# Upsets too close for comfort

Last weekend's round of XXXX League matches almost provided the first genuine upsets of the season.

Gun side Rochedale Rovers were lucky to come away from Pine Rivers with a draw and a point after a match of two halves at Wendy Allison Park.

The home side came out firing and went into the break with a 1-0 lead. However the Pirates regrouped at half-time and found the equaliser through Kieran Cooper.

Chances went begging for the visitors, who were denied maximum points, by some great Peter Underhill saves.

High-fliers Brisbane City were also fortunate to keep their 100 per cent win record intact at Carmichael Park last Saturday night.

In a fairly spiteful match, Wynnum held the visitors scoreless for the majority, however a Damien Waugh (pictured) strike seven minutes from full time gave City the points.

North Star continued its run of good form with a steady 2-1 win over Coalstars at Bundamba, while Lions flogged Easts at Richlands by four goals to nil.

In the local derby between Grange Thistle and North Brisbane, Thistle took the three points winning the match 2-1.

Grange scored all three goals and North Brisbane were unlucky not to take a point.

In the final match of the round, Taringa Rovers got their first win of the season with two late goals giving them a 2-0 victory over a struggling Willowburn.

Once again Willowburn could consider themselves a little unlucky and would be looking for a change of fortunes this week.

Round four of the XXXX League should provide some very interesting matches.

The match of the round would be the clash between Rochedale and Brisbane Lions at Underwood Park Friday night.

Both teams are on seven points on the table and no doubt will be in finals contention at the end of the season. The winner could hold an important psychological advantage for future matches.

In the other Friday night match North Star play host to Wynnum. Sunday sees, Easts meet with Taringa at Heath Park, North Brisbane take on Pine Rivers at home, Brisbane City do battle with Grange Thistle at Spencer Park, while Coalstars travel west to Willowburn.

# ASF warns clubs & players

The issue of players' agents has recently been addressed by FIFA.

Distributed FIFA regulations on this issue have been followed by a request from FIFA to

publicise this matter to both clubs and players.

Accordingly, we reproduce a letter from the Australian Soccer Federation and ask that its contents be noted by all concerned.

# PLAYERS' AGENTS REGULATIONS

We refer to previous correspondence on this matter, in which we have forwarded copies of the FIFA regulations governing Players'

FIFA has written to National Associations advising that it has been repeatedly drawn to FIFA'S attention that there are scores of unlicensed agents acting on behalf of players.

We need to point out that if a club is interested in procuring the services of a player, it may negotiate only with an agent who holds a license that has been issued in accordance with FIFA'S

Any club or player that contravenes one or more of the interdictions regulations. (cf. Art. 17 and 18) will be liable to sanctions.

One of the objectives of these regulations is that FIFA intends to give as much support as possible to licensed players' agents only, thereby rejecting any players' agents not recognised by FIFA and any clubs which negotiate with non-licensed agents.

We ask all National Soccer League Clubs to take note and We ask State Federations to notify their clubs of the FIFA regulations.

Players' attention should also be drawn to the FIFA regulations.

Separately, we will also bring the matter to the attention to the Australian Unity Soccer Players Association.

Yours sincerely,

Ian Holmes Chief Executive ASF

# EDITORIAL .....

Congratulations to the XXXX Queensland Bulls after their comprehensive display in the Sheffield Shield Final at the Gabba earlier in the week. Queenslanders have waited a long time for the "Holy Grail" to take rest in the Sunshine State, and it was excellent to see the Queensland team dominate the way they did. The outright win against the "Crow-Eaters" was the perfect way to finish off a highly successful season and shake off Sheffield Shield cobwebs that have accumulated over the past 68 years.

Let's just hope that it won't be a similar period of time before Queensland grabs a National Soccer League title. Many people may have written the Brisbane Strikers' finals aspirations off after recent losses to Morwell and Adelaide City. The fact is however that the Strikers still have a chance of making the top six. There is only two more rounds to go in this year's NSL competition. The best the Strikers can hope for is 5th or 6th, as the top

four positions are now out of their reach. Currently the Strikers are in 8th position on 36 points, nine points away from 4th placed West Adelaide, three points from 5th placed Morwell, and just two away from Wollongong and South Melbourne (38). It would be safe to say Morwell will make the top six. The Falcons have been in great form recently and will be hard to knock out, although they are still yet to play 2nd placed Sydney United. Wollongong have hit a severe form slump and must play Adelaide City and Sydney Olympic in the last two rounds. South Melbourne have two very tough matches to play against an inform Melbourne SC and League leaders Melbourne Knights. The Strikers meet Sydney Olympic at Perry Park this Saturday night and follow up with a trip to Marconi for the final round. Two wins or even a win and a draw could see the Strikers realise a historic finals berth in the National Soccer League. Clearly anything could happen, and as we all know the game is not over untill the whistle blows.

# FROM THE SIDELINE

Friday night's XXXX League clash between Rochedale Rovers and Brisbane Lions at Underwood Park has more than three competition points up for grabs. The winner of the match will take with them the Albert and Logan Shield. The Shield, sponsored by Quest Newspapers' Albert and Logan Shire News was instigated a couple of years ago to add a little more incentive for both teams to win whenever they met in the XXXX League. Lions currently hold the Shield but Rochedale are keen to take it back when the game kicks off this Friday night at 8.30pm.

A promise made ten years ago enabled long serving QSF staffer Trish Betts to take in a day at the Gabba for the successful Sheffield Shield Final. The promise was made when the Queensland side started their charge in the mid 80's, with most QSF staff (like all other Queenslanders) following their fortunes closely. QSF Secretary Jim Gilbert promised Trish that

when Queensland did host the final he would allow her to have a day off and go to the first day's play. Jim kept his promise and Trish duly had her day at the Gabba.

# Taringa notches its first win

Taringa Rovers opened their account for the season and left Willowburn anchored to the foot of the table with a dominant 2-0 win over the Toowoomba side at Jack Speare Park on Sunday.

Two second half goals from Stuart Collins and Greg Swadling provided last year's grand finalists with their first win in a disappointing start to 1995.

The home side dominated the first half in atrocious conditions but failed to take the lead due to a combination of errant shooting and some good goalkeeping from Willowburn custodian Trevor Gilliland.

Taringa were unlucky not to open the scoring in the 23rd minute when Anthony McCulloch shot wide after a good cross from Stephen Starr.

Rovers continued to attack and were almost rewarded soon after when Greg Swadling and Stephen Starr both had good opportunities but shot wide.

It was the Toowoomba side who almost opened the scoring early in the second half with midfielder Mick Turvey deprived a goal by a great save from Taringa keeper Jason Lucas.

Turvey found some room in the Taringa penalty area and his shot was goal bound before Lucas deflected the ball onto the crossbar and back into his hands.

The match slowed as the rain continued to fall, but an inspired substitution from Taringa coach Juan Cutillas turned the tide in his team's favour.

Stuart Collins was only on the field a matter of minutes when he ghosted into the Willowburn penalty area and calmly slotted the ball into the corner of the net.

Willowburn's new coach Steve Pennells is being forced to play his youngsters due to a lack of depth in the club

The home side put the match beyond doubt in the last minute when Greg Swadling chimed onto a ball from John Ogden and spectacularly volleyed the ball past Gilliland from thirty yards.

Cutillas was happy his side recorded their first win of the year but disappointed with the finishing that allowed the visitors to stay in the match.

"We showed perseverance and dominated the game, but the score should have been much higher," he said.

"There is big room for improvement and we will be a better side when (Glenn) Kolpak and (Reece) Tollenaere return from the QAS."

Willowburn coach Steve Pennells believed the turning point of the game was his side's missed opportunities after the break.

"I think if we had of scored either of those two goals Taringa may have folded," he said.

"Ultimately it was inexperience that cost us the game."

# Before The Whistle

This weekend's fixtures are spread over the entire weekend with many more matches than usual scheduled for Friday night. For those that don't look beyond their own club's activities, the reason for the Friday night scheduling, is that the last home game of the Strikers is being played on Saturday night at Perry Park.

# **DIVISION 2**

Neighbours on the South-side of town, Souths and Beenleigh not having much luck of late, looks to be an away result on Friday at Runcorn, whilst up at the Ridge, it looks to be a home win when Logan City come visiting.

Remaining matches are on Sunday with, coleaders Nerang and St Helens clashing down the coast with Nerang cock-a-hoop after last week's victory over Olympic, they look to continue in this one. At Dunn Road, the homeside probably will retain the points against Mt Gravatt. At St Lucia, St Albans may well continue their good run at the expense of University, whilst in the evening game at Goodwin Park, it could well be a cracker, but Inala may just sneak the points.

### **DIVISION 3**

Again, two matches on Friday night with Goodna and Annerley neck and neck on the table, but with the home-side slightly more favoured due to their good home record, at Albany Creek near neighbours Mitchelton come calling, and the visitors may just continue their unbeaten streak in this one.

Remaining matches are all on Sunday, and Latrobe may well continue their high goalscoring, but alas, will not retain the points against Slacks Creek. At Dakabin North Pine will similarly hope to stem their goals against, when Redlands visit them, with the visitors favoured to take the points home. Newmarket

and Clairvaux looks to be a tight struggle, will it be three draws out of three for the home-side in this one? Whilst the match between unbeaten Capalaba and The Gap could be a fair cracker, a score draw would not surprise.

# **DIVISION 4**

On Friday evening Moggill will retain the points against visitors Pine Hills, whilst two teams without any points on the board whatsoever, meet in Ipswich when near neighbours Oxley come visiting, home-side the tip.

Two matches on Saturday with Western Suburbs likely to keep the points against a disappointing Loganholme, similarly Samford should do much better this week when South Star pay them a visit.

On Sunday, Brothers and Redcliffe will be a much tighter affair, however the home-side should retain three points. The remaining match is between Darra and Southside Eagles should be an excellent match in prospect, and if there is to be a loser in this one, it may well be the home-side receiving the first for the year.

### **DIVISION 5**

Bayside may well retain their 100% record on Saturday against visitors Jimboomba who themselves are having a good run, whilst The Gap will have absolutely no success whatsoever, against Olympic United the same afternoon. Similarly Browns Plain will enjoy the short trip down the road to Bethania, but the match at Ebbw Vale between St Helens and Greenbank should be a much tighter affair, a draw would not surprise. The remaining match between Goodna and University looks very much an

away tip. One match on Sunday between Woodridge and Slacks Creek with the homeside narrowly favoured.

### DIVISION 6

The bye having been taken up in this Division, all teams will now have a match every weekend. One game on Friday looks to be a home win for Logan City over Mt Gravatt. Mitchelton should enjoy the early match up at St Helens, whilst Inala and Souths could well share the points. Acacia Ridge will be too strong for Annerley, similarly Olympic will be far too strong for Beenleigh. The remaining match on Sunday morning between Capalaba and Redlands will be a much tighter affair but the home team should finish up with the points come 12.30.

### **DIVISION 7**

Mt Gravatt will retain the three points against visitors Redcliffe on Saturday afternoon, similarly Bayside will have an enjoyable early game against Jimboomba. On Sunday, however, Mooroondu and Albany Creek will have a much tighter affair with the home-side the tip, Newmarket to retain the points against Clairvaux, Margate will retain their 100% record against University, but visitors Park Ridge will be taking home three points when they visit Darra for the early match.

### **DIVISION 8**

In at least two of the Saturday matches the visitors will be going home joyful, these will be Acacia Ridge over Annerley and Olympic to defeat The Gap, the reverse however will be the case when Eagles will retain three points against Park Ridge.

On Sunday, Kingsridge will be out to embellish their higher status when they visit Pine Hills and should do so, and judging by their goal-scoring, this is not a problem. In the remaining two matches, similarly the visitors should retain the three points, Albany Creek certainly should against Mooroondu, whilst it may well be a tighter affair at Dakabin but Samford should still take the points home.

### **DIVISION 9A**

On Friday evening the battle of the bottom will take place at Richlands between Lions and Pine Hills, and judging by defences Brisbane Lions should be the favoured team, at Lanham Park the same evening, home team Grange Thistle should retain their 100% against visitors Wynnum, similarly Capalaba will continue at the top against Lions. One match on Saturday between Taringa and Kingsridge looks to go the way of the blues, whilst on Sunday Margate and Coalstars look to be much tighter, but homeside still strongly favoured.

### **DIVISION 9B**

At Richlands on Friday in the early game on Friday, Brisbane Lions will be rudely awakened against Browns Plains who will continue their goal-scoring powers in this one. On Saturday afternoon the other Lions team will have more success when they visit the Cleveland Showgrounds. Also on Saturday afternoon the match between Taringa and The Gap will be a much tighter affair, however the Blues should still retain the points, meanwhile at Spencer Park, Wynnum will almost certainly take the points home. One match on Sunday between Souths and Greenbank when the the visitors will take the three points with them.

# READ between the LINES

All the goss with Brent Read

It's been an interesting start to the season down Rochedale way. The preseason favourites won their first two games and drew the third, but not without incident.

In their first game against Wynnum, Eddie Lees assumed the captaincy when regular leader Gary Bratten was forced off the field with injury. Eddie marked his first game as Rochedale captain with a victory and a sending off.

To make matters worse, his dismissal was quickly followed by that of team mate Kieran Galloway. Just to accentuate the 'tragedy', both players were sent off seconds before the full time whistle.

Eddie's brother Andy wasn't spared either on this auspicious occasion. After scoring, he was forced to leave the field with an injury to his knee.

Sources at Rochedale say the injury could have occurred during Andy's trademark goal celebration involving something resembling a triple roll in the pike position with a three point degree of difficulty.

The side then went on to win their second game against Grange Thistle after suffering another sendoff. The third game against Pine Rivers petered out to a tame draw and was marked by some errant finishing, but more importantly, no sendoffs.

Kim Wishart must have been wondering what his side was capable of with a full compliment of players on the paddock. After Saturday night's game, he'll probably look forward to having players sent off every week.

Away from the XXXX League, it's good to see the Queensland Soccer Federation has

While Andy

decided to recognise all current and former Queensland representatives with a pass that gives them free entry to games under the guise of the Federation.

In sports such as rugby league and cricket, Queensland representatives are showered with jerseys, training gear and mementos for achieving the honour of wearing the maroon.

However, in Queensland soccer over the last few years, the players have had little to show for an achievement that is held in such high regard.

While the honour of representing the state far outweighs anything received in return, players like to have something to show for their efforts.

With the inception of the pass, players are given perpetual recognition for their achievements, and that can only be good for the game as well as the players.

Speaking of the Queensland side, by the time this article is published I assume it'll be safe to say Queensland have the Sheffield Shield well and truly in the trophy cabinet.

It's been a long time coming and hopefully the Queensland soccer team can follow the lead of their more high profile proteges and regain the Sir Robert Muldoon Trophy from Auckland later this year in New Zealand.

# **ROCHEDALE ROVERS V BRISBANE LIONS**

Underwood Park, Rochedale, Friday March 31, 8.30pm Referee - G Brownlie

Rochedale were fortunate to come home with a draw last weekend against Rivers. Their second half performance was excellent, but they must play for the full 90 minutes if they are to topple Lions.

Lions showed they can be deadly in front of goal during their 4-0 thumping of Easts in the last round. If their front men remain on target this week, Rochedale could have problems.

### **MATCH WINNERS**

This could be a battle of the strikers. Kieran Cooper is beginning to hit the target for Rochedale, while David Munn scored a fine double last week for Lions. Either of these players could turn this match into a victory for their respective teams.

# **NORTH STAR v WYNNUM**

O'Callaghan Pk, Zillmere, Friday March 31, 8.30pm Referee - B Power

North Star are showing everyone they are not going to relinquish their Premiership without a fight. Billy Williamson is doing just the right things at the moment, and Wynnum will find his side hard to beat.

Wayne Gracey may look to use similar spoiling tactics to those his team engaged in last week, which could test the temperaments of some of the North Star players.

### **MATCH WINNERS**

Damien Rosenthal's Man of the Match performance against Coalstars last week possibly marked the return to form of a highly skilled player. Look for him in this one.

The return of Wayne Corbett to Wynnum's defensive line has been welcomed by Wolves' supporters.

# **FASTERN SUBURBS V TARINGA ROVERS**

Heath Park, East Brisbane, Sunday April 2, 2.45pm Referee - J Palmer

After suffering a 4-0 hiding last week, Easts would be keen to get back to the form that enabled them to defeat Pine Rivers a fortnight ago.

Taringa had their first win of the season last week and have got a bit of work to do to catch up to some of the higher teams. They can not afford to drop this match.

### **MATCH WINNERS**

Tigers' keeper Chris Roche would not have been happy letting in four goals at Lions. He will be out to ensure Easts are not on the end of a second thrashing.

Taringa have been struggling to find the back of the net, and it is imperative guys like Stephen Starr begin to find goal scoring form.

# **NORTH BRISBANE V PINE RIVERS** Lanham Pk, Grange, Sunday April 2, 2.45pm Referee - D Prentice

Both teams are searching for first wins of the season, which could ensure an entertaining match. North Brisbane have not been playing all that badly, yet are still to get off the mark.

Pine Rivers have been patchy in the early part of the season and certainly struggled away from home against Easts. Maximum point here would lift them into the middle of the table.

### **MATCH WINNERS**

Willie Carter had a fantastic game last week for the Aces, who will be looking for a similar effort from the youngster again in this game.

Rivers keeper Peter Underhill has been performing well in goals and can be the nemesis for any opposing team.

# XXXX SOCCER LEAGUE - ROUND 4

# **BRISBANE CITY V GRANGE THISTLE**

Spencer Park, Newmarket, Sunday April 2, 2.45pm Referee - D Crawford

City have shown themselves to be the form side in the first few rounds. They have a well balanced side and are dangerous from anywhere on the park.

Grange have been fighting hard and have come up with good results. Thistle also defeated City twice in Division 2 last season, which should give them added confidence.

# **MATCH WINNERS**

Damien Waugh proved to be the difference last weekend against Wynnum and could well do it for City again if given room to move.

Grange's "Mr Consistency", Effie Cassar, proved his worth yet again last week with another solid performance. City must stick close to the little man.

# **WILLOWBURN v COALSTARS**

Bridge Street, Toowoomba, Sunday April 2, 2.45pm Referee - G Nicholson

Willowburn, though struggling for a win, have been unlucky in their last couple of matches. Coach Steve Pennels would be hoping the luck begins to fall his team's way.

Coalstars have not taken a point in their last two outings and would be keen to get back in the winners' circle against a struggling Willowburn.

# **MATCH WINNERS**

Willowburn's injury problems have not helped their cause any. Look for Shane Biber however, to fire in this match.

Coalstars have been lacking in the scoring department of late. David Guest could be the one to get the Coalminers back into scoring mode.
