PRESIDENT'S MESSAGE

Once again it is my pleasure to introduce the Queensland Junior Soccer Council's Year Book. As in previous years the 1994 Year Book contains statistics, events and a history record of Junior Soccer throughout our State. My congratulations to all who have contributed to this publication and trust it will be of immense interest.

The number of young Queenslanders playing soccer is continuing to grow and we saw our registrations pass 30,000 in 1993. This is a wonderful achievement and exceeds the previous highest registrations of 27,887 in 1981. Indications are that we should see a further increase this year.

One of the strengths of Junior Soccer in Queensland is the professional coaching that is now offered to all our young players. In this the year of the coach our expectations of coaches and coaching methods is at a premium. The drive and dedication of our regional directors of coaching under the masterly eye of State D.O.C., Jim Selby is reaping the rewards.

Last year Queensland achieved the runner-up medals at both the Under 14 and Under 15 Nationals. This was a great thrill for all involved in Queensland Soccer and we are all very proud of such a performance. It was the best Queensland has finished at this level and our congratulations to State Coaches Brian MacNicol and John Georgoff.

There are a number of new faces on the Q.J.S.C. (inc.) Council this year. My appreciation to all of our retiring Councillors and welcome those involved for the first time. A special welcome to new Secretary, Bob Stokes and a sincere thanks to retiring Secretary, John Trew.

I look forward to working with you and trust that 1994 will be an enjoyable and rewarding year.

BILL FIRTH,
President, Queensland Junior Soccer Council Inc.

PATRON'S MESSAGE

Junior Soccer in Queensland continues to grow under the sound management of the Queensland Junior Soccer Council. Congratulations on the continued increase in registered players during 1993.

The development of Junior Soccer players is the prime goal of the dedicated work of so many hard working team officials, coaches, parents and regional and state officials.

Talent Identification programs and training camps are a key to developing player and team skills and importantly lift the standard of soccer in Queensland.

The launch of the Brisbane Strikers in the National League provides the inspiration and career path for young soccer players in this State.

The 1993 World Cup Championships and now the success of the Brisbane Strikers have increased the popularity of soccer and will have a positive effect on the growth of junior soccer in Queensland for many years.

It is so pleasing to see junior players from all parts of Queensland participating in the Talent Identification Tournaments. This is a strength of Junior Soccer that players from remote areas are supported to develop their soccer skills.

My best wishes to President Bill Firth and the Q.J.S.C. Committee and I extend my warmest wishes to all officials at all level of Junior Soccer for another enjoyable and successful 1994 season.

CLEM CAMPBELL, M.P.,
Patron,
Queensland Junior Soccer Council Inc.

Q.S.F. PRESIDENT'S MESSAGE

The year 1993 certainly marked a number of significant achievements for soccer in Australia.

The Socceroos captured the public imagination with exceptional performances in a most difficult World Cup qualification series, while the staging of the FIFA Coca-Cola World Youth Cup in Australia and the efforts of the young Socceroos in that tournament could only be described as a great showpiece for the game. To round off the international performances, a highly impressive display saw our Joeys reach the quarter finals of the Under 17 World Cup in Japan.

At the other end of the spectrum, the expanding interest in soccer was demonstrated by a very respectable growth rate of 8% in participant numbers across Australia. In reflecting on these achievements it is fair to say that success at international level is vital to the growth and popularity of our sport and that high profile National teams will attract more and more young people to the game. It is also true that the future of our National teams ultimately depends on widespread grass roots support for the game, combined with a system which provides a proper career path and appropriate incentives for aspiring young players. Strong domestic competitions and a viable National Soccer League in particular, are integral to this whole process.

In Queensland, we have a broad participation base and well established programs to identify and foster talented players throughout the State. In fact, we employ more full time development personnel than any other soccer State. We are also very fortunate to have the assistance of the Queensland Academy of Sport, which has added a further dimension to our development programs and made it possible for Queensland to be represented in the National Youth League for the first time.

However, traditionally Queensland has found it quite difficult to retain the higher level of competition provided by the National Soccer League and, unfortunately, many of our better players have been lost to the southern States over the years. The events of more recent seasons have again shown how difficult it is to maintain a successful presence in the National competition, but the emergence of the Brisbane Strikers in 1993 has certainly renewed our confidence that Queensland will be able to meet the challenge in future.

It is inconceivable that Queensland should be without representation in the National League or that our youngsters should ever again be forced to move interstate to pursue a soccer career. I trust that all soccer followers, no matter what their role in the game, will share these sentiments and will perhaps make an extra effort to support the Brisbane Strikers from now on.

With last year's achievements in mind, I am confident that we will see a record number of young people playing soccer in Queensland during the forthcoming season. I am also quite sure that, with your support the game will go from strength to strength in the years ahead.

I wish you all an enjoyable and successful 1994 season.

WALLACE DANN
President
Queensland Soccer Federation

HISTORY OF THE GINO PARIS CUP

In 1953, a combined Brisbane and Ipswich Under 15 team toured Queensland playing games in Mackay, Townsville, Ayr and Rockhampton. Mackay and Cairns visited Brisbane and Ipswich in 1954 and in 1955 a team from Brisbane and Ipswich travelled to Mackay and Rockhampton.

These 3 years' activities stirred the imagination of Ingham businessman, Mr. Gino Paris. He offered a magnificent trophy to the Queensland Primary Schools Soccer Football Association for annual intra-state competition. From this beginning has come the Gino Paris Cup Carnival for Under 12 players — seven days of wonderful sport played in the true spirit of sport and sportsmanship.

In its first years, the Carnival was played on a 'round robin' basis. At the 1961 Carnival in Ipswich 9 teams participated which was too big a number for the limited time available. A new format was introduced in 1962 at Mackay and it was also decided to limit the competition to 8 teams with the preference to be given to the 8 who had been the early supporters of the competition.

Following the formation of the Queensland Junior Soccer Council in 1976, the Gino Paris Competition was restricted to Zones 1, 2, 3 and 7 for the 1977 competition and the Harry Linning Competition introduced for Zones 4, 5, 6 and 8. Eight teams would still compete for the Cup but they would be the top Association teams in each Zone. Dependent on player strength, Far North Queensland Zone 1 was allocated 2 teams, North Queensland Zone 2, 3 teams, Central Queensland Zone 3, 2 teams and North West Queensland Zone 7, 1 team.

The Gino Paris Cup Carnival is the oldest State-wide Carnival in Queensland and ranks as one of the top soccer contests in our State and all players participating should feel honoured to be part of it.

Now firmly established, the Gino Paris Cup Carnival has a great history behind it — and surely a greater one ahead of it.

HARRY LINNING

Harry Linning's interest in soccer began with his appointment to the Deaf School as a pupil-teacher in 1927. On his retirement in 1977, he could look back on 50 years involvement in soccer as a coach, team manager and administrator.

Harry is a Life Member of School Soccer, School Sports Association and Annerley Recreation Club. He is also Patron of the latter body and Patron of Brisbane South Junior Soccer.

In addition to his activities for schoolboy soccer, Harry instigated the first Intra-State tour for any sport in any age group when, in 1953, a combined Brisbane and Ipswich schoolboys team travelled to Cairns, playing at Mackay, Townsville, Cairns, Ayr and Rockhampton.

He encouraged and guided further Intra-State Competitions which became yearly events: Firstly The Gino Paris Cup and more recently The Harry Linning Cup. These carnivals provided the incentive for boys to play soccer in many areas and to strive to represent their cities.

Now in retirement, he attends every Harry Linning Cup and proudly presents his trophy to the winners, at the same time giving encouragement to every competitor.

HISTORY — HARRY LINNING CUP

Prior to 1953 soccer in Primary Schools was confined to the Brisbane, Ipswich, Wynnum and Manly Schools. In Brisbane and Ipswich it was under the direct control of the Q.S.P.S.S.F.A., but in Wynnum and Manly it was played on Saturday mornings under the control of a very dedicated group of non-teachers.

In 1953 the schools association set out on a very ambitious programme to extend soccer throughout the north. With the assistance of the Q.S.F.A. contact was made with Mackay, Townsville, Ayr and Rockhampton and with personal contact with Cairns our association was able to make an extensive and successful tour of North Queensland, during the school's August vacation.

It is very important to note that contact with each of these centres was though the Senior association, no members of the teaching service were involved.

In 1956, Mr. Gino Paris, a prominent man from North Queensland presented to the Schools Association a trophy, which was called, "The Gino Paris Cup" for competition between cities of the North and the South of Queensland.

By 1964 this competition had settled into a permanent competition of 8 cities, and was largely responsible for the meteoric rise in both the numbers and quality of the players. It had become so prestigious in the Junior and Schools Associations that repeated applications were received from other cities to compete in the Gino Paris Cup Competition as it was considered that eight teams was the maximum which could be catered for and as none of the competing associations wished to leave the competition, all applications were refused.

Early in February, 1972, an application was again received from the Maryborough Junior Soccer Association to compete in the "Gino Paris Cup" competition.

Realising that this was impossible, they were advised accordingly and a suggestion was made that they, with the help and advice of the Q.S.P.S.S.F.A. form a second competition. Maryborough immediately took up this recommendation and with much help especially from Vic Leggatt, a teacher from Wynnum-Manly, a second competition was arranged to be played in Maryborough during August, 1972. Harry Linning who was secretary from 1952 to the end of February, 1972 offered to present a trophy which eventually was named after him for Annual Competition.

Using the experience and knowledge gained in the "Gino Paris Cup" competition, the new competition was assured of a good start. Emphasis was placed on friendship, leadership and sportsmanship and coaching during the course of the game was not allowed.

With this in mind the Maryborough Association designed a badge. The Harry Linning Badge which incorporated the spirit of the carnival. Because of cost metal badges were given to managers and coaches while cloth badges of that design together with the place and year of competition were given to the players.

As in the "Gino Paris Cup", no badges were available for sale, each badge had to be earned.

In the initial carnival (1972) Maryborough 1 and 2, Hervey Bay, Gladstone, Sunshine Coast, Wynnum-Manly competed, Redcliffe competed twice.

By 1976 eight teams, Blackwater, Mount Morgan, Gladstone, Maryborough, Gympie, Sunshine Coast, Wynnum-Manly and Gold Coast competed.

Here again all the associations, except Wynnum-Manly were Junior Associations. Vic Leggatt, a teacher, was secretary of Wynnum-Manly, and it was his dedication and advice that enabled the competing association to organise and conduct the carnivals at a very high standard. We are all deeply indebted to him for his skills.

I would like to place on record here that from January, 1953 when the idea of these Intra-State activities was born and until I retired from the teaching service in April, 1977, my dealings with non teacher associations, i.e. the Junior and Senior Associations were of the highest order and I am extremely grateful for their co-operation and advice and the way in which we were together able to do so much for so many of our youngsters. Without this, progress would have been delayed for many years.

In 1976 the Q.S.P.S.S.F.A. decided that they would restrict their activities to within the schools.

As most of the associations competing in the "Gino Paris" and "Harry Lining" Carnivals were Junior Associations an approach was made to the Q.J.S.A. to take them over. This they readily did accepting both cups and it was decided that:-

- (a) Queensland be divided into two sections - North and South.
- (b) North would compete for the "Gino Paris Cup".
- (c) South would compete for the "Harry Linning Cup".
- (d) Each section could be divided into four zones, each zone entering two teams.

The first competitions under the control of the Queensland Junior Soccer Association were held in 1977.

This was continued until the present form which is conducted between 5 southern zones with 2 teams coming from Brisbane South, Brisbane North and Wide Bay zones and 1 team from each the South West and South East zones.

I have attended most carnivals and am proud to know that my trophy is in very safe hands and that the ideas which I stand for continue to dominate each carnival.

THE AUSTRALIAN OWNED
OIL COMPANY

Are proud to be associated with the Queensland Junior Soccer Council and local Junior Association and offer heartiest congratulations for the efforts dedicated to the youth of Queensland by organising Championships such as these being staged by Mackay District Soccer Federation in the Southern North Queensland Zone in 1994.
