## EDITORIAL:

The final five has been decided.

Congratulations to Brisbane Lions, Brisbane City, North Star, Pine Rivers and Eastern Suburbs for reaching the semi-finals.

It is a slightly different finishing order to last year's premiership table, but still the same top-five teams.

To Olympic and Grange Thistle commiserations - we hope to see you back in the XXXX League in 1992.

Back to the finalists.

The Qualifying and Preliminary semi-finals will be played at Perry Park on Sunday.

The qualifying semi-final, between Eastern Suburbs and Pine Rivers, starts at 3pm.

Pine Rivers have been playing good football with their three strikers Clayton Koch, Noel Carroll and John Preston causing havoc for opposing teams up front.

### Repeat

Match this up against the never-say-die Tigers from East Brisbane and you have a great match of knockout proportions.

The questions being asked is can East repeat last year's effort - playing from the fifth spot to take the coveted grand final trophy?

Or can Pine Rivers improve their finals' result last year when they were beaten by Easts?

The Preliminary semi-final sees Brisbane City take on North Star. What a clinker of a match this will be. No quarter will be

given and none will be asked.

It will be a mental battle of the coaches - North star's Billy Williamson out in the middle with his team and City's wiry Juan Cutillas directing traffic from the sidelines.

And don't forget this final starts at 5pm, something new for Perry Park - Sunday evening football.

Everyone involved in Queensland soccer has spoken about having a team in the NSL competition.

Brisbane Lions have entered in the NSL play-offs and take on West Adelaide in the second game of the series this weekend.

This game will give Brisbane supporters some idea of what the real thing - NSL summer football is all about.

It is a match you can ill afford to miss.

The special kickoff time for this clash is 1pm, before the Qualifying semi-final.

The reason for this is to enable the Adelaide team to get a flight back to South Australia.

Lions' next play-off match will be against the Victorian premiers in Melbourne on September 12.

They will then host a return match at Perry Park on Wednesday September 19 with an 8.30pm kickoff.

But whatever you do, don't miss this top weekend of football in the sport which has been "round" for a long time.

**Brisbane Croatia Soccer Club**

The Brisbane Croatia Soccer Club was founded in 1969 after some 10 Croatian boys decided to carry on the traditional kind of entertainment and Croatian manifestation in Brisbane.

The club was originally formed by two brothers, Ivan and Josip Mesic, with the assistance of Stjepan Blazenovic and the late Ivan Matic.

However the initial club could not be registered that year with the Queensland Soccer Federation.

This led to the club playing a reserve grade team at Acacia Ridge.

In 1970 Brisbane Croatia joined the QSF under the name "New Farm" and was immediately promoted to a higher rank.

During the next six years several more Croatian boys joined the club as it continued to climb through the grades.

And after six years of consecutive victories the club entered the First Division league.

The name "New Farm" was retained until 1974 when it was replaced by "Sunnyside United".

This name was given accidentally.

As the club did not have its own grounds, John Mesic the club secretary at the time, lodged an application with the QSF to change its name in order to qualify for a field from the Government at Sunnyside bank.

It turned out that the team was registered as "Sunnyside United" by mistake.

The club stayed in First Division until the re-organisation of the rules in the Queensland Federation.

As the club could not meet the new rule requirements they were forced to step out of the top division and into the second grade.

The club was still having a problem trying to find their own field and in 1978 bought 53 acres of land in Dunn Road Rocklea.

This was not meant to be used only for soccer but also for the whole Croatian community in Brisbane. Work on the soccer field took place immediately.

In 1985 the management of the soccer club agreed to invite all Croatian societies and organisations to unite in a Croatian Centre where they could all enjoy the culture and sport.

A decision was made in 1986 about the construction of a new Croatian club.

As yet construction has not been completed due to a lack of money, however it is expected to be finished in the near future.

Over the past years the soccer club has tried its best to name the club "Croatia", despite QSF rules which didn't allow ethnic names.

However after much insistence the name "Brisbane Croatia" was finally accepted by the QSF in 1987.

One of Croatia's finest moments is the club's President Cup which was won in 1989.

1990 has again seen Brisbane Croatia climb to new heights.

After finishing second in the Second Division, Croatia have won promotion to the XXXX League in 1991.

This should be the beginning a new era for the club, its supporters and loyal sponsors.

*Brisbane "Croatia" team invincible for three years 1973-1975*

**REFEREEING INTO THE 90's ————— with DES MILES**

Before you take the football pitch for granted as a basic necessity for a game, stop and consider a few things you might not have realised, or might find useful on match-days or during training. If you take the average pitch as being 110 or 120 yards long by 70 or 80 yards wide, you are talking of somewhere between 7,700 and 9,600 square yards of pitch for the referee to keep an eye on!

If you use that same pitch as a training area - did you realise its perimeter is between 360 and 400 yards, or to run diagonally from corner to corner is between 130 and 145 yards?

Some referees show a reluctance to venture too often into the penalty area, where all sorts of incidents might take place.

On an average sized pitch, those two penalty areas make up somewhere in the region of 18 per cent of the total area, which is far too much to leave to what might be called "casual control", isn't it?

Do you fancy a training session sprint in something other than a straight line?

If so, why not take on the circumference of the centre circle, which is near enough to 63 yards. You will be aware that a pitch, so long as it is rectangular, can vary in length from 100 to 130 yards and in breadth from 50 to 100 yards.

The problem that referees never come across, unless they live in a really unusual part of the world, is a pitch of maximum possible size - heaven forbid such a monstrosity!

On the other hand, it is not unique by any means to find a pitch that is small by virtue of having been located in a restricted area of space.

Did you realise that if a pitch is only 50 yards wide - and I certainly know of one like that - then the distance between the touchline and the side line of the penalty area is a mere 3 yards on either side of the field?

Similarly, if the pitch is only 100 yards in length, then the distance between the centre point of the penalty arc and the nearest point on the centre circle is exactly 18 yards, which is a measurement we should recognise well when we think

about the penalty area.

Many a referee operates a diagonal system, but runs only from the in-field corner of the penalty area to its equivalent at the other end of the field (don't go into the area, do I hear you confess?) Such a patrol path involves between 86 and 95 yards, basing our judgement on the average pitch mentioned earlier.

Incidentally, if the referee restricts himself basically to that area in midfield between the two penalty areas, hardly venturing into them or towards the touchlines, he is in fact trying to referee a game of football by generally not venturing into something like 60% of the pitch's total area!

I think I'll stop here to let you referees digest that little lot. And if you are one of those whose reluctant to enter the penalty area or follow through to the goal-line, at least one or two of your assessors might remember a fact or two about your "percentages" regarding patrol areas!

Ted Ring.

## WOMEN'S SOCCER

### Grand Finals

Last Sunday saw the culmination of the season for the forty teams playing women's soccer this year – Grand Finals Day.

Ten teams contested finals in five divisions beginning with fourth division at 9.00am

This game was between Premiers, Pine Rivers, and second placed team Lutwyche. Lutwyche had to survive a replay of their Preliminary semi-finals against Deception Bay – third placed on the ladder – on the previous Wednesday evening.

At the end of normal time both teams were locked at 1-1, but towards the end of extra time, Pine Rivers scored again and were the winners 2-1.

Fifth division final was contested between Premiers, Brighton, who also had to replay their preliminary semi-final against fourth placed Oxley on Wednesday, and second placed Bay-side.

Brighton, despite several chances, were able finally to score the winning goal and won the game 1-0.

Second Division Premiers, Redcliffe, played their final against second placed Wynnum.

This game also ran into extra time twice before Wynnum scored the winning goal to end a very exciting game and leave a scoreline of 3-2.

In the third division, second placed Newmarket, having upset Premiers Souths in the Preliminary semi-finals, played against third placed, Olympic. This game was a real upset with Olympic the victors 3-1.

In the first division final, old adversaries Easts and Premiers Redlands met once again. With only 1 goal being the decider between them at their previous encounters, this was to prove a tough game.

Once again at normal time the score was nil-all. Both teams played hard and Redlands seemed to be getting the upper hand during extra time. However, with a minute and 40 seconds to go,

Tarin Meakins – young left winger – scored the winning goal for Easts to give them the game 1-0.

### Results

1st Div.	Easts 1 – Redlands 0

# FRANKLY SPEAKING

with Frank Liddell

The business end of the season has arrived. It's finals time and what better way to celebrate than with a triple-header at Perry Park this Sunday.

The first game will be the NSL Qualifying game between Brisbane Lions and West Adelaide kicking off at 1pm.

This will be followed by the XXXX League Qualifying and Preliminary Semi Finals.

In the do-or-die Qualifying semi-final Pine Rivers will take on Easts, who did their Houdini act to edge Taringa out of the five in the last round of home and away fixtures.

This match begins at 3pm and should be a beauty with the loser hanging up their boots for the year and the winner playing the loser of the Preliminary final.

The Preliminary semi final, between second-placed Brisbane City and North Star, 1990 Ampol Cup Champions, begins at 5pm and will be played under lights.

Both of these teams will be out to win this match and secure the double chance against Brisbane Lions in the major semi.

With such a host of top games on there should be bumper crowds in attendance at Perry Park on Sunday.

\*\*\*

The Australian National team has shown excellent form over the last few weeks winning the Independence Cup Competition in Asia.

Eddie Thompson has tried a lot of players in this tournament and is obviously experimenting for future international games.

The Olympic squad has also returned from a very successful tour of Europe when they scored a few creditable results against top opposition. Eddie Thompson is not wasting any time assessing the players he has at his disposal.

This can only be good for the future of Australian soccer.

Bruce Stowell has another Level II coaching course coming up from October 6 to 14.

This is a very worthwhile course for anybody whether they be players or not. There is a lot to be learned in these courses and of "course" a lot of enjoyment to be had as well.

## Coaching Workshop All Welcome

The Coaches Association in conjunction with the Grand Final Promotion wishes to advise that a coaching Workshop will be conducted at Perry Park on Tuesday 25-9-90 from 6.30pm until 10.00pm.

Both Grand Final teams as well as Qld. representatives will be in attendance and will both be seen and used in Coaching displays on the evening. A Goalkeeping Coaching session will also be conducted.

On completion of the Coaching demonstration a get together upstairs at Perry Park has been organised to discuss general Coaching problems and a talk back with the Qld. D.O.C., Referees Coach and Association Coaching Coordinator.

The evening is completely free and as many Junior player boys and girls are invited along to meet the players and obtain autographs.

There will be lucky number prizes to be won for the Juniors such as: Autographed Soccer Balls, T-Shirts and Free Passes to the Grand Final and a chance to win one of four Mountain bikes.

## Letters to The Editor

### A DREAM TO PLAY FOR AUSTRALIA

On behalf of Clayton, I would like to thank a few people and also explain to everyone why Clayton decided to join Sydney Croatia. In his first season at XXXX League, Clayton made the Brisbane and Queensland team at the age of 18 and did well.

He was bitterly disappointed when he was excluded from the pre-season indoor soccer trip to America as he certainly felt he was good enough scoring consistently in the trials to make the team.

Bruce Stowell decided to go for experience and included Alan Niven, Frank Pimblett and Kieren Cooper while all the promising young players like Shane Haddow and Chris Slater were excluded.

As this was the only overseas trip planned, Clayton felt that the young players were not given a great incentive to commit themselves to Queensland.

The biggest accolades for Clayton's development must go to Pine Rivers coaches Dave Scriggens and current coach Bob Hamilton. Dave and Bob's confidence and commitment to play players as young as 15 and 16 in the first team gave players such as Jason Polak, John Koch, Lindsay Dines, John Preston, Noel Carroll, Andrew Stillman, Steven Kluss and Clayton Koch valuable experience at senior level.

Credit also must go to Bruce Stowell and Mal Bland for their selection of young players in the Brisbane and Queensland squads. Clayton was grateful that Eddie Thomson included him in the trials to make the Olympic Squad but also knew that realistically he had very little chance of making the final squad as Eddie Thomson was always going to play safe and go for the proven N.S.L. players. Just as it is very hard to play for Queensland if you play in the second division, the same goes for selection in the Australian or Olympic squad if you don't play in the N.S.L.

When the chance came to play N.S.L. football either for Sunshine George Cross or Sydney Croatia, Clayton decided on Sydney Croatia because of the better contact and because his brother John plays for Sydney Olympic.

A special thank you must go to John Mesic of Brisbane Croatia who negotiated on behalf of Clayton with Sydney Croatia.

Clayton is definitely very interested in playing for Brisbane United in the near future and hopes to be considered when the team joins the N.S.L.

On behalf of Clayton, thank you Pine Rivers and Brisbane for your support.

Fred Koch

Dear Sir,

I refer to the recent XXXX League final five battle between Easts and Taringa.

Both teams finished on the same number of points, with identical goal difference (+2). Easts won a place in the finals by virtue of the fact that they scored 2 more goals than Taringa (even though they conceded 2 more).

A fairer tie-break would surely have been to organise an Easts v Taringa play-off (A la Balmain - Newcastle)

No coach or player goes into a game saying "ok lads, lets attack today in case we finish level on goal difference at the end of the season"!

To demonstrate the unfairness of the current tie-break system, consider this hypothetical situation:

Team A scores 60 goals and concedes 40 goals (+20 goal difference). In other words, team A have scored 3 goals for every two conceded. Team B finish the season on the same number of points as team A, but score 40 goals and concede 20 (+20 goal difference) Team B has scored 4 goals for every two conceded.

Team B has the better goal average or ratio, but the current ruling would place them below team A.

I'm aware that the majority of Soccer Federations around the world now use the "most goals scored" method of splitting level teams, but that doesn't make it right.

Keith Whittam.

Dear Sir,

I would like to thank you for making my stay in Brisbane such an enjoyable memory as Far North Queensland entrant in the Miss Qld Soccer Quest.

I must say that I was quite surprised by the help and response I received from everyone especially being a F.N.Q. entrant and also out of touch. I felt very welcome and I had no worries what so ever. Your Soccer Association has some very warm and wonderful people. After meeting them I can understand why anyone would stay involved with the association year after year.

James Perry was exactly how you described him to be. He is a proper gentleman and calmed my nerves even though I thought he was just as nervous as I was. Kaye was also lovely and easy to spring a conversation with. I have written a thankyou letter to Mr. Doug Ryan (Mayfair Crest) and I am also writing a letter to Mr. Jim Gilbert and Mr. Don Look.

My stay in Brisbane proved to be well worth while and I enjoyed every minute. I hope the enjoyment that I received will encourage more F.N.Q. girls to enter in the Miss Qld Quest. Thank you for your hospitality and involvement, I am sure the next F.N.Q. entrant will find you all just as charming as I have.

Best wishes for the future.

Victoria Marmara

# JUNIORS IN THE LIMELIGHT

## BRISBANE SOUTH

Brisbane Southern Districts Junior Soccer Association on behalf of the committee, clubs and players thank sincerely all players in our representative teams for the excellent manner in which they conducted themselves both on and off the field of play.

Our thanks to the coaches and managers and representative team organizers for their fine efforts.

Thanks also to the parents for their support.

We wish all players every success in their sport in the future and thank you all for being great ambassadors to the code.

Today we feature some of our successful teams for the 1990 season. Fixtures completed and premierships decided, juniors will play the finals of the Final Four Competition next weekend.

And the last games will be the Brisbane North verses Brisbane South finals for First Division teams from Under-11 up which will be on September 16.

As this is the last edition of Soccer 90 to reach our junior clubs I would like to take this opportu-

nity to thank the clubs who supported this column during the 1990 season.

On behalf of everyone at Brisbane Southern Districts I extend our sincere thanks to Pat McErlan and staff for their support in promoting junior soccer during the season.

Lyn Kraudelt

## Q.S.S.S. FEDERATION

Early in the season I did a piece on the TAS (The Associated Schools) competition which involves many of the Private Schools in Brisbane.

There are two levels of competition the Blue division and the Red division with the Blue being the higher level of the two.

Teams play in A, B, Under-15 and Under-14 competitions and points are awarded on the usual basis for wins and draws.

Teams compete on a grade and school level for the winning honours. At present in the Senior A competition St Laurences lead on 21 points, from Ashgrove Marist Bros on 19 and St Pauls on 18 with the final round to be played this weekend.

\* \* \* \*

This week the Queensland Schoolboys and

Schoolgirls teams are competing in the National Championships in Melbourne.

But there are a couple of the players who missed the chance to represent their State because of unfortunate injuries.

I would like to make mention of them.

The first is goalkeeper Noel Brecknell.

Noel has now missed the chance to play for his State twice in his schoolboy career.

Last year Noel broke his foot a week before the training camp, and this year, in a recent practice game, he fractured part of a lumbar vertebrae leaving him with concussion, confused and very sore.

Noel suffered severe loss of short term memory as a result of the incident and does not even remember going onto the field.

The other unlucky player was Gerard King who suffered a hairline fracture of the shin.

Gerard had to drop out, and was replaced by Dean Drakos from Mt Gravatt High who just had enough time to pack his bag and go to the bank before the team left.

The next volume will contain a rundown of the efforts of both State teams at the Nationals.

Roger Holcroft.

## JUNIOR TEAMS OF 1990

### Under-9 Division 2 Loganholme

Loganholme just scraped through to win in this very close competition. Coach Ian Palmer was very pleased with each players commitment to the season, and how well all boys played as a team after forming the team from various ungraded Under 8 teams from 1989. The team also won the Under 9 carnival at Southside Eagles during the season.

**Front Row:** (L-R) Mathew Wheeler, Shane Barnes, Shannon Lamb, Michael Turnbull, Mark Palmer, Kent MacLeod, Chris Kraudelt.

**Back Row:** (L-R) (Coach) Ian Palmer, Scott Whitehead, Dale Evans, Daniel Travers-Jones, (Manager) Rosanna Wheeler.

### Under-11 Division 1 Loganholme

Loganholme ended the season with 16 wins and two draws to win this Premiership UNDEFEATED by 7 points. The boys scored 40 goals and only conceded 4, a fine effort. After three successive seasons the team has played 63 games, won 48, drawn 9 and only lost 6. The players are to be congratulated on their great amount of Pride, not only in their own performance but also in their team and their club.

**Front Row:** (L-R) Craig Kraudelt, Drew Nethercote, Greg Kraudelt, Shane Anderson, David Palmer, Trent Bohan, Shannon Gray.

**Back Row:** (L-R) Terry Nethercote (Ass. Coach), Jared Skapin (Captain), Todd Ossendryver, Michael Scott, Brendan Travers-Jones, Neil Cardow, Dallas Heale, Leo Ossendryver (Coach).

### Under-10 Division 1 Clairvaux

On August 24 at Perry Park, this team defeated Capalaba 2-1 in the final of the Referees Cup, which was held over a period of six weeks and involved 16 teams from north and south of the river.

This team also won the final of the Rochedale Challenge Cup on August 25 when they defeated Souths United in the final 2-1.

The team finished in second position in the premiership ladder in their B.S.D.J.S.A. competition behind Capalaba.

**Coach's Comment:** Juan Cutillas  
It will be a difficult game with both teams having showed inconsistency throughout the season. The gap between both teams is close and this should be an unpredictable game. Our players cannot be complacent and must go out to win. It is important for the prestige of the club and for their future.

**Coach's Comment:** Billy Williamson – No problems, we will win. The team is very confident. They have been training well all week and are enthusiastic about this semi-final. They still have last year's final's defeat in their mind and are determined not let it happen again.

**Coach's Comment:** Bobby Hamilton – We are very keen to do well in this match to improve on last years semi-final performance. We are approaching the semis' one game at a time. Past results against Easts, good or bad, are irrelevant. This match is a totally new ball game, and for us like a Grand Final every weekend.

**Coach's Comment:** Phil Thompson – The last time we played this team we received a 4-1 hiding. The match before was a 1-0 win to us. The Tigers' fighting spirit will certainly help us win this match. We are looking for another grand final win.

# THROUGHOUT THE STATE

## FAR NORTH QUEENSLAND

Champagne tastes sweeter the longer it is left - just ask the people at Edge Hill. Their headquarters at Endeavour Park were liberally coated in bubbly on Saturday after sealing their first XXXX FNQSF premiership.

In fact all three grades' premierships were decided over the week-end and the Tigers of Edge Hill won two of them.

The lower grade premierships went to the Edge Hill Reserves (their inaugural win too) and Leichhardt Youth grade who were the only team so far to retain a trophy from the previous year.

In the final assessment, Edge Hill won the trophy with some style. They had looked as though they were going to stumble to the line as they struggled to hold out Dimbulah and Leichhardt in previous weeks.

Their opponents on Saturday were Mareeba, a team they had twice dropped points to.

Everyone expected the Mareeba Bulls to give the Tigers another hard time. But it just didn't eventuate. The Bulls had difficulty making their way out of their own half and were behind 3-0 after the first 30 minutes.

It could have been 6-0, so dominant were the Tigers.

The rout began just two minutes into the game with a Bill Amey penalty for an ill advised tackle.

Tony Lowrie then headed home a corner at the six minute mark with an amazing own goal 20 minutes later putting the writing on the wall.

In the second half the Tigers let up a little and the game lost most of its form. However they were still able to notch three more goals, two from Mark Waddingham and one from John Waddingham.

The 6-0 scoreline was Mareeba's biggest loss of the season.

The win in FNQ's longest ever season, was all the more sweet after the Tigers were decimated early in the season by a series of departures from the club.

Earlier in the day the reserves had sown up their premiership with a 0-0 draw against Mareeba.

On Sunday the Leichhardt team collected their premiership with a 6-0 thrashing of fourth placed Innisfail, with four goals coming in the last 15 minutes. Red McLellan.

**Point to note:** On September 22, the Far North Queensland Soccer Federation turns 20 years old. Congratulations from the Queensland Soccer Federation and Soccer 90.

## FAR NORTH QUEENSLAND - JUNIORS

We have come to the end of another successful year of soccer apart from our John Bomben Carnival to be held from September 16 to 21. There are two teams from Cairns, Toowoomba, Mackay and one each from Burdekin, Townsville, Rockhampton and Johnstone River to compete in this prestigious round robin event.

We also have a New Guinea Under-11 and Under-14 team on tour from October 23 to 30 who will compete against club and representative teams.

Cairns and District have had a good year with the many improvements to the grounds and buildings. President Margaret Cochrane can be proud of having one of the best facilities in Australia.

Her committee is solid and hard working and can also be pleased with their results.

Senior Vice President - Phil Starr, Secretary - Barbara Brennan, Treasurer - Wally Young, Registrar - John Spilstead and Committee - Angelo Borzi, Peter Zivanic, Mick Christy, Paul McWhinney and Lyn Milne.

## ROCKHAMPTON

Two goals from striker Gary Banks has ensured a grand final appearance for Bluebirds after they defeated minor premiers Frenchville in the major semi-final last week.

It took an extra 30 minutes to get the result as both sides were locked together at the end of regular time.

In the end it was Bluebirds superior fitness that told as Frenchville appeared to be carrying injuries late in the game.

The victory was also sweet revenge for Bluebirds as Frenchville had come with a late run to snatch the minor premiership from them. Each team was a little slow to get started in the game which was probably due to the key players missing.

Banks had looked lively through the whole game and with a little luck could have put Bluebirds ahead after 15 minutes.

Craig Green was Frenchville's best player and looked particularly dangerous in and around the penalty area.

Frenchville coach Doug Swain's move to bring on star striker Jason Wyer midway through the second half could have proved costly.

Wyer has been missing for several weeks due to a knee injury and after a couple of crunching tackles was again a passenger.

The extra 30 minutes was Bluebirds best period. They forced Frenchville to clear the line several times before a bad bounce eluded the defence and gave Banks a relatively easy run to goal. Bluebirds second goal didn't come until the last minute of the second period of extra time.

Banks received the ball just inside the penalty area and turned well before sliding the ball under the advancing keeper.

## SUNSHINE COAST

Nambour Reds scored the dubious honour of taking out the wooden spoon last week when they lost 2-0 to Woombye in the final match of the Sunshine Coast soccer premiership.

With the top end of the table sown up weeks ago, the pride at stake in the Nambour/Woombye clash made it the focal point of the round.

The team, locked on nine points at the bottom of the table, were primed for a last-ditch effort to save face.

And there was no love lost in the local derby which saw Nambour's Peter Cockram and Damien Perren given red cards during the match.

"Both teams realised they had a lot at stake," Woombye spokesman David Simpson said.

"There was a lot of heavy tackles - it was a very physical game."

Woombye got down to the business of playing soccer to post its first goal through Lance McCallum. They then sealed the Red's fate with a thundering freekick made by Clynt Reynolds.

In other matches last week Beegees showed host Noosa why they were leading the competition with a convincing 4-0 win.

Wayne Edwards bagged a hattrick in this game with the other goal coming from David Payne.

Buderim scored through Shaun DeCourcy, Shayne Martin and Garry Blewer to dispose of Kawana 3-1. Volker Pinczel netted for the visitors.

And Caloundra were too strong for Maroochyore running out 2-1 winners.

## SOUTH BURNETT

1988 First Division Premiers Easts forced their way into a 1990 Grand final showdown with Wests after an inspired 2-1 victory over Wondai last Sunday.

Easts will have learnt well from their two tough encounters with Wondai and Murgon to get to the final.

They will however find Wests' style more subtle and will need to curb mistakes to ensure success. No matter what the result spectators will get their money's worth at the game.

Scores: Easts 2 (Smith W. Broderick) def Wondai 1 (Hedges)

\* \* \* \* \*

Nanango women paved a road into the grand final with a 2-1 win against a very game Murgon eleven in their preliminary semi final last Sunday. Nanango won the tough encounter after a 1-1 halftime scoreline.

Scores: Nanango 2 (Brown, Hay) def Murgon 1 (K. Bolger)

Former Kingaroy and South Burnett Women's Representative Peta Quail has been chosen as captain of the Queensland schoolgirl's soccer team contesting the National Titles in Melbourne this week.

Quail, now an experienced National campaigner, having played in the recent Under-19 Nationals, is a dominating midfielder.

She is confident Queensland can improve on their second placing from last year's National Titles. Also in the side is Kingaroy player Bronwen Hart. Hart is the Queensland team's first string goal keeper, who recently won the South Burnett Recreation Council's annual Junior Sports Player of the Year Award.

# PLAYING THE GAME RIGHT

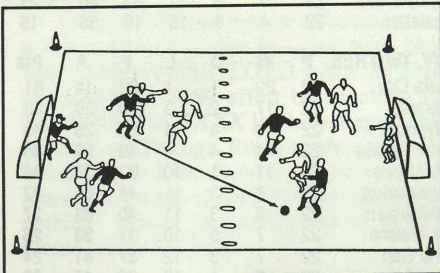

with **BRUCE STOWELL**

*This week we look at the "Conditioned Passing Game".*

The ultimate test of the quality of passing and receiving must be made in a "real" game situation.

The diagram below shows six-a-side but obviously you will adjust this according to space and numbers.

**PREPARATION**

Set up as large a playing area as space will allow with a halfway line marked out by the discs (for use later if necessary).

**PROCEDURE**

Allow the teams to play freely for a while to get the feel of the game.

If the coach steps in too soon players tend to feel cheated and lose concentration.

**NOTES**

1) Watch the progress of the game carefully. Have a number of key points in mind but don't attempt to look for them all at the same time.

Either plan to tackle one point at a time in depth or pick out from the run of play one important feature and tackle it in the same way.

2) Be single-minded about what is important in this game. Don't be side-tracked into spending time on other issues like poor defensive play or goal keeping mistakes.

If you think your knowledge may be called to account on this issue then explain the situation to the players.

3) Having said all this, the game's number one priority must always be to score goals.

If the game shows signs of becoming a "keep-ball" situation, a timely reminder usually produces more attempts at finishing.

**VARIATIONS**

1) As the name suggests, this is intended to be a conditioned game so when the players have settled down, reduce the number of touches allowed to three.

This will increase the emphasis on passing the ball and prevent players hanging on too long.

2) Reduce the number of touches to two. This re-emphasises the importance of the first touch

of the ball.

So many players need half a dozen "thinking touches" before parting with the ball.

Two-touch Soccer encourages players to think more in advance and use their first touch to set up the ball for their intended pass.

3) The playing area is already marked out in two zones. If the game is being spoilt by too many players crowding into one area, make it into a zone game.

**CHECKLIST**

1) Timing - Pass early to avoid being closed down. Weighting - firm and crisp so the ball reaches the target before it can be intercepted, but not too hard to control or lay off.

Accuracy - To feet or to space. Length - Vary the length, not less than ten yards. Develop accurate long passes.

2) Control the ball tight but a little in front, not stuck under the feet.

3) Remember, control can mean holding or laying off.

4) Passing is only a means to an end. Aim to make as few passes as possible before a shot is attempted. Very few goals are scored from moves involving more than 4 passes.

5) The first touch is vital. Work at it constantly.

# INTO THE NET

Musical chairs in the coaching department of the XXXX League could see old acquaintances getting together again, "the scottish influence" being maintained in the League and one new boy on the block being appointed.

COLIN PHELAN'S sense of humour caused a few smiles with his by-play with North Star's 'keeper NOEL LORD when the Tigers repeated their 1989 effort by sneaking into fifth spot on the XXXX ladder yet again at the expense of Taringa Rovers, after defeating North Star 2-1 last Sunday. Colin's on-field remark to a team-mate, "You get nothing for nothing" should be written up in dressing rooms across the land.

With the demise of GRANGE THISTLE and OLYMPIC from the top division to what could be a crowd-pulling second division next year, it's welcome to the XXXX League to BRISBANE CROATIA (been there done that) and the new lads - NERANG. Nerang's entry into the League via an impressive season's scoreline which gave them the second division premiership, opens up a whole new supporters' region for our premier competition. Let's hope the Gold Coast Federation give Nerang every possible assistance to do the Gold Coast proud now they are in the big time.

More on next year's second division. Just as first division has a major sponsor - XXXX, wouldn't it be great if the second division had a League sponsor to give it the promotional boost it deserves.

Plenty of nail-biting in the third division where the results go right down to the wire for both Premiership winner and promotion candidates.

This week-end's final matches will be great games to watch, with the match between Latrobe Valley and Annerley on Saturday afternoon at Murray Street, Wilston being as important to both teams as a Grand Final win is.

# MATCH REPORTS

## Samford 0, Pine Hills 0.

With both teams out of top four contention there was only pride to play for.

As with most local derbies there was no quarter given by either side and it took a couple of yellow cards to calm things down in the opening 20 minutes of play.

Hills forward Gavin Steele was unlucky not to score when his shot hit the cross bar.

Minutes later Hills bad luck continued when Glenn Williams hit the upright.

Meanwhile at the other end Samfords attack broke down time after time with their forwards failing to get on the end of the long balls pumped through by the defence.

Samford did however have several chances in the second half forcing Hills keeper Brett Lougheed to work overtime in keeping out their long range shots.

As the game continued many players became more interested in their own personal battle with their opposite number and almost forgot about the job at hand.

At the end of the day neither team deserved the points so nil-all draw was a fair result.

**Reserves - Pine Hills 4 d Samford 0.**

A goal scored after only 50 seconds by Brad Rowingson was considered a bonus to Hills but as

it turned out was nearly their undoing.

Samford pushed forward pinning Hills in their own half for long periods of play causing them several anxious moments.

Hills always looked dangerous on the quick break forcing Samford keeper to take up a sweeper type role.

Samford pushed forward once again early in the second half but Hills proved too strong.

Rod Parker scored Hills' second goal, Phillip Kelly netted the third and John Henderson put the result beyond doubt.

## Division Six

### Bayside United 8 d Darra United 0.

A win for the Baysiders was much needed to keep the team outright leaders of the 1990 Premiership, going into the last round.

Bayside applied pressure scoring two goals in the first half while Darra were unlucky not to score due to solid defensive play.

The second half saw a determined Bayside team play an exceptional game, forcing Darra to make many errors in defence.

The results being six more goals slotted into the back of the net. For Bayside Richard Black and Ian Brown finished with hatricks while Denis Browne scored two goals.
