June 18th - 19th Ampol Cup Round 1 Knockout and Unplayed Fixtures.

Ampol Super GT is the only top quality motor oil in Australia that is not available world-wide.

Yet it does everything that other top quality friction-modified motor oils can do.

Friction modified Ampol Super GT is fuel-efficient compared to ordinary oils. It will protect your engine through all the temperature extremes you are likely to meet here in Australia!

And it can reduce wear on your engine.

Ampol Super GT is not available world-wide because it has been designed specifically for Australian conditions. Australian cars. Conditions unique in the world.

Ask any car manufacturer. There is no other country quite like Australia.

No other oil quite like Ampol Super GT.
