Brisbane United's much talked about application to join the National Soccer League in 1991 has been duly submitted to the ASF commissioners.

We should all know the outcome by the end of the current NSL season when the ASF announces the teams that will make up the revamped competition.

The QSF has beat the recession by offering soccer supporters a great ticket package for Queensland's representative season matches.

For the bargain basement price of \$60 two adults and two children will be able to see ALL SIX of the Maroons representative games against interstate and international teams.

This is a massive saving of \$91, however, the offer will only be available for a short time.

Ticket packages are available from your clubs or the QSF's offices at Perry Park.

Let's get behind the Maroons by supporting them as they take on allcomers in a bumper representative season.

\* \* \* \*

The kick-off of the big representative season is now only two weeks away with the first fixture between Queensland and New Zealand provincial side Canterbury.

The match will be played under lights at Perry Park on Friday April 19.

It will give the Queensland soccer team the opportunity to square the sporting ledger after the State's all-powerful "Reds" rugby union side was defeated by Canterbury last weekend in Christchurch.

Canterbury, who won the coveted New Zealand provincial soccer title last season, has named a well-credentialed team for the outing against the Maroons.

As part of the QSF's campaign to take representative football to the country areas, Canterbury will also play a match against a Toowoomba team.

This will be a prelude to the Queensland game and will be played at Athletic Oval, Toowoomba Rugby League headquarters, on April 17.

It will be the biggest representative fixture the Toowoomba Soccer Federation has hosted.

Other Queensland centres will also host representative matches this season.

In June New Zealand side Otaga will play the Gold Coast Gamblers while Townsville and Cairns have been included on Scottish team Hearts of Midlothians' Queensland tour.

These matches will certainly give country players a chance to display their talent.

# Round in Review

The third round of fixtures was highlighted by the return to form of Rochedale Rovers.

Rovers supporters will be breathing a little easier this week after their side's 5-1 demolition job of Taringa Rovers.

As most would know Rochedale spent big in the off-season acquiring some big name players, who up until now have not performed.

That all changed in two hours on a sunny afternoon last Sunday at Jack Speare Park.

Kieran Cooper silenced his critics the only way he knows how - by scoring goals. The lanky striker landed a hat trick while his partner Paddy Dillon netted twice.

Rochedale paid princely sums for both Cooper and Dillon, formerly of Brisbane City, but it seems money well spent.

Taringa were never in the game, but did manage to score through Colin Gwynne.

A late Mt Gravatt goal prevented Nerang from notching their first win of the season at Dittmer Park on Saturday night.

Nerang were leading 2-1 when Mt Gravatt replacement Andrew Armitage slammed a free kick which took a deflection off defender Fred Stone before going into the net.

The goal came late in the game and ensured the two teams shared the points.

Nerang started the same in a flourish with in a goal to Vinnie Defazio after a searching cross from Paul Cockbain found him wide open at the far post.

Mt Gravatt's reply was almost immediate with Phillip Makridakis scoring in a goal mouth scramble when Nerang's 'keeper failed to take a ball clearly.

Nerang's second goal came via a Fred Stone through ball which found Cockbain in space for a nice first time left foot shot.

The second half was largely unimpressive,

the only highlight being Armitage's goal to square the scores.

The start of the North Star/Acacia Ridge game was delayed almost 30 minutes while lines were re-marked (or should we say painted) on the field.

When referee John Contoudios did eventually blow his whistle to start the game it was greeted by cheers from the crowd.

If North Star were worried about the late start they didn't show it, scoring in second minute through new signing Mark Gilroy.

This however, only stung the Ridge into action and they equalised five minutes later through the individual efforts of Adrian Thompson who rounded two defenders before unleashing a 20m right foot drive.

The game settled down after that with both teams playing attacking and open football.

North Star's second goal came just before half time when an unmarked Geoff Maltby was able to sneak one past Ridge 'keeper Adrian Hill.

The turning point of the game came in the 62nd minute when a bad defensive mistake allowed North Star's Ken Swan the easiest of goals.

Ironically Ridge scored soon afterwards from a corner which found Andrew Butchard open at the far post for a low header.

North Star wrapped up the match in the 85th minute when Lee Scriggins blasted home a ball from well outside the penalty box following a free kick.

Coalstars ventured to Wendy Allison Park on Saturday night to play Pine Rivers and came away with a deserved 1-0 win.

In a scrappy game Coalstars were a bit more committed than Pine Rivers, who seem to have lacked spark in the early rounds of the season.

Lions striker Brendan Eastwell shields the ball from Croatia defender Frank Liddell in their XXXX League match last Sunday.

Photo Rory O'Connor

Perhaps the imminent return of National Soccer League player Clayton Koch to the ranks for this week's game will change the situation.

Pine Rivers were lucky to be on even terms at the break after Coalstars had plenty of chances to score during the first half.

The only goal in the match eventually came in the 65th minute when Peter Vosler was able to catch the defence napping.

Brisbane Croatia ventured to Richlands Stadium to play Brisbane Lions with the match marking the return of former Lions' coach and now Croatia defender Frank Liddell.

Although both teams had chances to win at different stages, the same ended in a 1-1 draw.

Croatia scored first, midway through the first half, when smart striker Kevin Meacock climbed high to head home a corner.

Lions equalised in second half through Geoff Lombardo whose rifle shot from the edge of the box save the edge of the box save the 'keeper no chance.

A healthy crowd turned out on hot and windy Easter Monday to watch an undermanned Brisbane City succumb to an inform Eastern Suburbs.

Although Brisbane City tried vainly, Easts won the match 4-2, thanks mainly to a Chris Fegan hat trick.

Fegan scored twice in the first half to give Easts a commanding break at half time.

The Tigers scored again soon after the break through Colin Phelan and City replied through Martin Jennisen.

Fegan scored his third goal from a free-kick just outside the 18-yard box. The shot penetrated the wall before sailing into the top right-hand corner of the net.

City scored a late consolation goal when John Figliano found himself unmarked in the box.

# JUNIORS IN THE LIMELIGHT

## ANNERLEY

Hello once again, it's good to see the number of pre-season friendly games being staged to get boys and girls in the mood for what promises to be an exciting junior soccer season.

Annerley junior coaching staff are organising a Level I coaching course to be held at the club as soon as we have enough willing coaches.

Coaches and parents from any club are welcome to attend. For details ring Luc Iovennitte on 397 1738.

Also Annerley still require juniors in under-11, under-12 and under-15 age groups.

If you are interested come along to training 6.00 pm Tuesday nights at Annerley Juniors, 98 Victoria Tce., Greenslopes.

## UNDER-14 STATE CHAMPIONSHIP

The Ampol Cup Competition for the under-14's kicked off in fine style at the Beenleigh Club last Sunday morning.

Premier Wayne Goss was on hand to congratulate the players selected for the competition.

He said that he hoped players competing in the competition would go onto Australian selection in the future.

Ampol representative and Championship sponsor said that the 160 participants of the tournament was the best of their Zones they represent.

The players are in the running for selection into the State team to play later in the year.

The players gave every indication that they would be in the race for positions in the State team from the first whistle.

The initial game saw host team Brisbane South and South North Queensland come up with some brisk play.

The play see-sawed for the first half with only one goal being conceded.

The second half was different. Brisbane South opened with some great combinations and finished up 3-0 winners.

Central Queensland were the Runners-up for the under-13 age group last year and most players have moved up an age group.

The tournament organisers looked forward to another outstanding performance from that team.

Initially that was not to be as Brisbane North had the ball in the back of the net after 25 seconds of the game.

From that point it was all downhill for the Central Queenslanders. The first half score of 4-0 and the final score gave two players hat tricks for Brisbane North.

Managers and Coaches are looking for ways to overcome the awesome capabilities of this team.

Brisbane will prosper from this age group if they are all handled in the proper manner.

The third game of the opening day was a struggle between North Queensland and North West Queensland. The North West group are the most dedicated of football players to come to this tournament.

They have less players than all the other teams and have had to borrow some players from Brisbane South so that they can compete. They won't be able to play for points because all the players are not from the zone.

However they got it all together and played the more fancied North Queensland side.

The westerners drew first blood with a cracking goal. That goal started runs of attack and defence from both teams until the end of the 70 minutes when the score finished up 2 all.

It was well worth the effort to go to Beenleigh just to see the determination of the North West players.

Play in the Ampol under 14's will continue all week with finals scheduled for Saturday.

## Coaches Wanted for Junior Teams

Applications are invited for a Level 3 Coach and Level 2 (minimum) Assistant Coach/Manager to coach Brisbane North and Brisbane South Under-16 Teams for the Talent Identification Series in Bundaberg from June 23 to 29 inclusive.

Applications to Bruce Stowell, State Director of Coaching, Queensland Soccer Federation, Perry Park, Abbotsford Road, Mayne, 4006.

Applications close Friday, April 12, 1991.

# THROUGHOUT THE STATE

## SOUTH BURNETT

1990 First Division league champions Wests, will meet 1990 premiers Easts in the final of the South Burnett Knock-Out Cup this Saturday.

While both teams have had to overcome determined opposition to make the final, Easts showed teamwork, skill, commitment and early season fitness, to beat Wondai and Nanango, with Wests struggling to roll Murgon 1-0. As a result Easts must be favoured.

In the second division final Easts seconds will give a good account of themselves, despite a lack of match practice.

The final is a repeat of last year's inaugural second division final, won 2-0 by Wests.

Although Wests seconds made the final with a narrow 3-1 win over Murgon on penalties after extra time, they cannot be too confident of holding their cup on that showing.

The women's final will see Wondai, the most successful team in all South Burnett Soccer, trying to defend their cup.

This year they meet a strong Murgon 11 who will field a settled and experienced combination which coach Alan Eagleson has kept together for two seasons.

Murgon have their best opportunity ever to upset the league champs who will still be smarting from their shock 1990 grand final loss to Nanango.

With the change to a four reserves interchange format as well as playing the competition before the premierships rounds, the opportunities to assess team performances have been limited.

Easts seconds for example have not had a run this season due to the inability of Nanango to enter a team, while Wests firsts made the final from one narrow win and the luck of the draw.

In these cup finals players have an opportunity to impress selectors for inclusion in

South Burnett "Boars" squads for the revamped Ampol Cup competition.

The women will also be watched for selection at the State Championships.

There is also many talented women players, particularly in the Murgon team, who are eligible for Wide Bay schoolgirls' team that will compete at the State Titles in Kingaroy.

## SUNSHINE COAST

Finals venues have been set early this year. Sundays Grand Finals will be at Glasshouse, Preliminary Finals will be hosted by Noosa and the semis are to be played at Kawana and Maroochydore.

Friday nights finals for colts and 3rd Division are to be held at Woombye, with Preliminary finals at Buderim and semi-finals at Yandina and Coolool.

\*\*\*\*\*

Former Kawana player Mason Hellyer has played his way into Brisbane XXXX League side Taringa Rovers.

The 19-year-old student joined Taringa last season and had to earn his selection by playing his way through their Colts and reserves sides.

Hellyer a strong and dependable defender played junior soccer at Port McQuarrie before moving to the coast, where he joined Kawana and became a regular in Kawana's first division side.

\*\*\*\*\*

The well publicized off season problems at Caloundra United would have been enough for any coach to throw in the towel, not Vic Rentkovetsky.

Caloundra have lost a number of players including Paul Clancy, Peter English, Casper Fleming and Craig Long for the season.

Rentkovetsky is faced with the prospect of

having only three of last year's successful side in Les Kunde, David Ripley and Micheal Ryder to build around.

However he has introduced some of the club's talented youngsters to the serious demands of first Division soccer.

Young striker Ronnie Dent, who on limited appearances last year found the net on eight occasions, should cement his spot this season.

So to should Matthew Clegg, another leading striker from the colts side.

Goalkeeper Scott Dennis returns to the club after a stint with Nambour Reds last year, whilst former Buderim utility Jim Brodie has joined United and should start the season in midfield.

Rentkovetsky, however, is sure to place his game plan around his three representative defenders.

He admits the inexperience in his side may see them struggle through the first round of fixtures, but is confident that the potential as well as a willingness to learn will see the side improve with each game.

It may be the disciplined and more professional demands of Rentkovetsky will be the qualities that turn around the crisis and rebuild a solid future for the Red and Blacks at Caloundra.

## PINE HILLS MATCH REPORT

Division 4 - Pine Hills 3 d Toowong 1

Pine Hills took full advantage of Toowong's slow start forcing several corners in the opening 15 minutes.

It was through one of these corners that Hills took the lead through Peter Tong.

Toowong showed little resistance as they were repeatedly cut open in defence by some good through-balls and intelligent forward running off the ball.

It was Peter Tong once again who was on hand to score his second goal off the near post after Toowong's keeper was left stranded. The second half was certainly different, Toowong with nothing to loose pushed forward in an all-out attempt to wrong foot the young Hills side.

Paul James and Glenn Williams were shining lights in Hills defence, both worked tirelessly in holding together this inexperienced team who were under immense pressure for long periods.

Toowong were eventually rewarded midway through the first half with a goal and were unlucky not to equalise when the ball hit the post and spun across the goal line.

Toowong were caught short at the back several times but Hills squandered many chances before a well-worked move put Hills winger Jason Andrews in the clear, he in turn laid on the through ball for Peter Tong who, after a good turn scored his well deserved hat-trick.

Hills certainly did it the hard way after a good start but was a good team effort.

## INTO THE NET

There was some interesting pre-same entertainment at the Acacia Ridge/North Star clash last Saturday night when referee John Contoudios and his linesmen decided to parade their artistic skills. The trio were seen giving Proud Oval the "Pro Hart" treatment with a bucket of paint and a couple of paint brushes. Contoudios was believed to be unhappy with the field, and called for it to be re-marked, delaying the start of the match by almost 30 minutes.

\*\*\*\*\*

Mark Gilroy celebrated his first game with North Star in perfect fashion last weekend with a fine goal. Gilroy, who transferred from Taringa Rovers, was understandably ecstatic about the effort. So too was Mark's father Joe, new Queensland assistant coach and an interested spectator at the game.

\*\*\*\*\*

Also seen quietly watching the Acacia Ridge/North Star game was new State coach Juan Cutillas. But if Juan was trying to be inconspicuous, he was doing a bad job of it - the former Philippines national coach was sporting a very business look complete with a lovely tie which made him really stand out in the crowd.

\*\*\*\*\*

Congratulations Brendan Eastwell, You've won this week's Lovely Legs Competition! The "secret" competition is judged by two well-known female Brisbane Lions supporters who apparently sit down at each of the club's home games to pick a new winner. The only problem is we don't know what you've won.

\*\*\*\*\*

Frank Liddell had a celebrated return to Richlands Stadium last week when Brisbane Croatia came away with a point after a 1-all draw. For those who don't remem-

ber Frank coached Lions to the premiership last year, but has pulled on his boots to make a football comeback with Croatia in season 1991.

\*\*\*\*\*

Surprise, surprise! The Gold Coast Gamblers side which played Toowoomba at Palm Beach on Wednesday night did not include any players from the Nerang Eagles XXXX league team.

\*\*\*\*\*

QSF President Wallace Dann made doubly sure Brisbane United's application to join the National Soccer League was submitted before the March 31 deadline. Dann, also a director of Brisbane United, flew to Sydney with the application to deliver it to the ASF in person.

\*\*\*\*\*

Which XXXX League keeper was lucky to stay on the field last weekend after he brought down a player in a goal scoring situation?

\*\*\*\*\*

There is a feeling of deja vu when it comes to this year's top goal scorers list and club championships tables with some of the same names and clubs popping up yet again.

\*\*\*\*\*

Nerang is finally off the bottom of the ladder and are in front of Brisbane City.

\*\*\*\*\*

Rochedale should not be short of strikers this season. If there do need anyone they can go to their Division Nine team who have already scored 14 goals in two games this season.
