Editorial

Most of the discussion at football clubs this weekend will centre around the selection of the Queensland team.

Who made the team, who missed out - it all makes for interesting conversation.

We would all make wonderful coaches, that's what makes sport so very interesting.

Selectors, or in the case of soccer "the coach", will never get it right in the eyes of the minority.

However if the team Juan Cutillas selects is successful, a lot of people will start hedging their bets.

To find out we will all have to turn up at Perry Park on Friday April 19 to see Queensland take on New Zealand provincial champions Canterbury.

The beauty of sport is no-one will know the outcome until the final whistle.

* * * *

Speaking of bets, who would like to put their money on "the final five" for the XXXX League at this early stage of the season.

You would have to be very brave the way the competition is going.

It certainly is an open 12-horse race where past reputations mean nothing and your team is only as good as their last game.

The new-look Ampol Cup competition begins this weekend.

The ball starts rolling with the six XXXX League fixtures also counting as the opening round of the Ampol Cup.

This competition will continue with XXXX League teams playing against country federation sides in the coming months.

Far North Queensland, North Queensland, Mackay, Rockhampton, Bundaberg and the Gold Coast will all take part in competition.

The Ampol Cup is geared at developing representative football in outlying regions and giving players in those areas an opportunity to play at a higher level.

With all the representative football ahead, plus players committed to the proposed Brisbane United team, we will need to continually search for new and exciting football talent.

The Brisbane United directors have chosen wisely in electing former Lord Mayor Clem Jones as the Chairman.

Congratulations Clem, your contacts and enthusiasm can only strengthen the big campaign to have a Brisbane side in the National League for season 1991/92.

Round in Review

Rochedale Rovers' 4-0 demolition job of Brisbane Lions in the XXXX League last weekend has everybody talking.

What was supposed to be the match of the fourth round sadly turned out to be a very one-sided affair.

The loss has also brought out the knockers who are beginning to ask questions about Lions, last season's premiers, and their ability to remain a force in the league this year.

On paper Lions have one of the strongest teams in the competition, however looking at their results to date you wouldn't know it.

Apart from their first up victory over Brisbane City, the boys from Richlands have struggled.

They have been plagued by an inability to score goals and have found the net only three times in four games.

Coach John Sime must be scratching his head trying to find the answers to his team's problems following Saturday night's game.

Lions were totally outplayed in every facet of the game in front of a large crowd at Underwood Park.

It was an impressive display by Rochedale who ran in four goals with Kieran Cooper netting twice and Paddy Dillon and Lee Howells snaring one each.

Ironically Rochedale acquired all three of those players from Brisbane City during a big-spending off-season.

The win puts Rochedale into the top three just behind North Star, who enjoyed a 3-1 victory over Mt Gravatt at O'Callaghan Park.

Early results indicate both these teams

will be extremely hard to beat on their respective home grounds this season.

North Star never really gave Mt Gravatt a chance with Lee Scriggins, Mark Gilroy and Jim McDonagh getting amongst the goals. Gilroy, who transferred from Taringa Rovers a fortnight ago, has now scored in both matches he has played.

Mt Gravatt's goal came late in the match from replacement player Mark Hairsine.

The other major upset of the round was Brisbane Croatia's 3-0 drubbing of Pine Rivers in the first match of a double header at Perry Park last Sunday.

Croatia, newcomers to the XXXX league, have shown they will not be easybeats this season.

They played without striker Kevin Meacock who arrived late, but still had too much firepower for Rivers.

Not even the return of National League player Clayton Koch to River's line-up could prevent the loss.

Joe Stipancic revelled in the freedom up front to score twice with backman Tim Brown also getting his name on the scorer's sheet.

In the second match at soccer headquarters Coalstars and Eastern Suburbs played a dour

1-1 draw.

The match was highlighted by a last minute goal by Colin Phelan to ensure Easts shared the points.

According to most reports the match deserved a draw, however Coalstars have a right to feel robbed with the equaliser coming well into extra time.

Brisbane City must be starting to feel the pressure after losing their fourth straight game last Sunday at Spencer Park.

City, boosted by the return of National League player Ibro Cahut, lost 1-0 to Acacia Ridge who now move into the top five.

Ridge, who are playing confidently under coach Eric Thompson, scored through Darren Spence.

They are now seven points clear of City, who are yet to register a point on the premier-ship table.

Nerang also made sure they kept above City with a 2-1 victory over Taringa Rovers.

The win proves the Eagles will be hard to beat on their home ground, Glennon Park, on the Gold Coast.

Nerang's goals came from Paul Cockbain and Peter Curtis while Colin Gwynne replied for Taringa.

JUNIORS IN THE LIMELIGHT

THE GAP

The 1991 junior soccer season is about to get underway.

The Gap Junior Soccer Club has been given the honour of officially opening and 'kicking off' the new season this Saturday, April 13, for the Brisbane North District.

As the largest junior club in Brisbane North, fielding 28 teams this year, it is appropriate that The Gap opens the new season.

Commencing at 8.30 am on Saturday, the new season will be officially opened by local BCC Alderman, Brian Hallinan, along with another long term supporter of soccer in The Gap, Arch Bevis.

Local soccer identity, Ian Brusasco, life member of Queensland Soccer Federation, will officially kick off the season at 9.00 a.m.

The day promises to be a bright opening for junior soccer in a year which promises so much for soccer at the senior level in the State, with a new coach at the helm of the Queensland side, and six representative games already on the calendar.

As a follow on from the opening on Saturday, The Gap, through co-operation of new State coach Juan Cutillas and assistant Gordon Arrowsmith, will host the State side having a training session at the Gap's ground commencing at 6.30 pm on April 17. This session is part of the new approach to involve junior clubs with the senior side.

On this evening, one junior goalkeeper from The Gap will be invited to train with the State goalkeepers.

The night promises to be a huge success and all comers, whether coaches, players or parents are invited to attend and witness the various coaching methods at the highest level.

Any queries on both opening or the training night may be directed through the Club's Publicity Officer, Paul Molenda (07) 300 4642.

BRISBANE NORTH

A draw would have been a more fitting result to the end of the 1991 Talent Identification Series held at Beenleigh.

The Series commenced on Easter Sunday and concluded seven days later. The final day finished with the naming of the Queensland Training Squad of 20.

The Squad will train in the June school holidays and will then be culled to a team of 16 before the National Identification Program in September.

BRISBANE SOUTH

All soccer interest this week has been with the Under-14 and Under-15 State Titles.

Our Under 14 team of Stephen Budd (Clairvaux) Tasman Spence, Kent Oliver, Stephen Chalmers, Lincoln Conquest, Ross Davidson (Souths United), Craig Wagstaff (Coalstars), Darren Sime (Camira), Anthony Roche (Croatia), Bradley Walker, Adam Coppolino (Rochedale), Carlos Blanco, Justin Edminston, Garth McCulloch (Slacks Ck) Matthew Beach, Taketo Fujimori (Mt. Gravatt) performed extremely well at Beenleigh winning 3-0 over SNQ, 6-0 over Wide Bay, 5-0 over C.Q., 3-0 over DEQ, 5-0 over SWQ and 3-2 over Brisbane Nth.

Their other game was a draw with N.Q.

Their efforts saw them into the final on Sunday against a strong Brisbane North team.

Carlos Blanco steered his shot passed the Brisbane Nth keeper to give Brisbane South a 1-0 win.

Congratulations goes to the team for their achievements especially the six players, Kent Oliver, Craig Wagstaff, Darren Sime, Lincoln Conquest, Adam Coppolino and Carlos Blanco who were chosen in the State squad to prepare for the National Titles later in the year.

Our Under-15 team of Dale Lloyd, Neil Davenport (Rochedale), David Baker (Acacia Ridge), David Corney, Scott Guyett (Mt. Gravatt) Steven Goodland, Ricky Brown, Richard Hilli, Paul Walker, Scott Lawrie (Coalstars), Paul Lederhose, Darren Stachowicz, Ty Bannister, Roy Huth (Beenleigh) Johnny McMullen (Clairvaux) Miki Mitrovic (Lions) almost had the same success at Southport Soccer Club.

However they were beaten 3-1 in the final by Wide Bay.

Congratulations to the four Beenleigh players, Paul Lederhose, Darren Stachowicz, Roy Huth, and Ty Bannister and Paul Walker from Coalstars who also gained selection in the State Squad.

This Association thanks all representative players and their parents for their support.

Special thanks to coaches Graham Clough and Barry Guyett their assistants and managers and also the Beenleigh and Southport Soccer Clubs.

Special thanks to Mrs Yvonne Austen (Championship Manager U14's) and the hard working members of the Beenleigh Soccer Club for their efforts in organizing and conducting the championship within our zone.

* * * * *

Under-12 and Under-13 teams will be named in May and will compete in June at their venues.

Fixtures in the South Zone commence the weekend April 13 and 14 with the only major change being the introduction of more regional and single game competitions for our Under-7 and Under-8 teams.

Spanish soccer maestro to make Maroon magic

Special report by Duncan Pike

No-one can doubt the qualifications of Queensland's new soccer coach Juan Cutillas.

Born in Barcelona in 1952, Cutillas was National coach of the Phillipine soccer team, a former first division player and was once on the short list for the Socceroo coaching position.

Off the field, Cutillas is a qualified doctor and a former professor of physical education.

He gained his golden coaching reputation by leading the Phillipines out the soccer wilderness.

During his debut as a football coach in 1968, he sent the Phillipine youth team to the Asian Football Championship in South Korea - for the first and only time in history.

Long considered the "doom of Asian football", Cutillas masterminded the Filipino's recovery into international football with wins or draws against Asian heavyweights China, Thailand, Singapore, Indonesia and Sri-Lanka.

The highlight of Cutillas' coaching career was when he "guested" for Real Madrid under Yugoslavian guru Miljac Miljanic.

He is also credited for setting up a soccer school for children aged 4 to 14 in the Phillipines, the only one of its kind in the country.

However it was his love for the game which eventually forced him to leave the Phillipines.

He became impatient with the lack of progress for soccer in comparison to other sports, especially the game's lack of facilities and sponsorship support.

Since arriving in Australia, Cutillas has been busy as head coach of Brisbane Lions in

the National Soccer League, and coaching first division sides Brisbane City and Olympic United.

Hopefully Cutillas can weave the same magic on Queensland as they face their most demanding representative season ever.

The Maroons are due to play matches against Scottish champions Heart of Midlothian, New Zealand sides Canterbury, Otago, Auckland and interstate rivals New South

Wales and Victoria.

The first test will come next Friday, April 19, under lights at Perry Park when Queensland plays Canterbury, the New Zealand provincial champions.

Queensland fans will be treated to entertaining soccer as Cutillas places a strong emphasis on scientific training techniques, tight defensive plays and hustling and exciting attack.

Good luck Juan and go for it Queensland.

WOMENS SOCCER

The curtain raiser to the men's Inter-city clash at Goodna last week was the women's Brisbane v Ipswich game.

The players produced an excellent and entertaining game and it was hard to believe that neither squad had had training sessions.

I'm sure all who were at the match were impressed by the skills of some of our top State and National players along with some of our up-and-coming juniors.

Andrew Di Ambrosis, coach of the Ipswich team, has shown that there is a wealth of talent in the area and they will certainly be worthy competitors in the State Titles in June when the team is finally selected and begins training in earnest.

The Brisbane side, coached by Fred Robbins, also boasted some new faces and these players also will prove hard to beat in the State Titles once they are formed into a working unit.

The result of the game, Brisbane 2 - Ipswich 0, was not necessarily indicative of the game, which was very evenly matched.

The goal scorer on both occasions was Maree Grant.

I hope the exercise was an eye-opener to many who had never previously seen a top women's game.

Meanwhile, the Atlanta Cup Series continues with Wynnum having a victory over Coalstars 2-1.

Redlands toppled Nerang 6-1 and Easts beat Annerley with two well placed goals in the second half.

The close match of the day was between Brisbane City and Redcliffe.

City had a succession of chances which they didn't put away in the first half but Redcliffe defended well.

The only goal of the match came 10 minutes from the end with Redcliffe scoring a lovely goal off the left foot of Wendy Connew giving Redcliffe a 1-0 victory.

The last round of the Atlanta Cup takes place next Sunday with finals to be held on April 21.

THROUGHOUT THE STATE

NORTH QUEENSLAND

State Director of Coaching Bruce Stowell visited us over the Easter weekend to work with the N.Q.S.F. Youth Squad who were playing in our XXXX Carnival.

The N.Q.S.F. and its member clubs are to be commended for providing these players with the opportunity to display their wares in this way, but more particularly we would wish to thank the State D.O.C. for his efforts.

It is no co-incidence that since Bruce has taken up the reigns "country" representation in State squads has grown and is now usually about 40 per cent.

The talent has always been there but now it is properly assessed each year.

None of our players can say that they haven't had a fair go and on behalf of the players I would like to thank Bruce for his interest.

* * * *

On the local scene, pre-season has concluded and the real business of the year, the N.Q.S.F. premiership is underway.

Early season premiership favouritism is between Estates and Mundingburra Olympic.

Despite losing several key players Aitkenvale Utd believe they can mount a serious challenge for their third consecutive premiership and a hat-trick of Crad Evans trophies.

Other final five contenders and premiers-ship hopefuls are Burdekin Parkside, Brothers and W.S.C.

Souths, Wallaroos, Heatley Warriors, Herbert Valley and Polonia will also be battling for points.

As well as a top five competition the N.Q.S.F. are organising a bottom five "finals" series and are to be congratulated for their foresight in providing all our teams with something to play for all season long.

SOUTH BURNETT

West's first and second division teams have repeated their 1990 double to retain their respective South Burnett Soccer League knock out cups.

The firsts defeated Easts 2-1 in extra time while the seconds rolled Easts 4-0.

Wondai women's nine also held their cup with a 1-0 final score, in a controversial encounter with Murgon.

Love em or hate em, one really must give credit to Wests club. They have been consistent winners in South Burnett soccer for many years, despite the turnover of players all clubs suffer.

The player of the day had to be Wests master keeper Mick North who saved two certain goals with magic agility.

The 1991 South Burnett soccer league will get under way in earnest next weekend with the first round of the Premiership.

All teams except the reformed Yarraman second division have had the opportunity to shake down teams during the soccer sevens and KO Cup rounds and should start hot.

Unknown Yarraman will find it hard in the early rounds, but who knows this might be the revival of Yarraman's great first division sides of the early 80's.

They at least are prepared to put in the effort and the South Burnett Soccer Association will give them every encouragement.

SUNSHINE COAST

The 1991 soccer season kicks off with premiers Beegees taking on wooden spooners Nambour Reds at Glasshouse.

On paper Beegees would appear red hot favourites and the return of strikers Sean De Courcy and Tony Bought to the Greens seem to reinforce that opinion.

It should be remembered that on their last encounter in 1990 Nambour made the premiers battle all the way, before finally going down 4-3.

The youth that was injected into the Reds' team by coach Peter Cockram in 1990 has been retained in 1991. Youngsters such as Damien Perren and Karl Marsh will be that little bit more battle hardened for the experience.

Maroochydore host the highly rated Buderim side in a game with plenty of promise.

On pre season form Maroochydore strengths appear to be in attack where Brett Hambrecht will gain support from new signings Ken Niel and Wayne Hartley.

Kim Cox's Buderim side will use their strength in defence and midfield combined with the exciting talents of new signing Danny Lobwein as their foundation to attack.

The difference between the two sides

however may well come down to the form of young Buderim striker Scott Elliott, his power shooting is capable of turning the game.

In other games Coolum return to the big time after being absent since 1988.

They travel to Tewantin to take on Noosa, the home side under the guidance of former club stalwart Alan Sinclair.

Woombye play host to an under-strength Caloundra in a game set to feature two youthful sides and Kawana have the bye.

* * * *

Should you have urgent information for the S.C.S.A. and find you have not the time to drive to Nambour or a phone call won't suffice, you can now send a fax on the Association's existing phone number. The recently installed time saving device is already proving to be a most valuable acquisition.

The date and venue for the Annual S.C.S.A. Presentation dinner has already been set, pencil into your diary, Friday the 4th of October, the venue Troppo's at the Sunshine Plantation.

Pine Hills remain at top of table

Fourth Division: Pine Hills 2 d Deception Bay 0.

Deception Bay, still searching for their first win of the season, fought hard right from the start of this match forcing Pine Hills onto the back foot.

They created several half chances in the opening minutes, however Hills' back-line was able to close down the Bays' attack which was prepared to chase everything and shoot at every opportunity.

In their effort to push forward Bays left themselves exposed and square at the back and it did not take long for Hills to exploit it.

A good through ball from Phillip Engstrom put Peter Tong through for Hills first goal, which almost came against the run of play.

Deception Bay to their credit never looked a beaten side and competed fiercely all over the park, with their probes forward breaking down at the final touch.

Hills, however, were able to eventually take control by slowing the game down and they forced several corners.

Kevin Beeley played well delivering several well placed crosses which always threatened the Baysiders back line.

It was one of these crosses that was first met by Jason Andrews' header which hit the bar.

Skipper Paul James was on the spot to tidy up the attack and gave Hills the 2-0 cushion with a rare headed goal.

Both Corrie Popplewell and Troy Weakly played well for Hills, showing great discipline throughout the match.

Off overseas for your June Hols.? Then why not take in Portugal and the FIFA Coca-Cola Cup. The young Socceroos have been drawn in Group C and will play Trinidad (June 15), USSR (June 18), and Egypt (June 20).

* * * *

A few teams already under fire for not supporting the opposition's canteen and bar during away games. As one grim-faced home-team official put it, "After the match they jump in their cars and take off like startled rabbits. They want to remember it works both ways."

Sydney Club, Apia has been given the go-ahead by their local council to redevelop their social club at a cost of \$2m. The Club is aiming for a club membership of 10,000. The Club is also negotiating with Balmain Leagues Club over the use of Leichhardt Oval for soccer next season.

* * * *

Thought of the week: To err is human, but to foul things up completely takes a computer.

* * * *

Australia's clash with England at the Sydney Football Stadium on June 1 could be a sell-out if early ticket sales are any indication. The ABC will provide live coverage around Australia, except, at this stage, Sydney.

* * * *

The Australian Soccer Federation received 22 applications for the 14 1991-92 NSL vacancies. As expected all of the 14 present NSL Clubs applied. Of the eight other aspirants Brisbane United had their

application well in before closing time, but Melbourne Club Brunswick Juventus' application arrived right on the deathknock of the deadline - a few minutes before midday. Having already spent \$600,000 on its planned new ground at Brunswick, Juventus, if re-admitted into the NSL would probably play its first two seasons at Olympic Park.

* * * *

Sneaking a point back in the final couple of minutes in his team's XXXX League draw against Coalstars at Perry Park made Colin Phelan the hero of Heath Park in a match both teams would probably prefer to forget. The lad's still smiling we hear.

* * * *

Unlucky Brisbane Lions goalkeeper Kevin Tatton is well and truly back on the road to good health. Kevin, who broke his ankle during an early pre-season game, is due to start physiotherapy soon and is expected to be back on the field by the start of the second round.

* * * *

For those who like punting on the pools Division 4 in the QSF competition is not the best one to follow at the moment. After three rounds of the comp., there is yet to be a draw.

* * * *

Talk about form reversal! Caboolture, who were relegated to Division 6 this year, are only one game away from equalling the number of wins they achieved for the whole of last season. Not only that, the club is leading their competition.

* * * *

Time waits for no man - just ask Brisbane Croatia striker Kevin Meacock. Poor Kevin turned up to prepare for his team's match at Perry Park last Sunday only to find the game was almost over.
