## Editorial

How many people do you know who love soccer but have not been to see a local match for years?

It would be interesting to speak to those closet supporters and discuss the reasons why.

We may all learn something which could provide spectators with what they want.

Those same supporters keep up their interest by watching English and European soccer (football) on television.

As well, they read every piece of news published about our great game.

Last Friday, I had the opportunity to meet one of these closet supporters.

His opening remarks were: "Liverpool should win the FA Cup on Saturday".

My first question was: "Do you follow Brisbane soccer and the National League?"

The short answer was "No".

He went on to tell me he had not been to a match in Australia during the last 25 years.

He arrived in Perth from the old country and was invited to see a local match. He left at half-time and has not been back since.

But he watches the English FA Cup replay on television, and would not miss a televised match from overseas.

Australian soccer teams competing inter-

nationally have become very competitive and will improve even more as our great wealth of young talent matures.

Rugby union had the same problem 15 years ago, where followers of the code preferred to watch five-nations rugby broadcasts from the BBC.

They enjoyed watching the higher level of skills on display.

The viewers had an opportunity to see teams Australia could not defeat.

But now the boot is on the other foot.

As part of soccer development in this country, we must provide players with the type of competition that will improve their standard.

Those same teams which the Queensland and other States teams need to play against, are the same teams that will bring the closet supporters out of their homes and along to the grounds to see the great game LIVE.

Congratulations to Miron Bleiberg on receiving a nomination from his fellow National League coaches for the Coach of the Year award. Miron did not win the award, but his hard work and contribution to Brisbane United did not go unrecognised.

## DEVELOPMENT PLAN ASSURES THE SOUTHSIDE'S FUTURE

With the Brisbane Southern Districts three-year Development Plan firmly in place, the future of the game on the South Side looks assured.

The plan, devised by the Brisbane Southern Districts Director of Coaching and Assistant State DOC, Peter Kelly, will incorporate clubs, representative teams and schools. The plan will be fully operational by the end of 1992.

"My aim is to ensure all clubs are serviced and equipped to handle the changing requirements of the game," Mr Kelly said.

"I want to establish a network of trained personnel to ensure that players and coaches develop at a rate which matches their requirements and abilities."

# XXXX SOCCER LEAGUE

The Week in Review - Round 8

**Gr.Thistle 1 v Bris Croatia 3**  
 Half-time 0-1  
 Scorer: Bris Croatia: K. Meacock (3)  
 Gr.Thistle: A. Sommerville

A welcome return to form and goal-scoring accuracy was the reward for Brisbane Croatia at Perry Park last Saturday night, but for Thistle their woes continue. They have conceded 15 goals in their last four outings. The message is clear, but will it be heeded in time?

Despite their slow start to the premiership, Brisbane Croatia are now consolidating in the top four and pose a threat for opponents in coming weeks.

**Pine Rivers 0 v Mt Gravatt 1**  
 Half-time 0-1  
 Scorer: Mt Gravatt: A. Prentice.

To defend a 1-0 lead for over 80 minutes is some task, but that is what Mt Gravatt achieved last week in the double-header at Perry Park.

An early but accurate strike by Alan Prentice that caught keeper Peter Underhill unawares, was the difference between a point shared and a three-point bonus to Mt Gravatt. His counterpart Stuart Woodruffe had everything thrown at him in the second half, but he held firm and the Rivers strikers again had nothing to show for their efforts.

This result alters the table substantially with Mt Gravatt now going into a more accustomed mid-table. But for Pine Rivers, the slide continues.

**Rochedale Rovers 3 v Coalstars 0**  
 Half-time 1-0  
 Scorers: Rochedale Rovers: K. Cooper, B. Melville, D. Hillier

The biggest winning margin that Rochedale have had in the season to date, and probably the first time that all their new acquisitions clicked as a team.

They were always in control and started to look the goods for a final five position. However if Mark Brusasco hadn't missed an open goal just after the half-hour, it could have been a different story.

Coalstars, the early leaders, are now on a slow dip in the table. If they can't find the net with regularity soon, they could once again be a bottom-four prospect instead of a top-four aspirant.

Steve Perry (left) of Eastern Suburbs and Lee Scriggins of North Star in Sunday's XXXX League match at Heath Park

**Brisbane Lions 1 v Brisbane City**  
 Half-time 1-0  
 Scorer: Brisbane Lions: D. Hunter

The derby match between the long-time foes didn't exactly set the house on fire.

It took a goal from defender David Hunter to separate the teams and consolidate Lions' second placing. They are still not very convincing on the park and definitely not the dominant team of the past.

City didn't go down without a whimper. They fought hard, but it appears they will have to settle for a mid-table standing.

**Eastern Suburbs 1 v North Star 5**  
 Half-time: 0-2  
 Scorers: Eastern Suburbs: P. Makridakis  
 North Star: L. Scriggins 2, R. Swan, J. McDonough, C. Tribbeck

Another goal scoring spree by North Star's attacking force, convincingly installed them as favourites for the XXXX League premiership this year. They are playing with confidence and are willing to have a go at goal. That's a recipe for success, as their position in the table testifies.

Easts have fallen in a hole at present, and this big defeat may sap the confidence of the usually enthusiastic Tiger outfit. It was a big

loss in anyone's language, and it will take something special to get them back on the tracks.

**Lutwyche Utd 0 v Taringa Rovers 0**

Once again, the star-studded forward line of Taringa was held scoreless. Their one-time policy of "shoot on sight" appears to have dissipated. Coach Glenn Davis may have to perform drastic surgery to rejuvenate his side.

His opposite number, Mauro Saftich, has a different philosophy. Every point gained further underlines their deserved inclusion in the XXXX League. While not exactly over the moon with this result, Lutwyche must be pleased their defence is now standing firm and more cohesive team-work is now evident.

## COMMENT

There are definitely no runaways in the XXXX League at present, too many teams are erratic in their weekly form. North Star appear to have an edge at present, but the table is generally too tight for any predictions. It is worthy of note, however, that of last year's final five, four of them are still there with Pine Rivers conspicuous by their absence.

## CRUSADERS CRUSH WHITSUNDAY

Burdekin Crusaders crushed a willing Whitsunday School combination 4-0 to take away the major silverware from the Adriano Durelli Memorial Under 10s Carnival at Mackay.

The Crusaders came out on top of 21 teams which battled it out over the Labor Day weekend.

The 11 visiting teams were Proserpine, Burdekin, Blackwater, Moranbah, Middlemount, Biloela, Callide United (2), Kelso and Bohlevalle (both Townsville).

The 10 home teams were Wests, Magpies (2), Lions, Alligator Creek, Rangers, Country, Wanderers, Whitsunday School and Brothers.

The Carnival was originally played for at city representative level, but reverted to club level five years ago so more players could take part. Trophies were presented by the Durelli family.

Burdekin Crusaders took home the trophies as tournament winners and the top visitors. Proserpine were the Visitors' runners-up and Whitsunday School took the Runners-up trophy. The Goalkeepers trophy, awarded by the Referees, went to Kent Matthews from Moranbah.

# What is Soccer Fitness? Selby Says

(Part II)

Jim Selby - State Director of Coaching

## What fitness level do our players require?

General fitness requirements will be related to the level of competition the team is playing in.

Top National League player average - 11,500 metres-plus.

There is no advantage in being at World Cup fitness levels, or more importantly spending the time and effort trying to reach World

Cup fitness, if you are going to play local soccer.

Our players only need to be 10 per cent fitter than the top team they will play against.

## How do we know what that fitness level is?

- Guess, give an objective opinion.
- Use other people's data, which may or may not be relevant.
- Call on our previous experience, or
- Conduct a "match analysis".
- Record distances that players cover in a game.

Match analysis provides us with relatively accurate and specific information on our team.

It gives us fact, not uncertain opinion. These are recorded facts that players can't argue with.

Running analysis data can be recorded by using film, video, cassette recorders, recorded commentary or pencil and paper

## Where and how do we start?

1. Determine the players/team's fitness requirements
2. Evaluate the players' current fitness level
3. Understand how to improve the different energy systems so that the desired fitness level is achieved
4. Prepare the season's program

## We can evaluate players' current fitness level by:

- Guessing
- Looking at the player
- Asking "What has he/she been doing in the off season"
- Playing a small side game or
- Conducting a simple battery of tests which will evaluate the components of soccer fitness (endurance, strength, power, speed, flexibility, agility).

Remember at this stage in the season, we are only looking at evaluating a player's "starting point" for the commencement of running fitness activities.

## As coaches we may use these results to:

- \* Evaluate the training program
- \* Organise efficient training groups
- \* Assess player profile: strengths/weaknesses
- \* Assess capabilities in playing position: systems/tactics
- \* Motivate players

Tests should be conducted several times throughout the season, using the same procedure and distances each time.

Players should also be aware that their physiological condition before the test should be similar each time.

It is important that factors affecting the accuracy or validity of the test should always be monitored and taken into consideration when the tests are interpreted. For example, environmental conditions such as wind, rain and heat should be considered, as should players' condition - pre-season, coming back after injury, sickness, cold, motivation.

Always look at test results in a positive and useful manner. Use the test result as a "tool" to maintain or achieve desirable performances. Players should always benefit from being assessed.

**NOTE: Test results must be collated with the player's match performance to obtain a fair and accurate assessment.**

The early rounds of Brisbane first division women's fixtures have produced a number of surprises. Acacia Ridge are yet to find their rhythm, going down to Brisbane City 0-2 in Round 2 and 0-3 to Easts last weekend.

But with the problem of player numbers seemingly solved, maybe we will see more commitment from them on the park.

Lions, the other new Div 1 team, also appear to be having a few minor hiccups. Wynnum defeated Lions 1-0 in Round 2 and the score was the same for last weekend against Brisbane City. Wynnum look to be the big improvers so far with their win against Lions and a 2-0 win over Newmarket last week.

Easts and Newmarket still have an unresolved game but Easts defeated Tiwiwarren 9-0 and then Acacia Ridge 3-0. Tiwiwarren

have played well in the first half of each game but seem to be having fitness problems in the second half.

Coalstars held Newmarket to a 2-2 draw in Round 2 but went down to Wynnum last week 0-2. They have a few new faces also who need time to blend in with the team. Still, there is a long way to the end of the season.

Naming of representative teams is looming with only four weeks before State Titles.

### KAWANA SET HOT PACE

Kawana once again flaunted their premiership credentials when they beat Beegees 4-0 in Sunshine Coast women's fixtures.

Kawana proved far too strong for the greens with Kelly Bishop netting a hat-trick and Glenda Cobby the other goal. Despite being well beaten, Fiona Langridge and Susy Ruhland turned in top performance for Beegees, while

## A TALE OF A FEW CITIES

### LAST CHANCE FOR REP PLAYERS TO IMPRESS

The IEA Inter-City Series final earlier this week was virtually the last chance for players to impress State coach Juan Cutillas, before the two-match series against NSW in June.

The form of some players in this series, left a little to be desired, so Juan's task is not an easy one.

The Inter-City Series has served a very useful purpose, particularly in taking in three other South-East Queensland areas.

It has helped a lot of players in terms of exposure, not only for further representative honours, but also to show themselves to other club coaches.

It would be a surprise if the State team does not compromise a lot of players from this series, Brisbane United players being the exceptions.

Cont. from page 5

keeper Dawn Wendt prevented a totally embarrassing scoreline with some good saves.

Melissa Blake in the Kawana defence also produced a strong performance. Coolum proved too strong for newcomers Caboolture, 4-0.

### KINGAROY FINALLY GET THE BETTER OF MURGON

Kingaroy women finally got the better of arch-rivals Murgon, with a 2-0 victory at Kingaroy last weekend.

These two teams have been notorious draw-makers this season. Nanango smarting from a stint in the competition cellar, caused an upset in front of their home crowd when they jumped Wondai with a lone first-half goal.

Ever-alert, Wendy Trace capitalised on a misdirected back pass from Wondai central defender Naomi Hockey which eluded Chrissy Geary.

Glenda Thompson did everything possible to deny Wondai an equaliser while Nanango player of the match Gemma Larsen, shadowed Wondai finisher Madonna Hay to such good effect her finishing was anything but accurate.

Wondai's newcomers also committed errors, resulting in many freekicks for the Blues to relieve Wondai pressure.

# THROUGHOUT THE STATE

## BURDEKIN PARKSIDE HIT PREMIER LEAGUE LEAD

A late goal by Angelo Licciardello gave Burdekin Parkside a 1-0 victory over Souths Wallaroos, and shot them to the head of the North Queensland Premier League table.

Parkside leapfrogged Mundingburra Olympic who could only manage a 2-2 draw against WSC.

Aitkenvale United held on to fourth spot with a workmanlike 3-1 win over a mediocre Brothers combination.

Michael Holness sent Vale to the break leading 2-0, before Brothers reduced the margin early in the second half, when Jason Preston

forced the ball over the line, after a goalmouth scramble.

Aitkenvale put the result beyond doubt 25 minutes into the second period with a goal by Michael Tuckwood.

In the only other Premier League game played last Sunday, Herbert Valley defeated Heatley Warriors 3-2, after Warriors had held a 2-1 lead at half-time.

**Premier Division results:** Aitkenvale d Brothers 3-1; Burdekin d Souths Wallaroos 1-0; Mundingburra 2 drew Wulguru; Estates 5 d Polonia 1; Herbert Valley d Heatley Warriors 3-2.

## CALOUNDRA TAKE OVER

For the third time in as many weeks the leader of the Sunshine Coast Heritage League has changed. Last week it was Kawana's turn but this week Caloundra enjoyed top billing. Caloundra served Noosa their first defeat, 1-0, and in doing so took their points tally to 16. Caloundra netted in the 20th minute when Matthew Clegg, after an evasive run out wide, crossed to a waiting Gavin Perkins who cleverly nodded home. The second half belonged to Noosa and Caloundra keeper Matthew Renkovetsky had to pull off many great saves.

Kawana went down 1-3 to Beegees, after hitting the front 1-0 early in the match.

Beegees equalised soon after when Scott Fullerton found the net, and took the lead with a Shaun DeCourcy goal. Dave Payne put the result beyond doubt shortly after the break.

Nambour and Maroochydhore played out a tough 3-3 draw at Yandina, after Nambour led 3-1.

Buderim took the points from a determined Woombye, 2-0. The teams were locked at 0-0 until well into the second half, but Buderim took the lead in extraordinary circumstances when the Woombye keeper, after taking a high ball, was flattened. The ball rolled loose for Paul Lees to hit it home. Inexplicably neither of the officials saw the foul and the goal stood.

Buderim added their second as the game ended with Lees scoring again. Coolum, playing at home, took the points by defeating Maleny 2-1.

## MURGON MAUL EASTS

The Murgon Maroons hauled themselves off the bottom of the South Burnett first division ladder with a 3-1 mauling of Easts at Kingaroy last weekend.

Three 1-0 losses from their first four games had cost the Maroons valuable points, but they gained a new measure of respect from this impressive showing.

Nanango and Wondai played out a colourful, 2-2 draw at

Nanango.

Nanango led 2-0 at halftime and Wondai played with 10 men for 60 minutes of the match.

Wondai, also without four first division regulars, produced a real guts effort to salvage a point from the wreckage.

Referee Bill Larkins' red and yellow cards, and the Wondai supporters' vocal chords, worked overtime.

## CAULEY DOUBLE LIFTS DOONVILLE TO VICTORY

A double to Greg Cauley lifted Doonville to a 2-0 victory over Rockhampton side Frenchville in the CQ League last Saturday.

Cauley found the net in the 20th minute and again in the 40th, after youngster Dion Anderson crossed.

In local competition, Olympians showed they will be a force to be reckoned with when they drew with Wests. Hervey Bay upset League leaders Tinana 3-2 at Hervey Bay; and Granville gave Doonville a run for their money, going down 1-2. In second division competition, Heritage City thrashed West

5-1 to further strengthen their premiership claims in their debut season. Ross Lindsay scored three of Heritage City's five goals in a blistering performance. City's other goals were scored by Clive Webb and M Steyger, while veteran Trevor Enbrey goaled for West.

Other second division results were: Doonville (1) d Hervey Bay 5-2; Olympians d Doonville (2) 3-1; Granville d Doonville (3) 2-1; and Sunbury d Hervey Bay (1) 5-0.

In women's soccer, Olympians (2) d West 2-1 and Doonville d Olympians (1) 5-0.

## CQ LEAGUE LADDER ALL JAMMED UP

The Central Queensland Soccer League is starting to jam up, with any one of eight sides capable of taking control.

Aston Villa (Bundaberg) powered to the competition lead with a 5-0 thrashing of Clinton, as an under-strength Bingera stumbled against Bluebirds in Rockhampton.

Across The Waves regrouped after a break for a 4-0 victory over basement side Diggers, but still need to improve this week against a beefed-up Bingera if they hope to climb into the top four.

Eagles will find out how tough the road trip can be after their defeat against Berserker in Rocky and could find themselves slipping down the table because of injuries and work transfers.

Maryborough outfit Doonville impressed with a solid performance against Rockhampton's Frenchville. It would be a brave man to predict the top four at this stage, but seven of the top eight clubs seem certain to fight it out.

Points: Aston Villa (Bundaberg) 14; Bluebirds (Rockhampton)

13; Doonville (Maryborough) 13; Bingera (Bundaberg) 13; Berserker (Rockhampton) 12; Frenchville (Rockhampton) 10; Eagles (Bundaberg) 10; A.T.W. (Bundaberg) 9; Clinton (Gladstone) 3; Nerimbera (Rockhampton) 3; Diggers (Bundaberg) 0.

Premiers Across The Waves should finish higher than their current eighth ranking, while Eagles (currently No 7) may struggle to stay with the leaders.

Local games in the News-Mail Charity Cup and Federation Cup matches have already seen upsets with Bingera 1st division defeating Eagles 3-2 after Eagles held a commanding 2-0 lead.

Eagles' 1st division side then received a setback in the Federation Cup against Aston Villa 2nd division after extra time. Games continue in both cups this week.

Dear Sir,

I refer to the comment in the April 30 edition regarding 'three points for a win' in the XXXX Soccer League.

The Sunshine Coast Soccer Association can probably lay claim to the introduction of this innovative points system in Australia.

It was introduced to Sunshine Coast soccer in 1985 and has been in continual use ever since. According to the article, QSF first used the system in 1988 so, in this

instance, the Coast was three years ahead.

Publicity Officer, S.C.S.A.

*ED'S NOTE: We "dips our lid" to the Sunshine Coast. The reference was aimed interstate, to a particular State Federation which claimed it as their own original and innovative idea.*

Something to say?

Patrick Adelerhof, the machinist from ABC Printing who has printed all of our Soccer '90, '91 and '92s has changed jobs. We wish him well in his new position and thank him for the care he has taken in printing our magazine.

Well known identity, Brian Addison believes there is still honesty in football. Unbeknown to Addison, \$50 had fallen out of his back pocket while watching South Star play Souths Utd last week. A very honest Souths Utd under 10 player, Michael Meertens, noticed the money drop from Brian's pocket so returned it to him. Addison says a big thank you to Michael for his honesty and a casket ticket will follow.

GRANGE THISTLE'S \$2 admission fee for their Great Scottish Festival on Sunday would have to be Brisbane Town's best value for money this weekend. With loads of entertainment PLUS the XXXX League clash with Brisbane Lions at 4.00 pm, the day promises to be a fantastic occasion.

BOBBY HAMILTON pulling on a shirt for Grange Thistle in their 1-0 loss to Mt Gravatt, and the retirement of BILLY WILIAMSON - such are the fortunes of a couple of former XXXX League player-coaches.

Sick parade: JOEY STIPANCIC playing it wise in allowing his injured ankle more time to heal before he's back on deck for Brisbane Croatia. And nippy NICK SEELEY having a frustrating time getting his injured leg right thus keeping him off North Star's team sheet.

Smiles aplenty when HAZEL MILLMAN attended games last Sunday at Eastern Suburbs. Great to see this hard worker for the code up and about again.

Ironman in the coaching department would have to be BRIAN MacNICHOL. Brian is supremo of Rochedale's XXXX League reserve and Under 9 teams, Brisbane South's Under 16s and the Queensland Under 13 team. Anyone wishing to try for a bravery award should ask wife BARBARA if she washes the strip for all four.

First-ever meeting of all Queensland State coaches (seniors, women and juniors) to be held on Friday night at Perry Park. Conducted

### XXXX LEAGUE GOAL SCORERS as at 10-5-92

City), J McDonagh, L Scriggins (Nth Star). **4 Goals:** C Priddy (Lions), P Makridakis (Easts), N Carroll (Pine Riv). **3 Goals:** B McDermott (Easts), J Preston (Pine Rivers), D Almond (North Star), S Glockner (Tar- inga), M Lederhose, M McCarthy (Mt Gravatt), H Makridakis, K Meacock (Croatia), J Poggi (City).

by State DOC JIM SELBY and Assistant PETER KELLY, the evening should see some great input into Queensland's Soccer Development Program.

Pleasing to see some clubs flying their own flag, and in some cases a sponsor's flag. Regretfully, the Australian flag seems to be in short supply. Your local Federal MP or Senator should be able to assist in getting you one.

Latest news from Pine Rivers is that popular striker CLAYTON KOCH is New Zealand bound for a holiday and won't be available until late June.

Sad to say, but some goalkeeper coaching would not go astray in several senior teams. If you need to sharpen your technique, keep June 15 free, because on that night GORDON ARROWSMITH and the Soccer Coaches' Association will be holding an evening seminar at Perry Park. Even if you think you know it all, come along, there is always something to be learnt. Junior team coaches have a great opportunity to get some great goalkeeping coaching tips.

Local derby time in division six on Saturday when SLACKS CREEK meet near neighbours LOGANHOLME. With both teams in the top three in their competition, there will be no love lost in what is a vital match.

Former long-serving player with North Star, Gerry Lindsay, has taken over the reins at Mitchelton as coach. The players must have agreed with the appointment, they gave him a great welcome by posting only their second win of the season.

The ultimate in recognition, in last Monday's C-M: E. Nicholls of Ashgrove made mention of the State of Origin rugby league match being referred to as a matter of life and death, "but it was more important than that." The quote comes from Bill Shankly, the late Liverpool manager who said it more than 25 years ago!

In a weekend of mixed results, two teams in Division 6 had cause to celebrate: they posted their first wins of the year - Albany Creek and Woodridge. There's only one way to go when you're at the bottom!!

Incidentally, you wouldn't want to place bets on Division 2 at present. Last week's results were completely topsy-turvy.

Don't forget! Eastern Suburbs Soccer Club are holding a benefit day on Sunday, May 31, for Leon Wilson, who is suffering from cancer. The program starts with the XXXX League 3rd Grade match between Eastern Suburbs and Mt Gravatt, at noon. All soccer supporters and followers are urged to come along to assist a person who has brought a lot of pleasure to soccer followers over the past 20 years.
