Editorial SOCCER at the EKKA

When you visit the Ekka, head straight for the SOCCER STAND in the Industrial pavilion.

Utilizing the resources of the Brisbane North and Southern Junior Associations and the profile of Brisbane United, soccer will present a quality range of merchandise and an activity in which you can all participate.

This innovative move is designed to present soccer to the estimated one million-plus visitors, expected to pass the stand in the 10-day period.

There are some great items available, so be quick and support soccer at the Ekka.

It is a project worthy of the support of all associated with the code.

Letters to The Editor

Dear Editor,

Congratulations to most of the referees for their approach to stamping out bad language, which is so unnecessary.

But why don't the rest of the referees join in. All be consistent, then you (the refs) will be winners in '92. We, the spectators, would like nothing better!!!

At present, some players are not even penalised and they are heard loud and clear by supporters.

Come on refs. All pull together and be winners. It can only help soccer.

Yours in sport,
(Mrs) Marie Rogers OAM

Dear Editor,

There was a notice sent to clubs regarding "cycle pants" worn under players shorts.

At most games I have attended, there is at least one player wearing them.

Maybe the refs are too busy trying to stamp out the bad language, but if this is a rule from QSF, the refs should attack it too.

Yours in sport,
(Mrs) Marie Rogers OAM

ED'S NOTE: The actual rule comes from FIFA to all governing bodies and states in part that "Cycling shorts may be worn under football shorts, however they must be the same colour as the playing shorts and must not extend further than the top of the knee".

The Week in Review - Round 17

Taringa Rovers 0 V Rochedale Rovers 2

Half Time: 0-2

Scorers: J. Playle, R. Stewart

Most of the play, and all of the honours went to the Rovers from Rochedale, with Taringa not being hungry enough on the night to score. Justin Playle, in only his second match for Rochedale, tapped home after sterling lead-up by Kieren Galloway, while Russell Stewart's 35 metre net-bulger left everyone gasping, not least of all Taringa keeper Tatton.

Taringa did enough to suggest they might score, but alas, the killer touch wasn't there. However their semi hopes remain high. As for Rochedale, they will keep all other teams yet to play them, very watchful.

Lutwyche United 1 V Eastern Suburbs 1

Half Time: 0-1

Scorers: Lutwyche, P. McFadden;
Eastern Suburbs, G. Knowles

A not terribly inspiring match, with the final result being testament to the teams' standing and even possibly their aspirations. Easts deserved their early lead as Graeme Knowles' well-judged lob over the advancing Bellino finished off an accurate cross from Denny Whitfield. Whitfield was stretched off later with a suspected leg break, but fortunately it was later diagnosed as severe bruising and ligament damage. McFadden's first goal for Lutwyche was almost a consolation, as his team's striking capabilities on the night were found distinctly wanting. The subsequent draw, does not help either team on the table.

Mt Gravatt V Grange Thistle

One of the many matches on this wet week-end to fall foul of the weather, and as both the linemarkers and goal nets were found floating at Dittmer Park, the referee decided to keep his whistle dry and stay home instead. The teams' laundry ladies were probably delighted.

Brisbane Croatia 0 V Brisbane City 1

Half Time: 0-1

Scorer: M. Battistin

The adage of not stopping until the whistle blows was never truer than in this match, where 12th-placed City took on first-placed Croatia. The co-leaders were rocked by the first-half goal from City's leading scorer, Mark Battistin, and try as they might, no impression was made on the Brisbane City defence.

With only five rounds left to play, every match is now a grand final for City, and if they are going out, they are going out fighting. Brisbane Croatia, meantime, have suffered a setback, it will be interesting to see their reaction in coming matches.

Coalstars 0 V Brisbane Lions 1

Half Time: 0-0

Scorer: own goal

Own goals and Coalstars have an affinity with each other. This is the third time this season that an O.G. has controlled their fate. On this occasion it was as late (again) as the 86th minute that determined if the points were shared or not.

Coalstars probably had 60 per cent of possession and were unable to score. This was the legacy of their player suspensions from last week. Brisbane Lions have now edged into the five, but it certainly was not a convincing performance.

North Star 2 V Pine Rivers 0

Half Time: 0-0

Scorers: J. McDonagh (Pen), L. Scriggins

North Star stay level at the top of the table after this win with Supermac scoring from the spot and Lee Scriggins putting away the other second-half goal. This was Scriggins' first goal since the beginning of May, and the collective sighs of relief around O'Callaghan Park were quite audible.

Pine Rivers tried hard, but not hard enough and this result leaves them poised just outside the five.

COMMENT

In what would have to be the tightest and most unpredictable XXXX League for many seasons, it is quite apparent that no team is safe in any position. The premiership is far from being determined. The composition of the five is most uncertain, even the relegation positions are still not completely confirmed.

This is the stage of the season where coaches are thankful for the depth of competent players in lower grades and (if they are lucky) good individual player discipline, with few suspensions.

BRISBANE NORTH

The Director of Coaching Mike Mulvey currently rests in a hospital bed at the Royal Brisbane Hospital. He has a broken leg. We all wish you well Mike and trust that you are back on deck very shortly. This will be a good time for you to learn to cook some very traditional food for Pieta. Go for it Mike.

The biggest news around at the moment is the show stand. Or in other words the big Ekka Stand. Clubs have been asked to provide names of people who are prepared to assist with the show stand.

Are you available! Well if you are please let your Club Secretary know as quickly as possible. There are some advantages in assisting with this project.

The season has reached that point where transfers are off the agenda. Well unless you can convince some people that there is some extenuating circumstances. Well there you go, and do not for get that once you have

transferred from one grade to another now requires you to play the correct number of games. Make sure that you do so that your team does not lose points.

One of the more difficult aspects of the game is when club administrators do not complete all the Association's requirements. Team Managers forget to fill out forms or complete papers. Players and team Captains should make sure that all the paper work is done so that all the hard work they put in on the field – is not lost.

Are all your players registered? Well let me tell you a couple of Clubs have players on the field who should not be there. Please get registered.

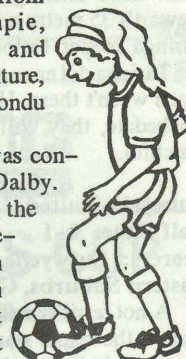

Ben Hutchins has made a fine contribution to Brisbane North Soccer this year. As well as making himself available with the Under 16's at Bundaberg he managed the Under 13's at Kingaroy and arranged transport and accommodation for other teams. On behalf of all those people who benefitted from your work Ben, a big thank you.

BRISBANE SOUTH

On Sunday July 19 and under sunny skies, Southside Eagles ran their second carnival for the season. Twenty-six teams competed on the day in Under 8, 10 and 12 age groups. The carnival was sponsored by Coca-Cola and 80% of the teams were from country areas. Gympie, Dalby, South Burnett and Stanthorpe joined Caboolture, Loganholme and Mooroondu for an enjoyable day.

The Under 8 final was contested by Gympie and Dalby. A very tight contest saw the teams produce a drawn result at full time. With extra time and equal on corners, a result was not to be and the final result ended in both teams being declared joint winners.

The Under 10 final saw our local Loganholme team defeat a determined South

Burnett side 3-0. The Under 12 final then went to country versus country in Gympie 2 against South Burnett with Gympie finally beating South Burnett 2-1. Trophies were presented by Club Patron, Mr David Jull, Federal shadow minister for Tourism and Aviation at the completion of the day. The Club ran a cake stall and were able to sell some of their club badges, caps and glasses as well as goods from their well stocked canteen.

COMMONWEALTH BANK CUP

Mt Maria Junior College crashed their way through three matches in six days to win the

Queensland final of the prestigious Commonwealth Bank Bill Turner Cup at Perry Park last weekend.

Mt Maria overcame Keebra Park State High 3-1 in the final, which preceded last Saturday's XXXX Soccer League double-headers.

The final score did not do justice to the football played, and the incredible enthusiasm of both players and supporters.

Two goals to Ben Winlaw and one to Tom York were sufficient to get the Brisbane team into the national quarter-finals.

The lone goal by Neil Ferguson from Keebra Park was but a scant consolation for the team from the Gold Coast.

Mt Maria now participate in the National quarter-finals where schools from northern New South Wales will figure strongly.

The quarter-finals will be played in early August, while the semi-finals and final will be played on the first weekend in September.

Pine Rivers Soccer Club The Beginnings

It all started in 1967 when Jack Gurteen made it possible for a group of Pine Rivers High School students to have a game of soccer. Then, through a mate at work, he arranged a game with Redcliffe under 14's, Pine Rivers won 5-3. Shortly after, a group of kids from Lawnton State School were knocking on Jack's door wanting him to get them a game. This he did, with a game against Zillmere (North Stars) under 12's, which they lost 16-0. The important aspect here was that soccer had started now in Pine Rivers, and the following year we fielded four teams in juniors, when they played on the oval that is now our main pitch.

The seniors started the following year in 1968. They trained and played at Gympie Road, Strathpine using the lights from the Strathpine Railway Station. They had to move when the Pine Rivers Council built its new offices, and this is when we obtained a lease on Wendy Allison Park.

The seniors didn't start off too well and lost 11-1 to Annerley, but within two years won our first promotion.

In 1980 Ian Steele was made our first Director of Coaching, and from then, the junior talent of the

club was given the best possible coaching and the juniors were given every chance to prove themselves in the senior grades. When Dave Scriggins arrived, the Club continued this tradition, and was successful in getting the senior team in a hungry mood for success.

Then Bobby Hamilton came from Brisbane City, and he demanded a professionalism not seen before at Pine Rivers, and it was with this approach that Bobby was able to steer Pine Rivers to the XXXX League.

In 1979, Netball became a part of our Club and, like soccer, this sport has gone from 6 teams to over 20 within our structure.

Pine Rivers United Sports Club would like to thank the following people, who are still active within the club: Jack and Kit Gurteen, John Savage, Brian and Desley Griffin, Lance and Helen Siedofsky, the Cartwright, Chambers, Thorburn and Parker families. The Club is indebted to the energy shown by these people over the last decade. To netballers Sandra Carlson, Judy Swepson and Gwenda Beale we thank you for your continuing contributions, and thanks go to the support of the Pine Rivers Council and our No. 1 sup-

Road to Barcelona

SEVEN TO TELECAST SOCCER

As reported in this column previously, the Seven Network will be providing saturation coverage of the Olympic Games, but little soccer. However, the good news just to hand is that soccer will now receive a higher profile on Australian television, due in part to the huge response to the Seven Network hierarchy from the game's followers and administrators.

Channel Seven Brisbane sportscaster Peter Meares has been asked to call soccer in Barcelona, and sought some in-depth background material from the QSF before heading off to Spain.

The office of the QSF was only too delighted to fax the material to Peter at short notice, in order to make him more fully acquainted with our players. It is understood that Peter, in conjunction with Craig Johnston, will be calling all soccer telecasts, something that he has not been involved in for quite a number of years. But it does appear that soccer now will be receiving a higher profile on television.

The Australian Olympic team continued its strong build-up to the Games with a convincing 4-0 win over leading German First

Division side Borussia Dortmund. This is the club that skipper Ned Zelic will join at the start of the next European season, and it gave the Aussies a good hit-out before meeting up with the rest of the Australian Olympians in Spain. In order to give all of his squad a sufficient warm-up, Eddie Thomson had also arranged for one final trial against newly promoted French First Division club, Valenciennes. This finalised their warm-up matches, and from this point forward it will be all tactics, with time to enable all players to get over any niggling injuries.

One other Australian who will be in Barcelona for the Olympic Games, AND on the soccer field, is ASRF official Gordon Dunster from Canberra. Gordon will be the Oceania region representative as a FIFA linesman. He appears certain to be appointed to at least two matches. Performances will then determine how far he goes. His participation in any finals will depend on the Aussies' continuation and success. Ironically, if the Australians succeed, Gordon Dunster's participation will cease. Gordon has been seen in Brisbane on at least two occasions in the past NSL season, refereeing Brisbane United games at Perry Park.

GERMANY

Bayern Munich, famous for signing class players and then loaning them to other clubs, has just signed international sweeper Thomas Helmer from Borussia Dortmund, which in turn has left the way open for Ned Zelic to cement a spot in the new season. Incidentally, after Dortmund had sold Helmer, their coach went to Utrecht to watch the Dutch sweeper in the Olympic qualifying match against Australia. At the end of the game he expressed more interest in Zelic. The rest, as they say, is history.

ENGLAND

Another player on the move from the same Olympic qualifying match, is Arthur Newman, the midfielder from Twente Enschede. Manchester City were watching the Dutch Olympic side in action, and were suitably impressed with him. Next stop, Maine Road.

USA

The final in the 1994 World Cup has been allocated to the famous Rose Bowl in Pasadena. When excitement reaches fever pitch in the final and all at the stadium are jumping and cheering, not all tremors may be people-induced. Pasadena is only 3km outside Los Angeles, which again felt the shakes from earthquakes last week.

GREECE

Former Yugoslavia national team coach Ivica Osim has signed a three-year contract with top club, Panathinaikos. If he is successful in transposing the fluent style of football so well known and played by Yugoslavia, before their FIFA-induced international withdrawals, to his new club, this can only be good news for Aussies Chris Kalantzis and Lou Hristodoulou.

ITALY

After their relative failure in last season's Series A, Fiorentina are leaving no stone unturned in their bid to make an impact on the new season. Their latest signing for a reputed \$7 million is Danish star Brian Laudrup. The news was not well received by European Cup champions Barcelona. They had hoped to entice him to Spain to link up with brother Michael.

ENGLAND

Tottenham Hotspur fans will get the chance to see their favourite son, Gary Lineker, once more in the famous 'Spurs strip when he plays in a testimonial for skipper Gary Mabbutt. The hoped-for opposition is expected to be either of the Glasgow giants, Celtic or Rangers. Mabbutt has been with the London club for 10 years, and is currently recovering from an operation on a knee injury sustained in the last fixture of last season.

INDIA

An expert in one round-ball game is about to turn his attentions to another. Cricketing all-rounder Kapil Dev, has just announced he is taking up soccer with a leading club in his country. He says he has always had a passion for the game, and his interest may help to popularise the game throughout India.

A total of only seven goals in Division I this week, proves how tight the battle is for semi-finals positions in Brisbane women's soccer.

Tiwiwarrin and Wynnum played a 1-1 draw last Wednesday night. Brisbane City were more successful against Tiwi on Sunday, defeating them 3-0. At Maramba Stadium, Wynnum, the fortunes went the way of Eastern Suburbs 2-0. In the only other Division I match played on Sunday, Lions and Newmarket drew 0-0. Acacia Ridge will play their deferred game against Coalstars on August 5, and Easts and Coalstars will play their deferred game next Monday evening, July 27. Coalstars have had three players on duty with the Queensland Junior team at the National Championships in South Australia.

The Queensland Youth squad were successful against Lions last Wednesday 4-1.

CALOUNDRA TOO STRONG

Caloundra maintained their unbeaten record with a hard-fought 1-0 victory over Buderim in Sunshine Coast women's fixtures last weekend.

The competition leaders had trouble breaking through the re-vamped Buderim back line and when they did, keeper Amanda Semmler pulled off some great saves. Caloundra eventually scored when Karen Stacey managed to beat the defence and the keeper.

Kawana proved too strong for an injury-plagued Coolum and ran out comfortable winners 4-0. Kelly

Bishop netted twice with Glenda Cobby scoring one and the other being an own goal. Tina Ensby scored for Coolum. Alita Crosbie, in the Coolum defence, produced some determined opposition for the Kawana attackers. Beegees ran riot over newcomers Caboolture to record an 8-0 win.

OWN GOAL SINKS KINGAROY

A fifth-minute own goal cost Kingaroy women dearly in their match against league leaders Murgon at Murgon last weekend.

Murgon got home 2-1 on the strength of an ill-fated touch by Natalie Padget during a goal-mouth scramble. With Kingaroy matching Murgon's determined and passing football, persistent Lynelle Hawn poked a goal through Vicki Grant and keeper Therese Bolger for an 11th minute equaliser.

Two minutes later Sally Woods produced an individual finish when

under pressure she managed to goal, despite turning blind.

Kingaroy have Tessman to thank for two fine second-half, diving saves off Nadine Bolger and Sally Woods. They should also thank Kym Lavaring, Sharon Lucas, Katie Frawley and Padget for turning the relentless Murgon tide during the second half.

Women's Soccer

In Division II, Souths and Brisbane were trying to break their deadlock, but it seems neither team was prepared to concede a goal. The game ended in a 0-0 draw. Meanwhile, North Star got up 3-1 against Pine Rivers, who were down to nine players.

Division III games at Geebung were also very close with North Star going down 0-1 to Margate, and Queensland Uni and Mt Gravatt drawing 1-1.

QUEENSLAND JUNIORS

The Queensland Junior team finished a creditable third at the recent National Titles.

Five Queenslanders were named in the National Talent Identification Squad.

Divisional Review

The heavy rain encountered last weekend played havoc with matches in a number of Divisions, to the extent that many teams are now in, what could be considered, false positions on the table.

DIVISION 2

Inala now lead this table with both the Ridge and Willowburn being match-less, and moving downwards slightly. Six Clubs are still contesting both promotion and the top five, with St Helen's surprise loss to the other Saints pegging them back and allowing Nerang to come closer.

The middle bracket of Olympic, Slacks Creek and The Gap, now probably will only alter with each club changing with another, whilst the bottom is now quite tense.

Mitchelton appear stranded, but Newmarket and St Albans are making a real go of it.

DIVISION 3

By virtue of the rain postponed program this Division has positions relatively false at the top, as well as in the middle.

Beenleigh are four points clear of water-logged Souths with an incredibly compacted middle from Annerley (3rd) down to Latrobe (7th) with the latter club now two games in arrears. This will have a definite bearing on the finals' make-up, when they are re-scheduled next month.

The bottom is no clearer, honours were even between Samford and Redcliffe, with Darra now only one point ahead. A tense time is ahead for these clubs.

DIVISION 4

Both leaders drew last weekend, so no change at the top, Pine Hills look as if they have 3rd place to themselves, but look what follows.

Clairvaux, Moggill, Virginia, Kenmore (all 25 points) and Brighton (24 points), this weekend could see big changes, as most teams either play each other, or ones just ahead of them.

North Pine and the 'Eagles clash this weekend in what could be termed do-or-die, the loser probably saying farewell to this Division.

DIVISION 5

The rain last weekend robbed Ipswich of an early celebration, they will have to be patient now for yet another week, and their match this weekend against the Federation's oldest club, may give the answer. Dinmore, on paper, are virtually out, but pride is a great motivator.

Third placed Western Suburbs will not have an easy match against Toowong, who desperately want fourth place. Oxley are also making a big show for a finals berth, and at the same time hoping that Wests will slip.

DIVISION 6

This table is now completely out-of-gear with erst-while leaders Ridge getting completely mixed-up with last weekend's match at Albany Creek. The other Creek now leads by two over consistent Loganholme, with Ridge (two in arrears) now third. University and Beenleigh are vying for fourth and, as they meet this weekend, this may well be resolved by Sunday night.

At the other end, five teams are battling to stay away from the drop, with only Logan City safe from any traumas in this department.

DIVISION 7

The Gap, another "wet" victim, also had to put the bubbly back on ice until this weekend, with Bethania still in there.

Mitchelton and Ipswich look likely for positions 3 and 4, but Salisbury and Souths will, no doubt, keep up the pressure.

Redcliffe, Annerley, Wynnum and Loganholme are playing for their honour only, whilst Oxley and Leichhardt are now stranded.

DIVISION 8

Greenbank are now applying full pressure to Slacks Creek with Round 21 looking likely for the Premiership decider. Wynnum and Clairvaux are still there, with Clairvaux (1 in hand) having a difficult game this weekend against Redlands. In the lower regions, Souths with 2 in hand, will play a part in the destiny of other sides, both high and low, whilst the social Latrobe are really enjoying themselves in this Division.

STRATFORD UTD CLAIM SUNSHINE SILVERWARE

Stratford United pocketed \$2500 and the inaugural Sunshine Television Cup when they outpointed Leichhardt 2-1 in the final at Townsville last weekend.

In the curtain-raiser, Mareeba United surrendered a 1-0 advantage, to go down 4-1 to Mundingburra Olympic.

Next year's competition will operate under the same format and rules, with the finals to be played at Cairns.

Special visitors at the final included Australian Director of Coaching Mike Wells and his Queensland equivalent Jim Selby.

Selby has been invited back to Cairns, to conduct a session with 35 persons who attended a meeting last week to organise a venue for coaches to improve their skills.

Inquiries: Mike Sullivan or Dino Bazarbassis.

The Miss Soccer Quest has been set down for Friday, July 31, at the Flamingo Restaurant in Mossman.

To date, club representatives are Kelly Norwood and Leanne De Favrio (Innisfail), Raleen Anderson (Mossman) and Gayle Jebreen (Mareeba). Leichhardt have yet to finalise their nomination, but Ronelle Little and Louisa Fusi have expressed their interest. The decision will be made at a fund-raising barbecue at Leichhardt on Sunday.

Now that the Sunshine Cup is over, clubs will be concentrating on making the finals series. The points are very close so some exciting and interesting games can be expected in the coming weeks.

BUDERIM CLING TO LEAD

Buderim clung precariously to the top of the Sunshine Coast Heritage League table when they took the points in a tough encounter with Kawana.

The competition pacesetters won 2-0, in a match where the scores did not reflect the relative merits of the two sides.

Despite conceding most of the play early, Buderim took the lead when an unmarked Paul Lees slammed in a cross from close range. Although playing attractive soccer in their build-ups, Kawana failed badly in front of goal and missed two easy opportunities in the first half. Kawana's failure to use much width in the second half made Buderim's job of defending easy. Paul Lees scored Buderim's second goal 10 minutes from full-time.

Beegees proved too strong for Nambour, 4-0, after Nambour sweeper Tony Moore was sent off early in the match. Playing with 10 men against Beegees is hazardous at any time, and by half-time the Greens held a 2-0 lead. They added a further two in the second half. Their goals came from Michael Topfer (2), Shaun DeCourcy and David Payne one each.

Caloundra returned to winning form when they easily beat Maleny, 6-0.

Maleny put up valiant resistance and only allowed Caloundra to score once in the first half, through Grant Donaldson. But the floodgates opened in the second half when David Marcon (2), Matthew Frisby, Matthew Clegg and Grant Donaldson netted.

Maroochydore dropped valuable points when they lost 1-0 to Woombye. Jeff Greaves beat three defenders on a great solo run before slipping the ball past the advancing keeper, to give Woombye a match-winning edge 20 minutes after the break. Maroochydore attacked desperately but the equaliser evaded them.

Coolum and Noosa played out an entertaining 2-2 draw. Noosa lead 2-1 at the break with goals from Carl Harrison and Ray Procopé. Coolum's goal was an own goal. Coolum equalised midway through the second half with a goal from Rod Kriz.

DIVISION 9

Cont. from page 10

With only three Rounds to play, and four postponed fixtures to be re-scheduled, this is a most mixed-up Division.

The only certainty is that South Star, Lions and Mitchelton can enjoy their last few games with absolutely no pressure on them.

DOONVILLA PAY FOR MISSED CHANCES

Doonvilla paid dearly for failing to finish in their clash with Nerimbera in the Central Queensland League last weekend.

Doonvilla played all over the younger, faster Nerimbera side but failed to find the back of the net on too many occasions and had to be content with a 2-2 draw.

Colin Bassett scored first for the Magpies, before Nerimbera hit back with two quick goals. Villa saved some face when they took full advantage of a penalty in the last three minutes to level the scores.

In local soccer, West continued to press their chances for a premiership when they drew 1-1

with the experienced Hervey Bay on a water-logged ground.

Trevor Embrey scored an outstanding goal for West, while Merv Berry scored for the Bay.

Doonvilla humiliated the Tinana Eagles 6-2.

Kieran Clancy and Jason Carvoth were Villa's best, while Shane Weekes was Tinana's standout performer.

Second Division: Wests 2 d Hervey Bay(1) 0; Olympians 6 d Granville 2; Doonvilla(1) 6 d Tinana 2.

Women: Hervey Bay 9 d Olympians(1) 1; Tinana(1) 1 d West 0; Tinana Terrors 2 d Doonvilla 0.

WANDERERS TURN THE TABLES ON LEADERS

Lowly Sportsco Wanderers scored the Mackay season's biggest boilover when they upset competition leaders Lions, 2-1, in their Premier League match at Barbour Park on Sunday.

A goal in the final minutes to debutante Jason Elmore gave the bottom-placed Wanderers their first victory of the season and handed Lions only their second loss for the year.

Wanderers rattled the top team early with a goal 10 minutes into the game. Pita Martinez stole the ball down the left and his cross found Mark Glew unmarked on the far post.

Wanderers held their lead until half-time but faced a barrage of pressure in the second stanza. The pressure paid off for the greens in the form of a controversial equaliser midway through the half. A Wanderers defender looked to be taken out as the ball fell to Josh Ampton who slotted it away amidst a vocal chorus of protests.

Lions looked threatening but

Wanderers defended grimly and were waiting for chances to come against the run of play.

With only minutes remaining, Elmore pressured a Lions defender and charged down the hurried clearance before getting to the ball first and beating goalkeeper Noel Brecknell.

Wanderers' celebrations were soured slightly when Darren Sergeant was sent from the field for doing some of own celebrating in the form of sign language directed towards the Lions supporters and bench.

The other two Premier League matches also ended in upsets with City downing Franklin's Sarina Saints 2-0 and Dempsey Magpies holding Kaldura Rangers to a 0-0 draw.

With Lions going down to Wanderers in the earlier match, Rangers had a golden opportunity to regain the outright lead in the competition. But Magpies took the game right up to Rangers and some good end to end soccer eventuated.

WONDAI'S CLEAN SWEEP

Wondai made a clean sweep at Nanango last weekend, to press their semi-finals claims in all grades.

In first division, Wondai scored a comprehensive 3-0 win over Nanango after being two goals up at half time. They also cleaned up in the seconds 2-1 and the women's match 1-0.

The firsts' victory allowed them to get to within one point of Nanango and Murgon. Although bottom of the ladder they are only seven points shy of leaders Wests

as the run to the finals gets up.

Nanango had no answer to the committed Wondai who needed to make this game a winner before losing the services of Rod McKay for the rest of the season. McKay has been transferred to NSW with his job.

Former National Director of Coaching Eric Worthington has his say on coaches and referees.

Refereeing

with Des Miles

1. Which coaches? The successful coaches.
2. How is a coach's success determined? He wins!!!
3. How does he win? By doing his job well.
4. What is his job?
 - a. To get a good result
 - b. To allow players to express themselves
 - c. To satisfy the spectators.
5. What are the important factors?
 - a. His knowledge of soccer skill
 - b. His behaviour as shown by his personality.
6. The ideal personality is one which is:
 - outgoing
 - dominating
 - stable
 - highly intelligent
 - conscientious
 - realistic
 - practical
 - secure
 - willing to break with tradition
 - decisive and
 - self-sufficient.

Beginner coaches have to play the part or role to become the good coaches.

7. What is their view of referees?
They think that bad officials are those who are:
 - a. Not consistent - by themselves, or among themselves
 - b. Weak in stress positions
 - c. Aggressive towards all players. It is their normal behaviour especially at the start of game
 - d. More concerned with their own image
 - e. Lacking in knowledge about players, perhaps because of their own poverty of experience in playing the game.

They think that good officials are those who:

- a. Do not show any of the above
- b. Are quietly confident
- c. Are aggressive only through the good use of the whistle
- d. Use their voice a lot to keep the game flowing and to talk to players without putting on an aggressive demonstration.

The problem coaches are those who believe and preach that:

- a. Everything is fair that is not detected by the referee
- b. Winning is more important than playing fairly
- c. Games are won and lost more by bad luck and biased referees than skill.
- d. It is more important to prevent the other side playing football (spoilers) than it is to have a fair game.
- e. The physical factor is the dominant one leading to skill.
- f. Players practice and use delaying tactics for re-starts.
- g. They should coach from the line (the shouters).

All should remember that a person's perceptions are highly coloured by his underlying and often obscured beliefs, motivations and attitudes, and his affiliations.

Spectators and coaches see the same incident - but give it a different value.

As far as the laws are concerned, good coaches would like to see the revision of the laws affecting:

1. GK kicking from hand
 - * Defeats own objects of speeding up play
 - * Opponent slows him down
 - * Rolls ball to edge of penalty area
2. Use of yellow cards/cautions

Need to separate the technical type of foul (e.g. dissent of some kinds) from the more brutal personal fouls (e.g. kicking, especially from behind).

Often, the brutal personal fouls are not penalised as heavily as the relatively mild form of dissent.

Into the Net

The recent Leon Wilson Benefit Day at Heath Park was a huge success. More than \$5000 was raised for Leon and his family, and Eastern Suburbs Soccer Club thanks everybody who assisted on the day, and lent personal, tangible and financial support to Leon and his family.

This Saturday, Taringa Rovers are holding an Arts, Crafts and Hobby Fest at their clubhouse. There is an art competition and paintings by such notable artists as George Negus (ABC Correspondent), Sean Leahy (Courier-Mail Cartoonist) and Gerry Collins (ABC Sport) will be sold. Lots of entertainment is guaranteed, with Eric Summons giving some displays of magic during the day.

It's been more than 25 years since soccer fixtures were last played in the main arena of the Exhibition Grounds. But soccer will be back on show at the 1992 Ekka, at least in the Industrial Pavilion. A soccer stall has been set up and will carry a large range of soccer merchandise and memorabilia. Youngsters can also test their skill at a goalkeeping contest. Look for the soccer stall in the Industrial Pavilion.

Rain last weekend washed out about 25 fixtures, which will now make for a busy time with fixture re-scheduling in coming weeks. A lot of players, and their clubs, probably thought they had the second weekend in August free. That will obviously not be the case now. The majority of these matches will be re-scheduled for then, so don't plan a lazy weekend at the Coast.

Former FIFA referee, Des Miles, currently groundsman at Perry Park, donned his running shoes and dusted off the whistle last weekend, to officiate in the Commonwealth Bank Cup final at Perry Park. The official men in black failed to turn up as requested. Fortunately Des was on hand and volunteered to officiate. It's not often schoolboys get to have a FIFA referee blowing the whistle. Mind you, there were a few aches and pains apparent as the Perry Park groundstaff went about their business over the following few days.

There is a slight modification to match times at Heath Park on Sunday, but it's all for a good cause. Eastern Suburbs Soccer Club will name their new tennis complex after a person extremely well known in soccer circles. The "Hazel Millman Courts" naming ceremony will take place between the Reserve Grade and XXXX League matches, and a high honour it is that's accorded to a very worthy person.

DINMORE BUSHRATS will need to call on all 102 years of club history when they host division five runaways IPSWICH CITY on Saturday. The ghosts of games past may well lend a hand, but Bushrats would like living past players and supporters (seniors and juniors) to come along and help them give Ipswich City a local derby to remember. With their visa application half filled out for relegation-land, Bushrats, we hear, will be throwing caution to the wind as they go hard to be the first to topple the division leaders.

The kick-off time trifecta is 2-4-7 at PINE RIVERS on Saturday when the home side meets COALSTARS in the XXXX League. A feast of football, coupled with some goings-on associated with Rivers' 25th Anniversary, should make for a great afternoon.

Far be it for "Into the Net" to promote a commercial product, but with the number of ankle injuries plaguing a lot of teams, a look at a pair of shinguards which also protect the sides and back of the ankle could prove worthwhile. Made in Australia, most sports stores have them in stock.

Great entrant, shame about the Club Secretary's red face. Such could be the case for several clubs who have said "Yes, yes," but are dragging their feet in advising in writing of their sash-wearer in the MISS QUEENSLAND SOCCER QUEST. Closing date is July 31, so to save embarrassment, check if your club's nomination form and photo have been posted to the QSF.

There's an adage which says "The only two things certain in life are death and taxes". BRISBANE CROATIA'S 1-0 loss to BRISBANE CITY adds a third: Defeat by over-confidence. To regard any team as easybeats, even one headed for relegation, is fraught with danger. For such a team, things can't get any worse. With nothing to lose, but a lot of lost pride to retrieve, plus the guiding hand of BOBBY HAMILTON, City took the initiative and came up trumps. The more discipline the Spencer Park Brigade show, the greater likelihood of them causing more upsets before season's end.
