Congratulations are in order.

Congratulations on the fine attendance at Perry Park last Sunday for the Queensland and Auckland representative match.

The Queensland players appreciated the support and it was great to see so many young people seeking autographs from the State players. That is what it's all about - having young people meet their heroes.

And in reverse all sports people like to feel the spectator support which helps with their confidence.

With this sort of support the players know they are playing for a purpose and that they belong to Queensland.

It's great for the Queensland side to receive invitations to tour New Zealand.

Tours are great things for sporting teams - they assist with the development of skills and also give players the opportunity to continually play at a higher level against quality opposition. In addition it develops the camaraderie amongst the players which is so important in team sport.

The Queensland team will tour Christchurch in August and will have return fixtures against Otago and Auckland in the 1992 season.

The Ampol Cup final day will take on a new look this season. Not only will the big football match take place, but Perry Park will host an all-nation food festival.

Entertainment will also be provided by nationalities which make up the soccer fraternity.

This new promotional activity is worthy of your club support.

It will be a great day starting with a junior carnival involving teams from Brisbane South and North associations and ending with the Ampol Cup final at 2.30pm.

Admission to Perry Park for the day is a value-packed \$2 and the date to remember is August 18.

While we are talking about club support, don't forget to make your group bookings for the Miss Soccer Quest gala night on August 17. What a weekend - Miss Soccer Quest and then the big Ampol Cup day.

It is great to see ASF commissioners John Dimtsis and Dr Graham Bradley in town last weekend opening up the communication lines to the grassroots of soccer.

This type of communication can only achieve greater things for soccer in Australia.

If we have commissioners, who are the decision makers, prepared to listen to the people in each State working hard for the sport there must be new ideas that will bear fruit.

All of this will help us achieve the goals to make soccer the number one sport.

Queensland kept its unbeaten record against New Zealand sides intact with a draw against a powerful Auckland team at Perry Park last Sunday.

The Maroons' overcame crippling disruptions to come from behind and snatch a deserved 1-1 result in front of the season's biggest crowd of more than 4500.

Queensland have not lost to a New Zealand team this season having kept provincial sides Canterbury and Otago to 2-2 draws earlier this year.

The match against Auckland was a contrasting affair, the aggressive Kiwi side dominating play in the first half with Queensland coming home with a wet sail.

The Maroons' gameplan had to be abandoned early when they lost lanky defender Mark Greer with a knee injury inside the first 10 minutes. Greer is now likely to miss the remainder of the season after being diagnosed with medial ligament damage.

Auckland, rated as the toughest Kiwi team to visit the Sunshine State this season, were quick to capitalise and took the lead in the 22nd minute. Classy Auckland and All Whites striker Noel Barkley made a good run before slamming his left foot shot from

25m out.

Keeper Dave Mewburn failed to hold the ball, which popped out for Mark Elrick, who was on hand to clean up.

Despite being a goal down at the break, Queensland never panicked and slowly clawed their way back into the match.

Their cause was helped by Juan Cutillas' tactical move to swap Ken Swan, who replaced Greer, to the midfield and push Shane Haddow to right back.

Queensland equalised in the 55th minute when a heavily marked John Brown connected with an awkward overhead shot after some good lead-up work. The shot caught Auckland 'keeper Jason Batty completely by surprise as it looped into the net.

Young Brisbane Lions' midfielder Chris Slater, playing as a striker, had a chance to win the match for the home team late in the game.

However, Batty produced a fine save to block Slater's rifling shot. The draw completed a successful debut season for new coach Cutillas.

Cutillas took over the coaching reins from long-serving custodian Bruce Stowell, who resigned at the beginning of the

year. To go with their three draws against the Kiwis, Queensland also inflicted a crushing 2-0 defeat on NSW in the annual State of Origin match in May.

The team's only loss was against Victoria in April when the Maroons went down 3-2.

Cutillas will now prepare his side for their visit to Christchurch on August 13 for a return Trans Tasman encounter with Canterbury. A proposal by the NZFA for the New Zealand Olympic side to play a match against Queensland in Brisbane is also currently being considered by the QSF.

Cutillas' promise to pick play-

ers on form and play an entertaining brand of football has paid handsome dividends for Queensland soccer.

The former national coach of the Philippines has called up more than 30 players for State duty, many of them making their senior debuts.

This has included bleeding a number of promising future prospects such as John Brown, Glen Gwynne and teenagers Sean Cranney and Darren Hillier.

This philosophy was highlighted in the match against Auckland with a number of young players in the starting lineup.

# 1991 Miss Soccer Quest

Miss Far North Queensland Soccer Federation, Jennifer Hickey

Miss Bayside United, Karlene Phillips

Miss Brisbane Croatia, Cindy Tomic

Miss Brisbane Lions, Judy Silva

Miss Clairvaux-Griffith, Maree Sullivan

Miss Mt Gravatt, Kylie King

This week Soccer 91 profiles another six Miss Soccer Quest entrants. They are Miss Far North Queensland Soccer Federation Jennifer Hickey of Innisfail, Miss Bayside United Karlene Phillips of Graceville, Miss Brisbane Croatia Cindy Tomic of Kingston, Miss Brisbane Lions Judy Silva of Moorooka, Miss Clairvaux-Griffith Maree Sullivan of Robertson and Miss Mt Gravatt Kylie King of Sunnybank Hills.

Dear Sir,

First, congratulations to those who compose "Into the Net". It's always interesting to read all the local "gossip"; next to the points tables, it's probably the most popular section of the magazine.

However, perhaps those who are responsible for the column might like to take a little more time to check out facts before they put clubs, and club supporters, on their "hit list".

Grange Thistle's been proud of every "Miss Queensland Soccer" entrant they've had over the years, but we believe this year's entrant, Justine Creed, is in a class of her own. It's nice to read that you agree with us.

For someone who wasn't directly involved with Grange before she became our entrant, other than she works for one of our Life Members, Justine's impressed all with the way she's been prepared to go outside the club for a number of her fundraising activities.

In return, she's received strong support from both our junior and senior sections - after all, where else would you see a Soccer Club president and secretary; a Licensed Club President, secretary and bar manager; Junior Committee registrar, plus assorted other Club members (male and female, this was an "equal opportunity" venture), all up to their elbows in chocolate and coconut in order to fill orders for the huge lamington and pie drive organised for her?

Over 80 per cent of support for this particular activity was from the club's junior section.

Therefore, when it was found the only Saturday night available at Lanham Park for the Entertainment Night, a night geared mainly towards junior players but with some participation from senior teams was August 17, Justine was the first to say "go for it".

Come on now, be fair, Mr "Into the Net".

## Letters to The Editor

Did you really expect Grange Thistle to bring 300-plus couples, the total of their membership, to the final judging?

One would think entrants from all the other clubs wouldn't be too amused if they found they couldn't get tickets for their supporters!

As it is, Justine's organised a table for the evening, and it includes quite a number of Grange Thistle members.

The rest of us will be at Lanham Park, waiting on a phone call to tell us how she went.... "there in mind if not in body", as they say.

(signed) Your amused-but-not-so-amused "boss's wife who just happens to be club secretary," Carolyn Ribone.

Dear Sir,

Re "Into the Net", Soccer 91, 25-7-91. I refer to the item "Slacks Creek reserves -first Club to seal 1991 Premiership?"

Firstly, Mitchelton are 15 points behind not 16, so they could equal Slacks Creek points total - mathematically anyhow.

Secondly, my team Redlands are 17 behind but have a game in hand so if we won our last 6 and Slacks Creek lost their last 5, we could pass them - not likely.

We will just have to settle for second on points and a win in the Grand Final.

Slacks Creek will have to wait one more week to seal the Premiership.

Yours sincerely,  
Peter Cumming

## A MESSAGE TO THE SOCCER PLAYERS OF AUSTRALIA

We would like to thank every soccer player, coach and referee in Australia for your contribution to the preparation of National Teams through the Development Levy.

Without these funds we would never have achieved the great result against England and the magnificent performance in Portugal.

The Levy allows our players to be prepared in a professional manner and as a consequence we can bridge the gap between part-time and full-time players.

The players sincerely appreciate the fact that everybody is contributing to the national effort and on their behalf we sincerely thank you all.

Please come and watch our teams train and play, meet the players, they appreciate your help and wish to repay it in any way possible.

Thanks once again, Eddie Thomson (National Coach), Les Scheinflug (Assistant National Coach), Paul Wade (Socceroo Capt), Ned Zelic (Olympic Capt), Paul Okon (Youth Capt), Tony Carbone (Joeys Capt).

# From the Office . . .

Many thanks to the large crowd who turned out last Sunday to watch the Queensland and Auckland representative clash.

It was our largest crowd so far this season and augurs well for Brisbane United's summer fixture schedule which will commence in the first week of October.

Last weekend, whilst soccer was on show in Brisbane, Queensland was pleased to host visits from the Deputy Chairman of the Australian Soccer Federation (ASF) John Dimtsis and fellow commissioner Dr Graham Bradley.

Both commissioners were able to have lunch with officials from

Ross Melville  
Q.S.F. General Manager

many affiliated bodies and in particular delegates from the Queensland Junior Soccer Council.

It was an ideal opportunity for many of our soccer administrators to meet the ASF officials

and some very worthwhile discussion eventuated.

\* \* \* \*

It was interesting to note in commissioner Bradley's address that he drew attention to a recent policy decision made by the Australian Sports Commission (ASC) in respect to hockey.

The ASC has advised that both the Women's and Men's Associations amalgamate by the next Olympic Games.

The decision by the powerful body adds a new dimension to administrative sports planning in this country.

\* \* \* \*

The Management Committee, at its last meeting, appointed

Brisbane Lions coach John Sime to assist Jim Selby in the preparation of this year's under-17 Queensland team for the National titles.

The National titles will be held at Parklea in Sydney from October 6 to 12.

\* \* \* \*

More than 20 applications have been received from a very talented field for the vacant State Director of Coaching position.

Applications have been received from America, New Zealand and every State of Australia except Tasmania.

The Management Committee is desirous of making an appointment before the end of this month.

Department of Employment officials have called time on Australian keeper Mark Bosnich's stay at Manchester United.

Old Trafford boss Alex Ferguson, who was grooming the 19-year-old as a star of the future, had to deliver the news after the English first division club failed to secure a work permit.

A sportswear company is putting 10 million pound (A\$21 million) into a five year sponsorship deal with the big spending Leeds United.

The arrangement guarantees the Elland Road club 7 million pounds (A\$14.7 million) over 60 months and, with added bonuses for success, the figure could rise to an incredible 10 million (A\$21 million).

The sponsorship will be British soccer's biggest ever and will bring back memories of the great Leeds United sides of the 70s who were backed by the same company under the all-conquering managership of the now, late, great, Don Revie.

A soccer and rock music fan proved he was "Name" for a laugh this week by changing his name to honour his heroes West Ham United and the Rolling Stones.

Hammers mad Gavin Foster, 23, lives in Cowes on the Isle of Wight and travels the 180 miles round trip to watch first division West Ham play at home.

Gavin, a local newspaper reporter, said "I put the address of the ground in to remind me where I spend so much time!"

He added the East London club's anthem in his 28-word name, and now likes to be called

## PROFILE — Ray Evans

Ray Evans became involved in soccer administration during his stay in Darwin with the RAAF.

He played with the Services United in the local competition and represented the RAAF in the Inter Services competition in Darwin.

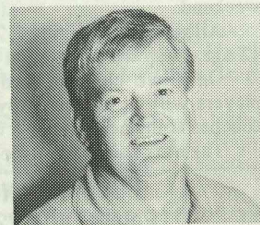

Joining Latrobe Western Suburbs on his discharge from the RAAF in 1966, he was made a life member of that club after serving as an office bearer in all positions.

He continued with the club after the amalgamation with Barndon.

Ray was elected to the Queensland Soccer Federation's Management Committee in December 1988 and is a member of the Grounds Committee, Promotion and Marketing Committee and has served on the Technical Committee.

He is also the Secretary of the Queensland Soccer Club and is treasurer of the Perry Park Community Complex.

Ray has also served on the committee of the Brisbane Junior Soccer Association and was involved with the formation of the

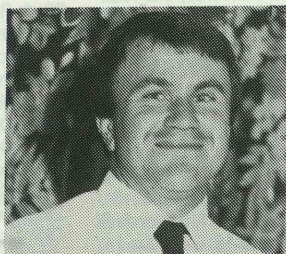

Queensland Junior Soccer Council.

Ray has had a long involvement with junior soccer and is proud of being Vice-patron of both the Brisbane South and North Junior Associations.

In business Ray runs the successful printing firm of ABC Printing which he formed in 1969.

## EYE ON ENGLAND

With Roger Large

"Gavin West Ham United Football Club The Boleyn Ground Upton Park E13 I'm Forever Blowing Bubbles Rolling Stones Mick and Keith God Bless the Old Midnight Ramblers Foster".

With only two weeks to go until the 1991/92 Barclays Football League season kicks-off, the transfer deals involving the majority of the 93 English league

clubs continue to keep the club chairmen busy with their pens.

At least 200 deals have gone through within the past 10 days, and when August 17 arrives, several new faces will be lining up against former team mates from the last campaign.

John Barnes, the Liverpool and England star, will reap 15,000 pound (A\$31,500) per game this season. Barnes' new one-year contract is the biggest given to a player in this country.

The big deal will make him more than 9,000 (A\$18,900) a week in wages, and perks and bonuses will bring in a yearly pay packet of one million pounds (A\$2.1 million).

The FA Cup kicks-off again next month and the dates to remember are listed below.

August 31 (preliminary round), September 14 (first qualifying round), September 28 (second qualifying round), October 12 (third qualifying round), October 26 (fourth qualifying round), November 16 (first round proper), December 7 (second round), January 4 (third round), January 25 (fourth round), February 15 (fifth round), March 7 (sixth round), April 4 (semi-finals), May 9 (final at Wembley).

What price Liverpool for relegation to Division 2 at the end of the coming season?

Dean Saunders, the recent 2.9 million pound (A\$6.09 million) record buy, has the dubious record of being relegated with all of the clubs he has played for.

The Welsh international, who has been with Swansea City, Brighton and Hove Albion, Oxford United and Derby County can look forward to ending that achievement with the Mersey-siders.

# JUNIOR SOCCER

## RDOC

As part of the ASF Development Program Roo-Ball will be the new modified game of soccer. Its introduction in Australia is to standardise the numerous versions of mini-soccer.

One of the changes is that the under-10s will have another year of playing in the modified game.

Roo-Ball has been designed to give young players the maximum opportunity to participate in the game to develop their ball skills and most of all to have fun and to continue to play soccer throughout their life.

Information to clubs is being circulated to coincide with a national launch next month.

Craig Johnston will be in Brisbane for the Queensland launch on the weekend September 7-8. Roo-Ball information is available from junior associations.

## BRISBANE NORTH

The Talent Identification program underway at Brisbane North was taken a step further last weekend.

All games in Division 1, 2 and 3 in the under-12 age group were played at North Star.

Only two clubs missed the day and their players will be looked at by the representative coaches at the next possible opportunity.

The next Talent Identification Day will be at

Mitchelton for the under-13 age group in Divisions 1, 2 and 3.

Please have your club make sure of the fixture time and location well in advance of the date.

\* \* \* \*

One of the hardest people to find for coaching these days is a good goalkeeper coach.

One of the reasons they are hard to find is the hard time young kids give 'keepers from behind the nets during games.

Please have a little bit of sympathy for the goalkeeper. Don't give him a hard time. He might be the player to coach you next year.

\* \* \* \*

The number of new coaches in Brisbane since the commencement of the season is close to 350.

The aim of having all coaches qualified by the end of the 1992 season is gaining momentum.

If your club has not participated in a Coaches Qualification Program please contact The Secretary of the Brisbane North Association at P.O. Box 1268 Stafford.

\* \* \* \*

After the Annual General Meeting this year work will start for the 1992 season.

This will be a watershed year for soccer in this State. Your assistance is needed. If you have a few ideas about football why not think about putting some effort into juniors. It is worthwhile.

\* \* \* \*

For all those players, referees, linespeople and club officials who missed reading Law 12 on page 25 of the Referees Chart it says that a player shall be sent from the field of play if he is guilty of foul or abusive language.

The player who described a spectator in unreasonable terms at a match at Beenleigh last week needs to be advised that the man he abused is not what the player said he was.

The man and his wife, who also heard what the player said, have both spent many years helping junior players and the code.

Clubs have to take a better stand with players who are unable to grasp the English language and only talk dirty.

## BRISBANE SOUTH

Brisbane South have completed field days for the under-11 and under-12 age groups.

Players selected to trial for representative team selection will be advised during September.

Three fixtures remain to complete the season fixtures calendar, and in many divisions these games are going to play a large part in determining the premiership teams.

Many divisions are very close with teams even on points or the top five teams just a point apart. The remaining three fixtures hopefully will see some good football being played.

Great to see the large number of juniors at Perry Park to watch Queensland play Auckland and the under-13 Queensland team verses Brisbane South under-14 representative team do battle earlier in the day.

The talent of our juniors will hopefully be up in our senior team representing Queensland in the future.

Brisbane South thank QSF for such an enjoyable day with fine, warm weather, excellent soccer and sufficient food facilities.

## JOEYS AGAINST THE WORLD

Australia's youngest national soccer team, the under-17s or "Joeys", leave shortly to compete in the World Youth Championship, for the FIFA/JVC Cup in Italy.

They will be trying to repeat the success of the under-20 team, the "Young Socceroos", who achieved fourth place at their recent championship in Portugal.

The under-17s came top in the qualifying rounds in the Oceania Group, defeating New Zealand 1-0 in the deciding match in Napier, New Zealand, January 1991.

The team is under the guidance of Assistant

National Coach, Les Scheinflug, who also took the under-20s to their success in Portugal.

The team will assemble at the Camperdown Travelodge Wednesday July 24.

They depart Friday 26 and their first stop is Amsterdam where they will be based at the Papendal National Sports Centre.

The Joeys will play a number of build-up games, the most notable against the German under-17 team at the request of the German Football Association. Other matches include Brugge under-20 club team. The team moves to Italy, August 11. The squad is pictured below.

Teams from Townsville continue to lead the North Queensland Junior Soccer Championship tables after the second round in Ingham on the weekend.

Townsville Gold continued their undefeated run in under-11 age group while Townsville White leads the under-12 competition with eight points after five games from Townsville Gold.

Townsville Gold leads the under-13 competition. The third round of matches will be played in Ayr on August 4.

From September 15 to 21 one of the most

prestigious under-11 carnivals will take place in Townsville. The Filippo Mele Carnival has one of the longest serving club officials in North Queensland as its patron.

Filippo Mele first joined Estates Soccer Club over 35 years ago. He migrated from Sardinia, Italy in 1958 at the age of 21. He has coached all grades and age groups and has coached various Townsville representative teams.

Throughout his time in soccer Filippo has tried to promote the game at junior level as he believes that the future of soccer lies with the kids.

## MATCH REPORTS

### Div. 4 - Samford 4 d Qld University 3.

St Lucia was the venue of this seven goal thriller last Saturday when Samford led 3-0 after 20 minutes spectators could have been forgiven for already leaving the ground, however the "Students" had other ideas.

Samford hit the lead when an Affleck free kick took a wicked deflection. Minutes later Craig Binnington snuck in at the near post with a glancing header. Soon after Samford made it three when a corner was scrambled in by Binnington. By half time Uni had pulled two back and it was anybody's game. Just after the break the home team equalised and were on a roll.

With half an hour remaining, Steve Forsyth tucked away the winner after a defensive blunder.

The final 30 minutes saw the "Students" pound Samford's goal but their finishing was poor and Rangers hung on to force the promotion picture wide open.

### Div. 4: Pine Hills 1 dr Southside Eagles 1.

Hills went to Memorial Park desperate for points in their quest for a position in the final five.

In an entertaining match Hills came away with a point after a 1-1 draw with Southside Eagles. Hills started well but were unable to

penetrate the Eagles goal. After 20 minutes Eagles turned the game around and began to dominate.

Some lacklustre Hills defence allowed Eagles to go 1-0 up through a goal from close range. Eagles maintained the pressure and created several other chances which they failed to convert. A committed Hills came out firing in the second half and completely dominated proceedings. However it took a bustling individual run by Hills midfielder Peter Tong for Hills to get the deserved equaliser.

Tong received the ball 40m out before cutting through the Eagles defence with consummate ease before slipping the ball past the advancing 'keeper Giuseppe Lombard.

Hills continued to pressure, searching for the winner. Their best chance fell to striker Stewart Harding who found himself on the end of a well placed through-ball from Jason Andrews.

Harding should have done better with his shot which was easily saved by Lombard.

The final whistle went not long after, and although Hills were grateful to receive a much needed point they were disappointed not to have come away with a win.

# THROUGHOUT THE STATE

## NORTH QUEENSLAND

With four rounds remaining the premiership race in the North, the fight for finals places and the struggle for the double chance are all far from settled.

First Division leaders, Mundingburra Olympic, have faced a challenge from the team in second place for the last three weeks. They successfully held off the challenge in the first two, but succumbed to Brothers last week going down 1-0, leaving them to defend a one point lead for the rest of the season. The pressure reverts to Brothers this week as they seek to keep their chances alive against third placed Burdekin Parkside, whilst Olympic play host to cellar dwellers Heatley Warriors.

Brothers had a big weekend last week, winning in all three grades and establishing a realistic chance of three premierships.

The fight for fifth spot is also a beauty - Souths surrendered a three goal lead to draw with rivals WSC last week and the loss of points enabled Aitkenvale to get back in the fight with their win over Warriors.

This week Souths have a tough one against Estates, who can still win the premiership, whilst the others have easier tasks against the teams in 8th and 9th positions.

### First Division after 14 Rounds

Team	Pts	Dif.	Team	Pts	Dif.
Mund. O'pic	30	+34	A/vale	22	+5
Brothers	29	+11	Souths Wal.	21	+6
Burdekin	26	+6	Polonia	11	-31
Estates	25	+15	Herbert	7	-28
W.S.C.	22	+5	Heatley War.	3	-23

## SOUTH BURNETT

East and Wests thrilled fans with a fast, open and determined display of end-to-end soccer at Kingaroy in their first division match last Saturday. In what could very well have been a preview of the grand final, Wests managed to sneak the points with a lone goal just before half time from a misskick by speedy Roy Newcombe.

Pundits on the side line were sure that had he hit the ball sweetly, Easts keeper Scot Prendegast would have saved it.

The match could have gone either way, particularly when Wests key striker Steve Forbes succumbed to a repeat thigh muscle tear. Until his early replacement he featured twice within the first ten minutes in combination with Chris Baartz and Brendan Andrea to open up the Easts defense.

Both sides were forced to use committed and at times desperate defence. From Easts Scott Dempster, Jon Edwards and Sean Padget were equally matched by Wests Brian Norcott and Peter Maher, to turn the swift passing attacks in a show of very well organised attack and defence.

Easts manager Mike Hart summed it up pretty well after the game when he said "I've just watched Easts play their best game all season and they got beaten". Wests three point cushion over Easts may be just enough to ensure them the minor Premiership.

Each have only two matches to play in the last three rounds. Wests are to play Nanango and Wondai with Easts to play Wondai and Murgon.

\*\*\*\*\*

Ten very committed Nanango Blues managed a narrow win over a full strength Wondai at Wondai with an early goal which they had little trouble protecting.

Aemonne Evans who had his usual busy match, stole a goal at the fourth minute when a through ball placed him one on one with Wondai keeper Peter Doessel who was just off his line far enough for Evans to chip him. Doessel had a busy day in Wondai goal as Nanango did most of the accurate attacking. Both teams lacked midfield builds being content to play between defence and attack.

Nanango meet Murgon at Nanango next weekend. Murgon are now only one point ahead on the league ladder but have a game in hand, they will not however want to underestimate Nanango's commitment, especially at home, with the semis only three weeks away.

## SUNSHINE COAST

The Heritage League matches will continue this weekend after the break in fixtures for the Lightning Premierships with five teams vying for the top four positions. Beegees are at present on top of the table on 29 points from 12 games while Buderim hold second spot with 27 points from 13 games.

The real battle will be between the third, fourth and fifth teams. Kawana are in third on 22 points from 12 games, Nambour are also on 22 points but have played 13. Caloundra, after their meteoric climb up the table which has taken them from bottom of the ladder at the start of June to fifth spot winning their last six games on the way, are on 20 points and have played one less match than Nambour.

With only four weekends of fixtures left, every match will be crucial as each of the teams attempt to make the semis. Interest this weekend will centre on Caloundra where the home side takes on Beegees, their last encounter resulted in a hard 1-all draw. The other crunch match will be at Yandina when Nambour take on Kawana. In the last round Kawana defeated the Reds 3-0.

## Player Profile

# WOMEN'S SOCCER

With only two fixture games to go, the top five or six teams in each division are all striving for that extra win to gain a place in the final four.

It's anybody's guess who will fill the final two places in the first division and try and turn the tables on Easts and Redlands.

All teams in this division, with the exception of two, have a game in hand and this may make the difference when the games are played mid-week. In the second division only five points separate the top five teams, which each have two games remaining. Third division is even closer with only three points the difference amongst the front runners. However, Coalstars and North Star both have a game in hand and this again may be the decider. Things are not so close in fourth division with eight points separating the top five.

I think our grading committee has to be congratulated on the placing of the teams in each division. For all divisions to be so close up to the final fixtures shows the standard of each division is very even.

The Queensland open squad will have two great preparation games before final selection of the team when the Japanese team Nikko Dream Ladies arrive in Brisbane this Friday.

The team, professional soccer players from Japan, and owned by the Nikko Company, are here to play soccer, not for a holiday. Upon their arrival here on Friday evening, the team will travel to the Gold Coast, where they will stay in company apartments. They will play the open squad at the Southport Soccer Club on Saturday evening at 7pm. On Sunday, they will play against a Gold Coast selected side at Southport at 3pm. On Monday they will once again play the State open squad at Perry Park at 7pm. The team will then fly home to Japan on Tuesday morning.

These games will give Queensland open coach Fred Robins a perfect opportunity to play all his selections, including several who are coming down from the north. Let's see all supporters of women's soccer at Perry Park on Monday evening for the game. There will be no admission.

## SOUTH BURNETT

Murgon Women wasted 13 first half corners and complete domination to find the net only once in the second half for a 1-0 win over Kingaroy last weekend.

In their last encounter these two teams played a very tight match to share the points. However, Murgon blew a chance to thump Kingaroy by enough goals to ensure they remained on top of the league, now shared with Wondai on points. Kingaroy started like winners for the first five minutes with two good attacking raids.

From then on it was all one way traffic as the Kingaroy defence could not clear their own 18-yard box for most of the game in a poor display of clearance kicking. Scores: Murgon 1 (Bick) d Kingaroy 0.

Wondai women scored a goal in each half of their 2-0 defeat of Nanango at Wondai last Saturday. Both goals resulted from Nanango defensive mistakes in a match which was controlled from Wondai's experienced midfield trio, Karen Cavanaugh, Karen Gscheidle and Lynn Smith.

Wendy Desley and Kerry Trace had good games for Nanango. Scores: Wondai 2 (Langan, Potter) def Nanango 0.

## SUNSHINE COAST

Caloundra appear to have the Premiership sewn up after defeating Cooloom 2-0 mid-week and downing Nambour by the same score on Sunday. Caloundra scorers against the Reds were Sharon Rolles and Karen Stacey.

They have now played 14 games for 12 wins and two draws. Buderim took the points against a vastly improved Cooloom 1-0 with their goal coming from Annie Barnes. Beegees were held to a nil-all draw by Kawana who were strengthened by the return of their State player Christelle Adam. As a result of this, Buderim are now equal third place with Beegees on 22 points.

Woombye are at present still holding second spot despite having the bye this weekend.

They must now be viewing with great apprehension Buderim's continuing climb up the table.

## INTO THE NET

Local derby in division two when **WILLOWBURN** are at home to **ST ALBANS** this Sunday. Toowoomba's burning ambition to be in the XXXX League next season would seem to be floundering slightly. Willowburn is still within striking distance and a win this weekend would put them back on target. The Magpies then have Wynnum, Lutwyche and Annerley to beat before they hit the wire.

Match of the weekend in division two would have to be **INALA CITY** versus **OLYMPIC UNITED**. Both teams desperately need the three points, for although Inala are one rung higher up the points ladder than the Goodwin Park boys, their goals for and against don't measure up, especially after the mauling they received at the hands of Newmarket a fortnight ago.

The stars will be shining brightly on Sunday at Perry Park when, as the second game in a double-header, **North Star** hope to put **Coalstars** into orbit and consolidate their position in the top five on the XXXX premiership ladder. The 12.45pm match could be a case of division two revisited for **NERANG** in more ways than one when they run on to meet their old sparring partners **BRISBANE CROATIA**.

The points table shows Nerang heading Brisbane Croatia by only three more goals in the goals against department which places the defence of both teams in a very suspect light. The goals for is another matter though, with the **Rocklea Warriors** to date having put away more than twice the number scored by Nerang.

One of Nerang's frustrated supporters has suggested a light training run next Sunday morning for both the team and Club officials and a "daring two-part match plan" - don't give the ball away to the other team when passing, and every player go for goal, even if it's someone who hasn't scored all season. "Another 20 goals against us won't matter a heck if we go down, but 14 goals for us in 18 rounds amounts to funeral football. I want to see more shots finishing in the net - and I don't mean the opposition's."

**THE GREATEST COACH OF ALL** certainly smiled down on Perry Park once again blessing us with wonderful weather for the **QUEENSLAND/AUCKLAND** match. Great support from the soccer public made it a fantastic day with Auckland officials impressed with the number of juniors enjoying the occasion.

Some very interesting applicants for the position of coach of the Australian Women's team. Hear tell at least three are from the Sunshine State.

Pleasing to see most of the country delegates who attended the Queensland Junior Soccer Council's meeting on Saturday were able to stay over for the representative match on Sunday. Hopefully their meetings' calendar for next year will be organised to line up with the **BIG MATCH** sched-

ule at Perry Park. It is essential our country affiliates see at first hand what is being done to promote the game.

Certain QSF Committeeman has at least eight friends, those being the lucky folk to whom he sold winning doubles tickets on last Sunday's big match. Nett proceeds go toward the Queensland under-16's fund.

One of the winners of the referees' raffle at Soccer Headquarters last weekend scored better than he perhaps realises. Instead of a forty dollar ball being autographed and raffled, a \$150 beauty was mistakenly picked up from the QSF office and used. Secretary **Jim Gilbert** is still short of breath (but not words) from the shock.

Nice gesture from longtime soccer worker **Neil Wall** who once again presented the female staff of the Queensland Soccer Club with orchids to wear as they went busily about their duties last weekend. Neil's wife **Jean**, soon to go into hospital for an operation, has our best wishes.

Smiles on the faces of the board of directors and Coach of **BRISBANE UNITED** when each found an application form to become a **United Supporter's Club** member stuck under their windscreen wipers. Shows those passing them out were keen. Application forms can be obtained from Perry Park with a personal appearance at the front counter of phoning 252 5327 during business hours.

Sad to say no team will now go through the season without a loss, with both **CAPALABA** (div. 6) and **ROCHEDALE ROVERS** (div. 9) each suffering a defeat. However, **Rochedale** playing in a nine team competition, have finished the season, coming out premiership winners.

Get the facts about how your club (or a club nominated team) can raise much-needed cash on **AMPOL CUP** day, 18th August. Call **Big Pat McErlean** at Perry Park for details **FAST!!!**

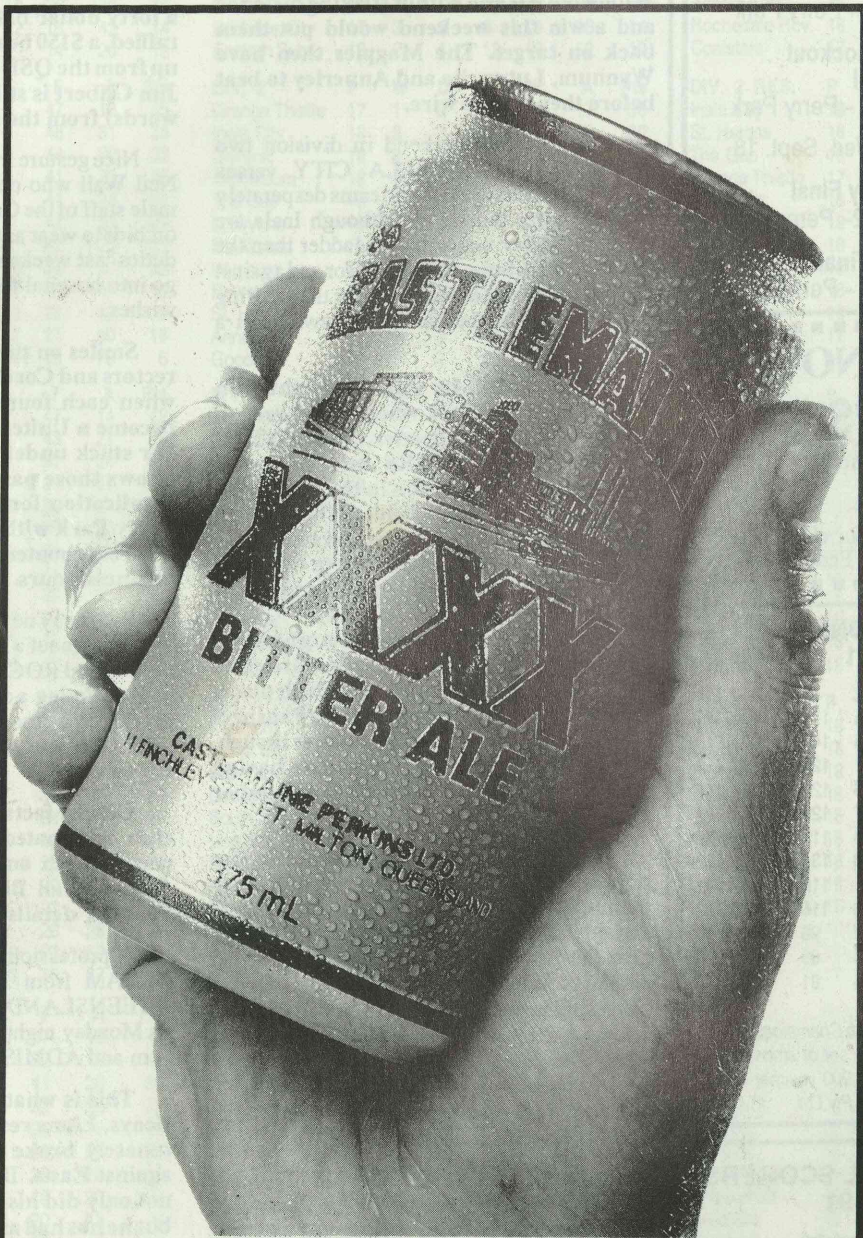

A professional women's team - **NIKKO DREAM** from Japan come up against the **QUEENSLAND Women's** team at Perry Park on Monday night. See you there. Kick-off is 7pm and **ADMISSION IF FREE**.

This is what sport is all about! **Robert Booys**, Lions reserve grade player, unfortunately broke his leg in a recent match against **Easts**. During his stay in hospital, not only did his own team mates visit him, but he has had as many **Easts** players pop in as well. We hope **Robert** can get back on the park soon.

### VALE

Sympathy is expressed to **Pam Gilbert**, Life Member of the QJSC on the recent passing of her father, **Val Thompson B.E.M.** Val died rather suddenly last week and our sympathies go to **Mrs Elsie Thompson** of Cleveland, to **Pam** and her husband **Jim**. Val took a keen interest in his grandchildren's progress in soccer and saw **Mark** play for **Coalstars** on a number of occasions and **Debbie** (pre-children) for **Redlands**, his local club.
