JUST WHEN IS 'CALLING' A CRIME

"Leave it!"
 "Give it here!"
 "My ball, Bob!"
 Peep!

"Wassamatter ref? You didn't bother when they called ... and they didn't call a name like I did?"

"Your shout put an opponent off but theirs didn't."

And thereby hangs a tale of misunderstanding. For nowhere in the Laws of the Game is "calling" mentioned: with or without a name being part of it. So why do players demand a free kick when an opponent shouts such phrases as those above? Why do referees award an indirect free kick for the "offence". Indeed, if "calling" isn't mentioned in the Laws, then what right have they to penalise?

In general, referees will award an indirect free kick for "calling" if they feel that an opponent's concentration has been materially affected by the shout.

I once had an incident where a player reacted to calls of "leave it Pete" or "right wing, Pete" and doing exactly as instructed. He'd played with these same lads every Sunday for a couple of years. The trouble was, this was Saturday afternoon and today they were his opponents. As soon as I realised what was happening, I gave an indirect free kick. "But I called a name - Pete" said the opponent, a little tongue in cheek.

So, what was I penalising? Ungentlemanly conduct, which is covered by Law 12. Indeed, under the Laws I should also have cautioned him, but here I applied Law 19. (Incidentally, for those of you who don't know,

Australian soccer took another giant step forward at the weekend with the "true grit" performance put up by the Olyroos against the Netherlands in their Olympic qualifying fixture.

When Ned Zelic slammed the first of his double into the net, the Australians, so grossly underrated by the whole of Europe, grew several feet in stature.

They were quickly brought back to earth by the Netherlands early in the second stanza.

Then came a titanic 30-minute struggle, as the Australians produced a Gallipoli-style rearguard action. Caution went out the window.

Who will ever forget the last-minute goal, scored by Ned Zelic. It will be like a good fishing story, expanded upon as the years roll by.

Well done Olyroos!

The Australian Joeys elevated soccer to the front page across the nation and now this great feat will further lift our sport in the eyes of the Australian media.

The much-awaited Queensland squad to play New South Wales has been announced by coach Juan Cutillas. The squad bristles with talent and the two games against the Blues promise to be absolute crackers.

there are only 18 Laws in Football. The oft-quoted Law 19 is simple "use common sense".)

I have heard some referees penalise "calling" as "verbal obstruction", but obstruction is defined as "running between the opponent and the ball or interposing the body so as to form an obstacle to an opponent". "Ungentlemanly conduct" is not defined in the Laws, but International Board decision 11 says "Any player...whose conduct is ungentlemanly...is guilty of an offence, and shall be dealt with according to the nature of the offence committed." International Board Decisions, incidentally, do not apply only to Internationals, but to all matches, and are as much a part of the Laws of the Game as the main 18.

Editorial

Queensland soccer fans should not miss the opportunity to see the Maroons in action, especially in the first match at Perry Park - on Queensland Day.

What better way to celebrate Queensland Day, than to cheer on our very own State side.

Coach Cutillas' boys will no doubt have plenty of motivation, simply from pulling on the State jumper and taking on our arch-rivals.

But to win for Queensland, on Queensland Day, in front of a Queensland crowd, should make victory even sweeter and provide even greater incentive for the home side.

More good news for the code is coming out of the far north of the State where third division teams from Yorkey's Knob, Mossman, Edge Hill United and Leichhardt turned out for the first time last weekend.

Clubs and federations throughout the State must continually be moving to expand their senior competitions to cater for the wave of junior talent that is sweeping Queensland.

Soccer has always provided competition for everybody who wants to kick a football.

We must be conscious of promoting the young talent growth through various divisions, while keeping open avenues for players who just want a weekly kickaround.

XXXX SOCCER LEAGUE

The Week in Review

North Star 0 V Rochedale Rovers 3
Half-time 0-1
Scorers:
Rochedale: K. Cooper 2, D. Theochari

North Star's slump continues, with their second home defeat in a row and worse, they have been kept scoreless on each occasion. All teams experience such a slump. For North Star it has come earlier than expected, but for all that, they still remain at the top of the table. Maybe it's an omen.

Rochedale's erratic form continues, but they are now scoring regularly with Cooper continuing to "poach" his goals and new acquisition Dimitri Theochari again netting. Maybe Rochedale will now start their long-awaited climb to the top.

Mt Gravatt 1 V Brisbane Lions 1
Half-time 1-0
Scorers:
Mt Gravatt: D. Munn
Brisbane Lions: F. Mengotti

For the second week in a row, Lions threw away a chance to go top of the table. This dropped two points probably hurt more. Their inconsistent play was only highlighted by their goal, a 35 metre screamer from Frank Mengotti which rocketed past a wall of players with Stuart Woodruffe just finger-tipping, but powerless to stop.

The team from Dittmer Park are now putting together some good results and appear to be cementing their place in the top five with striker David Munn scoring his third of the season to continue his fine form from last year.

Brisbane Croatia 3 V Lutwyche United 0
Half-time 1-0
Scorers: Brisbane Croatia: K. Meacock, D. Valle, H. Makridakis.

Brisbane Croatia celebrated their first goals scored at home base in fine style, with a 3-0 demolition of Lutwyche.

The unsettled former State striker Kevin Meacock scored in the first half, a goal greeted with great jubilation, it was the first in 385 minutes of premiership football at Rocklea.

Their opposition spent a great deal of time bickering amongst themselves, not a good way to create harmony and so climb to the top. This loss pushes the newcomers back to the lower reaches of the table.

Coalstars 2 V Pine Rivers 1
Half-time 1-0
Scorers:
Coalstars: W. Park, J. Ogden (pen)
Pine Rivers: J. Preston.

With the home team's leading goal-scorer, Mark Brussaco, side-lined through suspension, coach John Ogden press-ganged defender Mark Gilbert into a target man and took over the sweeper role himself. Aided by some

Wesley Park scoring the first goal for Coalstars with a despairing dive by Rivers' Peter Underhill

strong words concerning their position on the table, the result was almost inevitable.

Coalstars dominated the mid-field with Brenley Jefferd, playing only his second match after breaking his arm, quite dominant. Gilbert was sent down the right on a strong run, a square ball and Park did the rest. Jefferd assisted with the second goal when Peter Underhill brought him down in the box, player/coach John Ogden firing home the penalty.

Pine Rivers were generally lethargic, with John Preston one of the few bright lights on display, not only for scoring but for his all-round high work-rate and unselfish running. Noel Carroll, getting himself sent-off certainly did not help Rivers to salvage any points.

Taringa Rovers 4 V Eastern Suburbs 1
Half-time 0-0
Scorers: Taringa Rovers: S. Cranney 2, G. Gwynne, C. Slater.

It was a case of Brisbane United re-visited at Speare Park when all goals were scored by the NSL team's Brisbane-based players.

The home side scored their highest number of goals since Round 1 back in March, and with all five goals in the match coming in the second half, the half-time break was no time to pack up and go home.

When Taringa went to a rather snappy, 2-0 lead, Easts threw everyone forward with the inevitable happening. Gaps appeared at the back which were duly punished.

Easts' lone goal from stopper Stein Grodum was but a consolation for the Tigers, while Rovers' scoring spree may be a taste of that which has been threatening for some weeks.

COMMENT

A look at the leading goal-scorers in the XXXX League points to a sad fact. A greater

proportion of most teams' goals are scored by only one or two players.

What would happen if those players were injured or suspended - lack of goals, no points, and the inevitable plummet to the bottom of the table.

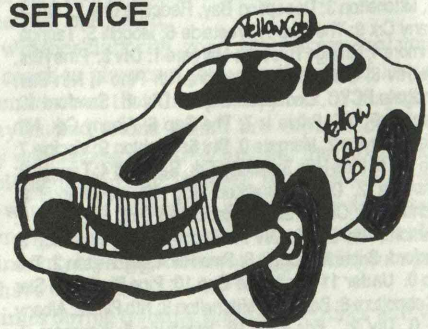

Too many teams are relying on one or two players to deliver the goods. There is simply not enough team spirit in some sides to take the responsibility of shooting for goal.

Will these teams be found out, when their strikers do take a holiday for whatever reason? Only time will tell.

SUN SHINES ON EAGLES CARNIVAL

The postponed Southside Eagles junior carnival was played under sunny skies last Sunday, with teams from Under 7, 9 and 11 divisions competing.

Southside Eagles Soccer Club life member, John Nahrung, presented trophies at the end of the day. John was one of the organisers of the event, many years ago. The day was made possible by Downtown Toyota.

The Under 7 section consisted of two teams from Gympie, two from Dalby and six from Southside Eagles. A round of five short games were played by each team, with the two

Dalby teams reaching the final.

The Under 9 carnival saw two teams from Eagles, Dalby and Gympie joined by Capalaba and Mooroondu. Dalby and Gympie fought out the final, with Dalby winning.

The Under 11 group was almost identical to the Under 9s, with Dalby and Gympie again playing the final. Gympie made the final via a penalty shootout and eventually won the final, again on a penalty shootout.

July 19 has been set as the date for an Under 8, 10 and 12 carnival. Inquiries: club secretary on 398 8143.

Tudor Rovers will conduct an Under 8 and Under 9 carnival on June 7. Inquiries: Brian Amos 209 6136 or Joanne Chambers (075) 466 410.

BEENLEIGH'S OVER-DUE OVERTURE

At 11 years of age, the Beenleigh Soccer Club is one of the most progressive soccer clubs in Australia and in desperate need of a victory song.

One hundred years from now, Beenleigh will sing a traditional "song of victory", which has inspired teams to achieve great feats on the playing fields.

Every person in the Beenleigh area is invited to write the song that "makes Beenleigh proud".

The song, the writer(s) and the team that presents the winning song will be immortalised on a plaque that will be proudly displayed in the clubhouse.

To enter a song, phone Ron on 807 4820 during business hours. You will need at least 10 people to present your song when the elimination competitions commence. Local high schools are particularly encouraged to enter singing teams.

Entries must be lodged by May 31, 1992. Eliminations will commence on June 13 at the clubhouse.

An Anatomy of a Good Coach

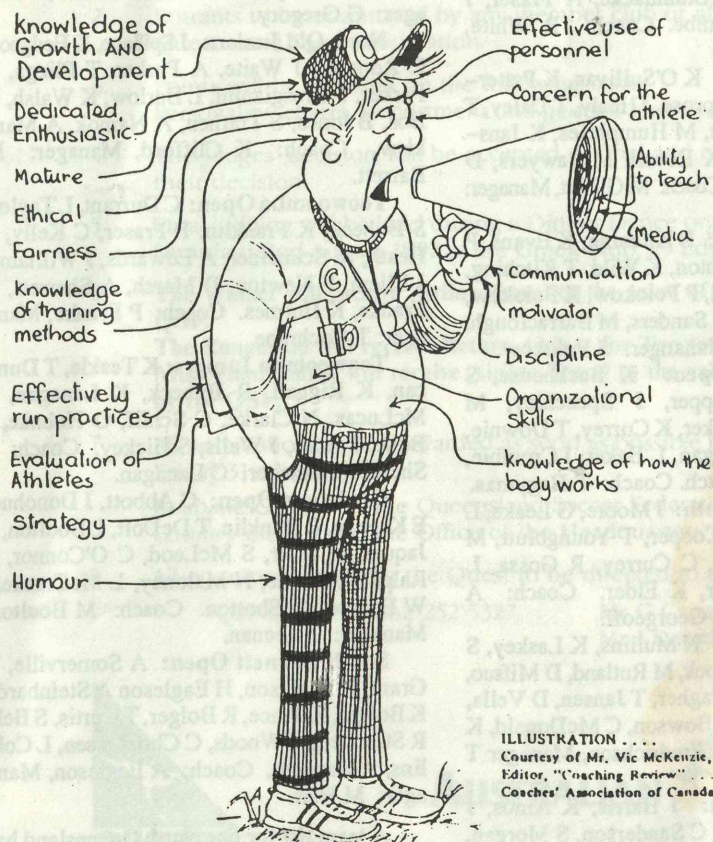

ILLUSTRATION
Courtesy of Mr. Vic McKenzie,
Editor, "Coaching Review"
Coaches' Association of Canada.

As we watch each World Cup come and go, we notice the game is changing. As coaches, we must adapt to those changes, especially if you are involved with young players Under 7 to Under 19.

Coaches have a responsibility to give these youngsters the very best chance of making it to the top level.

Soccer coaching is an art and the art of coaching must first begin with the knowledge level of the coach as from this everything else stems.

The best players do not always make good coaches and not all the best coaches have outstanding playing records.

Pictured left is some artwork showing the anatomy of a good coach. You will also notice that knowledge of growth and development is the first one listed.

As a coach, whether club, city, zone, State or national you are a development coach to players right up to the age of 19 years.

It must be understood that the development of players and teams, into players and teams which are capable of playing soccer correctly and having sound techniques and good understanding of implementation of principles, is the most important thing and that winning is placed as a secondary importance. Don't get me wrong, all teams go out to win. But it should be within the confines of playing good soccer and putting into practice what they have learned.

Too many times during training sessions, coaches will work with their players on different aspects of the game, only to revert to a "win at all costs" attitude when match day comes around.

One of the main reasons for this is the fact that the coach's ego is damaged if his team loses. Let's stop judging a coach on his position in the table and look at whether his players are developing technically and tactically. Let's leave our egos at home and start understanding that development is the name of the game.

ROUND OF CONTRAST ON SUNSHINE COAST

Last weekend's Sunshine Coast Women's fixtures featured some contrasting results with one goal-less draw at one ground and an eight-goal splurge at another.

Caloundra and Buderim ground their way to a 0-0 result, while Beegees proved far too strong for Caboolture, 8-0.

In the Caloundra-Buderim clash, both keepers, Amanda Semmler for Buderim and Sam Hill for Caloundra, played well and kept their goal lines intact with good saves.

Rachel Watson, Heather Trevan and Tracy Poole played well in the Caloundra defence while Buderim sweeper Mary-Jane Allen and defenders Viv Aitken and Lisa Hadley made life difficult for the Caloundra forwards.

In Junior girls fixtures, Caloundra Red defeated Beegees White 3-0 while Caloundra Black defeated Beegees Green 3-2.

INTERSTATE CLASHES — TO KICK OFF BIG — WEEKEND

The interstate double-header between Queensland and New South Wales heads an outstanding program of quality soccer set down for next weekend.

While the State sides square off on Saturday (Brisbane) and again on the holiday Monday (Lismore), six XXXX League teams will fly off to provincial centres for Queensland clashes, one XXXX League match will be played in Brisbane, and there is a full round of lower division fixtures.

Both State coaches have named a larger than usual squad, with a mix of National League and local experience.

NSW Coach Raul Blanco makes no bones about the difficulties facing his squad. He is well aware of how competitive the Queensland team is in these matches. His squad is as follows:

| | |
|------------------|-----------------|
| Alex McPherson | Peter Gunning |
| Robbie Hooker | Mark Babic |
| Darren Stewart | John McQuarrie |
| Paul Carter | George Jolevski |
| Peter Katholos | Huge Gimenez |
| Zlatko Nastevski | Jason Van Blerk |
| Greg Brown | Marshall Soper |
| Jose Iriarte | Terry Patalis |
| Grant Baird | |

Queensland coach Juan Cutillas has named a fairly predictable squad with the emphasis on Brisbane United players who are eligible to play.

Origin players being brought back to play include, perennial Queensland favourites Steve Jackson and Nick Meredith, with John Koch a "new" face after his excellent season with the Newcastle Breakers.

The full 19-man squad is:

| | |
|----------------|----------------|
| Rob Farrow | Andrew Stowell |
| Frank Mengotti | Chris Slater |
| Glenn Gwynne | Sean Cranney |
| Troy Cranney | Kevin Tatton |
| Alan Hunter | Craig Williams |
| Steve Bullock | Wayne Evans |
| Frank Pimblett | Noel Carroll |
| John Brown | Nick Meredith |
| John Koch | Steve Jackson |

THE LIFE AND TIMES OF A LOCAL HERO:

Part I

Today, in the first of two articles, we reprint a story published in the prestigious English newspaper, The Times. The author, Alan Bleasdale, recalls how a schools team he once coached, Huyton Boys, came from virtually nowhere to win the English schools' football trophy.

In his squad were two very familiar names: one very high on the prestige listing in the English First Division, the other, a very popular and talented player, now playing here in Brisbane.

The story runs over two pages of the Times, but has been edited to cover the section relevant to the Queensland connection.

"At the start of their final year, I knew that Huyton Boys were a good team. They had already won a tournament involving all the town and city teams in south-west Lancashire. But privately I knew that, to have any chance in the English Schools' Trophy, we desperately needed two defenders and a centre forward of the highest calibre.

Whereupon one of those happy accidents occurred. Until the start of that year, the local grammar school had always deemed its stu-

dents to be above and beyond the rough and tumble associated with being among the town's secondary modern schools. A more enlightened headmaster arrived at the school, and three grammar school boys arrived at training one night. I can vividly recall being told the news that lunchtime and making a silent prayer to the patron saint of blackboards that this wise educationalist, if not God, would send me two centre halves and a centre forward.

The only other contribution I would want to take credit for was the appointment of the team captain. It was clear throughout their first year together that there was no individual in that age group who was an obvious leader.

Ironically, there was a boy in the squad who would later develop into an outstanding, aggressive and inspirational leader of men - Peter Reid, the former Everton and England star, now manager of Manchester City. But in his childhood, brilliant prospect though he was, he was too shy and reserved to stamp his authority other than on the opposition."

You have now read of the prominent English First Division player referred to at the head of this article. To learn about the Queensland connection, read Part II next week.

ROAD TO BARCELONA

The Australian Soccer team qualified for the Olympic Games for only the second time in their history when they defeated Holland 3-3 on aggregate over the 2 matches last week.

After the relative heartbreak of having only a 1-1 score from the home leg, the Aussies went to Utrecht very much the under-dogs, with a very cocky, and at times arrogant, Dutch team confident of the result.

Australians are never better than when their backs are to the wall and are fighting, what could loosely be termed, superior odds, and so captain Ned Zelic, the scorer of both goals, has his 12 month old wish - to skipper the Aussies at the Olympic Games.

What a thrill, no superlatives are too great for the highly disciplined performance last weekend. We will follow their progress right through to, and at Barcelona.

THROUGHOUT THE STATE

CODE THRIVING IN FAR NORTH QLD

The code took a giant step forward in Far North Queensland last weekend four third division teams took the field for the first time.

The scores were not important but the faces behind the players were. Many have come out of retirement to have a game of "social" soccer, and officials at the various clubs are delighted to welcome back fathers of their up-and-coming players, and others who have contributed greatly to the code.

Yorkeys Knob, Mossman, Edge Hill United, and two teams from Leichhardt have produced third division outfits.

Another first for soccer in the north was the inclusion of a Women's team from Innisfail in the competition.

Under 12 representative teams have been selected to contest the Gino Paris Cup Carnival at Silkwood. Teams are as follows.

Under 12 Crocodiles. Coach: Paul Musumeci, Manager: Charles Speziale.

Troy Pensini, Damien Musumeci, Jason Guarrera, Jason Mizzi (Boogan); John Casale, Adrian Diery, Rory O'Shea, Ian Speziali, Nathan Puccini, Paul Casey (Silkwood); Wade Edwards, Gilbert Patterson (Tigers); Daniel Hurney, Steven Watson, Sean Loriaux (Tully).

Under 12 Marlins. Coach: Dino Bazarbassis, Manager: Gerry Milne.

Ben Brown, Michael Bannah, Wayne Zivanic (Leichhardt); Ruair Higgins, Shane Stefanutto, John Lynch, Matthew Swain (Saints); Todd Mayhew, Mace Papworth, Greg Millward (Stratford); Victor Husak, Peter Reynolds, Mark Rutter, Gavin Honey (Edge Hill); Greg Bale (Dimbulah).

WONDAI TRAVEL TOO WELL FOR WESTS

Wondai travelled the better when they whacked Wests 2-0 at Yarraman in their South Burnett first division clash last weekend.

In a comprehensive team effort, Wondai reduced the 1991 premiers to a shadow of their usual selves.

The Kingaroy-based league leaders were frustrated by the Wondai Terriers in Alan Wier, Trevor Litzow and captain-coach Gary Potter who played himself into the ground.

Wests had too many passengers and lost their way when frustrated by failing to convert at least four one-on-one chances.

Keeper Mick North celebrated his comeback from a knee injury with a good effort, but was left stranded by his defence each time Wondai scored.

Geoff White and his co-defenders Peter Maher and Scott North deserved better.

They had turned Wondai around on many occasions and had made frequent inroads from the back to the Wondai 18-yard box, in an effort to inspire their midfield and forwards.

Wondai leapt up two rungs on the ladder to third spot, behind Wests and Easts.

Scores: Wondai 2 (Ardrey, Thun) d Wests 0.

EASTS SNEAK IN

Easts and Nanango fought out a dour duel at Kingaroy, with Easts getting a 1-0 decision.

As with their round two outing, these two teams gave no quarter but played without animosity, for Easts to hold onto their lone goal advantage despite a big finish by the Blues.

Scores: Easts 1 (Tucker) d Nanango 0.

MURGON SLIP INTO THE TOP POSITION

The Murgon 'Mobil' maidens took the points and top spot on the South Burnett Women's Soccer League ladder with a one-goal win over Wondai at Yarraman last weekend.

In a game featuring Murgon's

NORTH QUEENSLAND

Polonia pole-axed Souths Wallaroos 2-0 to register their first Powers Premier League victory of the season at the Murray Complex last weekend.

Polonia defied their ranking at the bottom of the premierships ladder with a determined and workmanlike performance.

It took just 15 minutes for the underdogs to hit the lead through a penalty kick by Richard Tymrakiewicz.

Steven O'Keefe clinched the result for Polonia 35 minutes into the second period with a low, seven-metre shot from in front.

W.S.C. had to work hard to retain their top-of-the position in their 2-0 defeat of Heatley Warriors.

Brett Wilson gave W.S.C. the lead after 33 minutes, with Steven Murphy making it 2-0 at the break.

Warriors made a better showing in the second half but the standard of play deteriorated with niggling fouls spoiling the game.

Brothers defeated Estates 1-0 at Victoria Park to move up into fourth position, with the goal coming from a John Hering penalty kick.

Mundingburra Olympic eased up into third spot following a minor goal spree in which they defeated Burdekin Parkside 5-3.

Aitkenvale United continued on their winning way with a 4-1 defeat of Herbert Valley to retain their No 2 ranking on the table.

MAROOCHYDORE SEND BEEGEES TUMBLING

Maroochydore sent Beegees tumbling from the top of the Sunshine Coast soccer ladder with a 1-0 upset at Glasshouse.

The Greens capitalised on a midweek victory over Caloundra to record only their second victory of the season.

Maroochydore sent Beegees to the ropes just before half time when the youthful Rodney Allen found a gap to score.

Despite a sustained Beegees attack throughout the second half, Maroochydore hung on to take the points.

Woombye proved far too strong for newcomers Maleny, 6-0, with Mal Cross (2), Scott McInerney (2), Jason Murchie and Mal Fleming disturbing the scorer.

Kawana scraped in 2-1 against

Caloundra, after Grant Green broke a 1-1 deadlock late in the match.

Nambour were forced to overcome some stubborn resistance before downing Coolum 3-0.

Damien Perren, Peter Szach and Adrain Matthews netted in the second half for Nambour.

Buderim thrashed Noosa 5-0.

well-oiled attack of Melissa Bick, Nadine Bolger and Tammi Steinhart versus Wondai's experienced defence of Cathy Geary, Cheralea Mooney and Kim Urquhart, Murgon had just enough edge to snatch the match through an emphatic Bolger finish from a Bick delivery in the 16th minute.

Improving Nanango caused an upset at Kingaroy when they came away with a 1-0 win over previously undefeated league leaders Kingaroy. Nanango were much more

committed, with Sue Brown back to her most dangerous form and well supported by the confident Tania Curtis and the improving Rebecca Sternberg.

Brown almost tore the back out of the net with her finish.

Great news on the WORLD YOUTH CHAMPIONSHIP for the Coca-Cola Cup being held in Australia next March: Australia's first two games will be televised live outside NSW. BRISBANE will host seven matches, including a quarter-final. Dates to keep free next March are 6th, 9th, 11th and 13th. The playoff for 3rd and 4th and the GRAND FINAL will take place in Sydney on March 20.

It's interesting news that a parliamentary committee will investigate moves to downgrade physical education and sport in schools and its impact on children's self-confidence. Many concerned voices have questioned the wisdom of downgrading sport in schools. Clubs and individuals can offer their services to local schools to help develop students' interest in sport, especially soccer.

A gentle reminder, folks. On Sunday, the LEON WILSON Benefit Day will be held at Heath Park, East Brisbane. Starting at noon, the afternoon is chock-a-block with entertainment. All profit will benefit Leon and his family. Leon has done so much for our code over the years. Now let's do something for him.

WARNING! Some team trainers and officials (both senior and junior) are attending to injured players, using a bucket of water and sponge. This same sponge has then been used by other players to "cool down" and/or quench their thirst. This is highly dangerous. Hepatitis B is directly attributable to such disease-spreading practices. Please stop it, NOW!

Sunday sees division six club CABOOLTURE off on safari to distant JIMBOOMBA. Poles apart geographically, the semi-rural districts they represent lend something of a family Sunday visit to their encounters. While both teams may be languishing at the bottom of the points table, they're as keen as the best of them.

Caught sight of a newsletter the other day, issued by the Sunshine Coast Soccer Association. What an impressive document it is. It covered all areas from Roo Ball,

Senior Representative team, U/15 Talent Identification to fixtures. It even included sections from our own Soccer '92 magazine. Well done Sunshine Coast, it was a most informative newsletter.

Back in issue No 7 in April, a letter to the editor referred to the sportsmanship that so rarely takes place at senior matches these days. Pleased to report that it still exists. In the Division 2 match Olympic v Wynnum, a Wynnum player went down injured. The Olympic goalkeeper kicked the ball out of the park, and when the injury was rectified, Wynnum threw the ball straight back to Olympic United. Most refreshing to see. There should be more of it.

Clubs participating in Division 3 and 4, would have noted by now that their Saturday matches are included in the Soccer Pools both here in Australia and Overseas. Last year we had a lot of draws in our Divisions but take a look at the tables now. Not too many. Obviously our teams this year are going for full points - or none at all.

This weekend sees the battle of the giants in Division 5, with second place Goodna taking on the leaders Ipswich City. A local derby in fact and a battle for outright leadership at stake, a top match in prospect. This outstanding match will be followed by the Division 3 Goodna v Annerley clash, both clubs vying for a spot in the top four, a good night's entertainment is ensured at Kippen Park.

The girls in the newest team in the WSQ competition, Division 5's Rochedale Rovers, picked up their first point last weekend with a 0-0 draw against Mt Gravatt, a team that defeated the Rovers 3-0 not three weeks ago. With a 75 per cent playing membership who have not played the game before, this one point was a cause for much relief and celebration. Wonder what they will do when they win a game?

Keep Monday, June 15 free, especially if you are interested in goalkeeping. The Coaches' Association is conducting an in-depth session on 'keeping techniques. Special guest on the night will be former Lions player Jason Kear-ton, now on the books of Everton. Incidentally, Jason has just signed a further two-year contract with Everton. Did you see that Blackpool just won promotion to Division 3 in England. Jason played with Blackpool on loan for about 2 months.
