company supporting our sport for many years to come.

\*\*\*\*

Planning for next year's winter season should including regular double header fixtures to be played on Sundays at Perry Park.

It's time the headquarters of soccer was used as a showplace not an occasional meeting place.

This would give the public from all parts of Brisbane the chance to see top competitive football week in, week out.

The Perry Park complex in the ideal central location to host the best fixtures rounds of the week.

A move such as this would see four of the 12 XXXX League sides in action on any one Sunday.

The proceeds from the gate could even be split between the two home teams.

Food for thought isn't it?

**WYNNUM DISTRICT Soccer Club**

The Wynnum District Soccer Club was formed in 1921 and played its matches at Memorial Park in Wynnum, now the club's junior headquarters.

The club competed successfully in senior competitions winning the Tedman Cup in 1928, 1931 and 1938.

Through the tireless efforts of men such as the late Jock Hannah, soccer was introduced to state schools in the area, where its popularity began to grow, resulting in the formation of the club's juniors.

**War Time**

The club went into recess during the war and was reformed following its conclusion. Soccer continued to blossom in a league dominated area and by the mid sixties the club boasted 2 senior teams and 24 junior teams.

It was at this time that long serving president Ray Garner sought to acquire a piece of land on which to establish the club's senior headquarters.

With a bank loan of 300 Pounds, Garner was able to buy a piece of land from the Wynnum Pony Club in 1965.

Two years of back breaking work by a dedicated band of players and supporters followed, to carve out and lay what is now one of the best playing surfaces in Brisbane, Maramba Stadium.

Two members of the present day committee, Eddie Wilkins and Ray Maltby were part of the work force that saw the opening of Maramba by the Governor of Queensland, Sir Alan Mansfield, in 1967.

Playing success for the seniors followed quickly after the move to Maramba, with the club winning the second division premiership and Grand Final in 1968.

This resulted in promotion to division one

in 1969, but life at the top was all too brief and lasted but a season.

And so began a roller coaster ride for the club throughout the seventies and eighties which has seen the club promoted on numerous occasions, only to fail to establish itself in the top arena of soccer.

The club was promoted to division one football in 1970, 1972, 1976 and 1978 after successful seasons in division two, but also took the plunge back on three occasions in the seventies.

1978 will always be remembered as one of the club's most successful seasons.

The club won the second division premiership by ten points and after defeating Brisbane City, Grange Thistle and Ipswich United made their first appearance in an Ampol Cup Final.

Unfortunately they were beaten 3-2 by the all conquering Southside Eagles in a memorable final, after being forced to play in a semi-final and semi-final replay in the same week as the final.

**Premiership Win**

The club was successful in winning the first division premiership in 1979 but this achievement was robbed of some of its gloss by the absence of Brisbane's top 5 clubs who were participating in the inaugural season of the State League.

Wynnum applied for, and were accepted

into the State League, in 1981. The club held its own on the playing field but the move was a financial disaster and the club was quick to join the exodus of Brisbane clubs from the league in 1982.

**Teams make Grand Final**

Another successful season followed in 1983 with all four senior teams making the Grand Final, three of them being winners.

Promotion to the Premier League followed. Relegation following just as quickly.

Wynnum made a mockery of the 1985 Intermediate League, winning by an amazing 10 points, but again relegation haunted in 1986.

And there the roller coaster ride was stopped. Wynnum failed by a point to win promotion in 1987 although it was successful in defeating Croatia in a Grand Final replay.

First division clubs swooped on its rising young stars including Wayne Corbett, Billy McDermott, Dave Mewburn and Geoff Maltby and the club has been forced to consolidate its financial and playing strength in division two.

With an eye to future, the club is currently investigating a number of options including a possible amalgamation with neighbours Bay-side.

A relocation to a nearby venue with 22 acres available for development is also not out of the question as the club strives for a permanent place in division one.

### ATLANTA CUP FINALS

Atlanta Cup Finals for Division 3-4 and 4-5 were held at Pine Rivers on Wednesday, August 8.

These finals were to have been played at the end of our pre-season grading competition, known as the Atlanta Cup, but with so many deferrals due to inclement weather, they had been re-allocated to this later date.

Because they were pre-season games, the teams had not been placed in a Division so last week's games were between Coalstars 2nd Division versus Pine Rivers 4th Division and the second final was between Brighton 5th Division versus Deception Bay 4th Division.

To those supporters of Women's Soccer who didn't go to Pine Rivers on last Wednesday night, you'll be sorry to hear you missed two of the most entertaining games on this year's calendar.

### Pine Rivers v Coalstars

The first game between Pine Rivers and Coalstars looked to be a foregone conclusion with some of Coalstars players having had experience in First Division during the year and Pine Rivers playing their best football in Fourth Division.

In the first half Coalstars scored two brilliant goals and their defence was strong.

However, after half time Pine Rivers were like a team possessed. Their defence tightened up considerably and their attack had plenty of purpose.

Their striker Sharlene Benvenuti, scored two goals, one from about 20 yards out and the second from a corner ball which bounced behind her.

Full time found the score 2-2. Then came extra time.

Coalstars began strongly but Pine Rivers once again pushed forward and were the eventual winners after Sharlene Benvenuti completed her hat trick and one of her team mates sealed the

game with a fourth goal.

Benvenuti is playing her first year of club soccer and is one of the best natural talents I have seen.

Well done, Pine Rivers and well played Coalstars.

### Brighton v Deception Bay

Game two began very evenly. Brighton was the first to score, but Deception Bay equalised soon after. The scoreline at half-time was 3-2 to Brighton.

However, Deception Bay came back to score and once again we had extra time.

After twenty minutes of football, there were no goals and no corners to separate the two sides, so we went to a penalty shoot-out situation.

Brighton's keeper from the second half was only playing her second game of soccer and this penalty situation must have looked fairly threatening to her but after several misses by both teams and one brilliant save by Brighton's keeper, Brighton were the winners by three penalties to two.

The greatest thing was the spirit in which both games were played, the support they all received from each other and the pure entertainment they provided.

It proved to me that entertaining soccer doesn't have to come from First Division players with the best skills and I, for one, am happy I was able to enjoy such a good night of sportsmanship.

Pine Rivers Soccer Club deserve a big bouquet for keeping all service from the canteen going until 11.45pm. Their hospitality was great.

Semi-finals begin at Atlanta field on Sunday for all Divisions. Games will commence at 8.15am with the last game kicking off at 3.30pm.

So if you are a Women's soccer supporter or just wondering how they play, come along and lend your support.

# FRANKLY SPEAKING

*with Frank Liddell*

This week's Ampol Cup Final promises to be a very exciting game and should satisfy the big crowd expected to turn out.

The two teams involved, North Star and Eastern Suburbs are almost identical sides, with good records behind them, going into this final.

North Star are defending champions of the Ampol Cup and Easts are reigning Premiers which makes this game all the more attractive for the spectators.

However the form of both these teams this year has been slightly erratic.

Easts started slowly, but have found form at the right end of the season. They are now in the top five and this Cup final.

North Star's form has also been up and down, but they have once again proved to be a good Cup team by forcing their way into the final.

Cup finals are very hard to predict which makes them all the more exciting, but looking at both teams over the last few weeks, I think Easts will win a nailbiter.

They will be the hungriest for this final and that's what it takes to win finals, so I think we will see Phil Thompson's team celebrating next week.

However no matter who wins I hope we see a very good exciting game of soccer.

\*\*\*\*

Brisbane Lions clinched the Premiership last week against North Star and intend to contest the NSL playoffs.

Lions are not quite sure who they will play but West Adelaide Hellas look like one of the teams at this stage.

West Adelaide were relegated from last year's National Soccer

League, but are on the verge of being promoted again.

Lions have been knocked over the last few weeks about their inability to convert scoring chances, but I think the playoffs will be a different kettle of fish.

The last thing we want is for this bid for National League status to fail even though Bradley's report says a Queensland team will be inducted into the NSL in the summer of 1991.

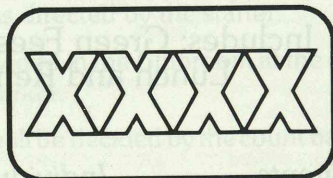

\*\*\*\*

Promotion and relegation now looks to be pretty well settled with Olympic and Grange going down and Nerang and Brisbane Croatia going up.

Nerang have been the real surprise team with nobody giving them a mention in pre season tips.

Under coach Rick Baudine, a very experienced campaigner, Nerang have exceeded everyone's expectations to not only get promotion but to take out the minor premiership.

The inclusion of those two teams can only be good for the standard in the XXXX league next year.

## REFEREEING INTO THE 90's ————— with DES MILES

### OFF SIDE by Stanley Lover Part 2

For referees the starting point for the judgement of off-side is not the moment when he stops the game.

There are other factors which must be assessed before he makes a final decision.

The referee (and linesman) must freeze in his mind a picture of the disposition of attack-

off-side you have no right to impede an opponent nor to station yourself so near to the goalkeeper as to hamper his movements".

In 1922 this advice was repeated with a few words of additional clarification. After "goalkeeper" came: "or any other opponent as to hamper his movements or obstruct his sight of the ball".

From these early words of guidance and the 1924 definition it is clear that "interfering"

7 is standing in an off-side position on the right wing. Colleague 11 is on-side on the left wing. Consider three possibilities:

A) The ball is kicked slowly towards the near group of players. Attacker 7 is not penalized because he will not be involved in the next zone of play.

B) The ball is kicked quickly towards on-side attacker 11. The next zone will not involve 7 and he is not penalized.

# JUNIORS IN THE LIMELIGHT

## BRISBANE SOUTH

Many teams and coaches shall approach this weekend's final round of fixtures anxiously.

There are many teams close together on the points table and this fixture will, in many cases, determine the final four places in many divisions.

In some age groups the final games could even determine the premierships teams for 1990.

Close competition has been evident throughout all ages from Under-9 to Colts which has resulted in many games determined on just that one goal.

Also evident were many drawn games. This type of close competition between teams can only be to the benefit of all players.

Semi finals, where Team 1 plays Team 3 and Team 2 plays team 4 shall be played on the weekend September 1 and 2 with winning teams meeting in the final on Saturday, September 8 for Under-9 to Under-14. This alteration has been made recently as it was previously set down for Sunday September 9.

\* \* \* \*

Brisbane Lions Junior Soccer Club advise that during the 1989 season they tried an "Adopt a Senior Player" for one of their teams.

This proved to be so successful, it was expanded upon this season. At a special ceremony one Friday night each junior team adopted two senior players. Hopefully the bonds generated by the adoption will encourage senior players to come along and enjoy watching a junior game and the juniors supporting their seniors.

After all junior players are the future players in senior league. The junior club dates back to 1958. During this time Lions has seen many professional players pass through the junior ranks with such names as Jason Kearton, Steve Jackson, Danny Wright and many more.

The number of junior players is always on the increase and like all clubs Lions are always seeking junior players.

They cater for teams from Under-7 to Colts, and their aim is to provide the best coaching and playing facilities for our all juniors.

Young players are encouraged to enjoy the game and all at Lions are very proud indeed of their youngsters.

To these players Lions congratulates them on their gallant efforts again for this 1990 season and wishes that they all continue to keep on enjoying

the game.

Brisbane Lions should be congratulated on their efforts to involve seniors and juniors together and I'm sure that we all would be pleased to be kept informed on the progress made as many clubs do find that this is a very difficult bridge to cross. Well done Brisbane Lions.

## Q.S.S.S.S. FEDERATION

The Commonwealth Bank Bill Turner Cup has reached the final stages in the Queensland end of the competition with Sunnybank High and Nambour High winning their respective Area Finals last week. Sunnybank beat Redbank Plains 1-0 and Nambour travelled to Bundaberg where Les Killer, with the assistance of Tony Buesnel and the Association up there, put on a very good show for the boys with plenty of media coverage.

To top it all of the game was played in very good spirit and both teams are to be commended, I am told, on their sportsmanship and skills.

The other game had a few unpleasant moments on the sideline which marred what a game played in a good competitive spirit by the boys. These two teams will have played the final at Albany Creek on the 13th of this month so the results will be in the paper before the next issue of SOCCER 90 comes out.

I will include a full report next week. The winner will be playing Richmond River high from Northern NSW in the Quarter Final which is due to be played here in Queensland - hopefully at Perry Park on the 19th of this month.

\* \* \* \*

On behalf of the QSSSSF I organised a friendly match between a visiting American Club which stayed two weeks on the Gold Coast and the Brisbane North Schoolboys side, runners-up in the State Championship this year.

The Brisbane boys won 3-2 thanks to a penalty in the dying minutes. I would like to thank the Albany Creek Soccer Club which allowed me to use the ground at no cost and also helped with the after game entertainment of the players and officials. The boys were very impressed as they told us that they are lucky to have a toilet block near the ground at home let alone a change room and clubhouse.

\* \* \* \*

On the August 22 we will be running our metropolitan Finals for Years 8, 9, Under-15 and Open boys and Open Girls.

The boys kick off at 10.00 am at Perry Park and the Girls at 1.30pm at Geebung.

In the next issue I hope to be able to list all teams playing. Roger Holcroft.

## 1990 I.S.S.A CUP REACHES FINAL STAGES

Perry Park was the venue on Wednesday, August 1 for the Independent Schools Soccer Association Cup semi-finals.

After two rounds of matches in both the Under-14 and Open Divisions, the strongest GPS and TAS schools had won through to a showdown for a place in the final.

In the first Under-14 semi-final, Brisbane Grammar and St Paul's finished level at 3-all, but Grammar eventually won through 4-3 on penalties. It was a very entertaining match with the equalizer in the final minute of normal time.

As in Italy during the World Cup, penalty shoot-outs have become common fare in this competition. The other match was more clear cut, with St Lawrences College running out comfortable winners over Redeemer Lutheran College to the tune of 3-1.

All teams in this grade played open, attaching soccer and showed a refreshing will to win.

Both matches in the Open grade were very close and hard fought encounters.

Neither Villanova nor Redeemer could break through solid defences during normal time and finished nil-all. The shoot-out went Villa's way 4-2, much to the relief of their supporters and coaching staff. Brisbane Grammar and St Paul's clashed in the second match which proved to be a see-sawing affair.

St Paul's struck first but were 2-1 down at half-time only to come back strongly in the second half and eventually run out 3-2 winners.

The Association's popular knock-out competition reaches its climax at Perry Park on the evening of August 22. With four different schools reaching the final stage, the competition for Independent schools in the Brisbane region will have a truly representative flavour.

The Under-14 match between St Lawrences and Brisbane Grammar will kick off at 5.00pm followed by the Open final between Villanova and St Paul's.

Supporters from all schools can expect some high quality, entertaining schoolboy soccer.

## REPRESENTATIVE TEAM

### Brisbane Southern Districts Under-13 Tournament Buderim - 1990

The team competed in the titles at Buderim Wanderers Soccer Club and enjoyed mixed success. Playing 6 games, winning 4, drawing 1, and losing one they scored 20 goals with 4 against.

A record only surpassed by eventual winners Brisbane North. A fine achievement from the squad was that five (5) boys were selected in the Qld team to compete in Darwin at the National Titles. They are: Kent Oliver, Stephen Chalmers, Lincoln Conquest (Souths United) Darren Sime (Camira) and Ross Davidson (Kingsridge). Best wishes go with them for the Nationals in September.

<b>TARINGA ROVERS</b> <b>PINE RIVERS UNITED</b> V		
<p><b>Coach's Comment:</b> Glenn Davis - This should be a close game with both teams vying for finals' positions. However we hit some of our best form in the game against Acacia Ridge and want the three points and nothing less from this match.</p>	<p><b>Coach's Comment:</b> Bobby Hamilton - We are coming good at the right time of the season and the team is really starting to fire. Taringa have a lot to play for and so have we if we are to gain a good position in the top five. I think we can take this match.</p>

<b>NORTH STAR</b> <b>COALSTARS</b> V		
<p><b>Coach's Comment:</b> Billy Williamson - This will be a very hard game. We defeated them 3-0 last time around, but they are a hard-working, well-organised side and this match is our last home game. We are looking for a good result for our dedicated supporters.</p>	<p><b>Coach's Comment:</b> John Ogden - Now that we are out of the relegation dilemma we have a further opportunity of really enjoying our football. They are one of the best teams in the league and a win here would be excellent. We want to finish the season off at the highest point possible on the ladder.</p>

<b>PINE RIVERS UNITED</b> <b>MT GRAVATT</b> V		
<p><b>Coach's Comment:</b> Bobby Hamilton - Every game for us now is important. Points are important for the position within the top five. This is a home game and we must capitalise. We have been working to concentrate on getting more support forward to help our front men.</p>	<p><b>Coach's Comment:</b> Dick Mitchell - Pine Rivers are a very difficult outfit and good football side. Bobby Hamilton has them running well and we will have to stop them. It's just another final for us that we must win if we are to stay in this league.</p>

## Gap Under-9s Undefeated Run

"The Gap's" Under-9 Division 1 team has established a first for the club.

Last weekend the side scored a record 4-0 win over second placed Caboolture.

This was the 14th win out of 14 competition games. The team's full record is:

P	W	D	L	F	A	Pts
14	14	0	0	47	7	28

Coach Geoff Clark said the most pleasing aspect had been the boy's teamwork and determination along with some promising future players whom have the foundation to continue further in the game.

The team consists of Jacob Enkera, Ben Stewart, Ryan O'Conner, Shaun Molenda, Austin Terry, Robert Sobyra, Tim Taylor, Adam Gauld, Lindsay Lepelaar, Daniel McMahon and Michael Holmes. Coach: Geoff Clark, Manager: Danny O'Conner.

## FAR NORTH QUEENSLAND - SENIORS

1990 marks the 10th consecutive year Edge Hill have been in the Far Northern senior soccer ranks.

During that time they have never won a senior title.

However their aluminium anniversary is likely to be celebrated with two debut premierships with a double winning season in first and reserve grades.

Last week-end the Tigers of Edge Hill were able to hold out a determined and sophisticated Leichhardt who threw everything but the kitchen sink at them and still couldn't find a way through a marshalled defence.

The goalless draw coupled with the Tableland derby result where Mareeba defeated second placed Dimbulah thanks to a fortuitous own goal from Dimbulah sweeper Brian Schincariol, means Edge Hill are three points ahead of all comers with just four games to play.

Leichhardt virtually laid seige around the Tigers' goal and ironically it was a young keeper, Srecko Rogina who proved the rock.

Rogina has played all his previous soccer for the Leichhardt Lions and only went across town to the Tigers because he couldn't push his way into the Leichhardt team.

That move now looks likely to be paid off with a premiership.

The Hill have three of the difficult teams out of the way and are assured of a least four of the last eight points.

The shoe was on the other foot for the Edge Hill reserves however, they led the table by 5 points coming into the week-end but lost to second placed Leichhardt through a Noel Steel goal.

Again the reserves three point lead should be cut significantly after this coming round when Edge Hill suffer the bye and Leichhardt play a lowly placed team.

But it is difficult seeing any other team taking points off Edge Hill and they should win the season by a single point.

Dimbulah has watched the First Division title slip away in the last three rounds.

In that time they have lost two of the three matches.

Like Edge Hill Dimbulah have never won a title although they have been close on a number of occasions.

They have always been susceptible to late season jitters as injuries and absences begin to take toll. It has been the case again here.

The irony is, had this been a regular season of 14 games and not extended by a full round, Dimbulah would have had to play off against Edge Hill for the premiership because they finished level on points. Red McLellan.

## FAR NORTH QUEENSLAND - JUNIORS

This week we can look at a few statistics relating to Junior Soccer. 1988 Zone 1 figures for each age group.

	U7	U8	U9	U10	U11	U12	U13	U14	U15
1988	213	212	177	196	127	144	170	123	97
1989	336	202	205	199	181	159	106	86	70
1990	340	227	206	206	176	133	102	82	73

Analysing figures from the various age groups can produce a number of different comments.

The most glaring of these is the dropping off of players around the U12, U13 age groups.

Possibly school work, other interests or not showing out to be as good a player as expected, could be the major comments from this information.

Cairns and District are looking into the problem this year and a number of policies were adapted from earlier meetings.

One major change was the introduction of the run on and run off rule for weekly club games.

This means that each team can run on reserve players and continually swapping their players around throughout the whole of the game and players that had come off could go back on.

The biggest advantage to this run on, run off basis is players of lesser ability get a reasonable run, depending on the state of the game, taking a certain amount of worry off the coach.

The other change this year was an agreement on a number of older players playing down a division after suitable sighting of the individual player by referees and committee members.

Our Grading has also changed in a manner that we have U7, U8, U9, U10 thence U12 A & B divisions, U14 A & B divisions, Colts division.

This enables teams of outstanding ability to play in the A division and vice versa for lesser teams of ability.

We still have further work to do on this problem but I believe flexibility is a key issue when working out the grading. John Spilstead.

## ROCKHAMPTON

Bluebirds hopes of the Power's Bitter Premier League minor premiership was almost ended by Nerimbera who defeated them 2-0 in last Sunday's main game at Norbridge Park.

They are still on 18 points and must try to score a massive 19 goals in this week's two games against Southside.

If they do this and Frenchville drop a point against Berserker on Sunday then Bluebirds would win the minor premiership on goal difference.

The equation is not all that hopeless as if Frenchville are defeated by Berserker then two wins against Southside would still give Bluebirds the minor premiership.

Frenchville and Berserker played a catch up game at Ryan Park last Friday night that finished with a 1-1 scoreline.

Paul Ash had the dubious honour of putting the ball in both nets in the second half.

After getting Frenchville's goal Ash put the ball in his own net for Berserker's equaliser.

Frenchville took a three point lead at the top of the table after Sunday's 4-0 defeat of Southside.

It wasn't their season's best showing as they seemed to become frustrated with themselves and Southside's better showing.

Frenchville scored twice in the first half through Paul Ash and Brett Newman.

They then had to rely on rare errors by goalkeeper Tony Hogan for two more in the second from Darren Volling and Barry Cunningham.

Sunday's game was Nerimbera's last for the fixture rounds and they looked determined to finish in style.

They were constantly first to the ball and from the opening whistle applied lots of pressure forcing errors.

Grant Beevers had a superb game for Nerimbera and started it with a goal after 15 minutes.

Bluebirds' tactics of pumping long balls down the middle again brought them unstuck.

They have two of the best midfield runners in the competition in Todd De Courcy and Darren Jeffries but constantly by passed them.

One of Nerimbera's best was Roy Benson who had the easiest of tasks from his sweeping position to send the ball back into attack.

His combination with Norton and Beevers provided much of Nerimbera's spring board along with the clever work of their younger players led by Queensland Under-15 representative Roy Bob.

Chris Norton scored Nerimbera's second goal 15 minutes into the second half.

## SUNSHINE COAST

Seven players received yellow cards in a fiery Sunshine Coast First Division soccer clash at Ballinger Park last week.

Buderim downed Caloundra United 1-0 in the physical encounter with a goal to Scott Elliott in the last three minutes of play proving the difference.

Buderim spokesman Robbie Glover said last night it was a wonder nobody was hurt in the match.

"It was a very tough match - Caloundra are known for playing a physical game. When valuable points are being sought - things heat up," he said.

A disappointed United coach, Vic Renkovetski, said it was the fourth time this season the side had been pipped in the dying stages of a game.

"I don't know whether its because we lose concentration or what - our defence was excellent but our strikers just couldn't put it in the net."

Renkovetski heaped praise on Caloundra goal keeper Craig Long, touting three of his pressure saves as "world class".

However, it was Buderim's unrelenting attack which won the day for the home-side.

Sweeper Mick Savage, who has been solid as a rock this season put in another fine game and new signing Dave Curry as striker looked dangerous all day. Caloundra, despite its loss, retains third position behind Buderim and Begees.

In other matches Peter Cochran's Nambour notched up its first win in fine style downing Kawana 5-1.

# THROUGHOUT THE STATE

**From previous page**

Nambour's Steve Foresaw scored a hatrick and Michael Hath picked up two, while Paul Dutton netted for Kawana.

Beegees were too strong at Glasshouse, downing a depleted Woombye 5-0.

Beegee goals came from Wayne Edwards 2, Chris Hall, Dave White- and Craig Ritter.

Maroochydore and Noosa battled a hard-fought 0-0 draw at Wises Road.

Who was the Sunshine Coast senior player recently sent off the field for impersonating a dog?

It's alleged the referee caught him "watering" a goal post but it was obvious the player was barking up the wrong post, as the referee was quite dogmatic when issuing the red card.

\*\*\*\*\*

Some sanity and credibility has been restored to Coast soccer with the resolution of the Woombye/referees payment issue.

It's sad that such a petty issue created so much heartache and that it took a judge's directive to convince a few people of what had been said all along. Lets hope we can now get back to the main task playing and promoting our great game of soccer.

Fans of English soccer appear to have been kicked in the teeth last week when it was revealed that ABC TV plans to run the highlights of the football league on a Thursday night at 11pm.

Worth a letter to Auntie we think!

On the subject of English soccer, Graham Taylor has officially taken over as the new manager of England.

The former Aston Villa boss has already set his sights on 1994 stating "Success is all about winning the World Cup and that has to be my main aim." Taylor's replacement at Aston Villa is former Czechoslovakian National team coach Dr Joe Venglos.

Venglos recently made the headlines here in Australia when he was considered for the job of coaching the Socceroo's, the position now filled by Eddie Thomson.

**SOUTH BURNETT**

Wondai put in a guts effort to defeat Murgon 3-1 in their match of the round in the South Burnett Soccer League First Division clash last week.

Each team was locked at ten points on the league ladder before this game. Murgon with the worse goal difference needed the win more than Wondai, but each was aware the valuable second spot on the ladder was up for grabs with only one round to go before the finals.

Easts on a bye could do nothing but watch Wondai take their second position.

They must now beat Murgon at home on Saturday by at least three goals and hope minor premiers Wests can beat or draw with Wondai as the final round First Division games become promoters dreams.

Scores: Wondai 3 (Ogden 2, A. Wier) def Murgon 1 (Cutmore)

\*\*\*\*\*

Wondai women again put their fire power on display at home last week with a characteristic 3-0 win over Kingaroy.

As with the Second Division this weekend's final round matches will have no bearing on positions for the semis when Wondai meet Nanango in a match of the leading goalscorers and Murgon meet Kingaroy in the match of the defenders.

Scores: Wondai 3 (Fraser, Rutledge, Bleakley) def Kingaroy Nil.

\*\*\*\*\*

Wooden Spooners Nanango held 1990 minor premiers Wests to a nil-all draw in their First Division South Burnett soccer league round 14 match at Nanango last week. As Nanango have a bye in this weekend's last fixture round and could not make the final four or semi final playoffs they had to go out with a good showing.

The Blues Firsts can now hang up their boots but can be relied upon to give as much support as possible in the semis to their Seconds and women's teams. Scores: Nanango Nil Drew Wests Nil

Nanango women finally found goalscoring form last weekend when they blitzed a depleted Murgon 4-0 in the first half of their South Burnett match. In a repeat of last year's semis, Wondai will met Nanango and Kingaroy will be matched with Murgon on Sunday the 25th.

Scores: Nanango 4 (Brown 3, Hay) def Murgon Nil.

# PLAYING THE GAME RIGHT

with

**BRUCE STOWELL**

## THE CROSSING/HEADING GAME

This game simulates match conditions more than the other practices in this section because there are opportunities for heading for goal and for defensive heading.

Although heading is the priority skill, other related skills like chipping and crossing are important and the goalkeepers have the chance of a good workout.

### PREPARATION

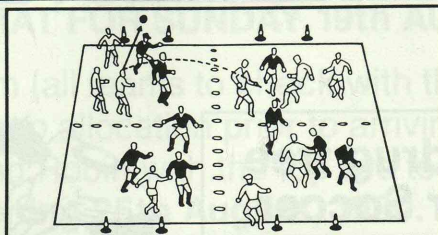

Mark the playing area out in quarters with discs and cones. The area should be wider than it is long. Use cones to make a goal in each quarter. Pick two teams and split them up so that each team has three attackers in the attacking zones and one in the defending zones plus goalkeepers.

### PROCEDURE

As its name implies, the object of this game is to get the ball into a position where a cross can be made for a header at goal. When goalkeepers get possession of the ball, they may throw or kick it (depending on the size of the playing area) for a similar attempt at goal.

### NOTES

1) Goals may only be scored by headers from

balls played from other zones. Players are not allowed to score from services within their own zone.

2) The three to one situation in the attacking zones means that attackers are able to attempt headers under less pressure than real match conditions. This means better practice from them but the coach must constantly encourage them to move around into realistic positions in relation to the angle of the cross. Otherwise attackers tend to stand around waiting for the ball to come to them instead of being on the move ready to make runs.

3) Although a very useful game it tends to be "bitty" and lacks fluency. However, with patience it can be made very enjoyable. The old favourite "first to five goals is the winner" rarely fails to produce excitement at least.

### VARIATIONS

1) The three to one attacking situation has an

obvious safety factor in it but it can be adjusted if you have awkward numbers. Three to one is however the best balance.

2) Goalkeepers gain useful practice from this game but if they are not available simply do without them. There is no reason why the size of the goals should be adjusted.

3) Initially, goals are scored from within the attacking zones but there is no reason why defenders should not score from their own zone even though outnumbered. If they are smart enough to spot a chance to head over the top into their opponents' goal they should be allowed the credit for it. At the same time it is good practice in heading from a distance with accuracy.

### CHECKLIST

1) Heading normally demands power - this comes from the whole body, not just wagging the head on its stalk. A) use the legs to jump B) Flex the trunk and C) Brace the neck and use the forehead.

2) Remember the sequence: A) run to get into position B) take off one foot C) Meet the ball at its highest point, move through it and D) Make firm contact

3) Head downwards for goal, upwards for clearance.

4) The player who gets off the ground first is usually favourite to win the ball.

### TOOWOOMBA

With Dalby and Wanderers certain to reach the semi-finals, the battle is on for third and fourth positions in the Toowoomba XXXX soccer league competition.

Solid performers, Dalby, relegated Wanderers to second position for the first time this season, after nudging out St Albans 1-0.

Wanderers having the bye game gave Dalby the perfect opportunity to hit the front in the XXXX league.

In defeating Wanderers in the President's Cup 3-2, Dalby looks the stronger of the two sides having played out a 1-all draw with Wanderers last month.

Despite being wooden spooners, St Albans continue to unsettle the stronger sides and made Dalby work hard for their victory.

With torrid defence St Albans kept Dalby at bay with Ross McGravie and Rick Cahler consistently stretching Dalby's defence to the limit.

It was not until late in the second half that Dalby hit the front through a Mark Green goal which proved enough to win the match.

After a mid-season slump, Ballandean has reemerged to creep into fourth position after accounting for University 2-0.

University's combination was non-existent during the game but a lot of credit must go to Ballandean who were relentless in attack.

Led by David Cave, the mountain men dominated the game with University's Paul Hass showing the only real resistance in a lack lustre performance from the students.

In the other match, Willowburn and Rockville played out a 1-all draw.

Rockville, through Mark Nielson, dominated the first half despite Willowburn registering the only goal through Peter Sorley.

Rockville's first half efforts paid off in the second half when Ashley Hempstead scored the equalizer.

Both sides tried desperately to hit the front, but to no avail. This result leaves both sides in a vulnerable situation on the points table.

Willowburn now lies in an uneasy third position and Rockville in fifth position.

With only five points separating the bottom four sides and with only five rounds remaining a lot of attention will be focused on fourth position.

The fight for this elusive fourth spot will prove to be a very interesting one and there is a promise of a high standard of football.

## DRUG-ARM takes drug free message to Junior Soccer

DRUG-ARM (Drug Awareness and Relief Movement) is Queensland's largest and most diverse drug and alcohol services agency. For many years, DRUG-ARM's skilled educators and counsellors have been assisting community groups and individuals to come to terms with drug and alcohol problems and to do something positive about them.

Whilst much of DRUG-ARM's work involves caring for individuals and families shattered by alcohol and drug addiction, DRUG-ARM also works to help the community avoid drug problems.

That's why DRUG-ARM staff take special interest in the activities of community youth organisations; why they invest so much time and so many resources in helping children cope with the pressures of modern living and to help them to say "no" to drugs.

"We want children to know that 'Everyone's a Winner' if they remain drug free," says DRUG-ARM Awareness Programs Manager, Mr Mark Brown.

"Junior soccer is a particularly important sport in this country because so many children are involved. Our displays and other activities at Junior Soccer Carnivals help us to reach not only the young players but also many of their parents."

Anyone wanting to know more about DRUG-ARM's Awareness activities can contact Mark at DRUG-ARM on 844 7474.

# INTO THE NET

**Congratulations to Ian Brusasco on being appointed to the Board of the TAB. Who knows - Footy Tab on the Summer National League may become a reality after all.**

On the field is where the work effort really counts, so "Well Done" to John Sullivan (Brisbane North President) and Des Miles (our friendly Referee) who, along with some other willing souls, refereed at Perry Park during last week's Primary Schools Championships.

**DARRA 3rd Division Reserves showed how to turn looming disaster into success when they defeated NORTH STAR'S XXXX 3rd team 3-2 in last week's elimination round of the QAN-TAS CUP. A slow-moving, perhaps hypnotic ground shot that rolled past the "Red's" goalkeeper in the first few minutes plus a second North Star goal had them on the ropes at oranges, but an attacking attitude in the second-half saw the "Winners-are-grinners" feeling, sweep the Darra Camp. A tip to Darra's opposition in the Cup - don't take them cheap!!!**

"V" for Victory and "V" for Virginia as the club tries hard to take out the double by winning the Fifth and Seventh Divisions where both teams are doing very nicely, thank you!!

**Time is running out for tickets to the MISS QUEENSLAND SOCCER QUEST Final and Dinner Dance on August 25, as catering arrangements have to be finalised by Monday, August 20. SO, please book your Club table when ordering your tickets from Soccer Headquarters and support your Club's Entrant.**

One of the Entrants in the "Name the Soccer Character" competition caused much laughter at Soccer Headquarters when he suggested the name of one of the Q.S.F's Management Committee members would be appropriate. Though not the winner, the young lad deserves full marks for working out who does the "Soccer Boy" tips - and with some success, too!!

Those spectators who turned out to see Brisbane City clash with Rochedale at Perry Park last week could be forgiven if they thought they had come to a cricket match. City won the, at times scrappy game, seven goals to two as the back of both nets received a solid work-out.

# MATCH REPORTS

## Pine Hills 3 d Leichhardt 0.

A strong cross wind made play difficult and untidy with both teams relying on long balls for their forwards to chase.

It was Hills that adapted to the conditions quickly and scored their first goal through Peter Tong who finished well after some good lead up work from Gavin Steele.

Leichhardt pushed forward several times and forced Hills keeper Brett Longheed to make some fine reflex saves.

The second half was much the same although Hills were slow to start allowing Leichhardt too much time on the ball.

Some stoic defence by Hills sweeper Paul James was needed to keep them at bay.

Slowly Hills took control once again and started to play the ball around.

It was during this passage of play Gavin Mcleod put in a fine searching cross that found Peter Tong again for Hills' second goal. Tong

proved unstoppable today and was only a matter of time before he scored his hatrick.

## Reserves: Pine Hills 2 d Leichhardt 0.

A spirited Leichhardt performance was not enough to dull the Hills side who played with confidence and discipline.

Although Eagles pushed forward several times they rarely threatened Hills goal.

Hills first goal came midway through the first term when Geoff Nicholson pounced onto a loose ball spilled by the Eagles keeper. In the second half the strong wind did its best to spoil the game but Hills continued to play the ball around.

Brad Rowlingson scored Hills' second goal after some strong work from the midfield.

Late in the match Hills forward Phillip Kelly took on Eagles defence and it was only some desperate tackling that kept him at bay.

Steven Clean and Rod Price also played well for Hills.

## UP TO THE MINUTES (Extracts from QSF Management and Council Minutes)

### Industrial Yugal - Division 5

Resolved to withdraw Industrial Yugal from the Division 5 fixtures for the remainder of the 1990 season.

Clubs yet to play Industrial Yugal in Division 5 will automatically have 3-0 credited to them in the goals column, and will receive the 3 match points for a win.

### Papua New Guinea Football Association - State Coach

Resolved the letter be received requesting the use of Bruce Stowell to assist in the preparation for the South Pacific Games, approval was granted subject to satisfactory financial arrangements being made.

### Opening

In formally opening the Council Meeting for August the Chairman advised that an appeal had been lodged against a Management Committee decision.

Acacia Ridge requested that Mr G Rogers, Team Manager, speak as a witness for the club, he being the person directly involved in the matter.

The Chairman allowed Mr Rogers to speak on behalf of the Club and he outlined the grounds of their appeal.

Lengthy debate took place, with a number of questions being asked from a number of Delegates to both representatives of Acacia Ridge Soccer Club, and the Referee, H. Marron, who clarified a number of points.

Moved Acacia Ridge, seconded The Gap, that the appeal be upheld - motion lost.

### South Queensland Soccer League

The Delegate for Nerang referred to the South Queensland League and expressed concern at the time that had been taken during 1990 to finalise a proposal for the 1991 season.

He therefore requested that a motion be placed before the meeting concerning a review of the scheme.

Moved Nerang, seconded Acacia Ridge, the introduction of a South Queensland League be deferred until the 1992 Season, to allow for adequate preparation for implementation of such a scheme.

The motion was then put - carried.
