PRESIDENT'S MESSAGE

As president of the Queensland Junior Soccer Council I am pleased to introduce the 1992 Year Book. My congratulations to all who have contributed to its publication which will be a valuable asset for every Administrator of Junior Soccer throughout Queensland. The history, statistics and years events are of immense interest and I trust that the policy of producing such a booklet will always be a priority of this Council.

My appreciation to the may tireless workers, who contribute to the administration, coaching and running of Junior Soccer throughout this State. Without your involvement the 25,000 plus who play soccer would not be doing so. To those who have decided not to seek re-election this year, go my thanks for your contribution, and I wish you well for the future.

The figure of over 25,000 registered players was a great achievement, as the last time we topped this number was back in 1984. We still have a long way to go to reach our 1981 record of 27,887 but we are heading in that direction.

At the 1991 A.G.M., it was pleasing to be able to present a Life Membership to long serving Council member and Far North Queensland's Mr. Soccer, John Bomben. Congratulations to John for the many years of dedicated involvement in the development of Junior Soccer throughout this State.

The appointment by the Queensland Soccer Federation of Jim Selby as State Director of coaching has been well received by this Council and we look forward to working with Jim and his assistant Peter Kelly. The information of a Development Committee has bridged the gap which did exist and I am confident the next few years will be an exciting time for all who play this great code.

My appreciation to Q.S.F. President Wallace Dann and Secretary Jim Gilbert for their assistance during 1991 and look forward to a highly productive 1992.

Finally, I anticipate an enjoyable year working with the executive and members of this Council. Some have been holding executive positions for many years and their continued support is greatly appreciated.

I trust this year will be rewarding for all involved from the youngest player to the oldest administrator. I hope to meet with many of you throughout 1992.

BILL FIRTH
President, Queensland Junior Soccer Council

PATRON' MESSAGE

Thank you for the honour of being elected as Patron of The Queensland Junior Soccer Council.

Over the past 17 years the Q.J.S.C. has developed a very strong, enthusiastic and respected Junior Soccer league with over twenty-five thousand registered players and more than two thousand, two hundred teams. Congratulations on these achievements.

The development of player skills is important and the strong emphasis on coaching is commendable. Good basic skills taught to junior players will remain with them throughout their soccer careers.

Team work, team spirit and good sportsmanship are added qualities for soccer players both on and off the field.

It is said a champion team will out-perform a team of champions. While it is a good ambition to be a champion player, I hope it is also the players' ambition to excel in team spirit and team work and be a member of a champion team at all levels of competition.

I extend my warmest wishes to all officials at all levels for serving the youth of Queensland through the development of junior soccer in Queensland and for a very successful year for all in 1992.

CLEM CAMPBELL, M.L.A.
Patron Queensland Junior Soccer Council

Q.S.F. PRESIDENT'S MESSAGE

I am again delighted to address a message to the many dedicated people who devote their time and energy to the advancement of junior soccer in Queensland.

It was particularly pleasing to see the number of registered junior players rise above the 25,000 mark in the 1991 season – a fitting tribute to the hard work of junior soccer officials throughout the State.

The 1991 season also saw the launch of the highly successful "Soccer It's Hot" campaign and the introduction of a range of other measures designed to promote the game at all levels. However, the achievement of the year was undoubtedly the establishment of Brisbane United and its entry to the Coca-Cola National Soccer League.

There is no doubt that Brisbane United is already a source of intense pride to many thousands of soccer enthusiasts in Queensland. It is my hope that with that pride will come a full realisation that the success of Brisbane United is vital to the future of the game for many reasons, not the least of which are the inspiration it provides and the career path which it opens up to young players in this State.

I trust that the advent of Brisbane United and the other major initiatives of last season will have a positive effect on the growth and popularity of junior soccer in the years to come.

The value of talent identification program to this State has been demonstrated on many occasions, but never more forcibly than by the selection of three Queensland players in the Australian Youth team currently on tour overseas. Congratulations to Sean Cranney, Bradley Ditton and Graig Moore, all of whom have an excellent chance to represent their country in the 1993 World Youth Championships in Australia.

In the forthcoming season, many of you will meet Jim Selby in his new role as State Director of Coaching and Peter Kelly, recently appointed as our first Assistant State Director. You will find that both Jim and Peter will continue to render dedicated service to junior soccer in Queensland.

I take this opportunity to extend best wishes to the President, Executive and Members of the Queensland Junior Soccer Council and to everyone associated with junior soccer throughout the length and breadth of the State.

May the 1992 season reward you with enjoyment and success.

WALLACE DAN, President
Queensland Soccer Federation

HISTORY OF THE GINO PARIS CUP

In 1953, a combined Brisbane and Ipswich Under 15 team toured Queensland playing games in Mackay, Townsville, Ayr and Rockhampton. Mackay and Cairns visited Brisbane and Ipswich in 1954 and in 1955 a team from Brisbane and Ipswich travelled to Mackay and Rockhampton.

These 3 years' activities stirred the imagination of Ingham businessman, Mr. Gino Paris. He offered a magnificent trophy to the Queensland Primary Schools Soccer Football Association for annual intra-state competition. From this beginning has come the Gino Paris Cup Carnival for Under 12 players — seven days of wonderful sport played in the true spirit of sport and sportsmanship.

In its first years, the Carnival was played on a 'round robin' basis. At the 1961 Carnival in Ipswich 9 teams participated which was too big a number for the limited time available. A new format was introduced in 1962 at Mackay and it was also decided to limit the competition to 8 teams with the preference to be given to the 8 who had been the early supporters of the competition.

Following the formation of the Queensland Junior Soccer Council in 1976, the Gino Paris Competition was restricted to Zones 1, 2, 3 and 7 for the 1977 competition and the Harry Linning Competition introduced for Zones 4, 5, 6 and 8. Eight teams would still compete for the Cup but they would be the top Association teams in each Zone. Dependent on player strength, Far North Queensland Zone 1 was allocated 2 teams, North Queensland Zone 2, 3 teams, Central Queensland Zone 3, 2 teams and North West Queensland Zone 7, 1 team.

The Gino Paris Cup Carnival is the oldest State-wide Carnival in Queensland and ranks as one of the top soccer contests in our State and all players participating should feel honoured to be part of it.

Now firmly established, the Gino Paris Cup Carnival has a great history behind it — and surely a greater one ahead of it.

HARRY LINNING

Harry Linning's interest in soccer began with his appointment to the Deaf School as a pupil-teacher in 1927. On his retirement in 1977, he could look back on 50 years involvement in soccer as a coach, team manager and administrator.

Harry is a Life Member of School Soccer, School Sports Association and Annerley Recreation Club. He is also Patron of the latter body and Patron of Brisbane South Junior Soccer.

In addition to his activities for schoolboy soccer, Harry instigated the first Intra-State tour for any sport in any age group when, in 1953, a combined Brisbane and Ipswich schoolboys team travelled to Cairns, playing at Mackay, Townsville, Cairns, Ayr and Rockhampton.

He encouraged and guided further Intra-State Competitions which became yearly events: Firstly The Gino Paris Cup and more recently The Harry Linning Cup. These carnivals provided the incentive for boys to play soccer in many areas and to strive to represent their cities.

Now in retirement, he attends every Harry Linning Cup and proudly presents his trophy to the winners, at the same time giving encouragement to every competitor.

HISTORY — HARRY LINNING CUP

Prior to 1953 soccer in Primary Schools was confined to the Brisbane, Ipswich, Wynnum and Manly Schools. In Brisbane and Ipswich it was under the direct control of the Q.S.P.S.S.F.A., but in Wynnum and Manly it was played on Saturday mornings under the control of a very dedicated group of non-teachers.

In 1953 the schools association set out on a very ambitious programme to extend soccer throughout the north. With the assistance of the Q.S.F.A. contact was made with Mackay, Townsville, Ayr and Rockhampton and with personal contact with Cairns our association was able to make an extensive and successful tour of North Queensland, during the school's August vacation.

It is very important to note that contact with each of these centres was through the Senior Association, no members of the teaching service were involved.

In 1956, Mr. Gino Paris, a prominent business man from North Queensland presented to the schools Association a trophy, which was called, "The Gino Paris Cup" for competition between cities of the North and the South of Queensland.

By 1964 this competition had settled into a permanent competition of 8 cities, and was largely responsible for the meteoric rise in both the numbers and quality of the players. It had become so prestigious in the Junior and Schools Associations that repeated applications were received from other cities to compete in the Gino Paris Cup Competition at was considered that eight teams was the maximum which could be catered for and as none of the competing associations wished to leave the competition, all applications were refused.

Early in February, 1972, an application was again received from the Maryborough Junior Soccer Association to compete in the "Gino Paris Cup" competition.

Realising that this was impossible, they were advised accordingly and a suggestion was made that they, with the help and advice of the Q.S.P.S.S.F.A. form a second competition. Maryborough immediately took up this recommendation and with much especially from Viv Leggatt, a teacher from Wynnum-Manly, a second competition was arranged to be played in Maryborough during August, 1972. Harry Linning who recently was secretary from 1952 to end February, 1972 offered to present a trophy which eventually was named after him for Annual Competition.

Using the experience and knowledge gained in the "Gino Paris Cup" Competition, the new competition was assured of a good start. Emphasis was placed on friendship, leadership and sportsmanship and coaching during the course of the game was not allowed.

With this in mind the Maryborough Association designed a badge, The Harry Linning Badge which incorporated the spirit of the carnival. Because of cost of metal badges were given to Managers, Coaches and cloth badges of that design together with the place and year of competition were given to the players.

As in the "Gino Paris Cup", no badges were available for sale, each badge had to be earned.

In the initial carnival (1972) Maryborough 1 and 2, Hervey Bay, Gladstone, Sunshine Coast, Wynnum-Manly competed, Redcliffe competed twice.

By 1976 eight teams, Blackwater, Mount Morgan, Gladstone, Maryborough, Gympie, Sunshine Coast, Wynnum-Manly and Gold Coast competed.

Here again all of the associations, except Wynnum-Manly were Junior associations. Vic Leggatt, a teacher, was secretary of Wynnum-Manly, and it was his dedication and advice that enabled the competing associations to organise and conduct the carnivals at a very high standard. We are all deeply indebted to him for his skills.

I would like to place on record here that from January, 1953 when the idea of these Intra-State activities was born and until I retired from the teaching service in April, 1977, my dealings with non teacher associations, i.e. the Junior and Senior Associations were of the highest order and I am extremely grateful for their co-operation and advice and the way in which we were together able to do so much for so many of our youngsters. Without this progress would have been delayed for many years.

In 1976 the Q.S.P.S.S.F.A. decided that they would restrict their activities to within the schools.

As most of the associations competing in the "Gino Paris" and "Harry Lining" Carnivals were Junior Associations an approach was made to the Q.J.S.A. to take them over. This they readily did accepting both cups and it was decided that:-

- (a) Queensland be divided into two sections - North and South.
- (b) North would compete for the "Gino Paris Cup".
- (c) South would compete for the "Harry Lining Cup".
- (d) Each section could be divided into four zones, each zone entering two teams.

The first competitions under the control of the Queensland Junior Soccer Association was held in 1977.

This was continued until present form which is conducted between 5 southern zones with 2 teams coming from Brisbane South, Brisbane North and Wide Bay zones and 1 team from the South West and South East zone.

I have attended most carnivals and am proud to know that my trophy is in very safe hands and that the ideas which I stand for continue to dominate each carnival.
