

QUEENSLAND  
SOCCER FEDERATION  
(Affiliated with Australian Soccer Federation)

**Headquarters:**  
Perry Park,  
Abbotsford Road,  
Mayne, 4006

**OFFICIAL  
YEAR BOOK**

**1981**

**YOU'D CALL IT A LUXURY CAR  
IF IT WEREN'T SO ECONOMICAL**

Fully imported, undeniably economical. Even for a 1200cc car. In the 1980 Total Oil Economy Run, a Sunny driven under test conditions, recorded 6.5 litres /100 km (43.4 mpg). But the Sunny is much more than just an economy car. It has fully reclining front seats, head restraints, a quartz digital clock, push button radio, band tinted, laminated windscreen. We could go on.

A better idea is to test drive the new Sunny.

# Some words of advice for weekend sportsmen: Take up drinking.

You'd be surprised how many sportsmen and women take better care of their equipment than their bodies.

They either eat a big meal before playing — which can weigh them down, make them feel uncomfortable. Or they eat nothing at all — which means reserves of energy are soon exhausted.

There's a better way, with Sustagen®.

Sustagen is a correctly balanced, scientifically proven meal supplement you use in liquid form.

It takes only seconds to prepare — simply add it to water.

## *Sustagen solves the energy crisis.*

Sustagen is a nutritious high energy source which provides all the vital ingredients your body needs for peak performance. And it tastes good, too.

It gives you more energy than a steak meal. But without the bulk. And Sustagen is digested in literally half the time. Which means you can drink it before or between events without fear of discomfort.

You may not be going for a world record this weekend, but if sport is something you enjoy doing well, Sustagen can help you do it better.

Don't play on a full stomach, or on an empty stomach. Play on Sustagen.

## THE SGIO 'HIS & HERS' LIFE POLICY

The low rate SGIO His & Hers Life Policy has proved very popular with married and engaged couples, and people in other family situations.

It's kept pace with changing times giving you what you need in Life Assurance. Briefly, this is one way the policy operates. A permanent policy is taken out on the life of the husband. This is then extended to provide LOW COST protection for both him and his wife. Of course, we're happy to allow the reverse situation as well.
