In this, the final edition of the matchday program, (not including the finals), it is somewhat customary for me to acknowledge those that have given me great support throughout the season. This season I strongly feel that the thankyou's, however are much more necessary than obligatory.

First and foremost, I would like to thank the Board of Directors for offering me my dream job and for their continued assistance, which has enabled me to do the best job possible.

I would also like to pay tribute to the administration staff, namely Peta King and Steve Wilson for their help in the side of the job that is newest to me and their understanding that I'm much more at home on a patch of grass with a few balls to kick, than in the office performing the duties that are required in there.

It would also be remiss of me not to say a big thankyou to the other coaching staff for their time, effort and willingness to offer opinions and share wisdom. It is something I said that I would definitely need if we were going to achieve any degree of success and I can honestly say that

I could not have asked for anything more from Luciano Trani, Alan Bray, Matt Hughes, Rick Nilatu and Peter Tokesi.

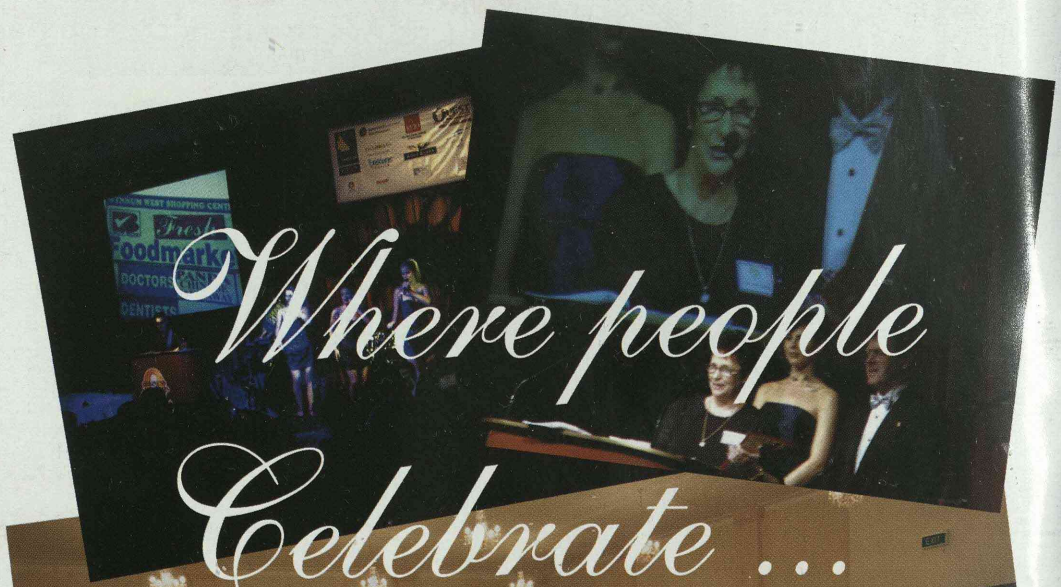

The players deserve special mention as well for their efforts and professionalism throughout the season and I'm convinced that if they continue to apply themselves, they will all have successful careers. Thanks also goes to Steve Whitlock and Dr Neville Blomeley for their dedication in ensuring that the sick and injured were back to fitness as soon as possible.

To everyone else who has given their assistance or support to the team over the season, Rob Blanche and Ray Bentley as Team Managers, Rob Mann as Team Chaplain and Ian Dalzell as Youth Team Manager, I would again like to thank.

Finally to the families, wives and girlfriends of all the players and in particular, my wife Lorna, I would like to say a big thankyou, as you are the people who ride all the highs and suffer all the lows. For that reason you are the most important people.

*Thanks for your support*

## From the Captains Desk

Welcome to tonight's game.

Two games to go. Can you believe it? Where has the season gone. They seem to go faster every year. After two away losses to Parramatta and Melbourne Knights we find ourselves still not secured of a finals spot.

The pressure is mounting but these are the type of games that every professional soccer player wants to be involved in.

The doubters are back out in force but I'm confident that our home form will return just like other times in the season when we've been through a bad patch. With the loss of Josh McCloughan through suspension and Karl Dodd through a knee injury, Stuart will have

to shuffle the pack and a few other lads will get their opportunity to impress and I'm certain they will do a good job. With our nearest rivals Sydney United playing Perth twice in their last three games, I think a win tonight will be enough to get us through to the finals.

I'd like to thank all the fans that have given us their support all year. The players appreciate it and it definitely gives us a lift.

So make some noise tonight for the boys, to see us over the line and to have finals football back at Perry Park.

Enjoy the Game  
**Peter Grierson**

## Advance Australia Fair

Australians all let us rejoice  
For we are young and free  
We've golden soil and wealth for toil,  
Our home is girt by sea:  
Our land abounds in nature's gifts  
Of beauty rich and rare,  
In history's page let every stage  
Advance Australia fair,  
In joyful strains then let us sing  
Advance Australia fair.

Beneath our radiant Southern Cross,  
We'll toil with hearts and hands,  
To make this Commonwealth of ours  
Renowned of all the lands,  
For those who've come across the seas  
We've boundless plains to share,  
With courage let us all combine  
To advance Australia fair.  
In joyful strains then let us sing,  
Advance Australia fair.

## Football Operations

### Senior Team

A disappointing result last week against the Melbourne Knights has shown again that no games are certainties when you're playing bottom sides.

The Kingz are a side who have proven this point to be true by beating two sides in the top six this season, Marconi 3-1 and South Melbourne 2-0

The only way we can erase last week's result is a win against the Wollongong Wolves.

Our biggest threat is Sydney United on 28 points and three games left, two of which are against Perth Glory and the last game against Melbourne Knights.

As I'm writing, Sydney United will play Perth Glory in Perth (Wednesday 18th Feb). A Perth victory and a win against Wollongong Wolves today, will cement our position in this year's National Soccer League Finals.

With this said, there is no doubt the Strikers need all the support we can get and we hope to see a vocal and encouraging crowd tonight.

### Youth Team

Youth team will play their last two games this weekend against Wollongong Wolves and the AIS. I would like to congratulate the youth squad, Peter Tokesi and Ian Dalzell for their efforts this season.

The board also deserves a mention, after all it was them who had the vision in creating a youth team for the future of the Brisbane Strikers.

And finally, on behalf of the senior/youth players, I would like to thank the fans who have supported both teams during the home and away games, the players have appreciated your support.

All the best

**Luciano Trani**

**GOOD AS GOLD**

## **Matthew Hilton**

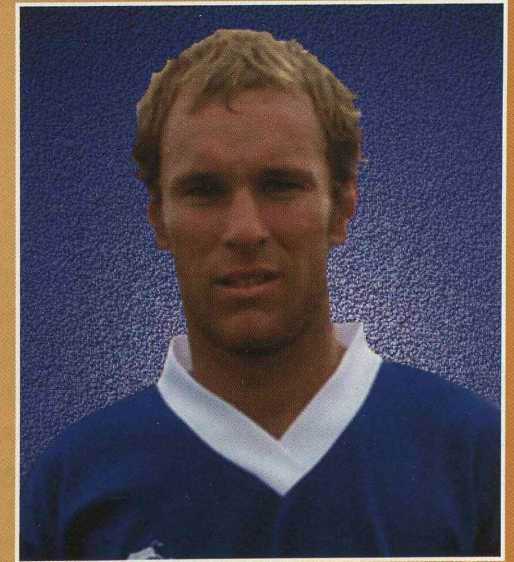

Having trialled on previous occasions for the Brisbane Strikers, promising front man Matt Hilton signed to the club early in the 2003-04 season.

"It's certainly very good to be playing at this level. The step up has been huge and hopefully, through putting in the work week in, week out I can get into the starting lineup."

Hilton is another of the players to praise the role of Luciano Trani at the club. "He's great to have around us. He's brought a lot of new things to me and his knowledge of the game is outstanding."

As for the club's fortunes this season, Hilton isn't surprised at the performances thus far. "I saw a lot of the games last season and was surprised by how poorly they finished up. But the aim is the top 6 this year and hopefully pretty high up."

Look out for Hilton to play an increasing role as the Strikers strive for NSL glory.

## **YEAR 2003 HALL OF FAME**

The Australian Soccer Association is seeking applications for the year 2003 Hall of Fame.

Nominees must have contributed to the code on a national level, either on the field (player) or off the field (Official, Coach, Referee, Media).

Players have to be retired at least three years before being eligible for nominations but non-players can be nominated at any time.

Closing date for nominations is February 28th and application forms can be obtained from the Australian Soccer Association.

## Blanchy's BACKCHAT!

I would like to take this opportunity to thank everyone for making this column so successful over the past couple of seasons, because without your support this section of the Eye on Strikers would simply not exist. Keep those letters rolling in as the feedback is a valuable tool in the Clubs decision making process on game days. So thank you one more time for allowing me to get your views out there.

### Thanks for the Season

A big thanks to the Strikers for twelve (soon to be thirteen) home games this season. I can see a great future for the Strikers & Perry Park

P.Lazarou

*The Strikers have certainly proved what they're capable of this season*

### Future looks Bright

Even though the Youth team hasn't qualified for the finals, a big congrats to Peter Tokesi and the lads for putting on a good show of budding Queensland talent this season. Hopefully, we'll see some of the lads in APL squads one day.

L.McQueen

*I'm sure you'll agree with me when I say it was a pleasure to watch the next wave of talent this state has to offer*

### The Old Lady is about to Sing

Great to see the old lady of football (Perry Park) will finally host its first NSL finals' game. May it not be the last.

Pauline Penzer

*I can't wait*

### Come watch the Production Line in Action

I hope that the supporters of Strikers' football will endeavour to check out the QPL during the off-season this winter, to see where the great Brisbane players of today (and tomorrow) will come from.

Thad Shephard

*I'll see you there*

I hope all the dreams and goals in your football life are fulfilled and that you are all returned to us safe and happy in your lot.

Blanchy

## **Josh McCloughan**

Josh McLoughan has been one of the quiet achievers in the 2003-04 season. He's teamed up with another NSL newcomer Karl Dodd to form part of the Strikers formidable backline.

"I'm just happy to have been given the chance at this level, I didn't expect to experience this, and the success we've enjoyed has been a real bonus."

The seeming ease with which McLoughan and others have stepped up to the NSL is testament to the quality of the Queensland state league. "Certainly as a defender, the state league is very physical, so we've been able to match up against opposition sides very well in terms of strength. There's more skill and touch in the national league but we've been able to handle it well so far."

Much of the credit must go to Stuart McLaren as coach for the job he's done into moulding the inexperienced squad into a likely top 6 team. "Stu's done a great job in bringing us together, we've got a great blend of committed lads here, and Stu's enthusiasm in the dual role, playing and coaching, has rubbed off on all of us. We're all working hard together and so far the work is paying off."

## From the benches

The game against Marconi saw them come off a month long hibernation, to get a priceless win against the Strikers and continue its impressive record in the Queensland capital. Played in high humidity, Marconi surprisingly came home the strongest and after captain Brad Maloney had broken the deadlock in the 66th minute, the Stallions were able to grab a late goal from Australian Under 23 member Nick Carle. Marconi clearly had the better of the first half, as Brisbane looked out of sorts and continually turned over possession. However the breakthrough came when Carle and Alex Brosque had successive shots parried by Strikers keeper Scott Higgins, but Maloney was left with a simple tap in.

With Brisbane pushing players forward in search of an equaliser, they were exposed at the back and Carle made no mistake with his one-on-one against Higgins.

After the initial match against Sydney United was abandoned after 68 minutes because of atrocious weather conditions, for the Strikers, it was case of picked up where they left off and added the extra goal for good measure at the end. That's what everyone must have been thinking when Josh McCloughan had the home team up a goal in the first half, just like in the first match. While his goal in the abandoned game didn't count, there was no denying him this time, as he swept on a Liam Reddy deflection in the 21st minute.

It was no more than Brisbane deserved after creating most of the scoring opportunities early on in the match. For the most part United's attack was again missing in action, unable to penetrate the well-organised Brisbane defence. Their best chance came late in the second half when new signing from the Football Kingz Mark Beldham headed over the bar.

David Pilic secured the vital three points for the home side in the 88th minute with a blistering drive. Parramatta Power survived a gallant comeback from the Brisbane Strikers, to eventually get home 3-2 at a wet and greasy Parramatta Stadium. The Power led 3-0 early in the second half thanks to two goals from Ante Milicic plus a Lucas Pantelis strike, but Brisbane showed great character to claw

their way back and give Parramatta a few anxious moments at the end. Brisbane kept plugging and eventually they started creating several chances of their own. The first came after 22 minutes; when player/coach Stuart McLaren forced a fingertip save from Power keeper Clint Bolton, after striking a well-hit volley from 12 metres. Six minutes later Bolton was at it again when former Power striker Royce Brownlie beat the offside trap, but Bolton was able to save the shot with his legs on a 45-degree angle. Matt McKay was the next to be denied by Bolton five minutes later, the Australian Under 23's shot pushed wide at the near post. They were rewarded in the 56th minute when Steve Fitzsimmons, another former Power player, struck a powerful low free kick from 25 metres that skimmed off the greasy surface and rocketed into the back of the net past a diving Bolton. He nearly had another a minute later when he tried to get on the end of Louis Brain's cross, but Power defenders Michael Beauchamp and Paul O'Grady managed to prevent the shot and get the ball clear. The Power then enjoyed a brief spell of domination with Rech, Peter Zorbas and substitute Saso Petrovski all going close with chances to wrap the game up. Then in the 81st minute it was very much game on, when two Brisbane substitutes combined to make it 3-2. Neat work by Warren Moon on the right saw his cross met by a sharp finish at the near post from Joshua Rose and Power's defence suddenly looked edgy. Two minutes later Luke Morley looked set to get through on goal with only Bolton to beat, but slipped at a critical moment that allowed the Power to clear. Bolton then scrambled to save a Rose header and a minute later saved at the second attempt a strong shot from Moon. That however was the end of the chances for the visitors and Petrovski or Milicic should have buried a fourth goal from just five yards out, but they both probably put each other off and the ball flew over the bar.

In a shock result last week, the Melbourne Knights scored a goal in each half to put a wobble in the Strikers push for a top six spot, with goals from R Vargas 27' and S Oksuz 88'.

# **Where'd the time go?**

Welcome to the final regular season home fixture for 2003/2004. It only seems like yesterday that we were moving the club back to Perry Park. Not quite sure if we were going to be ready for the start of the Season. But as you all know we were ready and more than able, I would like to take this opportunity to thank and congratulate the hardworking and ever dependable Jacqui Wright, Dell Townsend, Steve Wilson and of course our very own Chairman Dr Clem Jones AO for their tireless work and expertise in not only running the club on a day to day basis, but also for the long hours of thankless work they all do for our benefit in providing Brisbane with a National League Club it deserves. There are of course a great deal of other people involved on a purely voluntary basis and others in part time staffing roles that deserve a big pat on the back as well, so here it is THANK YOU. Well done to all the Ball Boys/Girls for your terrific work and commitment throughout the season and a special mention to all the mascots who have made game day all the much better with their contribution. To Ray and Gwen Evans I extend a heart felt thank you for your support and help, to Bruce and all the staff at ABC Printing, especially

Mr John Stroud (without John there would be no program, not to mention having to put up with me always being late with my articles) thank you for making this Program the envy of all the other Clubs. I always forget somebody, so I'll say sorry now and apologise in advance.

Okey dokey then, well this has been a real roller coaster ride for me this year travelling with the side, running game day, then having to give it away because I couldn't volunteer my time anymore. This will be in fact, the last time I get to babble on in the regular season, hopefully I'll get a couple more chances to confuse and amuse during the finals series, but sadly I'm forced to retire at the end of this campaign. Speaking of finals, as was pointed out in letter the Backchat page, when we make the finals, it will be the first Finals match played at Perry Park. (NSL not local stuff, I had to clear that point up with my proof-reader) Be part of this historic event and drag some of your family and friends along, so they can tell people "I was there" as well. Show your support for the Shangri La Brisbane Strikers inclusion into the New League starting next season. It's the best way to show the people at the top of my thank you list that you do appreciate

the effort they have put in and shows the ASA that Brisbane needs a strong Club in the revamped competition and the supporters back that claim. Please check the Website [www.brisbanestrikers.com](http://www.brisbanestrikers.com) for the latest info on the Top Six Playoffs.

Get your letters in for the finals edition of the Backchat Page, its your last chance to see your name in lights. [blanchy1965@hotmail.com](mailto:blanchy1965@hotmail.com) I like to thank everyone who sent a letter in and apologise to those of you who missed out making the EOS, I received so many emails that it was impossible to get them all in. (It's nice to know that's there's so many of you out there, COOL) So once again, thank you, to all of you that have supported and enjoyed "Blanchy's Backchat" over the past couple of seasons. (The End? Or a New Beginning?)

A bit cryptic? But it does lead nicely into my next train of thought though. I need to thank Coach Stuart McLaren, his Assistant Luciano Trani, that famous Brazilian Physio, Mr Steven Whitlock, the rest of the staff and of course the players for treating me with respect and taking me into their family, even if only for a short time. Thanks also to the players who came up with the idea

of the Cryptic Quiz and for supporting it, even when it was at their own expense. (Metaphorically speaking of course, except in the case of young .) How many did you get? (I reckon you've done well to get any of them. Except maybe mine.) A special mention for Peter Grierson, the Captain really does know his team-mates.

Well here's maybe your last chance to pick the Cryptic Quiz: Which local Premier League Club has a much written about recently retired Strikers volunteer been linked with? And in what capacity? Thinking Caps on, where are the latest rumours saying he's gone.

Well once again I've babbled on more than enough and for possibly for the last time, all that's left to do is settle in and enjoy the action.

## **Strikers Youth Match Report**

Well our inaugural season in the National Youth league is almost over and at the time of this report we have three games left, Q.A.S. on Tuesday, Wollongong on Saturday and the A.I.S. on Sunday at 5.00pm. Although we didn't finish as high up the ladder as we would've liked, I believe our season to be successful.

Of course it would be nice to be playing in the finals, but in terms of development our young players have been very successful. The average age of the team is 17 and most times we played against teams that had an average age of 19.

For young players two years is a lifetime. I would like to see our boys in two years. Also this has been the first year at such a high level for the squad and their performance has been admirable.

All of the boys need more games under their belt and I'm sure we'll see them running around in the Brisbane mens competition. Keep an eye out for them.

You will quite often hear me say that the best players in the world are between 24 and 34, Just look at the top club sides and international teams. Sure there are the select few that are the exception, but a very low minority. So in terms of getting to the highest level our youth team players are only starting their apprenticeship.

Finally I would like to thank Dr. Jones and the board of the Brisbane Strikers for the opportunity to have been involved this year.

Yours in Soccer
