WHAT KIND ?

Someone has said the membership of some clubs is made up of four bones:—

There are the WISHBONES, who spend all their time wishing that somebody would do the work.

There are the JAWBONES, who do all the talking, but very little of anything else.

Next come the KNUCKLEBONES, who knock everything that everybody tries to do.

Finally there are the BACKBONES, who get under the load and do all the work.

The burning question is: "What kind of bone are you?"
