## Editorial

This week sees the culmination of one of the most exciting seasons in the history of the XXXX League.

This years Premiers North Star take on Rochedale Rovers to decide who will be champions for the 1992 season.

For North Star it will be their first Grand Final appearance in four years while Rochedale Rovers will be looking to avenge last years defeat at the hands of Brisbane Lions.

At the half way mark of the season it looked as though North Star would struggle to make the top five after digging a deep hole for themselves.

But to their credit they came back finishing on top of the XXXX League table and can go on to take the rare double.

A win for Rochedale would cap off the most successful season ever for the club and would signal their coming of age as a XXXX League club.

We wish both teams the best for tonight's Grand Final.

In the 2nd division Acacia Ridge meet Wynnum while Beenleigh take on Souths United in the 3rd Division.

\* \* \* \* \*

The sponsorship of the Queensland soccer Federation by Castlemaine Perkins is invaluable. The specific sponsorship of the XXXX League and the overall development programs of the Federation is acknowledged and our appreciation recorded.

\* \* \* \* \*

As this is the last edition of Soccer 92 we would like to thank all those who have contributed copy.

Without your help the magazine would not have been possible.

\* \* \* \* \*

Finally we would like to wish Brisbane United all the best in their second season in the Coca-Cola National Soccer League.

They open the season against Parramatta Eagles on October 3 in Sydney and play their first home match against Morwell Falcons at Perry Park on October 10.

## BRISBANE UNITED UPDATE

Whilst Brisbane's National League team has had troubles at training, trying to get their full squad together, due to XXXX League Finals commitments, this has not detracted too much from trial match preparations.

Tomorrow (Sunday) the first team squad will have an outing against Sydney Olympic, now under new coach Peter Raskopoulous.

The Sydney team boast a new signing in David Seal along with stalwart Marshall Soper, so attack will be most definitely to the fore. Match programme at Perry Park is:

at 5.30 pm  
Brisbane United v Sydney Olympic

at 3.30 pm  
Brisbane United Reserves v Rockhampton

## BRISBANE NORTH DELEGATES CATCH UP WITH THE LATEST

Brisbane North delegates were told of plans for the proposed full-time Director of Coaching and the annual general meeting, at their last meeting.

The annual presentation dinner at Perry Park will be on October 23. Clubs will be provided with tickets, but tables should be booked early to avoid disappointment.

The AGM is scheduled for early November and all notices of motion, alterations to the constitution and like matters must be in soon. Please make sure nominations for Management Committee positions are completed. If your club has a particular position it would like to fill, ensure the nomination is in on time.

Papers with positions noted are with clubs.

The North of the State has again been put on hold, while a decision is made later this year concerning the location of the Under 16s and many other matters.

The changes in marketing arrangements are not too complex, but must be adhered to. Any new gear must be through the approved marketing outlet. For further explanation, contact vice-president Owen Pezet.

The "Change For Kids" promotion is on Statewide from October 26 to November 1. There are many shopping centres involved and your club (in Brisbane North) will have a copy of the participating centres this week. Please mount the best promotion possible, to further the code.

## MACKAY JUNIORS STAGE SUPER SEASON FINISH

The Mackay Junior Association's bid to lift the end-of-season excitement level paid, off handsomely with a magnificent semi-finals series.

The last game of the year, the Youth grand final, was a fitting climax to the season. The game had everything: hard attack, valiant defence and a never-say-die attitude from both sides. Magpies won the Championship through sheer consistency, and this eventually gained them the grand final decision, after scores were locked at 2-2 after extra-time against Lions.

Lions roared away to a 2-0 lead just after half-time, but Magpies struck back to level and after a scoreless extra period they were awarded the game because of their higher finish on the ladder.

Under 14s Division 1 was won by Brothers, 3-1 over Rangers. Brothers played below their best to trail at the break, but five minutes into the second half Jason Grech equalised. Rangers went downhill from there and Micky Roberts scored twice, including once from the penalty spot.

In Division 2, Lions had a 4-0 win over a below-par Magpies.

In the Under 12 Division 1 final, Brothers overpowered Wests Blues 3-0.

Brothers' Peter Howlett marked Wests midfielder Allan Plath out of the game and allowed his side to dominate. Brothers went to an early lead through Mark McArdle after five minutes, but it wasn't until late in the same half that Howlett scored the second. The third came midway through the second half when a back pass to the keeper went astray and Matt Isbitser was there to clean up.

## Women's Soccer

### QUEENSLAND SHARE SPOILS WITH NSW

At the recent Australian Women's Youth Championship in Hobart, Queensland shared the championship honours with New South Wales, after the final was abandoned because of bad weather.

#### Queensland's results:

Qld v Vic/SA (combined team) 1-0 (Corinne Currey)  
 Qld v Tas 5-0 (Corinne Currey 2, Louise McMurtrie, Trena Youngblutt and Kim Revell)  
 Qld v NSW 0-2  
 Qld v NNSW 4-0 (Kim Revell 2, Louise McMurtrie, Emma Cook)  
 Qld v ACT 2-2  
 (Louise McMurtrie, Kim Revell)

New South Wales also suffered a loss at the hands of Northern NSW and ended up on eight points with Queensland on seven. This put them both into the championship final, but the inclement Tasmanian weather rendered the park unplayable. NSW and Queensland were declared joint winners and both teams will receive

winners gold medals.

The following Queensland players were selected in the Australian squad: Kim Revell, Louise McMurtrie, Mia Thompson, Katie Smith, Corinne Currey and Trena Youngblutt (both Corinne and Trena were also selected in the Junior Australian Squad).

After a training camp at the Australian Institute of Sport in Canberra early next year, the squad of 21 players will be trimmed to 16 to tour Europe and contest the Dana Cup in Denmark in July.

### WOMEN'S OPEN CHAMPIONSHIPS

The Australian Women's Soccer Association is staging its 19th National Open Championships in Brisbane this week. These championships are being hosted by Women's Soccer Queensland at Atlanta Field, Delaware St, Geebung. Queensland last hosted the championship in 1982 when they took out the title.

NSW, Northern NSW, South

Australia, Western Australia, Australian Capital Territory, Victoria, Tasmania and Queensland are contesting the championships. Northern Territory have not competed for the last few years, due to declining player numbers, but registrations are on the rise again, so hopefully it won't be long before they return to national competition.

Queensland are defending the title they won in Canberra last year, and have never been placed lower than third.

The Queensland team consists of the following players:

1. Susan Clayton (Wynnum)
2. Klara Szabo (Eastern Suburbs)
3. Lisa Radar (Acacia Ridge)
4. Maree Grant (Eastern Suburbs)
5. Leanne Priestley (Eastern Suburbs)
6. Nadia Toffetti (Eastern Suburbs)
7. Donna Fredrickson (Country United, Mackay)
8. Joanne Millman (Eastern Suburbs)
9. Tracy Connors (Estates, Townsville)
10. Kaylene Janssen (Coalstars)
11. Angela Van Eyk (Eastern Suburbs)
12. Ann-Louise Edwards (University, Toowoomba)
13. Michelle Sawyers (Coalstars)
14. Tammy Sprott (Blackwater, Rockhampton)
15. Raeanne Dower (Acacia Ridge)
16. Zoe Smith (Brisbane City)
17. Elizabeth Georgiou (Mundingburra, Townsville)
18. Toni-Ann Northwood (Estates, Townsville)

Results up to time of publishing. Sunday: Qld v WA 1-0; NSW v Tas 4-0; NNSW v Vic 2-0; ACT v SA 3-0.

### KAWANA DOWN PREMIERS

Kawana took out the Sunshine Coast women's championship with a hard-fought 1-0 win over premiers Caloundra.

Kawana scored early when Glenda Cobby broke through and placed a beautifully hit shot past Samantha Hill in the Caloundra goal.

Caloundra missed their opportunity to equalise when the usually reliable Karen Stacey hit a penalty to Tammy Crowe in the Kawana goal. Caloundra attacked continually but were let down by their finishing and when they did get on target, Crowe pulled off some fine saves.

Kawana's Chris Patterson and Mandy Robinson at the back looked safe while Melissa Blake and Lee Nash had top games in the midfield. Belinda Cashion played well up front when running wide.

Caloundra's Meaghan Birkett and Rachel Watson performed well in the defence with Jodi Stumer and Tracey Poole in midfield, with Angie Burns and Sharon Rolles up front, turning in top games.

The Under 16 final was played between the two Caloundra teams with the strong Red team defeating the Blacks 6-0. Samantha Hill and Rebecca Sellers scored a goal each while the junior association's leading scorer, Lisa Honeybrook, netted the other four.

## CONNIE GETS COACHING JOB

Former Queensland women's soccer captain Connie Byrnes has been appointed to a coaching role with the Queensland Academy of Sport.

The highly experienced Byrnes will act as an assistant to QAS head soccer coach Jim Selby, concentrating on developing elite young female players.

QAS Director, Wilma Shakespear, and Queensland Soccer Federation President, Wallace Dann, confirmed the appointment this week.

Byrne is a veteran of eight

Australian Women's Championships, and also captained New South Wales and Northern NSW.

She led Australia in its first international women's tournament in Taipei in 1978.

Byrne's part-time appointment is for one year initially, effective from October 1.

Her impressive coaching credentials include an Australian Soccer Federation Level 2 coaching certificate, an Australian Coaching Council Level 2 qualification and an ASF Level 0 Instructor Coach certificate.

Queensland captain Frank Pimblett was the toast of Brisbane last Monday night when he was named the 1992 Queensland Soccer Federation Gold Medal winner.

Pimblett, who won the award in 1990 with a record 36 points, was a narrow winner with 18 points, one ahead of Lutwyche's David James.

Grange Thistle's Paul Fagan, Coalstars' Brent Read, Brisbane Croatia's Kevin Meacock and Easts' Steve Perry finished equal third on 15 points.

Pimblett's award was that much more special, considering he missed the start of the season due to Brisbane United commitments, and then was sidelined for several games with an ankle injury.

Pimblett came from behind to poll eight votes in the last four fixtures and take out the medal.

It is the first time a player from Pine Rivers has won the award, although Pimblett transferred from Eastern Suburbs during the season.

The 35-year-old midfielder paid a special tribute to Brisbane United coach Miron Bleiberg.

"Miron added an extra dimension to my game last summer and I would like to thank him for that," Pimblett said.

"I also thoroughly enjoyed my time at Pine Rivers so maybe that also had something to do with it.

"But I can tell you, I'm as surprised as you are."

Pimblett must now rate among the very best players to play the game in Queensland.

Socceroo captain Paul Wade was special guest speaker at the medal dinner and was given a great welcome.

Wade, who played against Tahiti at Perry Park the day before, said he was thrilled at the enthusiasm of Queensland's young soccer fans, who surrounded the Australians as they left the field.

"I think it was great how the Socceroos were mobbed by all those kids and I would urge all local players to put something back into the game after their playing careers finish," Wade said.

# PIMBLETT CORNERS

## GOLD MEDAL No. 2

"If we can get one more kid interested in the game of soccer then it's fantastic.

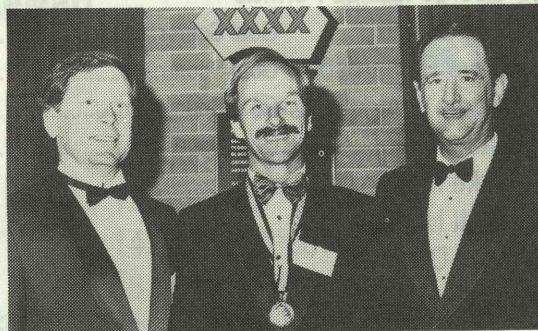

"Who knows, maybe it could be another Ned Zelic."

The Queensland media awards were also presented.

Rochdale striker Kieran Cooper was named Player of the Year as well as Leading Goal Scorer, while North Star's Peter Bannon picked up the Coach of the Year award after his side won the XXXX Soccer League premiership.

Taringa midfielder Andrew Brayshaw, who helped his side to their best ever performance in the league, was the Rookie of the Year.

Derek Crawford was selected as Referee of the Year, in another hotly contested battle.

## Refereeing

with Des Miles

### WHAT WE OWE THE GAME!

"What do they want, blood?" is a thought that all of us have had on occasions, especially as we trudge wearily towards the dressing room, amid criticism, after a trying game.

Well, yes, some of them really do want blood. Not necessarily our own, but quite happily that of an opponent or two. These people will probably be the first to cry and complain to you if they themselves shed even a spot of the vital red stuff! You see, what they want is not a sporting encounter to dispute fairly the footballing prowess of two teams, but a confrontation in which all the odds -- and the referee's partiality -- are stacked in their own favour.

So what are the players of both sides -- and they are the ones who really matter, not one-eyed spectators -- entitled to in a game, as far as we referees are concerned?

I believe we owe to each and every player in each and every game a refereeing performance that has the following qualities:

- \* A punctual arrival and kick-off.
- \* A smart appearance and a dignified bearing.
- \* Total concentration and commitment throughout.
- \* A refusal to be swayed, against our wishes, in our decisions.
- \* Courage and honesty.
- \* A thorough knowledge, not only of the Laws of the Game, but of the ways in which humans react to our own attitudes, manner and method of discipline.
- \* A willingness to use a sense of humour and enjoyment to attain and retain match control.
- \* A demonstration of our own composure under pressure.
- \* An awareness that we represent at all times refereeing, other colleagues, the Soccer Federation and proper discipline.

If we can referee with all this in mind, then we shall encounter fewer problems; we shall help to maintain dignity in football; we shall keep the respect that refereeing, in general, basically has at present.

We shall not, of course, succeed alone or immediately. We must recruit every referee to the Referees' Association, and we must do our very best to attend all meetings. Only in that way can we ever hope to foster the right attitudes among all refereeing colleagues.

The players are entitled to all the qualities I have mentioned, for we are paid a fee (no matter how small or large it may be) to give of our best at all times. If we offer, what I suggest, what's the betting that players will soon actually stop asking for what they see as their main entitlement -- protection?

\* \* \* \*

LEARN to anticipate and you may be able to nip situations in the bud. Try to read the game and also the minds and moods of the players. There will be critical flashpoints during games which need you to react to, and to be seen to react to, decisively.

## Divisional Review

### DIVISION 2

A lot of tension went into the last round of fixtures, with Acacia Ridge playing away to Mitchelton on the Saturday night and only succeeding by 1-0.

This guaranteed them a promotional spot, but they had to wait until Sunday to see who would be going with them. At Freeman Road, Inala, the home side had to survive a mid-match barrage from Olympic United, before running out winners 4-2 and taking the second promotion spot. Inala also took the premiership by virtue of their goal difference.

The biggest surprise here was the hammering of St Helens by Willowburn to the tune of 7-0, thus effectively knocking the Saints right out of contention for even a semi-final placing.

Nerang survived a torrid time at Toowoomba, but secured a win to sew up fifth spot. Even though the relegation spots had been determined weeks prior, no team in this division laid down in the last fixture.

It was a tremendous competition in Division 2 this year, and I think we can expect more of the same in 1993.

### DIVISION 3

Souths United's 30th year celebrations came crashing down, as far as the playing aspect was concerned.

They went down 1-3 to Beenleigh in their last fixture, allowing their near neighbours to snatch the premiership. This doesn't detract from the fact that these two teams were deserved promotion candidates, by virtue of their playing abilities.

It is no co-incidence that these two teams also meet this weekend in the grand final. For the other semi-final placings, Goodna soundly defeated Capalaba to take out third place, while Logan City Kings had a not quite so convincing win against Latrobe Valley, to take out fourth place.

The relegation derby down at the Penin-

sula, went in favour of the visitors, Darra, when they defeated Redcliffe City 3-1 to push City down into Division 4.

This has been a most entertaining Division 3 season. It is to be hoped that the competition will remain equally appetising next year.

### DIVISION 4

University of Queensland had already wrapped up the premiership prior to the last fixture, but they didn't have it all their own way in their match against Clairvaux.

Uni ran out 2-0 winners, but this was enough to push Clairvaux out of semi-final contention with Kenmore Rangers taking fourth spot by virtue of their, at the time, uncompleted match against Brothers United.

The second promotion spot went right to the wire. Albany Creek only succeeding in drawing away to Southside Eagles, while Pine Hills won at home. But the lads from the Creek secured promotion through a slight edge on goal difference.

Next year will see a little bit more travel in this division as both Ipswich City and another western suburbs side, Oxley United, now take their place in Division 4, thus spreading the geographical content quite widely.

### DIVISION 5

The local derby between Western Suburbs and Ipswich City was abandoned, and it was left to the Management Committee to determine that the points and scoreline would go in favour of Ipswich City. This preserved City's unbeaten record for 1992 and gave the second promotion spot to Oxley United who were chewing a lot of fingernails on the side-line in this game.

This Division turned out to be composed of two distinct halves, with a top six and a bottom six. One or two of these lower placed teams did provide some interesting duels during the course of the year, but were unable to sustain any continued challenge.

### DIVISION 6

What a marvellous end of season we had in this division, with Slacks Creek, Acacia Ridge and Loganholme all battling for not only the premiership, but promotion spots for most of the season.

Supporters from all three clubs were kept on their toes right through to the last fixture round. The Creek ultimately won the premiership by a single point from Acacia Ridge, with Loganholme four points away in third place. University had long ago tied up fourth spot. Our two outposts, Caboolture and Jimboomba, struggled during most of the season, with Caboolture filling 11th spot, and Jimboomba finishing a relatively safe ninth.

### DIVISION 7

The Gap went through their 22-fixture season with a 100 per cent record, by convincingly defeating Loganholme in their last fixture, 6-0.

Bethania had almost the same scoreline over Salisbury to well and truly tie up second place. This has been a competition where even the lower placed teams provided spirited competition to the top four sides.

### DIVISION 8

Slacks Creek won the Division 8 premiership by a fairly convincing seven-point margin over Clairvaux, but it was certainly tight for the other semi-final placings in this Division.

Again this was a division that had teams from a variety of clubs and gradings, some of whom performed exceedingly well as the points tables now show.

### DIVISION 9

This division finished their fixtures back in the first week in August. It is sometimes difficult for teams from clubs other than the XXXX League ones to participate here, as the teams from the XXXX League clubs in this division cannot gain promotion and so remain in this Division 9 for the length of tenure of their top side.

The newest club in the Federation, Browns Plains, performed well by taking out third spot and performed quite creditably against most of the experienced teams.

## BEEGEES HALT KAWANA'S BRAVE CHAMPIONSHIP BID

Beegees took out the Sunshine Coast First Division championship by defeating Kawana 3-1 in a rugged grand final at Noosa.

Kawana qualified for their first grand final by defeating Woombye and then the highly fancied Buderim.

The game started at a furious pace, with Kawana controlling the first 10 minutes. Beegees then opened up and a through ball to Shaun DeCourcy saw him hit the post. The rebound landed at his feet and he hit home from close range.

With a strong wind to their backs, Kawana attacked throughout the remainder of the first half but were kept out by the skilful work of Beegees keeper Marty Barr.

Early in the second half, David Payne broke through to put Beegees two-up with a well-drilled shot. Kawana received a penalty midway through the second half when the Beegees keeper brought down Robbie Hedges. Casper Fleming netted from the spot to give Kawana some hope of saving the match.

Kawana mounted an all-out assault on the Beegees goal but could not find the net again.

Fifteen minutes from time, Carlos DeMaine, running wide for Beegees, cleverly lofted the ball over the keeper from long range to put the match out of Kawana's reach at 3-1.

Kawana's youthful players Todd Forrest in goal and Matthew Jones, Steven Morris and Shane Crowe all played top games while Peter O'Brien, Paul Korcsynski and Paul Forsdike performed well for Beegees.

Other newsworthy events on the Sunshine Coast include, the SCSA 25th Anniversary presentation dinner at Troppo's at the Sunshine Plantation next Friday, October 2.

The Association's AGM is scheduled for Monday, November 9, with nominations closing on October 12. Those interested in having a say in soccer on the Coast, should get their nomination in.

Bumperstickers celebrating the code's 25th anniversary on the coast have already been distributed to all players.

# QANTAS CUP 1992

The curtain was drawn down earlier this month on the 1992 Qantas Cup competition, when the final was played at Perry Park in a high scoring and highly entertaining match.

Beenleigh (Division 3) defeated Mudgeeraba 4-3 in the final, while Taringa (XXXX Third Grade) beat Pine Hills (Division 4) 5-3 in the play-off for third.

Spectators, along with Jon Morgan, Regional Manager for Qantas Airways, were entertained by some open, free-flowing football from all four teams.

While the score in the grand final spoke poorly of both defences, credit should go to both sides who went all-out to attack.

Mudgeeraba did score first, with Beenleigh coming from behind twice to make it 2-2 at half-time.

Beenleigh finally crept ahead early in the second half and went to a 4-2 lead later in the period. Mudgeeraba staged a late come-back to make it 4-3 with only three minutes to play.

For Beenleigh Soccer Club, their success in this competition was the second stage of the trifecta they are seeking for the year. Earlier they had clinched the premiership and promotion from Division 3 to Division 2. Now they have secured the Qantas Cup, and this weekend they are looking to take out the grand final in their division.

With more than 70 teams entering the Qantas Cup again in 1992, no further proof is required of the popularity of this competition.

Congratulations go to all participants in the '92 Qantas Cup, with particular congratulations to the four teams who played at Perry Park on September 16. It was a great night's football and no-one would have left the ground disappointed.

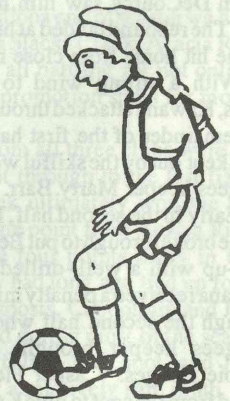

# REDBANK PLAINS UNBEATABLE

The star-studded Redbank Plains teams swept all before them once again this year, in the Ipswich High Schools finals.

Redbank Plains finished with four wins from four finals, to add to their record of five from five in 1991.

The Under 13s outgunned St Peter Claver 9-0; the Under 15s defeated St Peter Claver 2-0; the Open Girls spanked Bundamba 7-0; and the Open Boys beat Bremer on forfeit.

All four Redbank Plains teams went through the season undefeated and the school boasts three Australian representatives.

## SOCCKER ON TELEVISION

With the National League commencing next weekend, SBS TV have released details of their television coverage of the Coca-Cola Soccer League for the 1992-93 season.

In a bold move, even for this network, SBS will be replaying the match of the day in prime time on Sunday night, commencing at 8.30pm from October 4.

The Match Of The Day program will feature one particular match with highlights and goals from most other CCL matches.

SBS are hoping to take the Match Of The Day series on the road, and to cover home matches in Adelaide, Brisbane, Newcastle and Wollongong. Hopefully Queensland viewers will not be given a surfeit of Sydney and Melbourne home teams every weekend.

The other TV program run by SBS, the On The Ball preview program, has now been extended to one hour, commencing Saturday, October 3 at 1pm.

While the Soccer coverage on SBS does not help those who cannot pick up the signal, and in particular in the Queensland country areas, at least the National League flagship of our code will be getting prime-time coverage for those fortunate enough to pick up the signal.

Is it possible that a Queensland soccer record was set on Saturday when The Gap 7th Division won their grand final 2-0 against Ipswich City? It may well be an Australian senior record as well.

Certainly it has got the QSF reaching for the record books, and, given the destruction of written records in the 1974 floods, the memories of older soccer stalwarts are being tested.

The Gap team won 22 out of 22 premierships games, scoring 101 goals for, with 10 against. They won the semi-final 1-0 against Bethania Rams, then the grand final. While teams have gone through undefeated, we suspect that this is the first time a team has not conceded a point.

The feat was all the more amazing given that the team does not have a coach, and only trains on Tuesday nights. Selections are made by a panel of three players, all specialist outside full-backs. This was the only point of contention in a very friendly, laid-back team. Usually the only positions to be filled were, the two outside full back spots! Moves are a foot for a non-playing selector next season.

The team's average age is 32, with the youngest player being Craig Hamilton, 18. The oldest is 44-year-old Peter Stokes who shared the grand final man of the match award with Brad Skyring.

# A QUEENSLAND RECORD?

by Chris Edwards

Perennial goal poacher Peter Hughes scored 35 for the season (again!), including six hat-tricks (three in succession) and a five-goal haul.

Mr Consistency, Huisty Lazenby, lost the toss on most occasions, claiming, however, that this was his tactical move. He captained the side most ably, for all that.

Next year, Division 6 beckons and another page in the healthy rivalry developing between The Gap and Bethania Rams will be written.

Thanks to them for keeping us honest down the wire, and thanks also to all our supporters, Mal Levitt, The Gap Pastime Club and Referees and teams for making 1992 so enjoyable. Good football still exists!

## ZELIC STRIKES GOLD

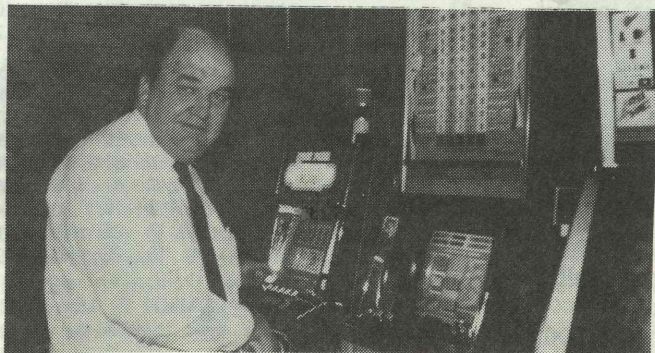

Australian Olympic soccer captain, Ned Zelic, has won the Yardley Gold Australian Footballer of the Year award for 1992.

The competition was conducted on Channel 9's Wide World of Sports over seven weeks. Soccer's nominees were Ned Zelic, Robert Zabica, Paul Trimboli and Josip Biskic. Ned was selected from this group by the viewers.

Rugby union's winner was David Campese; Australian Rules, Jason Dunstall; and rugby league, Allan Langer. Each code winner received \$5000 in gold bullion plus a trophy.

Zelic received an additional \$5000 in gold bullion as the overall winner.

Ned Zelic, who is currently in Germany with his new club Borussia Dortmund, is soccer's first overall winner.

# Into the Net

Probably never in QSF history have there been so many close finishes in the various divisions. Not only were a number of premierships at stake going into the last weekend of fixtures, but also the composition of the top fours (or fives as the case may be). In several cases, relegation or promotion hung on those vital final matches. Both the XXXX League and Division 2 are well known by now for their close finishes, going right up to Round 22 of fixtures. But this was also the case in almost every division. What a pity we can't script that type of finish every season to provide top excitement for the supporters.

Special congratulations to The Gap in Division 7. In their 22 rounds of fixtures, they recorded 22 wins. They won their major semi-final and ultimately their grand final, with a 2-0 win over Ipswich City. From 24 competitive matches, that's 24 wins.

That's a record that just can't be beaten.

Youth and experience. This appears to be more the rule than the exception, judging by some teams' composition and ultimately, their results. The above-mentioned Gap Division 7, have more than their share of experienced players. Around the corner at Latrobe Valley, the Division 3 Reserve team comprises an average age of 32 they also have a few players with previous State League and even NSL experiences behind them.

Meanwhile, down at Wynnum, their Di-

vision 8 side has an average age of 36.14, with four players in their mid-40s, all of whom claim they will continue playing next year.

For the record, the oldies above finished as follows: The Gap Division 7 premiers, grand final winners; Latrobe Valley, Division 3 Res premiers, final to be played; Wynnum Division 8, fourth, losing finalist.

Elsewhere in this souvenir edition of Soccer '92 is a listing of the XXXX League goal scorers for the 1992 season, showing Keiran Cooper top on 19, and three players on 10. They are Harry Makridakis, Jim McDonagh and Kevin Meacock. This is all very creditable for the strikers concerned, and in particular the three M players finishing level on 10 goals.

The little known fact relevant to the goal-scoring list, is that these three players didn't come second. A player with the initials O.G. came second in the season. This unknown person scored an incredible 13 goals during the 1992 XXXX League season. So, while Keiran Cooper was way out in front on 19, O.G. was, in fact, second on 13.

Another QSF staffer has hit the headlines in her chosen sport of indoor cricket.

Trish Betts, long serving member of the office staff at Perry Park, took off to Townsville last weekend with the Tingalpa Seagulls Over 30s ladies, to contest the State titles. Playing eight matches in three days, they came up trumps, losing only one match.

The team were duly crowned State champs on Sunday night, leaving little time to celebrate, as all team members were on the first plane back to Brisbane the following morning. Notwithstanding the early start, celebrate they did, with the resultant sore heads the following morning. A new trophy now adorns Trish's desk at Perry Park. Well done girls.

## INALA CITY TOP DOGS

Inala City have finally achieved what they have been aiming at for quite a number of years: promotion to the XXXX Soccer League. Inala City United Sports Club Inc, was founded in 1972 and have been playing at Freeman Rd, Inala since their inception.

This year, being their 20th anniversary, is indeed a red letter year for them, and they are taking great pains to relive some of their history, as well as celebrate what is about to take place.

Their original 'caravan' canteen was replaced with Stage 1 of their clubhouse in 1974; and in 1987 Prime Minister Bob Hawke opened Stage 2 of their bar/function area.

Included in the opening ceremony party was England soccer captain Bryan Robson. When Inala City commenced operations in 1972 they only had junior teams, with their seniors entering the QSF competition in 1978 and winning the Qantas Cup the next season.

In the 20 years since the club's inception, they feel they have done rather well, particularly in the senior ranks.

The club has won a number of grand finals and premierships, as well as being runners-up on more occasions than they care to remember.

In 1991, their Division 2 side finished fourth and although they won the grand final, this was little consolation for being pipped at the post for promotion to the XXXX League.

Big celebrations are planned for next Saturday, October 3, with a carnival fun-day to be held at the club's home ground.

Congratulations Inala City United.

## PICK A PLAYER

In the competition that Soccer '92 ran in its last four issues, readers were asked to pick the Olyroo they considered to be the most valuable player at the Olympic Games, and to try to match our panel of experts.

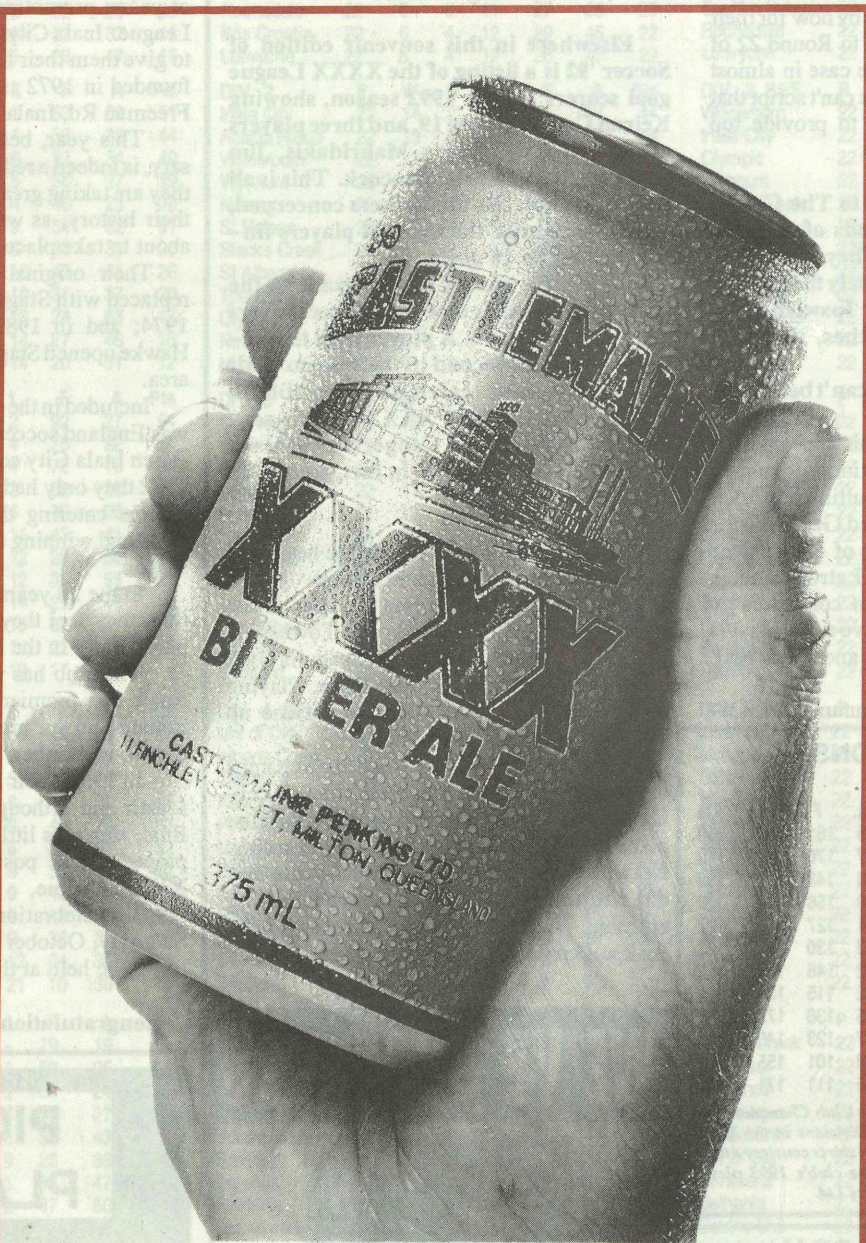

Our panel selected : Milan Blagojevic.

The first correct entry opened was from 14-year-old Kierin Niven from Burpengary, who won a double pass to see the World Cup match between Australia and Tahiti at Perry Park last Sunday.

Congratulations Kierin, we hope you enjoyed the international match.
