Editorial

Have you ever thought of the State Government as a sponsor.

Well the approach taken by the Department of Sport will have the various sports adopting that concept.

Planning and Accountability - the catch cry of the Department - is a pre-requisite for any sport receiving funding from the State Government.

They rightly see their role as one of a partner and to a degree a sponsor of sport at various levels. And in the same manner as one would have to display a degree of planning and accountability to a corporate sponsor, the same will be a requirement when dealing with the Department.

It makes sense to plan for the future, and in whatever we do, there is always a need to be accountable.

The Department has taken the initiative in establishing eleven Regional Offices in addition to the State Office, to service sport at all levels.

Do not hesitate to contact your Department of Tourism, Sport & Racing, State or Regional Office, to find out exactly what is available to you under the various schemes announced by The Honourable R. J. Gibbs, MLA.

The new guidelines and funding levels come into effect January 1st 1993 and will refer to the full year January 1 - December 31, 1993.

XXXX Soccer League Queensland Cup

The Week in Review
Round 18

QUEENSLAND CUP SEMI - FINALS

North Star 1 v Eastern Suburbs 3

Half-time: 1-2

Scorers: Eastern Suburbs: R. Nicol, P. Makridakis, W. McDermott
North Star: M Brockwell

The joint leaders of the XXXX League started full of enthusiasm and hunger for goals, and opened the scoring in only the sixth minute. Michael Brockwell struck a stunning opening goal for the Stars, and while his team ended up losing the match, he can have the consolation of knowing it was the goal of the game. Easts came back quickly and with only 15 minutes gone were 2-1 in the lead. Captain McDermott's near-post header in the second half sewed up a finals berth for the Tigers, and left North Star with the premiership to be their main priority for this season.

Coalstars 0 v Rochedale Rovers 5

Half-time: 0-1

Scorers: Rochedale Rovers: D. Theochari (2), D. Hillier, K. Cooper, D. Svenson

With only one goal separating the two teams at half-time, and with keeper Ross pulling off some fine saves for the losing team, who could have forecast the second-half avalanche. Three goals were scored in 19 minutes with Darren Hillier being involved in all of them, in what would have to be his best match for the Rovers since returning to Brisbane on loan from Newcastle.

It's difficult to pin-point exactly where, or why, the wheels fell off for Coalstars. One team was just that much more hungry for goals than the other.

COMMENT

If the two finalists can produce this form at the Cup final on August 8, we are in for a treat. This was the best that both teams have played this season. Hopefully they can reproduce the sparkle in two week's time.

XXXX LEAGUE

Grange Thistle 4 v Brisbane City 1

Half-time 0-0

Scorer: Grange Thistle: N. McClure 3, A. Sommerville
Brisbane City: M. Jennison.

The first time Thistle have scored four goals in a match this season came in a last-ditch effort to stay in the XXXX League against fellow strugglers Brisbane City.

While it is still mathematically possible for both teams to be there in '93, from a practical point of view, this match may well be a fore-runner of more in another division next season. What price Brisbane City? Brilliant one week, ordinary the next. Obviously coach Hamilton was not able to wind up his charges two weeks in a row.

Rochedale Rovers 1 v North Star 0

Half-time 0-0

Scorers: Rochedale Rovers: K. Cooper

The League's leading goal-scorer again showed his penchant for the unusual and for the half-chance.

Both sides were prepared to concede the shared points and remain equal first, but that enigma of representative football, "Coops", thought otherwise. He definitely plays his best, and is at his sharpest in club football. He can't quite reproduce it at representative level. North Star weren't without their chances. They were just up against a better marshalled defence on the day. This result now gives the Rovers an outright lead in the table. The chasing pack is getting desperate, but Rovers run-out is, to put it kindly, an easier track than the one facing those doing the chasing.

Pine Rivers 2 v Coalstars 0

Half-time: 1-0

Scorers: Pine Rivers: W. McGauley, M. Greer.

A late goal from lanky defender Mark Greer gave the Rivers a more convincing win than it looked earlier, when Coalstars put up a strong defence to preserve some pride after their mid-week Cup debacle.

It was a result that delighted the local team but left the visitors a little aggrieved, particularly when a penalty claim for hand-ball was turned down at a time when one goal was the difference.

It's the age-old story. When you struggle, the ball doesn't bounce kindly. In Rivers' case they took their chances, and now move back into contention for a semi-final placing.

Brisbane Lions 0 v Mt Gravatt 1

Half-time: 0-1

Scorer: M. Lederhose (pen)

A fourth-minute goal to the Hawks' leading scorer was the difference between these two teams at Richlands. Mt Gravatt's striking power is still insufficient for a confident tilt at the semis, and while Mark Lederhose puts the occasional one away (even penalties) a bit more fire-power will be required. Lions' inconsistent form continues, with the vastly talented squad not making any heavy impressions on any team they encounter these days. Maybe confidence is slipping.

Eastern Suburbs 2 v Taringa Rovers 0

Half-time: 1-0

Scorers: Eastern Suburbs: S. Grodum, R. Nicol

Two well-taken goals, one in each half, brought Easts back into the top half of the table and continued their fine form from the mid-week Cup. The second goal came against the run of play and at a time when Taringa were mounting heavy pressure. This result leaves Taringa still in fourth place, but now it's a tenuous fourth placing with other teams breathing down their neck. Exciting times are indeed ahead for these two sides.

Richard Nicol of Eastern Suburbs (left) and Andrew Brayshaw of Taringa Rovers in last Sunday's match at Heath Park.

Lutwyche United 2 v Brisbane Croatia 2

Half-time: 1-1

Scorers: Lutwyche United: A. Catalano, L. Cucchi

Brisbane Croatia: J. Stipancic, K. Meacock

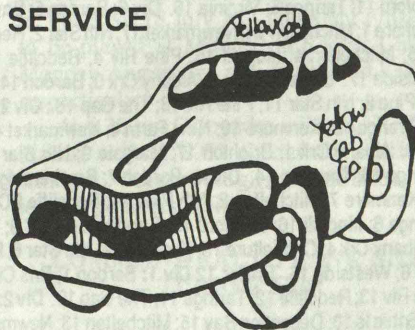

A goal feast at Prentice Park didn't exactly help either side with their progress up the table. The Croatian side dropped to clear third, and Lutwyche remained where they were, in 10th place.

The lead, and impetus, constantly changed throughout the game with Joe Stipancic giving the visitors an early goal, his first in almost two months.

Mistakes were common, such was the importance placed by each side on getting a positive result. While there was no clear winner, it proves that there will be no easy games for any team in the remaining fixtures.

JUNIOR SOCCER

BRISBANE NORTH NAMES 1993 COACHING STAFF

The Brisbane North Junior Soccer representative coaches for 1993 have been selected after lengthy discussions and exhaustive interviews. Only one position remains to be filled. The appointments are as follows.

Under 12: Albert Wiseman, one to be filled; Under 13: David Turner, Alan Waller; Under 14: Terry Wilcomes; Under 15: Ray Mewburn; Under 16: Peter Tokesi.

Managers have yet to be appointed. This matter will be attended to as soon as possible.

Field days for the Under 11's, 12's and 14's were held at the Atlanta Field at Geebung, the headquarters of Women's Soccer Queensland.

All teams using the fields this weekend must warm up **OUTSIDE** the goal areas. There is ample area for team warm-ups and the story that goalkeepers need the goal posts to warm up is a myth. Please assist.

The new strips worn by Brisbane North and South gave people a lot to talk about at all rep venues. Other zones are likely to follow suit.

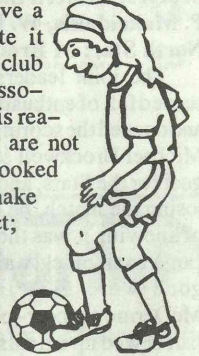

The Under 14's this year learned of the legendary hospitality at Cairns. The TIS was exceptionally well run and well worth the tour for any Zone. The coaches and managers dinner was a quiet affair, well run by host Margaret Corcoran.

Some clubs are incurring amazing electricity bills. Those clubs need to make sure that they are paying the correct tariff for their power. If you have any doubts or are looking for assessments or advice, SEQEB will assist.

Brisbane City 'keeper and fullback got caught when it appeared the ball did not go out of the box after being played by the 'keeper. Poor keeper was penalised and

saved very well. All keepers should make sure that they get the ball out of the box before picking it up for the second time.

There are many people who seem to have a lot to say about referees. There are a couple of things that you can do about complaining. If you have a genuine complaint, write it all down. Then have your club secretary send it to the Association. If the complaint is reasonable and your letters are not abusive then it will be looked at. However, please make sure your facts are correct; that the complaint is within the Laws of the Game; and the complaint can be substantiated. If you want to write to the Association just to let off steam, forget it. One of the good things that could be done is to attend a referee's course. Many will find the experience rewarding.

JUNIOR SOCCER

HAWKES WIN CADBURY SCHWEPPE'S CARNIVAL

Mount Gravatt Hawkes won the final of the Cadbury Schweppes Carnival for the Under 12 age group in a thrilling match against Clairvaux. The carnival catered for the Under 12 first and second division teams and this year was hosted by Clairvaux Junior Soccer Club. The teams, Clairvaux and Mt. Gravatt who are presently jointly sharing the top of the points ladder in competition, played a final at a fast pace with much skill and tenacity displayed by both sides.

Hawkes scored within three minutes and Clairvaux replied in the fifth minute of play. From then on the game never lost its pace until the final whistle with the final score at Mt. Gravatt 3 Clairvaux 1. Probably this game would be one of the most entertaining games seen around Brisbane this season. Many thanks to Clairvaux Soccer Club and their tireless workers for a well run carnival.

The Under 12 field day was held on the 25th July at Annerley and Acacia Ridge. The Under 13 age group will have their day on the 8th August at Lions and Goodna, with the Under 14's on the 22nd August at Kingsridge and Meakin Park. (Logan City Kings.)

All fixtures have now been issued to clubs. Wet weather games from the 18th August will be played on the 9th August unless otherwise notified.

Applications are now being received for coaches for our six representative teams for the 1993 season. These applications will close on the 17th August. Inquiries should be directed to the Secretary on 209 1228.

Under 12, Mt Gravatt Hawkes, winners of the Cadbury Schweppes Carnival,

Brisbane South will be providing workers to man the stall at the exhibition from the 6th August. Anyone who can help please contact Peter Paunovic on 208 5195.

1992 STATE SECONDARY SCHOOLS - Boys Soccer Championship

The Championship was hosted by the Darling Downs School Sport Association in Toowoomba, and the games were played at West Wanderers ground.

This year, due to the Education Department's reshuffle of the Education Regions our number of participating regions dropped from 10 to 9. This dropped again to 8 because Northern region could not find a teacher to look after the team. We therefore ran a competition with two pools of four.

Central Queensland also had difficulties finding teacher officials but managed to find a teacher to act as coach and then asked John Reed the QSF's DOC for that area, to go along as manager. John's input was greatly appreciated.

We were also visited by Jim Selby and Peter Kelly who came up to watch the games and look over the players. Jim was kind enough to accept a late invitation to our Championship Dinner and was prevailed upon to address us there. Jim and Peter also visited the Girls Championship Venue at Coalstars.

At 6.30 pm Caloundra will play Redbank Plains, and at 8.00 Coombaba will play Sandgate. I'm sure the girls would like to have some supporters there.

COMMONWEALTH BANK BILL TURNER CUP

The National Quarter Final of the Commonwealth Bank Bill Turner Cup will be held at Perry Park on Thursday August 13 at 1.00 pm. Kadina SHS will be driving up from the Far North Coast Area of NSW to play Queensland Finalist Mt Maria Junior College. This promises to be a good match and, since it is being played in Exhibition week, we are hoping to get a few spectators along to watch.

Barcelona

After two good warm-up matches, both in results and in style of play, against other Olympic teams, the Aussies lost their opening qualifying match 1-3 to medal favourites Ghana.

Australia defeated Group A side Kuwait 4-2, and Group B's Paraguay 2-0, before the Games started.

Down 0-1 at half-time the Aussies poured forward in the second half to try to equalise, leaving the inevitable holes at the back. Ghana eventually took advantage and with one of their rare breakaways, made it 0-2.

While the score was disappointing, there were many positive things to come out of the match. The Aussies maintained their composure and ball control. Milan Blagojevic and Dominic Longo were a revelation at the back and were always prepared to come forward. However, a couple of unlucky bounces and deflections was all it took for Ghana to assert themselves.

FIFA puts great store in its "fair play" competitions that are conducted in their World events, such as the World Cup and Olympic Games. Already two nations are disqualified from the current one: host country Spain and Colombia. In their bitter Group B match, four players were sent off and a number of cautions issued.

Some heavy tackling throughout the tournament, particularly one potential ankle-breaking double-foot tackle by a Ghana player on Australia's Shaun Murphy, has highlighted what players all over the world already knew. Referees are inconsistent in their application of the Laws of the Game.

It is to be hoped that FIFA'S new crackdown does not make a mockery of the Olympic soccer tournament, as it did with the 1990 World Cup.

On current viewing, it would appear the referees are yet to come to grips with their new directions.

World Soccer

QATAR

Professional soccer is about to become a reality in a country that relies heavily on its oil-based exports. Qatar, through its heavy contacts with Brazil and their coaching techniques, is slowly improving its soccer. You may remember in the 1981 World Youth Cup, Qatar was based in Brisbane and gained local support through wearing a maroon coloured strip. The professional league when it gets under way in the coming season, will have its players paid by the local Federation, and not the clubs! A rather radical move. Somehow, it is not thought this will be an idea copied here in Australia.

ITALY

Another big-money import is about to commence playing in the land of the lire. Romanian International Gheorghe Hagi is about to move from Real Madrid to newly promoted Brescia for a fee believed to be \$9.5 million.

HOLLAND

A former player has just been appointed Manager of his old Club in Rotterdam. William Van Hanegem has just been given the job with Feyenoord, after retiring as a player, nine years ago. He has had some limited experience in the managerial area, having worked as an assistant at a number of clubs prior to his return to Rotterdam.

GERMANY

Another of the Scandinavian heroes has moved on to another European Club, Sweden's Jan Eriksson, who scored two goals in set plays in the recent European Championships, is likely to join Kaiserslautern. He has already had preliminary discussions with the club, and interest is very high from both parties.

JAPAN

A scandal involving the alleged embezzlement of almost \$100,000 is proving an embarrassment to Japanese officials, with less than 12 months to go before the start of a professional league.

The Executive Director of one of the new clubs is accused of taking the money from his local association to invest on the stock market. Publicity such as this is not exactly desirable, when the Japanese officials would prefer to see the household names such as England's Gary Lineker and Brazil's Zico, hogging the headlines for their new clubs.

ENGLAND

Arsenal have just signed Denmark's John Jensen to bolster their, at times, flagging mid-field. Jensen scored Denmark's first goal in the win over Germany in the Euro 92 Final last month, and has played for his country 48 times. He will join up with Sweden's Anders Limpar in a new-look midfield at Highbury.

BRISBANE CITY SLIP INTO SECOND SPOT

Brisbane City moved into second spot behind Coalstars with a 2-0 victory over Eastern Suburbs in First Division women's fixtures last weekend.

Coalstars were successful against Wynnum, also 2-0, to maintain top spot.

East's also had a 1-1 draw with the Under 19s last Wednesday evening, but have regained second spot with a 1-nil win over Coalstars in last Monday nights deferred game.

Acacia Ridge downed Newmarket 4-0 to remain in contention for the final four. In the other match, Brisbane Lions defeated Tiwiwarrin 2-1.

In second division, North Star kept their semi-finals prospects intact with a 1-0 win over second-placed Souths. With only one match remaining in all divisions except Division 1, final four places seem to be pretty much settled.

YOUTH SQUAD

The Youth Squad is shaping up to be a force to be reckoned with in the coming National titles. They are playing extremely well in the

Wednesday night games and getting stronger with each game. The eight country squad members will be coming down to Brisbane for the final game on August 5, followed by a two-day training camp in Brisbane with coach Guenter Pfuhl and State Director of Coaching, Jim Selby. At the end of the camp, the team will be named to compete in Hobart from September 6-12.

WONDAI STRIKE FORM

South Burnett Women's premiers Wondai have hit form at the right time, after an indifferent start to this season.

After their 5-0 whitewash of Kingaroy and Nanango's 1-1 draw with Murgon, the black and yellows are back on top of the League ladder.

Although not at full strength but with Naomi Hockey and Maddonna Hay back to form, the confident Wondai 10 were untroubled by a Kingaroy 10, again missing the services of their only real striker, Annette Somerville and defender Katie Milnes. Both were away with the Wide Bay team to the State Secondary Schools Titles.

In a procession of Wondai goals, started in the sixth minute by comeback player Michelle Woods, Hockey put away two, Hay one and Cathy Geary one.

Murgon sorely missed the goal-scoring services of Vikki Grant and Kate and Rachel Bolger, when they were held to 1-1 at Nanango.

Also missing was Tanya Curtis, who was away at the State Secondary Schoolgirls Titles.

Tammy Steinhardt put Murgon on the score sheet first at the 20th minute but Nanango equalised in the second half through Wendy Trace, who beat the usually dependable Amanda Steinhardt on her way to goal.

CALOUNDRA COAST TO COMFORTABLE VICTORY

Caloundra retained their unbeaten record in Sunshine Coast women's fixtures with a 3-0 win over second-placed Kawana at the

weekend. Cathie Maxworthy scored first early in the game and added the second from the penalty spot. Karen Stacey added the third. Both teams had key players missing, with Sam Hill and Rebecca Maxworthy missing from Caloundra and Christelle Adam and Kelly Bishop out of the Kawana team. All were away with school-girl representative commitments. Despite their loss, Kawana keeper Sandy Kelly and sweeper Lee Nash turned in top efforts and prevented a much higher toll on the scoreboard. Caloundra's stand-in keeper Sharon Rolles also performed well, as did defender Heather Trevan.

Beegees proved too strong for Cooloom, winning 4-1. Vanessa Clancy and Helen DeClara scored two each while Alita Crosbie netted for Cooloom.

The Buderim v Caboolture match was postponed and will be played on Tuesday.

Divisional Review

DIVISION 2

All change at the top, particularly with leader Inala City going down to bottom team Mitchelton. Is it too late for Mitchelton? Their visit to St Albans this weekend will determine that factor.

The Ridge take the lead after a narrow win over Newmarket, who themselves are battling relegation. Then only 1 point separates St Helens, Willowburn, Wynnum and Nerang, and as six into five doesn't go, watch for the fun in the next two weeks. At the bottom, it still isn't over, the Toowoomba Saints, once relegation certainties, are now in 10th, and looking to stay there next year.

DIVISION 3

Beenleigh have now stretched their lead to 6 points with Souths dropping two last week, but they still have a match in hand. The other semi positions are still wide open, even if promotion is now almost out of the question for the chasing pack. Latrobe Valley are now 2 in arrears and could be a surprise runner. Redlands and Capalaba appear safe mid-table with Darra making a big push to get away from the bottom. Samford and Redcliffe look to be in trouble.

DIVISION 4

University of Qld and Albany Creek both drew their matches again, so no stretching of the lead. Pine Hills are coming through with a big burst after a slow start to the year, whereas a lottery virtually takes over the other semi place, with any one of 7 teams still capable. Even North Pine, once favourites for the drop, are now scrambling clear and could (theoretically) claim 4th place. Once proud Eagles are now in serious trouble, their run-out matches are mid-table teams, it is not impossible, but can they lift themselves?

DIVISION 5

Promoted Ipswich City suffered a surprise draw last week in their local derby with Dinmore, and for only the second time this season, they have been held score-less. Goodna are still not certainties for runner-up, whereas semi positions are still up for grabs.

Bayside have fallen by the wayside, with Toowong and Oxley now toughing it out for 4th spot.

A comfortable mid-table group of four look just that, comfortable - while Dinmore look as if (sadly) Division 6 is now beckoning.

DIVISION 6

Postponments in this Division give a false picture, however this time next week, all will be revealed with all matches then having been scheduled. At present Slacks Creek are a comfortable 3 Points over Loganholme with Ridge 1 point away. Either Beenleigh or University will make up the quartet at season's end.

At the bottom, Woodridge continue to claw their way to safety, with Caboolture's postponement now taking on awesome proportions.

DIVISION 7

The Gap continue their scoring spree and have now secured promotion, whilst the Premiership will continue to hang in the balance with Bethania keeping up the pressure. Mitchelton, Ipswich and Salisbury are vying for a top four spot, with the mid-table group determined to make life difficult for them in coming fixtures.

DIVISION 8

Slacks Creek certainly will not have it all their own way in coming weeks, Greenbank are making sure they stay alert, Wynnum and Clairvaux look (at present) to make up the four, with University still a chance. Mind you, Saints and Bethania could also edge in, dependent upon other results. The only certainty in this Division is that Souths, Latrobe, Jimboomba and Beenleigh won't make the four.

DIVISION 9

Mid-week games this week and next, will almost certainly determine the fate of five teams and their respective top-four positions. Taringa (at present) are three in front of North Star (1 to play) with a jam for the other two places. Coalstars with 2 to play look favourites for one place in the four. With only two fixtures to play, (including this weekend) the Premiership, like other positions, is still wide open.

Throughout the State

KAWANA DROP OFF PACE

Kawana dropped out of contention for the Sunshine Coast first division lead when they were well beaten by Woombye at the weekend. Woombye overcame a 0-1, half-time deficit, to cruise to a 3-1 victory with the wind at their backs.

Kawana netted first when Casper Fleming headed a corner into the top of the net, but they squandered too many chances throughout the first half when they had the advantage of the breeze.

Woombye made better use of the conditions with Jeff Greaves cleverly lobbing the keeper to equalise and David Currie putting them in front from close range. Greaves added another goal five minutes from full time. Woombye have now won their last four games.

Buderim scraped home against Caloundra, 2-1. Caloundra took the lead when a bad back-pass beat the Buderim keeper. Buderim struck back when an acrobatic Jeff Haydon scored with a scissors kick. Buderim took the lead with a freak goal, a Jeff Haydon shot hit the

post and bounced wildly a couple of times before crossing the line. Caloundra may have been unlucky when a foul was committed on their striker which appeared well inside the penalty area. The referee judged that the foul was outside the box.

Maroochydore grabbed the points in a dour 1-0 victory over Coolum.

Beegees proved too strong for Maleny, 8-0. Shaun DeCourcy scored four, Michael Topfer two and David Payne and Tony Bright one each.

Noosa took the points 1-0 in a tough match against Nambour.

EASTS REGAIN LEAD IN SOUTH BURNETT

East's burned West's 4-0 in the first division derby at Kingaroy last weekend, to wrest back the South Burnett competition lead yet again.

This is the fifth time this season the lead has changed between these two sides. East's now lead West's by one point.

West's, who were forced to dig deep into their youthful reserves held East's to one goal in a to-and-fro first half, peppered with free kicks. But East's had too much experience and fire-power on the day.

West's keeper Rod Alford was called upon to assist the stretched defence turn back a flood of East's raids, particularly in the second half.

Alford had Chris Baartz to thank for a great off-the-line header save, eight minutes into the second half. Mark Saul at the opposite end had a relatively easy day behind a tight East's defence, as West's had few opportunities. Men-

tion must be made of the fine performance of 14-year-old midfielder Ben Johns for West's. Johns is improving with each game since his return from the State titles.

Scores: East's 4 (Paget 2, Davis, Trace) d West's 0.

In the other first division match of the weekend, Nanango and Murgon played out a 0-0 draw.

MAGPIES SNATCH TROPHY IN PENALTY SHOOTOUT

A jubilant Dempsey Magpies outfit survived a penalty shootout to snatch the Casey Van Eldick soccer trophy from title holders Kaldura Rangers at Lions Park, Mackay, last weekend.

With scores locked at 0-0 after 90 minutes of normal time and 30 minutes of extra time, the sides were forced to the tense shootout to decide the result.

Magpies grabbed the trophy in convincing fashion, 4-1 in the penalty decider.

Both sides had opportunities to seal a victory during the match which was marked by some fine goal keeping and poor finishing.

Despite being six points behind Rangers in the Premier League competition, it was the Black and Whites who created the early chances.

The first came only a minute into the match when a good shot from striker Russell Dovey was denied by keeper Ray Kurtz.

About 10 minutes later the Rangers goalkeeper again thwarted

Magpies when he saved a shot blasted from outside the penalty area by Alan McKerihan.

Throughout the second half, Rangers enjoyed a larger share of possession but Magpies looked threatening when they made their way downfield.

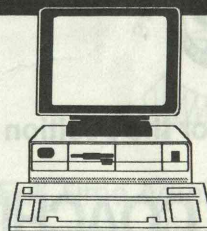

The chances continued right up to full-time with Rangers putting a shot over the crossbar and Magpies forward Eddie Kirwan hitting a shot straight to the keeper, seconds before the end.

Both sides booked their spots in the final with easy wins in their respective semi-final clashes.

Rangers overran Franklin's Sarina Saints 4-0, while Magpies disposed of Sportsco Wanderers 5-0. Wanderers had earlier eliminated Lions from the competition's preliminary rounds with their second upset win over the Greens in two weeks.

The Reds are proving to be a nemesis for Lions, who had been joint favourites with Rangers to take the trophy.

LAWS OF THE GAME

The International Football Association Board has made a number of amendments to the Laws of the Game and the relevant decisions. All the following amendments reproduced below must be enforced as from July 25, 1992. More amendments to the Laws next week.

LAW IV (Players' Equipment)

Present Text: Punishment:

For any infringement of this Law, the player at fault shall be sent off the field of play to adjust his equipment and he shall not return without first reporting to the referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

New Text: - Punishment:

For any infringement of this Law, the player at fault shall be instructed to leave the field of play by the referee, to adjust his equipment or obtain any missing equipment, when the ball next ceases to be in play, unless by then the player has already corrected his equipment. Play shall not be stopped immediately for an infringement of this Law. A player who is instructed to leave the field to adjust his equipment or obtain missing equipment shall not return without first reporting to the referee, who shall satisfy himself that the player's equipment is in order. The player shall only re-enter the game at a moment when the ball has ceased to be in play.

Reason: This change has been introduced to assist referees in the application of the Law.

LAW V (Referees) - Present Text:

e) From the time he enters the field of play, caution any player guilty of misconduct or ungentlemanly behaviour and, if he persists suspend him from further participation in the game. In such cases the referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the

Refereeing

with Des Miles

provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

h) Send off the field of play any player who, in his opinion, is guilty of violent conduct, serious foul play, or the use of foul or abusive language.

New Text:

e) From the time he enters the field of play, caution and show a yellow card to any player guilty of misconduct or ungentlemanly behaviour. In such cases the referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

h) Send off the field of play and show a red card to any player who, in his opinion, is guilty of violent conduct, serious foul play, the use of foul or abusive language or who persists in misconduct after having received a caution.

Reason: It was felt necessary to make a specific reference in the Laws of the Game to the yellow and red cards. Therefore, these cards will be mandatory at all levels.

LAW XII (Fouls and misconduct)

(Insert the following new paragraph prior to the second-last paragraph):

On any occasion when a player deliberately kicks the ball to his own goalkeeper, the goalkeeper is not permitted to touch it with his hands. If, however, the goalkeeper does touch the ball with his hands, he shall be penalised by the award of an indirect free kick to be taken by the opposing team from the place where the infringement occurred, subject to the overriding conditions of Law XIII.

A player shall be...

Reason: This change will help to eliminate common time-wasting tactics.

The Board wishes to add the following explanations:

1. The word "kicks" in the foregoing text refers only to circumstances where a player plays the ball with the foot or feet.
2. Similarly, a deflection with the foot or feet is permitted in circumstances where it is not intentional (involuntary deflection or miskick from a team mate).
3. In situations where the ball is deliberately kicked by a team mate away from the goalkeeper (e.g. to the side of the goal), but with the intention that the goalkeeper may collect it, the spirit of the Law is that this would be regarded as an intentional pass to the goalkeeper. Therefore, if in such situations, the goalkeeper touches the ball with his hands, an indirect free kick must be awarded.

SBS WINS WORLD YOUTH CHAMPIONSHIP RIGHTS

The Australian Soccer Federation's National Organising Committee last week announced that Special Broadcasting Service will be the host broadcaster for the 1993 World Youth Championship in Australia next March.

Under the agreement, SBS will telecast all 32 games of the tournament to an estimated international viewing audience of more than 2 billion.

Some 70 countries are expected to take SBS's exclusive coverage during the three-week tournament for the FIFA/Coca-Cola Cup.

In making the announcement, ASF Chairman John Constantine said: "Furthermore, SBS's long-term commitment to soccer, including their extensive coverage of the World Cup, European Championships and last year's FIFA/Coca-Cola Cup in Portugal, their technical experience and on-camera staff were also major contributing factors in the final decision".

This continues the huge amount of air-time given to the code by SBS who also have the rights to cover the World Cup (until 1998), the European Champion's Cup (until 1994), The European Cup Winner's Cup (until 1994), the FA Cup (until 1994), the Scottish Cup (until 1994), as well as, the top leagues from around the world.

The network also has a firm commitment to Australian soccer with a six-year agreement to cover the Coca-Cola Soccer League and Socceroo games while also working in co-operation with the ASF to organise a series of international tournaments in Australia.

As part of the arrangement, SBS has offered the ABC full regional coverage, free of charge.

Into the Net

Wynnum's lead in the Division 2 Colts was cut sharply last week when they lost away to Willowburn. It probably wasn't the loss that hurt, more the final score of 5-0, a rather comprehensive one which now gives them only a three-point lead over Slacks Creek.

As part of Pine Rivers' 25th year celebrations last weekend, a "golden oldies" match was played between Rivers and Coalstars in which such stalwarts as Alex Cumming and Ian Davis from Coalstars' team of the 1970s appeared. Pine Rivers had several venerable gentlemen appearing for them in Paddy Thorburn, John Savage and Colin Gurteen. It's understood there were a few work absences on Monday and Tuesday . . . something about a "sick" relative.

Most teams are now counting their matches (and points) in the run to finals time. Division 9 has only two fixtures left, which includes this weekend. Five teams are jockeying for the four positions available, with last year's premiers, Rochedale, grimly hanging on.

The range of merchandise for the soccer stall at the Brisbane Exhibition is growing. On sale, will be air-tech Socceroo leisure shirts and lined "bomber" jackets. No matter what the weather is like in the weeks ahead, the "cool" shirts and "warm" jackets are all available in the green and gold.

Soccer is now up and running in an official capacity in Tara, which is approx 200 km west of Toowoomba. Almost 100 youngsters are involved, covering a variety of ages. The Regional Director of Coaching from Toowoomba, Richard Mitchell, has visited schools in the district and reports that the enthusiasm is incredible. They would welcome visits and contacts to keep the flag flying. New President Ron Honeybun on (076) 653 753 is the man to contact. Fixtures will then commence in 1993.

Check with your club secretary, if you have any matches not played from earlier in the season. During the next two weeks, all the earlier season postponements have been rescheduled. Don't miss out.

August is a busy time for the Perry Park ground staff, as it's finals time for most of the schools. Next Wednesday, the ISSA will conduct their semi-finals, and on Friday the Metropolitan Primary Schools will conduct their day-long finals. Ear plugs may be required.

Nothing gets up a Scotman's kilt more than being told he can't go the pace. Such was the case last Friday night. The experts from near and far had the pipers playing the funeral march for GRANGE THISTLE in their homeground encounter with BRISBANE CITY. Mustering some fire in the belly akin to a wee dram or two, the Lanham Park lot did themselves proud as they scored four excellent

goals, with City sending in one right on full-time. Next season may be a case of Division 2 revisited, but it's great to see a big-hearted finish from the XXXX League tailenders.

It was a pride-boosting performance from 11th placed DINMORE BUSHRATS in Division 5, as they held promotion-bound IPSWICH CITY to a 0-0 draw. Can ANNERLEY, ambling along in 10th spot do likewise, or go one better? At 4:30pm, Saturday, we'll all know the answer.

A list of "golden goals" would have to include ALF CATALANO'S 30-metre rocket which left a vapour trail as it slammed home for LUTWYCHE UNITED in their 2-2 draw with BRISBANE CROATIA. A shot like that thrills the fans and inspires a team.

You could have been mistaken for thinking a Division 2 match was about to get under way at the Mt Coot-tha Botanic Gardens, but it was a match of a different kind. Last Saturday, one of INALACITY'S loveliest supporters married the love of her life in a ceremony attended by lots of club members. Best wishes to them both.

Congratulations to the four young players from Metropolitan West who have been chosen to play for Queensland in the National Secondary Schools Titles in Canberra in September. They are TRENT ABLE (Ipswich High), TERRY HENRY and FOTIS SKORDU (both from Sunnybank) and BEN YUELL (Redbank Plains).
