Editorial

Does the relegation system within soccer solve anything, or does it create absolute confusion in the minds of supporters and the media.

Years of hard work building up club identities goes down the drain every year with the rise and fall of soccer clubs.

We have reached that stage of the season when panic buying and selling of players becomes a matter of survival for some clubs.

Clubs in the bottom half of the table are facing some tough decisions with 10 shopping days left before the June transfer deadline.

It all sounds like Christmas, however for the two clubs who find themselves at the bottom of the table come season's end, there will be no joy.

Restructuring

It will be interesting to watch the developments of the next few weeks as these events unfold.

Maybe it's time we looked at restructuring Queensland Soccer with an eye to catering for the future.

Soccer must realise its cannot remain stagnant and rest upon its laurels.

We must act quickly to develop plans to ensure the code's future by realigning itself with the expansion of Brisbane's mushrooming population.

A Queensland University study has projected the region from Sunnybank across to Acacia Ridge and through to Beaudesert will contain a population of 1.5 million people within 10 years.

This is only one region in the Brisbane and there is sure to be a similar growth in other areas of the city.

Soccer must be prepared for these developments and have clubs in positions to capitalise on this expected boom.

This then leads us to the question of whether the current senior clubs are positioned to meet the demand of our growing society.

Perhaps it's time clubs buried their traditions and made the future of soccer in Queensland their number one priority.

Clubs should look at amalgamation as a means of developing a solid base of support.

At present we are in a situation where there is a gross excess of clubs within close proximity of each other cutting each other's throats.

Surely it is common sense that if clubs pooled their resources - in terms of players, supporters and sponsorship dollars - instead of fighting each other, then soccer would be the winner.

Round in Review

Former high-flying NSL glamour team Brisbane City is staring relegation in the face.

Although the season is far from over City are waging a desperate battle to stave off a drop to the second division.

They are languishing on the bottom of the premiership table in dramatic form reversal since their thrilling grand final victory less than 12 months ago.

They suffered a humiliating 6-0 defeat at the hands of Pine Rivers last weekend to plummet further into despair.

Each loss has brought relegation speeding closer and hardened supporters must have grave concerns for the future of the club.

The club has failed to bounce back after a mass exodus of players at the start of the season.

The new side has shown they possess the potential, but must find form soon if they are to get out of the relegation jail.

Just as City have faded from the spotlight, Rochedale Rovers has stamped itself as the new force in Brisbane soccer.

Rochedale claimed its first XXXX League trophy last weekend when they defeated Brisbane Croatia 1-0 to clinch the President's Cup.

They now have their sights set on capturing the premiership in the premier league.

Ironically Rochedale's team includes four former City first-team regulars, Kieran Cooper, Paddy Dillon, Lee Howells and Stuart Greer.

Rovers won the President's Cup in front of one of the season's biggest crowds at Underwood Park.

The President's Cup is played between the two leading teams after the first round of fixtures, an honour Rochedale shared with Croatia.

Brisbane City striker Scott Rackley finds himself caught between Pine Rivers (L-R) Bobby Hamilton and John Rhule Photo: Rory O'Connor.

In other matches played last week Taringa Rovers have made making the five a difficult proposition after crashing to Mt Gravatt 3-0 at Jack Speare Park.

Rovers, who knocked off league front runners Croatia the week before, could not lift themselves for a similar performance against the Hawks.

Mt Gravatt continued their winning ways from last week when they defeated Acacia Ridge to end a long losing streak.

Nerang improved their chances of remaining in the XXXX League with a morale-boosting 1-0 win over Acacia Ridge.

It was only the second victory of the season for the Gold Coast club, promoted to the top league this season.

Coach Neil Burrows said he hoped the win would be the turning point of the season for his team.

Coalstars surprised Brisbane Lions by holding them to a 1-1 draw at Richlands Stadium.

The coalminers have been hit hard with injuries and suspensions in recent weeks forcing coach John Ogden to field a youthful and inexperienced team.

They put up a credible performance to hold last season's premiers to a draw.

Although his team remains in third position, Lions coach John Sime must be disappointed his team could not capitalise on a weakened Coalstars outfit.

Eastern Suburbs and North Star travelled to Nambour to play their XXXX Soccer League match as part of a concerted effort by the QSF to promote the game.

The match was played at the Nambour Showgrounds and signalled the opening of the town's annual show.

A large crowd attended the match which ended in a 1-1 draw.

East's scored in the first 10 minutes through the boot of Geoff Maltby, but North Star were able to equalise late in the game via Jim McDonagh to share the premiership points.

PLAYING THE GAME RIGHT

with Bruce Stowell

DRIBBLING/RUNNING WITH THE BALL

There are two distinct types of dribbling/running with the ball:

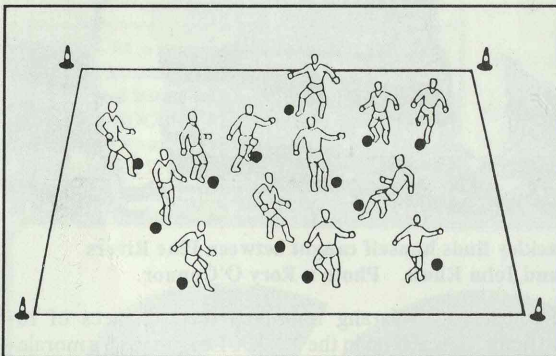

- 1 When the players has space in front to run at an opponent with the ball or space behind to run into.
- 2 Tight situations where a player has little room in which to manoeuvre and has to jink and weave to squeeze through.

Players with this ability are an asset to any team and should be encouraged instead of being destroyed by shouts of 'greedy'. They are match-winners if they can turn it on in the area where it counts most - near the opponents' goal.

Although this is a drill, there is incidental opposition in the shape of other players who are moving around in the same space and need to be avoided.

PREPARATION

Mark out a large area. Each player in the practice should have a ball. This of course

brings us back to the old problem, but it is essential to get together as many balls as possible. If your team is still short of the target of one ball per player, then in this practice leave some of the players out to start with and keep swapping them for players on the inside. The practice is physically demanding and an occasional rest may be welcome.

PROCEDURE

The idea is for players to move around the area with the ball at their feet, looking for space, avoiding collisions.

NOTES

- 1 Collisions will occur though you need not mention the fact until there have been a few. This will almost certainly be due to the fact that most players run with their eyes down looking at the ball. Encourage them to look up as they play and their whole game will benefit.
- 2 Players have a natural tendency to run with the ball on the inside of both feet. If the ball is removed for a while, it can be seen that this is a most unnatural way to run as the feet are splayed outwards. Resume with the ball but encourage players to experiment with the outer surfaces of both feet as well.
- 3 In this practice players are usually so intent on controlling the ball that the speed of movements tends to slow down to just above walking pace. Get them to change pace as often as possible—from almost a standstill to a quick burst into open spaces for varying distances.
- 4 Players tend always to move forwards. Get them to change direction as well as pace, using dif-

ferent surfaces of the foot.

VARIATIONS

- 1 Once the players have had time to digest all these ideas, set them sequences of movements to follow which bring in all the points regarding different surfaces of the feet, change of pace, change of direction.
- 2 Split the players into groups of three. They move around in file, the first player setting the pace and direction. The second player has the ball and follows on. The third player trails the other two. On the whistle, Number one goes to the back, Number two steps up to lead the line and Number three takes possession of the ball. This is a useful alternative if there is a genuine shortage of balls.
- 3 Finish with competition. All players in the area have a ball and must keep possession of their own whilst at the same time looking for the chance to kick someone else's out of the area. Players who are dispossessed must leave the playing area immediately. The winner is the last player left in possession of a ball.

CHECKLIST

- 1 Develop the ability to move the ball with both feet.
 - 2 Develop the ability to use all the different surfaces of both feet.
 - 3 Develop the ability to change direction quickly to get out of tight corners.
 - 4 In a one against one situation, attack opponents with the ball to get into the space behind.
 - 5 Make sure that when you have got past opponents, you have the speed to get away from them.
 - 6 Keep your head up to assess all options.
- Next week Part 2 of Dribbling/Running with the ball.

Refereeing with Des Miles

LONDON - Why are soccer referees treated like fairground ducks, there to be shot at by every Tom, Dick and Harry?

The man in black has always been the butt of spectators' jibes, but today he is being squeezed between the devil of dissenting players and the downright betrayal of support he had traditionally enjoyed from officialdom.

Ever since the 1990 World Cup, he has not been allowed to be his own man. Instead, he is being ordered to carry out a purge against the malice and the cheating of players distorting the spirit of a great game.

Any rational observer will back the essence of a directive from FIFA, the international ruler, declaring that time is up for cynical destroyers.

Some of us even incurred FIFA's wrath for deploring its overbearing rejection of a similar crackdown in England eight years ago.

But let that pass, which is more than unscrupulous defenders do any forward going for the goal.

To push, pull or hack down an opponent

has become condoned; worse, it has acquired the sobriquet "professional foul."

Nothing is more inappropriate. But it grew in the culture of the '80's, and of course there is pain, confusion and outcry when suddenly a generation taught to cheat finds itself staring red cards in the face.

It is the pain of exorcism. Players are paying for what a leading Paris heart specialist, Guy Abitbol, first described as accepting the deliberate foul as "just another technical skill."

The good doctor's perception was dismissed elsewhere as Utopian meddling with a man's game.

Instead of the concept of giving and taking the knocks of a collision sport, the so-called professional foul symbolized the ruin of ideals without which there is no sport.

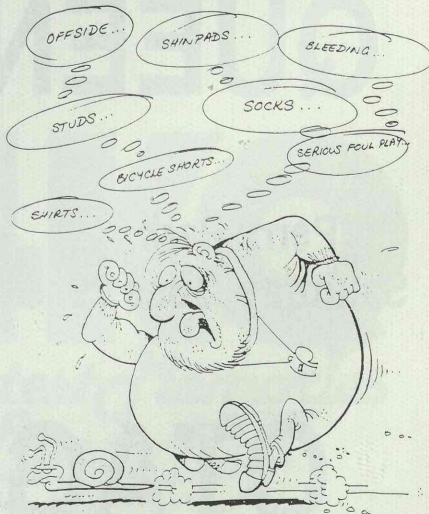

The wheel has turned its fullest circle in England, where the first crackdown was aborted. England, winner of FIFA's 1990 fair play awards for team and individual, has been shocked by 136 red cards in half a league season.

This far exceeds any season except that of 1982-3, the time when English referees tried to eradicate the cynical foul.

Ironically, English soccer is having such a

boom in popularity that, for the first time since the national team won the 1966 World Cup, the sport appears likely to attract 20 million spectators during a season.

This surge is inspired by the euphoria inspired by the national team's having reached the semifinals in Italy, and no doubt by the fact that the lid seems finally to have been put on hooliganism.

"GEEZ... I THOUGHT 1990 WAS TOUGH!"

From the Office . . .

Congratulations to the Sunshine Coast Soccer Association and the Sunshine Coast Show Society on the special XXXX Soccer League promotional match held at the Nambour Show Grounds last Thursday evening.

A large crowd of show patrons braved a chilly night to watch the two Brisbane teams play.

The scoreline was 1-1 at the final whistle. Eastern Suburbs lead the match by the single goal for almost the entire game and it was not until the first minute of injury time that North Star striker Jim McDonagh equalized with a penalty, resulting from a hand ball in the box.

Many thanks must also go to both North Star and Eastern Suburbs who agreed to participate in this promotion.

Let us hope that such events can be part of our regular program and thus further help Regional centres by providing them with top class football.

Recently, I was saddened to learn some coaches may not be offering sufficient guidance and encouragement for young players to participate in State Secondary School Representative soccer.

The State Secondary Schools Association is an affiliated body with this Federation and therefore deserves the full support of all coaches and clubs.

Young players should be encouraged to participate at Regional, State and National level.

This aspect can be an important part of a players development program and they should not be denied any opportunity to represent their State or country.

Coaches must understand that players can learn from others, as well as from their own coaching programs.

The first preview of Brisbane United players will take place at Perry Park at 6pm on July 3, 1991.

I understand coach Miron Bleberg intends to play the squad in two sides.

Club manager Steve Barry will be offering special discount bar prices to attract interested spectators.

Admission will be free and supporters are most welcome.

Once again the 4BC Soccer Coaching Clinic tops the bill.

Steve Hill advises that the course is over subscribed and more than 50 applications had to be refunded.

Whilst soccer clearly heads the list; Rugby League, Australian Rules and Rugby Union fail to reach the same popularity level of the soccer clinic.

Recently I have heard rumours that Brisbane United will not be playing their home fixtures at Perry Park.

This is not the case and there has never been any suggestion that Perry Park would not be used for the team's fixtures.

I can advise that the Queensland Soccer Federation, The Queensland Soccer Club, the trustees of the Queensland Soccer Federation and the directors of Brisbane United are all busily making plans for the first Perry Park fixture in October.

JUNIOR SOCCER

BRISBANE AND WEST MORETON REGIONAL DIRECTOR OF COACHING

The past week has seen two further Level 1 coaching courses completed at North Pine Soccer Club and Brisbane Grammar School for the GPS/TAS school teachers.

The move into private schools this year is certainly somewhat of a breakthrough, particularly at GPS level and most encouraging from the response shown.

4BC Clinic

The 4BC soccer clinic that started Monday had all positions filled a couple of weeks ago. I'm sure the youngsters will enjoy their time at the session.

With Junior Representative teams also in action at Coalstars, Gladstone and Bundaberg and soccer clinics at a number of clubs the June schools holidays are certainly a period of high soccer activity.

The course will run for four weeks and cost \$10.00.

Soccer on the Southside has now broken up for the school holidays. Time for everyone, especially the hard working club officials, to have a short rest before commencing again with our double header weekend followed by the outstanding catch up games.

Whilst we are having our rest our representative teams and coaches will be hard at work doing their best for our zone at the various titles and championships.

A stroke of bad luck fell upon our under-12 South team just days prior to the championship commencing when five lads came down

with chicken pox.

I'm sure the boys are very disappointed as they have all worked so hard in their preparation.

Hopefully no further problems will arise. Five new players have been recalled to the team.

Aaron Baldwin, Daniel Matula, Darren Rooney, Mark Miller and Scott Ferguson are now also wearing the blue, white and black for Brisbane South.

Although its going to be a little harder now boys I'm sure that you will put that little extra to your effort for the team, coach and zone.

Coalstars officials worked hard Sunday making sure the carnival got off to a good start.

Mr Harry Linning also encouraged all players to do their best especially the two teams who have not yet got their names on the Trophy.

A feast of good soccer will be played at Coalstars all week and I urge all soccer parents to call in and give their children a look at some of the games being played.

Letters to The Editor

Dear Sir,

You never seem to get many letters and I'd hate to think all your readers agree with all what is happening in Queensland soccer.

My first concern is the Brisbane United Squad. It seems strange that such a large squad is needed when it is obvious the majority will be cut once we sign the so called southerners and import players.

I feel it would have been far better to have a quality small squad and add to it rather than cut players who should have never been picked in the first place.

It is good that the Brisbane United coach is a new broom, metaphorically speaking, but it is disturbing to see many long term losers as his offsideers.

These people had their chances when City and Lions were in the National League.

I hope Miron Bleiberg picked these players on individual merit rather than on token recommendations.

It was quoted in the local press that Bris-

bane people don't want to come and watch a Brisbane United team full of Queenslanders.

This may be correct but I am sure if our team is struggling we would rather support a team of Queenslanders than a team of over the hill cockroaches or imported has beens looking for an easy dollar in the sun.

Players like Lee Scriggins and John Preston must be given the chance now and others such as John Cartwright and Graham Eden who need this chance to show that they are quality players.

For too often we have picked the flashy hot and cold players who because they play for the traditionally top teams in Brisbane.

The soccer public now know that City, Lions and North Star no longer control the destiny of Brisbane Soccer.

Brisbane United will be a success perhaps not this year but very soon and it will be the Queenslanders that will fill Perry Park supporting Queenslanders.

Joe McGillion, Strathpine

Dear Sir,

Congratulations to everyone involved in the bid for the NSL. I was disappointed however to hear that the original name of Brisbane United may not be the final choice.

The United tag is a great goal.

I don't want to take anything away from your name/logo/colour competition but I am a traditionalist at heart and hope that the Logo is a small shield (A La Brazil etc.) and the strip is a rugged design based on dark shorts and white shirts - Not a fashion design.

On the Subject of Brisbane United can you please publish the answer to the following.

(i) Is there any formal move for country players to be taken on either directly or via an "apprenticeship" with a XXXX team?

(ii) Are there plans for junior involvement?

(iii) Will there be a reserve grade/colts team?

Thanks, Roger Hewitt

P.S. I would enjoy hearing from "experts" on who they would select in our NSL team - perhaps even a competition for your readers.

Cutillas names new State Squad

Queensland Soccer coach Juan Cutillas has included three new faces in his squad for the Maroons next representative match.

Cutillas has recalled former State players Rob Farrow and Shane Haddow and included Peter Dwyer in his 15-man training squad.

The Maroons will play New Zealand provincial team Otago, at Perry Park on Saturday night June 29.

Farrow, a sturdy 'keeper, was dropped from the State squad earlier this year but has returned to form in recent weeks for his club Brisbane Lions.

Haddow, who returned to North Star recently after a stint in the NSL, has played one game for Queensland.

Dwyer, a former NSL player with Brisbane Lions, will be making his debut for Queensland.

A versatile player, Dwyer is currently a member of the Gold Coast Gamblers representative team.

Queensland has already played three representative matches this season.

They defeated NSW 2-0 in the State of Origin, drew 2-2 with New Zealand provincial champions Canterbury and were defeated 3-2 by Victoria.

Following on from Otago match, Queensland will play Auckland on July 28 at Perry Park.

In August the Queensland will play a return match against Canterbury in Christchurch to round out their representative season.

Cutillas' new squad is:

Stowell resigns as State DOC

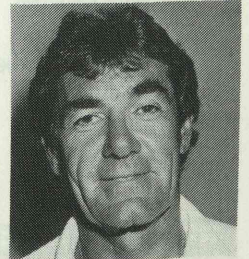

The President of the Queensland Soccer Federation, Wallace Dann, announced this week Bruce Stowell had tendered his resignation from the position of State Director of Coaching for Queensland.

He said that Stowell had accepted an offer to manage the Newcastle Austral side in the restructured National Soccer League.

He said he would be released from his present duties to allow him to take up the new appointment in early July.

"Bruce has had a long and successful term with the Federation and has constantly strived to improve coaching and playing standards throughout the State," Dann said.

"We acknowledge his contribution to Queensland Soccer and wish him well in his future career."

THROUGHOUT THE STATE

FAR NORTH QUEENSLAND

On behalf of Far North Queensland Federation we would like to congratulate our Women's Representative team who finished third in the State Titles held at Geebung, Brisbane.

This success was highlighted by the selection of six players in the Queensland squads.

In the under-16 side Kelly Spilstead and Tammie Thornton were selected, Sandra Remedio and Emma Cook in the under-19, together with Lily O'Hara and Tania Cosatto who were selected in the Queensland open Squad.

A job well done coach Paul Piccolo and manager Lisa Azzopardi, lets hope you continue with your coaching and achievements.

Saturday saw the halfway mark for our local competition, with teams on leading points taking out the Patrons Cup.

The results indicate that Leichhardt are on top in the First Division and reserve grade, with the youth to be decided after the Curtain-Raiser game between Leichhardt and Dimbulah on June 29.

Indications show that the other clubs will be right there with the winning teams.

Results of club matches played recently have resulted in a few upsets being recorded, proving all early season predications wrong.

To conclude this week's report there was a little bit of sentimentality in that Mark Waddingham married Robyn Cooper in Innisfail last Saturday.

The Soccer Federation and all of the soccer fraternity of the Far North wish Mark and Robyn every happiness.

Mark, and his three brothers have played soccer in Cairns for the past 11 years, with Anne their mother being a stalwart supporter of Edge Hill United for that same period of time.

Paul the eldest of the Waddinghams played for Mareeba in the State League, Leichhardt in the North Qld League, Stratford and Edge Hill, where Mark, John and Glen still support and play for the same club.

Paul is continuing his soccer career by playing for Rockingham City in Perth.

It is great to see a family unit in the one sport and club.

Our under-16 boys coach Aldo Avolio and manager Philip Somerville had their final training session on Sunday, with the boys shaping up into a very strong competitive team.

We wish them all the very best, and hope that the selectors look very favourably on the participants.

MACKAY

Last week's games saw wins to Lions and Magpies whilst Wanderers and City played a draw.

Lions ended Rangers unbeaten league run winning 4-2, Magpies came from behind to defeat a gallant City 2-1, and Wanderers got a late penalty to gain a point in a 1-1 draw with City.

The Lions/Rangers game was a see-sawing affair. Rangers had the best of the opening stanza but couldn't beat Lions solid defence.

Lions then netted three goals in the 13 minutes before half time to virtually wrap up the game.

Andrew Burston hit two with Andy De Hass getting one when the Rangers defence went to sleep.

Willie Carter got a goal back for Rangers five minutes into the second half but Lions Andy De Hass blasted in his second 10 minutes later to give Lions a three goal lead.

Striker Tony Shields scored a late goal for Rangers.

City continued their good form with a draw with Wanderers. Fred Baxter scored in the first half for City whilst Wanderers needed a penalty slotted home by Darren England to get a point.

Sarina's new signing Trevor Evans netted an early goal to have Magpies struggling but goals to Michael Woods and Russell Dovey saw Magpies get up.

Results of Powers' Premier League Soccer games played 15/6/91.
City 1 (Fred Baxter) drw Wanderers 1 (Darren England)
Magpies 2 (Michael Woods), Russell Dovey) d Sarina 1 (Trevor Evans)

Lions 4 (Andrew Burston 2, Andy De Hass 2) d Rangers 2 (Willie Carter, Tony Shields).

Player of the Round: 3 Points: Fred Baxter (City), Andrew Wotherspoon (Magpies), Andy De Haas (Lions). 2 Points: Bill Perry (Wanderers), Lonnie Day (Sarina), Andrew Burston (Lions). 1 Point: Wayne Zahra (City), Shane Wallace (Sarina), Willie Carter (Rangers).

Powers Premier League Points Table:

Rangers 8, Lions 7, Magpies 6, City 5, Wanderers 4, Sarina 0.

SOUTH BURNETT

West's put on a second half blitz to take the points in their South Burnett soccer league round eight first division clash at Kingaroy last Saturday.

Nanango ran out 4-0 winners after a first half in which the Blues took the game to West's and held them to a 1-0 halftime advantage.

After the resumption it was all West's as Nanango ran ragged with mesmerising possession football.

West's youth policy paid off handsomely in this match with a good blend of old ball playing heads binding a side which has steadily rebuilt this season.

In a round where 24 goals were scored in all grades, the first division match between Murgon and Wondai last Saturday had everything for fans including a contribution of 6 goals in a 4-2 Murgon win.

It was a fast open game, two missed penalties in the first half, yellow cards like daffodils and sending off by referee Lee Owen of Wondai player Lee Stack for dissent following Murgon's third goal.

SUNSHINE COAST

Beegees established a three point lead in the Heritage League by defeating Nambour 3-1.

They took the lead just before half time when Tony Bright headed in from a corner.

Nambour came back after the break with Don Simpson scoring from the spot but Beegees regained the lead with Bright beating the defence to score his second.

The game was put out of Nambour's reach when Beegees Shaun DeCourcy netted with five minutes to go.

Caloundra continued their climb up the ladder by scraping home against a determined Woombye.

Caloundra won the match 1-0 with their goal being pushed in from close range by Paul Martignango 30 minutes into the game.

Both teams squandered scoring chances throughout the second half.

Caloundra have now won their last three matches while the luckless Woombye have lost seven straight.

Noosa proved too strong for Coolum and ran out comfortable 4-1. Noosa after their plucky draw last week against Kawana, are starting to look formidable.

Their goals were scored by Graeme Day (2), Ray Procope (1) and the fourth by Carl Harrison from the penalty spot.

Ron Moore netted Coolum's lone goal near full time.

Buderim had to fight all the way for the points against a robust Maroochydore outfit.

Buderim, a team overloaded with talent, has so far failed to play to their full potential.

They took the lead 20 minutes into the game with a goal from Paul Lees.

MATCH REPORT

Division 4: South Star 5 Def. Pine Hills 1.

Although leading 1-0 at the break, South Stars' lack of finishing was the only reason it wasn't more.

Hills just were not in it.... they seemed content to allow Stars to dictate the play for the full 90 minutes, and showed little initiative or imagination.

It wasn't until the second half Stars took full advantage of Hills lacklustre performance scoring their second goal soon after the break.

Their back line played extremely well. They not only defused with ease Hills attack, but also looked dangerous when they pushed forward.

At 4-0 down Hills showed glimpses of what they can do when Mark Harris finished well from 20 yards.

With minutes to go Stars struck again scoring their fifth goal sealing their victory and their top of the table position.

WOMEN'S SOCCER

BRISBANE

After the successful State Titles, it was back to fixtures again last weekend.

The race was on once again in 1st Division, with most teams, although a little tired from the previous weekend, playing some excellent soccer.

East had a 5-1 victory over Nerang and Redlands defeated Coalstars 4-0.

The game between Annerley and Wynnum ended in a 0-0 draw and Redcliffe defeated Brisbane City 1-0.

The games in this division are for the most part fairly even and this is great for those teams having their first year in the top division.

They are proving they are competitive and the standard of soccer generally is on the improve.

National Titles

The following Queensland junior and youth teams were selected at the State Titles and will have the honour of representing their State in the forthcoming National Titles, to be held conjunctly at Woy Woy, near Gosford on the New South Wales Coast.

The girls will be leaving on July 4 and the championships begin on the 7th.

As can be seen by the selections, the country areas are well represented.

The standard of soccer at the recent Titles

SOUTH BURNETT

Murgon women held 1990 Premiers Wondai to a scoreless draw in their round eight clash at Murgon last Saturday.

Murgon defender and player of the match Lena Cutler showed she has come back from the State Junior Titles full of confidence.

She produced a top marking job on Wondai goal machine Lynn Smith and ably supporting sweeper Helen Eagleson when Murgon were caught short.

Both sides showed tight defence was the order of the day with Cathy Geary back from illness to her accustomed Wondai central defender role and Sally Woods at the other end bottling up danger forward Madonna Hay.

Kingaroy's "Baldwing Birds" blew a golden opportunity to take a hatrick of wins over Nanango last week.

was very high and the country areas especially played some excellent games.

This gives the country players something more to aim at, if they can realize they can be selected along with Brisbane players to represent their State.

The teams travelling to Woy Woy for the National Titles are:

Queensland Juniors: Jacqui Page, Helen Potheary, Mia Thompson, Kalliope Anastasiou (Brisbane Juniors), Louise McMurtrie Ipswich Open), Margaret Ashton, Bryony Duus, Diann Ashton, Belinda Kitching (Ipswich Juniors), Melinda Kennedy, Treena Youngblutt, Corinne Currey, Kim Elder, Georgette Leake, Luanna Sheridan (Gold Coast Juniors), Tammie Thornton, Kelly Spilstead (Far Nth Qld open), Christelle Adam (Sunshine Coast Juniors). Coach: Tony Smith, Manager: Deserie Hardy, Physio: Alison Baker.

SUNSHINE COAST

Sunshine Coast Women's fixtures resumed this weekend after last week's break for the Queensland Titles.

Caloundra retained their position at the top of the table by defeating Buderim 1-0, Woombye stayed within range by beating Nambour 3-0 and Coolum lifted themselves into fifth spot with surprise 1-0 win over Kawana.

The Coast's under-16 girls team proved the surprise packet at the Queensland Titles when they played their way into the final, only

INTO THE NET

Hidden talents? After having been introduced as JOHN ZHIVAGO in a XXXX League away match a few weeks ago, Pine Rivers' JOHN SCHIAVO is now dubbed DOCTOR by his fans.

Excellent response from patrons at the Nambour Show last week when EASTERN SUBURBS and NORTH STAR followed the fireworks display in a XXXX League fixture match. Good judges, estimating the crowd at over 600, considered it a great advertisement for the code, with much additional praise being heaped on the Sunshine Coast Soccer Association and the Nambour Show Society for being so enterprising in staging the match. Hopefully, the idea will be repeated next year.

Great talking point during the week has been the BRISBANE UNITED'S training list. A couple of self-styled experts, asked to produce their lists, happily obliged. Problem was each weighed in heavily with players from his particular XXXX League Club, leaving out some "certainties". Two good examples where club loyalty overshadowed football sense.

Congratulations to ROCHEDALE ROVERS on winning the President's Cup. The win proves patience is a virtue, as this is Rochedale's first piece of silverware in five years of hard slog in the first division.

A local derby can be hot stuff at the best of times, but with SLACKS CREEK donning the leader's jacket after last weekend's division three fixtures, and BEENLEIGH trying to claw their way out of the relegation zone, their match this Saturday will be a pressure on for both teams, but for obviously different reasons.

Are you a MISS QUEENSLAND SOCCER QUEST entrant? If so, please check that your Club has sent your entry form and photo into Perry Park. All funds raised by entrants are retained 100 per cent by their clubs.

When you're with a driver who only knows two speeds - flat out and stop - it's easy to overshoot a turnoff and speed merrily on to the next town. Just ask two QSF Management Committee members who went to Nambour last Thursday night with a certain recently appointed General Manager at the wheel.

North Star's LORENZO CUCCHI is just about over the bruised butt he sustained in a recent match due to a well placed kick from an opposition player. "Cookie" would like to find the culprit so he can give him his boot back.

Hands up all those who attended the 1972 match between the famous South American Club, SANTOS from Brazil and Australia?

The Australian Soccer Federation paid an Australian record guarantee of US \$40,000 to the World famous Santos team for one match in Sydney. Santos, which included the famous PELE, refused to take the field until they were paid the guarantee in cash.

Officials found it difficult to find that amount in banknotes on a Saturday afternoon and had to use some of the notes taken through the gate.

Play started about 15 minutes late. Santos drew 2-all with an Australian XI, before a crowd of 28,755.

One of the most frustrated players around at present is Sean Armstrong who is (im)patiently awaiting advice from the Immigration Department regarding his permanent residency. In the meantime, Sean has been cooling his heels, as lack of this piece of paper prohibits him from playing soccer for the club of his choice.

THANKS to ABC Printing and Goodyear Tyre and Rubber Co. for assisting with sponsorship of the Brisbane North and Brisbane South Under-16 representative teams. Togetherness will prevail, with both teams travelling in the same coach to Bundaberg for the talent identification series.

The pleasure of renewing old acquaintances was in full swing at the opening of the HARRY LINNING CARNIVAL last weekend at Coalstars complex. Harry, in fine form, did the opening honours, expressing his continued keen interest in junior soccer.

Soccer results reported in a Qld Newspaper on June 14 as follows:

Junior D.O.C. round town is now even happier with his new Berina. His senior counterpart assisted by finding the fifth gear for him.
