Editorial

American soccer supporters certainly found out who the Socceroos were last weekend.

It was a great win by Australia, but it was also interesting to have a look at the Americans' style of play.

Australia has apparently issued an invitation to the USA for a reciprocal visit.

Such a tour would create a lot of interest through the media and the Australian public would love to see the Socceroos pitted against the USA in a Test series.

Maybe we could go all the way and add Japan, Korea, Indonesia, New Zealand and China, to make up our own Pacific Cup.

If European nations can have an international tournament, surely the Pacific neighbourhood can run one too.

It would be great for spectators, the television networks, and the sponsors.

The venues for the Pacific Cup could be rotated through the Pacific Rim nations. We must use the weight of the soccer world to re-

enforce soccer's position in Australia.

Good luck to all the young players taking part in the intra-State championships during the school holidays.

The young players selected have put in a lot of hard work and effort on the training park, leading up to these championships.

The approach to such a tournament by many of our young talent, deserves recognition.

The juniors' preparation time for the State titles runs for a period of eight months, with squad selections, squad eliminations, build-up matches and of course squad training.

After all this preparation and playing through the various age groups, first division football should be a breeze when these young stars make the grade. I hope all the senior coaches who can get along to have a look at these championships do so. There will be a lot of young talent on display and that talent is our great game's future.

GOALKEEPERS BOUNCE BACK

The goalkeeping coaching session which was rained out last Monday will now be held on Monday, June 22, at Perry Park, commencing at 6.30pm.

Jason Kearton, the former Brisbane Lions National League and current Everton goalkeeper will participate.

Kearton, who is on holiday with his family in Brisbane, has been playing professionally with Everton since 1988 and has recently signed a two-year contract with Everton as back-up keeper to Welsh International Neville Southall.

Kearton will speak to members and visitors about his full-time professional training and coaching program.

Kearton is currently coached by Peter Bonetti, an ex-Chelsea and English International goalkeeper. Bonetti is also the England goalkeeper coach.

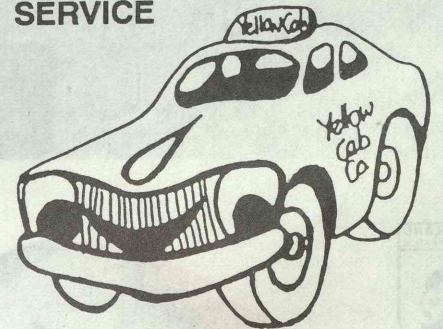

As well as Kearton, Martin Coe and Kim Wishart (Queensland goalkeeping coaches), Fergal McNamara (former Irish Youth goalkeeper) and XXXX League keepers will be on hand to coach all junior and senior goalkeepers.

So all you budding goalkeepers, bring a ball and you will receive expert coaching from the best goalkeepers and coaches available in Queensland.

The evening is free, so let your club, senior and junior goalkeepers know that this opportunity is available.

QUEENSLAND CUP

Gold Coast 1 V Lutwyche United 1 Lutwyche win 3-2 on penalties

Half-time 0-0

Scorers: **Gold Coast: G. French**
Lutwyche United: D. Bender

Gold Coast knew what they had to do before starting this match to uphold the pride of provincial centres, all the others having played the previous Saturday night.

To sum it up, they blew their chance of possibly being the only country centre to proceed to the semi-finals.

Lutwyche, having already missed a first-half penalty, struck first when Darren Bender scored his first goal for five weeks. The Coast equalised through Gary French a few minutes later.

A not very satisfactory match for the Coast, and not terribly inspiring for Lutwyche either.

The second-round matches for the Brisbane XXXX League Clubs in the Queensland Cup is Round 14 on June 27-28, after which the semi-final placings will be determined.

XXXX LEAGUE

Postponed Fixture - Wednesday, June 10, 1992

Brisbane Lions 0 V Brisbane Croatia 4

Half-time 0-3

Scorers: **Brisbane Croatia: H. Makridakis 2, K. Meacock 2.**

A most surprising result from both club's point of view, not so much the result, more the margin.

This was Lions' first home loss of the year, and their biggest defeat for longer than they care to remember.

Brisbane Croatia are now a big show of winning the premiership, or at the very least, keeping the pressure on all the hopefuls.

Round 12

Grange Thistle 1 V Eastern Suburbs 2

Half-time 1-2

Scorers: **Eastern Suburbs: D. Whitfield, P. Makridakis** **Grange Thistle: D. Docherty**

East's got back in the winning groove, their first victory in three matches. This no doubt brought sighs of relief from coach Tom Pike and the Tigers' faithful. This now puts East's back into a highly congested mid-table position, but the postponed XXXX League matches being played over the next two weeks will help to clarify their position. Thistle are getting more stranded, the longer the season goes on. Desperate times call for desperate measures. Maybe a big shuffle of the pack will help. Their next few matches are all against well credentialed opposition.

Brisbane City 0 V Lutwyche United 2

Half-time 0-2

Scorers: **Lutwyche United: S. Rackley, J. Figliano.**

A goalkeeping error helped to put Lutwyche on the winning track after 10 minutes when Scott Rackley scored his first for the Club. Lutwyche went further ahead through John Figliano with a great "assist" from leading scorer Darren Bender.

City are running hot-and-cold at present. They pick up New Zealand international Danny Halligan, and promptly lose keeper Wayne Evans through a dispute. Stability is the essence of good teamwork. City on outward appearances regain it, then lose it. It may be a long, cold winter for the Spencer Park residents.

Pine Rivers 1 V Brisbane Croatia 1

Half-time 1-1

Scorers: **Pine Rivers: L. Dines**
Brisbane Croatia: K. Meacock

Brisbane Croatia had a good chance of taking a convincing lead on the premiership table, but failed to capitalise on their chances. The club's highly publicised, but unsettled, striker Kevin Meacock netted yet again, making it three goals in four days. Obviously the transfer talk is not affecting his performance.

Pine Rivers also threw away a possible three-point win by having a first-half penalty saved by Croatia's keeper Bob Harrison. Their lone goal, scored by Lindsay Dines, was scant reward for the high work-rate evident in this game. But if chances aren't taken, then there is no point in crying poor. This leaves the Rivers in the lower reaches of the afore-mentioned packed mid-table.

Coalstars 0 V North Star 0

A hard-fought match from two sides anxious to pick up three points and so move up the ladder.

The one point shared does little for either team, merely emphasises the closeness of the XXXX League with Coalstars in 10th spot, only five points off first place.

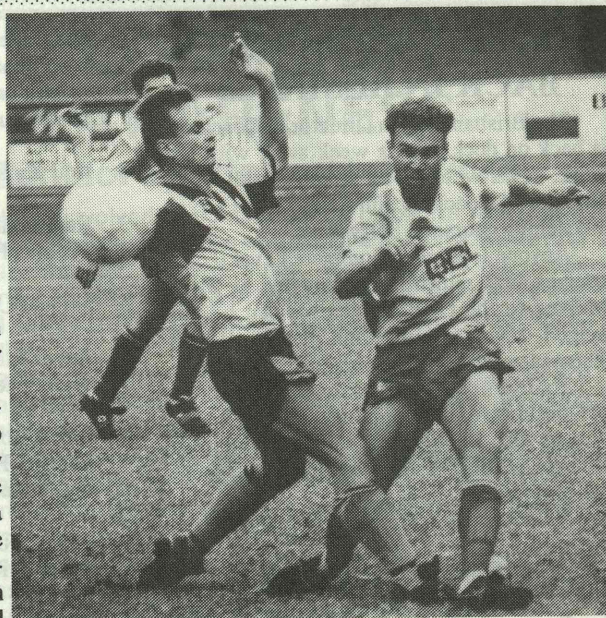

Both teams are having trouble scoring goals, in particular through recognised strikers. Still, a point gained here keeps both in touch with the upper echelon.

Brisbane Lions 2 V Rochedale Rovers 1

Half-time 0-0

Scorers: **Brisbane Lions: A. Stowell, W. Corbett.** **Rochedale Rovers: K. Cooper.**

In a rather fiery encounter at Richlands, Lions won the match, the battle of words and also the race for the top over Rochedale, who lost two players on the afternoon.

Mark Hairsine of Mt Gravatt (left) and Andrew Brayshaw of Taringa Rovers (right) in last weekend's match at Jack Spare Park.

With two players being sent off, one could be forgiven for thinking it was a battle. It wasn't. Some excellent football was played, although that fact tended to be overlooked.

It certainly wasn't a classic match. Too many personal conflicts came to the fore, with rugged tackling very much a part of the encounter.

Suffice to say that two of the League's potentially most attractive ball-playing teams received the headlines, but for actions other than football.

Taringa Rovers 2 V Mount Gravatt 1

Half-time 0-1

Scorers: **Taringa Rovers: A. Brayshaw, C. Slater** **Mount Gravatt: M. Lederhose**

In a game where the goal-keepers were the stars for both teams, opportunities were limited.

Mount Gravatt's goal was scored directly from a Mark Lederhose corner, and Chris Slater missed a penalty. These incidents aside, this was one of the best matches of the weekend, with Taringa now back at the top of the table, a place they held when they defeated Mount Gravatt way back in Round 1.

COMMENT

Much has been said about the three points for a win. The positive illustration is the compacted tables in the competition. Over the next few weeks a number of XXXX League postponements are re-scheduled. Watch for big table changes.

COACHING DIRECTOR BACK IN BUSINESS

The Brisbane North Director of Coaching is back on deck after a week away with his work. This week is being spent with State Director of Coaching Jim Selby, at the Level 1 coaching course at Perry Park.

Anyone looking to complete Level 0 or 1 courses must return forms supplied by Mike Mulvey to the QSF, so courses can be arranged. If you require forms, please call John Thomas on 881 0821 or the QSF.

There will be meetings for Club Directors of Coaching (or their nominee) on July 22 and August 18. Details are available from your club secretary after the next Delegates meeting on June 30.

Field days for representative coaching will be on July 28.

Applications for representative coaches will be called for on June 26.

One good part about soccer is that if you make an error or if things change, you can make corrections, unless of course you are a referee.

The Under 16s have had some changes and it is worth noting the confirmed team to go to Bundaberg on June 28. The team is:

BRISBANE SOUTH GO INTO SECOND ROUND

Brisbane South has now completed the first round of fixtures, and most teams will begin second-round fixtures on Saturday.

Registrars will issue clubs with first round points tables after the holidays. A few catch-up games are still outstanding.

Brisbane South teams are in with a chance of winning a \$50 subsidy for their break-up, through a special raffle incentive. All clubs have been sent raffle books to issue to teams, and the \$50 incentive is being offered as a team book seller's prize.

First prize in the raffle is paint to the value of \$500, donated by Dulux Australia; Second prize is a \$200 voucher from K-Mart.

Our representative teams will eagerly await the holidays and their State Titles. All players were presented their kit at a presentation last week at Beenleigh Soccer Club.

To commence the evening, five of our representative players displayed the various combinations of our colours for the 1992 sea-

son. Brisbane South will certainly be clearly seen this year in their striking strips. Various committee members presented the teams their kits, and all involved thank equipment officer Kevin Goodsir for having everything organized so well.

Peter Kelly and Kim Wishart were guests on the evening.

Many thanks to the hard working members of the Beenleigh Soccer Club and Mrs Lorraine Boardman and Mrs Goodsir for their work in providing the supper.

Best wishes to rep teams for a successful and enjoyable State Titles.

KINGAROY SET TO HOST UNDER 13 TITLES

Kingaroy will host a State junior soccer championship for the fourth consecutive year, when the Under 13 titles get under way in the South Burnett capital this weekend.

The week-long State Under 13 Coca-Cola Talent Identification Championships will commence on Sunday, and feature 160 players from Far North Queensland, North West Queensland, North Queensland, Southern North Queensland, Central Queensland, Wide Bay, South West Queensland, South East Queensland, Brisbane North and Brisbane South.

The host club will have three players in the South West team. They are Jonathon Wood, Matthew Tonks and Aaron Liesmann.

The Under 13 age group is strategically vital for the future of soccer, because it is at this age that players are first identified for elite coaching, before they develop bad soccer skill habits. A total of 29 games will be played, introduced with a march past at 9am Sunday and culminating in the grand final on Saturday, June 27, at 2pm.

South Burnett president, John Lang, said "everything is in place for a smooth championship".

"The South Burnett extends a 'warm winter' welcome to all visiting players, team officials, referees, parents and supporters," Mr Lang said.

COMMUNITY AWARENESS

Contact Sports and Infections

Athletes involved in contact sports or sports which may involve body contact must be aware of the risks involved in the voluntary transfer of body fluids, especially blood. This happens if an athlete has a bleeding injury. It is possible that a small amount of blood could be transferred from one player to another.

The two important infections when considering this are AIDS and HEPATITIS B. Players may have these infections and not be aware of them.

Unfortunately, AIDS infection cannot be prevented by immunisation; but Hepatitis B infection can be. It is strongly recommended that players, coaches, umpires/referees, trainers and first-aid personnel are immunised against Hepatitis B. It is hoped that sporting associations and Clubs will accept the responsibility of encouraging their athletes to be immunised.

Dr John L McNee MBBS, FRACGP, FACEM
ADVISOR to Q.S.F.

The above is also fully endorsed from a Physiotherapists point of view as in our opinion, every preventative measure possible, should be taken by all soccer players.

COALSTARS HIT THE LEAD

At the halfway mark of the fixture season, Coalstars have broken away from the rest of Division 1 in the race for the premiership.

Coalstars defeated Brisbane City 1-0 last weekend, in an incident-packed match. Both teams had been on top of the table until their clash in Round 7. While going for a 50-50 ball, Tammy Jansen and Lisa Dodkins clashed heavily. Most of the spectators felt sure one player or the other had broken something. Dodkins was taken to hospital with suspected broken ribs.

Coalstars striker, Maree Humphreys, got her head on to a lovely cross to give the match to Coalstars.

In other Division games, Easts beat Brisbane Lions 2-0; Acacia Ridge beat Wynnum 2-1; and Tiwiwarren went down to Newmarket 1-2.

KAWANA THRASH COOLUM

Coolum goalkeeper Trina Elkington saved her side from a fearful hiding with a courageous display against Kawana on the Sunshine Coast last weekend.

Kawana proved far too strong for Coolum, winning 5-0, but the scoreline could have been much greater but for Elkington's sterling performance. Kelly Bishop scored twice, as did Glenda Cobby, while Janice Harvey scored one. Mandy Robinson and Petra Lalor turned in strong performances in the Kawana defence. Alita Crosbie and Monique Vandenhurk were among the best of the Coolum players.

Buderim and Beegees played out a tough 1-1 draw at Maroochydore. Buderim netted early through Sarah Garven, with Marie Bickle equalising just on half-time. Buderim's keeper Amanda Semmler was called on to make two last-ditch saves near the game's end to prevent Beegees causing an upset. Both Susy Ruhland and Joanne Forsdike were safe in the Beegees defence, while Viv Aitken and Mary-Jane Allen had top games for Buderim.

Caloundra were far too experienced for Caboolture, running away with the game 10-0. Karen Stacey scored four; Cathie Maxworthy netted a hat-trick; and Angie Burns and Sam Hill picked up a goal each, as did the Caboolture defence.

Caloundra	8	6	2	0	31	1	20

WONDAI WIN SCRAPPY CLASH

In one of the most unimaginative women's matches played this season, Wondai scrambled a single-goal victory over Kingaroy at Kingaroy last weekend.

Both sides lacked purpose as they fired the ball anywhere in the hope of finding someone or something.

Wondai notched the only goal of the game 11 minutes into the match, when new signing, right winger Wendy Benson, fired a cross to Naomi Hockey. Hockey's header across goal was finger-tipped by Kingaroy keeper Maxine Tessmann into the path of Madonna Hay for an easy finish.

Tessmann did save a certain goal, 12 minutes from time in a brave display of keeping.

At Murgon, a depleted Nanango had no answers to the home side which was bristling with confidence and representative talent, fresh from the State Under 19 Titles.

A depleted Nanango had no answers, as the marauding Maroons banged in four to nil, to regain the women's league lead from Kingaroy.

To Nanango's credit, they held Murgon to only one goal in the first half when Rachel Bolger slammed a net stretcher just under the bar from outside the 18-yard box for the first of a family hat-trick. Scores: Murgon 4 (R and N Bolger, Bick) d Nanango 0.

Selby Says

STAGES OF SKILL DEVELOPMENT

There are various stages that the young soccer player passes through from first learning a skill to mastering it. The length of time this takes will depend on the individual child and the quality of coaching. The important factors for the coach to remember are:

1. Give or show a good demonstration
2. Make the skills flow from simple to complex
3. Do not give too much information at any one stage, possibly break the skills into sections
4. Fatigue will affect skill learning
5. Children can usually only concentrate for a short time.

In general the young soccer player passes through three stages of skill learning:

1. Clumsy stage (early), where a large number of errors occur and the player looks and feels clumsy.
2. Refined stage (Intermediate), where the player has a basic level of skills and can start to speed up the skill and place it in a competitive situation.
3. Fluid stage (Advanced), where the player unconsciously performs a skill and can play under pressure. The player can then work on advanced "off the ball" skills or concepts.

The coach must try to assess the players current skill level and develop the appropriate practices.

It is also important to assess what children enjoy.

Place in order what you think children enjoy about taking part in soccer:

*Jim Selby
State Director
of Coaching*

- Having an exciting close game
Receiving medals or trophies
Beating their opponents
Being with friends
Wearing the correct uniform
Competing and trying to win
Playing, using the skills of the sport
Improving their skill level
Having a good relationship with the coach
Being selected in the team and not on the bench

Research by Robertson (1987) showed that what children actually enjoy - is not what adults think children enjoy. Try to plan your coaching around the needs of the children.

Children placed in order of preference:

1. Improving their skill level
2. Playing, using the skills of the sport
3. Having a good relationship with the coach
4. Being selected in the team and not on the bench
5. Competing and trying to win
6. Having an exciting, close game
7. Being with friends
8. Wearing the correct uniform
9. Beating their opponents
10. Receiving medals or trophies

The greatest reward a coach can receive from young athletes is "Coach, will you be coaching us again next year?"

DIVISIONAL REVIEW

DIVISION 3

Division 3 is generally recognised by clubs coming down, as the hardest Division in which to win promotion. This is because games are so keenly contested by clubs ambitious for greater things, but possibly not strong enough (financially or players) to gain such promotion.

The two leaders are Souths United and Beenleigh. The style of football on display is probably a reflection of their coaches. Both are former First Division players known for their close-ball skills.

South's Paul Barry is relatively new to coaching, but has played under many good coaches. The skills shown by his players are a testament to his coaching ability and potential.

Beenleigh's Steve Dolan, 11 times capped for Queensland, has brought together a good squad. A few did cost money, but their experience is helping the ambitious "locals" to push hard for promotion.

The other three clubs in the top five at present are Annerley, Logan City Kings and Goodna. Each have tasted Division 2 football in recent years, but were not strong enough to stay. All of them are again making a concerted effort to reach the coveted top spots. Do they have the staying power?

Then we have a mid-table group. Latrobe

Valley started the year well, but are currently experiencing a flat spot. Capalaba started disastrously but are now coming good, depth might be their downfall. South Star are newly promoted and still finding their way. Redlands United, once proudly in the XXXX League, are now mid-table in Division Three.

Then there are the bottom three who are really struggling: Samford, Darra and Redcliffe. All are clubs with proud traditions, either as district clubs or with a large junior following. The distance for safety is getting wider each week, when they meet each other in coming weeks, there will be an understandable tension in the air.

DIVISION 6

Division 6 is a division where only four clubs have their first-team situated. The remainder are lower grades from, in the main, Division 2 and 3 clubs.

Of the four, only one - Loganholme - is placed well, currently being equal second and hopeful of a promotion to Division 5.

The others are all currently at the bottom: Woodridge Rodelu, Caboolture, and Jimboomba, who are yet to register a win. It will be a shame if clubs in the more distant geographical areas of the QSF fixture area, do

depart for the lower Divisions, as this tends to diminish the development of the code. However there are still 10 fixtures to go.

Currently placed first in this division is Acacia Ridge, a team that probably is using the club's more "experienced" players and who probably do not train regularly. Slacks Creek is equal second, which underlines the depth in this club. This is their fourth senior team, with yet another in Division 8.

Sitting comfortably in fourth position is University who have, for obvious reasons, a huge turnover of players each year.

Locked together in mid-table are Olympic United, Beenleigh and Logan City Kings. On present trends, this appears to be where they will stay.

Only just above relegation are Albany Creek and Darra. For Albany Creek this must be their "social" team, judging by results. Darra's position is comparable to that of their senior team in Division three.

Next week Division 4 and 7.

This Divisional review will not concentrate heavily on Divisions containing teams that are the third, fourth or even fifth teams within clubs.

The main emphasis will be on clubs' first teams, irrespective of division, to assess their future: promotion or?

ROAD TO BARCELONA

The Australian soccer team's Barcelona campaign has come to a temporary halt, with the Socceroos touring the Americas, with some Olympians taking part.

On recent performances, particularly the match against the USA, the "younger" players will certainly not be outclassed.

Did you know that Australia is one of only three nations to participate in each of the Modern Olympics?

Our soccer team will be enjoying only their third Olympic outing, but certainly will be leaving an impression, judging by international media reaction to their match in Holland.

As soon as the Socceroos return from their American tour, squad training will get under way in earnest for the Olyroos, with their first match taking place in Sabadell against Ghana on July 26.

While their first-up opposition has been touted as a medal chance, don't ignore Mexico. They are now coached by former Argentine chief, Luis Cesar Menotti. Remember him from the World Cup in '86?

Whatever and whoever our Olympic soccer team play, they should suffer no inferiority complexes whatsoever. Our recent results at both Olympic and Socceroo level have seen to that.

LAW 18 EXPLAINED

In any match, throw-ins can herald as loud a chorus from the players and spectators as the claims for off-side. This law (Law 18) is similarly misunderstood.

Reasonable tolerance has to be exercised regarding the position from which a throw is taken. It pays for the referee or linesman to give clear indication where doubt might exist. A few feet either way is not significant; five yards out of place needs correction.

Always try - by hand, verbal or whistle signal - to get the thrower into the correct position before he takes it. It saves problems. In positioning him, allow for a probable run-up.

If he then starts wandering up the line with the ball, call him back to the correct position. If he uses an exaggerated run-up taking him yards up the pitch from where you have indicated, award a foul throw.

Although it is difficult to explain, everybody understands what a conventional throw-in looks like, and this is what all concerned ought to see.

There is no need for the player to bend back double so as to deliver the ball from behind his head. If the centre-point of the ball starts from substantially behind the plane of the centre-point of the head for a short throw, that is good enough.

It is quite permissible to throw the ball almost vertically down into the field of play so long as the action started from behind the head.

Great mystique surrounds the one-handed throw. Some people get very excited about it. The Law says "both hands shall be used" but does not decree with equal force or effect. In truth a throw with one hand from "behind and over the head" cannot be performed except by a contortionist and so the advantageous effect of a throw taken with apparently unequal hand action is limited.

Disabled players should in general be given every encouragement to participate in our sport, but, unless it were a game played entirely or mainly by the disabled when concessions would be made, it would not be proper to allow a lone one-limbed player in a side to take throw-ins. Should that player have a functional artificial arm that enables a conventional throwing action to be made, he should be allowed to take throw-ins.

WORLD CUP SOCCER

For the first time in Italian soccer, a club completed the 34-match first division program undefeated. AC Milan, in winning the title, had a rather unique last-match result. Down 1-2 at half-time to Foggia, they scored a staggering seven goals in the second half to win 8-2. A score such as this is truly amazing for Italian football. Meanwhile, their city rivals, Inter (Nazionale) have failed to qualify for European football for the first time since 1975.

Still in Italy, top Sampdoria striker, Gianluca Vialli, is moving to Juventus for a combined transfer deal said to be around \$26 million. He will be joined there by English international David Platt, whose previous club Bari was relegated from the Italian first division. Moving the other way is Nottingham Forest's Des Walker. Sampdoria have just signed him on a two-year \$7.2 million contract.

Switzerland: The first division championship in Switzerland was won by Sion, which is the first time the club has won this honour in its 83-year history.

England: Property millionaire, Michael Knighton, (remember him?), who made an extravagant bid to buy Manchester United three years ago, has bought Carlisle United, the club who finished the 1992 season at the bottom of Division 4.

Rob Jones, Liverpool's brilliant young fullback, was ruled out on medical grounds, from the England side for the European Championships in Sweden this month. Jones, who was bought from fourth division Crewe Alexandra, made such an impact for Liverpool that England manager Graham Taylor selected him for his full England debut against France in February.

Portugal: Former England manager Bobby Robson has signed a two-year contract to coach Sporting Lisbon. He is expected to take up duties in July. Robson was previously with PSV Eindhoven, who he took to the Dutch Championship for two successive seasons. He was inexplicably sacked for his side's failure to perform well in the European Cup.

THROUGHOUT THE STATE

BUDERIM BLOW THEIR CHANCE

Buderim lost their chance to grab top spot on the Sunshine Coast soccer table when they were held to a 1-all draw by the improving Maroochydhore.

Buderim took the lead early, with a Jason Dunn goal, but were soon back on even terms when Matthew Burston scored for Maroochydhore. Maroochydhore had the better of the game for most of the second half but failed to net, leaving the teams to share the points.

Beegees and Noosa played out a tough draw in a game which the high-flying Greens would have expected to win comfortably. The final score: 1-1.

Woombye and Coolum also played a draw, this one 2-2. Coolum took the lead in the 15th minute when Adrian Wandenhurk cleverly chipped the keeper. David Currie equalised for Woombye within a minute when he lofted the ball into the net. Currie then gave Woombye the lead, 20 minutes after the break with a well placed shot. Coolum came back and levelled with a close-range goal from Mike Bruce.

Caloundra kept within reach of the leaders with a convincing, 3-0 win over Nambour. Ken Neill opened the scoring for Caloundra 15 minutes into the game when he headed home a great cross from

David Marcon. Early in the second half, Grant Donaldson made it 2-0 for his team when he slotted the ball past the keeper after a great run from 30 metres out. A quickly taken free kick, 10 minutes later, saw Andrew Pitcher take the opposition by surprise, running down the right-hand side to latch on to the kick, to cross for Gavin Perkins to have the final touch into goal. David Marcon missed a penalty towards the end of the game but the 3-0 win was a true indication of Caloundra's dominance.

Probably the biggest surprise of the weekend was Kawana's hard fought win over the lowly Maleny. Maleny had been hammered 12-0 the previous weekend by Beegees and showed a great deal of courage to contain the tough Kawana team. Although Maleny went down 4-0, Kawana had to pull out all stops to get the goals.

EASTS REGAIN LEAD

Easts regained the South Burnett Soccer League first division lead with a narrow 1-0 win over Wests in a quality encounter at Kingaroy last weekend.

Easts' victory recaptured the spot they last held in Round 3.

Wests were caught without three Southwest Zone players, due to the State Championships, and Thomas Sidney, who was suspended.

But they put in a sterling performance to hold a full-strength Eastern Redbacks to just one goal.

With Easts' firepower dominant, Wests defensive effort was their best of the season.

Scores: Easts 1 (W Broderick) d Wests 0.

Nanango leapt two places from the bottom of the first division ladder, with a decisive 3-1 win over recent big-match performers Murgon.

The Blues' return to form, again stresses the closeness of this com-

petition and augurs well for exciting football each week.

The match was in the balance at 0-0 at half time, with Nanango's switch of speedy Paul Reball to second sweeper, allowing Geoff Walters to play forward to good effect.

Scores: Nanango 3 (G McAllan Browne, Walters, M Halliday) d Murgon 1 (Mitchell)

DOON VILLA DOIN' GREAT

Doon Villa muscled their way into outright top position in the Central Queensland Soccer League, with a solid 3-1 win over a very physical Clinton side in Maryborough last weekend.

The Magpies are now one point clear of Rockhampton's Berserker, who moved to second spot with a nail-biting 1-0 victory over Across The Waves in Bundaberg.

Aston Villa, who were level with the Magpies before this weekend, were held to a 1-1 draw by Bluebirds and drop to third.

The Magpies were on the scoreboard just minutes into the game, after Greg Caulley was brought down in the penalty area, with only the keeper to beat.

Referee Doolan had no hesitation in pointing to the spot and Colin Bassett made no mistake with the penalty kick.

Minutes later, Clinton could have had the equaliser but for Villa keeper Paul Johnson's brilliant save from close range.

Villa kept up the pressure with the irrepressible Caulley giving the Clinton defence all sorts of headaches. Clinton looked dangerous on occasions but the Magpies dominated possession and always looked likely to increase their lead.

They hit the upright twice and

there were several near misses. But the score remained 1-0 to Villa at half-time. After the break, the Magpies continued to attack the Clinton goal but the visitors were still full of running and determined to make a game of it.

The defence held for 15 minutes until Kim Biggs made a great run down the left and neatly crossed to Mark Prove at the far post. Prove side-footed past the stranded Clinton keeper from close range to make the score 2-0.

Villa then scored one of their best goals of the season. Caulley made a dummy run to open a gap for Prove to push a through ball behind the Clinton defence. Caulley checked back, ran on to the ball and gave the keeper no chance with a 10m drive into the back of the net.

Clinton came back and with 30 seconds remaining, and Stuart Dundas netted after a goalmouth scramble.

For the Magpies, Caulley was in top form with back four Eddie Berry, Peter Robbins, Tony Prove and Dion Anderson very solid in defence and constructive in attack.

Youngster Darren Barwick is growing in confidence with every game and at times showed considerable skill with the ball to turn the Clinton defence inside out.

FAR NORTH TEAMS DOMINATE

Far North teams dominated proceedings last weekend, winning three out of four matches against teams from North Queensland at Townsville.

Leichhardt beat Brothers 3-2; Mareeba defeated Wulguru 1-0; Edge Hill drew with Olympics then lost on a penalty shoot out. Stratford scored in the final six seconds of the game to beat Burdekin.

The next round will be on July 4, where the Far North sides play each other, in their respective centres. These games will decide the clubs to play in the finals in Townsville on July 18.

HIGH HOPES FOR F.N.Q.

Far North officials have high hopes for the home side when it contests the Under 14 State Titles in Cairns next week.

Coach is Sil Cancellior; Assistant coach is Mike Sullivan; and Manager is Paul McWhinney.

Under 14 team: Brendan Coleman, Nathan Willis, Mark Cini (Boogan); Hardy Sattler, Brendan Nash, Paul Cancellior, (Edge Hill); Lance Milne, Jason McWhinney, Ida Kakee (Marlin Coast Rangers); Anthony Emme, Glenn Hurney, Christopher White (Tully); Ben Gundrum, Nicholas Baumgart, Hardy Sattler (Stratford); Peter Battistin (Dimbulah).

Stepping up from division three to the XXXX League is a big ask of a player, yet DENNY WHITFIELD from Eastern Suburbs is starting to get a grip on the big-time. His goal against Grange Thistle was a great confidence-booster, and if he can follow the example of the "Master" himself, STEVE PERRY, the young lad could go far in the game.

Some interesting player club switches with Markos Pavlakis now at Olympic, Danny Cox at Mitchelton and Michael Makridakis moving on to Lutwyche.

Brisbane City's 2-0 defeat by Lutwyche was made even harder to take with the goals being scored by former City players Scott Backley and John Figliano.

Within hours of returning from an overseas trip, Brisbane United coach Miron Bleiberg was back on the job, taking in the Brisbane City versus Lutwyche game last Saturday night.

Next weekend's XXXX League matches have a double meaning. The clubs will still be playing for points in the Premiership race, but the Round 14 fixture is also designated as the Club's second match in the qualification for a Semi-Final berth in the Qld Cup.

Much publicity was given in the electronic and print media last week, to the alleged bad behaviour of English supporters in Sweden. This once again, was a one-sided view, a little publicised fact was the German FA were already fined 3,000 Swiss Francs for the behaviour of their supporters at the Germany v CIS match two days prior.

Next weekend sees two more XXXX teams playing a fixture on the Sunshine Coast where the local Association, being a very progressive one, is doing their utmost to promote the game. Saturday night at Kawana with Grange playing Taringa.

From page 11

Almost by definition a ball cannot be legally thrown by a running player, since two feet would never be on the ground. The run-up is always terminated and the body's momentum is transferred to the arms and then the ball. Ensure that those throwing with a dragging toe really scrape the toe along the ground.

Arguable foot-faults are penalised with discretion. Obvious infringements must be ruled as a foul throw.

The throw-in presents the occasional opportunity to gain retribution on an opponent by throwing the ball at the opponent with undue force, yet with a perfectly legal throwing action. Treat this either as ungentlemanly conduct or violent conduct.
