League back into full swing

Those teams which had last week off would no doubt have enjoyed the rest.

However the XXXX League is back into full swing again this week with a full program of matches.

The highlight of this week's games will be the clash between Pine Rivers and Rochedale Rovers at Wendy Allison Park on Saturday night.

In what is sure to be a highly entertaining match, the League's two leading scorers, Kieran Cooper and Ian Hutchison will go head to head.

Rochedale need the points to come within reach of the front runners, and likewise Pine Rivers will be looking to close the gap between them and North Star.

Coalstars battle with Willowburn at Ipswich in a match both teams must win if they are to stay in finals contention.

Rocklea travel to Taringa to face the Blue Machine, which is coming off a disappointing loss last weekend.

Juan Cutillas' boys will be keen to get back in the winners circle this week, while new Rocklea coach Nick Grigic faces his first big test.

Wynnum will be hoping strike players Alan

Wynnum's Alan Eilmann - Wayne Gracey will be hoping he will be fit and ready to tackle Brisbane Lions on Sunday

Eilmann, Danny Valle, and Geoff Maltby all recover from injury this week, when they meet Brisbane Lions at Richlands.

Lions have Pine Rivers in their sights and a win here could see them overtake Dave Scriggins' lads on the table.

North Brisbane will be keen to shed their current bad form when they take on Acacia Ridge at home.

For Ridge, a win could see them escape the relegation zone.

In the final match of the round, Easts play host to North Star.

Olyroos draw

A dominating second half performance from Brisbane Strikers midfielder Sean Cranney was enough to help steer the Olyroos to a respectable 1-1 draw with touring English Premier Division side Sheffield United.

The explosive 20-year-old dominated the rugged stanza with several surging runs down the right flank and can count himself unlucky not to have earned a penalty late in the game.

Australia started the match slowly with Sheffield pouring on the pressure early.

Striker Nathan Blake, who was purchased from Cardiff City for \$600,000 in February, caused plenty of headaches for the Australian defence in the first half.

The robust playmaker almost gave Sheffield the lead in the 3rd minute after latching onto a cross from Glyn Hodge.

With goalkeeper Ante Juric stranded he forced his header wide.

Controversy struck minutes later when the Olyroos were awarded a penalty after striker Paul Agostino was brought down inside the area by Sheffield keeper Billy Mercer.

Referee Rob Davies was swamped by Sheffield players arguing against the decision and later overturned the decision after consulting with his linesman who had earlier flagged for offside.

Blake finally gave the English side the lead in the 25th minute, heading into an empty net after outjumping Juric to a Mitch Ward cross.

Australia stepped up a gear after the break with moves by coach Raul Blanco reaping dividends.

The astute South American replaced

Brisbane's Sean Cranney - destined for a big future on the international scene

Dimovski and Buljabasic with Tsekenis and Mendez and moved Cranney from the centre of the midfield to wide on the right.

With minutes remaining Agostino found the net, hammering home from the edge of the six yard box after Tsekenis headed down a cross from Adelaide City's Goran Lozanovski.

Blanco praised his players for their second half effort after the match.

"The boys came back well and I thought we dominated in the second half," Blanco said.

"They are a very good side and were obviously not here for a holiday.

"The game was a good guide for us as we had some new boys in the squad and it is good they came up against such an aggressive side," he said.

Queensland's other Olyroo, Clint Bolton, took no part in the match due to a shoulder injury aggravated during training.

EDITORIAL

I ventured down the Gold Coast last Saturday night to watch the Olyroos and Sheffield United do battle and came away impressed with what I saw. While the game itself was no master piece it was four of our voungsters who showed they will be a force on the international scene for many years to come.

Without sounding too one-eved. I thought Sean Cranney was by far the pick of the Australian players. His pace on and off the ball proved to be a real handful for the Blades' players and he can count himself unlucky not to have been awarded a penalty after he was brought down in the box late in the second half. It was surprising to see coach Raul Blanco play the 20 year old in the centre of the midfield in the opening 45 minutes and moving him back into his usual role was the best decision he made all night.

Another to impress was Parramatta's Chi Chi Mendez. The livewire midfielder came on

after the break and certainly made his presence felt. He and team mate LukeCasserley, who also came off the bench, looked all class and sparked up the somewhat uninspiring match.

The last player to catch my eye was Paul Agostino. Agostino is a true finisher who always seems to bob up with a goal just when his country needs it. Last year he restored the scoreline for the Young Socceroos against Uruguay in front of 18,000 screaming fans at Lang Park. With he and Mark Viduka coming up through the ranks, it certainly looks like Australia will have plenty of firepower over the next decade.

Finally, it will be good for all the XXXX League teams to get back on the playing field this weekend. The table is certainly starting to sort itself out. Rochedale, with Keiran Cooper leading the way, are back into finals contention and looking good with Pine Rivers and Brisbane Lions hot on the heels of North

Dear Editor,

Being a follower of Queensland soccer for many years now, I failed to see how you (Juan Cutillas) arrived with the selection of players for the Queensland Team to play against the New South Wales side.

Looking at the side that is to wear the maroon jersey it appears to me that you haven't even watched many of the XXXX League games this year. On form alone you have not included two of the XXXX League's finest young players, North Star defender Shane Haddow and Pine Rivers keeper Peter Underhill. I was fortunate

enough to have watched the top of the table clash between North Star and Pine Rivers at Wendy Allison Park and was amazed by the agility and reflexes of Mr Underhill.

Start picking on form and not popularity or you and I will be facing a BLUE soccer year.

Michael Clayworth, Sunnybank Hills.

Michael, thank you for your letter, although due to limited space we could not reproduce it in full. Everyone is entitled to an opinion and I agree that the two players mentioned are quality footballers. Juan has a record at State level that is hard to beat and he always seems to produce sides that play exciting attacking football. Sure the two guys mentioned have been playing well but you should remember that Juan has to pick the players he thinks are best for the job. Hopefully Shane and Peter will keep showing Juan how good they are. Ed.

FROM THE SIDELINE

A big thumbs down to the organisers of the Olyroos-Sheffield United clash. While the overall presentation was great, the media were left in the dark with no programme and no official team sheets. The fact that the numbers on the shirts of the Olyroos were unable to be read didn't help matters. Maybe next time they will get it right.

The OSC Division 2 & 3 Cup is well under way with four games played at Coalstars and Slacks Creek earlier this week Next week sees four matches on Tuesday (May 31). At the Grange Thistle Soccer Club, Newmarket play the University of Oueensland at 6:30pm and Grange Thistle play Olympic United at 8:30pm. On the same night at Souths United Soccer Club,

The Queensland State of Origin team had their first hit out at Perry Park midweek against Second Division side University of Queensland. Coach Juan Cutillas said he used the match as a "get to know you" session. "These sessions are just for the players to see the way I want them to play," Cutillas said. "I think it's very good and it's given me a chance to get things going."

Watch for a big story in Eye on Soccer in upcoming weeks concerning some big

announcemnts about the Mt Gravatt Soccer Club.

The name Denny Whitfield was on the lips of all at the ground after Eastern Suburbs had a 3-0 win over Wynnum at Heath Park last weekend. Whitfield had another blinder in front of his home crowd and was again the best on ground. He and partner Wayne Corbett are getting better with every game they play and could be the key to their side's recent revival. Big Stein Grodum is also proving a revelation and along with Chris Fegan and Mark Geritz has tightened up their defence. There is still a long way to go though and they will face a big test this Sunday when they host North Star.

Easts back with a stormer

Eastern Suburbs continued their recent good form at home with a comfortable 3-0 win over Wynnum at Heath Park last Sunday.

The Tigers struggled to put any real pressure on Wynnum's back line early, with their midfield failing to provide the men up front with any quality ball.

Wynnum were without key players Danny Valle, Alan Eilmann, and Geoff Maltby, who were all nursing injuries.

The visitors had a good chance early in the first half to take the lead when Craig Larnarch hit a 30 metre drive, which was brilliantly saved by Easts' keeper Chris Roche.

The save seemed to inspire Roche's younger brother Anthony who began to get more involved in the action, heading wide of the post only minutes later.

Roche had another opportunity immediately afterwards, when Wayne Corbett put him through, however excitement got the better of the young man, who blasted his shot over the top of the crossbar.

Easts finally broke the deadlock in the 35th minute courtesy of a gutsy Denny Whitfield effort.

Whitfield took control of the ball just inside the penalty area and overcame two challenges before smashing a low shot past Wynnum keeper Kevin Tatton.

The second half was very much all Easts, and two hand-balls in the penalty area by Wynnum's Ricky McKinless did not help his side's cause.

Easts' sweeper Chris Fegan had two shots at Tatton, with his first going over the bar but his second having no problems finding the net. East's defender Stein Grodum -his return has seen Easts back on the winning track and into ninth place

Leading 2-0 Easts just got stronger and it was Whitfield again who was causing problems for Wynnum's defence.

The youngster got through Wynnum's back line and took a shot from close range.

Tatton failed to secure the ball, which bobbed up for Corbett to head home and give the Tigers a 3-0 win.

Wynnum coach Wayne Gracey was not making excuses for his side's effort.

"We played badly and got what we deserved."

He was unsure about his team's finals chances.

"If you're not going to beat the teams below you, then you are going to struggle to make the five."

Easts' Calvin Daunt rated the victory better than his side's win against Coalstars two weeks ago.

"We took our chances. We've just got to keep doing it week in and week out."

Daunt maintained that this week's match against North Star would not be easy and his team should remain focused.

Cooper magic inspires win

By Marco Monteverde

In a replay of last year's grand final, Rochedale came from behind to defeat Taringa 2-1 at Underwood Park last Saturday night.

Two early second half goals from Kieran Cooper enabled Rochedale to overturn a 1-0 half time deficit.

Cooper has now scored 10 goals in his last three games since coming back from having a fractured cheekbone.

Fellow team-mate Frank Cole nearly gave Rochedale the lead after only five minutes, with a fierce 20 yard shot bringing out the best in Taringa custodian Jason Lucas.

Lucas again denied the home side in the 13th minute, saving brilliantly from Demetri Theochari, who looked certain to give Rochedale the lead.

It was Rochedale's keeper Graham Ross' turn to shine in the 25th minute, with a fine save off an Andy Lees volley from the edge of the box.

Younger brother Eddie capitalised on good lead up work from Brent Read to give Taringa the lead five minutes later, with his shot deflecting in off Rochedale's John Weatherby.

Cooper should have equalised for Rochedale in the last minute of the first half, putting his shot wide after a fine through ball from Kieran Galloway.

Twenty seconds into the second half Cooper made amends, slotting home a near post ball from Theochari, who made the most of Danny Stower's loss of possession.

Eddie Lees nearly restored Taringa's lead in the 51st minute with his chip being wonderfully saved from a fully stretched Ross.

Rochedale took the lead in the 59th minute after a Cole shot was tipped onto the bar by

Rochedale's latest signing - New Zealand international Alun Evans

Lucas, leaving an unmarked Cooper with a simple tap-in.

Andy Lees missed a golden opportunity to equalise for Taringa three minutes later, putting his shot wide with only Ross to beat, after beating the Rochedale offside trap.

In injury time Cooper almost had his hat-trick after rounding Lucas, only to see his shot cleared off the line.

Rochedale coach Frank Liddell was satisfied with his team's performance.

"We had the best of the first half. Their keeper made three saves that kept them in the game," Liddell said.

"I told them at half time just to keep on playing the way they had been."

Taringa coach Juan Cutillas was disappointed his side failed to take their chances.

"They scored the goals and we didn't," Cutillas said.

"Rochedale were very dangerous on the counter attack, exposing us at the back."

He was very impressed with the home side's display.

"I haven't seen Rochedale play that well for a long time," Cutillas said.

Socceroos to play Proteas

Australia's Coca-Cola Socceroos will contest a two-match series against a touring South African side next month, in what will be the first time the teams have met since 1955.

The tour is set to re-establish soccer ties between the two countries.

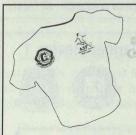

It is also the first time a fully integrated South African sporting team has toured Australia since the breakdown of Apartheid and the subsequent multiracial elections which swept Nelson Mandela to power.

Former Socceroo Captain and SBS presenter Johnny Warren said, "Soccer is the number one sport in South Africa and the only truly representative sport of the people."

"There has always been a perception that cricket and rugby union were South Africa's top sports, but soccer, which never received funding or promotion under the old regime, is the true sport of the vast majority of the people."

Former Socceroo Marshall Soper, now with the Parramatta Eagles in the CCSL - Australia never had the opportunity to play the South African's during his reign as the country's leading striker

Nerang home in close one

Albany Creek played host to Nerang in an interesting Division Three battle last weekend. Again, it was an excellent match, but this time of two totally contrasting styles. Albany Creek tend to play the more direct method whilst Nerang's play has been based on playing to feet with mobile runners up front.

Unfortunately what should have turned out to be another excellent Division 3 match was completely marred by the ASRF Official who had taken it upon himself to be the star attraction. The continual whistling for petty fouls and odd free kicks in the first half made it a complete stop-start effort, the second half was no better. Both teams were totally frustrated by the almost complete lack of football action, to the degree where cards were being dealt out for frustration brought on by the above. Nerang went ahead halfway through the first half when a pin point cross from Chris Urquhart from the left resulted in an excellent header square into the back of the net from Gary Stone.

Down by 0-1 the Creek came out with all

guns blazing in the second half, with Kevin Swadling holding the defence firm and Glenn Ramsay calling the shots in midfield but unfortunately the aforesaid whistles resulted in a further yellow card with Nerang's Craig Rogers being sent off, thus reducing the visitors to 10 men for 40 minutes of the second half.

Neither side were able to stamp their authority on the match and when it looked like it would be a narrow 1-0 victory to the visitors, Nerang's sweeper misjudged a high bouncing ball and allowed it to go through to his keeper who was left stranded, unfortunately Creek's Trent Lawton was nearby to make the score 1-1.

With but 2 minutes of normal time left to play, Nerang went in front again when Vaughan Skelly cut in from the right and drove an excellent ball inside the far post to give the visitors a well deserved 2-1 lead.

Again, the only unsatisfactory note of the night was the length of the second half which ran a full 53 minutes.

Before The Whistle Jim Gilbert

Approaching the half way mark in the season, and after talking to a few Club Officials and Coaches around town, nerves are starting to jangle. Positions both at the top and the bottom now starting to have increasing importance, as it is generally acknowledged that the second round will always be harder.

DIVISION 2

Two very interesting matches on Friday night, at McCook Park Newmarket slowly clawing their way out of trouble are at home to Olympic, who are just consolidating their final 5 position - score draw. At Runcorn two strugglers meet in Souths and Mt Gravatt, if there is a winner in this one, great relief will be heard from that camp, narrow away win.

The remaining matches are on Sunday with the Saints' meeting at Ebbw Vale neither side impressing of late - home win. Great match scheduled at Freeman Road when Beenleigh are the visitors, should be very tense with the home side ever so narrowly favoured. At Walton Bridge, The Gap will have to be at their best to beat Grange, strangely The Gap always do lift themselves against their near neighbours - draw. The remaining match gives us leaders City against promoted University with the home side strongly favoured.

DIVISION 3

Slacks Creek meet Capalaba on Friday night with the home side to pick up 3 points, on Saturday night the hot and cold Mitchelton face Goodna still smarting after last week's loss away win.

On Saturday Annerley will be too strong for Virginia, leaders Logan City Kings will have too much fire power for Latrobe, whilst on Sunday Nerang will have far too many guns for bottom

placed South Star, and North Pine will definitely struggle against visitors Albany Creek.

DIVISION 4

Friday sees Clairvaux host promotion aspirant Moggill with the home side the tip, or Saturday Brighton will not have any success against the other promotion candidates Southside Eagles, Kenmore will battle with a resurgent Pine Hills but should still be too strong, while Redlands will have too much power for Ipswich City who are now slipping down the table, similar to last year.

On Sunday strugglers Brothers and Darra will meet with Brothers tipped to regain their form of 4 rounds ago, whilst Samford and Redcliffe meet in the last match and the home side will need to regain confidence after the last 2 weeks - home win.

DIVISION 5

Latrobe's margin at the top has now been reduced to 2 points, however they should still be too strong for hosts Goodna, Oxley and The Gap will have a most interesting tussle with The Gap narrowly favoured. The remaining Saturday match will see visitors Loganholme taking 3 points away from University.

On Sunday, Bayside will narrowly take the points home from Deception Bay, whilst Leichhardt will have no success at all against Western Suburbs, similarly Woodridge will pick up all 3 points from a sad Slacks Creek.

DIVISION 6

The battle at the bottom opens the campaign with Beenleigh at home to Capalaba, local pride is most assuredly at stake with the visitors to get up narrowly. Olympic will receive no favours from visitors Grange who are anxious to finish the first round with their 100% record, the remaining Saturday match will have Jimboomba picking up all 3 points against visitors Souths. On Sunday mid-table Bethania and Logan City meet with the home side favoured. Browns Plains will have far too many guns for Annerley, whilst Greenbank may well struggle against visitors City but should come through at the death.

DIVISION 7

On Friday night Albany Creek will be too strong for Annerley, whilst on Saturday St Helens will take 3 points back home from Mitchy, Olympic should also be too strong for Wests, with the remaining match seeing Wolter Park about to get their first win in their match against Clairvaux. On Sunday, leaders Inala will take the points away from Deception Bay.

DIVISION 8

After last week's great result, can Beenleigh do it again and convert 1 point into 3 at the expense of visitors Bayside, living dangerously I'll put my neck out and say a home win. Oxley will retain all 3 points with Mt Gravatt, Jimboomba will have absolutely no success when they host leaders Mooroondu, whilst University will have a tight struggle with Loganholme but will come up trumps at 2.30. On Sunday, Latrobe will be marginally better than their hosts Bethania.

DIVISION 9A

On Friday Rochedale will be a touch better than visitors Inala to retain the 3 points, whilst on Saturday Eagles and LCK will enjoy their outing, placed where they are, wouldn't be at all surprised to see the home side get up. Also that afternoon Olympic will struggle in their match against Acacia Ridge, whilst at Richlands visitors Coalstars will be in for a torrid time, a lot of incentive in this match just look at their positions on the table, score draw would be no surprise. Leaders Taringa will crank up again after their week off and will enjoy their match against Wynnum, whilst on Sunday Annerley, lowly placed that they are, should still be too strong for Browns Plains.

DIVISION 9B

Three matches on Friday night with the width of the table between the first one Albany Creek and The Gap, leaders to be untroubled, at Bellbowrie Moggill will have a slightly tougher match with visitors Pine Hills - visitors narrowly favoured whilst at Spencer Park it's anybody's guess as to who will pick up 3 points in this one. however the sky blues win the toss. On Saturday only one match with Mooroondu expected to take the points from Lions.

On Sunday Brighton should be too strong for visitors Kingsridge who themselves have fallen a little on the wayside of late, tough match to predict at Dakabin but the home side looks like they will pick up 3 points at the expense of visitors Rochedale. The remaining match will be an absolute cracker when Margate and Wynnum meet - and losing more friends in this tip, home side narrowly favoured.

Top women's teams battle for league supremacy

The battle of the top of the table between North Star and the QAS remains an ongoing one.

QAS are leading the table with 10 points but North Star still have a game in hand on Wednesday night against the Gold Coast.

Coalstars had a 1-0 win over Eastern Suburbs who defeated the Gold Coast last Wednesday night 9-0.

Several Easts players were hit by colds during the week, but this was probably still no excuse. All in all it makes for a very close second round.

Capalaba have gained the ascendancy against Souths in the second division and that battle will be close all year as well.

Division 5 is an extremely close race between five teams and may well go down to goal difference.

Rochedale slipped back with a draw on Sunday, but still maintain a slender lead over Pine Hills.

Congratulations to Samford in division seven for their great 4-0 win over Brighton.

All teams have been selected for the State Titles and Brisbane is sending a total of 92 players and 14 officials to Cairns over the long weekend in June to contest the best the State has to offer.

Many sacrifices have been made by players and parents alike to raise the cost of airfares and accommodation.

It will be costing the players in the vicinity of \$625 to take part, and players and Committee wish to thank all those supporters out there who

bought raffle tickets or supported the girls an any other way.

FIFA ratifies Aussie deal

The qualification path for the 1996 Australian Olympic soccer team was ratified at a meeting of the FIFA Executive last Friday in Zurich.

Chairman of the Australian Soccer Federation, John Constantine, confirmed that the Oceania winner would play the third placed Asian team on a home and away basis.

"Ideally we would have liked automatic qualification for the Oceania winner, however we are more than happy with this result," Mr Constantine said.

"Playing the third Asian country was our next best scenario.

"FIFA were impressed with our submission and full credit must go to Charlie Dempsey, President of Oceania and Josephine King, Secretary of Oceania."

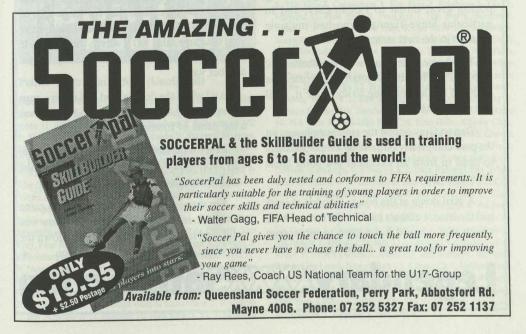

The decision on the Olympic team follows the decisions made on the qualifying paths for both the under 17 and under 20 teams.

Both World Championships for these age groups would be held next year, with the Oceania entry having gained direct entry to both competitions.

FIFA also confirmed that the Confederation which hosts an Olympic Games would not lose an allotted qualifying position. As a result, the 2000 Olympics in Sydney could well have two Oceania teams, with Australia automatically qualifying as host and one other team given the chance to qualify.

The FIFA Executive at the same meeting also ratified that the 1998 World Cup to be held in France, would be increased to a 32 team competition.

The actual break up of the additional eight positions is yet to be finalised, however Oceania representatives remain confident one of the eight additional places would be allocated to the Oceania winner.

Shootout at Logan Coral

It was a "Shootout at the LK Coral" last Saturday when the guys in gold from Goodna travelled down to meet the Black Kings of Logan City, to determine who would be top of the tree for yet another week in Division 3.

On the big wide open spaces of Meakin Park, it looked like the good guys from Goodna would positively annihilate their opposition in the opening 15 minutes when they had two excellent shots narrowly going wide, followed by a free header from striker, Steve Hannah going unbelievably wide when he had the whole goal to aim at.

The men in black started to come into the action more and more, none more so when busy striker Darren Gray was tripped on the edge of the box, but the subsequent free kick by Rod Pomer was tipped over for a corner by keeper Craig Reimers.

Play went from end to end with Goodna's deft switching of play from wing to wing posing great threat to Logan City, and in particular Steve Hannah who had multiple chances in the first stanza.

The home side were well marshalled by skipper Paul Welsh who totally dominated the midfield but had nothing to show for it, until just on the half hour.

Darren Gray one of the smallest players on the park completely outjumped keeper Reimers to head in from an excellent pin point cross from the right.

A goal down at the break, Goodna at least had the breeze at their back in the second half, which they should have used to advantage having a very tall and mobile forward line,

KINGS

THE THE GAMECOCKS

however what advantage they did have they lost when Terry New was sent off for his second cautionable offence.

This made life rather difficult for the visitors, and it showed in their play over the next 20 minutes.

It was a match that was played, by and large, in excellent spirits and whilst it was relatively physical, most of it was within the laws of the game, and it was a match that was excellently controlled by Referee Steen.

Last ten all Goodna

The last 10 minutes was all Goodna, and if they had played like that for the whole of the second half they could, and should, have won the game, alas 1-0 it was to the home side to again put the Kings back at the top for yet another week.

And when the dust settled and the six guns were put away, one would have to say this was a top game of football to watch.

Best for the home side were skipper Welsh ably supported by Darren Gray up front, whilst Lee Preston also shone.

For the visitors, Jason New had a top game at the back, in midfield Darryn Beauchamp was solid, and up front Greg McPherson down the left wing. A most enjoyable afternoon.

PINE RIVERS V ROCHEDALE ROVERS

Wendy Allison Park, Strathpine, Saturday May 28, 7:00pm Referee - K Osborne

Rivers are continuing their chase of League leaders North Star and find themselves now only five points behind, courtesy of some convenient results two weekends ago.

TARINGA ROVERS V ROCKLEA UNITED

Jack Speare Park, Sunday May 29, 2.45pm Referee - B Power

The boys from Taringa have been extremely patchy of late and this is a must win game for them. The Rovers have let the rest of the competition catch up with them and could find themselves struggling in the middle of the pack if they drop this match.

Rocklea came away with a draw in their first match under new coach Nick Grigic and will be full of enthusiasm for this match.

MATCH WINNERS

Taringa goal keeper Jason Lucas played below par last weekend and will be keen to make amends this week. For Rocklea. youngster Mark Luburic will need to play out of his skin to help his side stop the Blue Machine.

BRISBANE LIONS V WYNNUM

Lions Stadium, Richlands, Sunday May 29, 2.45pm Referee - E Kearney

Brisbane Lions are on a roll and you would be a game man not to back them this weekend.

The boys handed out a 4-1 defeat to North Star in their last match and look like real contenders for this year's title.

A lacklustre Wynnum were comfortably beaten 3-0 by Easts last Sunday and injury problems to key players, including striker Alan Eilmann, will not help their cause.

MATCH WINNERS

Prentice Park, Lutwyche, Sunday May 29, 2.45pm Referee - P Hulme

The Ridge have slipped into relegation contention after some solid performances by Easts and know they must win.

North Star were brought back down to Earth when they were comprehensively beaten 4-1 by Lions in the last round. They will be out to reassert their authority in this match.

MATCH WINNERS
