**EDITORIAL:**

Congratulations to our new Miss Queensland Soccer, Samantha O'Brien from the Redlands Soccer Club.

Twenty-year-old Samantha won the Miss Soccer Quest from a record 33 competitors and took out the major prize courtesy of Qantas.

Samantha was crowned at a gala evening last Saturday night at the Italo-Australian Centre at Newmarket with 390 club supporters in attendance.

The Miss Fundraiser title went to Peta Oldfield, representing the Newmarket Soccer Club.

Peta raised the outstanding amount of \$10,000, which only goes to prove that clubs can reap the benefits by getting behind their quest entrants.

It was also great to have an entrant in this year's Miss Soccer Quest from Far North Queensland in Victoria Marmara.

It is hoped that all Queensland affiliated Federations will have an entrant in the State-wide quest next year.

Victoria and Allison Green, representing the Beenleigh Soccer Club, were the two runners-up on the night.

On behalf of the Queensland Soccer Federation we would like to thank all the girls who participated in this year's event.

What an exciting finish to the 1990 XXXX premiership season.

Who will be relegated, who will make the top five? These two questions remain unan-

swered with the last round of home and away fixtures to be played this weekend.

Here are the facts and possible scenarios - Olympic United have ended their run in the XXXX League competition for this year.

It is now up to Olympic to re-group and to force their way back into the XXXX League come 1992.

As yet we still don't know the team who will be joining Olympic in Second Division next year - it's anyone's guess between Acacia Ridge and Grange Thistle.

Grange Thistle have drawn a very tough match for their last game of the season facing up to premiers Brisbane Lions.

If you are a punter you would have to tip Lions to beat the men from Grange, but a little Scotsman named Iain Fagan may have other ideas.

Grange need to defeat Lions 1-0 this Friday and hope Acacia Ridge lose to Mt Gravatt 1-0.

If that sequence of events occurs Grange will have survived and Acacia Ridge will find themselves back in Second Division.

However a win or a draw by Acacia Ridge in their match against Mt Gravatt will seal Grange Thistle's fate for good.

Real nail-biting stuff isn't it?

Soccer has been built on the relegation system, but nobody said that you to like or agree with it.

## A Gala Night to Remember

Soccer playing Samantha O'Brien was crowned Miss Queensland Soccer at a lavish function at the Italo-Australian Centre last Saturday night.

Samantha, representing the Redlands Soccer Club, won the prestigious event from a record 33 quest entrants.

The 20-year-old collected \$5000 worth of free air travel from Qantas as the major prize winner.

Already an experienced world-traveller, Samantha was delighted and shocked by her win.

For the next 12 months, she will represent the Queensland Soccer Federation at various games and functions.

A final year law student at Queensland University of Technology, Samantha plays for the Redlands Soccer Club First Division team.

Her side was winner of the 1988 grand final and 1990 minor premiership.

She has been selected in the Queensland open team to contest the National Titles in Sydney starting September 16.

During her five-year involvement in soccer, Samantha has represented Queensland and Australia at youth level.

In 1987, she was captain of the first Australian Youth team to tour America and competed in the International Dallas Cup.

Other sport interests include tennis, hockey and swimming.

Samantha lives on campus at Griffith University, where her father, Dennis O'Brien, is senior mathematics lecturer and director of residences.

After her graduation this year, and two years as an articulated clerk, Samantha's ambition is to become a solicitor of the Supreme Court of Queensland.

Peta Oldfield, representing the Newmarket Soccer Club, was named Miss Fundraiser.

Peta raised an amazing \$10,000 for her club.

Runners-up were soccer referee and player Allison Green, of Beenleigh Soccer Club and Victoria Marmara, of Innisfail, representing Far North Queensland Soccer Federation.

As women's Soccer begins to wind down in Brisbane, we look forward to 1991 and to the changes we can bring about to improve our Association.

For the past three or four years we have tried to run a junior competition such as an Under-12 or Under-14 event, but so far we have been unsuccessful.

We have certainly had interested players, but not enough teams to make a competition viable.

At the moment, in some clubs, there are a few little girls playing with the boys up to the age of 11.

However, a lot of these girls are there by accident and not necessarily invitation.

What the S.Q.W.S.A. would like to see happen in 1991 is that junior girls be aware that they

are welcome at clubs where their brothers and friends play.

If a particular club only gets one or two girls interested in signing on, then we are delighted if they are included in the boys' teams.

However, it would only need six girls to form an Under 12 team.

If there were enough teams interested in 1991, the S.Q.W.S.A. Fixture Controller would certainly form a Competition for them.

An even better situation would be enough teams interested so as to have a Northside and Southside competitions.

Women's soccer needs to foster their nursery of players in the same way that boys' soccer does.

Soccer is one of the very few team sports that can be enjoyed by all the family.

There are teams out there for dads, mums, boys and girls but we must all work together to make it our family sport.

I wonder how many little girls go along to watch their brothers train and play and wish they could play too?

The Australian Women's Soccer Association holds an Under-16 National Titles.

In other States the girls who make up the bulk of these teams have been playing in schools for about six to eight years.

Unfortunately most of our players are only exposed to soccer at ages 12 or 13 in 80 per cent of cases.

The skills that all players develop, whether male or female, are more easily learnt and mastered at an earlier age and thus we would like to see girls playing soccer earlier.

Those female players who have come through the ranks in the past having played with boys teams at a young age have been so much better equipped to play at State levels.

So in 1991 when clubs advertise their sign-on days, it would be great to see the word "girls" included somewhere in the advertisement, letting them know they are welcome.

# FRANKLY SPEAKING

with Frank Liddell

After a relatively slow and uninspiring start to the season, Ipswich soccer has seen a mini revival over the last eight weeks with steady performances in the First and Second Divisions.

Under the guiding hand of John Ogden, Coalstars have maintained their position in the XXXX League displaying all the fighting qualities of a team wanting to avoid relegation.

John has used a good policy at the Ipswich club, mixing talented youngsters with the more experienced players such as Mark Brusasco, Alan McFarlane and Stu Weston.

In the meantime at St Helens, Nigel Lowndes has shown he is not a man to resist a challenge by guiding his team to third position on the ladder.

Several weeks ago it looked as though St Helens would miss the final five but now they are assured of a finals berth.

With the talk of a combined Ipswich side being introduced into the S.E.Q. League, the future looks bright for the Coal-mining city who could once again become a force in Qld soccer.

\*\*\*\*

The next month of soccer is going to be very important for Brisbane Lions and the QSF.

Many players in Queensland will be eagerly awaiting the results of Lions NSL play-off game against Adelaide on September 5. If Lions can come away from Adelaide with at least a draw, I feel we will be in a great position to win the play-offs.

There will be a lot of pressure felt at Lions during the next month with the finals series also being contested. Hopefully we can rise to the challenge and ensure the future of soccer in Queensland.

\*\*\*\*

The battle for final five positions will continue right up to the last series of fixtures.

With Lions, City and North Star already in the finals, the other two places are a raffle between Pine Rivers, Easts or Taringa.

However, Pine Rivers with a superior goal average, are almost certainly there, I am sure Bobby Hamilton will be looking for a win at home

against Taringa on Saturday.

If Taringa lose they will finish on 34 points. Easts on 32, which will then have a big incentive to beat North Star on Sunday.

Not only is it down to the wire at the top, but it is also tight at the bottom.

Olympic United will be in Second Division next season, but the team who joins them is still not known.

At the moment it's a toss up between Acacia Ridge and Grange Thistle. Grange need to beat Lions and hope Acacia Ridge get done by Mt Gravatt to stay up and vice versa for Acacia Ridge.

## LAW AMENDMENTS for next season

### LAW XI - OFFSIDE (1)

#### New Text

(1) A player is in an off-side position if he is nearer to his opponents' goal-line than the ball, unless: (a) he is in his own half of the field of play, or (b) he is not nearer to his opponents' goal-line than at least two of his opponents.

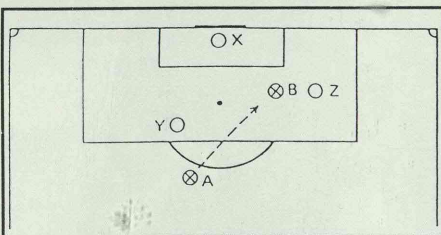

#### New Text

(3) A player shall not be declared off-side by the referee (a) merely because of his being in an off-side position, or (b) if he receives the ball, direct from a goal-kick, a corner-kick or a throw-in.

### Law XI Off-side

Decisions of the International F.A. Board  
**NEW DECISION (2)**

(2) A player who is level with the second last opponent or with the last two opponents is not in an off-side position.

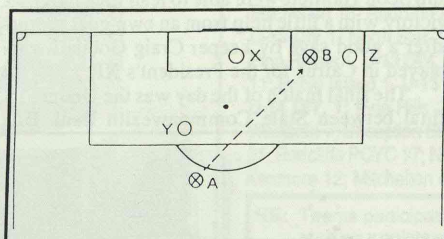

NOT OFF-SIDE (Diagram 1)

(See Diagram 1)

Clear pass to one of the same side

A is in possession of the ball, and having Y in front passes to B.

B is not off-side because he is not nearer to his opponent's goal-line than at least two opponents when the ball is passed by A

### NOT OFF-SIDE (Diagram 2)

Clear pass to one of the same side

A is in possession of the ball, and having Y in front passes to B.

B is not off-side because he is level with X and Z when the ball is passed by A and is therefore not nearer his opponents' goal line than at least two of his opponents.

The International F.A. Board furthermore issued the following mandatory instruction, the advantages of which have already been demonstrated at the final competition of the 1990 World Cup in Italy.

If, in the opinion of the referee, a player who is moving towards his opponents' goal with an

obvious opportunity to score a goal is intentionally and physically impeded by unlawful means, i.e. an offence punishable by a free kick (or a penalty kick), thus denying the attacking player's team the aforesaid goal-scoring opportunity, the offending player shall be sent off the field of play for serious foul play in accordance with Law XII (n).

You are also requested to note the following two recommendations issued by the Editorial Committee of the International F.A. Board and which have the full support of the FIFA Referees' Committee.

#### A) Injured players

The referee should prevent a player who is bleeding profusely from taking any further part in a match until he has been adequately treated and the bleeding has stopped.

#### B) Field Marking

A mark may be made off the field of play, 11 yards from the corner flag and at right angles to the goal-line, to help the referee ensure this distance is observed when a corner kick is being taken.

We should be grateful if you take note of the foregoing decisions, instructions and recommendations and undertake the necessary steps to enforce them.

## BRISBANE SOUTH

All Brisbane Southern Districts fixtures are now completed for teams from Under-9 to Under-14 with only Under-15 and Colts undecided.

Results from the Under-9 and 10 competition indicate just how close it went to determine the winners.

Under-9 Div. 1 went Acacia Ridge 28, Coalstars 27, Inala 26 and Centenary 20 from St Helens and Annerley also on 20 but beaten by goal average.

Division 2 had an even closer competition with Loganholme and Beenleigh neck and neck on 26 points, closely followed by Redlands 25 and Kingsridge 24. Loganholme finally taking top spot by 4 goals.

Division 3 saw Clairvaux 33 clear over Tudor Rovers on 28, Oxley 22.

Fourth position was finally allotted to Souths United after a count of goals with Acacia Ridge, Oxley and Centenary all of whom ended on 19 points.

Loganholme led the way in fourth division to win with 35 points, followed by Mooroondu 30, Capalaba 21, and Redlands 18.

Southside Eagles 33 topped division 5 followed by Loganholme 27, Souths United 26 and Capalaba 21.

Division 6 saw Kingsridge 28 clear Souths 22, Loganholme B 18 and Capalaba 13.

Division 7 needed to rely on goal averages twice to settle the final four places. Ipswich City 31, were followed by St Helens and Oxley A on 27 with St Helens taking second place, Oxley 3 third by a margin of four goals, and Lions and Coalstars both on 23 fought for fourth place with Lions making it by just 1 goal.

\* \* \* \* \*

Under 10's Division 1 saw Capalaba 35 lead Clairvaux on 29 with Souths and Mt Gravatt third and fourth respectively on 27. Coalstars 23 just beat Kingsridge 20 with Ipswich City 18 and Mooroondu on 16 taking the places in second division.

Division 3 saw Oxley 27 in first place with Beenleigh 23, Annerley 16 in third place over Mt Gravatt 16 by goal average.

Division 4 needed no goal average to determine the places with Camira 35, Inala 31, St Helens 27 and Jimboomba 23.

Coalstars 22 had a one point win over Acacia Ridge 21, with Beenleigh 19 and Camira 12 in seventh division.

Slacks Creek juniors gear up with final fever for their play offs to end the season on a strong note. Slacks Creek Division 1 Colts will be aiming for back to back grand finals when they participate in this year's semi finals for the James Steward Shield.

In fact five of the team will be going for the hat trick after sweeping all before them in the 1988 Under-15 Div. 1 competition.

Creek's Under-15 Div. 1 is also into the semi finals after an extremely successful season.

This team has shown true club spirit and given the Colts loyal support when required even though their own team has been heavily committed with fixtures in recent weeks.

Not to be out done, the Under-11 division 4 team have made it to the finals and are delighted at their achievements this season.

## Q.S.S.S. FEDERATION

Wednesday August 22 was a big day at Perry Park on the School Soccer Calendar with the completion of the Secondary Schools' Metropolitan finals and the ISSA Cup Finals.

The Boys Metropolitan finals kicked off with the Year 8 game between Wavell High School and Alexandra Hills. A very determined Wavell attacked Alexandra Hills' goal from the whistle but the scoreline remained nil-all at half time.

In the second half Wavell scored twice to take out the trophy 2-0. Clairvaux-McKillop College took on Marcellin College in the Year 9 final and won 2-0 after a hard fought game which saw a nil-all half-time scoreline.

The two teams were well matched in the skill department but it was Clairvaux's speed up front which finally saw them through to victory.

Game three was the "A" Grade final between Pine Rivers and Mt Gravatt with Mt Gravatt running out winners 3-0. Both of these teams boasted their fair share of Brisbane North and Brisbane South Regional players from the recent State Championship in Cairns.

Pine Rivers player Jeff Scott is in the State Squad to go to Melbourne and Mt Gravatt's Dean Drakos and Paul Georgiou are shadow players.

Pine Rivers battled well despite missing players through injury, but in the end Dean, Paul and Scott Hamlett were able to lead the charge to victory with a little help from an own goal scored after a good save by keeper Craig Goodall who played in Cairns for the President's XI.

The final match of the day was the Under-15 final between State Commonwealth Bank Bill

Turner Cup Champions Sunnybank and Corinda. Sunnybank continued their winning form by coming out 1-0 winners in what was a very hard fought game in which Corinda almost equalised in the dying minutes. Sunnybank's goal came from a free kick converted by Simon Kalaba.

To their credit Corinda never gave up and I feel sure that David Munn would agree with me that it was one of their hardest games this season.

The dust hadn't settled when the combatants in the ISSA Cup arrived to do battle in the Under-14 and Open finals.

First up were Brisbane Grammar and St Lawrences competing for the Under-14 honours.

In a very evenly fought contest St Lawrences led 1-0 at half-time. In the second half Grammar came back strongly to score twice and take the game with a convincing 2-1 scoreline.

In the Open final between St Pauls and Villanova, it was the underdogs Villanova who opened the scoring in what was to be a game of two halves.

The first half was Villanova's, and they went into the dressing-room 2-0 up thanks to goals from Fab Cannizzaro and Richard Dashwood.

In the second half a more determined St Pauls pulled the score back to 2-2 with some outstanding play from Michael Jaenke, Alan Moore and Aaron Douglas.

That is how the score stood at full time, and also after extra time, so the game went to penalties. St Pauls eventually emerged victorious 5 penalties to 4.

Whilst the boys were hard at it at Perry Park the girls were playing their Open Girls Metropolitan Final at Geebung in blustery conditions.

All Hallows and Sunnybank High both came into the final after scoring 7 goals in their semi-final matches and promising to make the final interesting.

As with the Open Boys these two teams boasted some Regional and State players in their ranks. Sunnybank's State player is Anna Mavrikakis and All Hallows' Captain Joanne Healy joins us this year as a State player.

All Hallows also had Margaret Abrew and Ingrid Franke who were State Team members last year. It was a hard fought game with All Hallows getting away to a 2-0 lead.

Both teams played well in the wind and had several chances to score.

Congratulations to all teams on a fine effort, and to those teams who went home winners on the day. Roger Holcroft (President Q.S.S.S.F)

## REPRESENTATIVE TEAM

Under-15

State Championships  
Brisbane South

The team played their games at North Star Soccer Club during the Easter holidays. In their games they defeated Far Nth Qld 4-0, North Qld 4-0, Sth West Qld 2-0 and drew 1-1 with Sth East Qld.

The final was to be Brisbane Sth v Sth East Qld however, weather conditions ruled out the final being played and both teams were declared joint winners.

Five players, Michael Grazier, Simon Kalaba, Christopher Roche, Robert Le Cocq and Scott Moran were selected in the Qld Team which played at Cambletown in Sydney in July. The team played the curtain raiser at the Charlton Athletic v Queensland match at Perry Park on June 10 and won a close game 2-1 against Sth East Qld.

## FAR NORTH QUEENSLAND

Far Northern soccer has reached that anti-climatic stage when the premierships have all but been decided.

We now almost certainly know who is going to win the home and away series in every grade.

Only an amazing San Francisco 1906 size collapse could rob Edge Hill's first and reserve grades and Leichhardt's youth grade of their respective titles. Edge Hill travelled to Dimbulah, knowing that if they came through this stern test unscathed they would virtually confirm their debut premiership.

Well they were outplayed for much of the game by the home side who, in second place, had an outside chance of the premiership if they had won.

Dimbulah took the lead and while they controlled play during the second half, Edge Hill broke quickly in their style and Mark Waddingham was brought down in the area.

Coach Bill Amey who has been a regular player this year after the 1989 sweeper moved to another club, took the penalty and knocked the ball against the post for a heart-stopping moment before it bounced in.

The draw meant Edge Hill remained 3 points clear of Dimbulah and Leichhardt with two matches to go - almost a foregone conclusion. One of those will be difficult and one they will win easily. Meanwhile Leichhardt met the other Tableland team, Mareeba at home in a fiery and controversial match. Both sides came off the field choked with anger over some refereeing decisions.

People were still arguing about the 2-2 draw later that week. Referees countered that more ex-players should join the refereeing ranks.

I know why more players don't become refs. Because they fear the verbal abuse that they and other spectators inflict on the man in black.

In the youth grade Leichhardt moved to a point of retaining their premiership with a 9-0 drubbing of Mareeba.

In the volatile reserves, Edge Hill are also a point away from certainty when they thrashed Atherton 6-0 and nearest rivals Leichhardt and Mareeba played out a goal less draw.

Everything should be decided this coming week-end. Red McLellan.

## FAR NORTH QUEENSLAND - JUNIORS

Every Sunday night I get home late and as usual I write an article for Soccer 90 and this week I found it hard to think of something to say, but the game must go on.

So here we go, have you read my last 24 write-up? No, of course you haven't, that doesn't stop me from trying to pass on the message once again.

There are people who dedicate themselves to the cause and back up every week and irrespective of whether they are appreciated or not they continually persevere with the situation.

We are now into our semi finals and parent expectancy is at a high, anyway the kids have found their level for the year's efforts and either satisfaction or disappointment is the order of the day, why are we so demanding. Next year let's look at whether we are expecting too much from our kids or are our kids so brilliant.

Adjustment to their basic needs is what we should be looking at, natural talent doesn't come easy, the kids find their own level away from parental environment and very slowly in some cases.

The players of today do have to be impressive to be a representative player but let it fall into place and if it takes another year then let it be.

Let us appreciate the fact that our kid has participated and enjoyed the year's soccer, if they are winners or losers doesn't really make a whole lot of difference. The Finals are next week - good luck. John Spilstead

## ROCKHAMPTON

Nerimbera made sure of a place in the Power's Bitter Premier League preliminary final on September 9 with a close fought 2-0 win over Berserker last Sunday. The game was played in a tremendous spirit with both sides concentrating on using the ball well.

Berserker started the game in the more positive manner and it took good goalkeeping by 15-year-old Steve Ramsay to keep them out. Grant Beevers was again in good touch for Nerimbera in the mid-field sending many probing balls through for his strikers. However, they weren't able to make full use of them as Brad Smith was again showing out in the Berserker back four.

Berserker's ability to get the ball out wide coupled with the steady play

of Rick Wiley and Ian Stuart probably gave the best of the first half but they went to the break a goal down. A goal mouth scramble almost saw the ball over the line for a Berserker goal.

Another two inches could have seen a different complexion come over the game but two minutes later Nerimbera broke and Andrew Palmer rounded the defender to put them in front.

Nerimbera always looked good on the break with Beevers, Chris Norton and Lance Laphorn coming forward quickly. 15 minutes into the second half Chris Norton put Nerimbera further in front when he used his height to get above the defenders to head home a Beevers free kick.

To their credit Berserker kept going forward with Brad Smith leaving his defensive duties in an attempt to get them back in the game.

\* \* \* \*

Nerimbera won the major Women's Division semi-final against Southside thanks to a Toni Barrett goal. Berserker won the Women's Minor Semi-Final with a heart stopping extra time 1-0 win over Blue-birds. The goal scorer being Caryn McEachran.

## SUNSHINE COAST

Cooroy Soccer Club is likely to reform for next season after a five-year closure. More than 40 people attended a meeting to support the reformation of the club for the 1990/91 soccer season last week.

A final decision will be made at a public meeting next month on whether the club will definitely go ahead with competition next year.

The meeting will also resolve whether the club will affiliate with the Sunshine Coast or Gympie association.

\* \* \* \*

Caloundra United Soccer Club have reappointed Vic Renkovetski as coach for next season. Renkovetski is the first coach in the Sunshine Coast Soccer Association to be notified of an appointment for the 1991 season.

He said while he already had plans for the club for next year, to look beyond this year's championship would be a dangerous ploy.

"Next year it should be easier for us, because the boys will have gotten more use to my style," he said. And his approach, labelled the "hardline" by some of his charges, appears to be paying dividends.

In his debut year with Caloundra, Renkovetski has coached the First Division side into third place and taken the Second Division side to the top of the table with only one match remaining.

Renkovetski said the thrust of his coaching was to get players to realise their choices and let them decide on the right way to do things.

\* \* \* \*

A frustrated Nambour coach this week spoke of his team's lack of commitment in the Sunshine Coast Soccer Association Premiership in 1990.

Peter Cockram admitted it was a case of too little too late for his team after a morale-lifting 2-1 win over Maroochy-dore last weekend.

Unfortunately it's coming at the wrong end for us - there is a lot to be done," he said. The win was the second of the year for the Nambour and lifts them up half a position to take an equal share of the wooden spoon with Woombye.

Nambour meet Woombye in the final game of the season this week.

## SOUTH BURNETT

West's First Division premiers will defend their 1989 title having ensured themselves a spot in the South Burnett Soccer League Grand Final. This follows West's a 3-2 win over Wondai at Nanango in the major semi-final last Saturday. Wondai will now meet East's this week in what should be a cliff-hanger preliminary-final. The winner will meet West's in a fortnight. Scores: West's 3 (Parsons 2, Andrea) Def Wondai 2 (McKay)

\* \* \* \*

East's ended Murgon's march towards the grand final with a heart-stopping penalty shoot-out win in their First Division knockout semi-final last week. East's won the match on penalties 5-4 after extra time following a 1-1 drawn result at the end of normal time.

The entertaining Murgon hang up their boots, but East's live to meet Wondai at home in the preliminary final this week. Scores: East's 1 (W. Broderick 5 penalties def Murgon 1 (Cutmore) 4 penalties.

\* \* \* \*

Wondai women, the present Premiers, ran in three first half goals to rout Nanango 3-1 last weekend. In a powerful display Wondai ran Nanango ragged to ensure their fourth grand final in as many years.

They had too much experience, firepower and first use of the strong wind. Nanango literally handed Wondai a penalty five minutes into the game which Alison Rutledge promptly despatched.

Nanango must now overcome Murgon, who defeated Kingaroy 1-0 in their knockout semi-final. This preliminary final will again feature Nanango's strike power against Murgon's rock-wall defense.

Scores: Wondai 3 (Rutledge 2, Hockey) def Nanango 1 (Brown), Murgon 1 (K. Bolger) def Kingaroy Nil.

## SOCCER FOR DISABLED

Rochedale Rovers Soccer Club are eager to form and promote "Soccer for Disabled".

There is no reason why Disabled Persons cannot play Soccer, every other sport involves the disabled - except Soccer.

Up to now, no one in Queensland has had the confidence that disabled persons can play soccer, but we of Rochedale Rovers are prepared to give these persons this opportunity.

There are many forms of disability, Cerebral Palsy, Spina Bifida, Amputees, etc.

These teams will be for all, intellectually and physically disabled.

Primary teams will be from Brisbane, but hopefully this will soon grow to other areas in Queensland and further to a National basis. Any Disabled person interested in playing Soccer are asked to phone the President of Rochedale Rovers Soccer Club, Bob Baldwin on 341-7076.

Rochedale will be seeking help from other Brisbane Clubs or anyone interested in this venture.

A major sponsor or sponsors will be a necessity for the formation of "Soccer for Disabled".

The "Kick-Off" for "Soccer for Disabled" will be an All-Star match between Australia (elect) v Ireland (elect) to be played at Underwood Park Rochedale on Sunday, October 7 (kick-off at 2.30pm). The curtain raiser will be two Junior Teams - to be announced.

Admission will be a donation - Adults \$5.00, Children \$1.00, Disabled persons free.

And all proceeds will go to "Soccer for Disabled".

### "THE MATCH OF THE YEAR"

## Letters to The Editor

Dear Editor,

I was lucky to be one of the 20 boys picked in a coaching clinic by Craig Johnston at Perry Park on the 4th of August, sponsored by AMP,

First we were presented with a T-shirt and introduced to Craig Johnston, then we had some shooting practice, when Craig sent me to one side and then with another boy, we were made as examples of how to shoot the ball.

Craig said that we were the two boys who could shoot correctly. After that we did some heading and by this time it was lunch time. After lunch we did some shielding of the ball and then we had a game with Craig.

It was good to have a game with him and then we got a photo taken with Craig and as a group and then he was signing autographs.

After all that the day was over, it went so quick.

It was a day that I will remember for a long time. I would like to thank AMP for putting this day on.

Allan Golinski Under 12 Div. 1 Slacks Creek.

**Editor's note:** Allan hope you are still playing the great game in 20 years time.

Dear Editor,

In regards the article about soccer draws, here is a suggestion. A goal scored outside the penalty area could be worth 3 points, inside this area 2 points and inside the six-yard box 1 point. This would not only prove to be a way of reducing draws but also giving teams a way of trying to score more often.

This is because one goal, scored by each side, would not necessarily mean a draw - it would depend on the position from which the goal was scored.

This would also increase the total score result and may make the game more interesting to the public as this could encourage long range shots even if the areas were made circular rather than rectangular.

As a coach of young players and a fan of the game I should point out this idea came from my son who is a keen soccer player.

Yours sincerely,  
Mr Jan Schipper.

# PLAYING THE GAME RIGHT

with **BRUCE STOWELL**

This week we look at the "Circle Ball Opposed Practice".

This is a development of the previous practice but only one ball is used and active opposition is introduced.

### PREPARATION

Using the same area as that for "Circle Ball", call two of the players into the centre of the circle. Start with just one ball.

### PROCEDURE

The players on the outside have to pass the ball across the circle to each other without

either of two players on the inside touching it. The two on the inside chase around trying to make contact with the ball.

Whoever succeeds changes places with the player who last played the ball.

### NOTES

1) Players on the outside are not allowed to touch the ball until it has crossed the line marking the perimeter of the circle.

Conversely, the players on the inside are not allowed to touch it after it has passed out over the line.

All passes must cross the line twice to be fair.

This cuts out any tendency to play safe by passing to the next player.

2) This is a good time to re-enforce comments about the timing of the release of a pass.

Encourage players to pass early and life will be very difficult for players on the inside.

3) Normally it does not take long for players on the inside to make contact with the ball.

However, if they are having no success

don't let them stay there for ever. Change them over but make them pay a penalty.

4) Remember that this is a practice for control as well as passing, so keep an eye on the control shown by players on the outside.

Make them be realistic about controlling distances behind the line.

Also if the ball goes past a player on the outside it is up to the coach to judge whether it is the fault of the passer or the receiver.

Make one of them change places with the player who has been the longer on the inside.

### VARIATIONS

1) Always start with one ball but later you can bring in another if you think the level of skill will stand it.

2) Increase the number of players on the inside.

By increasing the number of balls and players the practice becomes more exciting but at the same time more difficult to control.

3) Limit players on the outside to two touches - one to control, one to pass.

# INTO THE NET

The records tumbled last Saturday night at the Miss Queensland Soccer Quest Final as a record number of entrants (33) were presented to a record crowd of 390 who participated in a record number of raffles and door-prize giveaways (20).

**Bad luck story of the Quest was the loss by Gabrielle Sell (Southside Eagles) of the centre Sapphire from her Engagement cluster ring. Search parties on Thursday night failed to find the precious gem.**

Shelved plans for a merger between two southside XXXX League clubs could be resurrected following some interesting table-talk at the Quest.

Noted absentees from this year's Miss Soccer function were Ian Brusasco and Jim Gilbert, both laid low with one of this Winter's knock-down ailments.

A marathon effort is the only way to describe the work put in by Quest judges John Bryce (QANTAS), Helene Stacey (The Sunday Mail), and Jodi Bache (June Dally-Watkins), with the preliminary judging seeing them wind-up at 11.45pm last Thursday night. All three judges collectively have participated in many Quests and were very impressed with the way all entrants presented themselves. The comment was made that in most Quests the standard of entrants varies, but in the Miss Soccer Quest the standard was very high right through the group.

Which Club currently has the best turfed goalmouths in all the kingdom? Check out McCook Park, who are obviously spending some of the cash raised by Peta Oldfield who won the Miss Fundraiser prize at the Miss Q Quest.

Plans afoot at a few Clubs to get into top dressing and returfing where necessary as soon as this season's final whistle blows. Is your Club at the READY-SET-GO mark?

Final round of the XXXX League sees three matches this Saturday night spread geographically wide enough to attract good crowds at each venue.

Good luck and good football to all the teams who have made it into the Finals. Congratulations to those who have won promotion, and to all teams who participated, THANKS FOR A GREAT AND ENTERTAINING SEASON.

# MATCH REPORT

**Pine Hills 0, Capalaba 2.**  
 Hills needed to win this match to keep their top four aspirations alive, but blew it.

With two matches to go, all Hills have to play for now is pride.

Conditions were not conducive to good soccer with a bone-hard pitch and strong swirling winds and Capalaba being able to conquer the elements better.

For most of the game Hills lacked leadership and direction. A penalty midway through the second half opened the scoring for Capalaba with a second goal with fifteen minutes to go sealing Hills' fate.

**Reserves: Pine Hills 1, Capalaba 0.**

It was a tall order for Hills to take on the team at the top of the table, but at the end of the day it was their will to win that proved the difference.

Capalaba, a good ball playing side, just couldn't come to terms with the uneven surface and the swirling cross winds and rarely threatened Hills goal.

Hills were less attractive but more effective and had four goal scoring chances in the first half.

The sniff of victory was always there, but Hills had to wait until eight minutes from time before Phillip Engstrom found the net.

## UP TO THE MINUTES

*(Extracts from QSF Management and Council Minutes)*

**ASF DEVELOPMENT FEE**

The Chairman tabled a letter expressing concern from the ASF at the poor response to the submission of funds for the ASF Development Fee and relevant to National Teams funding.

After discussion with the Treasurer concerning funds that had not been received from our affiliates, it was resolved to send an interim amount to the ASF with the balance to be forwarded after an urgent follow up with the appropriate affiliates.

**FIELDS SPORTS COMMITTEE**

The Chairman reported on a recent meeting that had been held by the Queensland Field Sports Committee, and discussions that had taken place with representatives from the Brisbane City Council on a number of issues, with the matter of excess water rates being closely looked at by the Council.
