(1) **Dimensions.** The field of play shall be rectangular; its length being not more than 130 yards nor less than 100 yards and its breadth not more than 100 yards nor less than 50 yards. (In Intentional matches the length shall not be more than 120 yards nor less than 110 yards and the breadth not more than 80 yards nor less than 70 yards). The length shall in all cases exceed the breadth.

(2) **Marking.** The field of play shall be marked with distinctive lines, not more than 5 inches in width, not by a V-shaped rut in accordance with the plan, the longer boundary lines being called the touch lines and the shorter the goal-lines. A flag on a post not less than 5ft. high and having a non-pointed top, shall be placed at each corner; a similar flag-post may be placed opposite the half-way line on each side of the field of play, not less than 1 yard outside the touchline. A half-way line shall be marked out across the field of play. The centre of the field of play shall be indicated by a suitable mark and a circle with a 10 yard radius shall be marked round it.

(3) **The Goal-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 6 yards from each goal-post. These shall extend into the field of play for a distance of 6 yards and shall be joined by a line drawn parallel with the goal-line. Each of these spaces enclosed by these lines and the goal-line shall be called a goal-area.

(4) **The Penalty-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 18 yards from each goal-post. These shall extend into the field of play for a distance of 18 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal line shall be called a penalty area. A suitable mark shall be made within each penalty-area, 12 yards from the mid-point of the goal-line, measured along an undrawn line at right angles thereto. These shall be the penalty-kick marks. From each penalty-kick mark an arc of a circle, having a radius of 10 yards, shall be drawn outside the penalty-area.

(5) **The Corner-Area.** From each corner-flag a quarter circle having a radius of 1 yard, shall be drawn inside the field of play.

(6) **The Goals.** The goals shall be placed on the centre of each goal-line and shall consist of two upright posts equi-distance from the corner-flags and 8 yards apart (inside measurement), joined by a horizontal cross-bar the lower edge of which shall be 8ft. from the ground. The width and depth of the goal-posts and the width and depth of the cross-bars shall not exceed 5 inches. The goal posts and the cross-bar shall have the same width.

Nets may be attached to the posts, cross-bars and ground behind the goals. They should be appropriately supported and distance from the corner-flags and 8 yards apart inside measurement be so placed as to allow the goal-keeper ample room.

LAW 2. — THE BALL

The ball shall be spherical; the outer casing shall be of leather and no material shall be used in its construction which might prove dangerous to the players. The circumference of the ball shall not be more than 28 inches nor less than 27 inches. The weight of the ball at the start of the game shall not be more than 16oz. nor less than 14oz. The ball shall not be changed during the game unless authorised by the referee.

LAW 3. — NUMBER OF PLAYERS

(1) The game shall be played by two teams each consisting of not more than eleven players one of whom shall be the goal-keeper.

(2) Substitutes, up to a maximum of two per team, are permitted in a friendly match and also, provided that the authority of the International Association(s) or National Association(s) concerned has been obtained in a match played under the rules of a competition. The Referee shall be informed of the names of substitutes (if any) before the start of the match.

LAW 4. — PLAYERS' EQUIPMENT

(a) Bars shall be made of leather or rubber and shall be transverse and not less than half an inch in width and shall extend the total width of the boots and be rounded at the corners.

(b) Studs shall be made of leather, rubber, aluminium, plastic or similar material and shall be solid. With the exception of that part of the stud forming the base, which shall not protrude from the sole, more than one quarter of an inch, stud shall be round in plan and not less than half an inch in diameter. Where studs are tapered, the minimum diameter of any section of the stud must not be less than half an inch. Where metal seating for the screw type is used, this seating must be embedded in the sole of the boot and any attachment screw shall be part of the stud. Other than the metal seating for the screw type of stud, no metal plates even though covered with leather or rubber shall be worn, neither studs which are threaded to allow them to be screwed on to a base screw that is fixed by nails or otherwise to the soles of boots, nor studs which, apart from the base, have any form of protruding edge rim, or relief marking or ornament shall be allowed.

(c) Combined bars and studs may be worn, provided the whole conforms to the general requirements of this law. Neither bars nor studs on the soles or heels shall project more than three-quarters of an inch. If nails are used they shall be driven in flush with the surface.

(N.B.—The usual equipment of a player consists of a jersey or shirt, short trousers, stockings and boots. A goal-keeper should wear colours which distinguish him from the other players).

Punishment For any infringement of this Law, the player at fault shall be sent off the field of play to adjust his equipment, and he shall not return without first reporting to the Referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

LAW 5. — REFEREES

A Referee shall be appointed to officiate in each game. He shall:—
(a) Enforce the Laws and decide any disputed point. His decision on points of fact connected with the play shall be final so far as the result of the game is concerned. His jurisdiction begins from the time he signals the kick-off, and his power of penalising shall extend to offences committed when play has been temporarily suspended or when the ball is out of play. He shall, however, refrain from penalising in cases where he is satisfied that by doing so he would be giving an advantage to the offending team.

(b) Keep a record of the game; act as timekeeper and allow the full or agreed time, adding thereto all time lost through accident or other cause.

(c) Have discretionary power to stop the game for any infringement of the Laws and to suspend or terminate the game whenever, by reason of the elements, interference by spectators, or other cause, he deems such stoppage necessary. In such a case he shall report the matter to the National or Affiliated Association under whose jurisdiction the game was played, within two days (Sundays not included). Reports will be deemed to be made when received in the ordinary course of post.

(d) Have discretionary power, from time he enters the field of play, to caution any player guilty of misconduct or ungentlemanly behaviour and, if he persists, to suspend him from further participation in the game. In such cases the Referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the provisions set-up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(e) Allow no person other than the players and linesmen to enter the field without his permission.

(f) Stop the game if, in his opinion, a player has been seriously injured; have the player removed as soon as possible from the field of play, and immediately resume the game. If a player is slightly injured, the game shall not be stopped until the ball has ceased to be in play. A player who is able to go to the touch or goal-line for attention of any kind, shall not be treated on the field of play.

(g) Have discretionary power to suspend from further participation in the game, without previous caution, a player guilty of violent conduct.

(h) Signal for recommencement of the game after all stoppages.

(i) Decide that the ball provided for a match meets with the requirements of Law 2.

LAW 6. — LINESMEN

Two linesmen shall be appointed, whose duty (subject to the decision of the Referee) shall be to indicate when the ball is out of play and which side is entitled to the corner-kick, goal-kick or throw in. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a linesman, the Referee shall dispense with his services and arrange for a substitute to be appointed. (The matter shall be reported by the Referee to the National or Affiliated Association having jurisdiction over the offending linesman). The linesman should be equipped with flags by the Club on whose ground the match is played.

LAW 7. — DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, unless otherwise mutually agreed upon, subject to the following: (a) Allowance shall be made in either period for all time lost through accident or other cause, the amount of which shall be a matter for the discretion of the

Referee; (b) Time shall be extended to permit of a penalty-kick being taken at or after the expiration of the normal period in either half.

At half-time the interval shall not exceed five minutes except by consent of the Referee.

LAW 8. — THE START OF PLAY

(a) **At the beginning of the game**, choice of ends and the kick-off shall be decided by the toss of a coin. The team winning the toss shall have the option of choice of ends or the kick-off.

The Referee, having given a signal, the game shall be started by a player taking a place-kick (i.e., a kick at the ball while it is stationary on the ground in the centre of the field of play) into his opponents' half of the field of play. Every player shall be in his own half of the field and every player of the team opposing the kicker shall remain not less than 10 yards from the ball until it is kicked-off; it shall not be deemed in play until it has travelled the distance of its own circumference. The kicker shall not play the ball a second time until it has been played or touched by another player.

(b) **After a goal has been scored** the game shall be re-started in like manner by a player of the team losing the goal.

(c) **After half-time**. When restarting after half-time, ends shall be changed and the kick-off shall be taken by a player of the opposite team to that of the player who started the game.

Penishment: For any infringement of this Law the kick-off shall be re-taken, except in the case of the kicker playing the ball again before it has been touched or played by another player; for this offence, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred. A goal shall not be scored direct from a kick-off.

(d) **After any other temporary suspension**. When restarting the game after a temporary suspension of play from any cause not mentioned elsewhere in these Laws, provided that immediately prior to the suspension the ball has not passed over the touch or goal-lines, the Referee shall drop the ball at the place where it was when play was suspended and it shall be deemed in play when it has touched the ground; if, however, it goes over the touch or goal-lines after it has been dropped by the Referee, but before it is touched by a player, the Referee shall again drop it. A player shall not play the ball until it has touched the ground. If this section of the Law is not complied with the Referee shall again drop the ball.

LAW 9. — BALL IN AND OUT OF PLAY

The ball is out of play:—

(a) When it has wholly crossed the goal-line or touch-line, whether on the ground or in the air.

(b) When the game has been stopped by the Referee.

The ball is in play at all other times from the start of the match to the finish, including:—

(a) If it rebounds from a goal-post, cross-bar or corner-flag post into the field of play.

(b) If it rebounds off either the Referee or linesmen when they are in the field of play.

(c) In the event of a supposed infringement of the Laws, until a decision is given.

LAW 10. — METHOD OF SCORING

Except as otherwise provided by these Laws, a goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the cross-bar; provided it has not been thrown, carried or propelled by hand or arm, by a player of the attacking side, except in the case of a goal-keeper, who is within his own penalty area.

The team scoring the greater number of goals during the game shall be the winner; if no goals, or an equal number of goals are scored, the game shall be termed a "draw".

Decisions of the Board.—Relative to Law 10.

1. The Board has decided that Law 10 defines the only method according which a match is won or drawn; as a consequence no alteration whatsoever can be authorised.
2. A goal cannot in any case be allowed if the ball has been prevented by some outside agency before passing over the goal-line. If this happens in the normal course of play, other than at the taking of a penalty-kick, the game must be stopped and restarted by the Referee dropping the ball at the place where the ball came into contact with the interference.
3. If the ball is going into goal, but before it passes wholly over the goal-line, a spectator enters the field and tries to prevent the goal but fails to make contact with the ball which then goes into goal, the Referee shall allow the goal.

LAW 11. — OFF-SIDE

A player is off-side if he is nearer his opponents' goal-line than the ball **at the moment the ball is played unless:—**

(a) He is in his own half of the field of play.

(b) There are two of his opponents nearer to their own goal-line than he is.

(c) The ball last touched an opponent or was last played by him.

(d) He receives the ball direct from a goal-kick, corner-kick, a throw-in, or when it is dropped by the Referee.

Punishment: For an infringement of this Law, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred.

A player in an off-side position shall not be penalised unless, in the opinion of the Referee, he is interfering with the play or with an opponent, or is seeking to gain an advantage by being in an off-side position.

LAW 12. — FOULS AND MISCONDUCTS

A player who intentionally commits any of the following nine offences:—

- (a) Kicks or attempts to kick an opponent;
- (b) Trips an opponent, i.e., throwing or attempting to throw by the use of the legs or by stopping in front of or behind him;
- (c) Jumps at an opponent;
- (d) Charges an opponent in a violent or dangerous manner;
- (e) Charges an opponent from behind unless the latter be obstructing;
- (f) Strikes or attempts to strike an opponent;
- (g) Holds an opponent with his hand or any part of his arm;
- (h) Pushes an opponent with his hand or any part of his arm;
- (i) Handles the ball, i.e., carries, strikes or propels the ball with his hand or arm (this does not apply to the goal-keeper within his own penalty-area);

shall be penalised by the award of a DIRECT FREE KICK to be taken by the opposing side from the place where the offence occurred.

Should a player of the defending side intentionally commit one of the above nine offences, within the penalty area, he shall be penalised by a penalty kick.

A penalty kick can be awarded irrespective of the position of the ball, if in play, at the time an offence within the penalty-area is committed.

A player committing any of the five following offences:—

- (1) Playing in a manner considered by the Referee to be dangerous, i.e., attempting to kick the ball while held by the goal-keeper;
- (2) Charging fairly, i.e., with the shoulder, when the ball is not within playing distance of the players concerned, and they are definitely not trying to play it;

(3) When not playing the ball, intentionally obstructing an opponent, i.e., running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent;

(4) Charging the goal-keeper except when he:—

- (a) is holding the ball;
- (b) is obstructing an opponent;
- (c) has passed outside his goal area;

(5) When playing as Goalkeeper:

- (a) takes more than 4 steps whilst holding, bouncing or throwing the ball in the air and catching it again without releasing it so that it is played by another player, or
- (b) indulges in tactics which, in the opinion of the referee, are designed merely to hold up the game, and thus waste time and so give an unfair advantage to his own team.

A player shall be CAUTIONED if:—

- (j) he enters the field of play to join or rejoin his team after the game has commenced without first having received a signal from the referee showing him that he is in order to do so.
- (k) He persistently infringes the Laws of the game;
- (l) He shows by word or action, dissent from any decision given by the Referee;
- (m) He is guilty of ungentlemanly conduct;

For any of these last three offences, in addition to the caution, an INDIRECT FREE KICK shall also be awarded to the opposing side from the place where the offence occurred.

A player shall be SENT OFF the field of play if:—

- (n) in the opinion of the Referee, he is guilty of violent conduct or serious foul play;
- (o) he uses foul or abusive language;
- (p) he persists in misconduct after having received a caution.

If play be stopped by reason of a player being ordered from the field for an offence without a separate breach of the law having been committed, the game shall be resumed by an INDIRECT FREE KICK awarded to the opposing side from the place where the infringement occurred.

LAW 13. — FREE-KICK

Free-kicks shall be classified under two heads: "Direct" (from which a goal can be scored direct against the offending side), and "Indirect" (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

— MILK has calcium to keep muscles young and healthy —

When a player is taking a direct or an indirect free-kick inside his own penalty area, all of the opposing players shall remain outside the area, and shall be at least ten yards from the ball whilst the kick is being taken. The ball shall be in play immediately it has travelled the distance of its own circumference, and is beyond the penalty area. The Goalkeeper shall not receive the ball into his hands, in order that he may thereafter kick it into play. If the ball is not kicked direct into play beyond the penalty area, the kick shall be retaken.

When a player is taking a direct or an indirect free-kick outside his own penalty area, all of the opposing players shall be at least ten yards from the ball, until it is in play, unless they are standing on their own goal-line between the goal-posts. The ball shall be in play when it has travelled the distance of its own circumference.

If a player of the opposing side encroaches into the penalty-area, or within ten yards of the ball, as the case may be, before a free-kick is taken, the referee shall delay the taking of the kick, until the Law is complied with.

The ball must be stationary when a free kick is taken, and the kicker shall not play the ball a second time, until it has been touched or played by another player.

Punishment: If the kicker, after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred.

LAW 14. — PENALTY-KICK

A penalty-kick shall be taken from the penalty-mark and, when it is being taken, all players, with the exception of the player taking the kick, and the opposing goal-keeper, shall be within the field of play but outside the penalty-area and at least 10 yards from the penalty-mark. The opposing goal-keeper must stand (without moving his feet) on his own goal-line, between the goal-posts, until the ball is kicked. The player taking the kick must kick the ball forward; he shall not play the ball a second time until it has been touched or played by another player. The ball shall be deemed in play directly it is kicked, i.e., travelled the distance of its circumference, and a goal may be scored direct from such a penalty-kick. If the ball touches the goal-keeper before passing between the posts, when a penalty-kick is being taken at or after the expiration of half time or full time, it does not nullify a goal. If necessary, time of play shall be extended at half-time or full-time to allow a penalty-kick to be taken.

Punishment:

For any infringement of this Law:—

(a) by the defending team, the kick shall be retaken if a goal has not resulted.

(b) by the attacking team, other than by the player taking the kick, if a goal is scored it shall be disallowed and the kick retaken.

(c) by the player taking the penalty-kick, committed after the ball is in play, a player of the opposing team shall take an indirect free-kick from the spot where the infringements occurred.

LAW 15. — THROW-IN

When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play and part of each foot shall be either on the touch-line or on the ground outside the touch-line. The thrower shall use both hands and shall deliver the ball from behind and over his head. The ball shall be in play immediately it enters the field of play, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment:

(a) If the ball is improperly thrown in, the throw-in shall be taken by a player of the opposing team.

(b) If the thrower plays the ball a second time before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred.

LAW 16. — GOAL-KICK

When the whole of the ball passes over the goal-line excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the attacking team, it shall be kicked direct into play beyond the penalty-area, from a point within that half of the goal-area nearest to where it crossed the line by a player of the defending team. A goal-keeper shall not receive the ball into his hands from a goal-kick in order that he may thereafter kick it into play. If the ball is not kicked beyond the penalty-area, i.e., direct into play, the kick shall be re-taken. **The kicker shall not play the ball a second time until it has touched or been played by another player.** A goal shall not be scored direct from such a kick. Players of the team opposing that of the player taking the goal-kick shall remain outside the penalty-area whilst the kick is being taken.

Punishment: If a player taking a goal-kick plays the ball a second time after it has passed beyond the penalty-area, but before it has touched or been played by another player, an indirect free-kick shall be awarded

to the opposing team to be taken from the place where the infringement occurred.

LAW 17. — CORNER-KICK

When the whole of the ball passes over the goal-line, excluding that portion between the goal posts, either in the air or on the ground, having last been played by one of the defending team, a member of the attacking team shall kick the ball from within the quarter-circle at the nearest corner flagpost, which must not be removed, i.e., a corner-kick. A goal may be scored direct from such a kick. Players of the team opposing that of the player taking the corner-kick shall not approach within 10 yards of the ball until it is in play, i.e., it has travelled the distance of its own circumference, nor shall the kicker play the ball a second time until it has been touched or played by another player.

Punishment: For an infringement of this Law, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred.
