Editorial

No-one is looking forward to next year's FIFA/Coca-Cola World Youth Cup more than Queensland's Sean Cranney and Bradley Ditton.

The young duo are currently in the Youth squad, and short of a loss of form, will be there in March when the action starts.

Hosting the Cup is a real coup for Australian Soccer and the importance of its success can not be overstated.

The profile of Soccer in Australia is now at an all-time high and it is important that we capitalise with the World Youth Cup.

Lang Park has been chosen as Queensland's venue and it would be great to see a rugby league stadium full of soccer supporters.

With the Socceros, the Olyroos and the Joey's succeeding overseas, the pressure is

now firmly on the Youth side to perform at home.

The increased awareness of the Brisbane public towards soccer was no more evident than at the Ekka last week.

Organisers rated the soccer stand as a huge success, with ASF, QSF and Brisbane United merchandise selling well.

Thanks once again to all those involved with the stand.

Finally, there are only two weeks left in a season that has been as close as we have seen in years.

Only North Star are mathematically assured of a finals berth, although something drastic would have to happen to see Croatia and Rochedale miss out.

QANTAS CUP

The Qantas Cup finalists will slug it out at Perry Park on September 2, for a berth in the Cup final on September 16.

This popular lower-division knockout cup is now down to the last four teams, with the quarter-finals played last night after Soccer '92 went to press.

This schedule is:

Wednesday, September 2:
 Both Semi-Finals

Wednesday, September 16:
 Cup Final and 3 v 4 play-off.

Total prize money is \$1800 with the winners to pocket \$900, runners-up \$400, third \$300 and fourth \$200

XXXX Soccer League

The Week in Review
Round 20

Rochedale Rovers 1 v Mt Gravatt 2
Half-Time: 1-0
Scorers: Mt Gravatt - J. Austin, D. Munn
Rochedale Rovers - I. Pedley

With local derby matches, it takes a brave person to predict a result. This match was no different, with positions on the table not meaning a thing.

Leader's Rochedale led 1-0 at the turn-around, but their visitors weren't about to play dead. Despite missing a penalty, the Hawks put away two goals to, once again, put themselves into contention for a semi-final place. Rochedale probably won't have another such tough match in their remaining fixtures. Their problem now is to wait and see if North Star can drop points.

Pine Rivers 4 v Brisbane City 0
Half-Time: 2-0
Scorers: C. Koch 3, W. McGauley

A welcome back to form (and accuracy) saw Clayton Koch put away three goals, to give the Rivers a huge morale boost for their run-in to the finals. That's provided they can still squeeze into the five.

For Brisbane City, these last matches will be used by Bobby Hamilton to "blood" some of his younger brigade from the Colts.

Eastern Suburbs 1 v Coalstars 1
Game not Completed

This match was unfortunately not completed owing to power problems with the floodlighting, which was a pity. Both sides had gone out to attack, and despite it being 1-1 at time of abandonment, the score was always likely to be higher.

The scorers, Stein Grodum and Mark Brusasco, will also be aggrieved, as the goals against their name won't count. This may well provide these two with the impetus to again score, when the match is re-scheduled.

Taringa Rovers 1 v Brisbane Croatia 3
Half-Time: 0-1
Scorers: Brisbane Croatia - R. Vidosic, M. Fehlberg, O.G.
Taringa Rovers - D. Tonel

The Rocklea side are now in second place, on goal-difference, after their convincing win at Speare Park. Their defence, the best in the XXXX League, held firm against a timid and at times shot-shy Taringa attack. Three goals from three sources underlined the strength of Brisbane Croatia. It should be noted that their top two strikers were not among the scorers, which bodes well for their finals' games. For Taringa, they rode their luck against Coalstars the previous week, with an own goal and a deflection; this week they just didn't get any luck, and on their performance - probably didn't deserve any.

Frank Liddell (left) and Radomir Vidosic (Right) of Brisbane Croatia, sandwiching in on Taringa Rovers player Andrew Brayshaw at last Sunday's game at Jack Speare Park.

Brisbane Lions 2 v Grange Thistle 0
Half-Time: 1-0
Scorers: C. Priddy (2)

A not overly convincing performance by Lions, but enough to get them into fourth spot and also to boost morale for their last shot at the finals.

Craig Priddy scored each side of half-time, his first goals since April. Lions will need to be at their very best in this weekend's clash, if they wish to cement their placing. Grange Thistle will do well to emulate neighbour's City, and try-out their younger brigade in preparation for next season's endeavours.

Lutwyche United 2 v North Star 3
Half-Time: 0-2
Scorers: North Star - J. McDonagh, M. Brockwell, K. Swan
Lutwyche United - D. Bender, D. James (Pen)

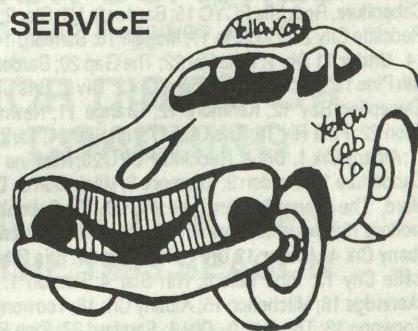

North Star go back to pole position after this win, which very nearly wasn't. Coasting at 2-0, Lutwyche had a remarkable resurgence in the second-half to give the Stars faithful a nervous 45 minutes. Three debut goal-scorers appeared in this match with the penalty taker for Lutwyche, Dave James, and the North Star duo Michael Brockwell and Ken Swan.

North Star now have everything to play for in their last matches, although their final games are not easy ones.

JUNIOR SOCCER

SEASON '92 FINISHING FAST

The Brisbane North junior season is rapidly coming to an end, especially for those who do not make the finals. Wherever your team finishes, it is hoped all juniors have had an enjoyable season. All that is required to make next season a better one, is to muzzle those parents who taunt players and officials.

With representative coaches named, all that remains is for the managers to be announced. Many of the last rep season's managers are in with a chance.

Mike Mulvey is on the mend and we hope to see him back in action soon. Only one off-season Mike, and it's back to the field.

Level 2 coaching courses are now being scheduled. If you have a Level 1 and want to go on to Level 2, call the QSF or write to the BN & D Secretary.

Last week's QJSC quarterly meeting coincided with training sessions for the State

teams. The teams trained well and some players have received letters of congratulation on their inclusion. Congratulations to all those selected and best wishes to those who tried hard but missed out.

As season's end approaches, coaches should remember that all players are under constitutional protection against poaching until December 31. If you as a player are asked to change clubs, or you as a parent are receiving offers from coaches or their representatives before January 1, please let the Association know. Kids should be left alone. Please help us to protect you or your son from poaching coaches.

The reports on the last Talent Identification Series will be debated at the October meeting of the QJSC. Your delegate, City and Country, should be able to canvass suggestions for any improvements on the last Series. It is doubtful if the Bundaberg trip could have been better for some Zone players however. Even so, you may have some suggestion for improvement so let your club secretary know

so that discussion can get under way.

FINALS FORMAT EXPLAINED

The format for the Brisbane South junior semi-final series will begin with the first-placed team playing second, and three playing four.

The winners of 1 v 2 will go straight into the grand final, while the losers will get another chance to crack the final when they meet the winners of 3 v 4. The losers of 3 v 4 will drop out. Under 11-14 finals (first division only) will kick off at Meakin Park (Logan Kings) on Saturday, August 29.

The next finals round on Saturday, September 5, will be played at Maramba Stadium, Wynnum, with the finals on Saturday, September 12, to be played at Rochedale.

The North versus South challenge day for this group will be played on Sunday, September 20, at Pine Rivers.

The finals series for Under 11-14 (Second div and lower) and all Under 10 teams, will begin on September 5 at Capalaba, Mooroondu,

MT MARIA CHARGE INTO BILL TURNER CUP SEMIS

Mt Maria Junior College disposed of Kadina High School 2-0 at Perry Park last week, to secure a place in the national semi-finals of the Commonwealth Bank Bill Turner Cup.

The semi-finals will be played in Newcastle early next month.

Kadina High, from NSW North Coast, were a little unlucky, denting the woodwork twice while the Brisbane side found the net twice.

Both teams played open, attacking football and both defences were under constant pressure.

Mt Maria goalkeeper Simon Duncan rescued his side several times, while Barry Wilkenson, Kevin Dillon and Paul Ciobo worked hard creating chances.

Aaron Aldridge headed in from a free kick in the first half and Marcus Ibell drove in from 25 metres in the second.

For Kadina, Scott Wilson troubled Mt Maria, making long penetrating runs from sweeper in the first half and attacking from the front in the second. He had solid support from Scott Priestly and Craig Rheuben.

YOUNGSTERS HAVE SOME CLOSE CALLS IN SEMIS

Under 15: The youngsters proved to be as closely matched as their older counterparts when they lined up for their semi-finals at Geebung last Sunday. Mt Gravatt scored early and managed to hold out Deception Bay, 1-0. They will now play Brighton in the grand final. Brighton and Coalstars played a 0-0 game and failed to break the deadlock in extra-time. Brighton went on to win a penalty shootout, 3-2. Congratulations and well played, all teams.

Division 5: In the first semi-final, Olympic proved too strong for Mt Gravatt, winning 3-0. The second game was a lot closer with Rochedale edging out Goodna 1-0. Olympic and Rochedale will play the grand final.

Division 4: This preliminary final takes the cake for enthusiastic supporters with two newlyweds leaving their honeymoon beds to support Slacks Creek at an 8.30am match. What dedication! This game went into extra time, with Slacks Creek and Darra scoring a goal each in extra-time to take it to

penalties. Darra got up 4-3 in the shootout. Darra go on to play Kingsridge in the final.

Division 3: Queensland University and Mt Gravatt also ended their game at 0-0. Uni were able to score in extra time, to win 1-0. They will meet premiers Capalaba in the final.

Division 2: At half-time, North Star were down 0-1 to Souths United. However, a well-placed free kick in the second half equalised and extra time didn't produce any goals. It was penalties again and North Star came out winners 3-2. North Star play Brisbane City in the final.

Division 1: A replay of Division 2! Acacia Ridge were down to Coalstars at half time 0-1. Again a free kick equalised the score 1-1 in the second half. Extra-time again didn't produce any goals so penalties were once more the order of the day. Acacia Ridge ran out winners 5-4 on penalties, and will play Eastern Suburbs in the grand final.

Results, semi-finals. Under 15: Mt Gravatt d Deception Bay 1-0; Brighton d Coalstars 0-0 (Pen

3-2). Division 5: Olympic d Mt Gravatt 3-0; Rochedale d Goodna 1-0.

PLAYER OF THE YEAR

A very enjoyable evening was had by more than 200 players and guests at last week's Women's Soccer Player of the Year night at the Pacific Golf Club.

This unique award, where players are judged by their peers and their peers' coaches was a wonderful celebration.

Arthur Watson was his usual jovial self as M.C. and welcomed guests such as Tracy Stockwell from the newly formed Queensland Academy of Sport; Jim Selby, QSF Director of Coaching; Guy Hand, reporter for Queensland Times and Australian Soccer Weekly; along with all the representative coaches and managers.

Two nominees were chosen from Division 2 to Under 15 and one of the two were chosen as most consistent player of their division.

In First Division, 12 nominees were chosen for the prestigious award.

Thanks must go to the members of Women's Soccer Queensland who were on the organising Committee. They were Nola Beahan, Samantha O'Brien and Alison Baker.

Under 15: Nominees - Alysia Ferguson (Mt Gravatt), Leneve Yowyeh (Brighton). Winner: joint winners

Division 5: Sharon Cosgrove (Goonda), Maria Laurito.

Division 4: Simone Roselt (Slacks Creek), Angela Walker.

Division 3: Simone Mills (Beenleigh), Sharon Flaherty.

Division 2: Nominees - Caterina Pulverenti (Brisbane

TAMMY'S TRIP ALL WORTHWHILE

The move from Mackay has certainly been a good one for Coalstars' Tammy Jansen, Women's First Division Soccer's 1992 Player of the Year. Tammy, 25, who works for Telecom, came to live in Brisbane early this year and first signed up for Eastern Suburbs. She soon transferred to Coalstars, who went on to claim the 1992 premiership.

Tammy's representative career for Queensland began in 1988. Along with Donna Fredrickson, she has become an integral part of the State women's team. They were both part of last year's National Titles win, which Tammy says is one of her most memorable soccer experiences.

Tammy was disappointed at not making the Australian Team in 1991, but has set this as her goal for the future.

Tammy is a strong mid-field player and scorer of many of Coalstar's goals this season. Besides soccer, Tammy also enjoys touch football and jogging. She likes most modern music and enjoys relaxing with friends.

Other nominees were: Joanne Millman, Helen Pothecary, Klara Szabo, Angela Van Eyk (Eastern Suburbs); Louise McMurtrie (Brisbane Lions); Susan Clayton (Wynnum); Bryony Duus, Kaylene Janssen, Kim Revell (Coalstars); Kaye O'Sullivan (Brisbane City); Sharon Wass (Acacia Ridge).

DEFENCE DOMINATES COAST CLASH

Defence dominated, as Beegees and Buderim battled out a scoreless draw in Sunshine Coast women's fixtures last weekend.

Buderim's defenders worked well in controlling the fast running Vanessa Clancy with Lisa Hadley, Mary-Jane Allen and Viv Aitken all turning in top games. Beegees' defence was equally sound, with Fiona Langridge, Susy Ruhland and Joanne Forsdike playing well. Buderim's Kylie Claridge ran well up front but was prevented from scoring a couple of times by Beegees keeper, Dawn Wendt.

Kawana proved too strong for Coolum, with striker Kelly Bishop netting all of her team's four goals.

ENGLAND

French International Eric Cantona scored a hat trick for Leeds United in their 4-3 win over Liverpool in last week's Charity Shield at Wembley Stadium. The match, Leeds' first at Wembley in 18 years was a tremendous pipe-opener to the English season. No fan, be they from Leeds or Liverpool, left Wembley disappointed. Cantona, incidentally, will now almost certainly retire from international football now that his mentor Michel Platini has resigned as National team boss.

AMERICA

The MISL, or Major Indoor Soccer League to use its full formal title, looks like folding, with the departure of yet another two centres in Tacoma and St Louis. The franchise owners of the remaining teams have voted to withdraw, claiming the centres left in the League do not make for a viable competition. This will now leave the USA very much behind the eight ball in development of the code, with the World Cup a mere two years away. Queensland has an affinity with the MISL through their five-match tour in the summer of '89 taking in centres such as Tacoma, St Louis, Dallas, Wichita and Kansas City.

MEXICO

Does the name Antonio Carbajal ring a bell? If you are a World Cup addict, it should. He was the goal-keeper for Mexico's national team and played in a number of World Cups. Nothing unusual in that except Antonio Carbajal played in World Cups in:

1950 - 1954 - 1958 - 1962 - 1966, a record for any player. FIFA have suitably recognised his achievements with an award to celebrate his longevity in the top echelon of football.

ENGLAND

Coca-Cola continue with their world-wide sponsorships in

soccer by signing a contract with the Football League to sponsor the League Cup. Coke were originally intending to sponsor the more prestigious FA Cup, but internal wrangling by the FA allowed the submission to go flat. However, with all Premier League and Football League clubs participating, Coke rightly believe the sparkle will continue, both for them and the code. The World Youth Championships (to be held in Australia in 1993) have been sponsored by Coca-Cola since their inception in 1977.

SCOTLAND

Still on drink sponsorship, the Scottish Football League have just signed a lucrative contract with American drink company Gatorade. The sponsorship, which does not include naming rights, takes over after the recent withdrawal of B & Q. It is a three-year deal which may ease the pain of not having a title sponsor for the Scottish competition.

TAHITI

The Oceania World Youth Cup qualifying series starts this weekend and runs for one week in Tahiti. Australia, being host, is not participating. The Qualifying nations are: Fiji, New Zealand, Papua New Guinea, Tahiti and Vanuatu. The winner of the round-robin will then travel to Dubai in September to participate in the Asian Championships with eight Asian countries. After a complicated group system and finals, the two leading teams will qualify to play in the finals next March.

Participating countries next year will come from:

- Oceania - 2
- South America - 3
- Africa - 2
- VEFA - 6
- CONCACAF - 2
- Host nation - Australia

Divisional Review

DIVISION 2

It's all change, yet again, with the Ridge taking full advantage of a few fumbles by the Saints and handing them their biggest home loss of the season. Wynnum and Inala are now equal second, with another two teams (Saints and Willowburn) equal fourth. Nerang can also still get into the five. At the bottom, Newmarket are now doomed after their drubbing by Willowburn. They and the Mitchelton Mustangs will be playing Third Division next year.

DIVISION 3

Souths are guaranteed promotion, finally, along with Beenleigh, although the premiership is still in the balance. A cluster of five clubs are jostling for the remaining two semi-final places. Latrobe Valley probably blew their chances, by securing only three points out of a possible six from their two postponed fixtures. Two crucial matches this weekend will probably sort things out: Annerley v Goodna and Darra United v Logan City Kings. The Kings will not want to take this game easily. Darra are fighting for survival, and

look what they did to Latrobe. Their tussle with born-again Redcliffe is turning out to be a high point in this Division. Will both premiership and relegation go to Round 22? Check next week's fixtures for a stunning finale.

DIVISION 4

Promotion is still unclear, with three teams pushing for two spots. Albany Creek demolished University to draw within one point of the students, while Pine Hills are waiting for a slip-up by either side.

In theory, any of six other teams from Clairvaux down to ninth placed Brighton are still capable of taking out fourth place. Exciting times are still ahead. At the bottom, Southside Eagles are putting up a tremendous battle to stay in Division 4. They are getting results now that a few weeks ago, were probably unthinkable. Can they continue these for another two weeks?

DIVISION 5

Goodna's tight win over Wests has enabled Oxley to close to one point. While Oxley seem assured of a semi placing, one eye will now be on a promotion spot. Wests do not have an easy passage to Round 22. All other placings in this Division are now irrevocable. Mid-table teams can only make life difficult for those better placed.

DIVISION 6

The top-of-the-table clash between Slacks Creek and Acacia Ridge will determine the premiership (barring a draw). Third placed

Loganholme will be hoping for a Ridge win and the Creek to lose their last fixture at the other Creek next weekend. Pigs don't really fly, but! University look a safe bet for fourth, with a rare tussle going on at the bottom. Will the two outposts (Caboolture and Jimboomba) depart together? Their match this Sunday may determine their future.

DIVISION 7

The Gap are guaranteed promotion ahead of Bethania, despite the Rams' huge win last week. Ipswich and Mitchelton make up the four. The bottom two are determined. There's not a great deal else one can report on in this Division except - Can the Gap....?

DIVISION 8

Slacks Creek play Greenbank this Saturday in probably the most crucial match either team will play all season. Both premiership and promotion hinge on this game. Clairvaux (3rd) play Beenleigh (12th), so Greenbank will be desperate to attain maximum points. Wynnum and Redlands are vying for fourth, with neither side having an easy last match.

DIVISION 9

It's preliminary final time in this division, with Taringa through to the Grand Final despite being 2-0 down to North Star at one stage. The Rovers rallied and took the match 3-2 in extra time. Coalstars accounted for the Federation's newest club, Browns Plains, 2-0.

The preliminary final kicks off at 2.30 pm Saturday, at Taringa.

LAWS OF THE GAME

Continuing from last week's "Laws of the Game", further decisions and instructions were made by FIFA which will impact on the game world-wide.

The FIFA Board also took the following decisions, which are mandatory:

1. If a player is sent off for a second cautionable offence in a match, the referee is required to show both the yellow and the red card simultaneously (so that it is obvious that the player is being sent off for the second cautionable offence and not for an offence requiring expulsion).
2. The Notes to the Laws of the Game have been slightly amended so as to allow veterans' football (over 35 years of age) to benefit from modifications to the Laws already granted to players under 16 years of age and to women players. The Notes now read as follows:

"Subject to the agreement of the National Association concerned and provided the principles of these Laws are maintained, the Laws may be modified in their application for matches for players of under 16 years of age, for women's football and for veterans' football (over 35 years).

Any or all of the following modifications are permissible:

- a. size of the field of play;
- b. size, weight and material of the ball;
- c. width between the goalposts and height of the cross-bar from the ground;
- d. the duration of the periods of play;
- e. number of substitutions.

Further modifications are only possible with the consent of the International Football Association Board".

FURTHER SPECIFIC INSTRUCTIONS TO THE REFEREES

A. The Board once more insisted that referees be much stricter when dealing with time-wasting tactics, particularly in the following five situations:

1. The referee must react strictly if the ball is kicked away or carried away with the hands after a free-kick has been given against a player. The guilty player must be cautioned and shown the yellow card.
2. The referee must caution and show the yellow card to any player(s) encroaching from the defensive wall.
3. A player who stands in front of the ball when a free-kick has been given against his team, in order to waste time and to allow his team to organise the defensive wall, must be cautioned and shown the yellow card.
4. The Board insisted that decision 17 to Law XII, introduced in 1991 (control of the ball by the goalkeeper), must be strictly implemented by referees. Some referees have shown a tendency

Refereeing

with Des Miles

to avoid its correct application – a situation which can no longer be accepted.

5. The Board also insisted that referees strictly enforce Law XII, 5(a) in relation to the number of steps taken by the goalkeepers when they have control of the ball in their hands.

B. The Board also emphasised that the present situation regarding thermopants (cycling shorts) was unsatisfactory because referees were not enforcing the necessary measures. This instruction, originally issued last year, is therefore reproduced below:

"The International F.A. Board took the decision that visible undergarments such as thermopants (cycling shorts) are authorised. They must, however, be of the same colour as the shorts of the team of the player wearing them and not extend beyond the top of the knee".

It was furthermore pointed out that if a team wore multicolored shorts, the undergarments must be of the same colour as of the predominant colour.

BEEGEES SURGE INTO TOP SPOT

Beegees consolidated their newly won hold on top spot, when they whacked Woombye 4-0 in Sunshine Coast Heritage League fixtures at the weekend.

Beegees defeated Buderim midweek, to seize the No 1 ranking, and had no intention of loosening their grip against Buderim.

The first goal of the weekend match came from the spot, slammed in by Shaun DeCourcy in the 25th minute. Beegees went further ahead shortly after, when Woombye defender Mark White, attempting a clearance, hit the ball into his own net. After the break, Beegees were awarded another penalty which was once again rifled home by DeCourcy. Their last goal was another own goal, this time deflected in by Woombye's Steve Gray.

A hat-trick by Jason Dunn helped Buderim to a 4-1 win over Nambour. Jeff Haydon scored Buderim's other goal, with Tony Moore netting for Nambour.

Bottom side Maleny surprised Noosa with a tenacious display that resulted in a 3-3 draw. Tom Gray scored for Maleny in the first half

with Carl Harrison replying for Noosa to leave the scores level at half-time. Danny Raby and Tom Gray scored one each for Maleny in the second half, while Ray Procope and Carl Harrison scored Noosa's second-half goals.

Caloundra battled for the points against a determined Coolum team, eventually winning 1-0.

David Marcon netted five minutes from full-time. Coolum's goalie, Steve Edwick, turned in a magnificent display to keep Caloundra at bay for most of the game.

Kawana took the points when they beat Maroochydore 2-0. Peter Watson and Roger Hardwicke netted for Kawana.

ZONE SILVERWARE SHARED

All three participating Associations came up winners at the FNQ Junior Zone Inter-Association finals at Silkwood - Johnstone River, last weekend.

Cairns and District Association took out the lion's share of the spoils, winning the Under 10, 12 and 13 age groups. Tableland won the Under 11's and Johnstone River Association claimed the Under 14 age group.

With just three matches remaining in the senior competition,

Edge Hill took another step closer to the premiership by downing Leichhardt by one goal last weekend.

Edge Hill have their AGM on Monday and hopefully the winning edge may entice members to take on positions. With a new field and clubhouse in the planning, a strong committee is needed.

We wish FNQ patron, Nick Brko, a speedy recovery after his recent operation.

NANANGO STORM HOME IN SOUTH BURNETT SHOWDOWN

Nanango fought back from a two-goal deficit to snatch a thrilling 2-2 draw against Wests, in their South Burnett Soccer League fixture at Nanango last weekend.

The Blues were staring defeat in the face at the break, after Wests had scored two well-taken goals through brothers Steve and Chris Forbes. In the second half, Nanango's desperation allowed them to pull back Wests' lead.

A stop-start second stanza, in which six yellow cards were issued, upset Wests' rhythm.

Fleet-footed Paul Reball's shift from the backs to the forwards proved a master stroke for Nanango. Keeper Anthony Treloar came very sharply off his line to meet frequent Wests' raids throughout the second half.

Nanango's two second-half

goals sealed a place in the semi-finals at either No 3 or 4.

Wondai eased their way into the top four and squeezed Murgon out, when they outpointed the home side 3-2 at Murgon on Saturday.

With both teams playing desperation football, the points appeared shared, until a 90th minute Wondai throw-in allowed Rod McKay a run to the Murgon goal line, where he threaded a winner through the goalmouth traffic.

Murgon must now go for a win against Easts in their last-round meeting on Saturday.

Murgon must win and rely on Wondai losing to Nanango to pinch fourth spot on goal difference.

Wests have a bye and can only watch as Easts attempt to parcel up the championship with a draw or a win.

WONDAI WOMEN 1992 LEAGUE CHAMPIONS

1991 women's Premiers and League Champions Wondai, have shown this season they could give all of the South Burnett Soccer League Women's teams an early start, but when the season got to the business end they could still come up trumps.

Their 1-0 win over Murgon at Murgon on Saturday allows them to retain their league Champions' status.

The return of Naomi Hockey to top form and her combination with Madonna Hay in recent weeks, has been a factor plus the radar boot of Chrissy Geary. Not so much in front of goal this season - but from corners.

She featured on Saturday at Murgon, when Wondai beat Murgon for the second week in a row in a keenly fought game in

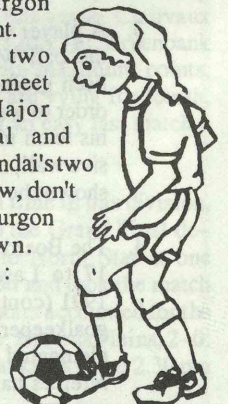

which Chrissy celebrated her birthday with a personal present.

At the 17th minute she scored directly from a corner which beat everyone into the net. When you're hot - you're hot!

Kim Urquhart had her best game of season '92 turning any attack Murgon could mount.

These two teams will meet in the Major Semi-final and despite Wondai's two wins in a row, don't count on Murgon lying down.

Scores: Wondai 1 def Murgon nil.

Into the Net

The marvels of modern technology. Ever since 1988 when computers were introduced at Perry Park, all player registrations, history etc, were relatively easy to call up on the electronic gadgetry. Until, that is, the system decided to "have a rest". Result - chaos, particularly with the on-going sagas of cautions and send-offs which are supposed to be processed on a weekly basis. The "bug" has now been fixed, and the QSF'S own "master-blastor" on disciplinary histories, Debbie Loynes, has now re-entered four weeks of referees' cautions etc into the computer. Mind you, there are probably a lot of clubs (and players) who would have preferred that Debbie lost the lot!

Just how many club and team officials are conversant with the rules relating to "stacking" in fixtures, and also eligibility of players for the finals series? Not many, judging by the number of queries the Perry Park staff have had, and also the lodging of complaints regarding the former. One or two clubs may well be regretting their lack of knowledge in this area.

When does half-a-game of football take 80 minutes? When the lights go out, as happened at Heath Park last Saturday night. With only six minutes of the reserve grade left, referee Steve Kingshott took the players off. When power was restored, so was the match. The score, incidentally,

was 6-4 to Coalstars, and all goals were scored before the interruption.

No such good fortune in the XXXX League however. Starting one hour late, the match was abandoned just minutes after half-time when one pole went out of action for the second time that night.

Steven Morris, a 16-year old from Kawana, has won a 12-month contract with English Premier League team Blackburn Rovers, without having set foot in England. His talent and background details were relayed to Manager Kenny Dalglish by one-time Aston Villa player Kevin Coleman, now a resident in Australia. Coleman waxed quite lyrical to his mate Dalglish, about young Steve to the extent a 12-month trial, sight unseen, has now been offered. The ball is now squarely at Steven's feet.

From the serenity of SAMFORD to the gushy spaces of BEENLEIGH is a drive and a half which the relegation-bound Samford team are looking to with confidence. The boys from Richards Road intend to knock a point or three off the Division 3 competition leaders and while the football they intend to play may not be pretty, they hope it will be effective enough to give them a much-needed boost.

Will WILLOWBURN go through THE GAP, or will THE GAP close, denying the Toowoomba terrors three points and a coveted spot in the finals? As always, this is the

critical stage of the season when teams on the bottom rungs of the ladder shatter many a teams' dreams of premiership silverware.

Some strategic leap-frogging is going on in Division 2, featuring the Toowoomba teams. WILLOWBURN have gone from fifth to fourth, and ST ALBANS hopped from 10th to eighth. The Magpies' burning desire for promotion to the XXXX League could still be achieved, providing they don't get the "wobbles" in this nerve-wracking part of the competition. Both they and INALA CITY have caused many a tear in a beer as frustrated supporters see them fold to lesser fancied sides.

One of the Federation's most southerly clubs, Bethania Rams, are celebrating their second promotion in successive seasons, with their Division 7 team now looking forward to playing in Division 6 next year. Can they emulate near-neighbours Beenleigh who did likewise when they first entered the QSF competition a mere 10 years ago?

SCOOP! Brisbane strikers beware, Robert Markovac has re-signed with Brisbane United for the 92-93 Coca-Cola NSL season. Markovac's signing is a real boost to United's playing strength but may cause anxiety for a couple of local strikers who are presently trialling with United. Rumour has it Markovac jumped at the chance to re-sign with United after hearing that United had signed English Second Division striker Tony Hancock.
