It was great to see the Queensland open women's soccer team in action against the Nikko Dream Ladies team from Japan at Perry Park last week.

The standard of play produced by both teams was outstanding and despite a healthy turnout, it was a shame more people were not there to give the home team support.

The side from Japan was a fully professional team.

Each of the girls, who are aged between 18 and 19, receive A\$2000 a month along with full board and keep.

This arrangement must certainly have an impact on their attitude and standard of play and would make many Queensland players - men and women - green with envy.

There is nothing like having a big company behind you in sport.

With only three rounds of the XXXX League competition remaining, the stage has been set for a thrilling finale.

But you can toss the script out the window as the final scenes are acted out!

It is certainly the business end of the season where the results of every game are paramount.

The make-up of the final five is going down to the wire - mathematically eight teams are still in the race for a final five spot.

Teams such as seventh and eighth placed Coalstars and Mt Gravatt will need a few results to go their way if they to sneak into the five.

At the other end of the spectrum a number of teams are attempting to stave off relegation.

It is good to see ASF National Development Officer Steve Darby in town to communicate with Queensland committee members.

Over the past two weeks we have had two ASF commissioners along with Steve visit the Sunshine State.

This augurs well for Australian soccer with the ASF men making an effort to find out how soccer is progressing in Queensland.

Steve Darby's role as National Development Officer involves such important areas such as mass participation, referee development and women's soccer.

The next major event on the soccer calendar is the Ampol Cup final between Rochedale Rovers and Mt Gravatt.

Cup football always brings out the best in teams and the August 18 should be no exception.

An under-8 carnival, involving nine teams, will also be a part of the Ampol Cup final program.

# Round in Review

Nerang seem destined to return to the second division for the 1992 season.

With three fixture rounds remaining the Gold Coast side faces a daunting task to stave off relegation.

Nerang are scheduled to meet three teams currently in the top five including pacesetters Rochedale Rovers, Brisbane Lions and Pine Rivers in their run home.

They need to win all three of these matches to maintain any hope of surviving. Realistically it is hard to see this happening.

After gaining promotion to the top flight this year, Nerang has struggled to make an impact.

They have floundered on the bottom of the table for most of the season and look certain to take out the wooden spoon.

Unlike promotion partners Brisbane Croatia, Nerang failed to recruit players for their inaugural XXXX league campaign.

This may be a telling factor as to why they find themselves in their present situation.

It could also serve as an indication of the gap between second and first divisions.

The Eagles have been plagued

by an inability to score goals this season, highlighted by the fact that in 18 games they have registered only 14 goals, the worst record in the league.

While Nerang's future seems predetermined it is unknown at this stage which team will join them in the second division next year.

The likely contenders are Acacia Ridge, Taringa Rovers and Brisbane City.

City's victory over Taringa last weekend has increased their chances of survival, but by no means seen them shrug the threat.

Both Taringa and Acacia Ridge face tough runs home.

Taringa are due to play Easts and Coalstars, while Acacia Ridge face Pine Rivers and Easts.

The relegation issue may well be settled at Jack Speare Park on September 1 when Taringa do battle with Acacia Ridge in the teams' final round fixture.

At the other end of the ladder Brisbane Lions' 1-1 draw with Acacia Ridge has again thrown the premiership race wide open.

Lions and Rochedale Rovers are the only two teams assured of a top five spot at the moment.

Mathematically there are an-

Lanky Coalstars' striker Peter Vogler made his long awaited return from injury last week to help his team to a 5-1 victory over North Star.

other six teams in the race for the remaining finals spots. However, this week's round is likely to sort the pretenders from the contenders in one of the most tightly contested competitions in recent years.

With so many teams still in contention there is a lot of football still to be played before the curtain is drawn on the 1991 season.

In typical end-of-season fashion, last week's results produced some surprises. The Ridge snatched a much-needed point off Lions in their match at Proud Oval.

At Wendy Allison Park on Saturday night, Easts leapfrogged into the top five and fourth position with a 1-0 win over Pine Rivers.

At Perry Park on Sunday a rejuvenated Coalstars, boosted by the return of lanky striker Peter Vogler, demolished North Star in a 5-1 drubbing.

In other matches Rochedale were too strong for Mt Gravatt emerging 4-1 victors, Brisbane City defeated Taringa Rovers 3-1 and Brisbane Croatia beat Nerang 3-0.

England International Peter Beardsley has signed with Everton for 1 million pounds (A\$2.1m).

The 30 year-old Geordie, who cost Liverpool 1.9 million pounds (A\$3.99m) four years ago from Newcastle United, completed his three-quarters-of-a-mile move from Anfield to Goodison Park despite late attempts from Manchester City and Tottenham Hotspur. Beardsley said he hoped to prove that there was "life after Anfield".

He added "I have signed a three-year, 4,000 pounds (A\$8,400) per week contract, and if I do the business with Everton, my England future will look after itself".

In his first game for his new club, Beardsley scored the last of Everton's six goals, as they crushed the champions of Northern Ireland, Glentoran 6-0 in front of a 5,000 crowd in Belfast.

The Football Association have been given the go-ahead to launch a breakaway Super League for 1992-93.

A High Court Judge, Mr Justice Rose, gave victory to the FA over the Football league after a four-day hearing, and it now appears certain that the Super (Premier) League will start in August '92 with 18 clubs.

This decision will help make the 'big clubs richer' over a shorter period of time, and will almost see the end of our Third and Fourth Divisions in the way that we see them now.

Gordon Taylor, players union boss said, "Football cannot be run for the benefit of the big clubs. Our members are united on this and players at big clubs will not go along with anything that harms those at smaller clubs".

The Football League will decide at a management committee meeting on August 12 whether to take the case to the court of appeal.

## EYE ON ENGLAND

Paul Gascoigne's on-off move to Italian club Lazio was signed, sealed and finally delivered in the early hours (Queensland time) of Saturday August 3 in the posh Italian restaurant Santini's.

The Spurs and England midfielder superstar put an end to months of speculation when he signed the contract that will take him to Lazio at the end of this coming season for 5.5 million pounds (A\$11.55 m).

He has "signed on" for three years, with an option for a fourth, and if all goes well, it will net him personally a staggering 2 million pounds (A4.2 million) - a deal that puts David Platt's Italian bonanza with Bari in the shade.

Lazio fans will get their first glimpse of Gazza when he flies out to the Olympic Stadium in three weeks time, and only the failure to pass a medical in May can now stop Gazza going to Lazio next summer.

Under the contract, which all parties involved have signed, Gazza could still play for Tottenham this season, but only if the Rome based Lazio are satisfied with his level of fitness.

The A\$11.55 million will be paid to Spurs immediately and the money will be paid back in full if he fails that medical on May 31.

On August 23 this year, Lazio play a prestige friendly against the Spanish club Real Madrid, and plans are being made for Gazza to be paraded in front of the Italian faithful before that match.

In the now annual pre-season tournament which is held between two English and two European clubs, Arsenal and Sampdoria both recorded victories at the Highbury stadium in London.

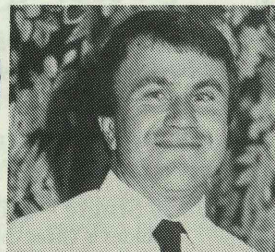

In previous years, this event has been held at Wembley, but the poor turnout of football fans has forced organisers to switch the four matches to a smaller stadium.

In the matches on the first day, Sampdoria hammered West Ham United 6-1 and Arsenal scored the only goal of the 90 minutes against the Greek outfit, Panathinaikos.

Sampdoria striker, Renato Buso scored 4 of his club's six against injury-hit West Ham, and David Rocastle scored early on for Arsenal in front of 19,883 against Panathinaikos.

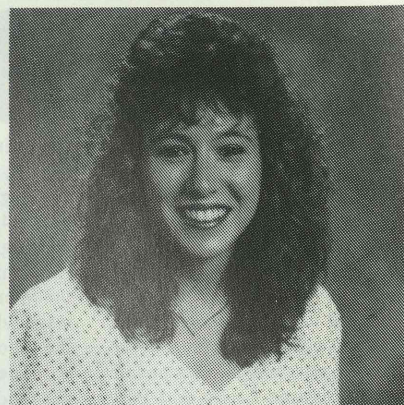

In the final, which was played in glorious London sunshine, Arsenal and Sampdoria played some outstanding soccer in front of 18,267, but it was the Italians who took the Makita trophy for the second successive year as they won 3-2 on pens, after the match finished 1-1.

Paul Merson put the Gunners ahead after 18 minutes, but Sampdoria, who dominated the second half, equalised through Viali with 21 mins remaining. The four goal hero of Saturday, Renato Buso, was sent off midway through the match for elbowing Tony Adams in the face.

# From the Office . . .

Australian Soccer Federation National Development Officer, Steve Darby made a quick visit to Brisbane last week and was a special guest speaker at the Ipswich Sporting Legends dinner meeting.

Whilst in Brisbane, Steve visited Perry Park to watch the XXXX Premier League matches.

The big news from Steve is the proposed visit of Craig Johnston to Brisbane on Sunday September 8, 1991 for the Queensland Launch of "Roo Ball".

Whilst the concept is not new to Queensland, the ASF initiative will go a long way to standardiz-

ing the game from under-7 to under-10 throughout Australia.

Craig is a spirited supporter of "Roo Ball" and it is hoped that a big turnout of juniors at Perry

Park on Sunday 8 will give Craig a very warm Queensland welcome.

Next week, Soccer 91 will provide more details on the "Roo Ball" launch.

This year's Miss Queensland Soccer Quest brings together 36 finalists.

This is a record number and one entrant will travel from Innisfail with a support party of 12 for the final judging on August 17.

\* \* \* \*

As the Queensland Representative Calendar draws to a close with the visit to New Zealand (August 13-15, 1991) it is hoped the Queensland coach Juan Cutillas can maintain his fine 1991 record.

In his first year as Queensland coach his relatively young side had an impressive win against the strong NSW side, recorded three draws against provincial New Zealand teams and had a narrow loss to Victoria.

Dear Sir,

On Monday August 12, 1991 at 6.30 pm the Queensland Soccer Coaches Association will be conducting a Coaching Demonstration at Perry Park.

Miron Bleiberg, Brisbane United's coach, will conduct a session on set plays, eg. free kicks and corners.

Juan Cutillas, the Queensland Coach, will conduct a session on ball skills, such as heading and ball control. Tony Lowndes, Level 3 and English FA Badge holder will arrange a session on passing exercises.

Michael Dagleish, the Queensland team physiotherapist, will also conduct a session on sports injuries and treatments and pre-game warm ups for soccer players.

To all new members we sincerely invite you to attend this free night of soccer coaching. Pass on this invitation to other senior and junior coaches at your club. Also, any interested parents and players are most welcome.

For further information contact the Secretary on 351 3029.

Our Association's next Committee Meeting is on Monday, August 5 at Perry Park starting 7.00 pm. All members welcome.

*Yours faithfully,*  
Graeme Beehre (Queensland Soccer Coaches Association Secretary).

Dear Sir,

I have been playing soccer in Brisbane for the past 21 years and still enjoying it as much as when I first came to Australia from England in 1970.

Over the years I have seen many changes in the Brisbane soccer, none more than the disappointing decline in the referees' standards.

But on Sunday July 21, while playing for my team Goodna against Brighton in Division 5, myself and teammates had the pleasure of Dave Nugent to control our game.

For two decades Dave has been a credit to the men in black. He is a hard but fair referee and puts himself in the players' shoes by letting the game flow as it should.

You can see he enjoys the game as he always has a wise crack when he's passing players on the field. So on behalf of myself and my team mates I would like to thank Dave

for last Sunday and all the other games he has refereed over the years.

Myself and many many more players and officials from clubs all around Brisbane and Queensland think Dave is still the Best and Fairest referee in the game.

*Yours sincerely,*  
Bill Wright, Goodna Soccer Club

Dear Sir,

People are often quick to criticise but slow to offer praise when it is due.

Let me congratulate you and your team for an enjoyable day at Perry Park on Sunday July 28.

Having experienced the frustration of poor amenities at the previous game of Queensland v Otago, I was looking forward to an improved performance on July 28.

As a family, we were able to enjoy the atmosphere without the hassle of long queues and delays waiting for food and conveniences.

My family and I are new to soccer and look forward to many more days at Perry Park when the standard is kept at a high level.

*Yours faithfully,*  
Steve Ryan.

Dear Sir,

I recently involved a team in an under-8 carnival. The reason for writing is the hope that some guidelines could be issued for our under-7 and under-8 non-competitive teams for carnivals.

My previous experience (under-7's) was most enjoyable, all the participating teams played against each other.

On completion of the matches all the teams were assembled, the winners (by points) received a small trophy each and all other teams received ribbons, each team was applauded when accepting these tokens.

Let me emphasise that there was a feeling of appreciation for all teams present for participating. The recent carnival (under-8's) I attended, which was well catered for and organised, consisted of 10 teams in 2 sections.

The round robin table of our section was played with much enthusiasm by all teams.

It was the ending of the carnival (which I have been assured is the normal way) of a semi-final and final that disappointed me.

## Letters to The Editor

When the teams found out who were in the "finals" the other participating six teams - as they were not involved in playing the following games - departed.

They do not know who won and they have not been presented with ribbons or thanked for participating by the club who invited them. With this "Final" system I feel the adage "only winners play" is being reinforced and should be omitted at this age level.

Also it seems sad that the "winning" team has no recognition (which I think the final is supposed to achieve) from the other participating teams.

Perhaps only having six teams instead of 10 would work to every team's advantage, thus allowing enough time to compete against each other with the finals between two sections becoming unnecessary.

Between the two experiences of a carnival situation, the first seemed to have equal participation for every team and recognition of effort and achievement by all the teams playing.

I am hoping this suggestion can be used to improve the enjoyment for all younger players in future carnivals.

*Yours faithfully,*  
Sharyn Doyle

# JUNIOR SOCCER

## BRISBANE NORTH

The last delegates meeting for Brisbane North has taken the Association one step closer to incorporation.

The meeting commended and accepted, with a few minor amendments, a new constitution. The By-laws and Rules are to follow in the very near future.

The three people who have spent some considerable time developing the new documents Greg Williams, Peter Welsby and Owen are to be congratulated for their efforts.

\*\*\*\*\*

The Fixture Controller has a busy time trying to sort out grounds for the semi and other finals. He may need your Clubs' assistance.

\*\*\*\*\*

The Association and many parents appreciated the letter in last weeks edition from Eddie Thompson, the coaches and captains of the National Teams.

The letter thanked the juniors for the financial contribution to the success of the respective Australian teams.

The Association was among many who

sent letters of encouragement to the Young Soccerroos.

\*\*\*\*\*

The Brisbane City Council has made budget announcements concerning the use of water on unfenced sporting fields.

If you have any questions on the new statement please contact your Council representative for papers and a fuller explanation.

\*\*\*\*\*

Parents should be aware that the Association will not allow the poaching of players during the season.

The committee in the past has indicated that it will take action against clubs talking to players with the view of changing clubs for the next year while a season is in progress.

It is very nice to be approached for the next season but it can have a very unsettling effect on the player. If you are having this problem please write to the Association.

### Coming Events

**August 18:** Grange Thistle will hold an under-8 carnival. Pine Rivers will also host an under-7 and under-10 carnivals on the same day.

**October 26:** Association Annual Dinner Dance.

**November:** Annual General Meeting

## BRISBANE SOUTH

Ipswich City Soccer Club advises that their under-8 carnival held on Sunday, August 4 was a very enjoyable day with 12 teams participating.

Organizers were very pleased with the large crowd of parents who attended the day to support the teams.

Ipswich City, A, B and C, Coalstars A and B, St Helens B, Lions, Leichhardt, Inala A and B, Acacia Ridge and Dinmore played four games on the day with Coalstars A, Coalstars B, Inala A and Dinmore successful in reaching the semi finals.

Both semi-finals went into extra time before a result was obtained. Coalstars A narrowly defeated Dinmore in a very close game and Coalstars B just defeated Inala A to see a final between the two Coalstars teams.

All players played well with Coalstars B winning the day.

Ipswich City Soccer Club wish to thank the day's sponsors, Brassall Hardware, Pyes Bakery, Shell Jacaranda, Mobil Highway and

# JUNIOR SOCCER

Ipswich Sports Scene for their support.

The Mayor of Ipswich, Dave Underwood, presented trophies to all players who played in the final and all other players who participated were given a pennant.

The day was so successful the club plans to make it an annual event and hope to organize a bigger and better carnival in 1992.

Their sincere thanks to everyone who made the day such a success.

\*\*\*\*\*

Kingsridge Soccer Club wish to advise that their under-9, 11 and 13 carnival has been postponed and will now be played on Saturday, August 24.

Inquiries can be made to the Club Secretary.

\*\*\*\*\*

Brisbane Southern Districts Junior Soccer Association has much pleasure in announcing the successful applicants for positions as our representative team coaches for the 1992 season.

Under-12 (South West), Phil Cooper; under-12 (South South), Bob Gordon; under-13, Micky Rooney; under-14, Jeff Howath; under-15, Graham Clough.

The coaches have visited the field days for the under-11, 12 and 13 age groups and will be at Goodna Soccer Club and Dinmore Soccer Club on Saturday, August 17 for the under-14 field day.

### Don't Forget!

The under-11 Talent Identification training will be held at Clairvaux-Griffith Soccer Club and Goodna Soccer Club between the hours of 9 and 11am on August 18 and 25 and September 1 and 8.

Application forms are to be forwarded to The Association Secretary, Mrs L Boardman, 16 Hyacinth Street, Daisy Hill 4128. Preferably by August 8.

### QSSSSS

Monday July 29 saw Kepnock SHS and Wynnum SHS contest their area final in the Commonwealth Bank Bill Turner Cup for under-15s.

The result of Wynnum's trip to Bundaberg was a 3-2 win to Kepnock. Kepnock will now play Shailer Park SHS for the right to be called State Champions. Shailer Park defeated Redbank Plains 2-1 in the other area final.

All four teams in the area finals will be presented with medallions provided by the bank. The State final will be played in Brisbane in the week ending August 9.

The winner will have to travel to Kadina High School in Lismore for the National quarter final on August 16.

The winner of this match goes on to play in the semis and the final or the consolation play-off for 3rd and 4th on September 3 and 4 in Newcastle. Good luck to both teams.

Meanwhile, back in town, the Metropolitan Secondary Schools Championships are on with the quarter finals played on July 31 with year-8, year-9, under-15 and open boys and open girls (40 teams in all).

I learned this week that there is an under-

15 girls competition being run in at least one zone (Central), and I'm sure we'd be happy to run an under-15 metropolitan championship for girls in the near future if this trend moves into other zones.

Semi-finals were played on August 7 and the finals will be played on August 21. All finals will be held at Perry Park by courtesy of the Management Committee to whom we are grateful as we are aware of the busy schedule this ground has.

We do feel that it is of great importance for the players to run onto Perry Park in the finals as it adds a little prestige to the event to hold it at Queensland soccer headquarters.

For those interested in coming along matches start at 10am with the year-8's and finish with the open Girls at 3.15pm.

All games will be worth watching and there will be some good talent on show all afternoon.

### MACKAY

Since 1984 the third Sunday in July has seen Rockhampton and Mackay play each other for the Firth Sunner Shield.

Both cities agreed in that year there should be an annual competition played in a friendly manner between ages under-11 to under-15 with the city with the most wins taking the trophy home. Rocky has won two times to Mackay's five.

The trophy donors were Mackay's Bill Firth and Phil Sunner, two life members and then current office holders.

The competition rotates between the two cities each year with Rockhampton being the 1991 venue. Mackay visitors were hoping for better weather than the last time the competition was held there which was one of the wettest, coldest days on record.

This year the weather was wonderful - bright, warm sunshine and hardly a breeze.

The only clouds were over where the competition was. The visitors asked if it was the usual location and were told "yes".

The usual place for the visitors was Norbridge Park which Rocky haven't been able to use since the floods at the beginning of the year.

Eventually the combatants found each other at Nerimbera Soccer Club and the under-11's kicked off the day's events. Mackay went two goals up early in the game through Stephen Nugent.

Rocky managed to get one back by half time when the ball rebounded of the keeper and was put away by Mark Butcher.

Both sides put up good attacking play in the second half and Brent Lauga capitalised on a through ball to give Rocky the equaliser. Mackay failed in the dying stages to force a win and the result was a 2-2 draw.

Mackay fielded most of its Gino Paris team for the under-12's while Rockhampton had a newly formed side and the scoreline showed it. Mackay were two up in the first half with another three in the second.

Michael Roberts claimed four goals with the fifth to James Patterson by sheer persistence. Rockhampton tried repeatedly to break

through but the solid defence left the Reds keeper with little work to do.

Best players for Rockhampton were Damien Constable in goal and Justin Brown as sweeper.

In the Under-13 game Mackay went to an early lead thanks to Greg Anderson. Danny Allen put away the second when he drew the keeper out then chipped the ball into the net.

In the second half Andrew Murdoch put away Mackay's third with a header.

However Rockhampton bounced back through Brian Daley Christian Hooper, but were unable to find the equaliser.

The Mackay under-14 team was similar to Rockhampton's under-12s. They had a central core of players with the majority of the team on trial and having their first run together.

Still, the visitors managed to open the scoring in the first three minutes via Jason Elmore. It took the home team a while to recover but when they did, three went in from Shaun Cullen and Michael Barry (2).

The second half saw Mackay settle and manage to keep the very polished Rocky side at bay. However, in a moment of rather scrappy play, Rocky scored its fourth courtesy of Wayne Lauga.

In the under-15s Mackay didn't have the services of some of its play makers and it showed, despite the creditable end result.

Rocky scored quickly from both kick-offs and added a third midway through the second half as Mackay started to tire and defensive lapses allowed the home team to get too many shots on goal. Scorers for Rocky were Raymond Norris and Stuart McLennan.

At the end of the day both sides had two wins and a draw each but Mackay had the better goal difference, and being the current holders, took the trophy home.

# THROUGHOUT THE STATE

## FAR NORTH QUEENSLAND

Apologies for not having a contribution in last week's issue, but I was in Adelaide, undergoing surgery.

Members voted at the last meeting that the top five teams will compete in the Grand Final Series.

A positive outcome of the Ampol Cup Series is that the Far North would like to experience a better standard of soccer, this being possible by the re-introduction of a State League Competition. Expressions of interest from other Federations have been sought.

A positive outcome eventuated when Junior and Senior members agreed on a criteria to formulate a Co-ordinating Committee to oversee the very necessary Amalgamation of the two bodies.

It certainly is the year for prominent soccer players to be married.

Last week saw the Fantin family, combine with the Pozzebon family to give their blessings to Lucia Fantin marrying Frank Pozzebon. The Fantin family are stalwart supporters of the Dimbulah Soccer Club on the Tablelands.

Lucia as well as her mother and father are all executive members of Dimbulah Soccer Club, brother Franco is a player along side Frank who is captain of the Dimbulah first division team.

On behalf of Far North Qld soccer supporters we wish both Lucia and Frank every happiness, hoping they produce many little soccer stars, to carry on the tradition in Dimbulah.

## MACKAY

The games last Saturday night saw wins to Magpies and City whilst the third game saw a drawn result. Magpies accounted for Lions 2-0, City proved too good for Sarina 3-1 and Wanderers recorded their fifth draw with a well earned 1-1 result with top side Rangers. The feature game saw Magpies deserved winners with a goal in each half. The first was an own goal when a Lions defender put the ball into the net whilst trying to clear.

Magpies second goal, midway through the second half, was scored by Dwayne Vagg after plenty of goalmouth action. Simon Heading had a header cleared, Russell Dovey hit the post before Vagg slammed home the loose ball. The game was marred by three late sendoffs to spoil what had been a rugged but good contest. Wanderers came from a goal down to earn a valuable point against Rangers.

Geoff Icardi put Rangers ahead just before half time with a well taken goal but Wanderers stuck to their task and defender Peter Suokallio equalised minutes before the end. Rangers midfielders Shaun Callaway and Peter Bogert were best with Wanderers midfield pair of Andrew Evetts and Darren England shinning.

City had to overcome a spirited Sarina to record their 3-1 win. Striker Steve Angus was City's best netting two good goals with midfielder Chris Blackburn getting the other.

Sarina netted first through the talented Steven Line and Brendan Read hit the woodwork to give City a fright.

## SOUTH BURNETT

Fifth placed Wondai's 2-0 win over second placed and 1990 premiers Easts last Saturday showed they should not be written off as semi-final contenders. Easts loss guarantees Wests as 1991 minor premiers. Wests have two games to play while Easts only have one.

Wondai's Gary Potter, who played a sterling captains knock, said after the game "It's a very satisfying result, we believe we have been a better team than our league placing.

"Some losses we have suffered have been by narrow margins or the points were shared. We want a final four place".

They can make it too. Murgon's win over fourth placed Nanango on Saturday has helped. Wondai have two games to play (against Murgon and Wests) while Nanango only have one against league leaders Wests this weekend. Should Nanango be defeated, Wondai would need to win only one of its two matches to pinch Nanango's fourth spot.

Not an easy task for Wondai as Murgon want Easts second position on the ladder which is now vulnerable. Should Murgon win next weekend over Wondai they can have Easts spot if they are good enough, in their final

round clash with Easts. Promoter's dreams and coaches nightmares are in the offering.

\* \* \* \*

Murgon have shown a reluctance to travel in recent weeks which results in them being short handed. This problem doesn't effect their ability to win away as they cleaned up in all three matches in Nanango on Saturday. They were called upon to forego their home ground on Saturday for the clash with Nanango because it was committed to a Murgon community function. Forced to use the same team for the second and first division matches they displayed staying power in their 2-0 win in the last 15 minutes of their match against Nanango.

It must be admitted Nanango played into their hands by only having nine players who ran out of steam.

Nanango's fourth position is now in doubt as they meet league leaders Wests, whom they have never beaten, this Saturday in their last match before the semis.

## SUNSHINE COAST

A hat trick by Graeme Day, the Noosa striker, kept Woombye at the foot of the Heritage League table. Woombye put up a game fight and were on even terms at 1-1 all on the break. Noosa took control in the second half with Day scoring both of the additional goals.

Buderim kept second spot on the table with a gritty win against a determined Coolum. Buderim took the lead early with a well placed Scott Elliott shot. Coolum fought back and equalised through Glen Jenkyns. Buderim once again took the lead early in the second half through a delightfully hit Ian Hutchison shot.

Beegees proved too powerful for Caloundra and beat them 3-0 in a game where the referee had very little control. The teams were locked 0-0 at half time but Beegees went to the lead soon after the resumption with a very dubious penalty that Shaun DeCourcy hit home. DeCourcy scored his second shortly after with a scorching volley. Beegees third came from David Payne when he ran onto a bad back pass to beat the keeper. With the game in it's dying stages, Caloundra's midfielder Les Kunde was brutally felled by a punch to the head.

The only people who apparently missed the punch were the officials controlling the game. Kunde was knocked cold for 15 minutes and required medical treatment. Nambour took over third spot with a convincing win over Kawana who had no answer to the hard running Reds, the scoreline showing a convincing 3-0 win.

Reds opened the scoring through Karl Marsh and went two up with a well hit goal from Gavin Perkins. Early in the second half Leon Harris sprinted through to score for Nambour's third goal.

## SUNSHINE COAST - WOMEN'S SOCCER

Caloundra showed true championship style in downing second placed Woombye by three goals to one last weekend.

Their goals were netted by Cathy Maxworthy and former State player Karen Stacey. Caloundra have now stretched their lead to 16 points and cannot be beaten for the Premiership.

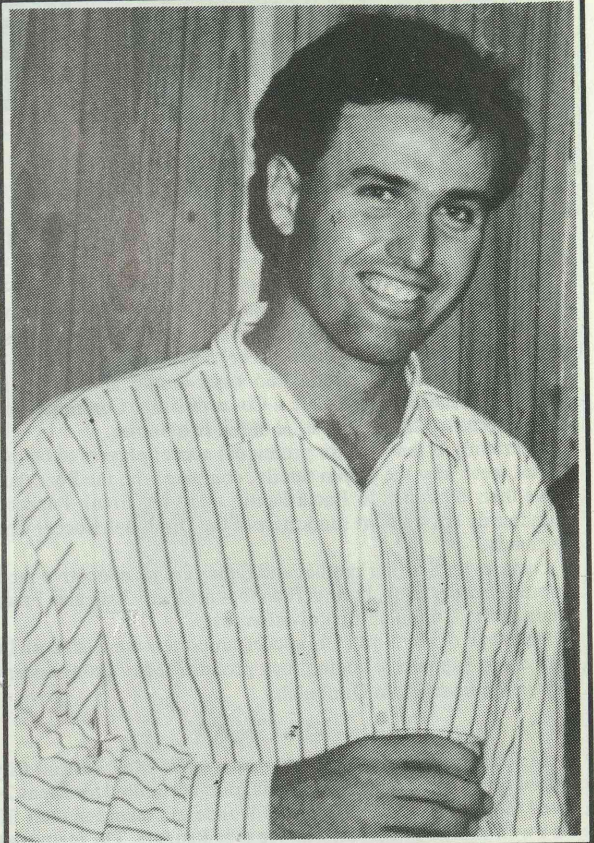

Kawana surprised Buderim early in their clash when State player Christelle Adam, slammed home a 30m thunderbolt.

They held their 1-0 lead into the second half and surged further ahead with a cleverly placed shot from the talented Julie Russell. Buderim came back with a penalty by Kylie Claridge and then equalised with a well angled shot from Amanda George. Both sweepers were the pick of the players in a game played in swirling winds, Mary-Jane Allen for Buderim and Melissa Blake for Kawana. Beegees took the points against Nambour but had to struggle for their 1-0 win.

Beegees, with their win, are now on 25 points with Woombye but have played one more game.

The excitement this past week in women's soccer has focused on the tour by the Japanese team - Nikko Dream Ladies.

At Southport last Saturday evening a good crowd watched Queensland's open ide do battle with this professional Japanese team.

The Dream Ladies are superbly fit and have excellent ball skills. However, they took some time to work out Queensland's style of play. The score at half time was 0-0, but in the second half the Japanese went about their task a little differently beginning their attack from the back.

Queensland were equal to the task in defence until an error in the backline gave the Dream Ladies a chance at goal which they took well. The game ended with a 1-0 win to the Japanese.

The Nikko Ladies played the Gold Coast on Sunday and recorded a 2-0 victory. At Perry Park on Monday night, the Nikko Dream Ladies played their final game in their week-long tour. Before quite a sizable crowd the Japanese treated us to a great display of skill.

Queensland, however, were to score first through Donna Fredrickson of Mackay. Donna struck again not long afterwards to put Queensland two goals ahead. The Nikko Ladies struck back, but the Maroons stayed ahead thanks to a superb goal to Tammy Jansen. Just before full

time the Nikko Ladies scored again, but time ran out before they could even the score. The final result was Queensland 3, Nikko Dream Ladies 2.

Our thanks to Perry Park's administrators and staff for their support and an especially big thankyou to all those people who supported us by turning out to see the game.

### SOUTH BURNETT

Wondai women kept their top position on the South Burnett soccer league women's with a 1-0 win over Kingaroy on a second half penalty.

Both sides played entertaining, passing soccer with some classic midfield attacking play, safe defence and slick keeping, however the score was nil-all at halftime.

Wondai continued to match Kingaroy after the resumption with end-to-end build-ups before sweeper Kym Somerville reflex handled a ball off her face for Cathy Geary to goal from the ensuing penalty. While Wondai and Murgon cannot be overtaken on the ladder for first and second for the semis, the big question is who will be minor premiers. Only four goals separate these two, with Wondai to meet Kingaroy and Murgon and Murgon to meet Nanango and Wondai.

In a one-way traffic game at Nanango Murgon women outnumbered and out "womanouvered" the sky blues for a 1-0 win to remain on equal points with Wondai.

Nanango sweeper Amanda Steinhardt "The Lion Heart" turned on another blinder in a beaten side to frequently cut out the last pass.

Nadine Bolger decisively put away a cross 15 minutes into the match for two points to keep level pegging with Wondai for the minor premiership.

## INTO THE NET

Interesting situation with one club's Miss Queensland Soccer Quest entrant. Club has decided to withdraw nomination for no other good reason than they are not wrapped in the venue for the final judging. Pity. As well as a chance of being one of the placegetters in the Quest, the amount of money she reportedly raised for the club would have made her a strong contender for the \$2,000 top fundraiser's prize.

Copy caps! Following the success of last year's gesture by the QSF of presenting caps to our State representative players, it's rumoured the Australian Soccer Federation are going to do likewise for members of the National squad.

Pat on the back for EASTERN SUB-URBS' junior section for putting up the cash to finance the upgrading of the lights on number one field at Heath Park.

Compass and cut lunch time for CA-BOOLTURE & DISTRICT as they set off to JIMBOOMBA on Sunday for a division 7 match. No trouble finding the place. Worry is finding your way home after the hospitality.

Battle of the Big W's when WYNNUM host WILLOWBURN at Maramba Stadium this Saturday night. With Wynnum safely set mid-table, it's the black 'n' whites who are under real pressure to come up trumps, as Willowburn, now in third spot on goal difference, hope their neighbour ST ALBANS can take the points off INALA CITY and OLYMPIC can win at home against THE GAP. Olympic continue their yo-yo performance. One week up from sixth to third, then next week back down to sixth.

Following their hard-fought and exciting 1-1 draw with BRISBANE LIONS, it is obvious ACACIA RIDGE have no intention of de-

parting the XXXX League with a whimper, but are determined to finish in a blaze of glory, maybe even staving off relegation. One of the things the match against the premiers leaders proved - RIDGE POWER is not dead, it just needed an injection of youth elixir to revive it. Man of the match was undoubtedly the Ridge's 'keeper BRETT WASS who pulled off some stunning saves to thwart Lions' heavy artillery. Brett is the type of player Brisbane United should include in any development program. The potential of the lad is mind-boggling.

Saturday night will put RIDGE POWER well and truly to the test. PINE RIVERS at home are formidable foes. Any team hoping to roll them needs spectator support. The Acacia Ridge players say they're fair dinkum. Saturday night's transport line-up from Proud Field will tell if their supporters are likewise. Will it be an exciting cavalcade of cars or a funeral procession?

Hear tell one frustrated player will be departing for greener fields next season in an attempt to shake off the injury jinx which has plagued him at his current club. So if you're looking for a talented goalkeeper.....

It doesn't take a mathematician to work out what a fantastic membership deal BRISBANE UNITED are offering soccer fans. And any club who doesn't avail themselves of the "Special Incentive To Sellers" just doesn't want to make a quick dollar. The freebie would make a terrific end-of-season raffle, or as one progressive club intends to do, use it to take their sponsors along to BU's home games. BU-YOU BEAUT!

Good to see some people have their priorities right. Married on Saturday, on the park (albeit a little late) on Sunday for Pine Rivers. Such is the dedication of top defender JOHN CARTWRIGHT. Best wishes to John and his lovely wife, Elizabeth, a former member of Rivers' women's team.

With PETER VOGLER back on the park for COALSTARS after a long lay-off, and the club on a high after the 5-1 lesson they taught NORTH STAR, what odds would be laid to say they can't sneak into the top five, especially as they have a game in hand? Having "Chooky" and MARK GILBERT combining as up-front enforcers was a surprise move which paid off handsomely.

Tickets for the Miss Queensland Soccer Quest Final on August 17 are now on Sale. Enquire at your Club. Extras available from Perry Park.

Live-wire media man Col Bennett lost an important item of clothing from dressing room while playing in the match Queensland Media v Queensland Referees. The item, a white spray jacket with logo Ready Mix emblazoned on the back of the jacket. If you have any information concerning Col's property please advise Soccer Headquarters at Perry Park.
