# \$10,000 Cup comp hots up

This long-weekend the spotlight turns away from the XXXX League competition and onto the 1995 XXXX Queensland Cup.

The Cup (pictured with QSF's Debbie Lovnes) is a state-wide competition involving all 12 XXXX League clubs and nine regional affiliates, and is in its fourth year.

The newly-revamped competition replaced the old Ampol Cup and provides for more quality matches in many of our regional areas.

With \$10,000 worth of prize money up for grabs, the Cup is well worth winning.

Already the XXXX League clubs have played their inter-club matches, with a number of the regional centres also playing between one another.

After Monday many of the quarter finalists will be known, with the country teams ready to show the boys in the city that they will not be overshadowed.

Teams such as the Gold Coast Gamblers and the North Queensland Razorbacks have been preparing themselves over the last couple of months for the Cup, and are stacked with former . Bundaberg, in their campaign, and both of these XXXX League players.

Mackay was the only country team to proceed to the Quarter Finals of last year's

Oueensland Cup, only to be knocked out by Wynnum.

Hopefully this year more of the country teams will pose a threat to the city sides.

One thing is certain, Brisbane City will be the team to beat.

City are still undefeated after seven rounds of the XXXX League, and are packed full of stars including Queensland squad members Mark Battistin, Damien Waugh, and Mark Greer.

City have drawn Maryborough and regional sides will have to be right on their games to knock them off.

Look out for the complete list of 1995 XXXX Queensland Cup squads in the back pages of the magazine.

# State Squad best in years

**Oueensland coach Juan Cutillas believes** his XXXX State Squad is the best the public has seen for many years, and will be extremely competitive in the upcoming representative season.

Cutillas named a very large squad of 23 players to prepare for the XXXX State team representative program.

Included in the squad were six players from the Brisbane Strikers, and another seven from the National Soccer League, with ten XXXX League players making the grade also.

The seven players from down south are Jason Polak (South Melbourne), Manis Lamond (Sydney United), Glenn Gwynne, Andrew Brayshaw, and John Koch (Parramatta), and Steve Corica (Marconi).

Cutillas said he was awaiting confirmation from these clubs for the players' availability.

"The NSL players down south are all very established and should be in tiptop shape," he said.

"I'm not expecting all of these players to be available to play so I just hope that we are able to get three of them in the team.

"This is a very good squad and it is probably the strongest Oueensland has put up for many many years," Cutillas said.

"The squad has been picked on a combination of current form, experience, and past performance.

"I've seen a lot of the ten XXXX League players this season and they are all playing very well."

Cutillas said he was relieved to be able to select players from the Brisbane Strikers for this year's representative program.

"The Strikers' players who have been included in the squad are the younger, more

promising ones, except for Alan Hunter, whose experience and skill could not be overlooked," he said.

"The two keepers are two of the best goalkeepers in the country, while (Chris) Slater and (Sean) Cranney have both played for Queensland before and are both very keen to represent their State again."

Young midfielder/striker Chay Hews has also been rewarded with inclusion following his successful baptism of fire into the NSL.

The squad assembled for its first training session on Wednesday night in preparation for the XXXX State team's first match against Canterbury in Christchurch on May 10.

The full State squad and the 1995 representative program is ....

Clint Bolton, Graham Ross, Alan Hunter, Chay Hews, Sean Cranney, Chris Slater (Brisbane Strikers), Mark Greer, Damien Waugh, Mark Battistin (Brisbane City), Stein Grodum (Easts), Danny Cox (North Brisbane), Craig Collins, Darren Hillier (Rochedale), Stephen Starr, Brenley Jefferd (Taringa), Brian MacNicol (Heidelberg), Lee Scriggins (North Star), Jason Polak (South Melbourne), Glenn Gwynne, Andrew Brayshaw, John Koch (Parramatta), Manis Lamond (Sydney United), Steve Corica (Marconi).

## EDITORIAL .....

It was extremely disappointing both from an administrator's and a supporter's point of view to hear the news that Brisbane missed out on hosting one of the upcoming international matches against Ghana. An application was made to the ASF to host one of the games, based on the popularity and support Ghana was given during the 1993 World Youth Championships in Australia and the excellent crowd that was in attendance for the recent match between the Socceroos and Colombia at Suncorp Stadium. The crowd of 13,500 at the Colombia match ensured the financial result from that game was extremely pleasing from both the QSF and ASF's perspectives, and an even bigger crowd was expected for the popular Ghana. The cities that got the nod ahead of Brisbane were Perth and Adelaide, with Sydney getting their regular match. No doubt Perth will get a good crowd to their match, however the decision is a little disheartening for Queenslanders when you consider Brisbane had such a good attendance

at a mid-week international, while Sydney had only 1,500 more in attendance on a

Saturday night, and Adelaide's Hindmarsh Stadium, whilst an excellent venue, can only hold 10,000 people. Despite missing out on this match, the OSF will not lessen its resolve to make further applications for more international matches. Our state is the fastest growing state in the country, and this expanding population along with our healthy junior base in Queensland are factors the ASF can not ignore. On a positive note it was pleasing to read ASF Chairman David Hill's comments regarding more international matches for the Socceroos. Hill called for a minimum of 16 matches for the Australian team, including games against World Champions Brazil, and other prominent nations such as England and Argentina. In light of this, perhaps Queensland will secure more internationals in the near future, especially now that we have the runs on the board.

## Coalstars pick up the points

by Marco Monteverde

Coalstars recorded their first win since the opening round of the XXXX League season, defeating Grange Thistle 4-2 at Lanham Park on Saturday night.

After having only picked up one point in their last five matches, Coalstars win has dragged them away from the bottom of the table.

They took the lead after only five minutes through Troy Hews who got on the end of a David Guest cross, leaving Grange keeper Nathan Higgins with no chance.

Their lead was short lived as Darren Bender equalised for the home side in the 16th minute, scoring from close range after capitalising on some excellent work from player-coach Danny Docherty.

Docherty had the chance to give Grange the lead after 24 minutes from the penalty spot, following a challenge from Coalstars keeper Kevin Farrar on Bender. Farrar made amends, however, saving well from Docherty's spot kick.

Grange paid for that missed chance nine minutes later when man-of-the-match Guest caught keeper Higgins off his line with a powerful drive from nearly 30 yards, which rocketed into the crossbar before finding the net.

More was to follow for the boys from Ipswich in the 44th minute, when Higgins failed to punch a poor Effie Cassar clearance, leaving Wes Park with an easy tap in header.

Not to be outdone, Grange hit back one minute later through Steve Love who rifled a shot past Farrar to make it 3-2, after the Coalstars defence had failed to clear the ball from the penalty area.

Both teams slowed down somewhat after the break, following the ferocious pace of the first half. Guest had a chance in the 63rd minute to make increase the visitors lead but was foiled by Higgins in a one-on-one situation. Coalstars continued their charge, and where only denied by the crossbar in the 71st minute after a magnificent Adam Daly free-kick.

Wayne McGauley had the chance to equalise in the 87th minute for Grange, but finished poorly with only Farrar to beat.

The home side were reduced to ten men one minute later, when defender Sean Armstrong was sent off for his second bookable offence.

Coalstars finally put Grange out of their misery in the 91st minute when Guest tapped in from six yards after good work by Hews on the left.

Coalstars coach Wayne Warren was relieved to finally record another win.

"I told them at half time that I didn't care if it was pretty or not. We needed the points," Warren said.

"There is still a lot of work to do though."

Grange spokesperson Paddy Higgins was disappointed with the home side's performance.

"They wanted to win more than we did," Higgins said.

# Regional coaching heads boost Queensland soccer

Queensland soccer has been very fortunate to secure the services of some of the best soccer professionals in the country to work as Regional Directors of Coaching (RDOC's). These men enjoy a high profile within provincial areas and are not simply junior coaches. They are involved in the game at the highest level, developing people to coach State sides, and shaping future national representatives. Over the coming months *Eye On Soccer* will be taking a closer look at these men, giving an insight into their roles and responsibilities, and seeing exactly how much they are doing for the game.

At just 29, North Queensland's RDOC Mark Boyd, is the youngest of the State's Regional Directors of Coaching, but has had a wealth of experience both on and off the playing field.

A colourful representative career in his younger days, including the Australian Schoolboys and Australian Youth Squads, and a stint with the Australian Institute of Sport, set Boyd up for a short senior football

career, with Brisbane teams, Pine Rivers, Brisbane City, North Star, Mt Gravatt, and The Gap.

Boyd took the North Queensland RDOC position at the beginning of 1993 at a stage when the position had been vacant for more than 12 months.

"The previous RDOC Andrew Bettell had done a great job up here, but after he left to take up the RDOC spot on the Gold Coast, the organisation of soccer was lost and interest was waning," Boyd said.

"We are now just starting to get back on track again and are reaping the rewards of the hard work put in during the last couple of years.

"Without a Regional Director of Coaching in place, the attitudes of the people begin to drop, and the lack of organisation and professionalism goes down through the levels to the younger people, so the game really suffers." Boyd's role up in Townsville

basically encompasses the development of coaches and players, including educational work in the form of Level 1 and 2 coaching courses.

rd "We set up coaching courses k Boyd for clubs and development programs for the junior associations," Boyd said.

"It's really a hands on job responsible for full development through all levels of the game, and we're starting to see a genuine improvement in the standard of players up here.

"We've made a big impact in the area in the last couple of years.

"All of the coaches in our Premier League are Level 3, the Townsville Soccer Academy has been formed, where younger players from the local clubs are brought in for added coaching, and the QSF TAPS (Talented Athletes Program Soccer) program is in place as part of the Federation's development of elite athletes.

"With all of these things going on, competitive representative sides can be picked from the region and players have a grounding whereby they can enter State teams." >

### FROM THE SIDELINE

The QAS girls took out the 21st Annual Watson Shield last weekend after defeating Eastern Suburbs 1-0 in the tournament. The girls knocked off Brisbane City, Queensland University, and Slacks Creek to make the final, with Easts beating Mt Gravatt, the Gold Coast, and winning on penalties after being held to a scoreless draw by North Star to reach the last game. In the Consolation Cup final Margate defeated Sunshine Coast Youth 1-0.

It was more like a game of tennis out at Richlands during the XXXX Reserves match between Lions and North Star. Midway through the first half Lions led 4-0, before the visitors pulled it back to 4-2 at half-time. Magic words at the break inspired North Star to score four goals in a row to take a 6-4 lead, with Lions springing back into action straight afterwards, scoring another two to make it 6-6 at full time. The final score: 0-4, 2-4, 6-4, 6-6.

#### .....Continued from previous page

Participation levels have gone up by 27 per cent in the North Queensland area in the last twelve months and soccer is still the most popular junior sport by far, however the region's talent identification scheme has not been as successful as first hoped.

"Restricted numbers makes it difficult to play a high standard continuously, but we're looking at changing attitudes by exposing kids to a higher level of competition," Boyd said.

"We are developing good players, but we need a regular senior competition that younger players can aspire to so they don't have to leave the region to continue playing good competitive soccer.

"The advent of the North Queensland Razorbacks' senior team is a good starting point for these youngsters, but regular games against competitive teams are needed. The Division 5 match between Bayside United and Olympic saw one of the more freakish goals of the season, scored by Olympic's Perry Zamagia. The striker knocked a half volley from half way with a powerful strike, to find the net. XXXX League referee Ted Kearney was on hand and said it was one of the best goals he had ever seen.

Be on the lookout for Japanese club Yokohama Marinos, who will be out in Australia for a two week training camp very soon. The club is sponsored by huge motor company Nissan, and will be using Perry Park exclusively for two daily training sessions for the durationof their stay.

"Letters to the Editor" has not yet made an appearance this season, surely some of you have points of view you would like published, or even some constructive criticism is welcome.

"Currently we are investigating the possibility of getting into one of the Asian competitions."

There are no XXXX League or Queensland Cup matches being played in Brisbane this coming weekend so all eyes, and hopefully support, will turn to the lower Divisions, where at times there is some quite sparkling football played, unfortunately not always seen by the masses.

With the Beenleigh/St Albans match postponed due to the Toowoomba lads involvement in the Cup, there is only one match on Saturday between Souths and Inala, this looks to be a win to the visitors.

Mt Gravatt make the trip down the Gold Coast where Nerang should be successful. There will be a closely fought match at Ebbw Vale between Saints and Logan City, with a narrow home win the tip, whilst the twilight match at Goodwin Park should see a win to the Blues.

One match on Labour Day Monday, between Uni and Rocklea with the visitors to continue at the top after this one.

#### **DIVISION 3**

Three matches on Saturday night with Mitchelton looking good things over Redlands, Capalaba to be too strong for Annerley whilst the battle of the Creeks will take place at Wolter Park, with this much more difficult to predict, a home win would not surprise.

One match on Sunday between Latrobe and Newmarket looks very much like an away win, and the two remaining matches on Monday pit teams with contrasting fortunes. At Dakabin strugglers North Pine are home to a strangely

lethargic Goodna, North Pine could pick up a point in this one, whilst at The Gap visitors Clairvaux will probably not be too pleased with the end result.

#### **DIVISION 4**

The Friday night match at Bellbowrie w be an absolute cracker between Moggill a Southside Eagles, and this is most difficult predict as Moggill are trying to protect the unbeaten run, whilst Eagles defensive record he quite superb. Putting ones neck on the block on this one, a home win.

Two matches on Saturday with the afternoon one between Oxley and South Star looking to go the way of visitors, whilst the night game between Ipswich and Loganholme should be a home win.

On Sunday Pine, Hills may well struggle yet again against visitors Redcliffe, although the Hills margin of loss appears to be getting narrower. At Kangaroo Point the match between Brothers and Wests will be a tight affair, however visitors will be too strong at the final whistle, the remaining match between Darra and Samford will go the way of the homeside.

#### **DIVISION 5**

The lone Friday night clash between local sides Goodna and St Helens will have a very churlish set of visitors taking three points home with them. One game only on Saturday between Bethania and Slacks Creek will see the three points remain at home.

Two matches on Sunday, Woodridge to be too strong for The Gap, whilst Jimboomba will not enjoy the visit from Olympic United. Remaining games are on Monday between Browns Plains and University, this will be a very tight match indeed with fortunes favouring the homeside yet again, similarly Bayside will be far too strong for visitors Greenbank.

#### **DIVISION 6**

Half of this weekend's matches are played Friday night, thus the players will be happy having a long weekend off! Acacia Ridge v Redlands looks to be an away win, however Logan City's hosting of Beenleigh will see the three points remain at home, the remaining night game between Souths and Olympic will be an away win, to thus preserve the 100% record of the visitors.

Two matches on Saturday with the one between Annerley and Mt Gravatt looking to be a three pointer for the Hawks, whilst Capalaba and St Helens will see the visitors remains pointless, and remain at the bottom of the table. Remaining game is on Monday between Inala and Mitchelton with visitors to take three points home.

#### **DIVISION 7**

No matches scheduled on Saturday in this division, however the three Sunday games will all be very close affairs indeed. With Jimboomba and Clairvaux, whilst it's a battle of the bottom, both sides should thoroughly enjoy their afternoon, Jimboomba to maybe pick up their first points in this one. Just above them on the table are Darra and Newmarket, with Newmarket looking to have a faint edge in this game. A stark contrast is the remaining Sunday match between Margate and Mooroondu where it's most definitely a battle for the top spot, the homeside should continue their 100% record in this one, however it will be tough. The remaining matches are on Monday, the one between Mt Gravatt and Park Ridge should be one-sided in favour of the visitors, Bayside and Albany Creek will be a home win, whilst Redcliffe and University will be much tighter, however a narrow victory for the Peninsula team is the tip.

#### **DIVISION 8**

The early match at Proud Field will see a win for the Ridge over Samford, and in the lone match on Saturday it is another battle for the wooden spoon between Annerley and Park Ridge with the Blues again favoured. One match Sunday will see Albany Creek taking three points away from Pine Hills.

On Monday Kingsridge will be too strong for Olympic, North Pine similarly will be too strong for Mooroondu, however The Gap, as visitors, will take three points away from Southside Eagles.

#### **DIVISION 9A**

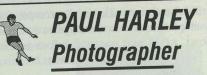

The battle of the tangerines will be on Friday night at Richlands Stadium, however Grange will be the stronger at the final whistle, one match on Saturday between Taringa and Coalstars will see a win for the homeside, similarly in the only match on Sunday, Margate will be winners over Capalaba.

On Monday the more lower placed teams, coincidently, are all playing each other. Lions will be marginally better than Pine Hills, whilst the one between Kingsridge and Wynnum will go narrowly in favour of the homeside.

#### **DIVISION 9B**

Two matches on Friday with the visitors tipped to win both of them, Redlands over Souths, and City to be marginally better than Lions.

Taringa have the bye this weekend as Greenbank have now formally withdrawn. The remaining games are on Monday, with Browns Plains to be far too strong for Lions and The Gap to struggle against Wynnum, with the Baysiders to take three points home.

The Oueensland squad was named this week and its good to see many current National League players, particularly those from interstate, in the team.

In the past, coach Juan Cutillas has had to work with teams predominantly made up of players from the local competition, and whilst they've given their all, full-strength interstate teams have often been too classy.

It seems the upcoming tour of New Zealand where the side will try to wrestle the Sir Robert Muldoon Trophy from Auckland has provided an attractive alternative for the players.

Those who went on the last tour speak of it in reverent terms, even though the side failed in their attempt to grapple the trophy from Auckland.

Players such as Steve Corica and Jason Polak are full internationals and to see them in maroon jerseys is vital for the growth of interstate soccer.

Their return to the state side would go a long way to ensuring the side gains the elusive trophy from their New Zealand counterparts.

With the National League season over for Brisbane's entrant in the elite competition, the side will now look to strengthen their position

before next season starts.

Sources suggest one player who won't be joining the side, much to the Strikers chagrin, is former Australian striker Greg Brown (pictured).

After training with the side infrequently last pre-season, and numerous attempts by the Strikers to gain his signature, Brown has decided coaching is his number one priority and has hung up his boots.

After a fairly successful year, including guiding the QAS side to the semifinals, Brown looks likely to have a long and successful coaching career in front of him.

Speaking of the Strikers, their increasing profile in the state and burgeoning crowd numbers begs the question as to how long the side will continue to play their home games at Perry Park.

With a capacity of under ten thousand, the Strikers continued success may lead to the club seeking more expansive facilities in future years.

Recent modifications at Perry Park have improved the ground for soccer in recent years, but little has been done to increase the ground's capacity.

Lang Park, now Suncorp Stadium, has been mooted previously as a prospective venue for a future Strikers side and if crowd numbers continue to increase, a move in that direction may be a formality.

The ground is not used in the rugby league off-season and the recent international played there between Australia and Colombia gave a clear indication of the advantages of Oueensland's most famous sporting venue.\*\*

### Third Division placings seesaw

All changed after round 6 of fixtures, as few teams kept their previous week's position.

Capalaba opened up a five point lead over nearest team Slacks Creek when they defeated Clairvaux 2-0 at Klumpp Road, this keeps their average of scoring two goals per game, whilst for Clairvaux their problem of scoring remains. Slacks Creek had a convincing win at home thumping North Pine 7-0, this puts them into second position by one point. North Pine remain rooted to the bottom leaking like a sieve. Annerley had a surprise upset at home losing 0-4 to Albany Creek who climbed three places to sixth, ahead of Annerley on goal difference. Mitchelton got back on the winning track by downing Latrobe by a close 2-1. This enables them to go back to fifth spot, Latrobe are now second bottom and look in trouble.

At Goodna, Newmarket found their feet, and had a convincing 2-0 win over their hosts to put them into the top four.

The match that caused the biggest upset of the weekend saw Redlands defeat The Gap 1-0. It was a lucky win for the homeside as their visitors dominated the first half but inept shooting and two classy saves from Redlands' Ian Houghton kept the half-time score 0-0. It was a most undisciplined performance by the homeside, as the fourteen free kicks, two cautions, and one send-off show.

The reference to a lucky win, was the fact that the penalty decision was given by a linesman a full 60 metres away from the incident!!

This means that the four Division 3 clubs participating in the QSC Division 2 and Division 3 Cup competition will be Capalaba, Slacks Creek, The Gap and Newmarket, a draw for the Cup will be made this week and published in the next issue of Eye On Soccer.
