# The Hammers are here...

The Coca-Cola Olyroos will be coming up against one of the most interesting clubs in the English Premier League when they step out on Suncorp Stadium to meet West Ham United Saturday night.

West Ham has enjoyed a colourful history, winning its fair share of silverware during its 100 year existence.

Originally known as the Thames Ironworks Football Club, West Ham was formed in 1895 and found success as a professional club after moving to Upton Park in 1904.

The Hammers first significant victory was in 1911 when they defeated Manchester United in an FA Cup tie.

Probably the most successful period for the Hammers was the 1960's, when they won an FA Cup final along with the European Cup Winners Cup, and had past legends Bobby Moore, Martin Peters and Geoff Hurst feature prominently in England's only World Cup triumph.

In fact Hurst and Moore scored all four of England's goals in their 4-2 win over West Germany.

Current players striving to maintain the West Ham tradition include prolific goal-scorer and English international Tony Cottee, and goalkeeper legend Les Sealey, just two of the

# Internationals decend on Brisbane

Queensland Soccer has a few overseas visitors this week, all of which come from very different backgrounds but have soccer as a common denominator.

Apart from English Premier League team West Ham United, Japanese J-League side Yokohama Marinos are currently using Brisbane's Perry Park as the venue for their mid-season Intensive Training Camp, while a US women's team from the College of William and Mary will be in town for two matches.

The girls from the States are affectionately known as the "Tribe" and finished the 1994 season with a 17-4 win/loss record and a national ranking of 5th in the Intercollegiate Soccer Association of America Coaches poll.

The Soccer America magazine ranked the Tribe third in the United States, after the side won its conference championship for the second year running, defeating all six opponents whilst amassing a 49-1 goal difference.

The girls will be playing a Brisbane North representative side 7pm Friday, May 26 at O'Callaghan Park and back up again 7pm Monday night, May 29 at Mt Gravatt's Dittmer Park to take on the QAS.

The Marinos are owned by giant motor company Nissan, and are currently on top of the J-League after the first 16 rounds of the competition.

Japan's J-League is structured so that teams have a month long break in the middle of the season to allow National team representatives to get together for National training camps.

Local teams use this time to hone their skills in their own intensive training camps, with some of the clubs making a trip overseas for this purpose.

Marinos' Vice Captain Fumitake Miura who is currently in Australia training at Perry Park

The Marinos have probably the largest support of any Japanese team and have brought over around 60 people, including 35 players and a number of coaches, trainers, strappers, doctors, translators and other officials.

The side has two Japanese National players, who are not on this tour, as well as four international players from Argentina, including 1994 World Cup player Ramon Medina-Bello.

Training sessions that are highly organised, are an eye-opener and are open to the public.

The team will train at Perry Park until June 1, from 10am-12pm and 7-9pm daily, before heading home to continue their campaign. \*

## EDITORIAL . . . . .

The recent newspaper reports regarding the possible acquisition of Socceroo striker Frank Farina by the Brisbane Strikers, has prompted much discussion in soccer circles around the country. While none of the rumours can be confirmed at this stage, no doubt the Strikers would be looking to strengthen their side for next season by acquiring quality players the likes of Farina. If it is true that the overseas star is looking for a return to Australia, then it makes sense that he does so with the Brisbane Strikers. Queensland soccer's most famous export learnt the game in the Sunshine State but was lured to take his talents south, and then overseas. He rose to the top of the NSL with two consecutive leading goal-scorer titles. The benefits of Farina's return for Queensland soccer are really innumerable. His high sporting profile could help lift the game in Queensland and he could be a role model the junior players could look up to. Let's all hope that if Farina does make a return home, he does so with the Strikers.

The first round in the QSC Cup competition for Division 2 and 3 clubs gets underway next Wednesday May 31. The Cup has proved extremely popular in recent years, so don't forget to support your club. The draw is listed below.

Finally see you at Suncorp Stadium Saturday night for the Olyroos v West Ham United game. It should be a cracker.

Even if our team had not have won the game by one goal, the final score being 5-4, I would still have written this letter.

Keep up the good work Cameron McColl. With refereeing as positive as yours we may have more good games with less cards and suspensions brought down by bad decisions, which in turn make players edgy and more prone to argue with the ref.

**Yours Sincerely,  
C Clark, Inala.**

*All too often we are ready to criticise officials for alleged bad decisions and the like, yet it's not every day someone writes in to praise their efforts. It is refreshing to receive a letter like yours. Thanks for taking the time to pen your thoughts and rest assured this letter will be passed on to the ASRF to help encourage all of our referees. Ed*

Letters not bearing the senders name and address will not be published. Names will be withheld on request. Address all letters to "MAILBOX" Eye On Soccer, Perry Park, Abbotsford Road, Mayne 4006.

I wish as a supporter to express my pleasure at the refereeing of the Inala City v St Helens (Div 2) game on Sunday May 14.

Although appearing to be a young ref, he kept the game flowing and was fully in control at all times without being card happy.

After some dubious decisions by some referees in the past few weeks, it was a pleasure to watch a game that not only was a good hard game but did not incur any heckling about bad decisions from either side of the supporters, which has been unusual lately.

The Brisbane Strikers proved too strong for the other football codes in the recent XXXX Sprint Challenge at the University of Queensland. ## Eight hundred attend Third Division match

Redlands United Division 3 team were confronted by a crowd of nearly eight hundred, when they met Annerley at the Club's Ridge Street headquarters last Saturday.

The incredible leap in spectator interest was due to Annerley's 50th Golden Jubilee Celebrations, which coincided with the Round 10 fixture.

The home side, rising to the occasion, won an exciting match 2-1.

The day proved to be so much of a success that visitors asked for more of the same in the future.

Another celebration is scheduled at Annerley for Saturday July 8 when they meet North Pine.

The club has extended an invitation to all soccer supporters to visit them and be a part of their celebrations.

# City notch up nine in a row

By Marco Monteverde

**Brisbane City defeated North Brisbane 3-0 in a top versus bottom clash at Lanham Park last Sunday.**

The win stretched City's winning sequence to nine, and has kept neighbours North entrenched at the foot of the table with a miserly two points.

This was the first official "Italian Derby" between the two teams in over two years, resulting in North Brisbane's best crowd for the season.

The soggy conditions helped neither side in the opening 45 minutes with the youthful Aces outfit holding the much vaunted attacking force of Mark Battistin, Stephen Glockner, and Warren Cooley at bay.

The best chance of the half fell to Queensland representative Battistin four minutes before the break, who latched onto a Cameron Pearse cross with a spectacular scissor kick, only to see it hit the post.

Battistin turned the supplier three minutes into the second half setting up City's opening goal for Stephen Glockner, who calmly slotted the ball under North keeper Richard Cooper.

The visitors made it two in the 56th minute, this time through Cooley, who got on the end of a Darren Mair cross, to head the ball past Cooper from six yards.

City continued to attack from the flanks with Battistin coming close to making it three after an hour, guiding a Cameron Pearse cross just past the post.

The Aces had a chance to pull one back in the 67th minute through substitute Aaron Aldridge who put his angled shot wide, with only Paul Jabs to beat in the City goal.

The result was sealed for City six minutes

*North Brisbane keeper, Richard Cooper's safe hands on this occasion, foiled Darren Mair from City*

later by the competition's leading scorer Battistin, who made it nine for the season, heading home a Pearse cross from the right.

He could have brought up double figures for the season only two minutes after, but spooned another header over the bar, again from a Pearse cross.

Victorious coach Bobby Hamilton was pleased with his side's second half performance, after a slow beginning.

"It took us a while to get going," Hamilton said.

He had words of praise for the young, inexperienced North Brisbane outfit.

"If they keep playing that way they won't get relegated."

North coach Gary McDowall was very straight forward in his analysis of the game.

"They were too good a side. I have no complaints. They are the best team we've played in the competition," McDowall said.

His side's injury run continued with new QAS signing Ben Woods being carried off.

"I can't remember the last time we've fielded the same side for two weeks running," lamented McDowall.

## FROM THE SIDELINE

A worthwhile piece of information that passed over the Editor's desk last week concerned the "Adopt a Soldier" program. Currently Australia has approximately 300 soldiers based in Rwanda as a medical support group. They provide security for the medical staff. They are not actively involved in warfare but are governed by the United Nations' regulations. Quite a few soldiers, for one reason or another, are not receiving mail and would be truly grateful to anyone who has a few minutes to drop them a line. Because of the logistics of the situation the army is unable to supply names, but you can write to the following address: Captain SAW (Pen Pal Req.) AS MED SPT FORCE RWANDA, INTERNATIONAL MAIL CENTRE, SYDNEY NSW 2890.

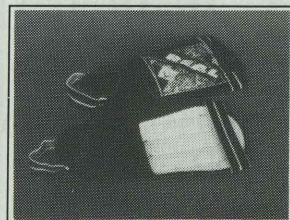

What a side the Logan City U13's are. Ten of the boys have been picked in their Region's representative team, announced last week. The lads have been together since U7's and are

currently undefeated in the U13 Div 1 competition, scoring 50 goals and conceding two. One of the side's victories this season was against Slacks Creek when they were reduced to ten players but still managed a 15-0 result.

The State Secondary Schools carnival was conducted last weekend at Ipswich, with Metropolitan East coming out the victors with a 2-1 win over Darling Downs. Reports have it that this year's competition was of an extremely high standard compared to past years. Coalstars' Adam Daly was named player of the tournament, with the full squad named as follows: Peter Porteous, Peter Battistin, Giovanni Letteri, Adam Bocuzzi, Michael Potter, Scott McLean, Calvin Gnech, Glen Hurney, Damian Rogers, Adam Daly, Jari Laajunen, Wayne Derreck, Damien Conquest, Daniel Invincible, Brett Patterson, Scott Robertson. The boys will be travelling to Perth in July to contest the National Championships.

# Before The Whistle

with

There are no matches scheduled on Saturday night this weekend, due to the West Ham match being played at Suncorp Stadium, so check your Club to ascertain any re-arrangements.

## DIVISION 2

A depleted round of matches this weekend with three of them having already been played by the time this is printed, just for the record I would tip home wins in all three cases from last Wednesday, those being Souths - Beenleigh - Logan City Kings.

On Sunday Nerang will look to get back on track for a promotion spot with a home win over University, a most intriguing one will take place at Ebbw Vale between St Helens and Acacia Ridge with home side narrowly favoured, whilst in Toowoomba, St Albans will also look to right the rocky boat in the match with Inala.

## DIVISION 3

Again scheduling has altered the programme in this Division with three matches on Friday evening. Albany Creek will consolidate second place against Latrobe, Clairvaux and Annerley will be a little bit tighter, however the Blues should come good, whilst Mitchelton will be looking to stay in touch with the top four with a win over Goodna.

The remaining matches are all Saturday afternoon, Redlands may sneak a point in their home match with Slacks Creek, The Gap, despite last week's loss, should retain 3 points over neighbours Newmarket, whilst the Capalaba day match should see them remain undefeated over North Pine.

MODULAR BUILDINGS

## DIVISION 4

Matches in this Division nicely spread over the weekend with two on Friday, two Saturday and two on Sunday. In the Friday night matches Moggill are now outside of the four and will look to come good in their home match with Darra, however it will not be easy, the other match on Friday is between Ipswich City and Brothers, both sides having fluctuating fortunes of late, this could be another away win for Brothers. On Saturday Oxley will look to pick up another point against Samford, although it won't be easy, whilst South Star should be too strong for a struggling Loganholme.

On Sunday Pine Hills will certainly not relish the visit of Western Suburbs, and their goalscoring drought will continue in this one, whilst on the Peninsula the match between Redcliffe and Eagles should be most interesting, a score draw would not surprise.

## DIVISION 5

Some interesting matches scheduled in Round 11 in this Division, the first one to be previewed is one of them, Olympic v Greenbank, both teams have almost identical goals for and against so a score draw would not be too unusual. University, currently second on the table, will be too strong for Slacks Creek, Bethania and Woodridge will be a shade tighter, however away side may be just too strong. Jimboomba and The Gap are equal strugglers at the bottom of the table, however Jimboomba should pick up a rare win in this one. Bayside will be far too strong for Goodna in the remaining Saturday game.

On Sunday only one match between Browns Plains and St Helens and it will be very close indeed, just look at the for and against column for these two sides, very difficult to pick a winner however home side may just (!) get the nod.

## DIVISION 6

Three matches on Friday evening, with Acacia Ridge to be too strong for neighbours St Helens, Souths to be a shade too good for their neighbours Beenleigh, whilst Logan City should have a comfortable win over Annerley. One match on Saturday between Olympic and Mitchelton should be a win for the home side, with the remaining two games scheduled for Sunday. Mt Gravatt will probably enjoy their trip down to Cleveland, similarly Capalaba whilst having a tough one with Inala, should still take the points home.

## DIVISION 7

The two leaders in this Division may have tougher games this weekend, and as both of them are away matches will have to be on their mettle that they don't drop points. Margate have a difficult one against Bayside but their goal scoring ability should see them through, whilst Park Ridge will also not have too easy an assignment at University, however they should do enough at the final whistle to retain 3 points. Mt Gravatt v Darra will be a close one, with Darra to take the points, Jimboomba v Newmarket similarly will be a close one, Jimboomba may receive their first win in this one, and in the remaining match on Saturday Albany Creek will take home 3 points after visiting Clairvaux. In the only match on Sunday, Redcliffe and Mooroondu will have the visitors smiling at 4.32pm.

## DIVISION 8

A lot of goals scored last weekend in this Division, 38 in total, however one very one sided match took care of one third of that gross.

This weekend's matches spread through the whole weekend with the only one on Friday between Acacia Ridge and Mooroondu looking to be a win for the Ridge. Eagles should enjoy their visit to Annerley, Olympic and Albany Creek will be a close one with the Creek favoured, whilst there will be a fair ding dong between Kingsridge and The Gap, both teams identical right the way across the table. Experience in both sides will be to the fore in

Paul Harley captured the action between Mt Gravatt and St Albans in Division 2 with Mt Gravatt taking the points 3-1.

this one, so if this was in the Pools put your money on it for a score draw.

Two matches on Sunday, North Pine to pick up 3 points at the expense of Pine Hills, whilst Samford will be too strong for Park Ridge.

## DIVISION 9A

Two games on Friday with the Brisbane Lions/Kingsridge one looking to be a most enjoyable occasion for both teams, home side may be in front at the death however. The other match brought forward to Friday is between Capalaba and Pine Hills with the home side the 3 pointer in this one.

Remaining matches are all on Sunday, Coalstars should pick up the points at the expense of Wynnum, similarly Grange will be too strong for Lions, but the best match of the day will be between Margate and Taringa, and the home side may surprise in this one.

## DIVISION 9B

In the early match at Runcorn, Souths will certainly not relish the visit of Taringa, however the early match at Richlands between Brisbane Lions and The Gap will be much closer, and the visitors, by virtue of their plus goal difference, may be the lucky ones at the whistle.

On Saturday afternoon Brisbane City will pick up a rare win over Lions, and in the only match on Sunday, Browns Plains will be too strong for Redlands.

## READ between the LINES

*All the gose with Brent Read*

A minor hiccup for the local competition again this week with news of North Star's financial problems and their decision to turn amateur.

Although the club is yet to face a player exodus, with only Queensland player Lee Scriggins a confirmed loss, informed sources say the squad will disassemble after this week's clash with league leaders Brisbane City.

The demise of North Star comes on top of North Brisbane's pre-season move towards amateurism and the loss of several Queensland lower division clubs to insolvency.

Only a half dozen of the current XXXX League clubs could be considered in a healthy financial state, with the gap between the 'haves' and the 'have nots' getting larger each year.

In the lower divisions, for several clubs the prospects for survival is purely a week-to-week proposition.

So what is the problem? Obviously the weekly confrontation with the major football codes in Queensland- rugby league, rugby union and Aussie rules- is a battle Queensland soccer is continually faced with.

Those supporters who enjoy the National League excitement provided by the Brisbane Strikers each week in the summer months don't translate to increased crowds in the local fixtures.

The local competition could possibly avoid clashes with our major codes by playing in the summer months, but the facilities aren't available to cater for such a demand.

On a brighter note, the Queensland team returned from New Zealand and brought back the usual series of amusing anecdotes.

Lee Scriggins has deserted North Star after the Club decided to go amateur and is tipped to play for Pine Rivers

One player caught the eye of an attractive New Zealand lady in the local nightclub and later found out she was the Kiwi equivalent of Nikki Buckley, the co-presenter on Sale of the Century.

The player reliably informs me he had all the right answers as the night progressed and the lady encouraged him to stay in New Zealand for the rest of the week as her 'carry-over champion'.

# WOMEN'S SOCCER

After some very close scores the previous week, last weekend's Division 1 games were wide open although the scores in most instances belie the actual game.

East's were defeated by the QAS 3-0, North Star managed a 1-0 win over a very determined Coalstars and Brisbane City had a 5-0 win over Qld University. Souths and Margate in Division 2 are running neck and neck in points and goal difference while in Division 3 The Gap has jumped to the lead over Souths. Rochedale and Olympic's game was washed out on Sunday, but Rochedale still hold the lead with a game in hand in Division 4.

In Division 5, Tiwiwarrin and St Helens are top of the points table but St Helen's hold a major goal advantage. Albany Creek maintain their lead in Division 6 and in the Juniors St Catherines need a win.

Wednesday fixtures have proved very exciting games so far with Toowoomba being defeated by East's 3-0 and the Qld Junior squad beaten 2-0 by a very improved Mt Gravatt.

Our Australian "Matildas" had a 0-0 result against Scotland on the 17th in miserable conditions. They are due to take on the full Swedish national team on May 27 and open their World Cup campaign on June 6.

## XXXX SOCCER LEAGUE - ROUND 10

### COALSTARS v EASTERN SUBURBS

Eric Evans Reserve, Bundamba, Friday May 26, 8.30pm  
Referee - B Hutchinson

Coalstars are still plugging away but find themselves more than two wins away from the top five. Wayne Warren's chargers must take each game at a time and string together a series of wins if they are to challenge at the end.

East's victory over Willowburn has sent them out of the relegation zone but not out of relegation danger. A win here would see them break further away from the bottom.

#### MATCH WINNERS

Adam Daly has been playing very well for his club, and Coalstars would be after another committed performance in this match.

Carl Paczensky found the net for East's on the weekend, which could be what the young Tiger needs to spur him on to bigger things.

### GRANGE THISTLE v PINE RIVERS

Wallace J Dann Oval, Grange, Friday May 26, 8.30pm  
Referee - G Nicholson

Thistle are on a losing streak with their last win way back in round six of the competition. A win here is a must if the side is to regain some confidence.

Rivers are only one of two sides in the League yet to post a victory and spirits there must be waning. Gerry Lindsay would be viewing this game as a perfect opportunity to notch up a win.

#### MATCH WINNERS

Sean Armstrong has been fairly solid for Thistle at the back and will have to put in a big one here if his side is to take the points.

Dene Almond is leading the scoring for Rivers with five goals. If he is on target in this match, his side could take their first win.

## XXXX SOCCER LEAGUE - ROUND 10

### BRISBANE CITY v TARINGA ROVERS

Spencer Park, Newmarket, Sunday May 28, 2.45pm  
Referee - M Shield

Still undefeated, some would be thinking City must be due for a loss, but they just appear to be getting stronger. Complacency could be their biggest problem in this match.

Taringa have found form recently with a series of wins rocketing the Rovers into the top three ahead of early pacesetters North Star. They will be formidable opposition for City.

#### MATCH WINNERS

Wayne Strange has been strong in defence for City throughout the season and will have to be well prepared for a Taringa onslaught.

Likewise Taringa's George Whyte has been outstanding in recent weeks but will face his biggest challenge against City's awesome firepower.

### WILLOWBURN v ROCHEDALE ROVERS

Bridge Street, Toowoomba, Sunday May 28, 2.45pm  
Referee - G Bone

Willowburn got their first win of the season last weekend against North Brisbane but had a shocker going down 3-1 to Easts a few days later. They will struggle against Rochedale.

The Rovers were nothing short of awesome in their 5-0 thumping of North Star and should be far too strong for the Magpies.

#### MATCH WINNERS

Willowburn keeper Trevor Gilliland will no doubt be tested lots of times this weekend and will have to play out of his skin if his side is to avoid defeat.

Andy Lees had a cracker for Rochedale last weekend, scoring three goals and running the North Star defence ragged. He could tear Willowburn apart.

Referee - D Prentice

Wynnum have surprised many by surging into the top five with a series of wins. They are on a roll and Lions will find them hard to stop.

### NORTH STAR v NORTH BRISBANE

O'Callaghan Park, Zillmere, Tuesday May 30, 8.30pm  
Referee - E Kearney

North Star's off-field problems appeared to affect the team's on-field performance last weekend. Billy Williamson has a lot of work to do if his side is to remain competitive.

The Aces are still yet to win a game and must consider themselves due. Gary McDowall must be wondering what he must do to get his side in winning form.

#### MATCH WINNERS

The loss of Queensland striker Lee Scriggins was a real blow to North Star and places a lot more responsibility on the experienced Jim McDonagh.

North Brisbane's latest acquisition, former QAS youngster Ben Wood will certainly be one to watch.
