Boyle netted two with Park and Brendan Eastwell finishing the job.

The Aces go into the match as underdogs after consecutive 1-0 losses to Mt Gravatt and Taringa Rovers.

# Perry: A testimonial honour

Eastern Suburbs will honour club captain Steve Perry with a Testimonial Day this Sunday, August 8.

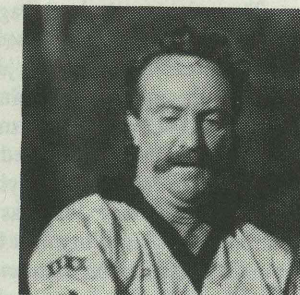

The Tigers have arranged a day full of entertainment with a match between the 1989 Easts's Grand Final winners and an invitational side the major drawcard.

Perry will lead the Easts' side with Brad Ryan, Justin Playle, Billy McDermott, Dave Mewburn, Colin Felan and Paul Laycock all returning for the match.

Former Easts striker Mark Brusasco will also play in the match.

The invitational side will feature many of Perry's former counterparts including David Ratcliffe, Jim Hermiston, Frank Pimblett, Martin Coe, Peter Tokesi and Billy Wilkinson.

Perry had a distinguished career in the game

*Steve Perry - one of the all time great defenders. Will be honoured with a testimonial this Sunday*

with 25 caps for the Socceroos a highlight.

The likeable defender began his career at Western Suburbs in Sydney before moving to Queensland in 1978 where he linked up with Brisbane City in the NSL.

After a stand-out debut season where he won the Queensland Player of the year, he never looked back representing Australia in 1978-79-80 and '81.

After playing almost 200 games in the NSL, Perry moved to Redlands where he linked up with their local side Redlands United.

18 months later he was back at City for a short stint but soon returned to Redlands where he played until 1988.

In 1989 he linked up with Easts and helped them to their first Premiership in 17 years.

Since arriving in the Sunshine State he has worn the Queensland jersey 17 times and firmly established himself as one of the best sweepers the State has ever seen.

With this surely to be his last year in the code, he hopes to help Easts avoid relegation and **Eye on Soccer** wishes him all the best for his Testimonial Day.

## EDITORIAL.....

The article on the back page of last Friday's Courier-Mail certainly raised a few eyebrows in the soccer fraternity and justifiably so. The idea of turning Perry Park into a cricket field doesn't do too much for most local soccer players who have grown used to playing on the arguably the State's best playing surface. Word is that no official proposal has been lodged with the QSF and until one has been lodged it is purely speculation. Covering around 2.8 hectares, Perry Park is a prime piece of real estate. It is only five minutes from the city and is serviced by excellent public transport. That makes it a prime target for developers.

All attention turns to Perry Park this weekend when Coalstars and North Brisbane clash in the Queensland Cup Final. Coalstars reached the final with an impressive win over Taringa Rovers while North Brisbane did the same against Brisbane Lions. Coalstars must go into the match as firm favourites after thrashing Rochedale Rovers on the weekend while North Brisbane's form has dropped off of late. The

statewide Cup started in March with 20 teams, including 8 country regions. The winner will take home a cheque of \$7 000 while the runner-up picks up \$3 000.

While on the local scene, Taringa moved into the box seat for a XXXX League Premiership with a hard fought 1-0 win over North Brisbane last weekend.

Rochedale Rovers, who were in the lead by three points, were shock 4-1 losers to Coalstars and are now ahead by goal difference only.

North Star also moved within one point of the lead with an easy 4-0 win over Inala. Taringa have a vital match in hand over the rest of the field and could go a long way to sealing the title with a win this weekend.

The relegation battle also took an interesting turn with Easts and Mt Gravatt finishing up 1-1 at Heath Park. With Inala City assured of a return to the Second Division, four teams remain in line for the second spot. Brisbane CSC and North Brisbane join Easts and Mt Gravatt in a battle that will go right down to the last match.

## Taringa's blonde bombshell

"It was amazing" were the first words Jennefer Roosen uttered when she touched down after her first experience at skydiving the other week.

"It is something I will definitely try again" she said.

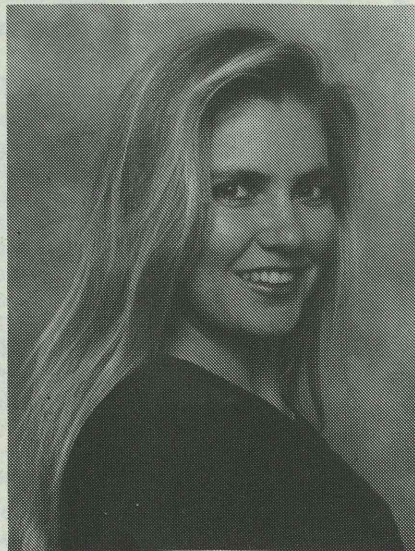

Jennefer, Taringa Club's entrant in the Miss Soccer Quest, is a teachers aide by trade and boasts 8 years of having played soccer for Moggill and Taringa.

The outdoor type, Jennefer lists surfing and fishing as other interests and if the quest allows, a trip to Holland is on the list, in search of family ancestors.

August 21 is the date set for the presentation of this years crowns at a gala evening at the Greek Club.

With some 25 nominations to date, this promises to be a fun-filled evening and tickets can be bought from your local club.

The winner receives travel to the value of \$5000 on any Qantas route and Miss Fund-raiser wins \$2500 worth of travel also from Qantas ■

### CAPALABA COMMITTEE SAYS THANKS

Dear Sir,

The Testimonial Committee that was formed to organise a couple of benefit nights in memory of the late Jimmy McMillan of Capalaba Soccer Club, would like to thank the whole Soccer community for the wonderful support given as we all paid our respects and tributes.

So many people have given in one way or another and it would be impossible to thank everyone individually, but rest assured your contribution towards the benefit nights, whether it be through a donation, personal attendance or personal involvement has been very much appreciated by the committee, by all of us who knew Jimmy as a friend and most of all by his wife Agnes and their children Ross and Jill who have been deeply moved and honoured by the amount of people that have shown their respects towards them.

Thank-you. Ewen Anderson

### GOALKEEPER SUPPORTS LINESMAN

Dear Sir,

In reference to the supposed uproar involving linesman Gordon Nicholson, it may surprise many people, especially those in the refereeing fraternity, that I sympathise with the official concerned.

During my long senior career, beginning in 1977, I have always had to endure verbal and physical abuse from spectators of all persuasions. It seems that, because of my size and the outfits I prefer to wear, I am deemed an easy target for the brainless minority who get a kick out of moronic behaviour.

The fact that goalkeepers are limited to certain areas of the field (not unlike linesman) make them easy targets for human propelled missiles. I have been targetted on numerous occasions - being spat on is also not a pleasant experience, believe me.

These disgusting actions are not limited to a certain gender, ethnic persuasion or age, either. So is it any wonder where the filth emanating from "little Johnny's" mouth, while standing behind

the goal at Wendy Allison Park, comes from. It has always puzzled me how 13 or 14 year olds can make suggestions on the sexual habits of my wife and my mother, when they wouldn't know them from a bar of soap. Maybe I'm getting too old for this game.

So before a club starts whinging about "provoked" gestures by officials, maybe they should firstly clean up their own back yard, and scrutinise the behaviour of their "supporters".

Yours in sport, D. Mewburn

### A POEM FOR THE STARS

Coalstars has a team of players, who've shown their supporters they are stayers.

With finesse and style we have the team, who come final day will reign supreme.

We have Kevin Farrar whose keeping has such flair, and Alan Mac who moves better than Fred Astair.

Then there's Gilby whose style is so steadfast, and Pat Boyle with a finish that is unsurpassed.

Andrew King adds all the pace and sting, and Mikey Babic's ability is a great thing.

We've got Ready who's the champ of the team, and Aaron Jefferd who adds the flair and esteem.

Tony Cotton has guile and is very sneaky, but Darren Frieberg's goals are really quite freaky. There's Wes Park's heading which is the best, and Brendan Eastwell's crosses that surpass all the rest.

Then there's Ricky Brown our youngest star, and Wayne Warren as coach, it's the best team by far.

With efforts applauded your supporters can all stand, and joyfully cry, "Coalstars, the best team in Queensland".

## Rovers reel in rivals

Taringa Rovers maintained their drive for their first ever XXXX Soccer League Premiership with a narrow 1-0 win over North Brisbane at Prentice Park last weekend.

With Rochedale copping a hiding at Bundamba, the Blue Machine moved back into equal first place, just one ahead of North Star who have played the most consistent football of the top three in the last month.

There were few highlights in a match that Taringa coach Juan Cutillas described as their most important of the season, with a lone Andy Lees strike sealing the Aces' fate.

North Brisbane had the best of it early with Darren Bender and Lorenzo Cucchi looking most dangerous.

Bender almost gave the Aces the lead in the 23rd minute after a neat through ball from Kevin Meacock left him with the keeper to beat.

Only a good save by Clint Dal Santo denied the goal.

Seconds later it was 1-0 to Taringa after Dal Santo found Eddie Lees with a long kick.

The midfield dynamo lobbed a ball behind the Aces' defence to his brother Andy who made no mistake with his shot, volleying over a stranded Wayne Evans.

Meacock and Darren Stewart combined for North Brisbane four minutes later with finishing letting Meacock down on this occasion.

It was more of the same after the break with North Brisbane dominating play for long periods of time but unable to find the net.

Despite their lack of possession, Taringa looked dangerous on the break with striker Shane Tollenaere coming close on two occasions.

His best chance came in the 66th minute after he beat the defence with a neat lob but was denied a goal by a great save from Evans.

Colin Gwynne is all concentration while shielding the ball from Aces' striker Lorenzo Cucchi

Outstanding for Taringa where Andy Lees, John Ogden and Andrew Philp, while Craig Williams, George Whyte and Wayne Evans shone for North Brisbane.

Taringa coach Juan Cutillas was gracious in defeat.

"I rate this as one of our best wins of the season but in saying that full credit must go to North Brisbane, they played very well," Cutillas said.

"We were under a lot of pressure to win and it was crucial that we did that."

He said this week's match against Brisbane Lions could decide his sides Premiership chances.

"I think if we beat Lions, chances are we will win the Premiership," Cutillas said.

Aces coach Alan Hunter was disappointed with the loss but said his side would push on toward the end of the season.

## Beenleigh safe in top five

Beenleigh consolidated their place in the Second Division top five with a commanding 4-1 win over The Gap at Chris Green Park last weekend.

A mild winter's evening, a near immaculate pitch, and a very enthusiastic and noisy crowd, set the scene for The Gap's visit to Beenleigh where the hosts were keen to avenge their first round defeat at Walton Bridge back in May.

The score-less first-half was, but a misnomer, shots at both ends were even, however Beenleigh's forwards showed a little more cohesion in attack. For the home side, Steve Hobson broke through the offside trap, drew keeper Ferguson out and slipped the ball wide of the keeper, the only problem was, it was wide of the post as well, and this only one minute before the break.

The dangers signs were there for The Gap, but were not heeded, as Beenleigh came out firing after the turn-around. Gap sweeper Dominic Invincible kept his defence as solid as his name until two goals in the space of three minutes put the stutters into the Gap.

The diminutive Steve Bradford tore down the right flank and crossed for Steve Hobson to fire into the net, and within minutes that man Hobson again beat the offside trap to make it 2-0.

Workaholic Sam Pryce ran through a static defence to make it 3-0 twelve minutes later with Hobson's hat trick coming ten minutes from time. A little respectability for The Gap came when substitute Marc Lederhose tripped Nicky Bryant in the box whereupon Bryant successfully converted the spot kick.

A rejuvenated Beenleigh in the second half were best served by Mick Gerritsen and Grant Beevers in midfield and Hobson and Bryce up front.

For an outclassed Gap, best were Dominic Invincible, Dominic Kibbey and Nick Bryant who ploughed a lone furrow up front.

Congratulations to Beenleigh Soccer club on their excellent match presentation, which includes an excellent match-day program.

# Miracle goal saves Tigers

Eastern Suburbs youngster Robert Le Cocq chimed in with some divine intervention at Heath Park last Saturday night to earn the Tigers a valuable point in their bid to escape relegation.

With his side trailing 1-0 against Mt Gravatt, the talented midfielder scored the equaliser that may well save his side from relegation.

With both sides adopting a win-at-all-costs attitude, it was Mt Gravatt who dominated early proceedings.

Midfielder Sean Armstrong gave the Hawks a dream start in the 6th minute after they were awarded a freekick inside the Tigers' half.

Captain Jarrod Austin laid off for Armstrong who smashed his 35m drive past keeper Chris Roche and into the back of the net.

Roche, who had a solid match, appeared to get a hand to the ball but the sheer power of the shot saw it clip the underside of the bar and bounce in.

Le Cocq almost equalised for Easts minutes later after his shot beat Hawks' keeper Robert Harrison.

Luckily defender Ty Bannister was on hand to clear the ball away.

Mt Gravatt almost scored from another freekick in the 17th minute but this time Roche was up to the task palming Austin's curling shot around the post.

Brisbane United midfielder Danny Stowers also came close with a powerful strike that beat Roche slamming onto the cross bar.

Easts reversed the trend after the break with Steve Perry, Stein Grodum and Chris Fegan dominating play.

The pressure finally told in the 62nd minute when Le Cocq latched onto a through ball and found the net with a fortunate strike.

His low shot appeared to hit Harrison's feet and loop up over the defence and into the net.

Willie O'Neale could have stolen the match for the home side but was denied by Harrison in the 69th minute and the cross bar in the 81st.

Easts coach Calvin Daunt was happy with the point and accredited a blast to his players at half-time as the turning point.

"What I said is unrepeatabe but it's amazing what half time talks can do," Daunt said.

"I thought in the end we could have won it but it's just no good playing for 45 minutes."

He said he was confident of avoiding relegation despite having to play Pine Rivers, Rochedale Rovers, Taringa Rovers and Lions in their last four matches.

"I'd rather have it that way," Daunt said.

"The players to do the job are here in the club, it's just a matter of doing it on the park." ■

# WHAT THEY SAID!!

"It is unfortunate that we have had to apply to FIFA requesting that the rule be enforced." Australian Soccer Federation chief executive Ian Holmes on the ASF's decision to ask FIFA to suspend goalkeeper Mark Bosnich from playing for English Premier Division club Aston Villa. The request follows Bosnich's withdrawal from the Socceroo side to play against Canada in the World Cup qualifiers. Under FIFA rules, clubs must release players for World Cup matches.

"These officials are supposed to be figures of respect but then they go and do things like this. It seems like they are a law unto themselves." An angry Pine Rivers coach Frank Pimblett after linesman Gordon Nicholson allegedly gestured to the Rivers supporters after their 1-0 loss to Rochedale.

"We were leading 4-1 with about 10 minutes to go, so I just forgot about playing and stuck with Pele like a glove. As soon as the final whistle blew I had his jersey. It was a great thrill - Pele was a magician with the football." Former Brisbane Lions striker John Lowey remembering how he got the most sought after soccer jersey in the world. Lowey played for the Chicago Sting against the New York Cosmos back in his professional days in America in 1976. He was also a pro at English giants Manchester United.

"Our fitness was right to the fore. We were too strong, too dominant, too fit and too keen." Coalstars coach Wayne Warren after his side won through to the Qld Cup Final with a extra-time 2-1 win over Taringa.

"Steve Perry is probably the player that stands out more than anybody else. Not only is he a quality player, he is a quality person as well and that is rare." Brisbane Lions coach John Sime - pondering on one of the best players he has ever had the pleasure of coaching.

"I still have a few good years in me yet and am hoping to be able to play with United." Former Sydney Olympic midfielder Gary Phillips. Now the QSF Director of Schools' Development and hoping with link up with Brisbane United this summer.

"To have XXXX League players at the club would give Jimmy a great thrill. He would be even prouder to know they were there in his honour." Former Capalaba coach Bob West talks about the late Jimmy McMillan and the testimonial match that was arranged in his honour. The match was a great success with the XXXX League select side defeating Queensland 4-3 on penalties after the match finished at 1-1.

"It already has excellent facilities and the shape of the ground would make a good cricket oval possible. If it was required for Shield cricket we'd probably have to build only another grandstand to make Perry Park an ideal venue. The other positive aspect of the site is it is well served by public transport." Queensland Cricket Association Chairman Allan Pettigrew on the idea of using Perry Park as a back-up venue to the Gabba. A sub-committee met earlier this week to decide whether to lodge a formal proposal with the Queensland Soccer Federation.

"Speaking personally, I must say it surprises me. The Perry Park area is quite an odd shape, one which I would not have thought would be suited to cricket." QSF General Manager Alan Vessey on the Perry Park cricket issue. The QSF has no formal policy on the issue as yet.

Pine Rivers chances of a spot in the XXXX Soccer League have slowly evaporated with three losses in their last three matches.

Last weekend the boys travelled to Lions Stadium where they met fourth placed Brisbane Lions in what was always expected to be a tough match.

Lions striker Warren Allen game the home side the lead in the 27th minute with a deflected shot that gave goalkeeper Peter Underhill no chance.

Dene Almond, by far Rivers' best player, scored

the equaliser just before the break and it looked as though they would go on and win.

Almond latched onto a ball from Graham Eden and made no mistake with the header.

After the break Lions recaptured the lead through Peter Hurney who scored a well worked goal in the 52nd minute.

Allen secured the win half an hour later leaving Rivers five points behind Acacia Ridge with a game in hand. This week Rivers play Easts in a match deferred from Round 16.

## Women's Soccer . . . . .

Easts remain on top of the first division ladder after a convincing ten nil win against Souths United on the weekend. The other team in close contention for the number one position is the

Queensland Academy of Sport who have deferred four of their games. If they win these four they will be ahead by one point.

Tiwiwarrin won 1-0 against Queensland University, this leaves them on top of division two whilst Mt Gravatt leads division three.

Competition is fierce in the fourth division. Newmarket had a surprise loss to Beenleigh putting Newmarket on equal points with Brighton.

In fifth division The Gap is threatening the leader Jimboomba. Though Jimboomba is still two points clear, The Gap defeated them 2-1 in a very close and exciting match.

The match of the day in the sixth division was between Greenbank, the leaders and Rochedale Rovers.

Rochedale's performance throughout the match was remarkable as they had only eight players and it was through sheer determination that they maintained a scoreless first half.

With the wind in their favour and a renewed vitality, Greenbank commanded play in the second half creating a number of goal scoring opportunities.

Greenbank's first goal came from a penalty shot by Sonia White after a hand ball in the box.

The second goal was far more creative as Julie Stanford, the star striker who has scored twelve goals in the last four games, blasted a ball that deflected off the keeper and into the goal. The score remained at 2-0.

In the U15 competition, Mt Gravatt remain the leaders although they had a 2-1 loss to Brighton.

## LOWER DIVISIONS – PREVIEW

### DIVISION 2

I took in the Beenleigh v The Gap match last Saturday, and it was a well presented match by the home club.

After a scoreless first-half, Beenleigh hit their straps to run out fairly convincing 4-1 winners. When one considers the vastly experienced players that Beenleigh have within their ranks that come from a variety of sources, this was to be expected, however The Gap put up a valiant effort, but didn't have the staying power.

The shock result last weekend with Nerang's 1-0 defeat of Wynnum, has placed even more importance on the outstanding matches to be played this weekend.

Nerang still have a long road home, but will now have Grange Thistle looking over their shoulder and try even harder to pick up some points in Toowoomba this weekend.

All other results last weekend, went reasonably according to the form book, not withstanding Brisbane City's hammering of Souths at Runcom.

This weekend three catch-up matches are being played with St Helens playing Willowburn at Lions Stadium on Friday night probably the pick match of the weekend, draw.

On Sunday, two matches will be played with Grange's visit to St Albans now proving to be a most important match for Thistle – home win.

The remaining match is the washed out one from a few weeks ago at Walton Bridge, when Willowburn back up for their second match in two days to try to cement their place at the top of the table – away win.

With only three fixtures to play after this weekend, there is still everything to play for, you couldn't have asked for a more exciting finish.

### DIVISION 3

Two teams who, a few weeks ago looked a certainty for the drop, Albany Creek and Capalaba, have now well and truly consolidated themselves in the middle of the table, and are now an outside chance for a Semi position.

Darra now look doomed, with Newmarket still holding that 8 point lead at the other end, but just have a look at positions two to five, what exciting matches are in store in the weeks ahead.

Jim Gilbert

Some of the top five aspirants do not exactly have an easy last run-in. At the bottom, Redlands secured a brief life-line with a scoreless draw to Mitchelton, their next match will be all important as they play the team immediately above them.

This weekend only one match is scheduled from washouts early in the season, with Capalaba at home to Annerley, and if Annerley wish to go back into the promotion frame, they must pick up three points in this one, the greater incentive in this match points to – away win.

### DIVISION 4

Leaders Virginia's erratic home form continued again last weekend with a draw to mid-table Moggill. All of Virginia's dropped points have come at home, whilst they retain their 100% away record.

Samford appear to have now lost their way with respect to Semi-Final placings, whilst at the other end Deception Bay look doomed with Oxley not far behind and Ipswich not 100% safe as yet.

This weekend two important matches are scheduled with North Pine v Redcliffe taking prime importance, as not only Semi-Final placings hinge on the result of this, but possible promotion. They are locked together on points with only goal difference separating them, so it will a tense encounter at Bob Brock Park Sunday – home win.

The other postponed match is Deception Bay's visit to Ipswich City and if the Bay lose this one they can say goodbye to Division 4 – home win.

### DIVISION 5

Southside Eagles continue both their high scoring tally, and upward surge to regain their Division 4 status, whilst Toowong are keeping up the pressure five points behind.

Slacks Creek and Brothers make up the four with Uni now having dropped out of the frame.

At the bottom it would appear that Annerley and Capalaba will not be playing Division 5 next year.

Brothers away match this weekend to Capalaba now takes on large proportions, a win will put them only one point behind Toowong and in full sight of promotion back to Division 4 – away win.

### DIVISION 6

Much has been said about the style of football on show by one or two teams in this Division, and having seen the two-all draw by the top two, Gap and Woodridge last weekend, I can concur.

The skills, both individual and team, shown by these two in the first-half in particular, were better than seen at a recent Perry Park XXXX League match.

First class football was played in the right spirit, and it was a joy to watch, unfortunately the second-half deteriorated for a variety of reasons, however the score-line did come up to my last week's prediction.

Logan City have lost ground by their defeat by Bethania, and Jimboomba are now putting a lot of pressure on to take out a Semi spot at the end of the season.

One match only scheduled this weekend, when Woodridge are at home to Olympic in their postponed match on Sunday, very difficult to see anything other than a home win.

### DIVISION 7

Leader's Browns Plains utterly demolished Albany Creek on the weekend to allow Greenbank to come back in to outright second, and it's very much a lottery as to who will take out position number four.

No postponed matches scheduled for Division 7 this weekend, however the players from Mimosa Creek can hold their head up, they are doing exceptionally well after only a mere eight games and have picked up a couple of good results.

Again looking at fixtures ahead, some of these positions could change, to present a whole new scenario of Semi Finalists, and even promotion aspirants.

### DIVISION 8

Olympic continue on their merry way at the top, with University and St Helens locked in promotion and coveted 2nd placing.

Fourth place is still tenuously held by Newmarket, however their postponed match this weekend could cement that spot for them. Very

compact in the middle of the table, and then it drops away at the bottom.

On Sunday only one match is scheduled with Annerley at home to Newmarket, and judging by their positions on the table this should be an away win.

### DIVISION 9

The top four now look pretty settled, with leaders Taringa now only one win away from securing the Premiership. Wynnum will make sure they remain honest to the end, with North Star also ensuring that Wynnum don't falter either.

Acacia Ridge, despite their unexpected draw last week, look like retaining 4th spot ahead of Coalstars. Park Ridge picked up a fairly unexpected away point to Rochedale, while Kenmore and Mooroondu's match was postponed due to floodlight failure.

This weekend one match is scheduled on Friday night, when Rochedale are at home to Mooroondu, and this will be a difficult match for both teams – home win.

Mooroondu's remaining match will be rescheduled at the earliest opportunity mid-week.

### FINALS RULES

A copy of the rules pertaining to Finals – Player Eligibility has already been circulated to Clubs, and as there

are now only three fixtures left to play, it's probably pertinent to re-iterate this again for information of all players and supporters.

*"Players eligible to play in the Grand Final Series in any Division must be correctly registered in accordance with the provisions of the Constitution and must not have played more than three (3) out of the last five (5) Premiership fixtures in a higher Division in that season"*.

# July's best performers

It's time to evaluate performances for the month of June, another month that has also slipped by quickly and brought with it a variety of different changes

### PLAYER OF THE MONTH

A Coalstars midfielder Michael Babic has had a outstanding month with three man of the match awards. The highlights were his superb performance in the Queensland Cup semi-final against Taringa and a marvellous effort against his old club Brisbane CSC. He is without a doubt the Player of the Month.

### ROOKIE OF THE MONTH

Pine Rivers youngster Tony De Lange had cause to celebrate this month with his selection in the Australian Under 17 squad for the upcoming World Championships in Japan. He is the Rookie of the Month.

### COACH OF THE MONTH

Willowburn coach Gordon Arrowsmith has guided his side into a definite promotion chance with good performances in the Second Division last month. Along with Brisbane City counterpart Bobby Hamilton, he is the Coach of the Month.

# Send Offs on the increase

This week we look at the number of send offs and points suspensions in the 1993 season compared with the 1992 season.

Readers are advised that these figures are for the period from the beginning of the season up until the 27th of May in both 1992 and 1993. Also note that this year we have an extra division and 30 more referees than last year.

|      | Violent<br>Conduct | Serious Foul<br>Play | Foul or Abusive<br>Language | Persistent<br>Misconduct | 12 point<br>Suspension |
|------|--------------------|----------------------|-----------------------------|--------------------------|------------------------|
| 1992 | 37                 | 51                   | 24                          | 30                       | 36                     |
| 1993 | 37                 | 30                   | 42                          | 67                       | 100                    |

The interesting factors to come from the statistics is that Serious Foul Play send offs have been reduced, Foul Language send offs have almost doubled, Persistent Misconduct send offs have doubled and 12 Point Suspensions have almost tripled which simply means there have been a lot more yellow cards. All in all, there are more players sitting on the sidelines in 1993 than 1992.

## QUEENSLAND CUP FINAL - QSC CUP FINAL

## COALSTARS v NORTH BRISBANE

Perry Park, Saturday August 7, 7.00PM

Referee - R Eedy

Coalstars and North Brisbane are two teams who were not expected to make the Cup Final after poor form in the earlier rounds.

Coalstars are currently on a high after defeating Rochedale last week and must go into this one as favourites.

North Brisbane, on the other hand, have lost their last two and will be hoping for a much improved performance this week.

Cup Finals, however, are won on the day and it will be close. Scoring first will be a priority.

## MATCH WINNERS

## XXXX LEAGUE - POSTPONED FIXTURES

## PINE RIVERS v EASTERN SUBURBS

Wendy Allison Park, Friday August 6, 8.30PM

Referee - G Brownlie

Pine Rivers have lost their last three matches and must now be rated only a slim chance of making the five.

Realistically it can be done but they must win all their matches from here on in.

East, on the other hand, are undefeated in two weeks and look like avoiding relegation with ease. A win in this one would almost assure them of that. After starting slowly last week they finished strongly - this week they must play for the whole 90 minutes.

## MATCH WINNERS

Rivers' midfielder Dene Almond has struck form and looking like the man who will cause Easts the most trouble. He is one to watch.

Chris Fegan had a big hand in Easts' comeback last week winning plenty of ball in the air. He could be the key.

## TARINGA ROVERS v BRISBANE LIONS

Jack Speare Park, Sunday August 8, 2.45PM

Referee - D Crawford

Taringa Rovers moved back into equal first position last week and can go into the outright lead with a win or a draw in this one. Lions, on the other hand, have climbed up the ladder and are now secured of a final five finish. All this means this match could be one of the best all season and who better to referee the match than the State's number 1 man Derek Crawford. Add it all up and it should be a beauty with plenty of goals and lots of action.

## MATCH WINNERS

Taringa's Andy Lees and Lions' Warren Allen were both selected to tour New Zealand with the Queensland squad and both came back and had a form slump. But that has all changed with both back to their best and looking dangerous. Two players of the future, they are well worth a look in this one.
