Editorial

What an occasion the 1996 Grand Final Day will be, with not only some fine promotions, including some fantastic prize-giveaways, skydivers, a dance display and a performance by renowned artist Kim Durant, but also two teams going for the Premiership/Grand Final double.

Brisbane Lions and Olympic United will both be out to claim the double in their respective divisions, while Mitchelton and Newmarket will both be after their first piece of silverware for the year, when they clash in the Division 3 final.

All teams appearing in the Grand Finals have had highly successful seasons and are to be congratulated on making it this far. It remains to be seen which sides will be triumphant, but one thing is certain, Perry Park fans are in for a real treat.

On other matters, the XXXX Queensland Cup final featuring Brisbane City and Wynnum, will take place at 7pm next Friday night, September 6 at Perry Park.

I know many people have been disconcerted with this year's Cup and in particular, the rescheduling of matches, but in all reality, there has been very little officials could do to bring the Cup Final date forward, after the initial rain-affected weekend of games.

The good news nevertheless is that the match will be played next week and should be a gem... particularly when you consider Brisbane City will be at peak fitness and Wynnum nearly knocked over the Strikers in a trial match last week, the final score being 2-2.

Finally, congratulations to all of the award winners at Monday night's Clem Jones Gold Medal function, but particularly John Preston of Pine Rivers, who took out the coveted Medal.

In the end it took quite a bit of persuasion for John to be present at the dinner, following the birth of their daughter Paige to wife Karen a week prior.

But John, probably a dark horse for many, was a very worthy winner. Congratulations to both he and Karen for what has been a week I'm sure they will remember for vears to come.

Lions confident - City hungry

Brisbane Lions will be looking to repeat their efforts from 1991 as they chase the magic double today, and only traditional rivals Brisbane City are standing in their way.

Lions took out the Premiership/Grand Final double in that year, and come into the 1996 XXXX League Grand Final as warm favourites to repeat the dose.

And while City coach Peter Tokesi agrees his side is the underdog, he does not believe history will repeat itself.

"We would have to be underdogs coming into the match, but I'm still quite confident we can do the job on Sunday," Tokesi said.

"We haven't had much luck in recent weeks and it's probably about time we had a bit."

But it will take a little more than luck to climb over the top of Lions to claim the Brusasco Cup.

City have not beaten Lions at all this season, going down 1-0 in the first round at Richlands and then suffering a fairly comprehensive 2-0 defeat at Spencer Park in the Premiership decider a few weeks ago.

"We didn't match them on their toughness that day." Tokesi confessed.

"If we're to win this weekend then we'll have to be a lot more hungry and committed than we were on that occasion."

Lions coach, Miron Bleiberg, agrees.

"We beat them (City) quite convincingly three weeks ago, but they played quite impressively against Rochedale, and I think they have improved a little since we last played them," Bleiberg said.

"I'm still confident that we will win. It will be close, but I don't think we have any weaknesses on the pitch and everyone in the squad is fit and ready to play."

Preston's week ends in Gold

The Lord Mayor of Brisbane Jim Soorley with Gold Medal winner John Preston of Pine Rivers, QSF President Wallace Dann and the event's sponsor Clem Jones AO

Clem Jones Gold Medal Winner, John Preston of Pine Rivers, almost didn't make it to the presentation dinner last Monday night at the Brisbane Convention Centre.

John's wife Karen gave birth to daughter Paige just a week prior to the dinner and John was doing what he believed to be the right thing, when he initially declined the invitation to attend the event.

Some fast thinking by QSF Secretary Jim Gilbert and smooth talking by Karen and John's coach Frank Pimblett, eventually brought the Pine Rivers striker around, so a minor disaster was avoided.

All of this despite the fact that John did not rate himself a chance at the Medal, even prior

to the last voting count, when he was in the lead with five other players. And when the winner was announced at the end of the night, no one was more surprised in the room than John Preston himself.

More than 300 people witnessed the unassuming striker receive his award from Lord Mayor Jim Soorley.

In other awards, Frank Mengotti was named the Eye On Soccer/Anfield Sports Player of the Year, Ben Wood the Rookie of the Year, Derek Crawford the Referee of the Year, and Wayne Gracey the Coach of the Year.

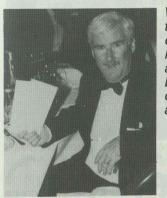

Brisbane Lions took out the Club Championship prize, while Wynnum claimed the inaugural IEA Fair Play Award.

Olympic primed for double

At the start of the 1996 season Olympic United began a concentrated effort to return to the XXXX League. It was a well known fact that the QSF was planning a restructure of the top league and that to win the Second Division would not automatically see Olympic gain promotion.

As a result the club attacked the season on two fronts, one to ensure success on the park and the other to ensure construction of the clubhouse was begun in earnest.

The coaching staff of Paddy Higgins and Barry Guyatt were given the responsibility of gathering players and the committee of George Fronis and Speros Pappas, to name only two, were given the responsibility of gathering sponsorship and commencing the requirements off the park that were going to be necessary if promotion was to come the way of the club.

At the start of the year players at the club were observed and trialed and each was given the opportunity to stake a claim for first team selection.

After initial trial games it became obvious that there was a need to attract a few experienced players to the club. Similarly, existing players from Olympic were retained and with the addition of a number of other players, the squad was gradually built.

Coaching two teams was difficult, but this was the way it was decided to go to ensure, for the first year, that continuity in playing style and coaching techniques was maintained.

The coaching staff alternated Tuesday night training programs and both squads trained together for the entire season.

On Thursday nights the teams were divided and the coaching staff broke the evening into two sessions, alternating each session between themselves.

Targets were set down for the club at the beginning of the season, and as each week

progressed and each target was reached, Olympic found themselves chasing Rocklea for the Premiership.

A trip to Willowburn was eagerly awaited but the resultant draw dampened spirits. At the end of the season though, it was this one point from the draw that gave the side their ultimate target, the Division 2 Premiership.

Olympic's coaching staff and players would like to thank their committee and supporters for their efforts throughout the year, along with the club's sponsors, the Coffee Club and Delta Packaging.

The club is eager to realise its second target today... the Division 2 Grand Final, before an anxious few weeks prior to September 30, when the QSF will announce next season's makeup of the new XXXX League. 1996 could just be Olympic's year!

Cutillas heads off overseas

Respected Queensland coach Juan Cutillas has stepped down from his coaching position at Taringa Rovers to become head coach of the Philippines National teams.

Cutillas' new role will be to take charge of the senior, U19, and U16 Philippines sides, a job he is already very familiar with, after spending 17 years in the Asian country prior to his ten year stint in Queensland.

"When I was in the Philippines I coached the National team for a number of years and I was also the Physical Director of the National Basketball team over there," Cutillas said.

"I had some success with the National team while I was in charge of it, but apparently they are in a bad state at the moment.

"When I was on holidays in the Philippines, I was asked if I would be willing to go to Manilla to take up the position. I have always believed I should be coaching at a higher standard, and as far as Queensland soccer goes, I can go no further, so I was happy to take the opportunity."

Cutillas began his Queensland coaching career back in 1996, when he took charge of Olympic United, before stints with Brisbane City in 1987 and Brisbane Lions in the National League the following year. From there, Cutillas went back to Olympic and then Brisbane City again, prior to a two-year stint with Division Two club Willowburn.

He joined Taringa in 1991, where he has remained until now and coached the Queensland senior team from 1991 right up until last year.

Cutillas had great success as Queensland coach, overcoming huge odds on a number of occassions to lead XXXX League representative sides to victory over New South Wales teams dominated by National League players.

His removal as State coach at the end of last year is still a sore point with the accomplished

coach. Cutillas maintains that politics had a lot to do with his removal.

"I've always believed that you should appoint a coach for his attributes and performances," Cutillas said. "Queensland is the only state where the State coach does not coach a top division side."

"But the positive things in Queensland soccer have always overcome the negative aspects and I've enjoyed my ten years in coaching here, very much.

"I will be leaving behind a lot of good friends, good times and great memories, and I would like to thank everyone that has been a part of my coaching career in Queensland, particularly Taringa and the players... and especially the likes of Frank Pimblett, Alan Hunter and Stein Grodum who were always willing to play for Queensland."

ACTION REPLAY

A large crowd was on hand to see Lions take out this vear's Premiership. Wazza was the hero scoring the only two goals of the day. lan Hutchison came oh so close on a number of occasions and Stranger was very busy. Huth & Haddow came to grips as did David Hunter and Lee Scriggins. Captain Frank enjoyed holding high the Bill Waddell Trophy and Graham photographer Hutton caught the Shaddow

Allen seals Lions Premiership

By Andrew van der Beek

A huge crowd was at Spencer Park for the final round of the season to see a double strike from Warren Allen secure Lions' first premiership since 1991.

City looked to have the premiership firmly in their grasp at the midpoint of the season when they held a commanding 11 point lead at the head of the table. But an extraordinary 16 match unbeaten run by Lions allowed them to haul in their rivals to set up a thrilling final game in which either team could have won the title.

The match was always going to be a battle, but it threatened to boil over when the crowd reacted to a heavy clash in the opening minutes, which saw a semi-conscious Lee Scriggins carried from the field. Scriggins returned after treatment but was substituted at halftime.

On the pitch it was Lions who provided the early pressure, the best chance for the visitors a sweet strike from Frank Mengotti, but City keeper Daniel Duke was equal to the task.

At the other end, Ian Hutchison nearly put the home side in front on 30 minutes, but a desperate goal line clearance by Lions' David Lonsdale denied them the lead.

Warren Allen was more composed for the visitors five minutes later sliding between three defenders and flicking the ball past Duke with the outside of his boot and sending the huge contingent of Lions supporters into raptures.

After the goal, Lions continued to make Warren Cooley's afternoon a misery with the big City striker looking out of his depth filling in at the left back position.

City started the second half like a different team and created a number of chances which should have provided an equaliser.

Five minutes into the half Simon Eslick found himself one-on-one with the keeper but a fantastic save from Rob Farrow denied him.

Next Damien Waugh had a clear chance when a cross slipped through Farrow's grasp but he could only turn it wide of goal.

City continued to create chances with a fierce farpost volley from Wayne Strange well saved by Farrow.

But it was Lions who finally killed the match as a contest midway though the second half, when a raking diagonal ball from Lonsdale found Allen wide on the right. The striker still had plenty of work to do but turned neatly inside two defenders onto his favoured left foot and sent a rasping drive into the top corner.

Jubilant celebrations followed the final whistle with Lions securing their first premiership in five years. It was a triple celebration for the club with the reserve grade also securing their premiership and Lions also taking out the club championship.

Before The Whistle

With no promotion and relegation (as such) between this season and next, the performance of clubs and their teams both on and off the field will be crucial to their 1997 status.

DIVISION 2

Olympic, after a neck and neck struggle, duly won the Premiership, with Rocklea falling by the way side in the latter stages. St Albans had a magic year finishing in probably their highest ever position. Mt Gravatt were very consistent in the latter part of the season to finish fourth but also to participate in the Grand Final. The other teams in mid-table performed more or less to their expectations, but the two big disappointments had to be Willowburn and St Helens, surely they could not perform as badly again.

DIVISION 3

Slacks Creek performed as expected during the fixture season, but unfortunately lost their way in their last couple of matches and of course the Finals Series.

Mitchelton and Newmarket vied for the honours of second place, with Newmarket, in particular, having an exceptional season. Souths came from nowhere to finish fourth with Redlands having their "fairly usual" up and down form.

University had a disappointing, for them anyway, year, with Darra and Goodna always struggling to reach the top half. Latrobe had another traumatic year, with Clairvaux never really coming to grips with Division 3.

DIVISION 4

South Star, Moggill and Bayside fought out the top three positions all year, with Moggill clinching the title, literally at the death. Bayside played incredibly attractive football, with one of the most attacking formations that I have seen in this Division. In fact, the last fixture between Moggill and Bayside would have had to be one of the best displays of all-round attacking flair I have seen this season.

Eagles and Brother's had patchy form, but Brothers fifth position is probably a testament of things to come. At the other end of the scale, Browns Plains have some very talented players, but obviously need some more to pull away from the lower reaches, whilst Ipswich City again, had an incredibly difficult year.

DIVISION 5

The 'first teamers' in this Division Jimboomba and Bethania flattered to deceive, with at least Jimboomba making the Semi's and Bethania being pipped at the post, the other first team outfit being Woodridge, who never really got out of the bottom three placings all year.

DIVISION 6

Margate had a mortgage on this title virtually from day one of the season, with Park Ridge always there to ensure they played honest football during the course of the year. Mooroondu and Oxley always looked like they would give a nudge into the Semi's, but alas, couldn't retain consistency. The other teams in this Division being third or fourth teams from higher placed clubs made life very 'interesting' for the others.

DIVISION 7

Like their Division 6 counterparts, Margate always looked like they would be in the hunt for honours, but Kingsridge stayed like a terrier on their tail all year, and made sure that the other Semi Finalists, University - The Gap and Samford fought right to the end. North Pine upset a few in this Division, as did Jimboomba from time to time.

DIVISION 8

Rocklea's unbeaten record for the season (on the field) saw them convincing winners of the Title, and their high goal scoring ability gave all other teams in this Division a fright. Bethania, Inala and Samford were always there, or there abouts, waiting for any slip ups at the top, and indeed made for a most interesting Division.

DIVISION 9A

Taringa and Brisbane Lions fought right to the end for the title, with Rovers and Coalstars always in command for top four places, at the other end, Beenleigh's 'Cup Final' was when they secured their one and only win of the season, and that was indeed a day to be savoured.

BRISBANE SOCCER
SCENE

Thursday nights at 9pm on BRIZ 31 - TV

DIVISION 9B

This appeared, on paper at least, to be a much tighter Division as there were seven teams always swapping positions and looking for honours at the end of the season. Coalstars deserved their title, Capalaba made sure they didn't slip up more than once, with Slacks Creek and Taringa comprising the more 'veteran' players, ensuring that every match was indeed a final - type game. Wynnum were disappointing, perhaps the guys didn't spent enough time at training!

POSTSCRIPT

It has been a most absorbing year, and as mentioned in the last issue, I have thoroughly enjoyed my visits to club grounds.

I have always maintained that there is a great deal of attractive football to be seen in the lower Divisions, and, dare I say it, I enjoy watching these teams more than our more illustrious Premier League. Best wishes to all officials and players for a restful off season.

MALE AND FEMALE SOCCER PLAYERS

The Queensland Academy of Sport is looking for talented soccer players to take part in their Summer Soccer Development Program.

The Program will run from November 2 to February 22. Participants will be required to attend training twice a week.

Applicants should be between the ages of 11 and 14 and have ambition and a good degree of skill and athleticism. We will restrict our numbers to 20 males and 20 females.

The program will be run by the QAS coaches themselves and will be aimed at developing:

- ◆ Good Individual Skills Technique
- ◆ Running Technique
- ◆ Heading Technique
- ◆ Good Training Habits

Applications can be obtained at the:

Viva la France: here comes Terrie

Terrie Squires, Margate Soccer Club's entrant in the 1996 Miss Queensland Soccer Quest, scored a double of her own recently, when she took out the Miss Fund-raiser and the 1996 Miss Queensland Soccer crowns.

Terrie was overwhelmed at the gala dinner/dance at the Greek Club last month, when her name was announced as the winner of both awards.

"I was in total shock. I thought I was a very good chance of taking out the fund-raising award, but when I was also named Miss Queensland Soccer, I just couldn't believe it," Terrie said.

The 28 year old mother of two, raised \$25,000 for her club, a huge amount of money when you consider the total amount raised by all 22 contestants in this year's Quest was a healthy \$94,000.

"A lot of the money was raised through our major sponsor, Keystar Motors," Terrie said. "But we also had a lot of functions, including a Masquerade Ball and we sold an awful lot of raffle tickets as well.

For her efforts, Terrie took home with her \$7,500 worth of air travel, which she and her husband Andrew intend to put to use next year... first stop France!

But it was very much a team effort according to a grateful Terrie.

"My husband was fantastic with his support along with everyone at the Margate Club," Terrie said, "they all got right behind the cause and worked extremely hard."

To cap off a fantastic Quest for Terrie and her family, her mother was the winner of one of the lucky door prizes on the night... and guess who drew the ticket?

Miss Eastern Suburbs, schoolgirl Alison Maxwell, was named Miss Queensland Soccer runner-up. Alison received a return trip for two to Sydney for her efforts.

READ between the LINES

All the goss with Brent Read

This week's Clem Jones Gold Medal was once again a glittering affair and one of Queensland soccer's genuine nice guys pulled off an amazing win.

Pine Rivers John Preston, only a year after playing for fun in one of Rivers lower sides, celebrated the birth of his new daughter with a one point victory.

Preston looks like he spent the off-season at Jenny Craig after his weight ballooned last year, and the new 'streamlined' version obviously caught the referees eye.

My partner in crime, Andy Ogden, and I had a number of sweeps running on the winner, and amazingly, John picked his own name out of the hat, giving him cause for double celebration.

He was also interviewed, along with team mate and contender Clayton Koch, by yours truly on Brisbane Soccer Scene only moments before the last round of voting and at that time his confidence wasn't all that high.

But he surprised himself. Congratulations 'Pressy'. The other big news this week was Brisbane City's win over Rochedale in the semi-finals.

I, along with a lot of others, thought City had Buckley's chance but they proved the doubters wrong with a stunning win.

It has now set up a blockbuster grand final between the two oldest enemies in the local competition. My tip is a 2-1 win to Lions on the strength of their extra rest and stability in the line-up.

City must decide whether to include players such as Shane Haddow and Wayne Strange in the starting team. The team pulled off a stunning win without them and reportedly the guys who filled in played superbly.

Remember the old saying- 'Never change a winning line-up'. Before I head off for another off-season sabbatical, a word on next year's proposed league and a final update on the 'House of Fun'.

The majority of the sides in the new league are obvious, but several current XXXX League sides have done themselves no favours in the final weeks of the season.

The scenes at Grange Thistle in the final round were nothing short of disgraceful.

To those who don't know, several players played in all three grades on the day because a number of XXXX League players chose not to play.

Only moments before the match, the players were discussing whether to forfeit the game or not.

I can't remember too many lower points in Queensland soccer during my six years in the XXXX League.

They'll need to do some pretty heavy lobbying if they are to be in the new league.

One player who did play against Rochedale in that final match was Sean Armstrong.

'Chucky' has almost certainly put himself in the market for a new club after giving the club a spray in a post match interview.

On the 'House of Fun', with summer fast approaching, party has become the latest catchery. Set for the weekend of September 28, all are invited.

Eye On Soccer's 1996 Dream Team

Reserves: Clayton Koch (Pine Rivers), Ben Wood (Wynnum), John Ogden (Taringa), Rob Farrow (Brisbane Lions).

Tickets are still available for the Stein Grodum Testimonial Dinner at Chancellor on the Park on the evening of Friday September 13. Cost is \$50 per head which includes a superb three course dinner, and all beer, wine and softdrinks. For bookings, please call Anna Giuffrida at Eastern Suburbs Soccer Club on (07) 3391 6099 between the hours of 9am-1pm Monday to Friday.

Who was the club official, who again has embarrassed his club, this time by insulting a representative from Soccer Australia at last Monday night's Clem Jones Gold Medal dinner? Is that how you propose to gain entry into the Ericsson Cup?

Players over 35 years of age are wanted to make up a team for the fast approaching 1996 Queensland Masters Games on the Gold Coast. If you are interested, contact Peter Cumming on 3403 5934 (w) or 3393 3442 (h).

AAP's racing writer Glenn Davis has now taken over all editorial and advertising responsibilities for Australian and British Soccer Weekly in Queensland. "Red", as he is more commonly known, is a familiar face in Queensland soccer circles and will be only too happy to hear from clubs or individuals who have any news or need to place an advertisement in ABSW. "Red" can be contacted on 0419 727 346.

Congratulations to Des Miles, Perry Park's groundsman, on the sterling job he has done with the pitch at soccer headquarters this year. The surface looks great when you consider the following: Firstly there have been more than 70 matches played at Perry Park this year, secondly the pitch is trained on constantly (up to five nights per week) for an entire nine month period, and thirdly, the pitch has not been allowed to rest in the last 36 months. Good job Des!

Teams from the ACT, New South Wales, Queensland and South Australia will grace the Perry Park turf, in the Australian Schools Sport Councils Primary Soccer Exchange next week.

Don't forget the start of the National League season next Sunday, September 8 at Perry Park, when the Brisbane Strikers take on Brisbane Lions in the first leg of the pre-season Johnnie Walker Cup competition. Lions have the chance to topple Queensland's Ericsson Cup team as they finished the season as Premiers, and will host the second leg at Lions Stadium the following Sunday, September 15.

Finally, the QSF would like to acknowledge Canale Travel for their support of Queensland soccer this year as well as Ansett Australia and Gordon Arrowsmith's Fair Play company for today's Grand Final Day prizes.

ROOKIE OF THE YEAR

Wynnum's Ben Wood has won the 1996 Eye On Soccer/Uhlsport Rookie of the Year award, as judged by the XXXX League coaches.

Ben topped the count with 16 votes, seven clear of his nearest rivals, Scott McLean of Coalstars and Taringa's Daniel Invincible, who each received nine votes.

The former QAS player had a sensational year with Wynnum and was one of the shining lights in the side's midfield, so much so that he even featured on the leader board at Monday night's Clem Jones Gold Medal function.

Possessing a cool head and sharp skills, Ben is sure to be one of Queensland soccer's stars of the future. Congratulations Ben!

REFEREE OF THE YEAR

For an unprecedented fifth year running, Derek Crawford has been named the **Eye On Soccer/Uhlsport** Referee of the Year.

Derek easily out-polled his colleagues with a staggering 22 votes, reconfirming him yet again as Queensland's best soccer referee.

The up and coming Mark Shield came in second with an impressive 15 votes, with John Peacock and Ted Kearney back in third after both being awarded nine votes each.

Incredibly Derek will not be officiating in today's XXXX League Grand Final, despite the overwhelming "thumbs up" from the coaches in Queensland's Premier competition.

In any case, it certainly has been another good year for the whistle blower. Congratulations once again Derek!

COACH OF THE YEAR

Wynnum continued their dominance of the early awards when Wayne Gracey was named as the Eye On Soccer/Uhlsport Coach of the Year for 1996.

Wayne got over the top of the highly fancied Miron Bleiberg, following a countback.

Both coaches ended up with 17 votes each, however Wayne had a superior number of three point votes to give him the award.

Brisbane City's Peter Tokesi came in third with 13 votes, while Kim Wishart and Steve Dolan also polled well with nine votes each.

Wayne took Wynnum to their first ever finals and the Queensland Cup final this year. Congratulations Wayne!

PLAYER OF THE YEAR

Brisbane Lions skipper Frank Mengotti took out the 1996 Eye On Soccer/Anfield Sports Player of the Year Award at last Monday night's Clem Jones Gold Medal function.

Frank proved his immeasurable worth in the XXXX League after leading his side to an undefeated run of 17 XXXX League matches.

Frank took the award out after receiving 12 votes from the coaches in the League. His nearest rival was prolific scorer Kieran Cooper, who received eight votes. Brisbane City's Damien Waugh was third (7), with his captain Mark Greer and Rochedale's Craig Collins and Gary Brattan each gaining five votes.

Frank receives \$1,000 worth of sporting goods from David Bearman of Anfield Sports at Rochedale. Congratulations Frank!
